Saucer Contact

Dr. HOLLOWAY

During the first week of November, 1957, the newspapers were filled with accounts of contacts with space ships. A West Texas sheriff, with a companion, saw a huge craft shaped like an egg, some 200 feet long and 75 feet wide landing alongside a principal highway. Immediately all car engines and lights in the immediate vicinity went dead. A tremendous magnetic force-field seemed to surround this strange craft from the skies. A colored truck driver fainted dead away. Stout hearts quaked at the sight of this "phantom egg."

Like so many other thoughtful observers of our perilous times, I have pondered the saucer mystery. Two or three years ago I wrote several articles in the Observer on this subject. It is a fascinating story, very probably the greatest news for this planet since the birth of Christ nearly 2000 years ago.

They Are Here

The time is long past for arguments as to whether the flying saucers exist. They are here, most definitely, and have been sighted and photographed objectively a great many times. While the sightings are definitely a fact, the numerous stories of personal contact seem to carry an aura of incredibility. Most of the people who have "talked" with saucer pilots and "little men" did not have good witnesses. Their stories, while possibly true, lacked convincing verification.

Those of us who are intrigued by the mystery of space ships long for definitive sightings and personal contact experiences. So finally a group of us at the New Age Church of Truth in Miami could bear it no longer. The time for conversation was over; it was the hour for ACTION! Our keen interest had been spurred by a visit by Dr. George H. Williamson and his colleague, Rev. John McCoy. Both of these men had seen space ships and conversed with them by means of radio-telegraphy and, on occasion, TELEPATHY! This set us to thinking.

Our Beach Rendezvous

So on Friday evening, Nov. 15th we met at the New Age Church at 7:45 P. M. and left together for the agreed contact point. There were nine of us in the party—all interested in the subject but possessed with critical intelligence and quite good powers of observation. All of us had experienced training in spiritual and occult science, and knew the many problems always accompanying supernatural investigations.

At 8:30 P. M. we arrived at a lonely beach area some eight miles from Miami, with the ocean facing us from the east. The night wind was balmy, and all of us felt happy

and peaceful as we formed a circle by ourselves in the sand some 50 feet from the water's edge. There was no moonlight, and our privacy was excellent.

Preparing For Contact

For a while we just relaxed and rested our bodies and minds in peace. Then we intoned a number of times, perhaps 12 or 15, the sacred vowel sounds or mystical syllables, such as AUM, which quicken the spiritual centers and raise the mind into cosmic attunement.

Prayer followed, and deep meditation. Mentally we were creating a SPIRITUAL VORTEX OF POWER, which we felt would be seen or sensed by superior minds in higher dimensions.

Time passed. Nothing spectacular happened. It was now 10:30 and some wondered if anything would come of this strange but enchanting evening. Suddenly I was seized with a strong thought or psychic impression. I must lie down and go into deep concentration. Obeying this inward impulse, I lay down, and asked my wife, June, to give me some spiritual conditioning that would help me to enter a deep subjective state of awareness.

For about five minutes she talked to me, giving me suggestions of deep inward concentration and relaxation. I did not become entranced but did enter some profound inner superior mental condition. It was altogether peaceful, and I was only dimly aware of my surroundings and the people in our party.

Alan's Message

Then it happened. I became aware of an inner **STREAM OF IDEAS**, with the faint suggestion of a voice, and I was able to give these thoughts orally to June and to all the others as they listened. The substance of my impressions, which all heard, was as follows:

"I am Alan. I am in a space ship very high above you, and you cannot see me. You have been disappointed in not seeing a phenomenon after waiting and watching for

two hours. But I shall now contact you and **YOU WILL SEE**.

"Watch the northeast. We shall drop flares within a half hour. Do not leave the beach for one hour, and you will see our sign.

"We come in peace, and to observe your planet and its ways. Do not fear us. Think of us as Planetary Guardians. Think of the number FOUR. We are going to try to create a FOUR for you!

"There will be other manifestations this month of November. Watch and pray. Come to this beach again, and we shall contact you in other ways too.

"I am Alan. I bid you good-night in peace, love and truth!"

