TODAY IS THE FIRST DAY OF THE REST OF YOUR LIFE

January 1, 1987

Greetings in the "Light" of our Radiant One, I am Korton.

It is heartwarming that so many of you are turning your desires to thoughts of advanced awareness and world peace rather than to Cadillacs and caviar. Money is nice, but it doesn't buy what you really want, does it? Today, besides being the first day of the new year, truly is the first day of the rest of your life. Each day that you awaken upon that planet is.

My friends, we only live in the present, the now, this very moment. What occurred five minutes ago is gone forever. What happens five minutes from now is quite unknown. The thrust of thought of this New Year's Day communication is to remind you to put all your energies into being the very best person you can RIGHT NOW. Don't wait 'til tomorrow to tell someone you love him. Don't wait 'til tomorrow to tell someone thank you. Don't wait 'til tomorrow to do what you really want to do right now.

"Tomorrow" may never come. That is to say, the spirit of the feeling that you hold in your heart at this moment may fade a bit if allowed to age with time. Why not express yourself while your feelings are at their strongest? Putting into expression positive, loving, caring thought at the moment it occurs to you capitalizes upon its strongest energies. Your saying, "Strike while the iron's hot," somewhat symbolizes this very concept. The smithy best forges his keenest sword while the iron's at its hottest point.

Less-than-"Lighted" thought? Well, it's best put aside forever. Cast out without guilt those little critical, judgmental thoughts which might creep into your thinking. Notice I said "without guilt." There's no need to chastise yourself. Just be pleased that you have the awareness to realize some things you think are not "positive." Because a person occasionally has thoughts he recognizes as less than loving does not mean that the person is not a loving person. It is the loving person who recognizes such thoughts and does not give them power.

So, really, the only way to look at life is that right now, the present time, is the most important time of your life. It is right now that you can do something to enhance your love relationship, your associations with friends and your own

spiritual progress. Do not procrastinate. Do not put off for tomorrow what you can do today. These wise old sayings would seem to have merit, but to what extent are they truly followed?

The fact of the matter is that the person who lives in the now, makes the most out of each moment of his life and recognizes the importance and beauty of being alive and having associates with whom to share love and "Light" is the person who is truly alive. The secret to success for a happy life and becoming a truly "Lighted" person is to be a "love." Exude love and caring for your fellow man. Put out an aura of love and caring, and you will draw the same to you.

Everyone wants to be loved. Everyone needs to be loved. Love is the axle upon which the wheel of happy life turns. Without love life is a void, a somewhat meaningless existence in which one goes through the motions of staying alive. You need not experience lovelessness in your life unless you so choose. If that is your choice, then it is most easily accomplished. I need not tell you how.

On the other hand, if you wish to beautify your existence, enjoy life to its fullest, and truly experience the feeling of having scores of loving and caring friends, then you must emanate the energies which we refer to as Love and "Light" - the Creator's keys to the kingdom of God, so to speak. Give and ye shall receive. What you giveth, you shall receive ten fold. Like attracts like. You are what you think you are. I could go on and on with such sayings, but I need not. You get my point.

The time is now. There is no better time to start being the person you want to be. It does take effort, and it does take some constant reminding to keep yourself centered in a loving, positive frame of mind. Practice makes perfect. Well, you and I may have a way to go to reach perfection, but isn't it worth a try? By now I hope you are getting the underlying concept to which I have been alluding. Life is what you make it. You can draw to you the kinds of people and experiences that you truly desire.

And I have a ray of hope for those of you who feel you are experiencing traumas of life on a continuous basis. Know that all with whom you closely associate are making progress. Know that learning experiences of Earth will soon be coming to an end. Life on Earth as it has been known since earliest times is coming to an end. The Big Blue Marble, the Green Emerald, whatever you wish to call the planet, is going through a metamorphosis. Not much longer will souls be able to play out their karmic games and pursue unenlightened lifetime experiences on Earth.

Saras, planet of sorrow, shall be no more. In its place shall be a most beautiful world, a world of love and enlightenment - the garden spot of the universe, some would say. And you can do something about it. You are doing something about it. Your presence there at this time signifies change. You are channels of "Light" to the planet whether you realize it or not. You are bringing change to planet Earth, and you can increase this change in a positive direction by your thoughts, attitudes and behavior.

