From the CALIPH

DROP TROOPER

Memoirs of the Caliph

I have just flown back from Columbus, GA, and I have good news for you. The A. O. Spare encampment has now reached Chapter status.

It seems that Joe Schockley is one of these guys who just does not know when to give up. He was was wander-around one day passing out Thelemic material, when he ran across this INFERNO CLUB. It was full of go-go girls (classical routines), and the clientele were mostly skin head drop troops from Fort Benning where they have whole battalions of paratroopers in training. I visited the club later, and I haven't felt so at home since the Normandy drop.

So Joe went in and promptly got bounced because the owner thought he was a Baptist missionary. Joe thought about it, and decided to try again. Well, gold is where you find it. Even if you get your teeth kicked in. Anyone who was not in-to Baptist missionaries might have possibilities.

This time he sat down next to Vanessa and they got to talking. Turned out she was heavy into Crowley and knew an awful lot about these things. The net result is that more than half of the INFERNO CLUB signed up and on Aug 2 we initiated 13 Minervals. We have great hopes that this will grow rapidly into a Lodge. Of course Joe is a 2nd Degree.

Speaking of the INFERNO CLUB, Crowley would have loved it. I remember in London in '43 e.v. and Crowley and I were rapping across the chess board and he accused the Americans of being "much too serious." Of course we were fighting a war. But his explanation was the Old Time London Music Hall. "Because they were so jolly."

Last month Canada. This month Georgia. Next? An interesting thought. Oyes. The Canadian lodge is expanding rapidly.

H.A.

P.S. And thank you, Joe, for doing such a marvellous job.

Lodges come one-to-a-country (or one for each distinct language-group of size within a country.) Grand Lodges generally are also responsible for development of other Grand Lodges through sponsorship of the growth of the Order in other countries. In general, Camps and Chapters can be formed immediately. Lodges take several years to form from smaller bodies and a Grand Lodge may take anywhere from five to 30 years to form. The rate of formation of a Grand Lodge from scattered and new bodies within a country depends entirely on the success of those bodies at developing themselves, uniting their efforts and proving themselves responsible to their members within their country of residence. Legal establishment within a country is usually a primary condition for a Grand Lodge.

HOW TO FORM A CAMP OR CHAPTER.

Contact the American Grand Lodge, Thelema Lodge, either through a local Chapter or Lodge or directly. The contact should take the form of a general written proposal of intent to do some particular thing as a Camp or Chapter, should include a suggestion for a name of the new body and must be sent to the attention of either the Caliph, Grand Secretary General or the Grand Treasurer General of the Order. Sending the proposal to all three is just about the only way to be sure of prompt action. When the proposal is understood, and in almost all cases, the proposal will be granted in the Supreme Council. A charter is then prepared by the person or persons applying for control of the Camp or Chapter. Such a charter must name the body correctly as a Camp or Chapter (whichever is decided), should include the Thelemic Greetings used in ordinary correspondence between Thelemites, must name a Master or Mistress of the body and must include a statement of recognition of hierarchy. The statement of recognition of hierarchy must include a statement that the new body is under the regulation of the Supreme Council and the Caliph of O.T.O., and may also mention a Chapter or Lodge in the case of the new body being a Satellite Camp. Anything fancy or simple in the way of a description of the aims or goals of the new body is optional. This charter must be one single page, but should be submitted in triplicate (photocopy ok).

A Charter is purely optional unless initiations are done. Initiating bodies must either have a charter to initiate with the IIIrd Degree or higher initiator specifically mentioned or they must limit their initiations to those done by a member holding a personal charter to initiate, signed by the Caliph. A Camp, Chapter or Lodge becomes official only after the Supreme Council passes a resolution making that body official. The Caliph sometimes prepares or signs charters prior to Supreme Council resolution, but this is a courtesy only. By doing this, the Caliph signifies his intention to back the application in Council. The New Body still must go through an abbreviated process of sending their charter or two photocopies to the council for final recognition.

WHAT MUST A CAMP OR CHAPTER DO TO STAY OFFICIAL?

Report and stay cool. The financial activities, if any, must be reported to the Grand Treasurer General, the meetings and records keeping processes must be reported to the Grand Secretary General and a short account of the body's activity must be sent into the Magickal Link for report to the Membership of the Order atleast every three months. All these reports go to the Grand Lodge P.O. Box. In addition, any intiations must be applied for and reported in a timely manner according to the regulation of the Grand Secretary General, Caliph and Grand Treasurer General-- without fail or excessive delay.

