OUR BELOVED KWAN YIN

Goddess of Mercy, lovely Kwan Yin,
Guiding us on - our Vict'ry to win;
God's great Forgiveness; His Mercy too,
In Love unceasing, flow forth from You.
We feel the Pow'r of Thy Mercy Flame;
Through invocation, Thy Love we claim
To e'er outpicture Thy great God Pow'r -
Raising the Earth in this Cosmic Hour.

To Mercy's Temple there in Peking,
In adoration, praises we sing;
Angels surround with Beauty Divine
All those who serve in Thy Holy Shrine.
Sisters of Mercy; Brothers of Love;
Each one directing Light from Above
To bless Earth's children - set them all free
In the Ascension - Love's Victory.

Kwan Yin, we love Thee, and in Thy Name.
Enfold all life in Thy Mercy Flame.
Blest Violet Fire of God's Seventh Ray,
Blaze through the Earth; bring in the
New Day.

Now Elementals and Angels too
Shall with all men acquaintance renew;
As they then God's Divine Plan discern,
Heaven to Earth shall once more return.

MELODY: Original

THE TEMPLE OF MERCY

The beautiful Temple of Mercy, around which are twelve smaller Temples, is located in the ethers, near Peiping, China. This is the Focus for the Flame of Mercy and Compassion for the Earth and all Her evolutions.

The Lady Master, known well in the Orient as Kwan Yin, Goddess of Mercy and Love magnetizes this Flame of Mercy and Compassion from God's Own Heart into the lower atmosphere of Earth wherein the distresses of soul, mind and body are temporarily experienced.

Long ages ago, Beloved Kwan Yin was well known to many of the people of Earth who, being aware of the tremendous gifts of Her Flame of Mercy which could be theirs for the acceptance thereof, often came to Her Temple for assistance in the transmuting of their own destructive karma, as well as that of their loved ones.

At certain times, Kwan Yin and Her Spiritual Court would travel over much of Eastern Asia and those who were not able to make the long pilgrimage to Her Temples were so given personal audience by this Gracious Lady, at that time visible to the physical sight of the Earth's people. She has always been and still is particularly interested in helping children and parents to redeem their respective and collective destructive karmas, so that they may more quickly outpicture the perfection of their own "I AM" Presence.

Often, in those past ages, Beloved Kwan Yin would baptize with Violet Fire the children who were brought to Her for blessing, holding them during that ceremony in Her Own compassionate arms and, as much as the Law of their Beings would permit, She would mercifully transmute as much as She could of the (to the physical sight) unseen but destructive karma of these little ones before it could externalize as distresses of soul, mind, body or affairs. These destructive energies, of course, had been generated in past lives.

After the veil of maya had been created by the mass of mankind, Beloved Kwan Yin, like Others of the Divine Beings, was no longer seen by the outer physical sight of the people but She has continued Her services from the Inner Levels of consciousness which, of course, are very efficacious and render a transcendent service to mankind, the Earth and Its atmosphere. Since mankind's attention is the Open Door in his world of all upon which it fixes that attention, when this Beloved Goddess of Mercy, Kwan Yin, is again better known to Earth's people and Her beauty and loveliness (as well as Those Who serve with Her) are again visible to the physical sight of the people, then will such blessings of healing, balance, peace and joy come forth to the people as have never been known on Earth before. This is just one of the glorious gifts of "The Seventh Ray" which She serves and has served so selflessly for ages and which await mankind as the Permanent Golden Age comes into Its complete fulfillment.

Wise, indeed, is the chela and grateful, indeed, is Kwan Yin for such an one who will consciously, daily, offer the younger generation and incoming children to Our Beloved Kwan Yin for Her loving and merciful assistance in these days. She will answer your calls and take each such lifestream into Her embrace, performing for them that same service which She rendered in those past ages.

After a soul has passed through the change called 'death' at the close of an Earth-life, Beloved Kwan Yin again renders each such an one a specific service, helping to wash away many of the 'scars' upon the etheric body of that one of disappointment, feelings of apparent failure, remorse and the causes and cores of other distressing conditions which the Law of that one's being will permit Her to remove. This makes it much easier for the individual to stand before the Karmic Board (Who, of course, must see all that is within the entire world of the applicant) and it enables that loving and merciful Karmic Board to assign that soul to the highest possible Sphere for instruction and help between embodiments.

