CITY OF THE SUN FOUNDATION

NUMBER 85  
(July-Aug. 1985)

BE EVER ALERT

From realms quite unimaginable to beings of planet Earth, I bring you tidings of infinite love and joy through channels of thought often referred to as telepathic communication. It is through such channels that most of Earth's greatest innovative and creative accomplishments have originated, for high beings of "Light" have visited your planet to spend lifetime existences there for literally hundreds of thousands of years. These beings, whose origins span the length and breadth of the galaxies, brought with them to Earth abilities which they themselves were often unaware of - abilities to add to the progress of Earth evolution through manifestation of their creative thought.

Time and time again hosts of beings visited that planet, spent their given lifetimes, and departed without the knowledge and awareness that they themselves were not Earthmen or Earthwomen. The accomplishments they left behind fill your history books, although much of the change brought to Earth from other realms is not noted in your paper pages. There is, however, a voluminous amount of information concerning Earth's history from its earliest stages cached away in storage vaults in numerous yet to be discovered areas of your globe. All the mysteries of Earth past shall be brought to light at the proper time through efforts of specified persons whose missions are to unearth such information to aid the dawning of the New Age.

More and more the consciousness of multitudes of Earth beings is being raised to the awareness of the changes occurring on that planet this very day. Persons are coming into the knowing of their "Lighted" origins and their reason for being on that planet at this time. Butterflies are continually getting closer to that day of realization when they shall emerge from that cloak of veiled Earth awareness, that cocoon of limited vision, and spread their wings in the sunshine of a greatly changed planet, a planet of high vibratory rate and corresponding enlightenment.

This present hour of Earth change shall be the culmination of literally thousands of years effort on the part of "Lighted" beings throughout the universe to bring enlightenment to that rather dark little planet. Those of you who read these words are most apt to be there to see these great changes come about. These changes have been prophesized for centuries, and now at last we can assure you that they are about to be realized in your lifetime.

Sound like a pipedream? Then so be it. The fact remains, however, that there are thousands of persons on Earth right now who know from within their beings that

this metamorphosis of planet Earth truly is about to become your reality. Such is the awareness of persons who have spent much of their current lives getting in touch with vibrations and thought from realms far from the reaches of Earth environment. Can you visualize a planet of harmony where all souls feel a deep love for one another? Can you imagine a society of "Lighted" beings where such concepts as fear, jealousy, greed, selfishness, doubt and worry are only memories of a past life? Can you picture a world of cultures all coming together in the common denominator of unlimited love and harmony, working for the common good of all mankind regardless of race, creed or color?

Such a society shall truly exemplify the Brotherhood of Man of which your Jesus of Nazareth spoke as he attempted to bring rhyme and reason into the lives of Earthmen and women. While he was a fisher of souls, he was as well a sower of seeds, for he put forth concepts upon that planet which have never been extinguished. They were adapted and changed for Earthman's personal use perhaps, but they were not extinguished. The true preachings of Jesus the Christ shall be revealed for all to share as the time vaults of Earth history are uncovered. Then one and all shall know the message He brought to Earth in its truest terms, not just those parts which the church hierarchy chose to relay to its parishoners.

To those of you who know such changes shall occur, I tell you to keep your senses alert for tidings of good will. Be ever alert to subtle signs of extraterrestrial influence in your daily life. Beautiful, positive occurrences shall be happening within your perceptual ability range from now on. Remain open to perceptions sometimes described as spiritual or metaphysical. You shall not be imagining things, as you would say. What you shall be doing is perceiving manifestations of thought and physical and etheric presences from extraterrestrial sources. Such perceptions shall come to persons of unfolding awareness who shall be ready to witness and understand them. Not all persons with whom you may associate shall perceive such experiencings, and so it shall be necessary to use discernment in your enthusiasm to share your experiences with others.

