BE AN AGENT OF PEACE

The world is in chaos. There is terror and concern in every corner of the globe. There is no place of safety. Would that the world leaders would look into the hearts of humanity and be moved by the fears that are harbored there. But borders have been established which separate; religions are adhered to which further separate man; ideologies create problems - and so it goes. Everything designed to create differences and each country will fight for what it feels is right.

A part of these conditions is caused by the present outpouring of light. Unawakened man cannot respond positively to the new energies. Instead of using them positively, he uses them negatively and so becomes confused and turns upon his fellowman to vent his frustrations. He seeks for 'causes'. Emotions are aroused and there is no peace. Do you see, my light bearers that only by concentrated and continuous work can the world be saved. It rests upon the shoulders of my co-workers to bring enlightenment, harmony and peace into manifestation.

We have said many times "let not your heart be troubled". It would seem from the foregoing words that we are contradicting "let not your heart be troubled". What is meant is that you have work to do, responsibility to a cause to lift the consciousness of mankind but you KNOW WHO YOU ARE and that NOTHING can touch you. You are a deathless, eternal, Divine Being. Even though you lose your physical habitation, YOU LIVE! Thus, you can say "my heart is not troubled for I know the peace of the Divine". You may have personal sorrows or troubles in the physical world but these are passing things and have nothing to do with the Eternal Life. Again, the saying "in the world but not of it" applies to my Light Bearers. You are to see what you must do. You must do it but be not influenced by the appearances. This is not easy but you have your strength and security firmly established in the Divine and therefore you are invincible!

See only the positive in all situations, even in the wars which are raging in many places. When the futility of war can be realized there is hope for peace, and one day war will cease and man will live in peace. How soon that comes depends upon man himself, and the quicker the leaders of governments and also the masses of people become enlightened, the quicker the peace will come.

Again, we give you the challenge. Be the agents of peace. Enlighten the world. You do this, not by shouting from the housetops but in the privacy of your own sanctum, in your meditation and prayers and in visualization. Create the light and love the world needs. Create it by seeing it, and being it, and let it flow freely from you to be used where it is needed. You are the Light of the World. Let your light shine forth to guide and heal all. Be not selective. Be universal in

your sending.

Bless you, my children, as you dedicate yourselves to the great task of bringing enlightenment to mankind, and thus peace to the world.

I AM THE VOICE OF PEACE

AN URGENT LETTER

January 17, 1983

Dear Light Workers:

As a New Age Astrologer, I have been successfully predicting earth changes for the past decade. Positions of our sister worlds do set up stresses that bring about earthquakes, volcanoes and extremes of weather.

Despite the Jupiter effect, 1982 was rather mild, but signs in the deep sky for 1983 foretell a much more serious year. Because very stressful aspects will transpire in 1983, it is imperative that all workers at Light Centers direct White Light and Love energies to the United States' West Coast in particular, and to the Ring of Fire - the circum-Pacific faulting zone in general.

This part of the globe should receive your healing and soothing energies because it is "heating up", as is evidenced by the recent activity in the Mammoth Lakes area, not to mention the ominous renewed eruption of the Hawaiian Kilauea Volcano. Light energies dedicated to allay physical plane earthquakes and volcanoes can be used by Angelic and Devic hosts to limit damage, and in some cases, forestall these inevitable earth changes.

These are the dates when seismic activity is most likely in 1983, and also the dates, when, accordingly, Light and Love energies should be sent to Angels and Devas to allow them to lessen any possible disruption of the physical plane:

January 8, 14, 20 and Full Moon time on the 28th;
February 5, New Moon on 13th, and the 21st thru 23rd;
March 14th, and the 19th thru 21st (especially);
April 4, New Moon on 13th, and 18th and 21st;
May 3rd, 12th and 13th, and full moon time on the 26th;
June 10th on the days of a total solar eclipse - all
month looks especially awesome;
July 23rd thru 27th - new moon time;
August 4th, 15th, and 21st and 22nd;
September 6, 11-12, and 20-21;
October 15th and 21st;
November 19th, 25th and 30th; and
December 7, 15th and 20th.