Saucer Phenomena

As the stream of impressions from Alan ceased, I seemed to have ended my psychic work, and with June's help I soon returned to normal objective consciousness. I could only remember part of what was said through me, but the members of the group soon filled in details. They were excited! Was this just a dream I had, or some kind of psychic wool-gathering? For five minutes nothing happened.

But Then It Came! June saw it first, and shrieked with delight. A bright light suddenly shone in the northeast, like a distant flare, and it descended towards the ocean's surface before it disappeared. Three persons saw this. Ten minutes later a second light, or flare, descended from high to low directly to the east of us. Fifteen more anguished minutes passed, and then a third flare was seen by two persons as it shone in the southeast. This was three flares, and

they were obviously of a nature not to be easily explained away! We had been watching for two hours previously, and these three lights only appeared after my psychic contact with Alan.

Space Ship Sighting

Then came the piece de resistance of the evening, which still excites our memories. At exactly 11:15 P. M. a huge disk-shaped object streaked horizontally across the sky, far out over the ocean, from south to north. **All Nine Persons In Our Party Saw This**, and it was within our vision about 12 to 15 seconds.

None of us had ever seen a sky phenomenon like this before. It seemed to whirl as it drove through the sky, with enormous speed. It was probably two or three miles away, and it passed through a great arc from south to north, before our eyes.

It made no sound; it had a luminous trail like a fire-ball, but it was not fiery. It certainly was not a weather balloon, sea-gull, planet Venus, hallucination, or other condition that might explain it away as an unidentified flying object (UFO)!

Finally we saw a genuine saucer. There were nine sober adults to bear witness to the phenomenon. It came after our telepathic contact with a space intelligence, and in the time he indicated.

The Mystery Of Four

But what did Alan mean by the number four? June's nimble mind finally figured this out. The three flares made a **Three** like Roman numerals. Then the space ship or **UFO CROSSED** all three of these

BY BOB BARRY

RADIO STATION-WMNS
OLEAN, NEW YORK

THE DALLAS, TEXAS SIGN PAINTER CEASED STRIKING HIS CAR RADIO TRYING TO GET NORMAL PROGRAMMING ONCE AGAIN WHEN HE NOTICED THE AREA WAS ILLUMINATED AS IF SOME FLARE HAD BEEN RELEASED IN THE SKY. IT WAS THEN THROUGH THE WINDSHIELD OF HIS CAR HE NOTICED THE THREE "TREMENDOUS FIREBALLS" APPEAR AT GREAT SPEED. COMING FROM THE EAST, THEY ZOOMED OVER IN A V-FORMATION. HE STATES THEY WERE DEFINITELY SAUCER SHAPED PLUS FLYING AS IF UNDER SOME KIND OF CONTROL. THEY WERE VERY BRIGHT BUT NOT SO BRIGHT YOU COULDN'T LOOK DIRECTLY AT THEM. THEY SEEMED TO GLOW LIKE WHITE-HOT METAL STARTING TO REDDEN.

TWO OF THE THREE SAUCERS SHOT THROUGH THE NIGHT SKY TOWARD THE WEST AT FANTASTIC SPEED WHILE THE THIRD OBJECT SUDDENLY STREAKED DOWN ONTO THE ROAD DIRECTLY AHEAD OF HIS CAR. IT WAS A TWO-LANE DIRT ROAD AND THE OBJECT STRADDLED THE ROAD AND AREA ON EACH SIDE OF THE ROAD FOR AN ESTIMATED WIDTH

OF 150 FEET. IT APPEARED TREMENDOUS IN SIZE...AND NEEDLESS TO SAY...THAT SIGN PAINTER WAS SHAKING IN HIS SHOES.

THE LIGHTS ON HIS CAR WENT OUT AND THE MOTOR STOPPED. HE SEEMED TO BE HYPNOTIZED BY IT. HIS FIRST CLEAR THOUGHT WAS TO RUN. HE REALIZED, HOWEVER, IT WOULD BE A USELESS TRY.