The Beloved Kwan Yin, with Her Sisters and Brothers of Mercy, as well as Her limitless Legions of the Angels of Mercy, are also dedicated to the complete removal as quickly as possible of the cause and core of the scorn which so-called 'righteous' ones direct toward unwed mothers and their illegitimate children. One of Her Legions is always a Guarding Presence over all 'Homes' and 'Orphanages' where such lifestreams are given as much assistance

as possible. Her Flame of Mercy and Compassion always surrounds the mothers and mothers-to-be, whether they are helped by their fellowman or not and, in many instances, abortions and suicides often have been averted by the protecting faith-sustaining power of the Legions of Kwan Yin, the radiation from Whom gives such tremendous help to those unfortunate lifestreams who have become enmeshed in distresses of this nature.

The extreme quiet of the Temple of Mercy is the very first thing a visitor notices. The Brothers and Sisters move silently from Temple to Temple, rendering Their Service without 'fanfare' of any kind. So does True Mercy act, even through unascended human beings.

The exquisite graciousness of Kwan Yin is embodied in all Her Celestial Helpers and even in the unascended chelas who belong to Her Legions of Mercy. This graciousness is also the predominant Nature of the Beloved Ascended Master Saint Germain and it is a heart feeling, not a surface expression of kindness and love.

There are many individuals belonging to the Earth's evolutions who cannot or do not desire to forgive injustice done to them. Even sincere chelas sometimes harbor feelings of resentment and rebellion against other lifestreams, as well as against circumstances of an unhappy nature. To these is recommended the invocation of Beloved Kwan Yin's Own feelings of true Mercy, Compassion and Forgiveness. She will give to you the feeling of Her full, gathered Cosmic momentum of Forgiveness and Mercy until you, too, find the joy that comes in generating that feeling for yourselves.

BELOVED MOTHER MARYGood Friday,
March 24, 1967

Hail, oh Children of The Eternal, I greet you in the full Power of My Momentum of the Divine Concept for all Life and in the Magnetic Power of the revitalizing Flame of Resurrection!

The Planet Earth is resounding with the Ave Maria, or Hail Mary, and that is good, but as I said in My initial Greeting, "Hail, oh Children of The Eternal", you who are consciously serving with the Spiritual Hierarchy for the redemption, sustained purification and Resurrection of this Planet and Her evolutions!

Our Hearts are truly grateful for the Service of the beloved chelas; you who have done so much and are continuing to remove from the atmosphere of the Earth the depressing, dolorous radiation which has heretofore accompanied the Lenten Season, which by its very designation means somber. The All-Wise Creator of us all sends forth a loving and buoyant Radiation which embraces only that which is uplifting, never anything which even borders on the depressing or negative.

The chelas in the joining of their energies with Ours are consciously and constructively serving the Cause of World Good, and oh, blessed and sacred hearts, how the evolutions of this Planet long for, and are searching in their limited consciousness, a panacea for the ills manifesting in this world riddled with the thoughts of supremacy, one over the other,

rather than the uniting of forces for the common good of all.

When One or more of the Members of the Spiritual Hierarchy look upon your auras, and this is done continually in an effort to assist you in your forward progress on the Path, knowing that each such an one as he or she raises the vibratory action of their vehicles with the assistance of the Cosmic Radiation, all men are the beneficiaries of the Power of Resuscitation. Many times there appears a question regarding some specific phase of the Spiritual Law, some times just some simple question arises in your consciousness.

If the time is not opportune to give you the answer, We place such queries in a, you would call it File, which is available to all the Members of the Hierarchy. Then, when We believe the time is right for the answer, the Cosmic or Ascended Master Who is to address the chelas at that time is privileged to give you a reply, even though the question may have been directed, in thought or otherwise, to a specific God-Being.

One of these I shall now happily answer, and this refers to your Sponsor at the specific Retreats and whether They continue to render Their Service to you, now that you have the privilege of having a Seraphim in your aura. The answer is "Yes" -- your Sponsor does come for you, when invited, and accompanies you to the Retreat of the Month.

Now that more than one of the Retreats is

open for the full twelve month cycle, many of the chelas avail themselves of the opportunity to go to such Retreats, in answer to the heart-pull in that direction, attending also, of course, the Retreat of the current month. Whether you go directly to the Retreat specified for that period before or after the visitation at another is your prerogative, but it is your Seraphim Who accompanies you to the Focus which is open for the twelve-month period.

The Seraphim can also accompany you to the current Retreat, but usually They stand guard over your vehicles that are in a state of repose through the sleeping state. I particularly wished to reply to this query for the reason that courtesy is always the order of Heaven, so please decide where you wish to go first before entering sleep so that your Sponsor will not come for you before you have indicated.

Upon leaving a Focus in company of your Seraphim, They will send the Call to your Sponsor that you wish to go to the current Retreat which He or She represents. If you have the desire to go to the current Retreat first, your Sponsor will summon your Seraphim when you are ready to leave that Retreat. Then the Seraphim will accompany you to another Retreat, if that is what you have indicated.