There are such spiritual experiences being perceived by various persons on Earth this very day. It may well be yours to experience tomorrow or the day after. With all the levels of awareness present on your planet at this time, does it not seem quite likely that certain persons shall experience extraordinary happenings in their own individual times and places? The time for all persons upon that planet to experience complete planetary change of spiritual significance is still down the road a piece. This message is of great significance to many of you. Heed it well.

In that glorious "Light" of Our Creator, I send you great emanations of love. I am known as Starla. Adonai, my beloveds.

WORLD GOODWILL -

"I am a member of the world family.

"I am related to those who stand next to me - by the air we breathe - by the light we share - the hope we have for a better world.

"I have a responsibility to give - to receive - to be open, tolerant, free.

"I have inherited this world from those who have lived before. I occupy space and time for a few short years. I hold this world in trust for those who will follow. My life - with others - can fashion this world toward Peace rather than strife - hope rather than despair - freedom rather than slavery.

"I, with those about me, can make the Brotherhood of Man a living thing. I pledge my willing spirit to this thought. We will do this together."

THE REWARDING JEWELS

"The PSALMS are the richest, most rewarding jewels preserved in the annals of man's evolution on earth, and the lovely part is that they have not been changed like so much of the Bible and lost in translations. It's possible they were written so they couldn't be changed without losing the import of the lyrics.

Find the ones that strike a note in YOUR soul and when the world gets to be too much they will comfort and sustain you until the bell sounds for you to rejoin the sometimes weary travelers you've chosen to share your path of life. And may God's LOVE be your hope every day in every way." Master "Sen"

Could you imagine any situation where these words taken from the 56th Psalm would not be salve for the soul, or build a basis to stand upon?

"In God have I put my trust; I will not be afraid what man can do unto me."

How many times does the soul need a cleansing especially when the carnal self has held sway and true remorse is felt for having "fallen in consciousness"? Psalm 51 can soothe and reassure with:

"Create in me a clean heart, O God; and renew a right spirit within me."

Are you discouraged? No matter what you try, nothing seems to go right? Psalm 42 has beautiful reassurances:

"Why art thou cast down, O my soul? And why art thou disquieted within me?

Hope thou in God; for I shall yet praise Him, who is the health of my countenance, and my God."

For comfort try Psalm 46:

"God is our refuge and strength, a very present help in trouble. Therefore will we not fear, though the earth be removed, and though the mountains be carried into the midst of the sea."

Wonder about your worth and who you are? Try Psalm 82:

"I have said, Ye are Gods, and all of you are children of the most high."

Are you ever afraid for your safety, try Psalm 91:

"For He shall give His angels charge over thee, to keep thee in all thy ways.

They shall bear thee up in their hands, lest thou dash thy foot against a stone."

And what's the price for all these good things given with His bountiful hand?

Psalm 92:

"It is a good thing to give thanks unto the Lord, and to sing praises unto Thy name, O most High. To show forth Thy lovingkindness in the morning, and Thy faithfulness every night."

Back to Psalm 91 for more assurance:

I will say of the Lord, He is my refuge and my fortress; my God, in Him I trust."

Comment: If you have not recently looked at some of these "Rewarding Jewels" we commend that you do so, for they are rare gems to help our souls - Psalms 121, 23, 19, 24, 67, 95, 100, 103, etc.

Comment from the Golden Dawn Committee:

This is one of the strongest messages on "Peace" we have seen.  
We urge that each of us read it with our "whole heart".

### PEACE: HOW - WHY - ULTIMATE GOAL

Blessed Suns of LIGHT, more than ever on Planet Earth is the cry heard into Space Itself: "PEACE - GLOBAL PEACE - WE DESIRE WORLD PEACE!!" And this loud cry IS heard by the Realm of LIGHT and the waves of Peace-full Energy is sent around the Planet - yet, it seems, to NO AVAIL, for there continues to be conflict, confusion and total dis-harmony and dis-cord. So many of you ask. "WHY!??"

