## From the CALIPH

### ON THE KNIGHTS TEMPIAR CASTELLIAN

In the 32° Readings of the MASONS it is written, in THE TEMPIAR DOGMA "...the Khasideans were a religious fraternity, or an Order of the Knights of the Temple of Jerusalem, who bound themselves to adorn the porches of that structure, and to preserve it from injury and decay." It on this the

#### KNIGHTS TEMPIAR CASTELLIAN

is founded. They are those of each Thelemic community who, like the original Templars, bind themselves together for the sanctity and security of the Temple. In those days it was Caravans and Jerusalem. Hence the signal of three Camels marching. Today it is in the psychic dimensions of the Gnostic Mass. It is the one place we come together in worship & in peace. Pax Templi. Outside Templars can get pretty rowdy. Inside the Temple, PEACE!

Those who find their vocation in the ranks of KNIGHTS TEMPIAR CASTELLIAN follow many occupations, but those will feel most at home who have something to add to a theatrical production company: artists, directors, actors, set designers & builders, costumes, holy oils, incense, fire alters, you get the idea? Dramatic ritual is a play that is theatre that is real that is an invocation - group ritual (good as individual ritual is, you will not grow as a magician

until you start to relate universes... "Every man and every woman is a star.") = needs a stage, props, grips, actors, etc. And don't forget that this is not just play acting. The forces invoked will come. So if that is your place of worship, be respectful. Recently a young lady called me and wanted to know if she could come to Mass at Grand Lodge. When I questioned her it seems she just thought it was a play. I pointed out that if she was not going to participate, she was not supposed to come. It says so right in the Rubric.

In dedicating themselves to the sanctity and security of the Temple, KNIGHTS TEMPIAR CASTELLIAN would not only be interested in the physical building of the Temple, but also the dramatic rituals, group & individual, school & tutoring that would go on within it. Chandria has given an excellent example of this recently by having given the RITES OF ELEUSIS as written & performed by Aleister Crowley, five (5) times. Complete. This is phenomenal. And a lesson to all of us. I have now given her direction of the Guild of Drama and Thaumaturgy with specific invitation to use Grand Lodge Temple as a stage for her video-cassette tape program, so all you good Thelemic buckeroos out there can see the Mass, the Rites and the Rituals as they should be done.

KNIGHTS TEMPIAR CASTELLIAN come in various

categories. The first level, the basic unit, would of course be the

KNIGHTS TEMPLAR CASTELLAN  
Helene Schuld & Eugene Plawink are the first to be established in that rank. That could have several variations like KNIGHTS TEMPLAR CASTELLAN EXEMPLAR for whatever reason, etc.

In terms of administrative ranks  
KNIGHTS TEMPLAR CASTELLAN EXCHECQUER  
" " " ARCHIVIST  
" " " ALCHEMY  
and for special purposes  
KNIGHTS TEMPLAR GRAND CASTELLAN  
since the Caliph takes a special interest in this enterprise.

Those of you who wish to volunteer for this should consult together locally &, if you wish, write to me personally & I or someone at Grand Lodge will act as a communications guide until you can set up your own network.

In THE EQUINOX Vol. III No. 1 (THE BLUE EQUINOX, Liber LII, Manifesto of the O.T.O., p. 197 it is written, "The O.T.O. is a body of initiates in whose hands are concentrated the wisdom and the knowledge of the following bodies.

1. The Gnostic Catholic Church.
2. The Order of the Knights of the Holy Ghost.
3. The Order of the Illuminati.
4. The Order of the Temple (KNIGHTS TEMPLAR)
5. etc. On p. 200, "The letters O.T.O. represent the words Ordo Templi Orientis (Order of the Temple of the Orient, or Oriental Templars), but they have also a secret meaning for initiates."

And while I am at it. If anyone should come down on you heavy about our Masonic "connections," the answer is that we do not have to justify them because we are the original Masons, the Templars. Why? Because:

1. The Encyclopedia says so
2. The 32nd Degree Readings of the MASONRY say so
3. Our Prophet says so...pp. 197-200 above in THE BLUE EQUINOX

## Lodges Chapters Camps

The COLLEGE OF THELEMA published Vol. III, No. 2 of "In The Continuum", last Autumnal Equinox. In it is the ongoing history of Jane Wolfe and how the O.T.O. came to Hollywood and Calif. Also featured is a story by Crowley "The King of the Wood". Many articles, poems and stories by Crowley are printed in I.T.C. which are difficult or impossible to find in print elsewhere. We also publish various instructional articles by him and others which make it easier to understand his writings and Thelema in general.

The College of Thelema will be giving a Seminar in So. Calif. on Dec. 18 and 19, 1982 which will feature some historical information, some information on the A.A.O. and its work and on the College and what it takes to be a member, etc. On the 2nd day there will be some talks and instructions on Astrology. Plans for the present are that these will take place at Heru-ra-ha Lodge in Costa Mesa.

If interested in the Seminar persons may write to the above Lodge or to 418 Lodge of O.T.O. at P.O. Box 415, Oroville, CA. 95965. This address is also for those who wish to subscribe to I.T.C. at \$4.00 a copy. Since so much in I.T.C. is serialized, it is a good idea to order from Vol. I, No. 1 and get on to the ground floor with the serials and instructions. Copies may be ordered at any rate and in any number.

