MIGHTY VICTORY ASKS YOUR ASSISTANCE

June 15, 1962

Our Great and Mighty Cosmic Being Victory has said that each time He speaks some part of Life is set free! If we will reverently provide the channel for Him, each time this page is read HE WILL FREE SOME PART OF LIFE, and you who read it, will be partially responsible for that by having provided the channel. Victory and Freedom will thus be able to manifest more quickly on the Earth.

FIRST: Focus your undivided attention on your own "I AM" PRESENCE and the Flame within your heart. Send your love to Mighty Victory and see Him clothe you in His Luminous Presence, charging you with His Victory and the Power of the Great Silence. Say silently but constantly—"VICTORY IS MINE!" As you move among mankind and you see some condition that needs more Light, if possible touch it and silently say, "VICTORY I S YOURS (3)!"

All this Great Being asks is that you provide the channel for Him to render this service, and as you do, your own momentum and Power of Light will increase and

expand and each one of you will be blessed for giving this simple and yet tremendous service.

Mighty Victory has said: "Each time you do this, the Victory you silently decree shall come forth, and the Victory you deserve shall be yours, and the Victory you desire for others shall be theirs! This is the first time since I started My service that I have been able to use students for a service such as this. Remember, keep your thoughts harmonious so My radiation can pour through."

MY OWN BELOVED "I AM" PRESENCE, I LOVE
YOU! BELOVED MIGHTY VICTORY, I LOVE
YOU! I ACCEPT MY VICTORY AND MASTERY
OVER MY OWN LIFE ENERGY. VICTORY IS
MINE! VICTORY IS MINE! VICTORY IS
MINE! I EXPAND THIS TO ENFOLD EVERY
PART OF LIFE ON THE PLANET AND I ACCEPT
THAT SOME PART OF LIFE IS NOW SET COM-
PLETELY FREE!

THE RETREAT AT MADAGASCAR

acting jointly with the
Retreat at Yucatan

October 15th through November 14th

The Great Being in charge of the Focus at Madagascar is Our Beloved LaMoray, His Quality being Harmony, Peace and Eternal Freedom! This Great Focus works in conjunction with the Retreat at Yucatan. These Two Retreats serve on all the Rays in a combined activity and are active at this time to bring about the complete New Vibration. The predominant Qualities of these two Mighty Focuses in this age - this GOLDEN AGE - of Love and freedom, are FREEDOM, LOVE, LIFE AND ILLUMINATION EVERLASTING!

Directly above this Focus at Madagascar is a giant Sunburst, gold in the center with seven points extending from it, each representing one of the Seven Rays. Originally, this Sunburst was used to draw the necessary energy to precipitate the Temple of HARMONY. As soon as the Temple manifested, the Sunburst rose above the Temple where It still draws energy to harmonize and sustain the Focus and send it out into the world.

The Temple Itself is round, consisting of eight huge rooms. The room in the center (the eighth one) is where all activities in the Retreat are centered. The other seven rooms have a Representative from each of the Seven Rays and they all work together in the Temple of Harmony to combine all the qualities into

one vibration. The entire Focus is precipitated white marble, and as each room becomes active, this marble becomes transparent so that you can see the activity taking place within it.

While all Seven of the Rays are represented here, the White Light is the combined activity of all of them. The color of this Retreat is therefore the White Light and ALL the Seven Colors of the Seven Rays!

The Keynote for this Focus of Harmony is the lovely piece known as "Clair de Lune" by Claude Debussy.

THE RETREAT AT YUCATAN, MEXICO

acting jointly with the
Retreat at Madagascar

October 15th through November 14th

Long before the beginning of the Christian Dispensation, there was firmly established in the province now known as Yucatan, Mexico, a Golden Age wherein all people under the kindly but wise rule of their Leader, Kenich Ahan (since ascended), worshipped the Love, Wisdom and Power directed by Helios and Vesta, and which has sustained the planet Earth and Her attendant evolutions.

As in the case of so many civilizations which have flourished, brought great Light to the people and then have been scoffed at, the people of the Mayan Civilization knew long before their temporary conquest by

those interested in securing the gold which they used so freely to adorn their Temples and persons, that for a posterity who should desire to understand their True Knowledge, there must be written upon pure gold leaf, the Truth of their civilization and Its findings, in regard to the Presence of Deity here in the world of form. They, obedient to the Divine Will, inscribed these Truths on fifty-two golden plates, threaded on gold bars, engraved with characters relating to the entire constructive history of the Mayan people.

Rumor has it that later conquistadors found these plates, not cognizing the important information contained therein, and melted them down for the intrinsic value thereof. However, this is not true! Kenich Ahan and His White Priesthood knew, long before the decline of His civilization what could become the fate of these priceless and ageless Documents and made the necessary precautionary steps to preserve Them.

