Pray!

Pray for the pilgrims who came
into this world,
Arrayed in flesh and bones
To partake of the joys and
sufferings of men on earth.

Pray for the valiant unknown
soldiers,
Dressed in battledress
Who partook the Fruits of life
and death.

Pray for the sick, tormented in
pain and agony,
Who knew not the cause of this
painful melody
Who cried for help but could not
find any.

Pray for your souls, this invisible
magnet,
Who duplicates all your thoughts
and actions
To be presented for your next of

Upon your souls rest the destiny
of mankind.
On you depends the welfare of
your country.
This is a secret between you and
'me.

What we should know about . . . **THE**
RETURN
OF CHRIST
TO EARTH

A new chapter in the great book of spiritual living is about to be written. A new expansion of consciousness is an imminent happening. A fresh recognition of divine attentiveness is now possible to humanity and a revealing expectancy will prove the accuracy of the Biblical statement, "every eye shall see Him." (Rev. 1:7) ... There is a recognition everywhere of the imminent return of Christ (if such a phrase can be true of someone Who never has left us!) and of the new spiritual opportunities which this event will make possible.

The basis for this recognition lies in the deep-seated conviction, innate in the human consciousness, that some great Teacher, some Saviour, Revealer, Lawgiver or divine Representative *must* come forth from the world of spiritual realities, because of human need and human demand. Always down the centuries, at the hour of man's greatest need and in response to his voiced demand, a divine Son of God *has* come forth, and under many different names. Then the Christ came and apparently left us, with His work unfinished and His vision for mankind not yet consummated. For two thousand years it has seemed as if all His work had been blocked, frustrated, and of no avail, for the growth of the churches

during the centuries is no guarantee of the spiritual success at which He aimed. It needed more than theological interpretations and the numerical growth of the world religions (including Christianity and Buddhism) to prove His world mission successfully carried forward.

It all seemed impossible, necessitating three conditions; under these a test of His work could be attempted; today these three conditions are proven facts. *First*, a general planetary condition which unfortunately has (owing to man's selfishness) proven to be so catastrophic in nature that humanity has been forced to recognize the cause and source of the disaster; *secondly*, a spiritual awakening which would have its impulse in the deepest depths of man's consciousness; *thirdly*, a steadily mounting invocative cry, prayer or demand, directed toward high spiritual sources, no matter by what name such sources may be called.

Today these three conditions have been fulfilled and humanity faces renewed opportunity. The disaster which has overtaken mankind is universal and widespread; no one has escaped, and all men are involved in some way or another – physically, economically or socially. The spiritual awakening of men everywhere (within or without the world faiths, and largely outside of them) is general and complete, and a turning to God is to be seen on every hand. Finally, these two causes have aroused – as never before – the invocative cry of humanity; it is clearer, purer and more selfless than at any other time in human history because it is based on clearer thinking and a common distress.

True religion again is emerging in the hearts of men in every land. This recognition of a divine hope and background possibly may take people back into the church and into the world faiths, but *it will most certainly take them back to God.*

The idea of the return of Christ is a most familiar one, and the concept of the Son of God returning in response to human need has its place in the teaching of the majority of the world faiths. Ever since He apparently departed to the sphere where the faithful have put Him, little groups of these people have reasoned themselves into the belief that on such and such a date He will come back, and ever their prophecies and expectancies have been doomed to failure. He has not come. Such people have been laughed at by the crowd and rebuked by the intelligent. Their eyes have not seen Him and there has been no tangible indication of His Presence. Today, thousands know that HE WILL COME, that plans for His coming already are set on foot, but *they set no date or hour.* The time is known only to the two or three, but *"in such an hour as ye think not, He will come."* (Matt. 24:44)

A truth hard for the orthodox thinker of any faith to accept is the fact that **Christ cannot return because He always has been here upon our Earth,** watching over the spiritual destiny of humanity; He has never left us, but, in physical body and securely concealed (though not hidden), He has guided the affairs of the Spiritual Hierarchy, of His disciples and workers

who are unitedly pledged with Him to Earth service. He can only RE-appear. It is a spiritual fact that those who have passed from the cave of the tomb into the fullness of the resurrection life can be seen and at the same time evade the vision of the believer. Seeing and recognition are two very different things, and one of the great recognitions of mankind in the near future is the recognition that always He has been with us, sharing with us the familiar usefulness and peculiar characteristics of our civilization and its many gifts to man.

The early signs of His approach with His disciples already can be discerned by those who note and rightly interpret the signs of the times. There is (among these signs) the coming together spiritually of those who love their fellowmen. This is in reality the organizing of the outer physical army of the Lord — an army which has no weapons but those of love, of right speech and right human relations. This unknown organization has proceeded with phenomenal speed during the aftermath of the recent wars, because humanity is sick of hate and controversy.

The general staff of the Christ already is active in the form of the New Group of World Servers. They are as potent a body of forerunners as has ever preceded a great world figure into the arena of mankind's living. Their work and influence already are seen and felt in every land, and nothing can destroy that which they have accomplished. For the first time in human history the demand of the people of the Earth is so potent and so in line with divine direction, in time and space, that the end is inevitably sure; the looked-for Representative must come forth. *This time He will not come alone* but will be accompanied by those whose lives and words will evoke recognition in every department of human thinking.

The foregoing is based on excerpts from Alice A. Bailey's writings. Be sure to read her timely book, *Reappearance of the Christ*, for your own complete picture of what Christ's coming will mean ... a Chimes book selection.

WHEN YOU KNOW IT . . . YOU KNOW IT!

WHAT IS FAITH? Faith is knowing that what you have asked for is already granted. You know it! The having of it is just as real to you as the holding of something in your hand at that moment. There is a knowing and a feeling that the thing is done; so much so that no power on earth could sway you or change your opinion. There is nothing left but the manifestation of it and many times that takes place immediately when that feeling of knowing takes place. Once you have asked, and that strong knowingness possesses you — that is faith, and you cannot help recognizing it.

Divine love purifies the air we breathe, and blesses the earth with the proper amount of moisture and sunshine. Order, harmony, and safe conditions are established.

ALL FOLLOW INTO THE LIGHT

All children of Earth heed this decree and invocation: awaken to your I Am consciousness now. Until this is made, spoken and accepted by all on Earth, we are not free to move forward completely into the spiritual dimension.

Those awakened thus far bring this into focus and repeat it in our thoughts and hearts daily: all children of Earth awaken to our Father-Mother Creator as products of that Creator. This is the mission of all light workers now.