Many of these dates are times of the Full and New Moons, periods when Light Workers meditate anyway. Any attempts made to lessen stresses on our planet during these times will be especially powerful because of their timing.

Blessings in Light,
Hugh Montgomery

BE YE NOT DECEIVED
PART II

It has come before the Council that there has been a misuse of information presented to the public wherein the terminology, "Earthean Eagles" has been used. Those who are incarnated in the earth plane, who serve as part of that Council and are known as "Earthean Eagles" have NOT come forth to proclaim their status, nor have they ever been bidden to do so. Those Earthean Eagles who are consciously aware of their designation, and there are but a handful who are, are silent and will remain so until bidden by us to do otherwise. We find the beginnings of a cult worship which is highly debatable in its clearest intentions, and it is upon the good advice of the Council that I stand in your midst today to bid you cease and desist from that which you do. Do not desecrate, with worldly imaginings, that which in truth is not particularly of the earth at this time.

Many times over you have been counselled to go into the God Presence. Is there not a Golden Rule upon Earth that specifically states, "Thou shalt have no other gods but Me?" Then why, oh, why, are you turning away from your own God Presence in a vain attempt to become something that is not for you?

Many of you have turned away from the God Within, in your attempt to contact "those from space". Do not you realize that contact, a truly opportune contact, can only be made once you have the approbation of the God Within? You must approach your Golden Path of Spiritual Evolution and Knowledge, and be firmly upon that Path before any contact worthy, be made. Until then, you leave yourself open to deceit and exploitation by the lesser forces who operate at the lower astral levels of your planet. While these entities can, in some instances, be actual "space contacts", drawn to the negative energy environment of the lower astral worlds, most of the contacts are of delusionary natures and should be carefully avoided by those who seek the clearly marked Golden Path of Evolution.

As has been noted elsewhere by your Mentor, the one who calls himself "Joshua", you must discern for self that which rings true from that which is a masquerade. Remember, there are many entities loose on the planet today in its lower dimensions who are deceptive, and whose primary function is to divert mankind from its most important function which is the discovery of the divine within, and the outpicturing of that divinity in the earth world. The Christ is indeed upon the land, but in your hearts, beloved, in your hearts is where He has manifested. He carries no bodily form, but the radiant Christ love that radiates from your eyes, the glow of Universal Love from the heart chakra. It is this that should dictate your whole conscious endeavor.

Once you are firmly on your Golden Path, grounded in your commitment to your God, and to the God Within, then, and only then, will any contact of value be made. Those of other dimensions in "space" who are committed to the Christ Principle on all Planetary Systems and Galaxies, will welcome your love and support. You must grow up first! You are toddlers now. Learn to walk with God and then we will walk with you. No amount of mechanical devices will help you to establish contact with "space people". As we say again, until you make yourselves ready for contact, the only contact made will be less than desirable from our standpoint.

We want you to grow up, Eartheans, into the full potential that is destined for you. Do not turn aside in your hearts now to run after illusions, but build solidly your foundation, so that when the time comes around full cycle, we may walk by your side and truly call you "Brother."

Until then, we advise you to follow your Golden Path of Evolution and leave the illusions to those who are not capable of going any further in their evolution at this time.

May God grant you Peace, the eyes to see and the ears to hear that which we have spoken.

WELLBEING

I no longer ask my body how it feels - I tell it. It feels marvelous in every respect. I totally convince it all is perfect as it was in the early world.

It is God's body - the body of a god made out of His. And now, marvels begin to happen. I have always yearned to cradle all suffering things and carry them back to God. Now I have the means - for I suffered but now am absolutely whole in every way. I found and used the knowledge. By writing it down in diverse forms I can cradle the suffering and return them to their own perfection.

The greatest wish of my life has been granted. I am filled with ecstatic peace.