Today is the first day of the rest of your life. It is high time to get started with all the strength and energy you can muster to start spreading love and "Light" all around you. I fault you not for past efforts, but I implore you to put greater effort into being the "Lighted" being you truly are. The more effort you put out, the sooner you are going to realize the position you hold in Our Radiant One's Universe. You would not be reading these words if you weren't. Can you not

accept the nature of your specialness? Must you constantly be reminded? I think not.

Come on now. You know you are a special being. Let's work even harder to spread enlightenment to that planet. The time is NOW!

Be a Love! You already are, you know. Let's just show others what a wonderful person you really are. Be the shining example of Our Father that you truly are. You are that essence, you know. You have already taken that first step. Now let's get off and running.

In the "Light" of Our Radiant One, I am Korton.

BEINGNESS

Beingness and Freedom go hand in hand.

A sense of Being comes about only when we are free from making judgments about ourselves and others.

When we are free from the need to defend ourselves and others.

When we are free from the feeling of being threatened by others.

When we are free from the need of power and control over others.

When we cease to allow others to control and manipulate us.

When we are free from doubt and uncertainty.

When we are free from the need to compete and compare, to resent and reject.

When we are free from the need to impress and be impressed by others.

When we are free from the need to hide from who we truly are:

Magnificent Beings of Light Who elected to take on the human condition in order to bring: Peace, Love and Harmony to Earth.

And when we remove from our minds the illusion of being separate and apart from others, and unconditionally include all whom we meet and experience in our heart - centre of Love.

We then experience the essential ONENESS of all life, and this is truly -
The very essence of BEINGNESS.

THE PROBLEM OF FAILURES IN HEALING

QUESTION: Why are some healed and not others? Lawrence Althouse suggests six reasons for failure:

- 1- Sometimes the sick person, either consciously or unconsciously chooses to hold on to his sickness.
- 2- The sick person may continue to surround himself with those very same influences which led to his sickness.
- 3- Healing may be hindered when the sick one is surrounded by an atmosphere that is unreceptive and hostile to healing.
- 4- Healing prayer may be ineffective because we are too narrow in our praying, and refuse to let God be God to fulfill His will in and through us.
- 5- Sometimes we do not give God enough of ourselves with which to work.
- 6- We forget that healing of the body is not the only, or even the highest goal in the healing ministry. The healing of the soul and spirit is more important.

THE JOY THAT BIRD LIFE BRINGS

What's all the chatter,
This breaking forth in song?
If you guessed it's springtime
You surely won't be wrong.

Suddenly in the midst of March
With its warmer, windy days
Life abundant stirs
As activity does display.

There's mating on the bird mind,
There's nests of straw and stuff;
Back and forth they flit
Until they've gained enough.

Suddenly you are entranced
As warbled notes ascend.
O, such throated beauties
Do heavenly melodies blend.

It stirs within your being
The joy that bird life brings
As they begin their year's tasks
Of home, life and spring. mjs

LET US CONSIDER KARMA, A COSMIC LAW

(From the book WISDOM OF THE MYSTIC MASTERS by Joseph J. Weed)

"We are fond of saying, "All men are created equal," but we ourselves do not accept this literally. No one is so blind, or so foolish as to imagine that there is actual equality of ability, or environment, or conditions of birth for all. Two questions arise, (a) Is this inequity the result of karma? and (b) Is it fair? The answer to both is "Yes,"

"You are today the end product of your own decisions and actions both recent and in the distant past. Every thought, every emotion or wish and every action creates karma and you as a thinking entity have been thus creating karma for thousands, and possibly, millions of years. If these thoughts, ideas, desires, passions, and acts are benevolent, so-called good karma results. If they are malevolent, evil or difficult, karma results. Thus the good or evil we generate attaches itself to us and remains in our life current until we have satisfied it by balancing the karma out.

"The most persistent and lasting karma comes from the thought forms that have been energized by our will. The great Oriental Teacher, K.H., has described this as follows:

"Every thought of man upon being evolved passes into the inner world and becomes an active entity by associating itself with one of the semi-intelligent forces of the more subtle kingdoms of matter. It survives as an active intelligence - a creature of mind's begetting - for a longer or shorter period proportionate with the original intensity of the cerebral action which generated it. Thus a good thought is perpetuated as an active beneficent power, an evil one as a malevolent demon. And so man is continually peopling his current in space with a world of his

own, crowded with the offspring of his fancies, desires, impulses and passions, a current which reacts upon any sensitive or nervous organization which comes in contact with it in proportion to its dynamic intensity.'