Within a Sacred Mountain in Yucatan, scarcely fifty miles from the present Capital "Merida," Kenich Ahan and His Brotherhood of Light placed these documents, and to the present day His descendants and followers guard Them, as well as the glorious Golden Flame of Light Eternal which contains the Twelve Aspects of Deity (magnetized from the aura of Helios and Vesta). This Mountain is called UXMAL. To the ordinary tourist of today, it is merely a large mound

of earth containing within and upon its surface the the remnants of various Temples.

Kenich Ahan has come to dwell again within this Sacred Mountain and invites you, beloved ones, n o t seeking gold or personal aggrandizement, to enter into the very simple Maya Lodge which looks similar to that of the learned archaeologists. When your Light has been tested, your sincerity of purpose proven--a servant, brown of skin, tall, slim and graceful, will part the curtain which divides the Lodge from the Inner Temple and invite you to enter the long illumined corridor which leads deep into the heart of UXMAL where--in is sustained the Glorious Golden Flame of Light Eternal! Here you can join with other selfless Chelas, in prostrating yourselves before the Flame of t h e Light Eternal and then, absorb into yourself more of that LIGHT and the Very Nature of Helios and Vesta Themselves.

Returning to your physical vehicles after such a visitation in projected consciousness, your own Holy Christ Flame can and does expand that LIGHT ETERNAL for the benefaction of yourselves and all imprisoned life everywhere.

Be assured, beloved ones, that no human being is allowed to touch the heart of UXMAL, although they play upon the surface of this Sacred Mount. In these times of world crises, the LIGHT OF KENICH AHAN and HIS WHITE BROTHERHOOD again radiate forth to bless into perfection Mexico, Cuba and Central America

particularly, and you are privileged to be the first to trace your fingers upon the Golden Plates, face the Glorious Sun God KENICH AHAN, absorb into your emotional, mental, etheric and physical vehicles, His Light and that of the Flame Eternal. What shall you do with this privilege?--Remember your own previous association with these people? Admire their perseverance? Or become NOW A RADIATING CENTER OF THE LIGHT OF HELIOS AND VESTA?

We shall see - and upon your innermost motives will revolve your further instruction upon Esoteric Truth!

The Mighty Hierarch of UXMAL, Kenich Ahan is pure Aryan. In stature He towers over eight feet. The magnificence of His garments are scarce describable. For ceremonial purposes Kenich Ahan wears a Golden Robe of a substance of such beauty of texture that its counterpart cannot be released into the physical world at this time.

Over His Golden Ceremonial Robe, He wears a cape which extends to just above the bend of the knee. We would describe this as a half-cape over the back, fastened to epaulets of gold. The cape while seemingly heavy in texture falls gracefully in pleats from the epaulets. Emblazoned on the cape is a glorious circle, symbolic of the Sun. The pleating of the material produces the effect that the Light from the Sun does, blazing forth in constant pulsation, the colors

of the Virtues of The Godhead intermingling one with the other like unto the Causal Body. For ceremonial Activity Kenich Ahan's hair is plaited over which He wears a golden band, fastened in the center front with a magnificent topaz.

The Focus Itself constantly emits a golden glow inviting the student who so desires to take this Quality of Life Everlasting and firmly anchor it in his own world.

Upon entering this Retreat, you will find it very simple in appearance and seemingly plain for such a powerful Focus. This is because of the great desire of our Beloved Kenich Ahan to take as many as possible of the lifestreams who are now embodied in the vicinity of this Focus, and who were some of the leaders in the ancient Mayan civilization into this Focus and allow them one more opportunity to complete the service they started centuries ago.

In order that these individuals may recognize the Temple they once served in, it has remained unchanged to the present day, although where the Flame itself of Life Everlasting is kept is a magnificently beautiful room as are the quarters of Kenich Ahan.

The lifestreams who originally assisted Kenich Ahan - seven hundred and thirty in number - will be the ones responsible for some day making this wonderful Focus visible to all mankind and in making it

the most glorious and magnificent ever known.

* * * * *

The Keynote of this glorious Retreat is contained in the Christmas Carol: "WHAT CHILD IS THIS?" - the modern version of which is the song: "GREENSLEEVES."

* * * * *
* * * * *

With the opening of These Two Powerful Retreats, acting together, there will be a very tremendous release and expansion of Light upon the Earth, which will step-up the energy enfolding every individual on the planet.

It will be the wise student who will intensify the Power of Purity, Harmony and Love in his own world so that there is only GOOD expanded and returned to him.

MY QUALITY REQUIRED TO COMPLETE YOUR SERVICE

- by La Moray

June 9, 1962

My Love pours to you dear ones, and since My Quality is the one required for you to complete your service, then allow Me to charge you with all the Harmony which Divine Law will permit!