Beloved, in the customary fashion of most Earth Inhabitants, there is indeed a strong DESIRE for Perfect Peace, but there is (1) little patience, and (2) a desire for achievement of Peace WITHOUT effort. Let us explain.

The average human desires for the Planet a condition which has not yet been achieved by individuals. Yes, you want Peace AT ANY COST but many of you seem ignorant regarding what Peace is - and how to achieve It. The kind of Peace many seek is a FALSE peace - or you may call it a 'synthetic' peace. PURE PEACE is a very different condition made up TOTALLY of Cosmic, Divine vibrations. And, My Suns, it is totally impossible to give you word description of this Perfect State. YOU HAVE TO EXPERIENCE IT. And such an experience must occur on the INNER LEVEL before you can even begin to explore the Avenue of World-Wide Peace.

The reason for so much failure existing in the pursuit of World Peace, is that so many people 'working' for this Global Harmony are themselves out of harmony with their own Inner Selves. BEFORE ONE CAN SERVE THE CAUSE OF WORLD PEACE HE-SHE MUST HAVE ACHIEVED INNER PEACE AND THROUGH THIS ACHIEVEMENT HAVE GAINED KNOWLEDGE ABOUT WHAT PEACE TRULY IS. If one speaks about 'Peace' while still harboring hate for certain people or cultures, he-she defiles the Energy; if one's ego becomes easily 'damaged' causing him-her to feel a need to retaliate, or to have a grudging nature, that person cannot serve the cause of Peace; if one cannot feel compassion and LOVE for those who may have done him or her harm, he-she too is an unfit advocate of World Peace. TO BE A PEACEMAKER ONE MUST BE IN A STATE OF PEACE.

As is so often the case in Earth matters, the cart seems always to be ahead of the horse. They cry 'Peace' while they continue to build defense instruments!! They cry 'Peace' even as they ignore the deepest needs of others!! They cry 'Peace' as their inner turmoil continues to destroy the tranquility of their Souls!! Beloved Suns - this is not the Way! BEFORE you can transform the world you must transform YOURSELF. Before Peace can be an established fact in your world EACH OF YOU MUST FIND THAT INNER PEACE. It is this that will lead you to the Gate of Understanding and guide you on your way to helping others find that same State of Perfect Peace you have found.

Blessed Ones, when the 'inner' problems have been solved you will see how smoothly the outer conflicts can cease and the State of Peace restored Globally.

Clear away the debris within yourself that clogs the way of LIGHT depriving you of Inner Peace. Cast out greed, vanity, immorality, hate, vengeance, suspicion, pride, a hungering for control over others, untruths or even 'half' truths, non-forgiveness, meanness - - become naked of these confining garments and bathe in the Sacred Pool of L I G H T. It will be a Re-birth WITHIN a re-birth for you as L I G H T wraps you in the Robe of P E A C E - that Perfect Peace which cannot be explained. I..AM..THAT..I..AM.. CONCLUSION of Unpublished Letter of Annalee Skarin:  
YOU SHALL COMPREHEND EVEN GOD

Now perhaps I can explain the relationship of Christ and the Father. Christ means Light, or was that Light - and this great Light was the first-begotten and only begotten of the Father, the great wisdom and intelligence and love which created all things (out of this only begotten Light.) Jesus, being the first mortal who never sinned against the Light, not even in one instance, even in the pre-existence, was chosen before the foundation of this world to make it manifest in this mortal life. He was the One to show us the way and to make it apparent to all mankind how they could return to the Light and glorify it and the Father. Then as He glorifies God within Himself He brought forth that great eternal Principle of Love and Light until He became just That - the Father Principle of Creation, Love and Intelligence, just as we can become IT. But it is not this little mortal self that will accomplish so great a work, for as Christ said, "I of myself can do nothing." It is the Father (Principle) within who doeth the works - and this is the Greatest, and anyone who achieves unto this knowledge and brings forth this Light and Love becomes that very thing, and receives the "Fulness of the Father." Or is so filled with this Divine Principle of all-knowing, all-love, all-light that he becomes That. Thus there are Lords many and Gods many, but to each of us there is just the One God - the Father within us, who does the works - and as "In Him we live and move and have our being", so in us He lives and moves and has His being. We are truly the dwelling place of the Most High, the tabernacle; yea, the very Temples. And as we learn to put our little mortal selves aside, we become That Principle of Light and Glory and Love and Creation in manifest form, working out His will on whatever degree or level we attain unto. Yes, there are Lords many and Gods many, but to us but One God, though everyone who begins to manifest the power of God, through bringing forth His Word in his flesh, is truly a God.

