

THE GOLDEN DAWN

CITY OF THE SUN FOUNDATION

NUMBER 74
(Sept.-Oct. 1983)

FROM CAPTAIN THADDEUS OF THE INTER-GALACTIC COMMAND -
SPOKESMAN FOR LADY SHEKINAH OF THE ORDER OF
THE RED ROSE

Within the fount of Eternal Wisdom the Voice of Truth comes forth. Ever it was and ever it shall be.

The forces of the Almighty are strong in their ever-knowingness and the depth of Eternity is deep.

Wallow not in the muck and mire of the mundane, but wrap thou a mantle of Truth and Understanding about thee. For whatever thou were meant to become the forces of Light shall now reveal - and no man nor beast can deny otherwise.

The seed of struggle and understanding has been sown. It now takes time for that seed to grow and develop, and the hearts of man will be stronger for it.

In the multitudes there is strength, but in the multitudes also there can be dissension and disaster.

Was there ever a time when all Men thought as one?

Think, my child and know, the answer is 'Nay'.

But shall it ever be?

As ONE understanding of Truth itself for all to know and believe, the answer is "Yay".

This answer lies in the New Age - for here will arise many answers to the cries of the multitudes. For here shall they learn and BECOME, not as ONE, for each man has the ability to think and be what he so chooses - but WITH ONE - One mighty Force of Strength and Truth and Love that shall abide in the hearts of ALL MEN!

It is then they will awaken and listen. It is then they will truly come alive in every fibre of their being - in the flesh and in the Spirit body also. For then Man will be as much in Spirit as he will be in Flesh.

And the Hierarchy and the Angelic Hosts shall reveal to him all that was meant to be revealed, and man shall understand; and in his understanding shall become as One of Them. There shall be no here or there, but all shall be of the Higher Understanding, and it shall not be otherwise.

For Man came into being as an Immortal Soul and thus shall he regain his status and reside with the Gods of Heaven. Thus it has been decreed and so be it!

UNITY IN DIVERSITY

- Let's All Pull Together!

I have spoken many times in the Anchor of Light Retreat newsletters of the need for UNITY between the different Light Centers in order to bring forth world peace, as stated in the words of the song: "LET THERE BE PEACE ON EARTH AND LET IT BEGIN WITH ME." If the New Age Centers cannot find UNITY within their DIVERSITY, they will very rapidly become as bickering as the many, many Protestants who continually shout about theirs is the ONLY WAY; that their group will be the ONLY ONES to enter "Heaven": It is not only in the Christian Faiths that this is happening, but look at how many different sects there are amongst the Buddhists, among the Hindus, etc. It is not the Spirit but the EGO that desires to be the ONLY RIGHT ONES! Let us in the New Age movement strive to "PULL TOGETHER" - let us ACCEPT one another's diversities with a sense of UNITY!

Rev. Henry Leon, Anchor of Light Retreat, 907 Granite Hill Road, Grants Pass, OR 97528

A Prayer used in a Joint Peace Sabbath held in Grants Pass:

"Almighty God, grant that all of your children may be UNITED in your truth, live together in your love, and reveal your glory in the world. Guide the people of this land and all nations in the ways of justice and peace that we may honor one another and SERVE THE COMMON GOOD. Give us all reverence for the earth as your own creation that we may use its resources rightly in the service of others to your honor and glory. Comfort and heal all those who suffer in body, mind, or spirit; give them courage and hope in their troubles, and bring them the joy of the knowledge of Your love. We have confidence in Your care and concern and ask You to BLESS PEACEMAKERS even as the world favors and blesses warriors. Help us to be strong, Lord. We want our country to be strong - strong enough to love You above all, to depend and trust in You above all. We want to be number one, but not in the capacity to destroy: number one in THE CAPACITY TO LOVE, TO HEAL, AND TO RECONCILE. We want to be powerful, Lord, not to threaten the world with destruction, but to show forth the power of your love and concern. Help us to be CHANNELS OF YOUR PEACE. We look to You for Life and Peace. Amen."

