BROTHERHOOD OF THE WHITE TEMPLE, INC.

THE EMERALD TABLETS OF THOTH THE ATLANTEAN BY DR. M. DOREAL

When the time came for Thoth to leave Egypt, he erected the Great Pyramid over the entrance to the Great Halls of Amenti, placed in it his records and certain mechanical devices. He then appointed from among the highest of his people guards to protect his mighty secrets. In later times, the descendents of these guards became the Pyramid Priests while Thoth was deified as the God of Wisdom, the Recorder, by those in the age of darkness which followed his passing. In legend, the Halls of Amenti became the Under-world, the Halls of the Gods where the soul passed after death for judgment. During later ages the ego of Thoth passed into the bodies of men in the manner described in the Tablets. As such he incarnated three times, and in his last incarnation he was known as Hermes, the Thrice-born.

The Brotherhood publications has produced a most attractive binding of Dr. Doreal's translation with a cover design of the original Tablets. The demand for this book on the Atlantean Mysteries has been so great that already it is in its tenth edition.

BROTHERHOOD NEWSLETTER

Dear Students and Friends:

The supposed birthdate for Jesus, The Christ, has passed us by. The technicality of the exact date of His birth is not of the utmost importance but the way in which we live and carry on the Divine Wisdom that the Sun of God has given to us, is the thing of importance. The other day we saw a sign that read, "Happy Birthday Lord, Jesus." The only measure of happiness for the Christ Consciousness is attained when we live according to God's laws and truly help and love one another. The Brotherhood was formed expressly for this purpose. The Church and its ministers cannot do this for you. We can show you the way in which Dr. Doreal taught us and we may at times help to inspire you, but the rate of progress and your attainment can only be done by you. There is no way for anyone else to do it for you, nor is there anyone on which you may lean. Through one's strength, will, wisdom, awareness and determination, the Divine At-Onement shall be attained. So we might as well get busy so that we may all meet on a higher Spiritual Plane.

Today is cold and it has been lightly snowing all day. We expect to receive several inches of snow which will add to our water supply for next summer. The tractor has been overhauled and the other snow plowing equipment is in good condition.

We would like to tell you about the special candle-light service last Thursday evening. The choir sang several inspirational, appropriate numbers. The large congregation also sang some songs. Dr. and Mrs. Plass had skillfully made three Christmas trees of glossy, brown pine cones which were gathered from the mountains and these brought forth the beauty of the Christmas season. A huge candle representing the Christ light was located directly in front of the altar on a bed of salt. Twelve children, each representing one of the disciples, came forth to add his light to that of the Christ. Each in his turn told of the Divine attribute that each disciple represented. Dr. Plass gave an inspirational message. Then the spherical lights were gradually turned down by a rheostat as each member of the congregation came forward to add their light to that of the Christ. The evening was climaxed after all the candle lights had been combined to create a brilliant effect. The entire Service was very symbolical with that of our lives. As each soul unit combines with that of the Christ we truly have stepped into the light.

In Brotherhood,
Iris Rawls.

If you have repented before you suffer the cause of the effects set up, then you are not going to receive the effects of it and one cause we have set up can negate the effects of the previous cause.--Doreal.

"He's Standing By Me All The While"

He's standing by me all the while;
He'd have me look to Him and smile,
To look away from doubt and fear,
And know that He is standing near.
And sometimes when the shadows fall,
I need to know that God is All,
But need no longer be afraid,
For Jesus is at hand to aid.

He's standing by me all the time;
It matters not the hour or clime,
I cannot falter, cannot fail;
His love forever will prevail.
I'll not complain, my lot bemoan;
I'll ne'er again think I'm alone,
For Jesus stands at hand to cheer,
And have me know He's very near.

He's standing by me night and day;
I sometimes think I hear Him say:
"Just lean on Me and have no fear,
And some good blessing will appear;
Just lift your thoughts to me and know,
That naught but Truth can e'er be so,"
I always feel that I can try
When I know Jesus is near by.

Gleanings of Truth

By
Doreal

Therefore, the physical body of the individual will change, but only in proportion and in relationship to the individual's awareness of that new spiritual center, that new and perfect spiritual center which has been set up in relation to each individual.