It is not an impossible task. It is not far off. All have been indoctrinated in this concept and have accepted it on one dimension or another, in one lifetime or another. Reawaken your subconscious memory and desire to repeat and to strengthen and to hold on to these ideals and efforts.

Accept this proclamation. Think on it daily. Thus our lights shall shine upon Earth and create the aura and energy to bring new frequencies by which each one is transmuted from mortal into immortal consciousness. It can be demonstrated on Earth in the next thirty years.

Nothing else is more important than this. All works, all ideas, all efforts have this single purpose. This is the core of the latter days. Whatever else you are dedicated to in this life, whatever area of service you perform, you still should participate in this daily decree and invocation.

Decree, see and work for: all children upon Earth to accept and to know they are part of God, the Father-Mother Creator; in that creation, they have the responsibility and the

function to perform as sons of God, equals one to another and free in this function as children of the light, spiritual beings with higher Self talents and functions.

If this is done without fail, all shall be completed as prophesied for this planet by the end of this century. But if any flag in this devotion and dedication, the task will be difficult and heavy-burdened on the others who must carry it alone. For as each one fails to do his share, all the rest must pick up and carry it forth.

You have been alerted, you have been trained, you have been shown the light within. You have experienced the upliftment of this spiritual light. Therefore spread your light and let it shine from you for all the rest of mankind now and daily.

TRANSFORMATION INTO LIGHT

All light workers upon the Earth simultaneously will stretch out their light bodies or I Am consciousnesses to touch all who exist in physical form at this time. Together we will call for the transformation of all that expresses in a physical-mortal way to become aware of the spiritual-immortal Self.

Our form is to change from physical into spiritual. Our form is to change from flesh into light. Our powers are to become limitless. Welcome these changes or transformations.

We must change our thoughts and our emotional-subconscious records. Exchange for these: spiritual knowledge and understanding, love and purpose. Become spirit in form. Experience this. Express this.

As we eliminate and deny the physical, we affirm and accept the spiritual. We become light. We shed light. Through our mental, physical and spiritual broadcasts, we enlighten all on the Earth planet at this time.

We willingly accept life on the physical in this dark place in order to demonstrate this light, this exchange of mortal into immortal; and to perform this function for others.

Each one in his own place will perform his own personal, unique service and mission to the utmost and fullest capacity of which he is capable. He will shed his light and broadcast this truth to the ones who are closest to him. If not possible to do so in a physical way, then in a mental and spiritual way.

This is our function, our purpose and our immediate goal. No one is exempted and no one can be given any time off. Let us move together on this new path and prepare for this new era of light and truth and love.

The form that is to come already is manifested. The light that is to come to the minds and hearts of all mankind already is within. We need but rekindle that memory and the desire for it. This can be done in every way that is at our command.

Since we are of light, we can command the light to operate in us and with us and for us. Since light is for good, it can harm nothing. Though you see what is termed destruction, disharmony and upheaval, if it be for the coming light and the expression of the light form then it is of good.

Nothing changes, merely transforms. So that, in the sense of destruction or elimination of that which is of the negative and the denial principle, is for the higher good in the expression of light and truth.

The light workers on Earth shall form a focus and be a beacon unto all men and all forms of life on the planet Earth, showing the new way of the new path toward the New Age.

ESP Brings Luck

Is there any connection between luck and ESP? According to a quote in the *Psychic News* from Dr. J. B. Rhine, there is. Luck does not just happen, according to Dr. Rhine, it depends on whether you are clairvoyant, telepathic, or if you have the ability to demonstrate mind over matter (psychokinesis). Rhine says, "These are the real influences behind luck, and quite obviously, they are as puzzling as luck itself. But they are all scientific fact ... There's no denying many people are telepathic and clairvoyant, and others are unaccountably gifted with the ability to influence good fortune by deep concentration."

Be Glad to Give!

Be glad to give, knowing that nothing can be taken away from you, says Cornelia Addington, Editor of *Abundant Living* magazine. You live out of consciousness and your security is of God, and He will never, never fail you. The Infinite has more where this came from, and as you give gladly, you will increase your consciousness of abundance and you will prosper and grow in Grace.

Our Animal Friends

No love, ever, is wasted or given in vain, lost, as if it had never been. Somewhere, in ways not now clear to us, the link between us and our beloved animal friends will be renewed since death cannot extinguish the tremendous force of love. We humans every day are given such love in unquestioning and wonderful devotion by those we call our animal friends.

Develop Your Psychic Nature

There are among you those schools of thought and superior teachers who insist that the psychic realms are to be stomped out of your own feeling nature. If this were so a good part of your own instinctive knowledge and your own integrated body consciousness would be destroyed...

Therefore it is with serious intent that I beg all who search for wider horizons and greater expansion in new, unbounded areas to seek and to know and to discern that which is good in this realm which you call psychic phenomena. Notice I have asked that you seek that which is good, for much is bad. But there is bad in the physical as well as there is the good. Would you deny all physical expression because some of it is for negation or harm in your evolverment?

