

THE GOLDEN DAWN

CITY OF THE SUN FOUNDATION

NUMBER 98
(Sept.-Oct. 1987)

BREAK THROUGH THE SHADOWS INTO LIGHT

Into the morning mists come the crucibles of night. Haste away the shadows and see that which will be disclosed to thee. For the preparation of the future has been great.

Those who would wander aimlessly in darkness, know not what is missing in their lives, for that which is to come will reap its rich rewards for those who see the light.

Fasten not your gaze upon the evil intent of others - but go beyond, through the light of higher understanding and seek out that one true force of all living things. For that one true force is the energy of love. Haste away and do not dally, for all is coming to a matrix where all paths meet. The close of events is coming to a head and mighty is the sword of Damocles when it falls to smite the negatives of Earth.

Look away, those of you who believe, and fasten your gaze unto the heights beyond. Know that whatever ye believe, will come to thee - irregardless of these brothers who do not understand. For the New Age of Light fast approaches and the leeches and vagrants must depart.

Only the light of dawn shall come from the mists of yesteryear to guard and teach the love of those higher forces into a quantitative supply of that positive force which must BECOME! So be it!

There are those who do not know how to meditate and yet they are at peace within because they abide by the laws of God in their daily lives to encompass all those around them. Not asking for anything, but giving, they seek only the light of positive aspects and thus become a force of Light in the world. Thus knowledge can be superficial but true understanding is of greatness indeed. Meaning that sometimes those who are ignorant are the greatest abiders of faith and love - they know of not else.

Seek peace within and thy heart will be full to overflowing, for that which comes of love clings like a vine to all that is..... So be it!

THE HEART'S GARDEN

The Heart is a garden
Where thought flowers grow;
And the thoughts that we think
Are the seeds that we sow.

Every kind loving thought
Bears a kind loving deed;
While a thought that is selfish
Is just like a weed.

We must watch what we think
Each minute, all day;
And pull the weed thoughts
And throw them away.

And plant loving seed thoughts
So thick in a row
That there will not be room
For weed thoughts to grow.

YOU ARE THE ONE TO BRING PEACE
TO YOUR WORLD

A FORMULA FOR WORLD PEACE AND PROGRESS

An Affirmation by men and women of good
will around the world.

Men and Women of good will in their millions, convinced

- that there is potential for good in all mankind
- that the human family can live together in right relations and at peace
- that right relationship between peoples and nations is the key to unity and world peace
- that practical good will is the key to right relationships
- that the energy of good will is the active principle of peace, justice and progress for all humanity:

affirm their intention

- to practice good will in all relationships, in all daily affairs and in attitudes and actions towards those of other nations, races, religions and social backgrounds
- to support and co-operate with those in positions of influence and responsibility who use good will and reason instead of force and coercion
- to encourage, publicize and work for the adoption of good will in action by local and national groups and institutions.

Enough men and women of good will accepting responsibility for the establishing of right relationships among men and between nations, and working actively with the principles of unity and good will, guarantee a future of peace and progress for the whole human race.

THE COMING OF PEACE

There will never be Peace on Earth until it starts within each individual soul. Your Earth, your world, is the expression of what you harbor inside yourself. Your thoughts are the seeds you plant. Your feelings are the substance that makes them come up and take form. When you are filled with peace, then there will be peace in your world, as far as you are concerned with it, and the more of you who can bring forth peace from within, the more peace there will be on this Earth.

There is no sense in trying to change anything out there until it is changed within. "What is bound in Heaven, is bound on Earth." That is all there is to it. So we work for harmony; we ask God for harmony. We ask God to manifest Love thru harmony and peace, and only in that way do we get peace in our lives. We do not look out on the world and say "this is unrest, and this is war, and this is something else." We never look at those things at all. We bless where we see the problem. We pour Love where we see a lack, and we take our eyes and our creative imagination off the thoughts of lack - off the thoughts of war, and we put them on thoughts of God's Peace coming thru us to our world. We let go and let God bring that peace. We are His channels. He works thru our thoughts and our feelings. We align ourselves with His desires for peace and that is how peace will finally be brought to the entire Earth, but it has to begin with you and me.

So be it. God bless you. Amen.

PEACE - (YOUR MISSION)

"My beloveds: I bring you the gift of peace, for peace is a gift. Remember the promise I gave when I said, "My Peace I give unto you. My Peace I leave with you." This day realize this peace within your hearts. Let it be a stillness, a stillness of knowing that you are ONE with all that IS. Let this peace flood your whole being so that you become a center of peace wherever you may be. In crowds, or with people, let your peace enfold all.