A POWERFUL THOUGHT

For those who believe in the power of thought, here is one that the Spiritual Hierarchy has asked us to hold frequently throughout the year: Visualize the Hands of all Nations joined in a circle around a Luminous Globe with a satin-soft Pink Radiance, the Descending Dove of Peace enfolding all in the Radiation of Divine Love and Peace.
So Be It!

about

Quotations/his Work:

"We are at the beginning of a great transformation. This requires a new direction of life which will be brought about by the understanding of the planned reconnaissance being made at this time by the High Intelligence to ready the human species for the next link in interplanetary life. The purpose of "The Book of Knowledge", "The Keys of Enoch" is to open the mind of man to new ideas, to share in the experiences of the education of the soul. "The Keys" are a blueprint of the many levels of spiritual consciousness and are designed to bring you in touch with the meaning of Divine Intelligence. The "Keys of Enoch" are a tool for building of communities of Light, and the orientation that must be made by the human race so that the spiritual communities of our planet are prepared for the "externalization" or appearance of the Masters from other worlds of Light. Their purpose is to provide unification of different areas of science with self-realization for the advancement of humanity into the new spiritual cycle of "The Christ".

"To prepare men for the existence of higher orders of intelligence, he feels privileged to receive and share divine revelation, translation of the sacred teachings of Light, "The Evolutionary Process of Man", "The Book of Knowledge", and "The Keys of Enoch".

Dr. Hurtak's material:

(Principle 1 and 2)

TWELVE SPIRITUAL PRINCIPLES

I want to share with you the Twelve Spiritual Principles for a community of Light and Meditation. THE FIRST PRINCIPLE, OR PRINCIPLES, FOUNDATION OF ALL FOUNDATIONS, LIFE OF ALL LIFE, IS THAT YOU ARE ONE WITH GOD. When I was taken into Merkabah, into the greater realm of space and time by my spiritual guide; I was shown how this physical life system is monitored by pyramids of light on various levels of star evolution, and how various teaching brotherhoods are associated with reorganizing the light according to the information connected with the pyramid frequencies. In the higher star fields there is a collective intelligence which makes up the God force of that galaxy; and behind all galaxies there is a Living God, emphasis on Living, which is the Mind Force of all the galaxies and universes. There is a higher dimension of consciousness which is Yod He Vod He, the Infinite Light, which works the higher Thrones and Dominions, and Principalities and Powers of the Infinite Mind. When you see that face to face, whether it is through the Inner planes or through other experiences of the greater space, you realize that we are but finger cells and toe cells of that greater life force.

When Uri Geller was speaking in New York several years ago he was asked by skeptical psychologists where he got his power. He said he got it from God, and they laughed at him, and he began to take a fork and to shape it, demonstrating the power of Yah, the consciousness of Light. When he shook the fork, the fork broke apart, and there were many that were humbled and offered him their services. When I spoke to Dr. Andrija Puharich in New York I asked him the name of the Intelligence behind Hoove, and he answered the name of the Intelligence behind Enoch, my spiritual guide. He put down on the paper the Yod, and I put down the He, the Hebrew letters for JH; the vowel composes the name Yah, or the projected consciousness of Light, the Infinite Mind of the Father. Now we have traditionally given the name spiritual masters for the teachers, the Ophanim, the messengers of the greater Lords of Light; and they are actually there in their space dimensions. They are able to take their mind energies which have evolved beyond the physical scheme back into the physical scheme

and once again embody themselves in this dimension of space and time. Whereas the majority of people have to go through reincarnation, they go through self embodiment. They know how to take their light consciousness and project it into any physical form necessary to teach the universes and dimensions just coming into being out of this eternal life structure remaking itself.