IMPRESSIONS OF A SOUL AFTER DEATH

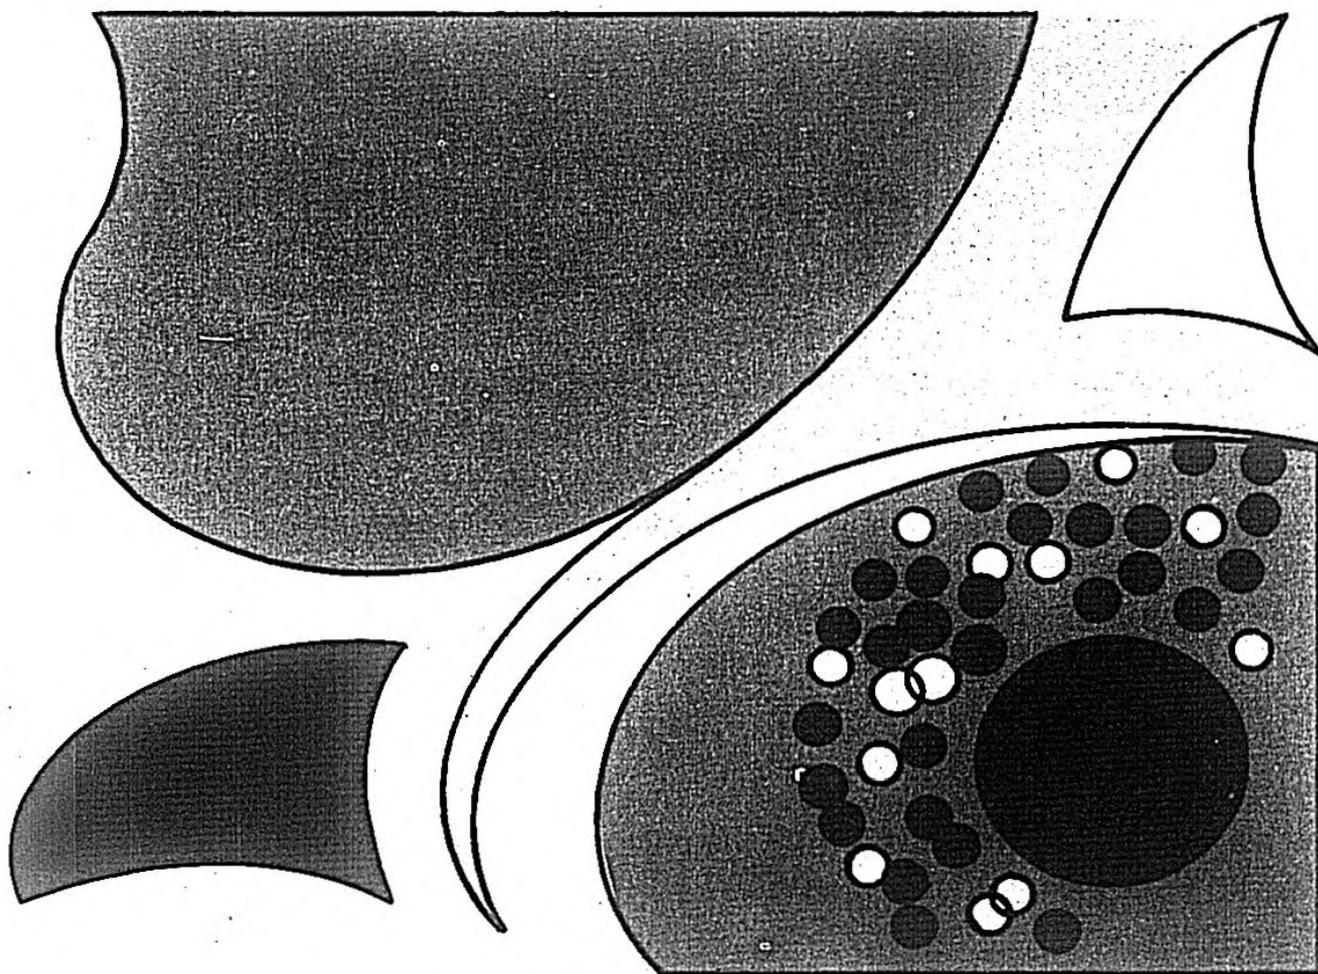

What is it like . . . BREAKING THROUGH THE VEIL?

PART 1

My first clear impression was that I was in a world which interpenetrated the Earth World. It fitted in the "chinks", as it were ... into the spaces between the atoms which constitute the Earth world. After a while I found I had the power to go wherever I wanted to go by THINKING myself there. Excepting at rare intervals, I was consciously conscious of a Presence with me, not to guide, but rather to guard that I did not go "too far", just as a parent hovers near a child which is learning to walk.

I was very much alive, much more "alive" than I had ever felt on Earth. There was an alertness, a swiftness of mind, a joy, a resiliency that I had never experienced on Earth. As I write, comes the Inner admonition: "It is not always wise to tell too much about the 'next state'. The minds of human beings must be kept centered in planet Earth, for there they learn the needed lessons which later will entitle them to know and to experience what you have known and experienced."

Because of the experiences I have undergone, I feel I have more KNOWLEDGE of what Life actually is. Because of this, I cannot feel in my heart fear of any human idea, but a deep respect for the Divine. I know that the Divine is much more powerful and can always act at the right moment when applied with KNOWLEDGE. Knowledge is "wisdom born of experience."

I have learned that the point that you have reached in your understanding on Earth determines the point where you will emerge into the "next state." There are various levels of Consciousness, and there are Souls "tied" to, temporarily fastened in the substance of these various levels of Consciousness. Nothing, however, can "tie" a Soul to any particular lower level of Consciousness, excepting his lack of understanding. There seemed to be dark-grey, misty levels of Consciousness through which I passed (the Astral Plane) and some of these held very unpleasant experiences. I quickly passed through them, learning from them, and then entered lighter planes where my Divine Instruction went on.

Because I was destined to come back to Earth to teach with knowledge, and with authority, I knew I had to know all levels -- that which the orthodox churches call hell and heaven, and also the in-between states. In none of my travels in the Inner World did I see actual burning flames of Hell-fire. I was, however, conscious that in the Soul minds of those in the darker planes, intense suffering went on just before they began to see the Light and to struggle into the Light.

I was also taken (it seemed more like a "fall", a drop in Consciousness) to a very dark place. My eyes could see NOTHING at all, but I had the impression that it was a region interpenetrating the bowels of the Earth. I was told that to remain in such a place was a "hell" experience, yet some Souls went there because they had not learned any better. They did not know any better because their

consciousness was not yet opened to the Light planes of Consciousness. (They were still really "Souls in embryo", not yet unfolded to the Inner Light of God).

It seems that the Unquenchable Light of God is discoverable in one place (and one place only), and that is WITHIN, in the HIGHEST REALM WITHIN the Consciousness of a Soul. It also seems that a "kindling" process is necessary before this Light within can flare up revealing to the Soul the God within. As you know, this "kindling" is done first through contact with an outer medium which bears Light — a book, a talk, a word, or even a look, a silence which originates from a Light conscious source. *Such "Light", however, can be lighted only in those Souls which have developed to the point of awakening.*

I was made aware of the fact that rays of light constantly are emanating from the Illumined on the various planes of expression. This adds to the EXPRESSED or outpictured light-content of this world with its surrounding and interpenetrating planes. It was made clear to me that the Light ALWAYS IS, ALWAYS WAS, AND ALWAYS HAS BEEN WITHIN, but that it comes into expressed being only as MAN develops to the point of expressing it in his daily life, in the Earth world, and later in the "next states" which interpenetrate and surround the Earth world. Infinite "God" continues to shine in Its full Light from a "throne" concealed deep within the innermost layer of Consciousness in the heart of every living Soul. But only with evolution, which causes the dropping away of the dense, concealing outer layers, does this Light break through so that God is seen visibly shining in and through a Soul. After death the Soul naturally gravitates to that layer of consciousness which is in texture and density most like its present unfolded nature.