The peace which I gave unto you is the peace that all are seeking. I have given it to them but they do not realize it for they have not accepted it and so they go their weary way in frustration and confusion knowing not that they have peace within their own hearts.

This peace that I gave is not the peace which the diplomats are seeking, which is only a temporary cessation from war. This is the peace which is eternal and cannot be negotiated for, which cannot be fought for. It is the gift of the Divine. This gift was given to humanity many centuries ago but in most it has lain unopened, unappreciated and to many unknown. But to you, and those with whom you associate, I say again, 'My peace I give unto you. Accept it. Realize it and share it.' This is the commission which I give to you at this time.

You asked for a mission.

You asked for something to do.

You asked for a project on the pathway to Light.

So, I say - share your peace, share the vibration of peace, the peace which I have given to you, the peace which is yours.

What comes to mind when you hear the word 'Peace?' Is it not a sense of tranquility, a sense of calmness, a sense of beauty, a sense of serene knowing?

Peace is not an inactive gift. It cannot stay still or immobile in your life and affairs. It must be an active part of your daily living, it must be shared. Go about your daily tasks with a peaceful heart, a calm mind and with loving attention, for love - true love - is part of peace. Real peace cannot be achieved without love and true love is not true love unless it has the attribute of peace.

Again, when you think of peace, you possibly think of a lovely garden where flowers are blooming, the bees busy among the flowers, the gentle breeze playing in the trees. The Sun is giving its warmth, the trees are providing cooling shade, and a brook sings its way through the garden. There is a sense of beauty and calmness. Does this picture not give you a sense of peace?

When you are surrounded by confusion or turmoil on the outer plane, create your own special spot of soothing, cooling, healing peace. Peace heals. When one is ill, for whatever reason, in mind, body or soul, you may give the balm of peace to them and it will have a healing effect.

Peace is an attribute of the heart which moves through the emotions, and fills ones being with its comforting, beautiful vibrations. Yes, peace is part of beauty, for beauty brings peace to the eyes and heart. Watching a beautiful sunset will bring peace to many; standing before a famous painting to others. Being in the presence of a fully lighted person will bring peace, for the vibrations of peace flow out to enfold all.

Let your life be one in which this peace flows out to enfold those whom you

love, those with whom you associate, or those whom you may contact. Let your love and peace be a gift to them and in that way you are sharing my gift to you. Then there will come a day when they will realize that they, too, have this gift and they will share it with others.

So, your mission is to BE PEACE IN ACTION! You are to demonstrate peace. You are to bring peace into all areas of your life whether you are alone or with others. Let this peace be so deep within you that you are filled to overflowing with the gentle, healing vibrations it brings. You can be of great service to the world by so doing, for the world is hungry for peace. You hear it everywhere, the news, the TV, the streets, everywhere people are crying for peace - peace - peace. The song says 'Let there be peace on Earth and let it begin with me..' Let peace begin with YOU. Let it begin NOW. As your peace spreads out in ever widening circles it will help to establish the peace which people are crying for. Have I given you a mission which you are willing to take responsibility for? I hope so!

I bless you as you take this mission and go forth into the world - not with words, not with action, but be so filled with peace that it will flow from you in invisible waves that others will react to. You need do nothing but BE a center of peace where you are. I bless you. I bless the peace which you will bring to the hearts, minds and lives of others. MY PEACE I LEAVE WITH YOU.

A VISUALIZATION: -----

Visualize the planet Earth. See the Light shining on and around it. Notice the beautiful cloud formations floating through the clear atmosphere. Become aware of the clean, clear water of the oceans, lakes, rivers and streams. See the forest and plant life flourishing. Imagine the fish life, birds and animals living in complete harmony with each other and with mankind. Then imagine men, women and children living in harmony with each other in your country, as well as with people of other countries. Continue to see the LIGHT around planet Earth, and from your heart send thoughts of Peace and Love to God with expressions of gratitude for the Beauty and Harmony of all life.

A PRAYER: -----

Father-Mother God:

I come today seeking peace in both my inner and outer worlds.
May my words not injure another today.
May my thoughts not be injurious to the atmosphere around me.
May I forgive myself and others for being less than "the highest".
May this day I meet life and all it holds with calmness and understanding, and most of all, with Love.
I thank You for Your Spirit which is ever near to guide and sustain me.
I seek Oneness this day with Thee and all life.
A Seeker of Peace

THE CHRIST SPOKE: -----

John 14:27 - "Peace I leave with you, My peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

BEWARE: YOUR THOUGHTS ARE POWERFUL!