Each chela who has been accompanied to and from the Retreats through the graciousness of their Sponsor owes a debt of gratitude to the chela who was alert enough to ask the Karmic Board for this boon, and which through the intensity of the Love of that chela for his fel-

low traveler, the Council thought it noteworthy and granted the request. The beloved Chela who asked for this assistance when some of you were at the Rocky Mountain Retreat in his company has come Home to go out no more. It is My honored privilege to tell you that this Sunday, Easter, Nineteen Hundred and Sixty-seven, The Feast of the Resurrection, he will receive his Full Freedom of the Ascension!

Is it not wonderful to know that through his tolerant understanding of his fellow chela you will continue to receive this Gift, which has a momentum in his Causal Body. This is just one illustration of how all life is joined one with the other, and one never knows while in the physical appearance world what a request for assistance of another part of life can do for all. Many of you are building glorious momentums along a specific line of Spiritual Endeavor, and to this I say "Blessed be your Service, oh Children of The Eternal!"

This Release will appear in the May Issue of THE BRIDGE for that is the time when Beloved Kwan Yin, whose Retreat of Mercy is open, and I, along with Beloved Meta have expanded Activities at the Sacred Heart Temple preparing and anointing the outgoing spirits who will be the incoming children on Earth during the next twelve-month period. In this way, the chelas knowing of the Activity at the Sacred Heart Temple will be in accelerated attunement with My Being!

The activities at the Sacred Heart Temple are indeed of tremendous import for the life-

streams who are ready for re-embodiment in the Wisdom of the Karmic Board sometimes are reluctant to leave the freedom which they are enjoying in their etheric garments, and then there are those who are so desirous of coming to Earth to assist in the externalization of Perfection on this Planet. One sees much activity in their radiant Causal Bodies, as in their wish to come to help, they intensify the colors of their Causal Bodies in an endeavor to prove they are ready, as if to say "look at the Gifts which I can bring to Earth". Oh dear and blessed hearts, when they attain a certain maturity on the physical plane and have met some of their returning karma and some of the existing conditions which they were SURE they could correct, many times the emanation from their vehicles indicates they wish they had stayed on the Other Side.

Well, no matter, then or now, or later, all must make good for past transgressions and fulfill the Vow which they have made with their lips, and oh yes with their hearts, so when given the opportunity there should be no reluctance to make the descent or once on Earth to remain until they have fulfilled their Vow. When there is resistance to come to Earth, if the Wisdom of the Karmic Board feels they can assist in the evolution, their human will is set aside in favor of the Superior Understanding of the Council.

And then, oh the sacrifice of the God-Free Beings Who volunteer to don a dense physical vehicle to assist Our Beloved Saint Germain in the resurrection and restoration of the Perfec-

tion ordained for this Sweet Earth. Oh, the silent prayers from the Hearts of Those of Us Who remove their shining garments and place them in safe keeping for Their return to the Realms of Perfection, or, as some prefer, etherialize them, knowing that instantaneous precipitation of any God raiment or desire is possible in the Kingdom of Heaven.

Now, a very important subject: Think of the crime against the Spiritual Law when We see, because it is necessary that We be aware of the activities in the world of form, the committees that were set up to legalize the abortive process. The Commandments as given to Moses are Spiritual Verities and do not change. "THOU SHALT NOT KILL" is as much a mandate as it was in the beginning. Many in favor of the abortive act have raised the question as to when the life process becomes an actuality, to which I very positively affirm - life is always present, every particle of substance in the entire universe is animate, and when two cells unite and the resultant activity means entrance into the world of form, LIFE IS PRESENT! We witness the same process in the Nature Kingdom, as well as the Animal. So I admonish all not to condone, even in secret thought, the taking of life. It is just as much a crime as waiting for maturity and disposing of a garment for some transgression of the outer world law. It is serious indeed to engage in any transgression of the Spiritual Law.

The Activities of the Cosmos are just, and I assure you that the Law of Retribution as dispensed in Illumined Spiritual Wisdom is the

only efficacious way of handling any and all wrong doing through the mis-use of God's Holy Energy.

Now these Truths are not given to the chelas to 'shout from the housetops'; they are presented to you so that you will grasp the opportunity to make Calls for the human free will activities which are of a negative nature to be replaced with God Perfection.

The foregoing is one of the questions which has appeared many times in the consciousness of the chelas, so now that it is answered, except for taking action through the Power of the Sacred Fire of Transmutation and Purification, We will consider this sufficient thereto!

