Temple of The Ascension

In the Etheric Realm over Luxor, in the land of Egypt, there exists the Focus of the Great White Brotherhood dedicated to preserving the Cosmic Flame of the Ascension which is the WAY BACK HOME for every lifestream determined in itself to make things right before the Cosmic Law and to complete the portion of the Divine Plan for which incarnation, sustained self conscious being, and preservation of identity has been effected.

The Ascension Temple of Beloved Serapis Bey is dedicated and consecrated to providing an ascending current of energy upon which any individual, when purified enough, may return to the Realm of Perfection and become an Ascended Being.

This current is made up of actual energy, focused through the minds, feelings and bodies of the Brothers and Sisters of the Ascension Temple, in adoration, prayer and devotion to God. Thus, each Member widens the river of ascending energy by His Own personal and collective participation in such services. The conscious descent of mankind and the Guardian Spirits into the Earth's atmosphere was for the purpose of magnetizing that perfection into the substance and form of the physical world. Even as the physical Sun steps down the radiation of the Central Sun of our System, so did every lifestream given opportunity to embody upon Earth vow to externalize some portion of the Divine Plan. When the lifestream had completed that service, it was to ascend back into its natural estate of perfection.

However, mankind lost the memory of that initial purpose, the reason for being, and lost also the conscious capacity to find its way back home.

The Ascension Brotherhood, knowing that sometime, somewhere, each individual must complete its cycle of individualization and return to its Source, have kept the door open so that those who complete their services and qualify for graduation might have the assistance of Their buoyant energies upon which to ascend.

Because of the mass accumulation of discordantly qualified energy filling Earth's atmosphere, no unascended being can accomplish this Ascension alone. At the time when the individual has finally completed his service to life upon the Earthplane, some member of this Brotherhood assists him to rise upon the Cosmic Tide of the Ascension Flame into his rightful estate in God's Kingdom. Each such ascending lifestream contributes the joyous energies of his own world to the Ascension Flame as he achieves this final Victory. In this way every Ascension makes wider, more joyous, more powerful and more buoyant the Ascension Flame.....and this Flame becomes an ever increasing assistance, to be used by those who follow on into the Ascended Masters' Realm, each in his own appointed time.

Angels from the Ascension Temple gather together all the praise, adoration, songs, devotions and blessings sent upward by individuals in congregational worship or individual application, and these currents are carefully woven into this ever-widening Spiritual Stream of energy, Each Ascension makes it easier for the next lifestream to avail itself of the full-gathered Cosmic Momentum of Those who have gone before.

Therefore, dear reader, all your prayers and invocations are already a part of that Ascension Flame, guarded and sustained by the Brotherhood at Luxor. One day, - when your own call comes, you will be grateful for the ascending tide of energy which helps your sublimated soul in its final journey into the Ascended Master Realm.

When a man, in himself, desires to know the reason for his own being, and desires to cooperate with the Will of God, he comes to the threshold of the Ascension Temple in consciousness. To graduate from the Earthplane and remove oneself from the wheel of birth and death, the individual must first determine within himself to complete his individual service to life, purify the energies he has used so prolificly through aeons of living, and prepare himself for self-conscious, awakened being in a realm where no discord, inharmony, imperfection or limitation exists. Thus he must become incapable of generating discord through his own consciousness, his thought and feeling self. Only in such a manner can he qualify for entrance into the Kingdom of Harmony.

Individuals who have come to a place of spiritual maturity, and who wish to serve with the Father Who has created and sustained them through the centuries, are given opportunities without limit to "serve the purpose through THAT which made them men". Such opportunities, under the new dispensation, come in the ordinary life experience of daily living. These opportunities follow the pattern of the created initiations which are provided for the neophyte at Luxor. Because the glamour of the Retreat is not apparent in daily living, many worthy individuals who have applied for the disciplines, purifications

and assistance of the Brotherhood of the Ascension, are not aware that the very experiences of life are being consciously provided by this Brotherhood, - and the ascent is taking place according to the control and mastery of these conditions which so often pall upon the outer self.

