

INDEX

TO THE

THIRD VOLUME.

1846.

	Page.		Page.
Fallacies of the Faculty. Lectures delivered at the Egyptian Hall, Piccadilly, London, 1840, by S. DIXON, M. D. Lecture VIII. The Senses—Animal Magnetism—The Passions—Baths—Exercises—Homœopathy. The late Epidemic of Puerperal Metritis in the Paris Hospitals.	18	Prof. Mott's Clinique, Saturday, Sept. 27th, 1845.	36
Tracts on Consumption, No. 2—On some new Patholglcal Views of Tubercular Phthisis. By J— G—, M. D.	20	Prof. Parker's Clinique, Monday, Sept. 29th, 1845.	37
Communication for the Dissector—Swedenborg not a Clairvoyant.	25	The New York Hospital—Attendance of Dr. JOHN H. GRISCOM. Violent Chorea St. Vitti: Cured by Strichnine.	36
Swedenborg's Animal Kingdom.—Introductory Remarks by the Translator, JAMES JOHN GARTH WILKINSON, Member of the Royal College of Surgeons of London. [Continued from page 204.	27	Prof. Parker's Clinique, at the College of Physicians and Surgeons, Monday Nov. 24th, 1845.	36
The Radical cure of Hernia by Injection Phosphorus Paste for the Destruction of Rats and Mice, by M. SIMON of Berlin.	34	Dr. Mott's Clinical Lecture, Saturday, Dec. 6th, 1845.	42
Public Rewards for New Medicines.	36	Dr. Parker's Clinical Lecture, Monday, Dec. 8th, 1845.	44
Prof. Mott's Clinique, at the Medical Department of the University of N. York, Saturday, Sept 6th, 1845.	35	Medical Sciences in New York.	45
Prof. Parker's Clinique, at the College of Physicians and Surgeons, Monday, Sept. 8th, 1845.	36	Behind the Age.	47
		Cancer of the Lip.	48
		Tubercula of the Uterus, terminating in Cancer—Menorrhagia, terminating in Cancer.	49
		Magnetic Sleep.	49
		Paralysis in Magnetic Sleep.	49
		A Word on Magnetic Machines.	49
		Prof. Grant's Premium Electro Magnetic Machines.	51
		New Discovery in Medicine.	52
		Reviews.	53
		Hereditary Disease.	56
		The Giant again.	56

<p>Incision of the Tunica Albuginea, in inflammation of the Substance of the Testicles..... 56</p> <p>The Debris furnished by Pavements... 56</p> <p>Fallacies of the Faculty.—Lectures delivered at the Egyptian Hall, Picadilly, London, 1840, by S. DIXON, M. D.—Lecture IX. Physic and poison identical—Remedial means include everything in nature—Action of medicinal substances proved to be Electrical—Particular Remedies, and why they affect Particular Parts. 59</p> <p>Swedenborg's Animal Kingdom.—Introductory remarks by the Translator, JAMES JOHN GARTH WILKINSON, Member of the Royal College of Surgeons of London. [Continued from page 33..... 68</p> <p>Practical Remarks on the Treatment of Cynanche, with cases, by CHARLES TRAVERS MACKIN, Esq., M. D. Battersea..... 74</p> <p>On Constipation, from Indolence of the Bowels, and its Treatment..... 87</p> <p>On the Pathology and Therapeutics of Asthma by M. GONDRIEN..... 80</p> <p>Reviews.—Animal Chemistry, or Organic Chemistry in application to Physiology and Pathology, by JUSTUS LIEBIG, M. D., &c., London; Taylor & Waston, 1842, p. 1845. Continued from p. 56..... 82</p> <p>Peculiar Cases in Midwifery, by THOMAS TORRANCE, Esq., Surgeon, Andre..... 85</p> <p>Homeopathy..... 86</p> <p>On the use of Sabina in Uterine Hæmorrhage, by Dr. ARAN, of the Hotel Dieu..... 87</p> <p>Cantharides in Eczema and Psoriasis, by Dr. SICK..... 88</p> <p>For the Dissector.—Tracts on Consumption, No. 2. On some New Pathological Views of Tubercular Consumption. (Concluded.) By J—— G——, M. D..... 88</p> <p>On the Pathology of Tuberculosis, by Dr. CLESS, Practical Physician at Stuttgart..... 92</p> <p>Autograph Letter of the King of Prussia..... 97</p> <p>Professor Roger's Lectures and Experiments on the subject of "Animal Magnetism" or "Mesmerism," "Clairvoyance," &c..... 98</p> <p>Dreaming a Translation..... 99</p> <p>Communications..... 100</p> <p>Miscellaneous Items..... 101</p>	<p>On Hooping Cough, by Dr. KASEMAN, of Lich, in the Grand Duchy of Hesse..... 102</p> <p>Zymotic Diseases—Fever..... 105</p> <p>New Evidence on the Extensive Range of Tuberculosis..... 107</p> <p>True Science, vs. "Young Physic"... 108</p> <p>Remarkable Phenomenon..... 111</p> <p>Animal Electricity..... 112</p> <p>Fallacies of the Faculty.—Lectures delivered at the Egyptian Hall, Picadilly, London, 1840, by S. DIXON, M. D.—Lecture X. Principal Chrono-Thermal Remedies, Summary of the Chrono-Thermal Doctrines of Disease..... 113</p> <p>For the Dissector.—Tracts on Consumption, Number 3. On the Cause and Prevention of Tubercular Phthisis. By J—— G——, M. D..... 125</p> <p>Magnetising Medicine.—Triumph of Science..... 137</p> <p>Researches on Magnetism..... 137</p> <p>Curative Effects of Mesmerism..... 143</p> <p>Tubercular diseases of the Organs and Muscles..... 144</p> <p>Baron Reichenbach's Experiments.... 145</p> <p>Remarks by the Author..... 150</p> <p>On Nature's Temporary Hæmostatics. By C. H. HALLETT, Esq., Assistant Demonstrator of Anatomy in University College, Edinburgh..... 152</p> <p>A few Observations on the use of Professor Seutin's Starch Bandage, in the Treatment of Fractures.—By ALERED MARKWICK, Esq., Surgeon, London..... 154</p> <p>A Sketch of the relation of the Spinal Marrow to Parturition and Practical Midwifery.—By W. TYLER SMITH, M. D., London—Lecturer on Midwifery in the Charlotte street School of Medicine..... 157</p> <p>Laternal Curvatures of the Spine.... 162</p> <p>Magnetic Machine—Pretended Improvements..... 163</p> <p>Consumption..... 163</p> <p>On some Electrical Effects Developed chiefly by the Galvanic Battery.—By GEORGE P. T. HILL, Esq., Filey.... 164</p> <p>On the successful Treatment of Ovarian Dropsy.—By WILLIAM ECCLES, Esq., Surgeon to the Royal Free Hospital, London..... 165</p> <p>Diseases of Children..... 165</p> <p>M. GUERSANT on the Influence of Rachitis on Fractures in Children.... 165</p> <p>M. Bicheteau on the Antagonism of Ague and Pulmonary Consumption. 166</p> <p>Abscesses in the Liver—Ulceration of the Intestines..... 167</p>	