In all the buoyancy of the Flame of Expectancy, let us turn our attention to the glorious Feast of the Resurrection and the Example which the Beloved Jesus left for humanity! The Realms of Perfection are pulsating with intense Light through this Celebration and the One which is the High Point of the Spiritual Calendar - for all men, and all the kingdoms abiding on the Earth shall one day attain the Victorious Accomplishment of Resurrection and Ascension in the Light!

I re-iterate the fact that the Gratitude of the Spiritual Hierarchy is intense for the service of the chelas all over the World who have done so very, very much toward changing the vibratory action of this Holy Day, and truly have you all contributed to making this a GOOD FRIDAY! Enfolding you in the Loving Embrace of My Being, "I AM" Your Mother, Mary.

BELOVED METAMarch 12, 1967The Sacred Heart Temple

Beloved ones, how I welcome the opportunity to come into the atmosphere of Earth and talk with the chelas of Beloved Saint Germain. I bring with Me the devoted Love of My God-Parents, Sanat Kumara and Lady Venus, and the Brotherhood of Our Planet.

The real purpose of My visit is to alert you to the added privilege which is yours when you direct your attention to the Sacred Heart Temple which is the Center of specific activities as the lifestreams taking embodiment on Earth for the ensuing twelve month period will prepare for and receive special instruction under the able direction of Beloved Mother Mary, during the month of May.

You are aware that the Goddess of Mercy, Kwan Yin and My humble Self assist in this activity and during May I shall remain in the atmosphere of Earth for the entire period. Now, you know that My Home is on Venus. It is Our desire to inform you that this year the Representative from Uranus is that Perfected and Beautiful Lady Candida. Why do I acquaint you with Her Presence in the Temple? For the reason that a Perfected Being from Uranus is going to make the sacrifice of donning a flesh garment on Earth to further assist in attuning the peoples of Earth to the Radiation of Uranus.

The bands of forgetfulness which this child will wear will be loosely wrapped round its con-

sciousness, and by the time the child has reached the age of 7, they will have been removed through the Illumined Consciousness which will express through its Being in the world of form. Yes, before that time has approached, the child will be able to make its presence known to the Parents chosen to give the Earthly garment.

Why do We impart this information to you instead of enfoldng the advent in a cloak of secrecy? You can be sure the child will be carefully guarded, for after the appearance on Earth, one or both of the Parents will be apprised of the holy privilege, which naturally they will cherish, and in humility keep within their hearts.

And, it is Our earnest plea that you will make calls for the entrance, in safety, of the embodying child. Now, just how many of you have been making protective calls for the Seventh Root Race Children who took embodiment in 1963?

Some of you did not accept this fact, but that is beside the point. It has always been necessary for the vanguards to come forth so the actual radiation of a race could be imbedded in the substance of Earth through their physical presence, and the Radiation which could be released by the Manu, in this instance, the Mighty Lord Saithrhu. Yes, their inner vehicles are well guarded by an invisible wall of protection created for this specific purpose. It is the physical garment in this case which requires protection, in order that they may remain on Earth until such time, at least, as the Planet is prepared to receive the Seventh Root Race.

Although some of you are well advanced in years, as time is reckoned on Earth, it does not seem such a lengthy sojourn. Particularly do I remember being present when the lifestreams who were originally from Venus came to Earth in this embodiment to complete their final course on this Planet.

You can be sure I personally enfolded each of you in My loving embrace, whispering a prayer that you would remember your dedicated service and would be able to stand revealed, in dignity, when the Karmic Board summoned you to come Home. All the Beings from other Planets Who come to the Sacred Heart Temple to assist Their Own evolutions, feel the same tenderness which is the responsibility of Those of Us endeavor to help the Volunteers from Our respective Planets.

To those who may wonder if all the Beings engaged in this Service at the Sacred Heart Temple are Feminine. No, but all embody the nurturing Feminine Quality of Feeling Nature, for that is the radiation of the Mother Aspect of Divinity which is necessary.

The present and Beloved Maha Chohan, Paul, plays a prominent role in the sending forth of the embodying Spirits and their entrance on the Planet Earth, where each receives the Sustaining Breath for life thereon. Beloved Holy AEolus, Who has rendered, and is continuing to do so, the over-seeing Activity of the Sacred Essence of Prana is a most comforting and protecting Supervisor of the incarnating Spirits. The Great Archangel Raphael, Divine Complement

of Mother Mary, comes to the Temple to consecrate the lifestreams privileged to take embodiment.

There is to be an additional Blessing this year. The Beloved Pallas Athena, Goddess of Truth, has assigned Angels of Truth to constantly bathe the inner vehicles of all with Sacred Essence of Truth, since it is imperative that Virtue manifest upon the Earth.