The presence of the physical body in a certain place is not necessary for the acceptance of the individual into the role of applicant for mastery. The motive in the heart of the aspirant determines that acceptance. Many are the candidates for the Ascension who live mundane lives in the world of form, but whose souls are being purified, strengthened, tested and tried by this Mystic Brotherhood right where they are. The constant admonition of this Brotherhood to its chelas is 'TRY'. It is upon the motive within the heart that the Masters of Wisdom dwell.

To ascend into the place of self-mastery, God-control, peace, harmony, health and ever-present supply, the individual must learn to rely upon the Presence of God within the heart. The disciplines at Luxor are designed to turn the consciousness, attention, feeling world and outer self INWARD until from within the heart center of Being there is drawn forth consciously and at will, - anything and everything which is required to forward that portion of the Divine Plan which the individual self finds at hand to be externalized.

The ascension of the thoughts, feelings, actions and spoken word of the student is not the work of a moment. It is the constant, hourly application to rise into a spiritual consciousness of listening grace, of harmony, balance,

purity, peace, ever-sustained supply, perfect health and ever-increasing illumination of soul until the Spiritual Self is manifest in every avenue and activity of the life experience.

As the interested chelas visit the Ascension Temple at Luxor, they are requested to draw back with them into their individual world, homes, auras and consciousness that raising, buoyant, joyous energy which is the activity of Ascension. This Flame will enter into the elemental substance of the inner bodies, as well as the physical form, and act as the "leaven in the loaf" when earnestly invoked.

As the pure White Flame passes through the substance of the chela's bodies, it quickens the vibratory action of the atoms, each electron moving more rapidly around its own central pole. This causes the throwing off of the impure, discordant, heavily charged substance around the electrons, and quickens the rhythm of the vehicles. These vehicles then become more sensitive to the finer vibrations of the Higher Spheres, and the consciousness of all the instruments is more attuned to Truth, the gravity pull lessened and the various appetites and passions of the physical and inner vehicles are transmuted. It is a practical and mechanical activity of purification.

When the Ascension Flame thus acts, the individual, through his own purified energies, becomes a conductor of the raising activity of the Ascension Flame into his own environment, home, family, business and affairs.

From the 15th of this month through the 14th of the following month the Great Ascension Temple

of Luxor will be the Host to the Members of the Great White Brotherhood and those individuals who choose to accept the opportunity of visiting this Retreat in consciousness and absorbing the Gifts of Light, Freedom and Purity which form the atmosphere and Power of this Retreat.

Here, every man is invited to stand in the Presence of the Hierarch of Luxor, - enter the heart of the Ascension Flame, and prepare to meet His own Godself face to face and come into Oneness with Its Purpose, Its Design, Its Service through the outer personality.

After entering the Temple at Luxor and being shown to the private room, each visitor is summoned before the Hierarch for a personal interview. At Inner Levels, the Master Serapis is the Directing Intelligence of the Fourth Sphere. In this Great Sphere, the Christ Selves of the greater number of the human race abide, awaiting the hour when They can assume the authority over the outer personal self and fulfill Their God Plan. Serapis, therefore, is so well acquainted with the Divine Self of each applicant, and knows full well what the Spiritual Pattern is for each lifestream who has the temerity to stand before Him.

The measure of development of the personal self, and the clear picture of the Christ Self are registered in His Consciousness simultaneously during the interview, and the particular type of training, discipline, instruction and purification required to draw this Inner Christ Self and the outer personality together is here designed by the Master and given to one of the Brothers who are assigned the responsibility to see that the student is given the opportunity to de-

velop according to the Hierarch's Plan. This tutelage is done entirely from 'behind the veil' and the neophite is never conscious of a teacher at any time. He is forced back into communion with the Godself within his own heart, and made to rely upon Its promptings at all times. The circumstances that seem to happen are, of course, carefully planned to give him the opportunity to gain mastery through self control and initiative. Only those who are able to move forward according to the promptings of the God Self are allowed to remain. The others, after a given time, are asked to withdraw. It is a particular fact that, although the Membership at the Luxor Temple has always been smaller than at any other Retreat on the Earth, - the interest of the people has been turned toward It by reason of Its reputation for Discipline and Training. It is the hope of Its Great Hierarch that the people of Earth may enjoy this month at Luxor, and the explanations of the Law which are behind the disciplines which form the Vow of the neophite and, understanding the Law, - be eager to comply with It and thus gain their individual Victory in the Light.