"These elementals are responsible for what you know as sensation. They translate the vibrations that impinge upon your awareness into what is known and recognized by you as sight, feeling, taste, smell and sound. They manifest themselves physically in this manner and also, more subtly, but very strongly, in the emotional field. Thus it is said that men live in a world of illusion peopled by the phantasmus of their own creation."

L I G H T IS UNIVERSAL - IT REJECTS NO ONE

Blessed Ones, Let your lives be simple, unadorned by complexities and dogmas in any of Its many forms. Being Students of LIGHT you are a 'special' Lot because you acknowledge L I G H T as the Inner Core of LIFE and so you are aware of Its Presence in all Creativity.

Let Me, as the I AM THAT I AM expression of LIGHT (God), explain further the workings of That which We call 'The Realm of LIGHT'. We are giving you this Lesson because it is being noted that there are certain Schools of Thought, under the guise of LIGHT groups, who teach their students erroneous material. For example: some imply that the LIGHT exists only in certain Countries - and/or the LIGHT is removed from certain individuals, and so forth. Oh, My Suns, BE AWARE that in the Realm of LIGHT - the most Ascended State, there are NO exclusions! L I G H T IS - and is EVERYWHERE PRESENT. Individual Souls may or may not accept the LIGHT, but NEVER is IT taken from them. Even when Beings reject LIGHT It remains present within them, ready every moment to be 'tapped'!! LOVE-LIGHT has no 'ego' therefore feels no 'insult' if It is rejected. Let NO ONE deceive you with ego-tainted claims.

Regarding the various Nations in your world. The Realm of LIGHT accepts all Nations warmly and observes in this moment in Time that EACH ONE contains imbalances. To say that one excels over another is once again an attitude stemming from ego and arrogance. Let each Nation recognize its own failures and remedy them. Let each one recognize that the Innate LIGHT-POWER exists Universally, and let each one Tap this Source of Pure Power. If each Nation will be so 'awakened' to Its own needs, then they will become purified and will see CLEARLY to aid others. But, as it is now, Nations are travelling on the Highway of Life, each one 'lost' - not knowing the Path nor Its destination - yet each one attempting to lead the other!! So you have the tragic confusion which causes the populace to 'tremble with fear.' Before ANY Nation (or Being) can be a TRUE Leader, that one must be fully attuned (connected to) to Divine L I G H T thereby serving as a Pure Generator to aid others. But as long as a Nation (or Nations or Beings) live in fear and continue to address their programs toward armanent nuclear build-up, THEY ARE NOT ATTUNED TO DIVINE L I G H T.

You must take this Lesson very seriously. These are not 'idle' words which We transmit to you via our Channel of LIGHT. One cannot make compromises - one must be fully AT-ONE with the Principles of L I G H T which is L O V E, and which expects from you a Commitment to these Pure Principles.

As Suns of LIGHT you are UNIVERSAL CITIZENS. No longer are you limited by geographical location, nor is it necessary for you to be in a certain Country to receive illumination. In this Pure Realm We honor no time or space zones. We honor only the DIVINITY that is YOU, and We afford you the Sacred Energy, Initiating you 'daily' into Perfection.

Learn that SIMPLICITY is the 'magic' Attribute that aids in the Spiritual Growth process. If you are Students, seek only that which is sincere and pure as your Guides to Inner Self-Realization. Do not be 'dazzled' by structures, large memberships, flamboyance, titles, and so forth. Only those who are Pure and unadorned can lead you to your own Self-discovery.

If you are Teachers and Channels be non-ego Servers of L I G H T. With pure simplicity serve the spiritual needs of those who come before you, leading them gently and lovingly to their own Inner-Christ Self. If you are TRULY Cosmically Ordained Servers of L I G H T you will be satisfied and happy to be a 'Servant' to others spiritually, and you will not seek Titles of adulation. In fact you will reject such 'titles' if they are presented to you. You will be as happy serving only one Person but you will also be comfortable serving 100 or 1,000 or 10,000 or more. To you one or one MILLION Souls is the O N E! As true Servers of L I G H T you will have no attachment to physical organization and you will see to it that such does not exist in your name.