In the "next states" we are mind-beings, and yet we are Conscious of existence, conscious of a form when a form is needed, and unconscious of it when it is not needed. This is somewhat like our everyday consciousness now. When we need to work, we look down and see that we have hands and feet. When we need to think, we are conscious of having a head and brains. But when we need to sleep and rest, we lie down and become unconscious of physical form. Yet in the sleep-worlds we are conscious of form when our particular dream experience necessitates that we have a form. Otherwise we just remain present in Consciousness, observing the panorama of our dreams, but unconscious of any particular form, merely conscious of consciousness, and therefore aware of certain happenings. Since this was my impression of myself in this "after-death" state, I venture to assume that it is also the experience of other Souls.

The foregoing article is based on inner teachings given by the White Brotherhood, a description of which appears on page X of this issue.

SPIRITUAL MIND TREATMENTS

Every problem known to man has an answer. Concealed within each problem is an opportunity for spiritual growth resulting in greater understanding. The problem veils some hidden Truth that eventually must be understood. Once this Truth is discovered, it is as if a door is opened from within through which the student steps into a new and larger room.

These handy Spiritual Mind Treatments by Jack and Cornelia Addington are specific Truth for specific needs. Each treatment can open a door of healing for someone ... for you or someone you know. Read these Spiritual Mind Treatments over several times slowly, meditate on them until you can assimilate them. Make them your own. In the Silence that follows the Spirit of Truth will seem to speak to you.

(Editor's Note: Words, of themselves, often are empty, meaningless symbols. Their greatest value lies in the understanding they bring to the reader, the deep feeling they convey to the heart. Any prayer or meditation repeated over and over without meaning is an empty talisman, as superstitious a pastime as the wearing of a primitive charm. It is the "praying aright" that counts ... the prayer that always is answered.)

My Abundance Grows and Bears Fruit

My word for good renders successful everything that I undertake. When I expect success I find success. My feeling of inner wealth neutralizes any suggestion of lack that may appear on the outside. God's abundance is my abundance. It flows through Mind into manifestation. I know that God gives me the necessary ideas and clothes them with all that is needed to bring them into form. I cease struggling with outside conditions and turn to the Infinite Source within. The floodgates are now opened and good is poured forth into my experience. I think abundance. I speak abundance. I dare to give freely and receive freely. I cannot outgive God.

I declare with utmost assurance:

My every act produces abundance. I dare to give freely knowing that I cannot outgive God. As I think abundance, I demonstrate abundance to the glory of God Who lives and expresses through me. My business is God's business and God's business is good. So be it ... and it is

The foregoing is based on a new Chimes book by Jack and Cornelia Addington, Your Needs Met, a dandy help-mate perfectly suited to resolving your daily problems.

What is the Mystery of Communion ?

by Gertrude Matthews

The taking of the Sacrament of Holy Communion always has represented a mystery to me ... and it is. The eating of the body of Christ, the drinking of the blood of Christ has seemed barbaric and revolting to me. Then the thought came one morning ... it is symbolic of partaking of the nature of the Christ. The nature of Christ being taken by us makes His nature a part of our nature. Then we become more Christ-like. We become kinder, because He is all kindness.

We become more loving because He is all love.

We become more compassionate because He is all compassion.

We become more radiant because He is all radiance.

We become purified because He is all purity.

So now the Sacrament of Holy Communion has been clarified to me. The symbolic act of the taking of the body and blood for the Christ has become very meaningful to me.

Also this has clarified my conception of the statement that "*Christ must be born in you and in me*". This means the nature of the Christ, the attributes of the Christ.

For unless these are "born" in us, we can read all about Jesus, or Buddha, or any one of the other Holy Saviors or Prophets that have been born into the world, but the reading does us no good. We can go to church and talk about them, but the talking does us no good. We must act and become and BE like them. This means that we learn to think rightly, we learn to love in a Universal manner, and we act with love.

When Christ is born in you and in me, then indeed Christ is born! Then Christ will grow to manhood, and then Christ will glorify our works. For to KNOW and to DO are two different facts.

Let us be DO-ERS of His Will. God has work for each one of us. Let us be about our Father's business, even as Jesus was, and is, about our Father's business. That should keep us busy for quite a while.

by Glenn Clairmonte

When I was engaged to write the life story of John Sutter on whose property the 1848 California Gold Rush originated, I traced everything recorded about him and realized that his actions had deeper reason than he knew. Although he was a young German Swiss of mediocre antecedents and no education, on sudden impulse he left his wife and children whom he loved and with great difficulty worked his way across France as though driven by an invisible force.

Only his brawn enabled him to secure a painful passage on a sailing vessel to America. Then in a blind fury he managed to cross the United States as far as the Santa Fe trail. Here he worked at a more or less remunerative job trading with the Indians and learning how to make friends with them.

The almost demonic necessity to travel further west soon catapulted him across the Rocky Mountains and into the unexplored Northwest range. Every mile was bitter and unrewarding, but apparently he had no power to pause. He kept saying that he had to get to California, to the dismay of many who offered him inducements to remain in various settlements where creature comforts were available. He forged ahead against the advice of seasoned scouts and pioneers, always without obvious motivation.

BOOK TALK

PROPHECY always is a fascinating subject to any of us. A good many don't want to believe it, some just can't, others are afraid to, a few will swallow anything, and a large number is somewhere in between . . . waiting to be shown. Unfortunately so much of prophecy, for individuals as well as nations or groups, winds up being on the negative vibration. It's astounding, yes, and dramatic, gives one a lot to talk about, but what good does it accomplish in the long run? A good many prophets have contended that advance information given out is to help dissuade people from continuing their evil or downhill ways in the hope that they will change for the better. But, alas, men seem to prefer being executed or going to their doom in one way or another than to change their ways or their thinking. A few here and there are able to do it before they hit bottom, but over the millions of years of man's spiritual evolution, judging from the affairs of our world today, not enough of them have done it. So we come to the question . . . is it possible that in the age ahead — one predicted to be a "psychic age" — the drastic lessons man will be forced to learn in order to survive will bring about a reversal of this trend? Gordon Collier has attempted to answer this question in his book (one that has seen many editions because of popular interest and demand), "Will You Be Alive in 1985?" According to the Teleois of Melchi of Salem, of the Order of the MelchiZedek . . . *"When the War of the Conflict of Giants shall merge into the War of the Gehenna of Exhaustion — on that day, shall nations of earth be reborn to a new age; and thou shall have peace on earth."* It is clear, then, that there can be survival and peace on earth only if the nations desire it and will settle for no less than the brotherhood of man. The Teleois prophecies, just one to which the author refers in his book, are a mysterious series of numbers and proportions found in musical scales, distances of planets from the sun, designs of snowflakes, etc., incorporated in the key temples of Palestine, Tibet, China, Mayaland, and the eastern Andes built thousands of years ago. In the Pyramid of Gizeh of Egypt the Teleois prophecies dominate and have been exceedingly accurate. A series of articles on the inscrutable Sphinx and the mysterious Pyramid will begin shortly in Chimes. As you will learn later, the Great Pyramid holds the answer to man's future. Til soon again . . .

troublesome years ahead?*

Again Gordon Collier's thriller in a new edition gives us something to think about. Reading the prophecies in the world's ancient temples, those of the Great Pyramid of Gizeh, as well as many of the world's most famed prophets we begin to see what is facing us in the few years that remain in this century. THE BOOKS OF

Lobsang Rampa

Famous Author and Tibetan Lama....