By adoring these things I have walked straight into God's Kingdom. The Absolute has happened to me!

This is the wooing of the Spirit - to convince Man of his perfection. It has often been described as an innate perfection. That is how it seems - innate, until the individual begins to draw upon it and use it consciously - UNTIL IT BECOMES EMERGENT AND SELF-EVIDENT.

Do not think because you are young you must grow old. Do not think because you are old you must remain old. The young and the old alike by deliberate conscious control i.e. PROPER USE of their thinking, can draw forth that innate perfection AND PRESENT THAT PERFECTION TO THE LIVING DAYLIGHT.

Some wait for a miracle. Others seek artificial aid. Yet all that is required is control over your own thoughts to the extent that THEY control the condition of your feelings - FOR AS A MAN THINKETH IN HIS HEART, SO HE IS. This statement, often delivered by masters - i.e. self-mastered ones - is absolutely true. It takes persistence, determination, consistency, and the constant use of ALL THE POSITIVES YOU POSSESS.

There is only one way to deliver yourself free of the past and all its negative attitudes and that is TO LEAVE IT CUT OF YOUR THINKING. Let your consciousness dwell in THE NOW OF YOUR PERFECTION until it becomes fully established there.

Healing and cures may exist for what seems to ail you, but these leave little room for self-reliance, and leave you dependent upon outside help when again in need.

This need not be so. You desire perfect sight? Perfect hearing? Steady nerves? The gift of true understanding? Happiness? Security? Peace? NOTHING IS IMPOSSIBLE, for you do not have to change the world or your circumstances - ONLY YOURSELF IN YOUR OWN EYES.

It is not all that difficult. It is only that you must go on and believe it. Belief, properly developed, becomes knowing. This is not hypnotism nor self-deceit, but the drawing of your INNATE PERFECTION FULLY INTO YOUR CONSCIOUSNESS.

PURIFICATION AND PERFECTION

(Part II (concluding) part of an unpublished message of ANNALIE SKARIN. Part I was in Golden Dawn 70.)

I am sure that sometime all people will understand these higher laws of perfection, and will learn to live by them. Some will travel slower and some will be ready to take hold quickly according to their inner desires and preparation.

It is a little like the time required for Joseph Smith to receive the records of the Book of Mormon - time to overcome every little personal desire of the flesh; every desire to have these powers so that they can stand out above their fellow man. He who hopes for these powers with such an idea in mind can never receive them, for he who receives them is truly the servant and must become the very least of all. He must put the self aside so completely that it does not even exist, to a certain extent. Then it is that he becomes the greatest, for then it is that the very Light and power of the Almighty takes over, and it is the greatest - not us. For we, of ourselves can truly do nothing, but only as this power is brought forth to do the works can anything be accomplished. And that is when the self is entirely forgotten and our eyes are single to the very glory of God, and we seek only His will. It takes time to prepare oneself for such a high destiny. Joseph was a humble farm boy, but it took him four years. Perhaps some can accomplish it sooner, and I believe they will in time. But it will be such a revolutionary step it will be almost like stepping out of old and soiled apparel and arraying one's self in garments of glory, for the old ties of mortal thoughts, feelings, and desires must be left behind. Then, too, it is much easier to teach others when we have fulfilled these higher laws ourselves.

The easiest way to begin to send this Light forth is to sit quietly practicing that first and great commandment, unifying the whole body in love, and then it becomes vibrating with love; transfer it into this Light and send that Light out from you. You will feel that the very strongest rays go out from the very center of your body, but soon it will be that you will actually be radiating Light from every cell of your being. Those whose vibrations are not lifted high enough to see it will not see it, but yet they will feel it. Train yourselves to hold this Light constantly and to send it out constantly with magnified power as you send out this love upon it. You can either direct it to an individual, or group, or just send it out and it will reach those who are in tune with it and united with their Light, or heal those who need healing. Try to never lose consciousness of it for one moment. This is how Christ brought it forth to accomplish His works and fulfill His destiny. Study John 6:37-39, 44-45. These passages of scripture must be studied, pondered over, prayed about and taken hold of completely. These are the things we know, but we must get them so thoroughly into our souls that we will remember them always.