May the Light of Luxor, and the Glory of the Ascension Flame be yours during this time, and through you, each one, flood the Earth with the knowledge of the Power of Light and Love as the Master Control of Energy in every realm, sphere and octave in the Earth, upon Its surface and in Its upper atmosphere.

THE BROTHERHOOD AT LUXOR

by BELOVED SERAPIS BEY

God, the Infinite, Immortal Flame of Eternal Life and expression has given Us Being, you, beloved chelas, the Spiritual Brotherhood and all life. To what purpose? To evolve out of primal life some great blessing that shall be eternally a part of the benefaction to the Universe.

The Brotherhood at Luxor have chosen the qualification of primal life as an ascending pressure of energy that stimulates the soul toward self-conscious endeavor to become again the Holy Christ in action. The consciously qualified energies of Hope, Resurrection and Faith, directed into heavy souls, lifts those souls with their appendages into the higher atmospheres wherein a closer contact with the ALL-PRESENCE is possible.

For ages, We, the Brotherhood at Luxor, have been engaged in the manufacture of such spiritual elixirs (qualified life) which are then consciously projected into the heavy souls of man with the mathematical scientific result of raising the energies within the weighted souls.

To stir a soul from the lethargy of its restless wanderings along the paths of human experience, requires a POWERFUL, CONSCIOUS, PROJECTION of QUALIFIED ENERGY, which is STRONGER than the mass of energies which the soul itself has accumulated. To this end the Brotherhood at Luxor work and serve.

The souls of men, as you all know, hold within themselves a beautiful Spark of Divinity. This Spark has been so closed in by the gradual but

Serapis Bey of Luxor

persistent accumulation of the substance of impurity that it no longer is felt, known or invited to activate the self. Of course, I refer to the mass of mankind and not the chelas and enlightened ones. However, - sooner or later, this Spark begins to stir. Then the Silent Watchers of men's souls invite Us to become the bellows, and through the Activities of Luxor, We literally breathe hope, - enthusiasm, interest, faith, love and encouragement upon that spark until It, in Itself begins to come out of Its period of spiritual hibernation.

Today, We are particularly engaged upon the task of accelerating the awakening of the Spark in the billions of souls upon this Planet, because of the Cosmic Moment. Thus many who ordinarily would not awaken for centuries, must of necessity be awakened quickly. The Spirit of Hope truly must be invoked by those Brothers and Sisters outside the Retreats to assist in this resuscitation of the Spiritual Selves of the race. We ask the sincere assistance of all who love Us to this end.

Now to the awakened lifestream, the chela, I bring to you My love, My hope, My blessings. As your Spiritual Self is going through this awakening, - remember right within your physical heart is the God Power Almighty, - Its healing power, Its precipitating power, Its peace commanding power. The task of making the outer self ACCEPT the "I AM" Presence within RIGHT NOW is the discipline of the chela. Look not afar for the Miracle Working Presence.....It is within you.

I breathe upon that Presence the full Power and Momentum of Luxor....through you and others

deeply interested in mankind's resurrection. We look for polarized centers of Ourselves through which to pour Our Momentum and make every home, sanctuary, activity a Focus of Luxor on this groaning and weary Planet that is experiencing Its emergence into the Light.

Experiment, beloved ones, with the Activity of Resurrection. Use it NOW for all imperfect appearances, which are abundant, and raise them consciously into harmony, health, purity, peace. When individuals stop thinking of the change in the quality of energy as miraculous, and accept the truth that the change in the quality of energy is a scientific law, they will lose the fear of appearances, - knowing that a directed ray of qualified energy can transmute any shadow into Light.

We are indeed grateful that the chelas are coming to such a deep understanding that the necessity of holding the energy in the actual building of the Permanent Focus on Long Island in a constant State of Harmony, for this is essential to build an atmosphere which is a natural conductor of Our Gifts, and a natural invitation to our Presence among you.

Blessed chelas, you have gone far in overcoming many of the etheric tendencies which have been builded into your nature through centuries of battle with shadows. This makes it much easier to tie into the energies of your soul and inner bodies the pure Flaming Presence of the All Power of God.

