Mary Heralds

PREPARE FOR BIRTH OF CHRIST

For the past one hundred and fifty years the blessed Mary has been appearing frequently to prepare mankind for the Second Coming, which refers both to the coming of Christ or cosmic consciousness to the entire race on Earth as well as to the second coming of the Master or Prince of this planet, he who was born as Jesus of Nazareth through the virgin Mary.

Channeling through Nada-Yolanda, who is the primary prophetess of Mark-Age, Mary revealed on October 3, 1960: "There have been many manifestations of my work on the Earth plane in the last one hundred and fifty years. During this time it has been my mission and purpose to prepare the way for the Master Jesus, as you know Him in His last incarnation; to bring His message for His return to believers and teachers of this particular Mark Age."

Reading the signs of our times or the marks of this latter-day age is one of the great challenges and rewards for spiritual light workers, because in them they are able to see the fulfillment of prophecies which have been with us for approximately the last two thousand years. In a mental telepathic communication through Yolanda, Jesus explained in October of 1960:

"When a teacher or master, such as Mary, appears and gives prophecy — as was given to the children of Fatima — it is part of a divine plan or program ... working through a board of teachers or masters over a period of thousands of years ... which leads up to an ultimate goal." The goal, in this case, is twofold: the second coming of Jesus as the Christ of Earth and the coming of man's consciousness. This also is referred to in Mark-Age literature as the incoming fourth dimension for our planet.

Mary explained her role and mission to Yolanda: "As in the story of the birth of Jesus, I am the teacher, the example from which the seed (the message) comes forth. Therefore, manifestations of my work and teachings have to come forth prior to the teachings of the Son of God (your own holy I Am consciousness and those teachings of Christ Jesus) ... I have demonstrated fertility and willingness in the minds of men to receive the message of the Second Coming ... The Second Coming is literal as well as spiritual, for the individual man as well as for the race."

According to the great Catholic scholar and writer, St. Louis Mary De Montfort (1673-1716), author of *True Devotion to the Blessed Virgin Mary*: "In the second coming of Jesus, Mary has to be made known and revealed by

the Second Coming

the Holy Ghost, in order that, through her, Jesus Christ may be known, loved and served." Her repeated presence in this and the last century marks an era of Marian Apostolates.

As Mary herself relayed via mental telepathic communication through Nada-Yolanda on November 7, 1962: "Now is my time for actual demonstration and participation. I am coming forth in many ways. It has been known for many hundreds of years that my part in the scheme of this race's evolution is to be made manifest."

A further explanation came through Yolanda on July 5, 1961 by Dr. Hannibal, known in other literature as the ascended master St. Germain: "Mary's role is one of great importance, always in relationship to anything having to do with the personality you know as Jesus. Mary's relationship is equally important in the world, or mass consciousness, when working on Christ or God conscious evolvment.

"Mary represents the subconsciousness or the mold in which all things are gestated. Do you follow what I am saying? She is the mother in which the seed does grow. She represents that aspect of the God consciousness, as Jesus represents the male or the active force, bringing it forth. So, she represents the nourishing part of God's seed, always remembering that each one is a representative and a part of the whole, serving each other part of the whole.

"Her role at this time is the same as it was during the life of Jesus. She nurtured the seed for nine months — and many years, of course, after his birth — as the physical mother. But she also is nurturing the seed of mankind by her special work in the etheric for the last two thousand years; and will continue until all men are brought into Christ conscious awareness." So it is that Mary has been called the World Mother or the Mother of God, meaning the womb or the way through which God consciousness is born in man.

Mary, being an ascended master, expressing universal consciousness and divine love, is no respecter of historical times, individual positions, personal honor or glory, specific religions, races or nationalities. Thus her appearances and messages are given to peasants, priests, working men, children, journalists and prophets among Muslims, Christians and Jews.

MARY GIVES WARNINGS TO MANKIND

Mary's messages have two things in common. First, they are universal and meant as warnings and preparations for all men on the Earth without exception. Secondly, they repeatedly beg for repentance (being truly sorry

for one's mistakes and resolving to change one's ways), and warn if this does not come there will be cleansing cataclysms, followed later by a great miracle performed by Jesus which all on Earth will know about and will see. Bear in mind that the manner, the language and even the demonstrations always are according to what the individual(s) can comprehend and relate to in environment, training and background.

The most recent and most fully documented appearances of Mary have been those in Garabandal, Spain from 1961 to 1965. According to the four children who witnessed her apparitions, "Mary is very approachable. She seems to want to close the gap between herself and those on the Earth." This means to those light workers of the present who interpret these as marks of this latter-day age that Mary is attempting to break down all barriers between dimensions, to dissolve the veils between the third and fourth dimensional frequencies.

On July 2, 1961 Mary appeared and said: "You must make many sacrifices, do much penance. You must visit the blessed sacrament frequently. But first, you must be very good and unless you do this, a punishment will befall you. The cup is already filling and unless you change, the punishment will come."

Conchita of Garabandal reported on January 1, 1965 that if Mary's message through Archangel Michael which was delivered to the children on June 18, 1965 were not followed there would be a punishment. "Our Lady revealed to me what the punishment will consist of. But I can't say what it is, except this: it will be an effect of God's divine intervention which makes it more fearful than anything imaginable. It will be less terrible for little children to die a natural death than to die of the punishment. The punishment, if it comes, will take place after the miracle."

Archangel Michael delivered this message from Mary to the entire world: "As my message of the 18th of October has not been complied with, and as it has not been made known to the world, I am telling you that this is the last one I shall give. Previously, the cup was filling up. Now it is brimming over. Many are following the road to perdition and with them they are taking many more souls. We should turn the wrath of God (the divine law of cause and effect) away from us *by our own efforts*. If you ask His forgiveness with a sincere heart, He will pardon you."

The complete story of Mary's appearances in this century, the secrets Mary has given of things to come, and the miracles that are yet to come through Mary before the end of this century all are included in a 20-page brochure that has been prepared by Mark-Age. This is a most unusual account, nowhere else to be found, which you will cherish and wish to keep among the precious literature you value.

For information concerning this brochure, please write directly to Mark-Age, 327 N.E. 20th Terrace, Miami, Florida 33137, including a self-addressed stamped envelope for reply.

Another most interesting account of Mary's life work is contained in the newly reprinted "Second Book of Acts" described on the back cover of this issue.

DARE TO PROSPER!

Are you a prosperous Truth student?

A young minister once visited a lady who had been a Truth student for more than fifty years. Yet he found her in a very sad condition. She said to him, "Young man, do not make the mistake I made. When I came into the study of Truth, I thought I was 'too spiritual' to study the principles of prosperity, so I ignored the subject. I studied the subjects of prayer, healing, Bible interpretation, and other facets of the Truth teaching. I was helped by all of them. But you see the condition I am in today. Here I am, a Truth student of fifty years' standing, living in one room on a bare existence. I now realize my mistake in not studying and applying the principles of prosperity."

There can be a great difference between being a Truth student and being a prosperous Truth student. Being a Truth student does not assure you of being a prosperous Truth student, not unless you open your mind to the principles of prosperity and then apply them.