THE SECOND PRINCIPLE IS THAT WE ARE CHILDREN OF LIGHT. We are children in comparison to these greater deities, these greater Lords of Light, who have evolved beyond our concept of space and time. They are Masters of Light because they are multidimensional; they can inhabit many worlds. They can inhabit many time cells, they can link many time cells. We are as a blood cell or a brain cell of their infinite mind structure. As we become humble, not as scholars or intellectuals, but as little children of Light, capital L, we go through the common light of our light spectrum, our sun system, our moon system, and attach with the Living Light the Nartoomid of the higher universes. When we become children of Light, we become open ended vessels for the light, seeking spiritual, conscious, and physical alignment of the Light. It's Light that filters through. It's Light that you can feel. It's Light that we've been feeling this morning in the sharing. It is collective Light, and just as we are collectively on this planet, the other planets are collectively. Just as we have love for our fellow man on this planet, the star dimensions have a light of the Living Love, which they can project between planetary fields. It is given only when the planet is ready. The planet is ready for the Light when there are children of Light that can ask for karmic release from the physical structure, the physical representation of light as they define it. The whole purpose of life is to know the infinite self, the Divine Love within the infinite self which means that life is a process of all forms of all evolutions, of all universes. The process of death, the process of sin in the original Hebrew and Sanskrit is the nullification of the universe to recycle itself. So when you become embodied in one planet cell, or in one body, and you think that you're it, that's the moment of your mental crucifixion. You've reached the moment of your own mental darkness. You cannot find the Light by looking at your own sun or your own moon. There are many planets, and there are many more planets that have many more suns or many more moons. It's the quest then, for the infinite Eternal light, the Nartoomid, as Enoch calls it, as the teachers of Kabballah call it, controlling the light systems of other stars, of other sun systems. As we graduate from one sun system to many sun systems, we graduate by virtue of being able to dwell in many mansions of light. Be it all for our good. So be it. Amen. (More Principles will be given in Golden Dawn 75.)

(2nd and Final Part of Message) THE RICHES OF YOUR KINGDOM

Lady Vancia Speaks - CP

If you are abundance personified, you cannot fail to reflect it forth into all your affairs, and when this takes place, THEY MUST then materialize around you for your visible, everyday use. Since you're one with the Father, you can draw from your Real Source of Identity within all the financial wealth you choose to possess. The only limitation on it exists in yourself - perhaps in your unwillingness to ACCEPT that you ARE this wealth, mirroring your own Divine Quality forth, as surely as you do your present image when you stood in front of a looking glass.

Another good thing to ponder is that Life - God - Consciousness - AS YOU, has all the Power you need to DO and HAVE ANYTHING. It is just as easy for your Divine Nature to materialize you as a millionaire as it is for It to precipitate you with fifty cents. In fact, "Ye receive not, because ye ask not," and I might add that

"Ye ask not" because you don't hold a clear idea of what you want to project, or else you feel the "Little Limited you" is doing "all the work" and that it just doesn't have the ability to perform more than a few weak, so-called miracles.....if any. I repeat! There are NO limitations to the Power of your Spiritual Source within, EXCEPT those YOU put upon It!

The very fact that you want something shows that its vibratory presence is already taking form within you. Your desires are the very things you need to take your next step in human unfoldment - DRAWING YOU TO THEM, NOT THE OTHER WAY AROUND. That next step for many of you IS CHRISTHOOD. You cannot complete it until you can control the things and conditions that surround you and make them ALL conform to your Divine Will. THAT IS WHY LEARNING TO BE AND PROJECT RICHES as a natural part of your experience IS SO VITAL TO YOUR FULL DIVINE UNFOLDMENT. LET GO and LET the Quality of WEALTH that you ARE be expressed to the hilt! AFFIRM THIS IS BEING DONE BY YOU NOW!

Remember, you are (and always will be) "the Perfect child - or projection - of the Perfect King" - the SUPREME LORD who is mightier than any earthly appearance of lack. Thus, any financial condition you desire is yours WITHOUT QUESTION. "As a man thinketh IN HIS HEART so is he." This means, AS A MAN THINKETH IN HIS HEART ABOUT HIS OWN WORTH AND POWER - his SELF CONCEPT - alone shapes all his experiences. In other words, what you truly and perhaps secretly believe that you are, YOU BECOME, and what you BECOME, you'll soon manifest in EVERY CORNER OF YOUR LIFE!