• **THIRD EYE, The**

1st of the Rampa series of books, and the most famous, it is truly immensely readable and thought provoking, containing highly controversial assertions as to how this mystic came to take on the body of a Tibetan lama in order to do his particular work on Earth.

• **DOCTOR FROM LHASA**

This is the saga of how Rampa proved that mortal man can discipline his mind and body to survive starvation and torture, yet evolve to ever higher states of consciousness.

• **RAMPA STORY, The**

A fascinating account of other aspects of this mystic author's strange life, and a look at the unusual spiritual gifts with which he is endowed and how they are put to use for good.

• **CAVE OF THE ANCIENTS, The**

Rampa's unequalled story revealing his experiences while undergoing spiritual-mystic training at the great lamaseries of Tibet. An eye-opener you will not soon forget!

• **YOU – FOREVER**

This book amounts to a special course in psychic unfoldment, as well as in metaphysics, written in the ABC's of English which you can put to work instantly. Excerpts from this book have appeared often in Chimes articles.

• **WISDOM OF THE ANCIENTS**

This is a book of special knowledge containing many special sections valuable for psychic unfoldment training, plus many breathing exercises and special diets.

• **SAFFRON ROBE, The**

In this account is the incredible personal story of this unusual author's boyhood at the great Lamasery at Potala, Tibet, and how — while there — he acquired the foundation for becoming a renowned mystic-seer-teacher.

• **LIVING WITH THE LAMA**

More details of Rampa's extraordinary existence — this time from a different angle — how his "cat" sees such goings-on. An unusual outlook on this plane as well as others.

• **CHAPTERS OF LIFE**

9th of the series in which Rampa gives the story of the "Coming World Leader" and what it will mean to all of Earth. Included also are instructions on how to meditate and go into trance, answers on whether astral travel is meant for YOU, and prophecies concerning happenings that will dramatically affect the destiny of all nations.

• **BEYOND THE TENTH**

10th in the Rampa series in which he mystically explores the spiritual potential in every human being, with advice and teachings on the care of man's physical, astral and spiritual forms.

• **FEEDING THE FLAME**

11th in the series in which Rampa is concerned mainly with answering some of the many questions from readers on a wide range of subjects relating to the occult.

• **HERMIT, The**

Here we have the 12th book in the Rampa series wherein a young monk goes to the cave of a blind hermit to learn something of his wisdom and of visitors from other planets.

DIVINE HEALING

by Dr. Basil Mills and the late Dr. Reginald Mills, famous father and son team from London, England.

See this inherited God-given gift at work. Your weak faith is no barrier to this wonderful healing power. Dr. Basil Mills is continuing the absent healing sessions formerly held in Hollywood, California, by his late father, Dr. Reginald Mills, and himself.

The healing power is now stronger than ever, as Dr. Reginald Mills is assisting his son from "the other side." Over 80% of those seeking healing have been successfully treated.

• LOVE OFFERING •

DR. BASIL MILLS

90 Roseford Road

Cambridge, England

The late Dr. Reginald Mills

... Do you think it strange that Mary, the mother of Jesus, should teach the return of Souls to this world?

... Do you know that some books of the New Testament represent this teaching as the current belief of the day in Palestine in the time of Jesus — a belief uttered by Him, Herod, and the common people?

... Before she made her ascension at 83, are you aware that Mary taught the Disciples that man is to learn who he has been, individually and as a race, what his present status is, and where he can go from this point?

... Have you ever thought of Mary as a medium in that lifetime as Jesus' mother — which she was as she communicated with, traveled to, and saw into the higher dimensions?

Second Book of Acts

discovered and translated by Kenneth Sylvan Guthrie provides these answers.

Here you will learn of the six concurrent lives of Mary and Jesus and how they are to lead man on Earth into the federation of planets of this System by the year 2000 A.D.

When Soul-Mates Unite

by Edward W. Koch

PART 1

LITTLE is known actually about Soul-Mates, although much incorrect information has been written which tends to cloud the subject.

Soul-Mates often have been referred to as 'Guardian Angels' by some, while others believe this bond exists in Earth life with 'Mates' living at the same time, although separated.

There is a broader view than these explanations, however. We should understand, first of all, the difference between a Soul, or Spirit, and the physical body it occupies, as well as its stages of development. To begin with, let us use the word 'Soul' instead of 'Spirit'. When a Soul was created, it was created as a whole, with the positive and the negative as a complete unit. When the Soul journeys to Earth to acquire discernment in an incarnation, only half, or one of the forces, takes on physical embodiment. If the positive half incarnates, then the physical body develops as a male, likewise the negative force develops as a female.

The incarnating half encounters many oppositions on Earth and suffers countless trials and tribulations — all necessary for the unfoldment of Soul perfection. The other half remains on the etheric side of life to guide and counsel ... the extent of this counsel being dependent upon the receptivity of the Mate in physical embodiment. Both Soul-Mates, however, suffer or enjoy the same experiences — one in Spirit, and the other in the flesh.

There is also the teaching by Earthbound spirits (those in the astral realm not entirely free from Earth conditions) ... a teaching open to question ... holding to the theory that people on Earth may locate their Soul-Mates while both presumably are living in the flesh on Earth.

The explanation to be found here regarding Soul-Mates is derived from personal findings that cover a period of over fifty years of diligent search for occult truths, utilizing many different talents and manifestations of mediumship. One thing I have learned is that we on Earth, as a rule, are not given pure facts as they actually exist. If we were, we would not be able to understand them. We are given that teaching which we can accept and understand. Man experiences Earth life in order to develop the Soul in *discernment*, to know truth from falsehood. We are therefore not given the full answer to all Earth's problems and, in this way, we grow in understanding.