The great metaphysicians of the past knew and emphasized the importance of developing a prosperity consciousness in order to become a well-balanced Truth student.

Ernest Holmes said, "God loves a prosperous man." H.B. Jeffery declared, "It is really stupid to believe in luck." Charles Fillmore wrote, "The Father's desire for us is unlimited good, not merely the means of a meager existence . . . It is a sin to be poor."

Emma Curtis Hopkins, the "teacher of teachers," wrote in her book, *Scientific Christian Mental Practice*: "God is just as much the provider of His children as He is the healer . . . You must not get mixed up with the idea of poverty any more than with the idea of sickness. Persistent thought about prosperity and how prosperity is brought to us, will make you a magnet for prosperity . . . There must be a free giving of your Truth, or the world may wait another million years for the wretched poverty of its people to be gone."

We are hearing much in the news about inflation, the cost of the war, higher taxes and interest rates, "tight money," unemployment, the possibility of an "inflationary recession," and government welfare programs to alleviate poverty.

What can we, as Truth students, do to uplift the consciousness of mankind out of the poverty vibration into that of abundance, which is their spiritual heritage?

We can follow the advice of Mrs. Hopkins and dwell upon the prosperous truth, which includes but is not limited to the following ideas:

1. *The prosperity teaching is a vital part of the Truth movement, as it was a vital teaching with the great leaders of the Bible.*

As a book of "success symbology," the Bible clearly teaches prosperity as man's spiritual heritage through its many rich promises. There are a number of millionaires among the great leaders of the Bible. In the first book of the Bible, Genesis, we find at least one "allegorical millionaire," Adam; and at least four "literal millionaires," Abraham, Isaac, Jacob, and Joseph. These men used the laws of mind action to claim their heritage of abundance. (See my book, *The Prosperity Secret of the Ages.*)

2. *The prosperous truth includes the true definition of the word "prosperity."*

You are prosperous to the degree that you are experiencing peace, health, and plenty in your world. Often in opening one's mind to the prosperous truth, peace or health may manifest as one's first prosperity demonstration. But it is good to persist in applying the prosperous truth to become financially prosperous too. *"I am financially prosperous."*

3. *The prosperous truth reminds you that your prosperity has a spiritual basis: that God is the Source of your supply.*

This is the little-known secret about prosperity that the whole world is seeking to know today. Most people still think that some one, some condition, some job, some investment, controls their prosperity.

Prosperity works through people and conditions that act as channels, but God is the Source of all supply. Knowing this, we do not panic if people or conditions seem to let us down financially. We know to turn to God as the Source, who then guides us to new channels of supply through ideas, people, opportunities which present themselves. *"I do not depend upon persons or conditions for my prosperity. God is the Source of my supply, and God provides his own amazing channels of prosperity to me now."*

Moses affirmed this to the Hebrews: "Thou shalt remember the Lord thy God: for it is he that giveth thee power to get wealth." The Psalmist affirmed it for himself: "The Lord is my shepherd, I shall not want."

4. *The prosperous truth includes the use of definite prosperity affirmations daily.*

Through the use of daily prosperity affirmations, you are

not trying to make God give you anything. You are only opening your mind to receive the lavish abundance he has bestowed upon you. Perhaps Jesus' most famous prosperity affirmation was the one he used in the Lord's Prayer: "Give us this day our daily bread."

If you have a prosperity need, speak the word for prosperity for five to fifteen minutes a day — speak it aloud. This can be the turning point to financial supply: *"I am a divine idea in the mind of God. I am now guided into my true place with the true people and with the true prosperity. I give thanks for a quick and substantial increase in my financial income now."*

5. *The prosperous truth includes using the picturing power of the mind.*

You can picture your way to prosperity! This is not a new idea. The wealthy Solomon declared, "He that hath a bountiful eye shall be blessed."

The word "desire" in its root means "of the Father." Your deep-seated desires are always divine desires from the Father, seeking expression in your life. Picturing is but prayerful acceptance of those desires. You can picture a thing and bring it through rather than trying to force it through outwardly. You can hasten your good through picturing it.

A Truth student who became a millionaire once told me that she went from poverty to affluence after she began making "treasure maps" or "wheels of fortune" through which she prayerfully pictured her good. Thousands in the Truth movement have also done this picturing.

6. *The prosperous truth includes putting God first financially through tithing.*

So often Truth students say that they believe God is the Source of their supply, but "saying" it isn't enough. The consistent act of tithing puts them in touch with their supply. Consistent giving opens the way to consistent receiving.

The word "tithe" means "ten". The ancient people felt that "ten" was the magic number of increase.

There is a Texas millionaire who attributes his wealth to tithing. He has often said, "It is all right to give God credit for your success, but he can also use cash."

You should tithe to the Truth movement at the point or points from which you are receiving spiritual help and inspiration. A prosperity jingle that has helped many acquire the tithing habit is: *"I no longer strain and strive. I tithe and thrive."*

Amen!

Daily Power

FOR JOYFUL LIVING*

1. We cannot receive until we give, and we cannot give until we receive.
2. We can only live effectively by learning how to cooperate with the rhythm of life.
3. God is the supplier of all things; man is the steward who uses them.
4. When we establish rhythm in giving and recognize God as the Source of all things, we have a constant sense of being part of something bigger and more abundant than we are individually.
5. The full potential of tithing is realized when we give one tenth of our attention, interest and substance to spiritual work.
6. When we tithe our money and our thought we make it possible for the Infinite Mind to complete the circle of fulfillment within us.
7. Use the principle of tithing by spending one tenth of your time in prayer, thought and planning before starting any project.

FROM THE BIBLE

Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over. — *Luke 6:38*

God loveth a cheerful giver. — *11 Cor. 9:7*

GREAT THINKERS — PAST AND PRESENT

Those who tithe are always certain that they have God for a partner.

— *John Murray*

The connection between tithing and prosperity is, after all, but a particular expression of the general law that what we are to the universe, that universe will be to us.

— *Emmet Fox*

DAILY AFFIRMATIONS

I give thanks for the abundance that is mine.

I know that nothing is too wonderful to happen; nothing is too good to be true.

I give my best to life and life gives its best to me.

I am constantly, continuously, constructively, creatively, and profitably employed.

As one of God's workmen, I create abundantly and well.

God knows the answers to my problems, so I look to Him and accept them.

Attaining Spiritual Strength

Meditation is always a great help, for it provides opportunity for the spirit to come into its own. When you can hush the clamor of your world and in silence attain attunement with the larger powers, then you acquire added spiritual strength and are able to achieve inner serenity, which is always to the good. So persevere; it will help.

— From *Silver Birch* in *Two Worlds* magazine

The Effects of Healing

One of the strangest yet most significant effects which follows the restoration of health by spiritual healing is the heightened sense of awareness, of inward illumination. Many become aware of a new feeling of orientation, of purpose, of a feeling as though some great mental uncertainty had at last been resolved.