You say, "If the Father is just a force - a power, etc. - who begot our spirits? We have been so trained in the corruption of this physical world that we believe that sex is the only method of producing. Now notice from section 93:23 & 29 of D & C, "Ye were also in the beginning with the Father, that which is Spirit, even the Spirit of Truth - Man was also in the beginning with God. Intelligence, or the light of Truth was not created or made, neither indeed can be." As I understand it, we were entities of light, which is intelligence, in the beginning, and by following the course of progress we gathered to us more and more light, for light cleaveth unto light. Finally we progressed until we were clothed in spirit form, which was a full consciousness of our light and life and love.

You ask, "Can a disembodied intelligence think and feel, and transmit knowledge? How could it be intelligence or light without cleaving unto more light, and gaining more intelligence. If it does not continue to increase then it becomes a thing of darkness and is no longer intelligence. Remember, and legions shall fly to fulfill your command? Legions of entities, or spirit intelligences of which all things are composed - the storms, the winds, the clouds, the elements - these are co-eternal with God. They are neither created nor made, neither indeed can be - and when you are ordained of God they become subject unto you. Can you catch a glimpse of the breathtaking grandeur of that which I am trying so hard to share with you? Love these things. Love God with every breath, with every thought! Love the Spirit of the Almighty in which you live and move and have your being! Just love and adore and rejoice - and the power of love and joy and happiness, which is the power which

forever eliminates the darkness, will bring to you these greater forces of existence, and humbly they will obey your commands.

Don't worry about an unembodied God. It is this Light and Love and Infinite Power of Omniscience, of Omnipresence, of Omnipotence that has all the intelligence, all the love, and the infinite understanding to accomplish such glory. Just feel His love and His infinite Spirit enfold you. Let it pour through you. Become ever more aware of His nearness through this Divine Holy Spirit which is yours to abide in Always. Then love with every cell and fiber of your being, and let Him teach you of Himself - and then you can be taught that you and He are One. Let all ideas of God be dropped from your mind - and seek to comprehend the God Christ taught. Know this, God is not only clothed in Spirit - He is Spirit, according to the scripture. In our translation it states that He is "A" Spirit, but it states in the original that God is spirit. But so are we Spirit - and we will be consciously aware of that eternal aspect of ourselves when we can think in terms of Spirit instead of the terms of the physical. Contact that Light of Christ within, and it will reveal the Father so that you can comprehend. Just keep your heart, mind and soul wide open and then you can truly be taught. Just know that Jesus was an individual as you or I, but that the Christ is the Name of the Great Light of which all of us were composed, and which Name we must again take upon ourselves, for it is the only Name given under heaven by which we can return - for it holds the knowledge of its own place and dignity and calling and substance and existence.