Remember always, only the individual himself, through discord, - short circuits himself temporarily from pure radiation which feeds the Indi-

vidual God Flame.....and the Flame within when not so disconnected grows and waxes strong. The Flame in Its ascendancy is the TREE OF LIFE, and the natural fruit of that tree is abundance of every good and perfect thing.

The Brotherhood of Luxor gives to you Their Blessings for your faith, constancy and spiritual fidelity. These are the ties that bind Our hearts in constant service and spiritual unity, as We fulfill the reason for Our Being, - the Resurrection and Ascension of all this evolution, human, elemental and imprisoned Angelic life.

THE ASCENSION FLAME

The Ascension Flame is a current of qualified thought and feeling. It is life sent back to God in the silent prayer of the most humble heart, as well as in the spoken invocation of the greatest Angel. On this qualified current which is sustained through every generation by Guardians of Its Cosmic upward-flowing stream, - individual lifestreams can and do ascend to My Father and yours. The individual adoration, prayer, hymn of praise would spend itself and be gone from this realm were not Guardians of the Flame rhythmically drawing It forth again and feeding It with their own life. Thus through the ages We at Luxor have watched and guarded the Way back Home, by way of the Ascending Arc of consecrated energy, upon which any and every soul belonging to this evolution may, upon application, rise again into the Heart of Perfection.

Long have I guarded that Ascending current of energy which is builded of all the prayers, aspirations, invocations and adorations sent up from the Earth since mankind first took embodiment upon Its sweet surface.

The Mighty Seraphic Host render a tremendous service in this ascension of energy. They weave together the aspiring currents of energy, and focus them through the Ascension Flame at Luxor. They are the cruising Spirits Who catch every whispered breath (energy) which is God directed. They bring the momentum of all mankind's aspirations to Luxor, and We send it forth on a crescendo of adoration to God and the Messengers in the Inner Realms. They gather It up and return It again on the circle of energy that ever increases the upward flow which will be your freedom, and that of every man.

I bring to you, - dear chelas, - My personal Love and the momentum of aspiration and devotion which is My qualified life to give. Feel your spirit soar on the Ascension Flame into the Realm of Beauty, Love and Happiness which is God Perfection.

Contemplate the Activity of the Ascension Flame by entering the ascending Flame within your own being, and then invite the Seraphim to take you on Wings of Love into the Heart of Luxor, where We, the Guardians of that Holy Flame, will fill your consciousness with a true perception of the actuality of this most Sacred and Holy adoration unto the Father of Us all. For when one ascends into Freedom, his every action is an ever-increasing pulsation of gratitude and glory unto the One Supreme Source of all Life.

In loving anticipation of your visits to Our Retreat at Luxor, I direct the Seraphic Host in this thirty day period to weave the feeling of Their sacred energies into your beings, so that you may become aware of what 'ASCENDING' means.

BELOVED MOTHER MARY

March 13, 1976

Hail Children of Light, I, Mary, come to you to express My feeling of Mother Love for each and everyone of you and all your brothers and sisters upon this Planet Earth.

When I say "all your brothers and sisters", I, of course, mean all life in every Kingdom, for the closer you come to the Heart of God the more will you realize the importance of blessing all life. Know you the beautiful elements imprisoned within your garments are the brothers and sisters of all the elements in every manifest and unmanifest form.

You are beginning to acquaint yourselves with the glorious Angel of Restoration.....that is good. In order that He may render the great service to the evolutions of this Planet for which He has volunteered, it is necessary for the chelas to engage in the purification of the elements in the Kingdom of Earth, Air, Water and Fire. You are aware that this purification is essential, but I am merely setting these facts before you to impress upon your consciousness the necessity of lending your energy in this progress of Restoration, for which this Mighty Angel has volunteered.

You also are aware that before an individual takes embodiment he is given the 'blueprint' of what is to be accomplished during that particular span, - his lifestream having been carefully reviewed by the Karmic Council to see the amount of karma he is to transmute. In the freedom of the Inner Realms where he is not encumbered by the pressure of the fleshly garment, with high

hopes and enthusiasm he anxiously awaits the opportunity of doing the Will of God through transmuting the karma which he has accumulated through the centuries.