—From F. Terry Newman, editor of *The Spiritual Healer* English Monthly

Each Has His Mission

Every soul born into the world has a mission; that mission does not consist in "doing this or that," since then it would be at the mercy of circumstances. It consists of being true to the highest aspect of the self. This can be achieved in whatever circumstances you are placed.

—From *Teachings of The Great White Brotherhood* in the *Fourth Book of Azrael*

Why Reincarnate?

The purpose of Reincarnation is to provide a physical body to a soul as many times as is necessary for that soul to be able to attain spiritual illumination through harmony with Christ's emotions. In other words, a soul wants to continue to reincarnate until it attains mastership of itself and thereby attains victory over death.

— From *Origin and Destiny of the Human Soul* by Emil Spacek *

A Period of Gain . . . Not Loss

Think back on those painful periods of your life and say to yourself: "That was not loss. That was actually an experience of gain. I gained something good from that experience, because I learned something from it. I grew through it, and so I pronounce it good. I pronounce it growth. I pronounce it gain."

TREASURE HUNTING

Minerals in our foods...

All of us who are in any degree conscious of the important aspects of nutrition know that the body must have certain minerals in order to function properly. In this column we shall look briefly at the major mineral requirements of the body, their primary function, and their major sources. This information is adapted from the *NEW AGE VEGETARIAN COOKBOOK* published by the Rosicrucian Fellowship, which may be ordered on page ix.

CALCIUM promotes cell growth, tooth and bone mineral; supplies endurance and vitality; keeps water within the body. Sunshine is required for proper utilization.

Calcium is most plentiful in: agar, apricots, almonds, bran, broccoli, cabbage, celery, cheese, cranberries, dates, dulse, egg yolk, dried figs, Irish moss, kelp, milk, olives, onions, parsnips, soybeans, string beans, Swiss chard, vegetable tops, walnuts.

CHLORINE — body cleanser; purifier, digestive aid, disinfectant, waste eliminator. Found in coconut, cheese, milk, salt.

FLUORINE — germ killer, body beautifier, bone knitter. Found in brussel sprouts, cabbage, cheese, cauliflower, egg yolk, raw goat milk, tomatoes, watercress.

IODINE — Of great importance, though only found in the body in minute quantities. Necessary for normal cell and gland action; beneficial to nerves. Plentiful in: artichokes, asparagus, cabbage, carrots, dulse, garlic, Irish moss, mushrooms, pineapple, baked potato, watercress, grapes.

IRON — Carries oxygen from the lungs to the blood; a vital mineral. Found in: agar, apricots, avocado, kidney and lima beans, bananas, cooked beet greens, blackberries, blackstrap molasses, grapes, brewers yeast, cherries, soy beans, wheat germ, whole wheat, pure honey, yellow dock, egg yolk, parsley, potato (especially the skin), Irish moss, prunes, raisins.

MAGNESIUM — nature's laxative; nerve mineral. Found in almonds, barley, blackberries, blueberries, coconut, corn, dandelion, egg yolk, figs, goat milk, grapefruit, oranges, peanuts, plums, whole grains.

MANGANESE — brain and nerve food; coordinator of thought and action. Found in bananas, dandelion, eggs, endive, leafy vegetables, mint, nearly all nuts, parsley, peas, peppermint, pure honey, senna leaves, watercress, whole grains.

PHOSPHORUS — Brain and bone mineral; stimulates body functions; aids growth of hair, bones, teeth. Plentiful in: grapes, onions, sage, beans, cloves, pineapple, sugar cane juice, agar, cheese, corn, dulse, egg yolk, Irish moss, pure honey, kelp lentils, lima beans, milk, nuts, whole grains.

POTASSIUM — All life depends on this healing mineral; controls muscular system, promotes sleep; necessary to blood, liver, spleen. Found in apples, apricots, cabbage, celery, coconut, dandelion, endive, figs, grapes, green peppers, pure honey, green lettuce, lima beans, mint, dried olives, parsley, peaches, potato skin, prunes, Swiss Chard, tomatoes, leafy vegetables, watercress, watermelon.

SILICON — Powerful antiseptic; gives resistance; sharpens hearing; polishes and hardens bones and teeth; makes eyes sparkle, hair grow. Found in these foods: apricots, asparagus, barley, cabbage, cucumbers, figs, lettuce, oats, parsnips, rice, spinach, strawberries, tomatoes.

SODIUM — Maintains youth; curative agent; alkaline, dissolves hard deposits; builds and purifies blood; promotes digestion, strength and endurance. Found in asparagus, beets, black figs, carrots, celery, cheese, cucumbers, egg yolk, honey, lima beans, okra, pumpkin, strawberries, string beans, turnips, wheat germ.

SULPHUR — Beauty mineral; promotes attractive skin, hair and nails; beneficial to nervous system; stimulates liver; promotes bile flow. Contained in: asparagus, beans, bran, brussel sprouts, cabbage, carrots, cauliflower, celery, chestnuts, figs, horseradish, kale, kohlrabi, leeks, mustard greens, onions, peas, radishes, rutabagas, wild rice.

There are many trace minerals, but our knowledge of them is meager. It seems safe to say that the person who eats a quantity and variety of fruits and vegetables will have no worry whatsoever about the adequacy of his mineral intake. Fruits and vegetables are truly nature's "gold mines". Our feeling is that millions of dollars are wasted on vitamin and mineral supplements which are not or should not be necessary.

ASTRONAUTS OBSERVE UFOS

Astronauts, who have the highest levels of integrity and space observation techniques, repeatedly have reported UFO sightings in their space flights. According to the Victoria Country Newspaper in Australia, the following are news leaks concerning UFO activities which occurred in both manned and unmanned space probes.

On January 10, 1961 the tracking station at Cape Kennedy was tracking a Polaris missile when it locked onto a UFO which crossed its path. Fourteen minutes elapsed before personnel could restore the tracking apparatus back onto the Polaris rocket.

On July 17, 1962 Robert White was flying his X-15 on a record altitude flight when a large grey UFO flew alongside his plane, then glided over his canopy and sped away.

On May 16, 1963, while astronaut Gordon was in his fifteenth orbit over western Australia, a UFO made a pass at his spacecraft and flew off in the opposite direction.

The UFO was seen by hundreds of people near Perth, and newsmen at Cape Kennedy overheard Cooper's report to the station. The news was immediately broadcast to the American public over NBC's coast-to-coast radio network.

On June 3, 1965 astronaut James McDivitt saw a UFO closing in on Gemini 4, and was thinking that it might be necessary to take evasive action, when the UFO turned and flew away.

McDivitt managed to take some movie exposures on black and white film, together with one still photograph. Later, when the officials showed the astronaut some pictures he said they were not of the UFO that he had photographed.

On December 4, 1965 James Lovell and Frank Borman sighted a UFO from Gemini 7 during their second orbit. When asked by ground control if they were sure this was not their booster, Borman replied that they knew where the booster was and that this was a real UFO sighting.

On July 18, 1966 astronaut John Young was overheard when he radioed ground control that two bright objects were pacing their spacecraft.