The original conditions of charter must be followed or amended. The rules of the Order must be obeyed most particularly in the area of the rights of the local members being defended by the local Master/Mistress of the Body. The safety of the Order either in physical, financial or legal matters must not be placed in danger.

All reports of Satellite Camps and some Chapters may be simply included in those of the parent Chapter or Lodge-- or such reports may be made individually if copies are provided to the parent bodies.

CURRENT CAMPS AND CHAPTERS UP FOR RECOGNITION:

These bodies are in the last stages of Supreme Council recognition.

THE KNIGHT'S KORNER

Do what thou wilt shall be the
whole of the law.

"How this new Aeon of Horus will develop, how the Child will grow up, these are for us to determine, growing up ourselves in the way of the Law of Thelema, under the enlightened guidance of the Master Therion." Preface to Liber A1

This states the condition of the OKB better than any thing. We do not know what the future holds for us. We cannot rely too heavily on the experiences of the Past Aeon, for the Knights of yore are far different than the Knights of Today.

Many of us in the OKB wonder what it is that we can do to further the Principles of Thelema, what can we do to make the manifestation of Horus more complete. Who has the answers? They are not too easily found.

We are treading on "virgin soil" and we need, more than anything, guidelines. We can take some of them from the Aurthurian stories, but there are some concepts which are not Thelemic.

Perhaps the best way to solve this problem is to have an increase in dialogue between the Knights and Squires, and between the OKB and those outside of our ranks. We also need more dedicated individuals who are willing to work and help us grow!

If this sounds like your "bag", you are invited to write us at

Love is the law, love under will.

INRI Camp in the New York City area is due to be recognized before you read this Magickal Link. Address next issue, contact through Tahuti Lodge in New York for now.

A0 Spare Camp is likewise due to be advanced to A.O.Spare Chapter.

AHA Camp in Southern California and AHA Camp in Chicago have an obvious problem. Both will be recognized as soon as the two individuals involved communicate their mutual decisions about which body gets this name and which body gets another name--one body to a name. For now, contact the AHA in Southern California through Heru-Ra-Ha Lodge and the AHA Camp in Chicago through Thelema Lodge. Please, fellows, tell us what you decide soon

Hellfire Camp is to become a Chapter.

OTHER NEW BODIES: are in earlier stages. ALEPH-TAO Camp will probably be formed in Toronto under Brian Postnikoff to control fully expansion in the Toronto area for now under Phoenix Lodge. An earlier planned body for Toronto has apparently rebelled even before recognition could be made. More in the Grand Lodge report following.

Grand Lodge Report:

Thelema Lodge is the Grand Lodge of Ordo Templi Orientis and the headquarters of O.T.O. world-wide until other national Grand Lodges are Created.

The Address is:
P.O. Box 2303
Berkeley, CA 94702
U.S.A.

All mail to O.T.O., E.G.C. and the Chief Officers of O.T.O. or E.G.C. can be received at this address. Mail for local bodies having addresses listed in the back of this Magickal Link may be sent directly to those listed addresses.

O.T.O. on the Move: Temples of O.T.O. in New York City and Berkeley (Grand Lodge) are slated to be relocated. Contact Tahuti Lodge in New York for details there. The Grand Lodge Temple has reached the end of its welcome at the 2822 San Pablo Ave Address. (don't worry, the Caliph still lives at the same location). When we moved into quarters in Oct. of '79 the other tenants were mostly ladies of the evening. That was fine with us, but the Land Lord doubtless thought of us as "sterling tenants" in contrast. Now, almost two years later, the nine-to-fivers have the majority. Also, everybody else pays \$100 to \$200 more than we pay. Thus, the Greater Mystery imposes movement in this line of our hexagram.

Any O.T.O. members in the Berkeley area capable of movement and speech please take note. HELP! We have until the end of September to move out and find a new place. Unless we get situated by Sept 15th, we cannot announce meetings on the Calendar for October, a month including Crowley's Birthday. We need a good sized place, cheap, in walking distance of Grady's home and devoid of people who go to bed early. We will hold abbreviated meetings in homes if necessary, but that just isn't good enough. With everybody looking, it shouldn't take long to base down again.