Let your heart be opened with love. Trust in that divine love in carrying you through every dismaying belief or condition in the full perfection of His glory. Continue to study the scriptures upon the subject and pray to know. Seek Him diligently. Seek Him early. Never be satisfied until you actually KNOW God. Only by so doing can you glorify Him, and fill your own great destiny. As He is permitted to come forth and express through you, work through you, love through you, then you find that you are truly a vessel of the Lord. The command to "Walk with Me", is just a loving invitation to feel as though He were ever beside you, so close that He can answer before you speak. He is that close, and when we awaken to the comprehension of that fact we will have truly returned to the Father's House, for it is the whole human race who is the prodigal son. It is we who have gone astray into far countries and completely shut Him out of our lives. Love and worship and adore as though He were with you every second of every day, and He will be that close, and you will feel His presence and His love and His power.

There is one more thought I would like to leave with you. It is in Job 12: 7 to 10: "But ask now the beasts, and they shall teach thee; and the fowls of the air, and they shall tell thee; or speak to the earth, and it shall teach thee; and the fishes of the sea shall declare unto thee. Who knoweth not in all these that the hand of the Lord hath wrought this? In whose hand is the soul of every living thing, and the breath of all mankind." It was the flowers that talked to Carver. But it seems that all nature and every living thing can speak when we open our ears to hear and our eyes to see.

You asked about that facsimile in the Book of the Pearl of Great Price. There is so little that is translated. It covers so very much more than has ever been given. Even the parts that have been translated are given incompletely. Figure 3, according to the translation - from the middle of the verse: "Representing also the grand KEY WORDS of the Holy Priesthood as REVEALED TO ADAM IN THE GARDEN OF EDEN, AS ALSO TO SETH, NOAH, MELCHIZEDEK, ABRAHAM AND ALL TO WHOM THE PRIESTHOOD WAS REVEALED. Adam received it in the Garden of Eden, but Seth had to have it revealed

unto him - as did all the others who had the Priesthood REVEALED UNTO THEM. You'll be surprised that the Priesthood is definitely something that must be REVEALED. It is not just something that is bestowed like an ordination of one man to another, BUT IS A POWER WHICH MUST BE REVEALED.

Now turn to the facsimile with an open prayerful heart. Notice that Kolob is not the planet where God dwells - it is one of the planets nearest to the throne of God. Then study the records concerning Him in the D. & C, how He is in the bosom of Eternity IN THE MIDST OF ALL THINGS. Then, if you can comprehend that each individual is just a small universe, and for a moment forget that you are looking at the diagram of the history of a universe - but of man - at the center of his soul is the throne of Light (The Light of Christ) and how this light is sent out from the center to the various parts of his being to enlighten his heart, mind and the cells of his being and around outside encirclement of flesh. When this is completely translated, it will reveal fully the contact of man with His Maker - the glory of this Light within - the power of THE REVEALED KEYS OF THE PRIESTHOOD which is only that contact with Almighty God which is within every soul.

Now about how to pray. Do not let that trouble you. Pray as you always have, only without trying to send it across space into infinitude. Pray as the scriptures say "Feel Him". Learn to feel and comprehend that Light within you. Love it, rejoice in it, and when you have brought it forth until it fills every cell and fibre of your being, and your mind, then will you truly be born of the Spirit, and receive the Fulness of God, and He will be revealed unto you. And that Light within, having been brought forth to completion will become ONE with the great Light of Spirit which fills the universe. This will be your ordination, your anointing of Light, your glorious experience of receiving the Fulness of God.

It is quite necessary that you begin to comprehend, since you have asked. Therefore, it is time for you to KNOW. You must henceforth and forever take hold of the Light and glorify that Light. Worship and praise and adore Him constantly. Give thanks every moment of every day, if necessary, to eliminate the darkness. Thus will be given to you the power to cast out darkness, and be clothed in Light. (Light of mind or comprehension.) No individual on this earth has the right to take the place of God in another's man's life. No one has the right to assume the authority of interpreting the will of God to other men - for each must learn of his own birthright. Then truly he will need no man to teach him, for he will be taught of God, and will become One with his Maker, even God. This is the work we must do here in order to connect up with the work that is being done over there. We must free our own minds, then with infinite Love and Light teach mankind the dignity of his existence, and the power of his destiny, if he will only accept and fulfill it.