In spite of all this there still remains secrecy and fear in releasing this information to the public. Although pictures come to the public through Honeysuckle Creek, the sound tracks on space flights first pass through Houston, Texas for classified reasons.

Truth may be covered up for ages but it can never be destroyed. It inevitably finds its time and place in man's eternal quest for knowledge and experience.

Arthur Godfrey

CELEBRITIES ALSO SEE UFOS

Skeptics who scoff at research into life on other planets and UFO sightings most frequently retort: why is that only the little, unknown nobody sees UFOs, never any big-name or public figure?

It is said that Presidents Eisenhower, Johnson and Nixon have seen flying saucers and acknowledged that they have. Mayors, governors and senators have been quoted about their sightings and experiences with unidentified flying objects, which they associated with intelligent life from other planets.

The *National Enquirer* on April 18, 1971 interviewed four celebrities about their sightings.

Arthur Godfrey, who has been his own pilot for more than a quarter of a century, tells of a UFO incident when doing some TV shows in Hawaii.

"I had the plane up one day at dusk. I saw something that at first looked like a descending star coming out of the northeast. As it got closer, its lights took a different hue and they blinked rapidly. It took a turn into the direction of the fading sun and was gone.

"No government has the capability to make a flying object that travels as fast as the one I saw. At other times I've spotted things in the sky that were not the shape of anything I have seen before. I believe in these flying saucers, or whatever you call them."

Mark-
Age

Spirit communications inform us that on the other side we will neither regret the past nor will we fearfully anticipate an unknown future. The guidance in these reports indicates that if the past and the future are both useless in our afterlife, then we are wasting precious energies if we cling to any such contemplations now. Consider all of the harmful emotions we indulge in as we remember the past or anticipate the future!

OF KARMA . . .

How to Work Off Old Karma

You have already accepted the burdens of much karma and sin from former actions. Must you carry these debts into your afterlife? When you do, you will then see and understand how to wipe out those debts.

Suppose you cheated John out of \$1000, and escaped responsibility through a legal technicality. John knows this, and he hates you. You feel guilty and unworthy. The obvious approach is to repay John \$1000 – NOW! The longer you procrastinate the deeper will be your self-guilt. If you had been living transcendently, you would never have done it in the first place.

You may not be able to locate John now, or your karma may involve guilt for having broken off a love affair, for neglecting your parents or for breaking an agreement or trust. It may be something you can't repair so easily.

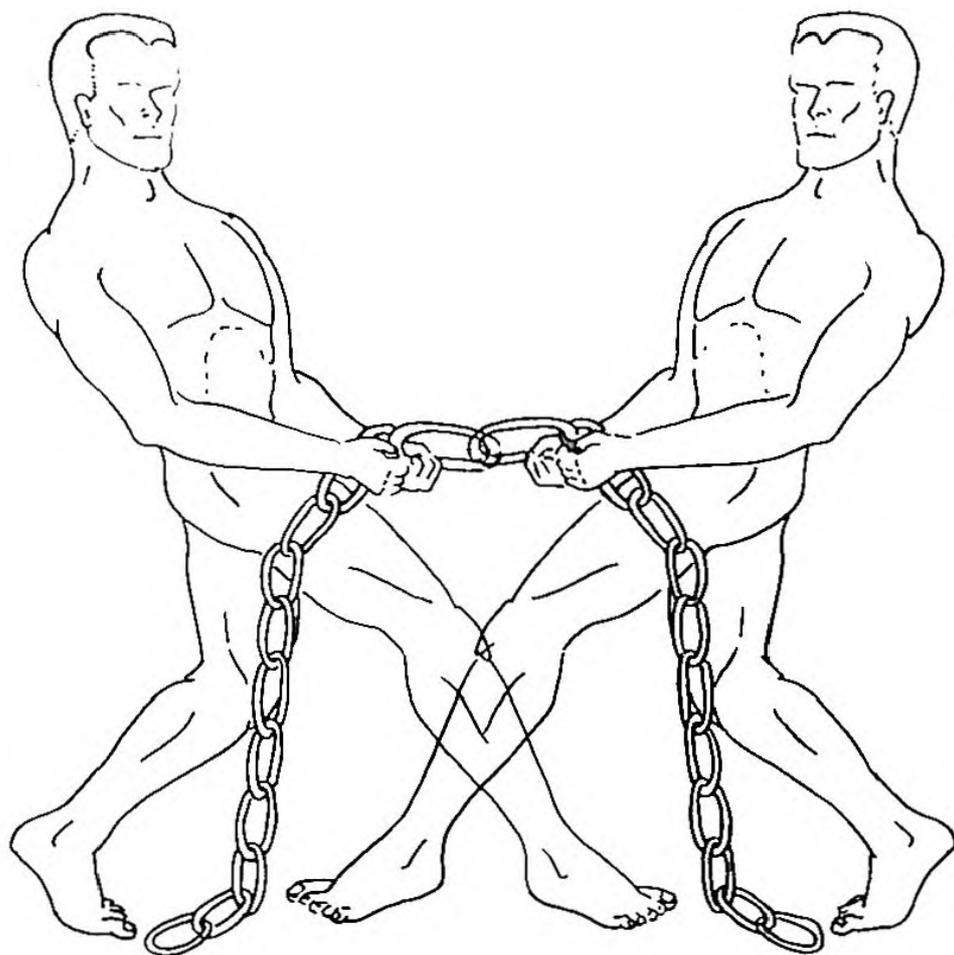

In each case of sin or transgression, the harm was done by mental attitudes. The girl who was spurned in the love affair feels humiliated and rejected. The parents feel ignored or abandoned. The victim of your broken agreement feels cheated and tricked.

But true transcendence tells the girl that there would be greater misery if you had married her! And the parents would feel useless if you helped them with an attitude of martyrdom and burden. Your broken agreement ended a relationship which would have deteriorated anyway. Transcendence would have spared all of these "victims" considerable mental anguish and you needn't feel so guilty about a lot of useless worrying indulged in by others.

Karma and Sin Are Mental

Your action of last year is over. It can never exist again. It is only a memory now. It only exists as a mental thought, which you formed about it. If you discard that non-existent mental thought about such action, then the action disappears. Anyone who feels he has a grievance against you has only a mental thought to which he pretends a reality. If he *wants* to recover from his feeling of resentment, revenge, or jealousy, all he needs do is *give up* the thought. The thought is really *his* problem, even if it is directed against you.

□ □ □ IN THIS LIFETIME

In your afterlife, you will see the whole picture from a higher viewpoint – with transcendence. You will understand the uselessness of mentally musing and punishing yourself over an action which no longer exists. At that point you will dismiss the feelings of guilt and free yourself of its karmic burden. You can do the same thing this moment – NOW!

The Formula for Mental Purging

Prepare yourself for an effective and productive afterlife by purging yourself every day of all useless mental illusions and diversions.

Affirm the following truths in your life:

1. I have no guilt until I accept it mentally.
2. Nothing is wrong unless I mentally label it as wrong.
3. No one else's judgment of my actions is valid.
4. I cannot be anxious or worried unless I think so.
5. I am free of all guilt, error and sin!