I want you to take this Harmony and expand it to enfold the entire Planet so that all mankind may be privileged to feel and experience this same wondrous ecstasy and joyfulness which you beloved ones accept into your daily life.

I am happy to say there is certain instruction-- which I have been permitted to release to you. It, of course, concerns your Divine Service and also how that service may be fulfilled without the slightest obstacle, and of course this concerns the human.

My beloved ones, do you realize that the human is as sensitive on its own level as the Holy Christ Self is on Its level, and whenever there is any outer vibration occurring in your thoughts and feelings which might in any way make you want to drop out of this Great Activity, there is only one thing to do: IGNORE IT! Do you realize that the only thing the human is sensitive to is anything vibrating on or below its own level. The only time you may depend on it to guide

you, in the proper direction, is when it is Holy and Free of all human qualities.

I want you to remember that you are not expected, because of society or any other outer activity, to accept anything into your world which is human. Take your stand and assert your dominion.

The outer consciousness itself is pure and holy, composed of life energy, the same life energy that pours directly to your own "I AM" Presence, your Holy Christ Self and the Flame within your heart, and then it goes from you in the way you desire to direct and qualify it. There is nothing imperfect at all about the outer consciousness except that which you allow to be imposed upon it to unbalance your thought, feeling and action.

The solution for balancing the human does not lie in raising your thoughts, feelings or actions, but rather in raising your point of attention. This is the solution, beloved ones, to raise your consciousness above all imperfect thought, feeling and action directly to your own God Presence. How else can your Ascension be made unless you raise everything? Even your body is eventually absorbed into the Great Central Sun to be purified and sent forth again.

So beloved ones, you can save yourself a great deal of time and unnecessary effort and take advantage of the Flame within your heart and use It as a Great

Central Sun to purify and balance everything within your being and definitely see that your outer consciousness vibrates in accordance with your Holy Christ Self on Its own level.

All the Light from Madagascar pours to you as well as the Light and Blessings of every Ascended Master, and every Ascended Master Focus, Retreat and Etheric City within the atmosphere of this planet. I, LaMoray, Thank you and with all My Love enfold you and with all the Harmony I am permitted to release, I shall hold this group together (with or without the assistance of the human) eternally, and that Harmony is eternally sustained. God bless you.

YOU MUST BE FREE AND HAPPY IN YOUR SERVICE

by the Ascended Master Saint Germain

July 4, 1962

Good morning, My dearest ones! You will do Me a great favor if you will completely relax and know that I am One of you! I want you to realize and accept that I am in this very room and you can see Me as I speak these words.

Do you know that the greatest privilege and honor is yours to be able to serve in this Great Activity and at the same time be free and happy? In the past while many were happy in their service, they were not free, and many were free but not happy! Under this New Vibration it is a necessity for you to be free and happy when engaged in your Divine Service, which should be constantly. To be joyous in this New Activity is as imperative as your daily application, so again may I ask you to relax and accept Me into your world as you would anyone in the outer, because actually, beloved ones, I am closer!

I know what you require to fulfill your Divine Service, and I am here to bring that to the surface so that you may go forth in complete understanding that you are fulfilling your Divine Plan to the exact detail. The LIGHT OF GOD THAT NEVER FAILS must be the Light that sustains you in every activity in the outer or in your Divine Service. This is all you need to know--that you are drawing energy from the right Source and properly directing it. If you know

this, and if you are doing it, then do not worry about your Divine Plan being fulfilled because this is all you are required to do to fulfill it. Be natural in your own world and accept the constant expansion of Divine Love from every part of Life.

The only way you may accept yourself as a part of the ONE and accept yourself as ONE with ALL LIFE is to be natural and relaxed at all times. This is when the greatest amount of Light is drawn--when you are free of all tension and harmonious with all surrounding vibrations. So be happy, beloved ones, because the New Activity has started and you are instrumental in starting it, so be happy in the knowledge that you are fulfilling your Divine Plan, each one here, and you are providing the energy for the Light as of a Thousand Suns to some day come forth and illumine all mankind and set this Planet in Divine Order, -- Holy and Free of all imperfections!

Now some of you are saying for such a great service, are we to take it so lightly? Well, let Me tell you this, beloved ones, in comparison with the things that are to come, this is a relatively small service. This is only the first step and your first assignment under this New Activity. You have no idea what you have accepted to do in the years to come, so I want to say to each one here: Do not be surprised at anything that might happen! You are going to be called upon to perform some seemingly great services for the amount of Light you have released, but in reality it will be

simple services. I want you to know that any time We ask you to perform a service that We know in advance that you will be capable of fulfilling Our request-- or We would never ask it!