It has been most gratifying and pleasurable to visit with you today, and in the Name of the Creator of Us All, I entreat you to remember to call for protection for all taking embodiment and again, please include the Seventh Root Race Children who are now upon the Earth.

I love you and bless you with the Divine Love and Beauty of all upon the Planet Venus, and please know that "I AM" as close to you as your attention permits.

Your Sister in the Light

META.

AN INVITATION

Beloved ones, recently we have received a number of letters from former students who belonged to The Bridge Family stating their desire to come back to the Fold.

We believe the most appropriate reply to one and all is given in a Release by the Ascended Master Lanto which appeared in THE BRIDGE in 1962. His illumined words follow:

"All can never be lost in an individual who gives up this Activity and chooses to join the outer, once more. The Light which was emanated while serving the Light is always present and will at one time be CALLED FORTH and returned to that student to again illumine him. Those, who have for one reason or another left this Activity, will at some time be re-called; whether or not they will answer this call, is completely up to their own free will.

Even the Light which was sent forth by students, centuries ago, will be returned to them; and there will be a great recalling worldwide. There will be more awakenings and more illuminations than ever before. All students who at one time followed the Light and for some reason desired to forget it, their Divine Plan is still present and emanates the great Love and Blessing which they once experienced and desired for others. All of these students will have one more chance to, shall We say, re-begin their application and be a student of this great work.

If you accept this Light and Its Divine Laws,

only Perfection may be the result, and your protection will be against all things of the outer; nothing may touch whatever is necessary to be balanced.

These great Laws and this Activity are now dependent upon students such as YOU! This Light must be firmly anchored in the Earth Itself, and the only way the first phase of this may be accomplished is through students such as you. You must reach a point where you have absolutely no human tendencies and will speak only the Truth. There is so much that you must study and prove to yourself, that actually all I can tell you is how to do it; AGAIN APPLICATION! The rest is at your conscious command.

The Light of your own "I AM" PRESENCE is constantly present to call forth at any time. It will be very rugged, as you say, if you are not properly protected and apply the proper Laws to dissolve the seeming dangers.

You must constantly realize that you are protected by the Light of your own "I AM" Presence, which is INFALLIBLE, thereby making you INFALLIBLE! It is so simple that many times the complex system of the outer hides it from view; this is all that happens -- it is hidden from view. In reality, it is only recognition and acceptance through the outer which many times means the Freedom of the student when he fully accepts the Perfection of God Who created him. It is his protection and is infallible. The only possible conclusion then is that YOU are also infallible and the

point of Light which must be expanded, expanded through acceptance and application of Divine Law in Service to God.

This may all seem quite elementary, but it is a necessity and unless followed and properly applied, you may also join the other unfortunate individuals who have chosen to give their lives without God or without His help. Students many times ask why so many of the Addresses have repetition. Each time certain Vibrations are sent forth in an Address, or each time a Law, a sentence or statement is stressed, that Vibration is more firmly anchored in the Earth where it continues to vibrate until it reaches more of blessed humanity. Many times YOU are only the channel, the anchor through which it is sent to continue to vibrate.

Through the Divine Law and Life of God, the Great "I AM" PRESENCE, My Light enfolds you; My Perfection and self-attained Mastery blesses you."

Beloved ones, the Door is open to YOU; it is your free will choice which lifts the latch!

Lovingly,

In the Service of the Light

The Wesak Festival

Precious ones, you will remember at the Celebration of this Feast last year, the Great and Loving Lord of the World, Gautama, appeared in His Ascended Master Body, in the Valley where this Ceremony took place. At that time, He conferred upon My humble Self the privilege of re-enactment of the Sacred Anointing which He inaugurated.

In My present Office as The Buddha, you will realize that this is possible and logical, since it is THE BUDDHIC CONSCIOUSNESS which flows forth to all who are to be blessed. For those of Our more recent readers who perchance know little of the Festival, I shall elucidate briefly what takes place.

"On the night of the full Moon in the Mystic Month of May, pilgrims from all over Asia, particularly, and some few spiritual seekers from other parts of the world, gather together to receive the Blessings and Benedictions of the Beloved Lord Gautama, Whose annual Visitation when He was The Buddha, has brought much of the spiritual substance and subtle God-ethers from the Higher Realms into the atmosphere of Earth, where it can be assimilated by the consciousness of the evolving human race."

Since it is now My honor to send forth the Radiation and Blessing of THE BUDDHIC CONSCIOUSNESS, I shall be privileged and happy to bathe your inner vehicles in Its Essence of God Illumination as you turn your attention to this Holy Festival. Thank you.
