Dec. 28th 1956 F L A S H. Last minute news.....S P E C I A L

On Dec. 27th 1956 at 5:30 P. M. I was walking home along Gates Ave. and M rtle. I looked up and saw a dull yet bright round object. It was traveling slow and as I watched it, it faded out. Again on a hot summer day I have the following to report from New York City:

While shopping at the branch book shop of The Publisher's Outlet 678 8th Ave N. Y. C. bet. 42nd & 43rd St where I buy my "lying Saucer News magazine every month" I saw a short built lady with sharp features (I refer to her face). She looked odd to me. She was with a tall man who had a long forehead and ---with female features (my respect to him of course). As I entered the door, the lady turned towards me (apparently she could read my thoughts) for the two started to speak in a foreign language. They purchased a few books and hurried out the door. I felt sure they were out-of-this-world. Could I be wrong?

My address is :

Gray Barker, Editor of The Saucerian magazine is now in the process of writing a flying saucer book. So far title is unknown but does advise price will be about \$3.50 and will be published this spring. Gray Barker knows alot about the saucers and we wish him the best in his new venture.

Ruppelt, former head of Project Blue Book of the U. S. Airforce has a book that should be on the market soon. It will be more on the technical angle we think

Mike Cordaro  
761-40th Street  
Brooklyn, New York

Another fellow fan has turned to the art of painting flying saucers. His work is on display in the Rigberg Book Shop, 1597 Third Ave & 90th New York City. Visitors are invited to visit the art gallery of saucer paintings and clippings.

P. S. Mike's painting is on sale \$10.00 All we can say is that its out-of-this-world but GOOD.

Baltimore, Maryland Dec. 13th 1955

Maj. Donald E. Keyhoe on the radio to-day urged his listeners to write their Senators and Congressmen to get the Air Force to release all information about the saucers. Readers are urged to participate in this activity.

Keep your eyes on the Saturday Evening Post. That greatest of all American weeklies has interviewed both your Editor and James Moseley of Fort Lee, New Jersey of late. Several pictures were also taken of a group at the Rigberg Book Shop Dec. 15th. Blanche Grossman, who did an article for us was present, Isabelle Johnson, Mr. & Mrs. John Armenio and several others. Isabelle and Blanche were the main attraction. P. S. no definite time has been given as to when the article will appear

P. S. Don't forget to attend the Holloway lectures at Steinway Hall 113 West 57th Street N. Y. C. Jan. 1, 1956 at 7:30 P.M.

Fellowship of Golden Illumination  
1014 So. Lake St  
Los Angeles, California.

Jan. 1956

According to Eugene H. Drake, Director of the above named group, they took pictures on Mount Shasta and also the dessert last month, which show several space craft.

Pal & Dixie Garrett  
P. O. Box 321  
Paradise, California

12-15-55

Our friends Pal & Dixie have reported many sightings lately, in fact they claim to have seen as many as six in one evening. Their last report states they saw several flashes of light in the sky at different times, it was a huge flash one might call an explosion, this was a brilliant, dazzling ball-of-white light in the center, then spread out to a very great distance of red, green, pink and yellow light.

Mrs. Casterline of 5893 Kibler Road of Paradise, Calif., a neighbor, noticed a round disk like object several ~~hundred~~ yards away from her bedroom one evening. It was very bright. She did not believe in saucers up to this point, but she DOES NOW---and who would'nt-----"seeing is believing"

Mrs. B. Still  
4429 Wrenwood Avenue  
Baltimore, Maryland

11-26-55

From a recent letter we are informed that Mrs. Still and her two daughters have seen the saucers from their yard in Baltimore.

## SPACESHIPS and ANGELES (continued)

By

F. M. "Ron" Castator

No longer will we be restricted to a certain area as we now are. Our physical lifetimes will be spent the Right way. Things will be as YOU want them. Under God's rule and love, we will truly see the Light that we have denied ourselves for so many centuries. No longer will we be imprisoned by the materialistic state that we now possess, but speedily rise in frequency. Our earth will slowly become less dense, more realistic. The time will come when the earth will completely disintegrate as the Etheric beings that inhabit it will no longer have need of a physical world.

Schools will vanish the educational systems will alter emphatically. No longer being the cold, materialistic places of today, but fill with the love and compassion of tender guides that INSTRUCT with loving care, and wisdom. The child will be instructed in the rightful recognition of his Father, and learn to open his heart and soul to the infinite creator for the teachings of a million scholars. There will be no long hours to make sure of, no grading of their abilities, (for a child will not be forced into education, but receive the true training from the God-Head himself. He will want and accept it, as in his environment, his a special being, attuned to one of the highest physical orders in creation). A child will be given the rightful training for his individual talent, for the good of all mankind.

This is a glimpse of the New World, the New Golden Era, the Aquarian Age, New Cosmic Realization Age, etc., etc. They all refer to the same phase of evolution, which, through the ages has been labeled "Heaven".

## PROPHECY

The seers who lived long years ago,  
Whose prophecies were bold,  
Brave Daniel, David, and St. John,  
Were God-led, God-controlled.

ll

They reasoned out each where and why  
Till, guided by God's hand,  
They prophesied of things to come,  
So all could understand.

lll

Now I can see gigantic strides,  
The future of mankind;  
Men's thoughts will turn harmonious,  
And happiness they'll find.

End.

## AT CHRISTMASTIME

At Christmastime good cheer  
Is in the air,  
And Christmas gifts are sent  
That other souls may share  
Our happiness with us.

ll

Seek goodness in all men,  
And you will know  
Christmastime is every day.  
NOW is the time to sow  
The friendship seed.