Otherwise, things are fine. Grady's health is as good or better than usual, although he has a slight sprain in his knee from a freak fall--just mentioning this here to reassure Eva and others who called in to find out what happened--honest, Eva, I tried to phone you...

The Grand Lodge is at the Renaissance Faire again this year, with profits per weekend just under \$100. Good exposure for the Order and good stability for the treasury. Our profits from the Faire help us keep the Temple open.

Confusion from the remains of Ankh-f-n-Khonsu Chapter is still all we know. This body had two Minerval members and took it into their collective heads to initiate new Minervals. As nearly all of us know, only IIIrd Degree and higher Members can initiate, and they swear not to do so without written permission. The ex-chapter in Minn. was informed in plain words that they couldn't initiate, and they later went through the motions with Associate Members who came a considerable distance at their invitation. We don't know more because the two Minervals at the ex-Chapter have not responded to our letters requesting their side of the story. We have no choice but to terminate the official Chapter there.

Through a loan of operating funds, Boleskine Camp in Sacramento has reported that the plans are well set to hold a public event in Sacramento California with Kenneth Anger and his latest film, Fritz Leiber, Bob Wilson and the O.T.O. on the 23rd and 24th of October. Write now for information, the next announcement in the Magickal Link may be too late for your plans. Write to P.O. Box 94, Carmichael, CA 95608 on this matter.

What with moving the Temple, enlargement of the initiation Oasis in the GTG's basement, Ren Faire and a terrific backlog of printing, correspondence and response to mail-orders has snagged again. Things should be running smoothly again by the end of the first week in September.

Mail is functioning again to Canada, so welcome Canadian initiates! If you were initiated in the last few weeks, it may be a little bit before your certificates reach you..don't despair! We will honor all decisions by Bill Breeze made in this matter during the lapse in the mail service.

Quantic Catholic Church (E.G.C.)

During a routine examination of the affairs of the E.G.C. for consideration of registration with the State of Utah, it was discovered that serious lapses had occurred with report of some Church Baptisms, Consecrations and other membership records. It appears that an unknown number of Church Members were not recorded in their various classes of Member, Deacon/ess, Priest/ess and other states. This problem was most have persisted down to the present. IF YOU BELIEVE YOU ARE A MEMBER OF THE E.G.C. in any category, AND you are not contacted in the next three weeks (from Sept. 1st) we have either no current address for you or your membership or class of membership was never correctly reported and entered in the books of the Church. Contact Either Father ION or the Secretariat of the Church at once with details of your membership status, including: Level of membership, place and date, and person performing the membership ritual or consecration. Bishops of the church are urgently requested to supply copies of their own record-books on this matter to the secretariat or to Father ION. The address to use is: P.O. Box 2303 Berkeley, CA 94702, USA.

The E.G.C. has a new logo (lamin), seal and Patriarchate seal. More in a future issue of the O.T.O.'s Magickal Link.

The E.G.C. is an independant Church of Thelemic Religion having close ties to O.T.O. both historically and through continued friendship.

This is to introduce
STELLAR VISIONS.

"Every man and every woman is a star" (Liber Al vel Legis) Stellar Visions are our visions. They are the visions of such "stars" as Aleister Crowley, many of whose works we offer for sale to the public. Due to our association with the Ordo Templi Orientis we have access to many of his works that have become rare and difficult to obtain. These we are reprinting. We continue to publish in our periodical the work of the present members.

Stellar visions are of things stellar in the traditional sense as well. We think Man will go to the stars this Aeon, and we hope to inform occultists about the technology that they will need to share in this great adventure.

We include Witchcraft amoung our Stellar Visions; after all, Astarte's name comes from a word meaning "star", or "of the stars". As "astronomy" means the numbering of the stars, so "astrology" means their logic. We include both of these sciences and arts.

Indeed, we publish material on Practical Magick, Occult Philosophy, and High Technology, and this we embellish with Art and Poetry.

Stellar Visions are in fact these concepts and more. Come, let us share our dreams.

STELLAR VISIONS I

The first edition, of our first magazine, was watercolored by hand on many pages, and since so many hours were required to produce it, only 30 numbered copies were ever made. Due to numerous requests, we have decided to reprint it in black and white.

It contains "Soul of the Desert" by Aleister Crowley Stepping out of the Old Aeon into the New and other original material by members of the O.T.O.. There is an article on the power of the pyramid with an additional comment by Frater Mathias XI O.T.O., and the first Cosmic News and Views by Soror Celesta.