Blessed, beautiful individualizations of the Father-Mother God may the veil which you must wear about your eyes be quickly removed as you journey forth on your given purpose. My Heart Prayer is that you will proceed through life in humility and grace.

I deem it a glorious privilege to serve in the Sacred Heart Temple, to lend the assistance of My Lifestream. No man could envision what is required in the preparation of the lifestreams selected for embodiment during a given year. The most perfect elements which bear the Pattern identifying each lifestream are chosen so that the physical garment will be as harmonious and symmetrical as possible, for it is but the reflection of the inner bodies.

Yes, you have thought upon and turned your attention to the Activities of the Sacred Heart Temple and many have read what transpires therein. However, We shall reprint a portion of the activities for those not yet acquainted with this necessary preparation.* It is not just the selection of the purest elements, but the specific training which is given for each and every lifestream who is to take embodiment.

Witness how all in this System are collaborating in raising the vibratory action of this Planet. There are Seven Volunteers coming from Uranus, One for each of the Rays. They are Beings Who have served in the Temple Worship under the direction of the beautiful Lady Esthesia and Beloved Hanuvah.

One has but to be in the presence of a young child these days to be aware of the maturity of the little babes who have recently come to Earth. This should prove to the illumined that the physical garment but encases highly developed life-streams who have been trained at Inner Levels to assist the Earth to achieve the goal of Perfection which is ordained for Her.

You have been aware through the years that Ceremonial Worship is part of the Service of the Seventh Ray. The time has arrived when Ceremonial Worship is coming to the fore and you will soon see this manifest. This is requisite that you may be ready to present this magnificent phase of service in order that Beloved Saint Germain's Seventh Ray shall manifest in all its exquisite beauty and the resultant expansion of consciousness.

Ritual in the Christian Dispensation was part of the Sixth Ray under the direction of the Master Jesus. With the Golden Age now dawning, Ritual is to be the predominant service of the Seventh Ray, and will include portions of various Rituals through the spectrum of the other six Rays. They will be brought forth for your edification and illumination at a specific time, according to a glorious Design held in the Heart of the Mighty Silent Watcher Immaculata. Our Lord and King Saint Germain will be the Guiding Presence of these magnificent ceremonies.

The pristine beauty of this Earth MUST manifest - and QUICKLY - and this will be accomplished through purification of all kingdoms. Then Light Eternal shall manifest in, on and around the Earth as She takes Her place in the Cosmic Plan of The Almighty.

Some of you may remember a statement given in the Christian Church which goes "Let perpetual Light shine upon them". When that affirmation was made, - little was it understood. By following the Pattern of the Year, - you can see that THAT TRUTH shall manifest - and perpetual Light shall shine upon all.

Beloved of My Being, accept My kindly counsel, as I enfold you in My 'perpetual' embrace.

* As Beloved Mother Mary desires that you review the Service that is accomplished in the Sacred Heart Temple, we reprint for your absorption Excerpts from an address by Mother Mary.

THE SACRED HEART TEMPLE

This is the month of the Visitation of the incoming lifestreams to the Sacred Heart Temple, created and sustained by My humble Self. Why do We have such a Temple? Well, We have It for the same reason that you have a roof over your heads. Remember, on the Other Shore all are not Divine Beings. There are some who live in the lesser Heavens, some have been in the Sleepers Realm. Then there are some laggards who have come from the former Compound, and they all live in various strata on the Other Side of what the Earth calls 'death'.

It is situated in the very center of fields that are indescribable. The grass is almost knee deep and is wheat colored, sometimes changing. That is the magnificence of being able to consciously qualify through your thoughts and feelings your precipitation.

Beloved Nada, Meta and Kwan Yin receive with Me those souls who are to embody during the year.

Some of them come from other Stars and Systems so shining and brilliant in Their Glory that could an Ascended Being weep, I should weep for Them to enter into this world of Earth.