LIGHTED OBJECT FOR AN HOUR

Telescope Shows 'Flying Saucers'

The ranks of true believers in flying saucers were swelled considerably over the weekend as the result of the appearance of an unidentified flying object in Vista skies. Nearly a hundred members of the Teeners Club viewed the brightly lighted object as it hovered directly overhead of the Recreation Center, where the club was holding a dance, between 10 and 11 p.m. Saturday night.

In addition, many Vistans in widely scattered areas have reported seeing the strange object. Fortunately, one of them had the presence of mind to focus his 40-power telescope on the object and was able to give a complete description of what transpired.

OBJECT HOVERS FOUR OVER VISTA

Retired Contractor

He is P. K. Rothermel, of 835 Crescent Dr., a retired general contractor specializing in steam heat and trailer building.

To the Teeners, the object appeared only as a bright light, three or four times brighter than a star, but Rothermel, with his telescope, was able to give a more complete description.

Rothermel said that it hovered straight overhead for some time, then moved south toward San Diego. He estimated that it was from eight to ten miles high.

Lighted Objects

Then, after reaching a half-way spot toward the southern horizon, the object again stopped, Rothermel said, and he could see that the light was in the central portion of a cigar-shaped object.

Soon after it stopped smaller objects, also lighted, sprang from one end of the craft, he said, and circled the "mother ship." He watched them for some ten minutes until a cloud came up to obscure his view.

The unidentified flying object also was seen by members of the Vista Understanding Unit, a group of spacecraft believers who were also meeting at the time in Recreation Center.

Five Other Meetings

Dr. George Hunt Williamson, an anthropologist and "saucer" authority who was the guest speaker, said that it had happened at the last five meetings of such groups he had addressed in the past few weeks in the Los Angeles area.

“Star Guests”

HOW did the human race get upon this planet? Did it evolve up from plant-life or appear from some sort of interstellar transportation like today's Flying Saucers? In this terribly important Soulcraft book, the denizens of Higher Spheres contribute their opinions from data secured in more intricate dimensions of Space and Time. Accrediting their assertions, however, one

thing is unchallenged: *Most of the theologic mysteries of the Old Testament that concern Creation stop being mysteries.* You suddenly understand what the Bible has been trying to tell you in metaphor and allegory.

Star Guests lays a basis for the whole phenomena of Religions and Races, enabling you to build a sound philosophy on great celestial principles. You have disclosed to you the deeper esoteric meaning of The Christ coming among men when He did. Religion suddenly has a scientific, astronomical premise.

Saucer Contact

(Continued)

lines in its flight, and perhaps this was the way the Venusians or space people from some planet or dimension, made their number Four! This was a reasonable answer to the mystery, and remains our best thought on this point.

Whither Now?

The late Frank Decker, a splendid medium of New York, told me some two years ago that in Florida I would have the privilege of definite contacts with the people who direct the flying saucers. So this experience of Nov. 15th was perhaps the first step. We did not meet any people, but we did **See Saucer Phenomena**, and in response to telepathic messages and direction! This was something, and it was certainly encouraging.

We await future developments, and have many plans. Experiences

will be reported to our readers and friends. **The Saucer Mystery Is Only in Its Infancy.**

It should interest Spiritualists and psychic students to know that no understanding of the saucer mystery in depth is possible without a background of knowledge in metaphysics and spiritual science. No entirely material explanation will satisfy, nor will it explain the observed phenomena.

Undoubtedly many of the saucers come from other dimensions. They are etheric in origin and point of return. They materialize in our skies at will. There are a thousand fascinating things to be said about them, but not at this moment.

So we are thankful for this first evidential contact, and we work and pray to be worthy of more revelations in the near future.

Two Nights To Remember

By CARL ANDERSON

The thrilling experiences of a little group of people who went to the desert and on two occasions not only saw a Flying Saucer at close range but experienced strange effects from the force emanating from the Saucer which, in one instance, produced an instantaneous healing. Other even more startling effects are also described in minutest detail by an honest and sharp observer, an electrician by trade. This is one of the few instances where the experience was witnessed by others, who have also given their sworn testimony. Here you have new clues to the Saucer Mystery. Many illustrations.