The ONLY FUNCTION OF A CHANNEL (SERVER) OF LIGHT IS TO BE ON HAND TO GUIDE THOSE NEEDING A "SPIRITUAL BOOST". As True Servers you will offer encouragement - you will not criticize, but at the same time, you will point out obvious errors when observed. You must always be direct with the Seekers. And as Cosmically Ordained Server-Channels, you are UNIVERSAL citizens, and therefore you know that L I G H T does not single out any one area as Its Focus! Impress upon ALL that Divine LIGHT is the in-dwelling Energy of ALL creation - in the North, South, East, West....and above and below....

To all Suns of L I G H T: Let your LIGHT so shine before all Beings that the Works of Divine Energy can be seen, until Humanity realizes that Pure Divine LIGHT-ENERGY is the Gift of L O V E from the Ever-Present GOD-FORCE present EVERYWHERE - the non-ego L I G H T which LIVES and BREATHES freely through all who accept ITS REALITY.

BE PURE AMBASSADORS OF L I G H T, BELOVED SUNS!!!

THE CHANGES AROUND US

So often we are asked to put a timing on the changes, but since they are largely a change in cosmic consciousness, which is timeless, and which will not happen suddenly to every individual en masse, it is very difficult to be specific.

The answer is that we are very much in the changes, and though the breaking down of the old patterns is frightening and can appear to be negative, and can bring the fear that the dark side is gaining over the light side, the true picture is quite different when seen from our point of view. Old patterns must break down for new patterns to evolve, and they must break down on every level to coincide with the different levels of consciousness of the human race. There are those who can only be changed in their understanding through events like economic breakdowns and changes. It is a way to awaken those areas of consciousness which are so deadened in many.

The more you can see and hold as a concept that the changes are beyond lightness and darkness as polar opposites, and hold confidence that, although everything may seem black, there is another way of looking through it and beyond which leads to expansion and growth, the more you can help to bring about the changes as equally as possible. We are full of confidence on the higher levels and see so far beyond the astral picture which you see, and we want to communicate this to you to ease your fears. There is still the need to develop telepathic communication - both vertically and horizontally - but it must be a telepathic communication of faith, hope and trust.

From a New Zealand Friend.

THOUGHTS TO ASSIST WITH OUR SPIRITUAL GROWTH:

A THOUGHTS TO HELP YOU WITH "DARKNESS":

"It does no harm to you to see the darkness. It does harm if you have a feeling of resentment against that darkness. Then you have made a hole in your aura wherein that discord can come in, because the resentment you sent out has tied you to that destructive thing and pulled it right back into your world. It came right thru the hole you made in your LIGHT when you sent out the discord. HOLD YOUR LIGHT PERFECTLY. It is protection as long as you are harmonious within. Never allow anything to disturb your feelings. You will have real tests on this. If you stay away from contact with discord you will never become strong. Steel is tempered by fire. This is the way you become strong."

A THOUGHT TO HELP YOU WHEN FRIENDS POUR THEIR WOES UPON YOU:

"Vow to hold your consciousness only on the constructive activities of life. When friends recite their woes and tribulations to you, listen with only one ear while your mind prepares Spiritual thought-forms of perfection, peace and love to counteract the negative, destructive thought-forms racing through your friend's world and attempting to race through your own.

"I do not intend to convey that you be in any sense unsympathetic to the distress of your fellowman but I do wish to say that you must in no way become a party to it or become involved emotionally with it. If your Master Jesus had allowed

himself to become emotionally involved in the death of Lazarus He could not have called upon him to return. He would have accepted death instead of life. Do you see?

As an example, let us presume that someone is telling you about an accident to someone of their family and they are reciting all the horrid details. You will be listening in a detached way but all the time you will be formulating thought-forms of healing and comfort and projecting them to the Christ Self of that individual to heal and bless them. You will not be accepting the pain, the fear, the distortions of the tale being told to you. When the tale is told you will have built a momentum of Peace and you will project it into the consciousness of the one who bears the tidings of mis-adventure to calm and comfort him, and to render peace unto him as well as to the one afflicted. Your Master Jesus demonstrated this procedure often. He was never emotionally carried away or involved in any of the situations which were brought to His attention. Let this then be your guiding counsel. Live and think and feel and act in the Light, and draw all men unto you who dwell in darkness and distress. This is your obligation and this is now your opportunity. You are never alone. I am with you.
From the Mentor

A THOUGHT TO FREE YOU FROM WORRY:

My children, for those among you who would be freed from worry thoughts, know ye that there is no set rule to banish worry. It is an understanding which evolves within oneself that is required. But for one who still wavers I would say, when you find your thought troubled, often needlessly troubled, place that worry thought, as it were, in a golden chalice and hold it high up into the Light, and Lo it will be gone and in its stead will be the Flame which hath consumed it!