Therefore, when these magnificent beings Who have no taint of sin or karma come for love of Earth and the people upon It and They kneel before Us as We stand there, - I cannot help but think of Jesus. Of course, many of Them do not secure permission, but the Divine Ones come first. They stand before Us, - and those who are to receive embodiment I touch with My Wand of Light, and they kneel, - and those other beautiful Divine Ones, thank God, return to Their Own Solar Systems. The Divine Ones Who are to take embodiment are divested of the magnificent garments and shining robes, which is symbolic of humility. Their golden hair is cut and placed carefully in the Heart of My Temple so I may have a bond with Them through all the years of Their embodiment.

Then they are taken and prepared to be bound round with the bands of forgetfulness. From the Divine Beings to the laggards, the process does not change except in the case of the Divine Ones I Myself place the silvery cloak around the eyes and bend to kiss the forehead of such Ones, and breathing into Their consciousness as a last remembrance which I know will carry through into Their Earth estate, "You are God's Children, going to fulfill His Purpose on this Planet". This I know They shall remember when first They emerge from the cocoon of Their parents' vehicles, and when They first hear the song of the birds and the Light of the Sun becomes visible to Them. Before the pressures of the human creation, They KNOW THEY ARE GOD'S CHILDREN.

Let us turn our attention to the Kingdom of Nature. In its real expression it gives us a lesson of the Truth of Life. The trunk of the tree represents the Spiritual "I AM" Presence, and the many branches are the lifestreams activities through the various spheres of life. The bud, the leaf, flower and fruit are representative of the personality of the lifestream in a certain season or incarnation.

An excellent example of the entire Identity of man is the fruit of the tree. You will recall that the symbol of the Tree of Life was used in earlier times in the teaching of the Law of Life. The study of the rhythmic course of the season show that the bud, leaf, flower and fruit make a temporary appearance in the world of form, abide there for a time, and then disappear. Even the unawakened lifestream knows that the tree does not cease to be through the passing of its seasonal harvest.

Man, however, in the course of his entrance into the world of form in thousands of embodiments, places his interest, faith and consciousness in the 'bud' of one season. If, through natural manifestation or some other reason the

flower does not bloom, man suffers unnecessary grief in seeing what he believes the extinction of a soul on Earth. In the Nature Kingdom he accepts the fact that an early bud is replaced by another, - and no harm is done. The same is true in the world of men.

I bring this lesson to your attention to further imprint upon your consciousness that there is no death. We have just had the benefit of the magnificent radiation attendant to the Celebration of the Feast of Easter, - at which time Our Beloved Master Jesus sent such a powerful radiation into the Earthplane of the Resurrection and the Life.

My beloved chelas, through the Power of the Resurrection Flame, draw forth into expression in the world of form those dormant God Qualities which just await your acceptance for the benefaction of yourself and all mankind. Permit the 'buds' of your lifestream to come into full flower through recognition of the God Power within, and living in a State of Grace, through the harmonious control of your energy, God's Energy is so freely allotted to you.

* * * * *

Today we will liken the Earth to a Garden in which a loving Father-Mother God have planted beautiful seeds, - expecting the coming forth of flowers and shrubs in various designs and colors. Think on the multitudinous expressions in that Kingdom, the early crocus, the violet, the rose, on to the chrysanthemum, and others in the Autumn; some delicate in expression; others more sturdy and massive; for instance, the white birch trees and the giant redwood.

Even as the God-Parents have these expressions of Beauty in the Nature Kingdom, - so do They have self-conscious individualizations of Themselves in the Human Kingdom through the illumined chelas, and other constructive life-streams who have the inner development.

In the Cosmic Forward Movement of the hour, We look upon the Garden of the Gods and see the great pulsating qualities which each chela represents, and We know that through the obedience of the chelas, We can count upon this or that pulsation of God-Good to carry out the Divine Plan as held in the Heart of the Silent Watcher for a particular locality, and the blending of the whole into the Over-all Expression pulsating within the Heart of the Beloved Immaculata for the Planet.

I bring this to your attention so that you will not look upon yourselves as physical beings, but great pulsating centers of the Virtues of the Godhead, Who can continue to follow the Plan as ordained for them individually, - as well as cosmically, - if they will remember always that when weeds crop up in their garden, they will immediately use the Divine Alchemy of the Sacred Fire to remove the offender once and for all.