Remember when we used to be told that it would become easy. Those most exalted moments that we spent together that winter are but a breath of every moment of living as we have become partakers of this glorious vision. I was told that when we could hold ourselves completely in that light for SEVEN DAYS, we would receive our anointing of Light. It sounds as simple as that, and is, - but to fulfill this is another thing. I was told that only a week ago, and since this has been a week of many activities, I have not had the time to hold to it consciously or continuously. I realize that we must get so that we hold to it no matter what comes or goes in our lives.

Therefore, if we all unite in seeking to perfect this light, and try with all

the strength we have to abide with it every moment of every day until it is perfected within us, and we are perfected in it, I am sure that God will extend to us the power of His grace, for of ourselves we can never accomplish it, I am sure. After we have developed the faith, the understanding and strengthened our desires and determination to the Highest point of our ability, then He will step in to help us. He who can live it perfectly for Seven days will have stepped across. So when you say that you will try in your weakness to join with us - I can only assure you that it is all that any of us can do. (We pledged for our Christmas gift to Christ for 1951 that we would endeavor to hold ourselves in that Light of Christ every conscious second.) We can each offer the gift, and with all the power we possess, seek to perfect it. Most human gifts have flaws in them. The snaps on dresses are never in the right place, or lack firmness; buttons are loose, seams need more stitching, and so it is with most things that go forth from the hands of mortals. But with a new song in our hearts, we can only each do our best. It is a marvelous thing to try.

And so I ask that you pray constantly for the work to be consummated as speedily as possible, and that you be ordained of God. This is the work which we have to do now in order to connect up the work that is being done over there. If you can hold yourself in that inner vibration of Light and pray for that ordination, you will know that it is the will of God, and you will no longer doubt in your heart.

There are great and mighty things ahead of us. I saw how your children would be taken care of so that in the days to come you will be free to serve wherever and whenever you are needed. I rejoice that you are a part of this work. I rejoice with all my soul in these noble and great ones whom God has chosen and called into this work. After one once gets the full understanding of it he can never again lose it for he will be gathered into the Light and his understanding will continually be opened until he is completely filled with Light. And you are much closer to it than you think - that full unfolding.

When you can hold your awareness of that divine light, of being continually conscious of it without losing that contact for a moment, and know that "you are abiding in it and it is abiding in you", you will be purified and cleansed from all sin. Just holding the consciousness of this divine Light of Christ in your mind without a break will bring it forth to fill your being, cleanse out all darkness, and purify your soul.

We all want perfection before we earn it. We want power without having fully qualified to receive it. We want to be filled with Light, even the fullness of the Light without having prepared ourselves to receive it. Because the vision of these things is so glorious it is difficult for us to wait for the perfecting of our bodies. Yet if we receive these glorious things our souls crave without the complete perfection we would be consumed by the Light and blinded by the Glory. It is so necessary that we learn to exalt these bodies by obedience, by love, by the Spirit of Peace and by training them through perfect love to hold and contain Light. We should be so grateful for the vision God has given to us and for the keys of fulfilling it that none of us should be too impatient. Yet, if we were not anxious, we could not really progress so fast.

"GARDENING TIPS"

I AM A NATURE SPIRIT

I am a Nature Spirit.
My home is in this bush.
My brothers/sisters and I
Are readying for the "spring push".
I am a leaf molder
From etheric pattern set.
Leaves must be of general shape
As Deva requirements met.
Using my secrets of osmosis
From elements they are made,
Each ready in position
As precise formula obeyed.
I feel your careful glance
Awaiting the first signs of spring
Looking longingly at the buds
Which bursting twigs do bring.
Give me your Love Thoughts
I'll beautify your place.
For this is my divine mission
To enhance each tiny space.