My first introduction to a spiritual contact — aside from personal intuition — was a symbolic message I received through automatic writing by an old trusted medium. This message came, I was told, from my Soul-Mate. It was a convincing message, one that allowed for no doubt or skepticism on my part. My experience, as far as I have gone, teaches me that when the Mate completes its incarnation on Earth, it will meet and recognize the Soul-Mate awaiting the conjunction, although the complete union of Soul-Mates does not take place until all dross accumulated during Earth life has been removed. This process of *scrubbing-up* the Soul, a form of Purgatory, is still a part of Earth's lessons. The cleansing can start while the Mate is still in the flesh and need not be delayed until after the transition. After this *scrubbing-up* period has been completed, the Mates become equal in vibration and may then unite as one complete Soul. At this stage the Soul will have acquired the experience of both Mates with increased force and added spiritual development.

It is my understanding that the Soul-Mate remaining on the etheric side of life retains knowledge of the past experience of the Soul, whereas the Mate incarnating on Earth is deprived of this knowledge. If this were not so, the Earth Mate would not be able to receive the full benefit of an Earth incarnation, for such knowledge could jeopardize the entire purpose of entering into physical embodiment.

The visible manifestation of a Soul-Mate and what true Soul-Mate recognition feels like will be described by Mr. Koch in the succeeding issue.

The following are communications received by the author through inspiration from the Spirit entity she has reason to believe was the famous clairvoyant-healer, Edgar Cayce. The inner discrimination of each reader will be the guide as to the ring of truth these words convey.

“A Drop

“THE RENAISSANCE”

CHAPTER 7

Deeply and firmly ingrained within each incarnated soul is the drive to seek, and to succeed. This inherent trait is more easily seen if the full measure of your awareness of spiritual knowledge is put forth in this direction. Every individual soul knows that for which he is striving, if even on a sub-conscious level. The area of his search will vary in accordance with the lessons to be learned in that life; so too, will the outward manifestations of success be variable, true success being weighed only with the balances of spiritual insight. Whether or not one has overcome, and learned, cannot be viewed nor measured by the worldly standards of success and failure.

Herein lies a most grievous and common mortal failing — using physical eyes and earthly understanding to judge another! With this false standard, men seek men of worldly wisdom, men who ‘are successful’, well known, and materially blessed: their word carries great weight, their every act is known and plauded; and their ways are mimicked by many trying to duplicate their success. Meanwhile, the ones who are spiritually blessed, who have great wisdom from God, whose lives are truly successful, go unrecognized and unknown by man. The world will never realize the vast number of oil wells that lie untapped, nor pan the true gold that lies hidden in these mines of God!

The world, in its infancy of understanding and knowledge of itself, is just beginning to enter into a renaissance of Truth and thought. This is not the first: earth history records several eras of spiritual awakening, great surges of re-birth within the hearts and lives of many. These have in every case served to better mankind, and further his general progression, both spiritually and physically.

The present renaissance, however, is set to be a little different. Like those before, its birth has taken place in a hardened and sophisticated civilization, fed and brought up on the tenets of material standards, sterile science, and ‘free’ thought. In amongst this swirling mass of darkness, there have been, and will be, lights turned — little fingers of Truth

reaching out, and holding hands with any who are groping for light. The power of one candle is small, but joined together with many, its strength and brilliance can penetrate the darkness of even the deepest pit!

With some knowledge of past history, it can be seen that on the surface, the setting now is not much different than in other epochs of re-birth – excepting the age now being a little more increased with evil than in times past.

The difference lies in another direction – its outcome to be the most widely felt ever to be on the planet Earth: vast areas of familiar geography will be altered; superiority and world rule will shift, and shift again; life on earth will seem to be upside down; and while the masses of people will be led into oppression, at the same time they will be liberated!

For the first time since Christ walked on that earthly soil, Truth and Light will be forthcoming in great abundance. The beginning of this awakening can be seen now, in the renewed interest and search into the unknown realm of psychism. This important spiritual and intellectual venture is keyed to usher in the alliance and coalition of basic Christ oriented religion, with the manifestation of super-normal spiritual experiences. This allegiance will repair the breach in the foundation of our Christian heritage and doctrine, showing once again, the fullness of God's Gospel.

For the furtherance of this world renaissance, and in compliance of our Father's holy will, many are being sent to supply the impetus for this giant movement in the history of mankind.

Their candles are lit, and the time is set!

Don't look for this reformation to take place overnight: you are witnessing but the beginning. Like a woman giving birth, there must be a time of much pain and change, before the newness of life can emerge.

This coming era will not result in the personal renaissance of every abiding soul – “many are called, but few are chosen” – but will greatly accelerate the process whereby many are to become perfected.

Time *is* short: for some, time is already past, for others it yet remains for their development within the whole church.

... as told to Cherie L. Silva

Those of you who have been awakened in any degree, must accept the privilege, the responsibility, of helping; the type of aid you give, and the area in which you serve, will be directed by the Holy Spirit, and will be individual; however, there is one way of service in which all shall be, or should be united, and that is prayer. Fervent and faithful prayer for the fruitful watering of every soul during the coming rains.

There are in my writings references to this period of awakening, just as there are and will be in any true work stemming from the spirit of Truth. Listen to the prophets sent you by God — heed their warnings, follow their teachings! I do not feel compelled to include here the usual warnings concerning establishing the validity of prophets (teachers) of God — for any who have continued thus far in reading will have this knowledge within. Suffice to say “By their fruit ye shall know them”. Put together the words and the events foretold by these chosen ones of God, and profit by them. In so doing you will find a greater answer to the whole, rather than a part answer, or, a rain drop! The one through whom this book is being delivered has been given several prophecies concerning this and the times to come — read them. Add to these the revelations to Jeane Dixon, Mark-Age, and those recorded by me — here you have the ingredients for the meal now being prepared and served. There are others also who will contribute to the recipe — you will know them, God will lead your heart.

As Christ said regarding the fig tree, “Now learn a parable of the fig tree. When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh.” (Matt. 24:32) So too now, the tree is heavy with fruit!

In the beginning of this chapter I mentioned the seeking within of every child of God — all in differing grades of this spiritual school, but all, nonetheless, seeking for that knowledge and wisdom which is from Above. This renaissance is to be a tool by which all can be advanced into higher levels more expediently, thus hastening the time for each. All who take part in this, either as a teacher or pupil, have been incarnated just for this preparation and purpose.

Each renaissance has provided the remaining credits necessary for the graduation of the students present and ready at that time, in the flesh. So now, there are, and will be arriving many who have reached this point of time in their spiritual ascendancy — these will be graduated into the Eternal Home prepared for them by God, never to return to earth again. Others, not yet finished with their schooling, will be immeasurably progressed toward their final goal. And still others who have been going out as teachers and helpers for the Father of all Light, will once again take up their earthly duties to help show the way.