When the contact between the point of manifestation of the ego in the head and that new spiritual center is completely established, then the material body will vanish, will be transmuted or changed, and the new spiritual body will be substituted for it, but not upon one of the seven spiritual planets. It will be substituted for the physical body here on this material plane, on this earth. The body may still have the appearance of the old body because of the ego's awareness of the old manifestation, but it will be of a different quality and substance. Let us put it this way (although this is not exactly right): It will partake of the quality of the ninth dimensional substance. The ninth dimensional substance is that which forms the space in which all things are created, shaped and formed, and the new spiritual body will be of the same nature and quality as that ninth dimensional substance. When I use the word 'spiritual,' I mean

the soul quality, or the Divine Spark of God. It is a body far finer, far more intangible, than the gross physical body, or the astral body, and it is really in its original created and formed state. It has channels through which flow all the Divine powers.

In the New Age of the Christ Kingdom, when the Holy City descends upon earth, all of those who have attained will enter into that Holy City, and their bodies will be changed. There will be a new heaven and a new earth. As Paul said: Man will no longer be material. He will be spiritual. He will put off corruption and take on incorruption, the Divine spiritual body. He will not cease to be the individual ego or consciousness, but he will have changed the condition of space in which he manifests, so that all around him there will be emanated and formed the same quality as the spiritual planets. Therefore, he will begin to transform every material substance with which he comes in contact, and gradually the entire earth will cease to be the gross material earth we know, and will take on the quality of the seven great spiritual planets on which, up to this time, the spiritual bodies remained, because there was no fit condition in the lower material plane for them to be. They could only extend as consciousness and souls and work through the gross material matter, which we, on this earth, call flesh; yet all matter and all substance, being also an emanation of the

Divine, is capable of being purified and transmuted into the finer spiritual substance. That finer spiritual substance is, of course, that which remains after the withdrawing of the veils of creation, spoken of in the Kabbala. He withdrew three times before the final withdrawal, each time leaving a grosser and grosser substance. Each creation awaited the time when all could be purified, all could be transmuted and changed and there would be only the great all-encompassing harmony throughout the entire Cosmos, on this earth, and all other earths. All the worlds were created with a plan and a definite purpose. They were formed, shaped and ordered so that the Divine Plan could be carried to completion. Finally, heaven and earth would pass away, and a new heaven and earth formed, in which all would have and would be the Christ Consciousness, order, in absolute and perfect harmony.

Now, what effect will this have upon us immediately? Perhaps for some, the great mass of mankind, no immediate great effect, but there will be established the two contact points. The spiritual body will be brought down into the astral plane, pushing aside the astral plane, and awaiting the extension of the ego or consciousness to touch it and draw it into being in the material; whereas, before it never could have been drawn from the spiritual planet upon which it has always rested.

Instead of there being one line or one channel between the spiritual body and ego, now there are two lines. When those two lines are joined and the final link completed, then the person has become the perfected being. This perfected being then will have accomplished the purpose of creation. The time will come, and not far away, not far off, when there will be two kinds of people in the world: Those who are in the material body and those who are incarnated in the spiritual body. They will walk side by side. Those who have completed the spiritual body will never be touched by age, sickness or death. The spiritual body is incorruptible. It is separate from all vibrations that are harmful or destructive. The spiritual body may walk among harmful vibrations and not be touched by them. It will be in this world, but not of this world, because around it there will grow up a matrix or pattern of the new world, the new heaven, and the old will begin to disintegrate and pass away. That disintegration and passing away of the old matter and substance has begun at this moment and will continue to progress faster and faster. To be exact as to the time of its beginning, it was on the 28th day of November, 1958, at midnight.

INTERPRETATION OF THE EMERALD TABLETS

BY

DR. M. DOREAL

The Emerald Tablets are revealed of their mysteries, which have only been touched upon lightly.

Man's search for understanding of the laws which regulate his life has been unending, yet always just beyond the veil which shields the higher planes from material man's vision the truth has existed, ready to be assimilated by those who enlarge their vision by turning inward, not outward, in their search.

In the silence of the material senses lies the key to the unveiling of wisdom. "He who talks does not know; he who knows does not talk." The highest knowledge is unutterable, for it exists as an entity in planes which transcend all material words or symbols.

All symbols are but keys to doors leading to truths, and many times the door is not opened because the key seems so great that, the things which are beyond it is not visible. If we can understand that all keys, all material symbols are manifestations, are but extensions of a great law and truth, we will begin to develop the vision which will enable us to penetrate beyond the veil.
