SPACE IS AT A PREMIUM ! !

"Chronological-History" Column Postponed By Necessity!

.....

We've had to edit Material painstakingly to preserve the VITAL Facts, yet conserve space. I had to cut-back a number of Plane-Crash Reports, Nuclear Tests, Tornadoes, Pollution, & Science-News for this Issue. It's painful for me to leave-out such items, but extra pages = Inflation..

"AN OPEN STATEMENT TO: THE GULFPORT (FLORIDA) TRIBUNE AND CITIZEN"

*To set the record straight, contrary to the recent statement by Mayor A.L. Anderson as published in your newspaper, the FACTS are:

*The Gulfport Tribune was Established BY Haughton B. Barlow, Sr. in May, 1937 at great personal expense and was published by Mr. Barlow until his untimely death in 1941. After which, his widow Gladys H. Barlow, and son Haughton Barlow, Jr. continued to run the paper until 1942- at which time it was THEN sold to Markham & Caldwell, Realtors in Gulfport. Later, it was purchased by Sadie Weidra and eventually sold to its' present owners. The above FACTS are all a matter of Public Record in the City of Gulfport & it might be wise for the Caldwells, the Mayor and the present owners of the Tribune to read the City Records and get their Facts straight! -HB