Repeat this formula regularly and experience the great spiritual exultation of freedom and joy which our loved ones have reported from Spirit. You can experience this glorious freedom this moment – NOW!

This concludes the series on Karma by Tom C. Lyle, M.S.D.

THE BOOKS OF *Lobsang Rampa*

Famous Author and Tibetan Lama....

• **THIRD EYE, The**

1st of the Rampa series of books, and the most famous, it is truly immensely readable and thought provoking, containing highly controversial assertions as to how this mystic came to take on the body of a Tibetan lama in order to do his particular work on Earth.

• **DOCTOR FROM LHASA**

This is the saga of how Rampa proved that mortal man can discipline his mind and body to survive starvation and torture, yet evolve to ever higher states of consciousness.

• **RAMPA STORY, The**

A fascinating account of other aspects of this mystic author's strange life, and a look at the unusual spiritual gifts with which he is endowed and how they are put to use for good.

• **CAVE OF THE ANCIENTS, The**

Rampa's unequalled story revealing his experiences while undergoing spiritual-mystic training at the great lamaseries of Tibet. An eye-opener you will not soon forget!

• **YOU — FOREVER**

This book amounts to a special course in psychic unfoldment, as well as in metaphysics, written in the ABC's of English which you can put to work instantly. Excerpts from this book have appeared often in Chimes articles.

• **WISDOM OF THE ANCIENTS**

This is a book of special knowledge containing many special sections valuable for psychic unfoldment training, plus many breathing exercises and special diets.

• **SAFFRON ROBE, The**

In this account is the incredible personal story of this unusual author's boyhood at the great Lamasery at Potala, Tibet, and how — while there — he acquired the foundation for becoming a renowned mystic-seer-teacher.

• **CHAPTERS OF LIFE**

9th of the series in which Rampa gives the story of the "Coming World Leader" and what it will mean to all of Earth. Included also are instructions on how to meditate and go into trance, answers on whether astral travel is meant for YOU, and prophecies concerning happenings that will dramatically affect the destiny of all nations.

• **BEYOND THE TENTH**

10th in the Rampa series in which he mystically explores the spiritual potential in every human being, with advice and teachings on the care of man's physical, astral and spiritual forms.

• **FEEDING THE FLAME**

11th in the series in which Rampa is concerned mainly with answering some of the many questions from readers on a wide range of subjects relating to the occult.

• **LIVING WITH THE LAMA**

More details of Rampa's extraordinary existence — this time from a different angle — how his "cat" sees such goings-on. An unusual outlook on this plane as well as others.

• **HERMIT, The**

Here we have the 12th book in the Rampa series wherein a young monk goes to the cave of a blind hermit to learn something of his wisdom and of visitors from other planets.

SCIENCE OF SOUL

**The Book of the Hour!
The HOPE
of a Troubled World**

Have you been asking: What next? Why all this world-wide confusion and unrest? If you really want to know what next and why, read the book **SCIENCE OF SOUL** — "The Early and Latter Rain" of Scriptural promise, with its timely message of hope for the wise and the foolish. The Book is unique and convincing from the first sound of the Preface to the loud roar of the last thunder. Yes, there are "Seven Thunders" (Rev. 10:3) which again utter their voices. the MAGIC of PSYCHIC POWER

Here are some of the secrets you can use to win what you want in life:

– 11 simple words that will make people seek you out, introduce themselves – and actually be flattered that you take notice of them.

– A single prosperity ritual that you can perform in less than five minutes with the help of a friend that can double your clients or customers almost overnight, and keep doubling them automatically!

– A method of breaking the bonds of psychological slavery.

– A method of using psychic power to gain the help you need from others.

David Schwartz says that the psychic rituals he gives you will work time after time – and the very first time you try one you'll be amazed at the results.

"This is not an ordinary book," says the author. "It was not prepared for you to read casually and then pass on to a friend or place on a shelf, never to read again. THE MAGIC OF PSYCHIC POWER is an extraordinary guide to the practical conversion of wisdom into successful living."

Sermonette

THANKSGIVING FEAST

Continue in prayer, and watch in the same with Thanksgiving.

Colossians 4:2

Begin now to enter into a great psychological and spiritual feast. Fast from all negative thoughts of fear, doubt, and anxiety, and feast on love, peace, beauty, and good will to all.

You must give to receive, i.e., give up or fast from ill will and resentment, and feast on love. Fast from the idea of poverty, and feast on the truth of God's abundance. Fast from worry, and feast on faith in God and all things good. Fast from gloom and sadness, and feast on the joy of the Lord which is your strength. Fast from pain, and feast on God's river of peace. Fast from self-condemnation, depression, and self-pity and feast on amiability, sociability, kindness, good will, and the laughter of God.

To be truly thankful, you have to love the Self of you, which is God — that is, you must give honor, recognition, and complete loyalty and allegiance to the "I am," the Presence of God in you. You truly love the God-Presence when you give power to nothing in the created world. Then you will generate a reverence and respect for everything in the world and for all men and women throughout the universe. Then you will be able to say, "in everything, give thanks."

By Dr. Joseph Murphy

Beverly Hills, California

There are many ways to bring peace, harmony and abundance into your life ... being truly thankful for all things is one of them. Dr. Murphy more fully illustrates this in his book, *PEACE WITHIN YOURSELF*, a favorite Chimes selection.

This issue continues the communications received by the author through inspiration from the Spirit entity she has reason to believe was the famous clairvoyant-healer, Edgar Cayce. The inner discrimination of each reader will be the guide as to the ring of truth these words convey.

“A Drop

“THE ABSOLUTE DIVINITY OF CHRIST”

CHAPTER 3

To begin this chapter, we need first a little background to prepare us for the building of thoughts to come. To insure that it does the greatest amount of good, I ask you to completely remove any former conclusions from your conscious mind, while reading this. In other words, be open to that which is put forth here, waiting until afterward to dissect, study, and prove its worth.

I stress this particularly with this chapter because of the very nature of its subject, and the preconceived ideas that have erroneously taken root in my name concerning it. I wish to make very clear my standing in this: *these* are my beliefs, that which I know to be True and abiding. You may accept them, or reject them, this is your choice.

You will notice in your studies with the New Testament, the frequent referral to the anti-Christ, which according to the Holy Scripture, had *already* come, and was to increase until the day of final restitution and deliverance. The anti-Christ is *any* thought, idea, or theosophy which in *any* measure deletes or subtracts from the total Divinity of our Christ, which abode in the flesh as Jesus of Nazareth. It is vital to the life of one's soul to keep this in remembrance as you read the many books printed for your study.

Remember that all teachings, all books, even all statements within a book are not necessarily from the God source. The anti-Christ uses many methods in trying to sway our hearts from He whom we love and serve. The printed page is but one of his most successful means. In *all* cases, in all teachings and books, guard carefully that foundation in Him, which has been prepared for your salvation. This is not dogmatic — it is Truth! It is as vital to all life as is the beating of your heart to your body.