That's how the God-you of Genesis creates your "Ad-am" (your additional projection of I Am-ness.) That's also how you build Him his Eden, for everything you see on Earth is the "image" - the reflection of what you conceive yourself to be. When you know that you are riches personified-as-you, you'll reflect this knowledge and make yourself rich, and you can "know thyself" in this way by decreeing this truth about your identity until your faith in it sets you free from any kind of lack forever. It doesn't matter what condition your affairs are in right now, or what your future prospects may look like - you've been warned NOT to "judge by appearances" and knowing this Truth about your limitless, opulent nature, will automatically change any Karmic conditions to correspond. You don't even need to work on the problem. In fact, it's better if you don't.

When you are trying to demonstrate your lack you're still forming mental patterns about it, aren't you? Such molds continue to reproduce themselves as you mentally refill them thus, when they would have faded away for lack of substance and pattern if you had TAKEN AWAY YOUR ATTENTION ENTIRELY. Can you imagine a Master who couldn't precipitate whatever He chose at will? Can you imagine a Master who couldn't make himself as rich as any shipping tycoon or popular movie star on the face of the Earth? Of course you can't! Mastery includes perfect control over everything and condition on the physical plane, and it is Mastery that YOU are working to achieve!

Declare, "I am riches personified, and I am now reflecting the riches I am from my Limitless Kingdom within." You've been told to "seek this Kingdom FIRST" - before you do anything else for it helps you "know thyself" as the omnipotent God that Jesus said you were. Of course, one seeks a Kingdom so he can control it. Therefore it's responsibility to take charge of your Kingdom as the Divine-You, making your God-nature the only you there is, and then to project your new found Perfection so your "Kingdom comes" as opulence or any other manifestation you choose, on Earth as well.

At this stage YOU KNOW you're the one who projects your state of health. You also know your human relationships reflect your inner harmony. Now it is time you made a move to do something about the state of your finances, as well. Health relates to your Divine Power Quality. Harmony stems from Love and (as the great Charles Fillmore of Unity put it), Prosperity originates in creative IDEAS or Wisdom. Unless you wish to remain improperly balanced, it's unwise to seek Power and Love from within, unless you also bring forth the Wisdom that manifests as creativity, success and wealth.

It's perfectly and Spiritually NORMAL for a budding Master to enjoy being rich, as long as he realizes he cannot safely take anything away from someone else "out there", or gain financial affluence at the expense of another. It's NORMAL to ACCEPT the omnipresent, limitless wealth within you as a quality of yourself, for YOU are the prodigal son who has decided to return to his "Source" and receive his Divine Inheritance from his "Father within". Claim, "I am programming myself to ACCEPT MYSELF as Opulence," just as you programmed yourself by claiming perfect health and harmony until these attributes became a manifesting part of your soul.

The Power in you to precipitate riches is just as valid as any other achievement, and just as necessary to your well rounded unfoldment into Christhood. Wealth is your birthright, so seek it with a clear conscience, "and ye shall find" its fulfillment. Knock at the inner door of your own Heavenly gates and they'll be "opened unto you." In fact, as you Prove the Power of your Divine Self "the windows of your Heaven will open and pour you out such a blessing there won't be room enough" (in your world or in your span of experience) "to receive it all!" You'll have as much of anything good in your life as you can accept AS A PART OF YOURSELF, and abundant financial supply is WAITING, yes actually PRESSING against your inner door - longing for you to come and RECEIVE all the riches you could possibly want.

Again let Me say, "Seek ye FIRST the (inner) Kingdom and its righteousness" (or Truth) that YOU are Omnipotent, Omniscient, Omnipresent God, projected into ensoulment as yourself and as such, Perfect health, wealth and perfection are destined to be a part of your soul. When you understand this fully, all those "things" you want will be "added unto your life" as a matter of course, and you'll have only to mold them into outer form by thinking of them. Here is a three fold method for manifesting wealth. First - BE riches personified, and program yourself to accept this as the truth about you, by establishing it as a part of your ensoulment thru decrees. Second - Radiate Love to EVERYONE, or at least someone - your child, your husband, a friend, yes, even your dog. Then, third - visualize your entire world as reflecting back to you the riches you are in whatever way you may choose to enjoy them. Follow these three steps persistently - pray them into existence by keeping ceaselessly in touch with your Source of them within - lovingly and calmly reviewing each step with INTEREST, whenever you think of it, until you manifest the wealth that you seek.