You will know the Truth and the TRUTH WILL MAKE YOU FREE. Your mind will never again be shackled to trust in the arm of flesh or in the opinion of men. But you will abide in the true Light, and thus fulfill the glorified promises that you will need none to teach you, "But they shall all be taught of God." This is the only road to Truth. This work is only to tear the blindfold from men's eyes, to let them know that it is possible for every individual on this earth to contact Him, to prepare them for the great revelation which will come when He reveals Himself to them individually. Thus He becomes a most personal God to every individual, as we glorify Him. Thus, we who are the very least, can become the greatest - even one with Him, and we too can finally declare "The Father and I are One."

I know that it does take time to absorb this information. It is so contrary to all we have been taught. I have not written these things to disturb you, but to

release you from the binding shackles of earth, that you might step forth in your own power and glorify God. I suffered more over these same things than over anything else in my life. It seemed utterly impossible for me to comprehend, for I had been steeped so deeply in the traditions of the fathers my mind had almost petrified upon the subject. Now I have sent this information to you to prepare you for that which is to come. I love you with such a tender, infinite love. I know how we are One, and I truly love you as my own soul, for you are just that.

Oh, it is so wonderful just to Know Him - to feel that you have returned to His House - and are again a part of the heavenly Household. Live and think and act as though He were right beside you every instant of every day. This is fulfilling the command literally, "Walk with Me". This divine invitation belongs to you even as it did to Enoch and the great ones of old. The more you live with this thought, the more sure and perfect becomes the knowing. It is glory and power and joy and happiness. It is everything in a pure, perfected glorified blending of completeness.

Moses 7:35-6 - "Behold, I am God; Man of Holiness is my name; and Endless and Eternal is my name also. Wherefore, I can stretch forth mine hands and hold all the creations which I have made;....."

D & C 121:26-32 "God shall give unto you knowledge by His Holy Spirit,...which our forefathers have awaited with anxious expectation to be revealed in the last times - a time to come in the which nothing shall be withheld, whether there be one God or many Gods, they shall be manifest. And thrones and dominions, principalities and powers, shall be revealed and set forth upon all who have endured valiantly for the gospel of Jesus Christ. And also if there be bounds set to the heavens or to the sea, or to the dry land, or to the sun, moon, or stars.... According to that which was ordained in the midst of the Council of the Eternal God of all other gods before this world was....."

VISUALIZATION TO FIND PEACE (WEATHER THE STORM)

Know the motionless peace in the Center - where I AM. In the Center is stillness. When you are in My Oneness there is absolute tranquility. You can cast away all worries - all burdens - all cares. I will give you rest. In that rest you will be renewed and free of your illness.

While seeking that rest in Me visualize the peace of the dragonfly. See him (iridescent blue shimmering in its brilliance in the heat of the noon-day sun) rest weightlessly on a lily pad in a quiet pool. Drifting peacefully along beneath the shade of blossom petals, it is held up by the under support of the leaves and protected and enfolded by the blossom in all its beauty. No storm can touch it. It knows its peace.

Visualize this and know that you can find that peace and rest in Me. Your soul will find rest. You will be renewed. You will be filled with peace. Rest as the dragonfly on the lily pad - in complete peace and tranquility. Rest in Me and be healed.

YOUR MISSION

What is your mission, you ask? Your greatest mission is to BE DIVINE!

Each soul who comes into the physical world brings with him a plan which he is to fulfill. The plan contains the instructions for living a full and useful life. The unrest one experiences is because he has lost the plan! So, he begins to search. He looks to books, to teachers, to techniques, searching for his plan. Eventually he will discover that none of these can give him answers nor find them for him.