The ingredients have been thoroughly measured and blended, the feast is in the oven — and may God bless the partaking!

Your Spiritual Powers

Concerning SOUL TRAVEL

There has been a great deal written and said recently about soul travel. While actual soul travel may be possible, it is not necessary. When one becomes conscious on the soul level, travel is no longer a factor. What is usually referred to as "soul travel" is really astral projection or travel in the astral body. We all travel in our astral bodies when we sleep, but very seldom remember it. It is possible to bring back recollections of these voyages and even to take them at will if we are willing to train ourselves.

Here are some suggestions which will enable you to accomplish astral projection. Remember, every human being is different from every other. What one finds easy another cannot do at all. A technique which works for one may not help another, and vice versa. So I am giving here several different methods of training. Try them all and pursue the one which you find best.

The physical method: Success is here achieved by establishing a habit pattern of physical action. This is what should be done.

1. Find a place of solitude and relative quiet.
2. Sit erect in a chair with arms and a high back, or lie in bed, preferably the latter.
3. Select a place outside of the room in which you are sitting or lying. Then actually get up and go to that place. It should not be distant. The

Lesson Nine

LOVE and COMPANIONSHIP

We have had some very serious and fundamental lessons in this study course so far. Now, we take up a perhaps more lively and interesting subject — love and companionship.

There is a deep hunger within every human breast, and that hunger is for a mate, a companion who understands, someone who will inspire to greater things. "Male and female" created He them, says the Bible. And into the heart of each he implanted the urge to seek the mate, that other half without which the whole is not complete. So man seeks — and woman too. She meets someone. Something within her is attracted. Love is such a subtle thing; it is difficult to tell why an attraction comes. When we analyze the beautiful emotion Love, we find the attraction is there because that person who attracts you has something, it may be just some one thing, which you lack and need in your soul growth. In that statement you may be able to see also the reason why love affairs wane and die. When you have absorbed that which the other person has for you, and this other person has not had the intelligence or forethought to build something new into his character with which to hold you, then of itself the attraction ceases. In a sense, human beings live on one another. They absorb thoughts and ideas from one another. When they have drained the other dry, or, as we say, when the other one no longer "holds any interest," then he is dropped, first from the thoughts and then from their life. This sounds cruel, yet it is life.

If your eyes are open you should be able to see from this statement that in order to retain and further cement friendships or love, you must continue to grow so as to become more interesting by taking in new ideas and thoughts, or by further developing and expanding your fine old ones. This effort will keep you eternally young and fresh in mind and body, and of constant interest to those in whom you are interested.

Many young girls (and the older ones, too) are interested in knowing how to attract a companion or a possible husband.

There is nothing wrong about endeavouring to attract a mate — that other half of one. However as you grow in understanding you know that *you* must first become more perfect yourself, before you can expect to attract a mate who is the perfect whole that your heart desires.

The following Prayer Technique has helped many to concentrate on what they really, after deep thought, felt they wanted.

DECIDE WHAT YOU WANT

Have a mental picture of what you desire your mate or companion to be. By this I do not mean so much a physical picture as a mental and spiritual picture. You have seen couples who did not harmonize in physical

appearance, and yet who seemed supremely happy. Their mating was of a higher order than just the physical — they were mental and spiritual mates.

In deciding what you want, enumerate the qualities you want him (or her) to possess. If you need help on this, take your Emotion Chart, go over the positive emotions, make a list of those that it seems to you are absolutely essential for your mate to have.

Then decide what it is you like to do best in the way of sports and entertainment. Add those to this “dream-mate’s” make-up — perhaps hiking in the woods, riding, golfing. Endeavour to find a recreation that a man could have in common with a woman.

Then give a little thought to the physical outside. Although strange to say, when LOVE really comes, this does not matter so much.

Now, comes *your* part of the future bargain. Decide *what* you have to give in attainments which could make a man happy. If you are a good cook, or have a desire in that direction, you would find happiness with a different type of man than would a girl who could do nothing but wear clothes well and be a good advertisement of prosperity for her husband.

This is all to be done with pencil and paper, as you are to keep this list for future reference.

Now, enumerate your fetiches. By fetiches are meant that which has attracted you to a man in the past. In your dream-man you will find at least two or more of these fetiches. For example, you may have a particular attraction to brown eyes because your first sweetheart had them. Some women are greatly attracted to a man with grey hair, or perhaps one that crinkles up the corners of his eyes when he laughs. We love for such strange reasons sometimes. You may have a certain fetich because someone in the past who had that outstanding peculiarity or mannerism was particularly nice to you.

Write It Down

Describe him (or her) to yourself, as you would a dress or a house or an automobile that you very much wanted to acquire.

Still The Mind

A definite impression must be recorded in your subconscious of the fact that you really want a mate, and the kind of a mate you think you would be happiest with. Make your mind very quiet before you pray. Pray about this at least once a day, until such time as you feel certain you have impressed the idea in your subconscious storehouse or attracting phase of mind. It may take a week of analysis before you are certain that you *really* want what you thought you wanted. If a sense of Inner Peace does not come at the contemplation of your idea you need to search your soul for further ideas and ideals. This is a serious decision — this selecting of a companion in this scientific manner, but the result is infinitely worth while.

These lessons are preliminary to the advanced series of “Inner Teachings” offered by Chimes entitled “Light on the Science of Living.” For more information, see Pg. X.

WORTHY WORDS

Henry Ward Beecher

There are persons so radiant, so genial, so kind, so pleasure-bearing that you instinctively feel in their presence that they do you good, whose coming into a room is like the bringing of a lamp there.

David N. Bubar

Dr. J. B. Rhine is given credit of utilizing the name ESP (Extra Sensory Perception), but those in the area of psychic exploration know this is an incorrect label since there is nothing "extra" about perception. Those who have limited perception in one area may have an abundance of it in another. It has been like saying "there is a forest, and in that forest are many kinds of trees". This is the way it is with the psychic. Within the realm of the psychic are many types of psychic activity.

— From *Psychic Adventurer* monthly newspaper

Carroll Righter

California doomed? Falling off into the ocean? "PHOOEY! What utter nonsense," proclaims Carroll Righter, world famous astrologer. "I got so tired of people calling me on the phone from all parts of the country to warn me of California's end due in April, or some such equal nonsense. I just told them I was here, wasn't I? and to call me back after April, cause I would still be here."