Greetings in the Light of Our Most Radiant Creator. I Am Lord Ashtar of the Space Command. It is a privilege to greet the friends of the Earth, our friends in the Light.

In these End Times it has been my observation that you, the people of Earth, need to be reminded that it would be to your advantage if you could learn to be very careful of your thought processes. You see, dear ones, your thoughts, even though just a fleeting thought, go out into your atmosphere to be encountered by others. They do not just evaporate into nothingness. We have observed great masses of dark clouds surrounding your planet. Now for those of you who are not aware of the harm this can do, it would be to your advantage to monitor your thoughts so that you form a habit of thinking positive thoughts, not negative thoughts.

Most of you are quite aware of what the negative thoughts consist, and we have observed that those of you who get disturbed with your neighbors or your co-workers, and, without thinking of what you are doing, you find fault or criticize your co-worker or your neighbor. This is destructive to your atmosphere. I'm sure you are aware of the Astral Realm around your planet and certain entities would thrive on these negative thoughts and become more powerful. We would like to recommend that it would be most advisable to send the Violet Flame of St. Germain to vanish these dark thought-forms from your planet.

If you could practice finding the fine points of your co-workers and your neighbors rather than pointing out their flaws, for most of us are quite aware that we have flaws but it does no one any benefit to be picking each other's flaws apart. Why not practice finding the finer points! It's much more satisfying to all because we are all brothers of a single Father-Mother God and each of us is doing the best that he can to the level of his evolvment. So, rather than finding his faults, let's find his better points and enhance those, for in that manner we can help one another to evolve, for isn't that why we are here - to seek and find our way home - and the key of all is Love, unconditional Love.

The Father loves us all equally. He doesn't find fault. He accepts us, faults and all, into His heart and His Love for, after all, we are all brothers and sisters finding our way home in the best way we can. The fastest way is to love one another so why not practice this? It is much more satisfying in the long run. I thank you for the privilege, dear friends, of communicating at this time through this beloved sister of Light.

Adonai, in the Light of Our Most Radiant Creator. I AM ASHTAR.

SATHYA SAI BABA -

"What we see is nothing but our own creation. The vision experience of the world is but a projection of our mind and the reflection of our own inner thoughts. As the thought, so the vision. The color of the glasses you wear determines the color in which things appear to you. If you wear red glasses, everything will appear red. If you wear green glasses, everything will appear green. Pure thoughts make the world appear as pure. If you view things with a loving heart, the whole world, the whole creation, will appear to you as a reflection of Love." -----

(Taken from Golden Dawn #85 "Peace - Ultimate Goal")

"The reason for so much failure in the pursuit of World Peace is that so many people 'working' for this Global Harmony are themselves out of harmony with their own Inner Selves. BEFORE ONE CAN SERVE THE CAUSE OF WORLD PEACE HE/SHE MUST HAVE ACHIEVED INNER PEACE, AND THROUGH THIS ACHIEVEMENT HAVE GAINED KNOWLEDGE ABOUT WHAT PEACE REALLY IS. If one speaks about "Peace" while still harboring hate for certain people or cultures, he/she defiles the Energy; if one's ego becomes easily 'damaged' causing him/her to feel a need to retaliate, or to have a grudging nature, that person CANNOT serve the cause of Peace. If one cannot feel compassion and LOVE for those who may have done him or her harm, he/she too is an unfit advocate of World Peace. TO BE A PEACEMAKER ONE MUST BE IN A STATE OF PEACE."

"Clear away the debris within yourself that clogs the way of LIGHT depriving you of Inner Peace bathe in the Sacred Pool of L I G H T. It will be a Re-Birth WITHIN as LIGHT wraps you in the Robe of P E A C E - that Perfect Peace that cannot be explained.

I..AM..THAT..I..AM Light-Love-Life of UNIVERSE."

YOU LOOK AT THE WORLD

You look at the world with troubled eyes, and you only see disruptions. You look at your world trembling with fears, and, behold, all about you are threats and tears.

Creators we are of all that we see -

Behold your creation - what you manifested "to be".

So heed your very glasses thru which your life you see,

Keep them clear, sparkling, unencumbered with debris.

Add a tint of joyous Spirit; clean with glowing Love.