"A man's mind may be likened to a garden, which may be intelligently cultivated or allowed to run wild; but whether cultivated or neglected, it must, and will BRING FORTH. If no useful seeds are PUT into it, then an abundance of useless weed seeds will FALL therein, and will continue to produce their kind.

"Just as a gardener cultivates his plot, keeping it free from weeds, and growing the flowers and fruit which he requires, so may a man tend the garden of his mind, weeding out all the wrong, useless and impure thoughts. By pursuing this process, a man sooner or later discovers that he is the master gardener of his soul, the director of his life."

"As A Man Thinketh" - James Allen

THE CODE OF CONDUCT FOR A DISCIPLE OF THE HOLY SPIRIT

I AM ever conscious to aspire to the fullest expression of God, and devote all within my being and my service to that end. I AM learning the lesson of harmlessness; that neither by word nor thought nor feeling inflict I evil upon any part of life. I know that action and physical violence are but the lesser part of the sin of harmful expression. I shall not stir a brother's sea of emotion, thoughtlessly or deliberately. Knowing that the storm in which I place his spirit will sooner or later flow upon the banks of my own lifestream; rather I shall endeavor to bring tranquility to life. I AM disassociating myself from the personal delusion. I shall not let self justification reveal that I love the self more than the harmony of the UNIVERSE. Because if I AM right, there is no need to acclaim it; and if I AM wrong, I pray for forgiveness. I shall watch the self that I be not swept in the tides of "self-righteousness".

I AM walking gently through the Univerae, knowing that the body is a Temple in which dwells the Holy Spirit that brings peace and illumination to life everywhere. I shall endeavor to keep my Temple always in a clean and respectful manner as befitting the residence of the Spirit of Truth. I shall respect and honor in gentle dignity all other Temples, knowing that oft-times within a crude exterior burns a greater Light. In the presence of Nature, I shall absorb the beauties and gifts of Her Kingdom in gentle gratitude. I will not desecrate Her by vile thoughts or emotions, or by physical acts that despoil Her virgin beauty. I shall not form nor offer opinions unless invited to do so, and then only after prayer and silent invocation for guidance. I shall speak when God chooseth to say something through me. At other times I shall remain peacefully silent. I shall make the ritual of living and observing God's rules, so unobtrusively that no man shall know that I AM aspiring to Godliness, lest the force of might be pitted against me, or lest my service become impinged with pride. I AM making my heart a song of gratitude that the Most High would give unto my keeping the Spirit of Life, which through me, He chooses to widen the borders of His Kingdom.

I AM always alert to use my faculties and the gifts loaned to me by the Father of all life, in a manner to extend His Kingdom. I AM claiming nothing for myself, neither powers, nor principalities, any more than I would claim the air I breathe or the Sun; using them freely but knowing the God-ownership of all. I AM now gentle in speech and action, but with the dignity that always accompanies the Presence of the Living God that is within this Temple. I AM placing constantly all the faculties of my being, and all the inner unfoldment of my nature, at the Feet of the God-power, especially when endeavoring to manifest perfection through one in distress. I AM making my watchwords be: GENTLENESS, HUMILITY, AND LOVING SERVICE, but not allowing the impression of humility to be mistaken for lethargy.

THE SERVANT OF THE LORD LIKE THE SUN IN THE HEAVENS, IS ETERNALLY VIGILANT,
AND CONSTANTLY OUTPOURING THE GIFTS WHICH ARE IN HIS PARTICULAR KEEPING FOR GOD!!!

DOVETELLING LOVE IN YOUR LIFE

During the course of an average day how often do we stop and think, "What have I done for another today?" Do you ask this of yourself every day, or only after having read or heard of some other one who was loving or considerate enough, having done some Christed act of selfless service for another? Can you imagine what could occur should each and every one of us make a conscious effort to reach out and touch just one other individual each day? Utter shock would befall most of us to see our neighbors, let alone our own spouse, act in such a manner. For some, this would be the first time in perhaps years that any real recognition and response to the needs of those blessed souls living around you were acknowledged, aided and abetted. What happy moments these would be. What real happiness would shine from the face of your brothers and sisters having been so richly blessed by you through some kind and loving deed.