— From *Rising Sun* monthly newspaper

Irving F. Laucks

Curiosity is a strong trait of man's mentality which has so much still to learn. He knows today as little about the reality of the universe as an amoeba knows about today's culture. A soul-directed leader then has a wonderfully interesting future opportunity once he realizes that this earthly existence, temporarily tied to a body composed of matter, is merely a preliminary to the real existence.

— From *The Cooperator*, ICC bi-monthly

White Eagle

Everyone in this day and age can join actively in the fight against pollution, not only outwardly but on the inner planes of life. Legislation would become unnecessary if everyone would do his own small part. The first priority is to help purify the thought atmosphere of the world by entertaining only positive, creative, good or God-thoughts and sending out the pure Christ Light into the world. The second essential is to purify one's own physical body, not indulging it, but eating and living wisely, and abiding by the law of love in one's daily life.

Sermonette

RESURRECT THE PRESENCE OF GOD IN YOUR CHILD

†††

*By Dr. Joseph Murphy
Beverly Hills, California*

True religion shows its influence in every part of your child's conduct. It is like the sap of a living tree which penetrates the most distant boughs.

Some parents say, "We don't teach our child any religion." You don't have to inculcate into the cranium of a child *any* creed, dogma, or the religious persuasion of any church group.

Religion means your relationship with the Life-Principle ... and God is the Life-Principle within your child. *Teach your child about the indwelling Presence of God.* Instruct him that his thought is creative, that what he feels he attracts, and that what he imagines he becomes. Impress on his receptive mind the value of honesty, justice, responsibility, courage, determination, and respect for the Infinite Intelligence within him which knows all things. When he is seven years old, begin to teach him some degree of self-reliance, his duty to others, and respect for authority.

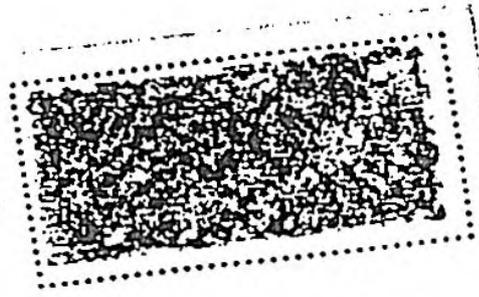

Teach him that he is here on Earth to GIVE to the world and to humanity, and that he was born to succeed and to triumph over all obstacles.

Be sure to drill into his mind that it is his Divine right to be healthy, happy, joyous, and free. Teach him to call on God, the Higher Power within him, and that he contacts this Power through his thought.

Above all, be a shining example to your child, and teach him that with God all things are possible!

Dr. Murphy long has been a teacher of the scientific way to tap the realm of Infinite Power within that helps to solve all problems and overcome all troubles in life. His book, *The Amazing Laws of Cosmic Mind Power*, is just one of his many writings that demonstrates this — available, of course, from Chimes.

Letters to the Editor

ALWAYS ROOM FOR A HELPING HAND – Recently I was reading some back issues of your magazine and I was reminded of the article that changed not only my own but the life of a close friend. I thought you might be interested in what happened.

One afternoon I was visiting a friend at his home and just before I left he handed me the August 1971 issue of Chimes. He told me to get out of it what I could and return it to him. I opened up the magazine and read the article by Le Roy Weiss entitled "God Power Is Real". The reason I had been at my friend's house was to offer to help him with his stuttering which (I felt) was a direct result of alcohol.

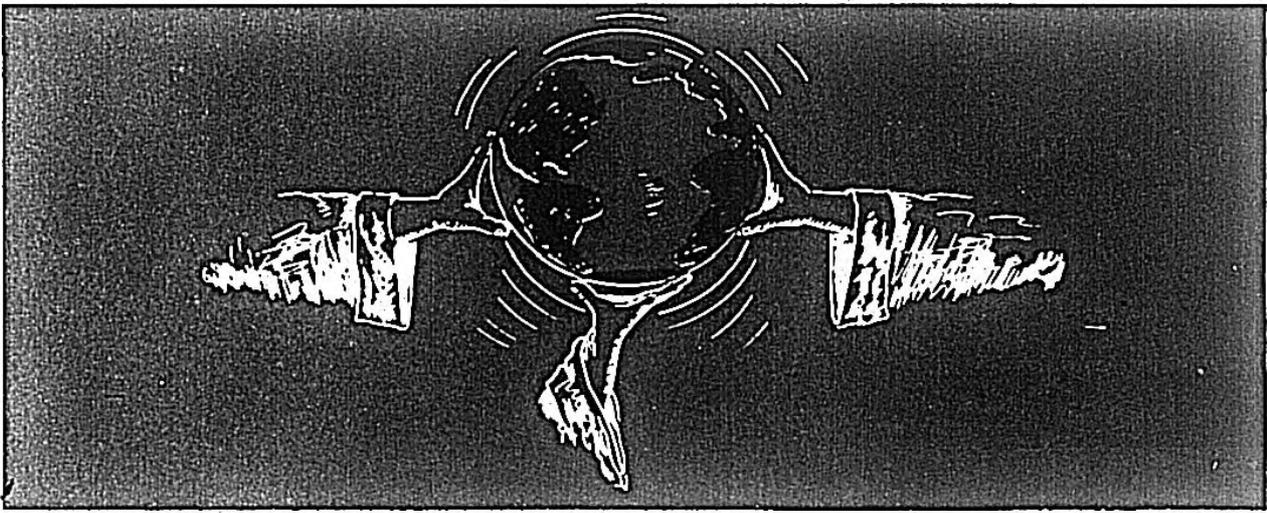

I wrote to Mr. Weiss and asked him for help for my friend. I received an answer, and eventually my friend lost all his stuttering. To this day he can talk normally.

Except for a letter to Mr. Weiss telling him the healing had taken place, I lost all connection with him for a few months. In the meantime I became a healer in a church on my own. A couple of months later I was at my friend's house again, and again picked up the magazine. I had been wondering if I could start working directly with Mr. Weiss in connection with his healing. I wrote to him, offering my help, and I received his letter back accepting my help. We've been writing back and forth to each other ever since, and have become real good friends because of it.

Recently I received a letter from him expressing his belief that probably one day I would become a well-known healer. I thanked him for all the confidence he has in me, and only hope I can live up to his expectations. I am now taking classes relating to healing so that I can extend my healing powers to others.

May God bless and keep you in your work. Sincerely,
Rosemary Myerchin, Minneapolis, MN

(Off and on over a period of years articles have appeared in Chimes by Le Roy Weiss concerning the healing work he has done with those afflicted by alcohol. Each time the letters of testimonial that flow in afterwards are just astounding. According to Mr. Weiss, the same was true after the last article by him. We are so happy Rosemary has found this new service.)