The Bible clearly and expressly teaches that Christ was part of the God-head before the creation of all things — He is pre-eminent. As Jesus, He was the physical embodiment of the Spirit of God, the *only* begotten Son of God. We cannot, we dare not lose sight of this fact.

... as told to Cherie L. Silva

I have watched from here a pitiful happening take place, and repeat itself over and over again: many who are devoted to the belief of the Sovereignty of Christ Jesus, in endeavoring to further their spiritual knowledge, exploring all avenues of thought, after careful and deliberate progression, are led astray by the seeping in of the anti-Christ. They are beguiled so cleverly, they are unaware of the danger of their position. A word here, and an oft-repeated thought there, an appeal to their 'intelligence', and the most insidious of all -- the growing conviction in some that Christ's dying is only for Christian theology, and a fact only if you are of the Christian faith! There are some who believe Christ lived or was manifested as many different souls in earth life, trying to account for the diversities of the world religions. Keep in mind that God's Truth is absolute -- it is not different for one than another; His laws and truths are not different for one nation, or sect, than another, or the universe.

I implore you not to just read your Bible, but *study* it -- especially the New Testament on this subject. There is not a book contained within that does not make very clear the Truth of our Jesus' eternal status.

The Scripture foretells that some will be beguiled by worldly wisdom. In your attempts to progress into higher spiritual teachings do not fall into the common trap of 'intelligent, progressed thought'. It is not so that the higher one climbs, the more he is convinced that there is, or has been, more than one Christ! The truth is, the higher one climbs, the nearer he becomes to the Almighty Father, and the closer he becomes in love with Christ Jesus, his Master and Lord! In patient study of the Gospel, the eyes of your heart will see that it is not intelligent to accept ideas contrary to the belief in the absolute Divinity of Jesus Christ, but is foolishness, and poison to the soul!

I must here explain one of the most misunderstood of my earthly teachings. As have some of you, I too learned of the 'oneness' promised, the Christ Spirit within -- that it is the totality of this state for which we strive. Looking back through, not only our Bible, but also through history, there are those who have, in every nation, achieved this state of indwelling to such an extent that their philosophies and teachings are still

alive today serving to guide and lead many. Unfortunately in most cases, during the intervening years, the anti-Christ has entered, and changing a word here and there, has left his muddy foot print on the clean floor. Also, many times the Truth revealed unto these gifted ones was colored by their environmental attitudes and state of intellectual awareness. Very few have been able to so remove their conscious from Higher instruction, so as not to sub-consciously influence that which was received, by their own areas of mortally molded thought. Thus, we have a world made up of differing religions and theologies — each convinced of its singular truth. Each worships God by one Name or another, and in one form or another, as their tenets decree; and, each has some truth contained within! Each also serves in his own way the purpose and will of God, in supplying that which is needful to the varying degrees of development we know not the God we worship except superficially — the light is mostly darkness. As one grows nearer to God in love, obedience, and knowledge, he transgresses these planes, Truth increasing in proportion to his ability to accept, at any given stage.

Apply this to your awareness of the existence of the multitude of religions in the world, and you will see the step ladder more clearly. It also will serve to keep your feet firmly on the solid foundation of Christ, in order that you not slip backward, but progress onward, forever cementing your heart and allegiance to the *only* begotten, first-born, Son of God.

Remember also that with the Christ Spirit within, it is easy to see Christ in the lives of many before us, and thus be misled in this area — there was, is, and will be, only *one* Jesus Christ our Lord, *but* He also dwells in varying degrees within the hearts of all who are His, thus manifesting and continually fulfilling all Scripture and prophecy.

Some books have even gone so far as to relegate Jesus to just a great medium, and prophet — explaining His miracles, as exceptional psychic ability! While He indeed was the greatest 'medium' and prophet ever to abide in mortal flesh, He must not be stripped of His Holy Garments and Nature, thus nullifying the purpose for which he came, and keeping Him forever nailed to the cross.

Others may, and will, write what they wish, but it is my duty and love to put forth that which I know to be True, and erase some of the errors written using my name.

With these thoughts, and my earnest prayers, I leave you again until our next session.

PSYCHIC
SURGERY!**

This is one new phase of psychic phenomena you should not miss ... how men are performing astounding major operations with their bare hands – with no tools – with no antiseptics – in a totally new form of healing.

Here is a hard-hitting report on a most controversial subject – psychic surgery – given by an honest, impartial reporter on psychic phenomena, Harold Sherman.

In his book, WONDER HEALERS OF THE PHILIPPINES, you will read the whole inside story of these amazing men – the "pro an' con" of what they do, how they do it, and to what avail. Don't form any opinions until you have read what Sherman has to say. Those who have read it declare, "I just couldn't put it down until I finished it."

A Blessing

When we bless someone, we expand our divine consciousness, our Light and warmth of Love beyond our own self and unite with that of the Being we bless. We not only make the consciousness of the divine LOVE, LIGHT and LIFE stronger and brighter in both of us, but the Beingness of the other one is expanded on his own spiritual level so that an inspiring new thought or a better understanding of Self can flow into his mind. Such an awakening again is reflected back toward ourselves for our own higher consciousness. This is a blessing within a blessing.

—From W. Kuennicke in *Orion* magazine

Duane Rudhyar

One of the basic statements in the Kabbalah is that man is yet to be made. Man is still far more in potential than actuality. The true occultist works at the completion of man, at the more perfect actualization of the archetype who, when perfected, is truly the image of God.

— From *Occult* magazine

Cancel that Ego Trip!

It isn't easy to make the personal ego decrease. It speaks so loudly and subtly directs so many of our actions that we don't begin to realize how it rules our lives and keeps us in bondage to people, conditions, and circumstances.

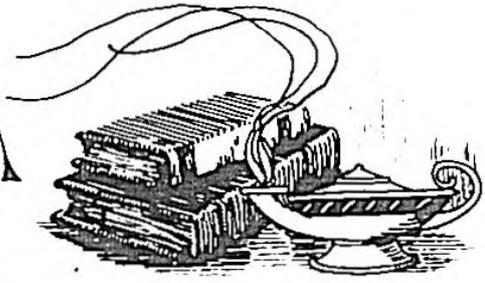

There are two ways to free yourself from servitude to the personal ego and to enter into the freedom and mastery that is man's spiritual birthright. The first is depth meditation, *frequent* depth meditation, wherein we come to realize more and more vividly that we have no power of ourselves — that our power, our wisdom, our very life rises out of the fact of our oneness with God. Or, as Jesus said: "I of myself can do nothing, it is the Father within that doeth the works."

And secondly, in quiet meditation or introspection, observe the various ways in which the personal ego asserts itself and glories in its authority. It is like coming out of a confined place and breathing sweet, fresh air again, to break out of the spell of ego-domination. It might hurt for a while, when you see how far from your spiritual base you have wandered, and how much your personal ego has led you into blind alleys of fear and unhappiness and loneliness.

Do things because you *want* to, not because you *have* to. You are not afraid of people or circumstances, because your dependency is on the Spirit of God within you — and God can be trusted, counted on, relied upon to preserve you in all your ways.