What a glorious world you now know - a very part of heaven above.

The world has become a different place where Joy and Peace can abound.

But how did it happen, my friend? A new way of viewing you found!

A PRAYER:

Dear Father-Mother -

"In the heart of every Child of Thine Thou dwellest as the Great Peace. May we be willing that our whole life become imbued with Peace, that we may act as channels of it for Thee. Radiant with Thy Peace we would carry it into the world, bringing Joy to All. Amen. Michael Walton

As we begin to realize that we affect and manifest the Peace in Our world, this becomes a "Working Project" for PEACE. There are many movements working for Peace. We at the City of the Sun Fd., have worked with several of them, and we give these suggestions for those interested.

1. Sharing the small, inexpensive leaflets "Steps Toward Inner Peace" or the book, "Peace Pilgrim: Her Life and Work in Her Own Words", obtainable from Friends of Peace Pilgrim, 43480 Cedar Ave., Hemet, CA 92344. "In order to help usher in the Golden Age we must see the good in people. It is not through judgment that good can be reached, but through Love and Faith. Make yourself fit to be called a child of God by living the Way of Love."
2. Join the "Love Chain" (individually or as a group) Positive Thinking Planetary Network, Anse St. Jean, Quebec, Canada GOV 1J0. Take 15 minutes each Sunday noon. (Close eyes and relax) "Open your heart to the universal Force of Love and let it flow freely through all your being." You will be uniting with the multitudes in sending Love to the Earth and its lifeforms.
3. Join individually, or as a group in Peace the 21st, 1474 Bathurst St., Suite 2, Toronto, Canada M5P 3G9. A Thought Image of Peace is regularly formed on each March 21st, June 21st, September 21st and December 21st from 7:00 - 7:30 P.M. local time. "There is power in thought, and the collective positive thought of the human race may well be the most powerful force in the world" For meeting suggestions write them.
4. Continue your support of The Quartus Foundation, P. O. Box 27230, Austin, TX 78755. This group led all of us out in the great Earth wide Prayer for Peace - noon Greenwich mean time. It will be continued. They are suggesting prayer at the end of each month and building more and more support for an even larger - more effective - December 31st Prayer Time for 1987! You may assist in expanding this project. They have bulletins and materials available "if you agree to unite your heart and mind with others to release Light, Love and Peace to help heal our Planet Earth."

REJECT THE FEAR DEMON

My Suns, you must rise above the persistent 'demon' which tries to monopolize your lives: FEAR. As We view the little Planet Earth, We observe the continual strength so many give to the negatives in life which prompts FEAR into action. Humanity is confronted at every turn by the prognosticators who speak about nuclear holocaust. These beings continue to give power to an evil force by their constant rantings!!

It is time, Blessed Ones, to CONCENTRATE on the POSITIVES in life. To repeat over and over again the tragedies that may occur gives strength to the demon, FEAR, and places many in your human society on the brink of either insanity or suicide! Have you wondered why the suicide rate is rising so dramatically, particularly among the younger people? Yes, My Suns, it is due to the NEGATIVE PICTURE that is produced by so many adult beings; the news media, the doomsday prophets, and on-going nuclear arms competition by aggressive nations - all of this produces a mania among the people. Those who are not fortified by Inner LIGHT fold under the threat of annihilation and succeed only in their own destruction of either mind or body - often both!!

ALL OF YOU must consider what We say here very seriously. We tell you repeatedly that to concentrate on negativities succeeds only in giving negative conditions power - more strength! As you 'think' so shall it be!!

Remedy this now, Beloved of LIGHT. REFUSE to participate in any movement that is not POSITIVE in thought, and in deed. Even the anti-nuclear protesters give strength innocently to the negative force when they use 'fear' to awaken the people. THAT IS NOT THE PROPER WAY. When you participate in such programs TALK OF THE POSITIVE NEEDS OF HUMANITY. Awaken within the hearts of those in the group DIVINE LOVE for ALL people. TALK OF LOVE - not war. TALK OF INNER PEACE - not war. TALK OF LIGHT ENERGY - THE TRANSFORMER - not destructive nuclear devices. Remember, the energy used to destroy lives is THE SAME ENERGY WHICH SUSTAINS LIFE. It is all in the manner of use - and that is determined by the Inner State of Spiritual Consciousness. If people will change the Heart and drop away their feeling of 'strangeness' toward others, and cast away doubt, fear and hate, then the Energy will be Pure that comes from the depth of the Being, and Pure Energy can only CONSTRUCT - not destroy.