Do you really have to think that hard to come up with just one kind thing to do for another? Are there not many things, even now on the very threshold of your mind, awaiting the proper response within you to become materialized - acts of Love - God in action? Soon, acting in such a manner, finding the needs of others, and acting upon them, will become second nature. Fears and doubts as to am I right in doing this, or what good would it really do, will vanish, never to show their ugly little heads again.

Plan your day in such a way that the opportunities to help another (just one other) in doing only one thing, can happen. Soon this phase of your growth will vanish as well, and the opportunities will make themselves known, becoming more and more visible. Because you are willing (your will to do good) you will no longer look for outward manifested reward because of the happiness that you bring to others. The joy you see within their eyes will be of much greater value to you than any earthly reward. The joy and gladness you find in others will be a reflection of that within. Where selfishness was, joy and happiness will now be found. Heed your inner voice, the whisperings in the wind, and let Love guide you in the matters of your daily life. No greater joy will come to you than by this method of letting go of the little self and letting the God self lead and direct you in helping others.

Try this, My Beloved, even for one day, and find the way to maintain this every day. This involves not deep thought, just a feeling of deep love and appreciation for your life, and the life of others around you; a conscious recognition of the needs of your brothers and sisters. I plead with you, My Beloved, to find it in yourself to act thusly, to find the way to fulfill these dire needs, to help those so much in need of your loving care. I Am guiding your every action with My watchful eye, leading you to good, to God, to the way of your own I Am Presence. I Am Mother Mary and I love each and every one of you who heed the inner voice, and even those selfish ones who don't seem to have the time to do so. I bid you good night.

I Am Mother Mary

THEY DO NOT (AND I REPEAT) - THEY DO NOT NEED TO HAPPEN!

TRAIN YOURSELVES TO REVERSE ANY NEGATIVE THOUGHTS YOU MIGHT HAVE HAD, AND ANY YOU MIGHT BECOME SUBJECT TO, BEFORE YOU THINK THEM! IMPORTANT!!!!!!

DO NOT REPEAT AND GIVE LIFE TO ANY PREDICTIONS OF DOOM. A person with any degree of Higher Consciousness can CAUSE THINGS TO HAPPEN BY GIVING ENERGY OR RECOGNITION TO SUCH THOUGHTS OR WORDS!

In the vernacular of "The Golden Scripts" "OH, YE OF LITTLE FAITH - BE ABOUT YOUR FATHER'S BUSINESS."

Channel: Willard L. Wannall, 511 Hahaione St., Honolulu, Hawaii 96825

We received this as we were "going to press". We at the City of the Sun feel it is important to do as indicated - watch our thoughts and send rosy love energy to the planet. It was received from "God The Father".

HOW CAN YOU SEND A DONATION TO THE CITY OF THE SUN IF YOU LIVE OUTSIDE OF THE UNITED STATES?

ANSWER: Money exchange continues to become more difficult. We have had to recently return foreign currency and personal checks from Canada, England, Australia, etc. There seems to be two ways it can be sent:

- 1- American dollars are always satisfactory, although they are difficult to obtain in many countries.
- 2- International Postal Orders are available from your post office. This is satisfactory.

WHAT KIND OF LOVE?

My love for you is endless,
Or so it seems to be.
Yet I expect return of my love.
Do you on this not agree?

A nagging suspicion emerges.
What kind of love is this
That looks to return of itself
Before I feel certain bliss?

This is not the Master's love
Which thinks of others only;
Which gives and gives of self -
Recompence forgotten wholly.

I have a ways to climb
To reach the eternal flowing spring
Of love for all of life, and
No requirement with it bring! mjs

AT THE CITY OF THE SUN:

On January 22, 1983 immediately after the January Member's Meeting, the City of the Sun held their Annual Meeting commemorating the founding of the Foundation and election of officers. Sarah Leonard was Chairperson. Wayne Taylor spoke of some of the history of the founding of the City of the Sun. Annual Reports were given by several of the members on community accomplishments for 1982, and anticipated projects for the new year 1983. The officers for 1983 were elected.