Your Spiritual Powers

IF WE ARE to be successful in our use of mental telepathy, as we have seen in the previous issues, we must realize that we are dealing with matter and energy just as we do in the physical world ... for it is just like the elements needed in a telephone system or broadcasting station. The only difference is that we are dealing with psychic energy and a finer grade of matter. However they are still matter and energy and obey the laws of matter and energy. Let us then take a closer look at what we are dealing with: the force of love; the force of mind; and psychic energy.

THE FORCE OF LOVE attracts the needed material with which to clothe the idea, thought, picture or words to be transmitted, thus producing a coherency. In order to hold psychic energy you must encase it in a capsule or compress it together in some way. The force of love causes the elements of the message to cohere to each other for a length of time that is in direct proportion to the amount of love force supplied. The force of love is used also by the receiver to attract the thoughtform to himself after it has been created and released by the sender. This is done by the recipient focussing his own love upon the sender. Thus you can see how difficult a mental transmission would become if there were the slightest dislike or disapproval between the sender and the recipient.

THE FORCE OF MIND is used somewhat like a laser beam. Light is a subtle substance and the mind can cause psychic energy to materialize upon a beam of light. A so-called "line of sight" alignment of minds between sender and recipient is necessary. When this has been achieved successfully the message then will travel unerringly to its intended mark. The recipient must exert the magnetic power of love to attract attention, facilitate alignment and create an attunement.

PSYCHIC ENERGY, the third element, reacts and responds to the influence of love and mind and creates an impact upon the vital or etheric body of the recipient from where it is transmitted to his brain and active consciousness.

Next issue we shall consolidate and summarize these points into a usable technique that one can put to work like playing the piano.

To help in your own accelerated progression, it would be well for you to supplement these lessons with the instruction Joseph J. Weed gives in his excellent book, PSYCHIC ENERGY, a recommended Chimes selection.

Lesson Five

Even in the midst of encroaching worry and fear you must learn to relax. Then only faith can enter. Faith and trust and a confident frame of mind will enable you to see through a difficult situation. If you continue in a worried state of mind you will just go in circles, wasting your energy. It is much wiser to sit still doing nothing for five to fifteen minutes, endeavoring to see your situation or problem clearly.

An important step on the path of Inner Peace is mental house-cleaning. Get out the destructive pictures, the worry and procrastination. Write it out on a newspaper or an old magazine, eyes closed, and tear it into a hundred pieces. As you do so you will find a wonderful sense of peace growing within. Then let the knowledge seep in that you are a definite part of a Divine plan, and that you are of use in that Divine plan, or to the Supreme Being, only as you live according to *self-discipline*. Keep yourself out of ruts, out of the rut of thinking and out of the rut of doing the same old things. *Dare to be yourself. Dare to try new things. Dare to follow out your ideas* even though it may result in temporary apparent failure. Every success in the world is built on failure and especially on the renewed and wiser attempts that follow that failure. You may be sure that no successful man ever succeeded right from the start. One does not learn lessons from success. One learns them from failures. Success comes as a reward of over-coming our failures.

Know that Divine Energy is flowing through you always just as though you were an electric wire, but you have to learn how to consciously turn it on for the best results. The switch that enables you to utilise this Divine Energy is turned on by concentration of mind and coordination of body. Concentration and coordination are gained through deep breathing with planned physical exercises and through meditation and prayer. At the beginning it is best not to spend too long a time in meditation. Five minutes three times a day will help you to realize this Inner Peace. After you have become accustomed to this, you can extend it to ten minutes three times a day. As you go further along the path and become a Light one hour may be required of you by your Higher Self. This time is spent in self-proving, self-analysing and on new plans after you have really learned to listen to your Higher Self.

One way to go into meditation is to center your attention in your heart. Do not allow any outside noises to bother or disturb you. Just forget them. Listen quietly for the Voice within. It may take months before you really hear that silent inner Voice. Deepened intuition and a better handling of your affairs comes sooner than this, however, if you persist in getting close to the within. If you persist, if you are faithful and honest and sincere in your striving to live a perfect life according to your best

Science of Everyday Living

belief, the time will surely come when you hear the still, small voice within advising you on your simple and your deeper problems even on what you shall eat or wear.

Is it not worth any effort or energy necessary to become a more perfect and harmonious human in order to hear this real Voice of the Higher Self talking to you? I assure you it is. It is a wonderful thing to merit this Divine Guidance. A sincere effort to improve yourself by dropping destructive habits is the Key.

First, learn to school yourself. Do it in this way. When you catch yourself starting to rage or be irritated at something, say to yourself: "Nothing can disturb the calm peace of my Pregnant Spirit." Say this over until you have stilled your nagging thoughts. Determine consciously that you are not going to generate any poisons in *your* system that will manifest in physical diseases or ills. You *know* BETTER now.

A PEACEFUL, CONTENTED MIND IS A HIGH SPIRITUAL ATTAINMENT. When you have encompassed the law of Inner Peace you have made your connection with Divine Energy and Creative Force.

Endeavor to keep a contented mind at all times and under all conditions. (I realize it will be difficult at first, but gradually you will find it becoming more and more a part of your natural make-up.)

Hypocrisy and alibiing keep you from contentment because then your Higher Self is disappointed and dissatisfied with you and you feel it.

You need this inner peace in your mind and heart, because without quietness within, whatever spiritual energy you may release through your constructive thoughts will be partially dissipated and lost.

Inner Peace does not mean simply sitting down and taking it easy, nor does it mean becoming a "door-mat." On the contrary, it means being vitally alive, even in doing your housework or typing your letters or in serving your customers. No matter how menial your task, you can express God (Good) through it, knowing that when you learn to do it perfectly the menial task will leave your path and one more representative of your new growth will come. You will then be ready for a larger expression of life. But you must *first learn to work perfectly in the position you are now in* on your path of life.

When you are expressing perfection in any task, you are expressing God, for the Highest attribute of God is Perfection. When you are always endeavoring to do your work more perfectly you are putting into your life the highest phase of the wonderful law of Cause and Effect, which brings its *Great Rewards*.

You cannot have this Inner Peace completely until you have learned to accustom yourself to complete mental and physical control and discipline. Then the Divine side of you can come through into Being, and you will have that marvelous sense of inner tranquility which other people see and call "poise" and "a fine personality."

Inner Peace becomes a part of your life gradually. At first it comes by conscious control of your emotions, as you constantly endeavor to express constructive qualities in your life. Then in time it becomes sub-conscious, and a part of your true character. You ultimately reach the point where nothing upsets you for more than an instant. You go calmly, smoothly, serenely, joyously, vitally and powerfully through life, using every obstacle as an opportunity, and *learning* vital new lessons through over-coming each new obstacle.

Gradually you become ready for that wonderful next step into a grander and fuller expression of life, Cosmic Consciousness. This is a reward which can come to you while you are still living on this earth and in the physical body. Then Life is so transcendent! You know you are mentally and spiritually living in a perfect Heaven world, while physically your body walks the earth, helping others to find the *Light* of understanding that is illumining your pathway. *(continued next month)*

THE HOME I CLAIM

God is the substance and the activity of my home. God is the consciousness of every individual who enters my home, whether it is family or friends. Nothing enters my home to contaminate or violate its sanctity, because God is my only home.