Look around you, My Suns. There is SO MUCH that is good and positive. Do not permit the fear-mongers to destroy the Vision of LIGHT and GOODNESS. Let your Spirit remain calm in all situations as you envision the LIGHT side. Let LIGHT swallow up

the darkness as you learn the various lessons that are put before you by way of certain experiences which appear negative. If you reject the 'fear demon' that transpires will bring some meaning to you and will help you in your on-going Journey to Higher God-Consciousness.

Blessed Ones, let Inner LIGHT be the Force that governs your life. This Inner Light is serenity and values only the Pure, Simple, and Good in your Life. If you connect yourself to this Inner Light, THE REAL YOU, you will be forever free from the Fear Demon or any other 'dark', negative force!

I...AM...THAT...I...AM...Light, Love-Life of the U N I V E R S E.

New Age Teachings, P. O. Box 477, Brookfield, MA 01506.

A BRIEF INTERPRETATION OF THE LORD'S PRAYER

OUR FATHER WHICH ART IN HEAVEN.

My consciousness is the father of all my expression. I recognize no other power or cause.

HALLOWED BE THY NAME.

Since I have no fear of any other power, my mind is at peace, quiet and full of faith. This is the hallowed state of God's Presence in me.

THY KINGDOM COME, THY WILL BE DONE ON EARTH, AS IT IS IN HEAVEN.

This presence of peace and confidence which I now feel is heaven. My feeling has divine power to express itself in my world. Let it come NOW.

GIVE US THIS DAY OUR DAILY BREAD.

My bread for today is the idea of good that satisfies my soul hunger. I eat and mentally appropriate all that I need from God's table and am satisfied and at ease.

FORGIVE US OUR TRESPASSES AS WE FORGIVE THOSE WHO TRESPASS AGAINST US.

It is simply enlightened self-interest for me to operate this way. My consciousness grants only that of which I am conscious. So I give up all anger and take peace. Since my consciousness alone is causation, no man is my enemy.

AND LEAD US NOT INTO TEMPTATION, BUT DELIVER US FROM EVIL.

I set my heart on good and nothing but good. I will have no other gods. I will not compromise, equivocate or meddle mentally with evil.

FOR THINE IS THE KINGDOM, AND THE POWER, AND THE GLORY, FOREVER.

I can do nothing of myself but choose the good. The power is in the spirit of God that moves through me now.

Amen: It is finished. It is sealed in Truth. It is established by God.

The saying is -

"Nobody puts anything into a closed hand."

Could we add - it also holds true for a

"closed mind"?

AT THE CITY OF THE SUN:

We failed to mention in our last issue that our good member Allen Newman had returned, and has been doing a fine job in the orchard.

Oftentimes visitors come a long distance, as Alden Bliss who motorcycled from Connecticut, and was here several days.

On July 22nd Dr. Verlie Barton entertained friends and City of the Sun members with a fine luncheon honoring July birthdays. (Those were Dr. Verlie herself, and Lester Jackson.)

The Drs. Bartons have traveled twice to Arkansas where relatives live, and Dr. Verlie's sister is ill.

Our member from Los Angeles, Frank Wall, spent several days renewing acquaintances, and meeting new residents.

Ellen Killeen, a member from Fullerton, California, had a good visit for about ten days. She shared a great deal of her new Light information, as well as taking charge of one of the regular Friday meetings with a tape from one of the present living Kahunas.

Little Jo-Lyn made her entry into the Earth July 27th. She is surrounded by a doting mother, Lynda, and grandparents, Helen and Andrew Webber.

Dorothy Rayburn has spent considerable time vacationing this summer in Albuquerque, New Mexico, where she attended the International Christian Embassy Concert, Full Gospel Business Mens and Womens Convention, business meeting of Consolidated Services, and Margaret Wallingford's 100th birthday dinner party, as well as visiting numerous friends.

William and Mary Jane Switzler had an unusual week of fine family guests with a granddaughter and family from Utah the first part of the week, and a niece and family from California for the remainder of the week.

As we are putting out the Golden Dawn Paul Lordi of Indiana has come to visit.

What a shower of inspiration came down upon us this August. We received many beautiful messages and pictures of Love and Light - many of them bound in book covers. This outpouring came from England, Canada, India, Ghana, Nigeria as well as from several states of the United States.

A sharing of many vegetables is going on from all our gardens.