It's how poor you think you can be that impoverishes you. It's how rich you KNOW you are that will make you a millionaire. However, a word to the wise - your self concept is so incidious you're often unaware of what position you hold in this respect. Therefore, vigilance must be your watchword. You came to Master the Earth and all it holds FOR YOU, according to its laws. Now your goal is in sight, so BE IT! Just BE it!

Amen

EXCERPT OF A MESSAGE FROM THE GREAT DIVINE DIRECTOR
BEFORE HIS ADDRESS TO THE INTERGALACTIC COUNCIL
JULY 12, 1983, MT. MC KIMLEY, ALASKA RANGE, ALASKA

"It is an honor indeed to greet you this day in the Father's Kingdom upon the Earth. This evening we will bring to the Council our findings on the electrical/magnetic potential of plate tectonic stimulation over the next decade, and how the plate stimulation will affect the magnetic frequencies in the polar regions.

Friction is beginning all along the "Ring of Fire", beginning here on the Alaskan Peninsula and extending into the Pacific. With the added stimulation brought about by electromagnetic planetary influences, plus the incoming "Shiva Energies", which are meant to stimulate the spiritual aspects in man, we have then placed additional pressure upon the magnetic fields of the earth. To a point, this normally could be tolerated by the planet, but you are NCT in normal times. Therefore, our report will show that the added stress will create a more rapid increase of activity-volcanic and earth movement over the next few years. With the interruption of the earth's magnetic field due to these additional pressures, there will be an increase in the wobble as well. Therefore, we would all agree that things are well on their way for an abrupt change in the living habits among many of earth's inhabitants.

It is essential that we get across to them the idea that these changes are joyous. Life is not permanent upon the earth plane, but ever changing. People must begin to take on a more cosmic point-of-view in order to see things in their true perspective. Rejoice for the earth. It is throwing off a yoke of oppression. Be not frightened by the immediate results.

Our cause for alarm is more over the immaturity of the people and their lack of spiritual awareness, than it is for the safety and well being of the planet. We, therefore, will be sending forth the message of joy, not fear. Be courageous, trust God, and all will be well. As your devoted Joshua mentioned in his beautiful little book, we fear that the soul is not ready to advance. This bothers us immensely as we cannot hold back the tide of events now, even if we wanted to, but must allow fall due what must.

The Hand of God has, this day, moved across the waters of the earth. He has today decreed, "Let there be Light upon the Planet called Earth once more." Therefore, we must do whatever need to be done to make His word manifest. We confer with the Planetary Hierarchy to aid and assist them at this crucial time. Now I go to address the Council.

I Am the Great Divine Director for the Planet Earth. Peace be unto you."

Received by Lucy Colson, 7/12/83 Denali Natl. Park, Alaska

Our Golden Dawn Readers who have followed the messages we have printed from Lucy Colson will be pleased to hear that her new book "TELL MY PEOPLE" by Joshua is now available.

"Taking into consideration that not everyone is on the same spiritual level of understanding, Joshua tries to prepare EVERYONE for the coming changes with JOY!; through a greater understanding of self, the history and mechanics of the planet and why these changes must occur."

CHRIST MICHAEL - FULL POINT

Beloved, I wish to speak to you in Full Point as Michael. I Am among you. I want you to know that. I want you to attune and I wish to convey my eternal heartfelt Love for each and everyone of you, My dearly Beloved Brothers and Sisters in the HOUSE OF LOVE.

I have been with thee time and time and time again in many, many identities, but never have I been with thee in Full Point as of now. I WANT YOU TO KNOW THIS! I WANT YOU TO FEEL THIS!

If you care to open your eyes, you may witness a transfiguration. I want you to know the Truth of what I Am saying. I want you to become one with the Father through me. The Truth remains infallible. No one comes through The Father except through The Reigning Christ.