When all else fails he then turns within and seeks for his SELF. THERE he is answered. THERE is his plan and he discovers his mission! He finds he has a new awareness. He sees with a new vision and much that was important falls away as being of no value. His relationships take on a new importance for he now knows that he is ONE with all and what he thinks or does has an impact on all of humanity. Thus, he finds his mission is to express his Divine qualities and capabilities to the extent that he is able. As he does this, his ability will expand and he will have more power to demonstrate God-in-action. He will KNOW that he is DIVINE. Thus, he can fulfill his plan for Life.

Wherever you are, whoever you are, you are DIVINE NOW. Not at a future time or place but NOW you are DIVINE.

We repeat this Truth again and again for we know that it is difficult for many to accept or comprehend the statement "YOU ARE DIVINE". But if repeated often enough it will penetrate into the consciousness and will be accepted as Truth. Thus, we say and shall continue to say - YOU ARE DIVINE. Bless you.

I AM THE VOICE OF YOUR DIVINITY.

#### AT THE CITY OF THE SUN:

Two new projects for the City of the Sun Foundation:

1- We are sending a "SHELF OF LIGHT" (selected books) to Timothy King Kalio and his mother, Roseline Frank Kalio of 19 Accra St., Port Harcourt, Nigeria, Africa. They will be sharing this "SHELF OF LIGHT" with interested Light Seekers in their area. It will be a small library project and we are proud of this joint effort with the Kalios. Join us in prayer for this new project. We feel humble that Father God can use us in this way to shed more Light.

2. Some of the City of the Sun Members who are most interested are starting a craft workshop. A small building we have will be added onto with shelves and added room for a number of people to work at one time. We feel this project can lead to many different worthwhile results in the future. Andrew Webber has been drafted to lead out in the building part of the project.

We are always pleased to hear from our friends and Light Workers in the Encounters and Star People 4 D Network, France. Jean Michael is spokesperson for the group. They have supported some of our efforts here on the Pyramid and Golden Dawn, and are concerned about the spiritual welfare of France. An interest of theirs is Crystals, and they sent us slides taken in Paris Museum. In 1982 Giant Crystals were housed in Museum - some of them 82 in. long! They also correspond with groups in Africa and Germany. Their newsletter contained scientific explanations of auras, healing, etc. We are pleased to have such friends.

After the May 11th Members' Meeting Drs. Jim and Verlie Barton had an "open house" at their new home here for Foundation members and friends from Deming and Columbus. A lovely buffet supper was served to all.

Dorothy Rayburn Zawick has just returned to the City of the Sun. She brought with her her friend and art teacher, Helen Till of Laguna Beach and Santa Ana, Cal. They will have an art display, as well as lecture on nutrition, at the Last Frontier Cafe in Columbus.

The Webbers have been enjoying a spiritual feast with Brother Leon.

As we go to press, Isabel Pearson of Canada has been with us for a several day visit. She conducted an interesting service pointed at the Father's Day theme on June 16th.

The community members keep busy not only with their own building and gardening projects, but several regular classes are held each week, as well as from time to time, a fellowship supper.

We continue to take part in the important Peace 21 project.

PYRAMID UPDATE

Some of you Golden Dawn Readers may be interested in some of the things involved in the building of a pyramid.

The ordinary building is a box like construction. Things are in squares - vertical and horizontal. The pyramid, on the other hand, except for the square base, is a triangular construction. The four corners are not vertical but are slanting. In fact, there are no vertical members at all. This complicates things a bit. To attach a horizontal member to a diagonal there are two angles to contend with - one along the grain of the wood, and one across the grain. They affect each other, so in order to get a good fit it may take some time, but once you get the correct angles you've got it made.

Another thing, the ordinary building has sides and a roof. The pyramid building is all side and all roof. The so-called rafters go from foundation on up to the peak. It is this shape that directs the pyramid energy on up to the peak.

Our design for the four diagonals makes the construction much easier. Instead of using 4 x 4 timbers for the diagonals we use two 2 x 4's bolted together. The two half diagonals for a side of the pyramid can now be laid out on the ground to the correct measurements, and the angle of the edge cut so that it matches the flat surface of the side.