And all you will have done is believe, and all you will have done is trust that the Light which shineth ever from the countenance of God CAN AND WILL banish all that would stimulate darkness. Banish worry thoughts by instantly replacing them with thoughts of trust in the ultimate goodness, the ultimate triumph of rightness.

FOOTPRINTS OF LOVE

Help me, Lord, to make each day
Loving footprints along the way
Big and bold for all to see
My love and joy in finding Thee
That when my soul is homeward bound
Their trace of Light can still be found
To help another stumbling too
And bring them softly back to you.

Order from City of the Sun Foundation

A NEW VENTURE FOR THE COLUMBUS AREA

Our good friends and members, Andrew and Helen Webber, together with their daughter, Linda and family have moved into a home in Columbus. This will soon be a full fledged Board and Care Facility - a form of home away from home - for approximately eleven ambulatory guests.

It will be complete when finished with personal jacuzzi, private and semi-private rooms, a solarium that will double as an exercise room and sitting room (as needed) complete with pingpong table. There is a spacious living room, a nice dining area, a project room - all in a 3500' + home, and, oh yes, porches on three sides of the house.

All guests will be encouraged to take an active part in the operation of the Facility. Yes, all this in the little town of Columbus, New Mexico. (I call it the edge of the world) not because there is nothing going on here, for there is something almost every day, but not so much as to be distracting - plenty of time to find the real pearl - yourself.

AT THE CITY OF THE SUN:

Iuella and Wendell Tallakson from Dallas, Texas were here working with Drs. Jim and Verlie Barton on the treatment the Bartons have developed and used so successfully in eliminating cancer without the use of drugs, surgery and radiation.

On March 6, 1987 Don Hill and B.C. Johnson of Dallas, Texas were united in marriage in a unique and moving ceremony at the City of the Sun. Dr. Jim Barton performed the ceremony in the unfinished pyramid on the Foundation property. Special music for the occasion with guitar and singing was furnished by John and July McClure of Columbus. A reception was held afterwards at the home of Drs. Barton. A short trip was enjoyed to the Casa Grande area in Mexico before return to Texas. Both of the Hills work in the Center For Recovery of Human Potential, 15712 Daleport Circle, Dallas, Tx. 75428. While here they had given a most interesting talk on the new findings and techniques used by the Center.

Dorothy Rayburn took a week's vacation in Albuquerque and Truth or Consequences seeing old friends and enjoying Heal Spa Baths. She now has a beautiful greenhouse. Ted Keeling, gospel singer and guitarist of Deming, N.M. and his friend, James Crabtree of Mobile, Al. and a long time friend, John Pschorr of Cortez, Colorado have been guests.

The Foundation is proud of Kenneth Campbell and the many hours of study and training which he is putting into becoming an Emergency Medical Technician for the Emergency Medical Unit. Besides the hours of study there are 105 hours spent in actual instruction in emergency room, and ambulance. It will be finalized in May.

Alta Campbell was called to Radisson, WI due to her mother's injury.

In March David Iebold planned and served a fruitarian's birthday luncheon. Sarah Leonard was the only birthday honoree present.

Sarah Leonard took charge of the April birthday pot-luck dinner. Birthday honorees present were Wayne Taylor, Helen Webber, Esther Hayes and John Pschorr.

Esther Hayes and Sean Sands have just returned from a beautiful experience of ten weeks spent at the Parsanthi Nilayam Ashram of Sai Baba in Puttaparthi, India.

THE ARAMAIC PRAYER OF JESUS

Our Father, who is throughout the universe.
Let your name be set apart.
Come your kingdom (counsel).
Let your pleasure on the earth be even as it is throughout the universe.
Give us bread for our needs from day to day.
And free us from our offenses, as also we have freed our offenders.
And do not let us enter our temptations (worldliness), but set us free from error.
For belongs to you the kingdom, power, the song and the praise, from the ages to the ages.