Trustees: Connie Arnot, Chairperson; Wayne Taylor, Vice Chairman; Mary Jane Switzler, Secretary; Faun Homman, William Switzler, Sarah Leonard and Dorothy Rayburn Zawick.

Foundation Treasurer: Faun Homman

Foundation Secretary: Mary Jane Switzler

Chairperson for Membership Meeting: Dorothy Rayburn Zawick

Secretary of Membership Meeting: Connie Arnot.

We had a pleasant visit with Isabel Pearson, who shared with us individually, as well as in a group meeting.

From Montreal, Canada, came a new friend, Mario Desjarlais. He is a very pleasant and helpful person who will be with us for awhile.

Floyd Alvstad of North Dakota came by to get acquainted. Sam Have of California was also here.

Many of us in our little community are enjoying and finding inspiration in our regular Monday afternoon sharing of the book "Golden Scripts" by William Dudley Pelley.

Vic and Elaine Stannard of Seattle, Washington visited Dorothy Rayburn Zawick. Last month we inadvertently left off Dorothy's guests, Katie Whitehawk and Crystal Charley of Pecos and Albuquerque, New Mexico.

Several residents of the City of the Sun are feverishly working preparing the ground for a larger organic garden. They anticipate being able to sell some of the produce with the public.

February is finding us enjoying two fine fellowship meals. One of them in particular was with some of our fine friends from Deming.

DEAR FELLOW TRAVELER IN TIME AND SPACE:

Given that we are all creating our own world moment-by-moment as we journey thru Time until we "get it right" and move on, the following is of the world I/we endeavor to manifest....the inspiration comes from The Oasis and its peoples....the viewpoint is personal and not absolute.

The density levels of the peoples incarnate on this planet are more varied than ever before, density being defined here as the vibrational level of the person. As the energy levels enclosing/impacting this earth increased over the past years, the more dense levels of consciousness become more energized. Then, various energy events occasioned by stellar and planetary configurations opened the door to these various energy levels (levels of consciousness) to co-exist on this planet - those that can't stand the Winds of Change are sinking by their own weight to the level on the Spiral of Progress suited to their density. This process continues as the Beings of Light of the highest level (the Archangels and various ascended ones who have returned to help this planet at this time of change) continue to help channel Light to assist all the worlds of this planet toward the new orbit closer to the Great Central Sun, an orbit higher on the spiral of progress and thus a less dense peoples and planet.

The aura of this planet is being held firmly in the Light by vast amounts of energy (Light of various frequencies) being used to remove the effluvicus thought-forms man has poisoned this planet with over the millenia. The effluvias are removed continually, cleansed, and recycled back to this planet in their original form of Light before they were misqualified. Thus, no disasters will occur as foreseen by prophets and seers of old, as all the aura of this planet is continually kept in the Light. Some "storm clouds" have passed thru as part of the cleansing process needed due to imperfect creations by some in the past. The aura of this planet remains in the Light, though, so no major damage has been or will be done.

This earth is a classroom of many dimensions. Stage props are provided for those from kindergarten on up thru graduate school and beyond. Those stuck in a vicious circle in kindergarten or the lower grades for many millenia can no longer hold back the progress of those who wish to proceed to higher grades, this new freedom coming with the Light flooding this planet now. What will happen to those still stuck in the lower grades, not progressing as they should have? Will they be able to learn in the extremely high frequency energy fields that will be in place in the new orbit of this planet that is now approaching? If the answer is yes, then perhaps they could be assisted to remain by the workers in the Light at the Hospital Complex and Rehabilitation Center in the Summerland? Remember that once in the new orbit, the Great Ones of the Great Central Sun will be available to assist in healing ignorance on this planet - thus, all possibilities remain open.