The timbers for any one side could actually be put together on the ground and raised into place with a crane. Since we have no crane, we just bolted the half diagonals together and mounted them in place over the foundation. Everything fit perfectly. It was not too difficult to add the framework after the diagonals were up. The framework is on 24 inch centers. We also have several small built in windows in each sidelight and two large ones that can be opened for ventilation. These have all been installed. The last thing to date was the installing of the half inch thick plywood on one of the sides. A Silicone Sealer was used on the joints. A Polyester Sealer was brushed on the plywood to protect it from the weather.

This is as much as we have done so far. All labor is donated which helps a great deal. Your money donations are used to purchase materials and are coming in nicely. We really appreciate your help.

THE VORTEX OF LIGHT IN THE CITY OF THE SUN

Rev. Wayne H. Taylor, a Founder of the City of the Sun, was visited late in April by his sister, Mary Cowgill, in company with her son, Wayne and three children, Jo Anne, Jennifer and John. Mary's son and grandchildren were anxious to see where their mother and grandma and her sister Grace had lived during early years as children.

It should be interesting to the readers of the Golden Dawn to learn that Arthur Taylor, and his family (including Mary and Grace) lived on a homestead near Columbus, New Mexico. Of particular interest is the fact that on this homestead of 160 acres is now located the City of the Sun. What a strange coincidence, some readers will say, that Rev. Taylor would decide to establish a spiritual "city-to-be" on the same land which his father, Arthur, decided to homestead and raise his second family. (A coincidence is putting it mildly!) A better term is that under spiritual orientation Wayne Taylor was guided to obtain title to this 160 acres of land after his father died, and then proceed to establish on it the legally incorporated City of the Sun under the guidance of Master Hilarion and other Masters in the Spiritual Heirarchy of the planet Earth.

Now to get down to historical facts: When Wayne lived on Atlantis (over 6,000 years ago) he was told by a Master that he was chosen to establish a new spiritual city on this continent. However, this continent was not as yet discovered by Columbus and others. Several centuries later America was well populated, and Wayne Taylor, a leader in a Light group in Florida, was told by Hilarion that it was now the proper time to found a spiritual city in New Mexico.

"And, I, Wayne Taylor, was told to move to Columbus, New Mexico and proceed to establish what is now known as the City of the Sun. I accepted this challenge. It was a tremendous responsibility to undertake. It required a lot of money, and a lot of "guidance". Both came my way at the right time, month after month. So, year after year, the general plans, as outlined by Hilarion, are being fulfilled.

"This particular spot on the map of the world was especially chosen thousands of years ago because of the tremendous spiritual energy or power that radiates from this Vortex that shines forth from one spot, now surrounded by four benches in the City of the Sun. A four foot high concrete block wall, twenty feet long, is on the west side of this Vortex of Light to protect anyone from unpleasant winds. A person who is clairvoyant can "see" this Vortex of Light which shines forth at the ground in this one specific spot.

"A great many people do not live here now because there is little employment, or few business opportunities at present. Thus, it has been mostly retired people who live here. In the future, however, when there are economic upheavals throughout the world, the City of the Sun will be considered by many as a haven. The Masters have great hopes that the City of the Sun will be an important spiritual center from now on."

A "PERSONAL" MESSAGE FROM THE GOLDEN DAWN TO "YOU"

I am called The Golden Dawn,  
Your little messenger of Light.  
I appear in your home so faithfully,  
Two month intervals are just right.

Some of you are so grateful,  
And from time to time you write,  
But with others it is difficult  
To know whether I continue to delight.

I am sent on freewill offerings.  
Many of you are generously fair,  
But others fail to remember -  
To even say they care.

So, when you have a moment,  
Whether or not you've money to send,  
I appreciate just hearing from you.  
Are you still "tuned in" my friend?