Sealed in faithfulness
and in truth.

A PRAYER TO THE FATHER

Our Father, Who Art; think well upon these four words, for these are the most important words that you will ever admit to. You add the words, 'in Heaven,' yes, but to your human mind then comes the picture of the Patriarch with flowing robe and a long white beard, sitting upon a golden throne. You by your imagery limit in your minds the very concept of God.

Now say the words, "In Heaven Hallowed be Thy Name," for how hallowed is My Father's Name outside of Heaven these days? Apart from the few who recognize the Great Love and Power of God, few use His Holy Name as such. It has become a part of every day speech, uttered as a curse, or for want of using the brain to seek the required phrase. How do you think We feel, My Father and I, for I also am accorded the same treatment? So you might protest, that you do not mean these things that you utter, then why do you not say what you do mean. It only takes a controlled second to find the correct words and the good that will be accorded to you is unlimited - Thy Kingdom Come, Thy Will Be Done! You are like lost souls crying from the depths of the ocean, for it is, as ever was, and always will be, a two-way effort. But Earth human has not kept his half of the bargain. He goes through his multi-incarnations on Earth doing things 'his way,' rather than in partnership with God. Now the time has arrived when there will be a dividing of the ways, for God is about to answer the sentence in full. 'Thy Kingdom Come, Thy Will be Done on Earth, - as It Is In Heaven.' Before that can happen, the Earth must be cleared of its Human-debris, washed and decontaminated. Only when it is once more back to the pristine purity of the Beginning, will God's Kingdom Come down to the Earth, and when it is again peopled by pure humans, then, and only then, will God's Will be Done on Earth as it is in Heaven. The ones who will people this New Earth will be the ones who can say from their Souls the words, Our Father Who ART, for they will be the ones who really know. Then Heaven and Earth will once more be one Kingdom under the Will of God.

Think well upon these words that I offer you, for the inflection is often more important than is the sentence. My Peace Be With You

Received by Joan Brown, c/o 21 Bewley Court, Chard - Somerset, England TA20 1LP

I HAVE OFTEN SAT AND PRAYED: I empty my mind of everything except God. Often nothing dynamic happens within me. At the time I don't feel any sudden burst of glory. I wonder if He heard me.

It's like a farmer who plants a seed in the dark, cool, quiet ground. At first there is no burst of glory there either. But life begins to take hold, and little by little the seed grows until one day it pushes itself above ground and at last there is a harvest.

In the quiet, calmness of your prayer you plant a thought from God. You might not feel any different at the time - - you may not even know the thought has been planted. But in time the thought within you, nurtured by God, will begin to grow and eventually shows forth in your life.

You are not the same person. A new harvest of thought and action in your life is coming forth. You are changed.

Please don't quit talking to God. He will never quit on you. He will care, nurture and help you always.

A BIRTHDAY MESSAGE FOR EVERYONE

My Beloved Child:

As you prepare to celebrate your earthly birth, remember, YOU ARE AN ETERNAL BEING. YOU ARE SPIRIT! Years are not counted in the realm of Spirit. Do not allow the idea of 'years' affect you. Think only of Life and let it have full expression in all of your thoughts and affairs. Life IS! It does not grow old nor is it ever born - it IS! Thus, as you celebrate your birthday, let it be one of great joy and do not number the years. CONCENTRATE ON LIFE!

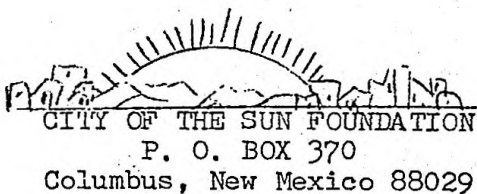

As you do this you will find that your earth days and years will bring a greater sense of peace and joy for you will be concentrating not on 'years' or 'birthdays' but will be celebrating Life every day. Life brings peace and joy and freedom and all of the wonders of itself to fill your life with the gifts of God.

May the blessings of eternal Life give you strength.
May the love of God enfold you in it's warm embrace.
May Divine Joy fill your every moment with its heavenly effervescence.
And may the Grace of God be your mantle as you celebrate Life.

I AM THE VOICE OF LIFE - Celebrate Me!