The Christ Michael History will be made known to you in due time. Suffice to say Christ Michael is the Highest Christ Consciousness attainable within the Heart of the Father. We might say it is the Activator of the Eternal - yes beloved, Eternal Love-flow. Become one with that Love. Feel the strength as it courses through your beings. That word means several things. I didn't say "curses" through your beings.

Beloved, not only this planet which is truly a beautiful planet is in danger at this point. What happens here in accordance with the plan of The Christhood is reflected throughout Creation. You have been told many times that the Principals - both Christ and the Anti-Christ were brought together in THIS vesselship, THIS lifetime, THIS incarnation in the time-space reference known as the planet Earth in the present time; that the so-called Battle of Armageddon will decide once and for all the future of not only this planet, this universe, but of further creations. Many mistakes have been made in Creativity. We hope to correct those with your help. No Man, no Spirit, no Christ is an island unto themselves. We are One, ABSOLUTELY ONE IN THE FATHER. I do not wish to expose you unduly to this additional energy.

But I will say, My Blessings to each and everyone of you truly in the Name of The Father and of The Son and of The Daughter (formerly The Infinite Spirit). I shall be with thee throughout all eternity. Please accept the Love of Michael - The First Born - The First Created. It feels very humble to have been allowed to come within your consciousness this evening.

mjs

Remember, these great and holy gifts already abide in you. Lift up your head and give thanks for them. Love them. Rejoice in them always and bring forth that they will begin to do the works. Your days of struggling and striving have been but to purify your heart, mind and soul so that you could be worthy abodes of His glory. These are the things I not only believe, but the things I KNOW.

In Joseph Smith's Teachings page 322 it states: "Those holding the fullness of the Melchizedek Priesthood are Kings and Priests of the Most High God, holding the keys of power and blessings. Whereas now they are only anointed to become such." When they are called up to become Kings and Priests unto the Most High God the women will be called up in their own right to become Queens and Priestesses. Until they have received the ordination which only God can give, none have made their calling and election sure. For in reality they have only been anointed to become holders of the Priesthood of Almighty God in its fullness in the contact with the very power of God when all things are subject unto one. No man is truly honoring his Priesthood at the present time, for honoring it would be using the powers without limit.

All on earth I am trying to do is to teach mankind that it is possible for every child of God to be so in tune with Him and His Holy Spirit that they can be directed in all that they do; in all that they say; that their lives can become a melody of living glory as they learn to abide completely and fully in His Holy Spirit. It is such a breathtaking glory every moment to every day that is almost unspeakable in its power.

These gifts of the Spirit are far more real than any jewels of this earth. They are a million times more powerful. When you are completely prepared, the Bridegroom will come to you, and your efforts will no longer be wasted, but every thought will bear fruit unto the Lord, and your way will be one of lighted glory. The anointing of the Father will be yours. Yes, my dear, when one has taken upon himself the Name of Jesus Christ, and has received His anointing of Light, then He must use that Light and that Power at all times. The old mortal self must be left behind, and he becomes the Light which he has perfected within himself. Remember, Christ is the door that leads to the Father.

As you vibrate with this Light and Joy and Peace that comes only through the power and Spirit of God all things will become harmonious in your life. Peace, the great gift of God to the world at the birth of His dearly beloved Son will be established unto you - peace eternal - peace with all its associate blessings of Joy, and Light, and Power, and Goodness, and Understanding. Let no vibration but Love and Peace ever go out from you. Hold yourself within this Light of His enfolding Spirit, which is always Peace and Joy and Light, and you will soon have the Power to abide in it always. Then you will KNOW that IT abides in you forever and forever, and all power will be given unto you, both in heaven and on earth, the Life and the Light, the Spirit and the Power, such is the promise.

The Kingdom of God within (which Christ was always talking about) is that Light of Christ within yourself, that you must enthrone upon your consciousness, that you truly fulfill the prayer and the covenant of the Sacrament; that you always remember Him; that you will always have His Spirit to be with you. It is this Light, and this Spirit that will fill you with Light as you bring it forth within you, until you can comprehend all things. This Light and Life which will be subject unto you is the Light of Christ within you. As you hold yourself always in God's divine vibration no darkness can come near, or touch you. You can send it out consciously to bless, and heal and glorify all whom you contact, and to help glorify a world. This is the Light and the very Gift of Life that will be given to you - the Power to bring back to life withered limbs, broken bodies, injured minds. Already you are beginning to do this, but not yet with the full comprehension of the Power you are using.