As I look upon each of you today, I see beautiful flowers emitting a fragrance which is both pleasing and purifying in its radiation.

* * * * *

The Light is rhythmically released into the Earth plane daily through a downward surge of Electronic Energy, - and there is also daily an upward flow of Electronic Light which carries

with It all the aspiration and all the upreaching and constructive consciousness of mankind. The chela can consciously tune into this River of Ascending Energy and thus be drawn into the full gathered momentum of Godly directed Energy. This River of Light Energy is a requisite for that part of Life which has been bound by human thinking - in order to strengthen the aspiring God-Flame to a point where It can and is disconnected from the Earth pressure and thus flow freely in God Perfection.

Every Ascended Being Who has achieved the Ascension, including Beloved Jesus, consciously tuned into the River of Ascending Light which The Universal "I AM" has provided as a conveyor of man's consciousness back to God. It is as though one stepped on a Cosmic Escalator and were carried by the Love of The "I AM" upward towards the goal which the heart desires. The pressure of this surging Sea of Ascending Light is essential because the mass of mankind is constantly pouring forth energy in a manner opposed to the Divine Plan. Unless man gets into the rhythmic pulsation of The Divine Plan as released by the Love and Light of the "I AM" he is still a part of the outer mind. Hence the importance of daily meditation and application, individual and collective, rhythmically, - and if possible at the same hour.

Here is where painters, for instance, with esoteric vision could learn to place on canvas the Beauty of these Cosmic Truths. Sometimes a painting can convey through the senses enough of Truth to awaken the sleeping soul. In the world and realm of the future, the Ascended Master Serapis and other Divine Beings will spread The Light through canvas, through sculpture and

various other media, such as the dance, the song and melodious music.

When the Great Divine Plan for mankind and the Earth is so beautiful, it is a tragedy to see millions of people creating straw houses, built of their own human imaginings of what Life should be. The Elohim are the Cosmic Builders of the Planet, and Immaculata Her silent Watcher, Helios and Vesta supply the Light through the Universal "I AM" Presence surging through the consciousness of man as the upward arc. For centuries of time They have waited. NOW is the hour of fulfillment, and with the speed of Hercules' Blue Lightning, and the calls of the awakened, man will be forced to look to the Divine Architect, and then build with the Forces of Nature according to the Divine Plan. So you can see, My beloved, how precious your calls are, and you truly have Our blessing for your work towards the awakening of the race.

* * * * *

Beautiful Music can and does bring Peace into the chela's life and feelings as no spoken work can give that so much required quality, that I suggest - that My chelas absorb as much Harmony through music as they can.

Every man was endowed with faculties by which he might earn the right to become a co-worker in the Kingdom of God here on Earth, and to expand the periphery of God's Design - which is man's reason for being. These faculties find expression as the power to see through the eyes, the power to touch through the hands, the power to think through the mind and brain activity, and the powers of the other senses. Mankind,

created of the One Father, equally endowed with the power to use these faculties, and the resulting use to which they are put, determine not only how much of that faculty they shall draw from the Universal, but the actual condition from the use of these faculties are placed at their disposal during each embodiment.

The faculty of sight, for instance, when used to enrich the consciousness by study, appreciation of the beauty in the world of form, and the capacity to see through false appearances into perfection does automatically refine the physical organism of the eye, and in a far greater sense allow the individual with such vision to reach into The Cosmic Peace, where he shall see and picturize God's Plan for the good of man, that might even be externalized by one who has lost the right to unite his God-given faculties with The Cosmos because of a temporary downward vision.

The veil which has shut out, temporarily, the beauty of the Angelic Kingdom and The Ascended Host is composed in part by the decadent vibratory action of the physical sight.....which, through misuse through the centuries.....can no longer vibrate at a rate which can pick up the pure radiation of the Fourth Sphere.

Individuals who are clairvoyant and clairaudient have, in the use of sight and hearing, remained to a great extent true to the Higher Activity in the use of these faculties. Thus they can perceive that which is yet invisible to the mass of mankind.

I say to My chelas, preserve Peace and Harmony, insofar as it is possible. Hold your vision HIGH!

UNIVERSAL

TRUTH