Index.

	Page.		Page.
Sub-Cutaneous Division of the Sphincter in Anal Fissure.....	167	The Age at which Insanity is most prevalent.....	196
M. Valleix on the treatment of Difficult Dentition.....	167	The Symptoms and Diagnosis of Aneurisms of Bones.....	196
M. Ricord's Treatment of Indurated Lymphatic Ganglions.....	167	Remarkable case of Abscess of the Heart. Pain in the Leg the only Symptom of Disease during life. By T. HOWITT, Esq., Surgeon.....	197
On the Contagious Nature of Puerperal Fever and its connection with other Diseases.....	168	Remarkable Mesmeric Cure.....	198
Homeopathy.—Testimony of Dr. E. Humphrys, Utica.....	168	The Treatment of Chronic Enlargement of the Bursa Patellæ.....	199
For the Dissector.—Tracts on Consumption. Number 4. On the Sanability and Treatment of Tubercular Phthisis. By J— G—, M D.....	169	Calculi of the Prostate Gland.....	199
Additional Remarks on Prof. Seutin's Starch Bandage. More particularly in reference to a "Certain Modification of it." By ALFRED MARKWICK, Surgeon, London.....	182	Case of Ulcer, accompanied with Varicose Veins of the Leg, Treated with Cajeput Oil.....	200
Effect of Electro-Magnetism on the Action of the Heart.....	185	On the use of the Starch Bandage in various Surgical Diseases, by A. MARKWICK, Esq., M. R. C. S. London.....	200
On the Treatment of Chronic Diseases of the Skin. By THOMAS HUNT, Esq., M. R. C. S. Eng., Herne Bay. Order VII.—Tubercula.....	185	Practical Remarks on some points of Trichopathy and the Chemical Pathology of the Human Hair. By THOMAS CATTELL, Esq., M. D., M. R. C. S. E., &c., Braunston.....	204
Acne.....	186	Cases of Varicocele treated by Pressure with observations.—By T. B. CURLING, Lecturer on Surgery, &c., London Hospital.....	206
Case of Acne Simplex on the face, Cured by Arsenic.....	186	On the Internal Structure of the Human Kidney, and all the Changes which its several Compound parts undergo in "Bright's Disease." By JOSEPH TOYNBEE, Esq., Senior Surgeon to St. George's and St. James' General Dispensary.....	207
Case of Acne Indurata on the Shoulders, Cured by Arsenic.....	186	On the action of Imperceptible Agents on the Living Body. By Professor D'AMADOR.....	208
Acne Rosacea.....	187	Cases of the Pathogenetic Action of Sulphur and Cantharides.....	213
Case of Acne Rosacea in a middle aged Lady, Cured by Arsenic.....	187	The Principal Articles of the Present Number.....	214
Sycosis or Mentagra.....	188	Mesmeric Surgery.....	215
Case of Sycosis in a lady, complicated with Neuralgia; both affections cured by Arsenic.....	189	Another Mesmeric Surgical operation.....	214
Case of Sycosis in a female, complicated with Dyspepsia; both diseases yielding to Arsenical treatment.....	189	Homeopathy.....	214
Lupus.....	190	Birmingham Lying-In Hospital. Medical and Statistical Report.....	215
Case of Lupus exedens of nine years standing, cured by Arsenic.....	190	Medical Society of London, May 4, 1846.—Mr. DENY, President. Remarkable Case of Purpura.....	217
From the London Lancet—Liabilities of the Muscle in Disease.....	193	Tubercular Meningitis.....	218
Abscess with Fistula in the Female Breast Treated by a simple method of Compression.....	194	Copaiba in inflammation of the mucous Membranes.....	219
Comparative proportions of nutriment in Organic Ailments.....	194	Ovarian Disease; Colloid Matter in the Cyst.....	219
On the use of Ergot of Rye in Uterine Hæmorrhages.....	195	Statistics of Consumption.....	220
Recurrence of Menstruation at an advanced age.....	195	Human Magnetism.....	221
The shape of the external Ear in relation to mental Disease.....	195