I would like to make a special decree at this time, that you be charged with the Violet Flame and wherever you move that you may anchor it! Today, if you will, picture your entire body composed of Violet Fire moving about and everywhere you step I want you to visualize the Violet Flame firmly anchored in the Planet. Will you do this for Me? Remember, you are capable of it or I would not request it! So go forth today FREEING EVERYTHING YOU TOUCH, but remember - be HAPPY about it - and know that I stand by to render any possible assistance. All that is required on your part is to allow Me once you provide the channel.

All My Love to each of you, and as Our Beloved El Morya has said, this class will not end but continue, and next year We will BEGIN where We have left off today! All I ask you to do is prepare for it.

God bless you forever, forever and forever and for all you have done in the past, and all you shall do in the future, and I wish you a Good Day.

I thank you so very much.

* * * * *

AN EXCERPT BY EL MORYA

Sit down many times a day and STILL your mental and feeling worlds. Picture your Mind as a calm lake. Offer it to the Presence and allow the whole Light of the Presence to play upon your mind; it will illumine all things to you and set your pattern in the course of thinking and living anew.

One reason for dissonance and confusion when a number of people are living and working together towards one activity is, that each individual is receiving through the channel of his own mind a series of reports and suggestions. Through evolution and through inner pressure of feelings and karmic ties, no two unascended beings think alike until their minds are completely trained to tune in to the Inner "I AM" Presence. Each one accepts the jumbled reports of his own consciousness, eager and desirous of helping, full of zeal and honest enthusiasm and allows the energy of his being to back his particular thought processes. When a number of such individuals are associated together, the ideas are naturally not completely harmonious and either confusion or actual conflict ensues.

Let each one practice daily the conscious attunement with his own "I AM" Presence, through the quieting of the outer self and let the natural activity of

your being bring to quick fruition any plan which is from God's Heart.

This explains why it is so necessary and requisite for you to refrain from telling your plans and ideas to other people until they are completed, for their minds are untrained and form definite opinions, and immediately their Life-force flows into your idea and affects your manifestation adversely.

* * * * *

LET BEAUTY'S FLAME HAVE FREEDOM

by The Maha Chohan

If you will relinquish and release all power and authority of the human self to govern the Electronic Light Substance which you have drawn about your life-stream through the course of your evolution, I could transform and transmute that Substance into the Beauty expressed in Nature. I would like to have you see expressed a little of the magical, miracle working power of Perfection's Flame in action when drawn thru those electrons so long imprisoned by human thinking and feeling.

As Beauty through My Cosmic Heart is stamped upon the elemental substance, and those elements are freed from the mis-shapen contour which the human consciousness held about them, they become exceedingly joyous and grateful -- and, you will see, when Beauty is expressed in face, form, atmosphere and environment that the atmosphere naturally is more harmonious because all Life innately desires to expand Beauty!

When Beauty's Flame is encased in the human thought of any lifestream, electronic force is imprisoned, and all imprisoned life whether in animal or in man exudes a certain heaviness and unhappiness which accounts for

the depression in your slums and all places where there are sordid conditions.

When Light and Beauty are allowed Freedom to act within the physical form, in the feelings, a home or in an environment, it is the natural expression within the electrons, and produces a buoyant and raising activity of life.

If you will persevere in your calls, We shall show you what the consciousness of The Maha Chohan can give you in expanding Perfection's Flame through your personal life and the life of all whom you choose to call it through!

When God the Father created the individual Rays which now are expressing as physical bodies on the Earth, He projected forth a core or focus of Love. Within this God Focus was a tiny replica of the Perfected Being which each one was to become!

Love is a magnet to the four elements and the Beauty which they express, and around this central core was drawn the substance which makes up the physical body of the lifestream.

This Mighty Focus or Core of Love, which is the Permanent Atom, emits a radiation just as your physical Sun does. By the nature of Its Being, this

pulsation of Love stamps the Divine Idea on all the elemental substance of the outer body until the four elements are in perfect expression of this Divine Idea within the heart. That is why individuals will never express Perfection until they become attuned with the vibratory action of Love.

Love is the fulfillment of the Law. Love is the fulfillment of the Divine Plan and Beauty, and Love alone can mould the substance of the elements into the expression of the Godhead instantly.

The Universal Light Substance with which you are surrounded is eager to be set free from every limited form and focus that is less than Beauty and Perfection, and That Light Substance would appreciate your use of the Sacred Fire to transmute the malcreations in your world, and then to mould anew the Kingdom of Heaven, not only at your particular point of the Universe, but everywhere for all Life imprisoned and expressing limitation, and let Beauty and Perfection's Flames take their dominion on the Earth once again.

* * * * *