STELLAR VISIONS II

Contains never before published Crowley works from the Syracuse Collection collected and typeset by Frater Mathias.

The "Constitution of the Order of Thelemites" (though never implemented by Crowley), contains so much information that it is surprising that it was never printed before now. "A Letter on Art to Lady F.H. of Crowley" contains the instructions for painting the "Moth Tarot Cards" now used by so many occultists.

"Cefalu" also by Aleister Crowley is a guide to the Abbey of Thelema, mentioned in "Confessions" and many other places (the rare descriptions of the rooms, paintings, and other aspects of life there that are invaluable).

"Clear Crowley's Name Campaign" by Grady McMurtry, has been lost for many years (written long before he became head of the O.T.O.). It makes clear some of the activities that may have led to his promotion to the IX, and the issuance of the "Caliphate Papers".

These papers and art by Crowley and others, an open letter to Robert Anton Wilson, by Frater IANASA, and "Across the Gulf" which Crowley states is a description of his life as Ankh-f-n-Khonsu, and more.

LITTLE ESSAYS TOWARD TRUTH

Stellar Visions now offers this, out of print, gem by Aleister Crowley on the "France States". This edition contains the diagrams left out in the last printing, as well as a glossary explaining many of the qabalistic terms. It is a very good introduction to many of the concepts expanded upon in "Book 4".

O.T.O. COLLECTION

A Pre-Publication Sale of the first 100 numbered copies of this O.T.O. material from "The Blue Equinox" by Aleister Crowley.

To include Liber: LII, CI, CLXI, CXIV, XV. "Manifesto of the O.T.O.", "An Open Letter to Those Who May Wish to Join the Order", "Concerning the Law of Thelema", "An Intimation with Reference to the Constitution of the Order", "Ecclesiae Gnostice Catholice Canon Missae". (Stellar Visions is in the process of expanding on this material, watch our periodical for details.)

MR. CROWLEY

Mr. Crowley, what went on in your head
Mr. Crowley, did you talk with the dead
Your life style to me seemed so tragic
With the thrill of it all
You fooled all the people with magic
You waited on Satan's call

EPILOGUE

Was it polemically sent
I wanna know what you meant
I wanna know
I wanna know what you meant

The verses above have been recently composed by Ozzie Osborne, the former lead singer of Black Sabbath. The song Mr. Crowley appears on the Blizzard of OZZ, Osbornes first solo album.

On June 29, 1981 e.v. Mr. Osborne was phone interviewed in Hollywood on Rock Line, transmitted all over the world via the Global Satellite Network. Thru Alwass's power of transmission Fr. Zardoz achieved phone communication with Osborne in Hollywood Babalon. Given below is a partial account of the live conversation that transpired.

ZARDOZ: Do what thou wilt shall be the whole of the Law. What inspired you to write the song "Mr. Crowley"?

OZZIE: Well, the thing was that over the years, ever since I've been involved with rock and roll the name Aleister Crowley crops up from time to time. When I was trying to form this new band an old manager of mine turned me on to the book that Jimmy Page had got, given to him. Because Jimmy Page owns a bookshop in London. And it was like, he had written inside, To Frank, Thelematically Yours;

Jimmy Page. I bought the book Hollywood Babylon and it also mentioned about Aleister Crowley. People think I am into the Crowley thing now.

GSN: Just briefly who was Aleister Crowley?

OZZIE: I really don't know, the thing is that I wrote the song about a question; Mr. Crowley what went on in your head? I don't know about him. In fact I have recieved letters from the Crowley Society, condemning me for what I have written in that song. So you can't ever win you know.

Boleskine will soon be Silk screening O.T.O. T-Shirts. They will be Black shirts with the O.T.O. name and logo + Do what Thou wilt etc. on the front in white. On the back will be a red Eye of Horus and Love is the law, Love under will be beneath the triangle in white.

Lodges, Chapters, and Camps can order the shirts for \$60.00 per dozen, individually they will be \$6.66 for members and \$7.77 for non-members, this includes postage. Please indicate sizes desired, Med. or Large.

T-Shirts, Osbornes interview transcript or the words to Mr. Crowley are available upon request to Boleskine.

Fr. Arhiar is currently completing a lengthy essay on Liber Trigrammaton, any communication from serious Qabalists is welcome.