As long as my home appears on earth as a material structure, it will express the harmony of God. Those in that home either will reflect that harmony or they will be removed because nothing unlike God can remain in my home ... my temple, my being, my body.

Anything of a discordant nature that would enter, or might temporarily be permitted to enter, will be removed in its time and in such a way that it will injure no one, but be a blessing to everyone involved.

A SPECIAL INVITATION FROM CATHERINE PONDER

“Something tremendous happens when people of like mind join together in thinking about the laws of prosperity. A multiplied mind power is released and often those participating experience immediate healings and prosperity demonstrations. It is a thrilling thing to observe.

“As described on page 33 of this issue, I will be conducting a special PROSPERITY SEMINAR in San Antonio in late January. Readers of my books will be gathering from all over the United States to review together THE DYNAMIC LAWS OF PROSPERITY. It would be my special pleasure to have you among them.”

Letters to the Editor

PLANTING WELL – It is hard to put into words the changes that have taken place in my life in the last few weeks.

The Seed Money Plan (that Chimes advocates) WORKS, but I don't quite know how to tell you what all it has done for me. I know it has worked wonders. I've always known that God would provide. There have been times when I didn't know where I was going to sleep or what I was going to eat, but I always got food and a place to sleep. Only with Seed Money it is different. Always before it was as though I was "taking". Now the feeling is different because there is joy in "giving". I've never been a selfish person, but I never knew before how much joy there could be in giving small gifts. I guess when I really stop to think about it maybe I was selfish in a way. If I couldn't give at least \$5.00, I didn't give at all. Now I realize there is as much pleasure in giving a nickle as a \$5.00 bill. The point seems to be in giving ... not in how much or how little. Sometimes I forget to make a claim because I feel good when I give. I know I am going to get what I need, so I accept the pleasure of giving as a just reward.

However, all sorts of good things have started coming to me ... and I KNOW WHY. I used to keep \$5.00 out of my paycheck to have parking money and church money, and I was always without money in my pocket or in the bank. Now I always seem to have a dollar or so in my pocket, and I don't worry about paying the rent or utility bills or buying groceries. I'm sure there are those who think I am just throwing away money, but this I've found out in the last few weeks. No matter what I share it always comes back to me in greater quantity than it went out. It seems all I have to do is give freely and willingly and with love in my heart and I don't know want any more.

I know I still don't really practice Seed Money yet, but I am learning. God has been patient with me for 39 years, but the light is beginning to shine at long last. That's what really counts. So with good to all concerned, I am sincerely,

Betty Jo McCarty, Albuquerque, NM

(Such a wonderful testimonial speaks very well for itself, doesn't it?)

LIGHT INVOCATION REACTIONS – With regard to my letter which you published recently concerning my providing copies of the Father-Mother Light Invocation, I am most gratified to learn that your spiritual work is so extensive, and I must congratulate you on your service to humanity at this time. May God bless you forever.

I am sure you must have hundreds of sensitives in your readership, and I shall be glad to learn of their reactions to the Father-Mother Light Invocation. Will also be grateful if you will let your readers know they can apply directly to me for copies, free of any charge. Thank you,

Dr. C. H. Yeang, 86/88, China St., Penang, Malaysia

(We did publish Dr. Yeang's letter, with his address, with the hope that many would write to him for copies of this beautiful Invocation ... a loving service he has provided for many years at his own expense ... and repeat his address now in case some readers missed seeing it before.)

RIGHT ACTION! – We recently received your letter informing us that the Powell books will not be reprinted for at least another year. After much thought Mr. Brockenshire decided to get "Evolution of Man" (Mark-Age) in place of (other books). We as students thought it rather ironical that the books were the same price, but he just gave us a quiet smile.

We have always enjoyed receiving your notes because there is always a beautiful feeling of warmth which accompanies each one. They always have that extra personal touch. Mr. Brockenshire, who we like to call Gerald, has been a teacher and friend to five of us for some time and also to countless others in the past and in the present. His knowledge of life and people is filled with love and compassion. He always has said he is nothing more than a student and shall never stop learning, for development is a never ending thing. Gerald has said that Chimes is an organization of the "space age" and that it would be so nice if other organizations could pattern themselves after your example. Since "knowledge is our business" a company such as yours plays a very important part in our lives, as we are sure it does in numbers of others.

Wishing you every success in the future, love from

"The Brockenshire family", Markdale, Ont., Canada

(We are all at varying times students and teachers all our lives – giving and receiving from one another – for we learn in each interchange something different. We learn from our readers and contributors, from the inspiration of other publications, just as they receive something from Chimes as they are receptive. We are dedicated to a particular kind of service through Chimes, a very loving one, but each of us ... wherever we find ourselves ... can render a loving service of some kind every day. One of the most important is to bless others with our loving thoughts and prayers for their enlightenment, whether they be on this plane or on some other. Always we must become more aware of letting our light shine!)

THE CHIMES FAMILY IS GOD'S GRATEFUL FAMILY . . .

a family of light bearers, each in his own way doing something constructive and creative to usher in the coming Golden New Age.

BEFORE IT IS TOO LATE . . .

each and every child of light must link up his efforts with every other child of light to awaken the masses out of their ignorance of God's spiritual laws and the spiritual realms that surround us.

HOW CAN YOU HELP? . . .

by letting your light shine in the loving way in which you perform your daily tasks, in your quiet times of meditation, in your outreach of prayer – when you pray silently with and for others. Remember the saying – the family that prays together stays together – this is because much good is accomplished during those precious times... far beyond our present knowing.

LET YOUR LIGHT SHINE MORE BRIGHTLY THRU CHIMES . . .

by doing your part to guarantee its ongoing. Many have written of their wish to participate regularly by their *monthly donation*... and many already are doing so. This page, then, is the Family Participation Page that can serve as a reminder each month of what you wish to do to help keep the light shining thru Chimes. You may even have ideas on this subject that may be shared with others of the Chimes family. Here's where we do it. Here's your own special opportunity to help keep the family together. Do it the best way you know how!

Here is my donation for helping with the work of the Chimes Family and to widen the linking of lights to bring spiritual guidance in these Latter Days:

- ... Do you think it strange that Mary, the mother of Jesus, should teach the return of Souls to this world?*
- ... Do you know that some books of the New Testament represent this teaching as the current belief of the day in Palestine in the time of Jesus — a belief uttered by Him, Herod, and the common people?*
- ... Before she made her ascension at 83, are you aware that Mary taught the Disciples that man is to learn who he has been, individually and as a race, what his present status is, and where he can go from this point?*
- ... Have you ever thought of Mary as a medium in that lifetime as Jesus' mother — which she was as she communicated with, traveled to, and saw into the higher dimensions?*

Second Book of Acts

provides these answers.

Here you will learn of the six concurrent lives of Mary and Jesus and how they are to lead man on Earth into the federation of planets of this System by the year 2000 A.D.