THE CITY OF THE SUN MAKES A SPECIAL ANNOUNCEMENT!!!

Since the autumn of 1976 we have, from time to time, been privileged to share in our little Light Publication "The Golden Dawn" some of the unpublished letters, talks, messages as given by ANNALEE SKARIN. Through the years some people have asked if we could assemble ALL of this UNPUBLISHED MATERIAL in one BINDER.

So, at this time, we are privileged to offer to you

THE CITY OF THE SUN FOUNDATION'S
BINDER
UNPUBLISHED MATERIAL OF
ANNALEE SKARIN

It is a 11 x 8½ inch pressboard Binder of royal blue consisting of 62 pages of these messages. Most of it has appeared through the years in the Golden Dawn, and yet there are 12 pages of new material which we have not printed before. Later we expect to mimeograph more of her material, and it could be added to this present Binder.

Most of you are aware that Annalee, and her husband Reason, translated in 1952, and yet much of this material, as well as most of her books, are from the time SINCE HER TRANSLATION. (Translation was turning the cells of her body into cells of Light, enabling her to "come and go" in the third and higher dimensions.)

Quotations from Annalee about her Work:

"This is our work. We ourselves must eliminate the darkness - every thought, every word, every vibration of fear, worry, despair and confusion. All on earth I am trying to do is to teach mankind that it is possible for every child of God to be in tune with Him and His Holy Spirit; that they can be directed in all they do, in all they say; that their lives can become a melody of living glory as they learn to abide completely and fully in His Holy Spirit."

The house mentioned above is a part of the City of the Sun Community, and so the new owner would have to become a member of the City of the Sun Foundation. It would be necessary to pay a \$600.00 Community Development Fund before the lot could be assigned to the new owner. For details write the City of the Sun Foundation, P. O. Box 356, Columbus, New Mexico 88029.

A THANK YOU

During the dry season all appreciate the cooling showers, and so too do we appreciate those Golden Dawn Readers who contributed to us during "the dry summer season", to assist us in continuing our work of sending out the Golden Dawn. Just to hear from you is always an encouragement, and then any monetary contribution is always so helpful.

We do give thanks to the Heavenly Father for each of you.

CITY OF THE SUN FOUNDATION

AT THE CITY OF THE SUN:

This has been a summer with many refreshing showers.

Mary Bennett, Computer Expert of Mt. Shasta, California, visited with Dorothy Rayburn Zawick and Wayne Taylor.

Ralph Snyder and Douglas Deyo were here several days and became acquainted with quite a few of our community members.

Our friend, Bill Van Winkle, had a weekend with us.

It was nice to become acquainted with Mr. & Mrs. Doyle Thompson and their grandson, Russel, of the Phoenix area.

During July Olie Mae Hale had the opportunity of accompanying her daughter and husband, Charles and DeJuana Jones, to their home in Alexandria, Virginia. Much of the drive was beautiful, especially along the wide flowing Potomac River. She did sight seeing in the Old Historical Town, visited parks, museums and shopped. As wonderful as the trip was, she was glad to fly home.

Aug. 15-18 the Wm. Switzlers had a fine partial family reunion with relatives from both the East and West Coasts.

Aug. 11 Dorothy Rayburn Zawick left for a working vacation in the Albuquerque, New Mexico area. Accompanying her was Elizabeth McLamore of San Juan, Texas, and preceding them were Mr. & Mrs. Ralph Snyder of Alamo, Texas. Of importance was the contact with Dr. E. Briggs, as well as several lectures and workshops - The Institute of Human Engineering and United World Cultural Center, Gold Key Spiritual Center, Dr. Patricia R. Diegel, as well as a session on Planetary and Outer Sounds by Michael Heleus, new Editor of the magazine, "Energy Unlimited" P.O.Box 35637, Albuquerque, New Mexico, 87176.