As the 'covering 80's' evolve through us, a new current of Crowleyian musick is manifesting through the amplifiers of New Wave and Rock artists. LOVE IS THE LAW, LOVE UNDER WILL

The meetins of our tribe are unfortunately rather spasmodic as we all ( both, that is ) have heavy time commitments at the University. However at one recent gathering we decided to take a more in-depth look at "The Book of the Law.", since we feel that an understanding and appreciation of this is a critical necessity on the O.T.O. path.

The first section is sheer plagiarism, which some of you may recognise, but it may help some other Minervals; especially those who, like us, are embarking on a cautious and lonely path. The second part has been put together from the thoughts contained in the first part. Please note that the line, "Had, thou manifestation of Nuit" is in no way an attempt to change Crowley's writing — but merely a point of reference, to give pause for reflection and meditation. Hence, we wish to present "A Study Guide of the Book of the Law — For Minervals, By Minervals."

HAD! The Manifestation of Nuit

Nuit is Matter, Hadit is Motion; in their full physical sense, that is, everything is in motion, everything changes. There are the Tao and Teh of Chinese Philosophy; or the Noun and Verb in grammar. Our central truth here is that these 2 infinities cannot exist apart. Linked to the supreme Mother and Father deities. The Aspirant is Nuit. Comprehend Hadit as an unextended point clothed in ineffable Light. Beware lest you are dazzled by that Light. Comprehend Hadit as the ubiquitous center of every sphere conceivable. Comprehend Hadit as the Soul of every person and of every star. Knowledge of Hadit is the Knowledge of death. Hadit is the Maker or Magician of Illusion. Comprehend Hadit as perfect. The Snake that giveth Knowledge and Delight. Cycles of perpetual motion: Birth, Death, Rebirth -- Day, Night.

\* \* \* \* \*

O Thou who art all Change and yet  
Changless  
Bring Glory ever Nearer.  
Set the endless cycle of Hadit  
and Nuit  
In its perpetual vibratory Motion.

Had, thou Manifestation of Nuit  
Two infinities, incapable of existing apart.  
Father Mother God, Ra Hoor Khuit,  
Aid me in my search for Hadit.  
An unextended point clothed with  
ineffable Light  
(Yet one must not be dazzled).  
The ubiquitous center of every  
sphere conceivable.  
The Soul of Every Person and of  
Every Star.  
Perceive Hadit as Knowledge and  
Death,  
Producing no Fear.  
As Maker, Magician and Perfection.  
And yet it is not.  
Let us delight in the Snake that  
giveth Knowledge and Delight.  
Help me to perceive myself as not  
this physical body  
But a part of a cycle of perpetual  
motion,  
A part of Had.  
Hadit! Thee I love and Adore.

NEPHTHYS CHAPTER REPORT:

"We don't repret the news, we write it."

-Bill Burroughs

93. From the land of Dudley Do-Right, greetings and hallucinations. My, my; we can't say it hasn't been exciting. First there was the typical Panic surrounding our Caliph's visit. Where were we going to get a Temple? How much space could we rent? How much could we afford on a zero-based budget, if 0=2? Well, by July we had a temple, a little magick and voila! we move into a 20 by 12 foot room, formerly the pool room in a local biker headquarters, minus bikers of course. (A nice group of guys called the Warlords.

By August we have the temple just about prepared, and suddenly as Grady is about to arrive we have to deal with all sorts of Thelemites crawling, slithering, slipping etc. out of the proverbial woodwork.

By the time we were finished with the Caliph tour, we had initiated 20 people, the bulk of them being Minervals, but including 5 First Degrees. As well during the Caliph's visit, we threw a very special party for the old boy, with two rock bands, no liquor license (did that stop us--no way!) and a good time was had by all until the wee hours of the morning. There were Minervals in both bands, whose material went from Heavy Metal to New Wave. Oh yes we had 93 invitations and the event was very appropriately called 'We are the Illuminati'.

The Gnostic Mass was performed 'publically' (that is the performance was publically advertised) for the first time in Western Canada. Our esteemed Patriarch was the Priest, Helena our glorious Chapter Mistress was Priestess and Fr. Resh was Deacon. Mass was begun at midnight on Sunday, as is the new tradition around here. The second performance of the Mass was one week later, again at the midnight hour. However this time some changes were made, with Grady's approval. For the first time we had a nude priest; this was actually because we had no extra white robes. The Mass went over well, with Sr. K-Shegal as Priestess, Fr. ByThor as Priest and Fr. Odysseus as Deacon. Grady then conducted baptisms and ordinations of priests, priestess and deacons. We are now performing the Mass on a regular monthly basis.

Our reasoning behind the midnight Sat. time for the Mass is to begin with the first hour of die solis on Sunday. But a nude Priest you ask?

Well, we feel that this balances the energies between the Priest and Priestess. The Priest first appears naked as a babe/corpse, and is granted his power by the Goddess/Priestess, who later reveals her power before the congregation.

People came from across the province and Western Canada to take initiations. A considerable general interest in Crowley, Thelema and Magick was generated by this tour and the contacts made will last us a long time. Currently we have four daughter camps: in Calgary, our sister city to the South is Anubis Encampment; in British Columbia where Fr. Achad and Fr. 132 began the Canadian O.T.O. in 1919-20 e.v. we now have QuetzAL-Coatl Encampment; Aleph Encampment is in the oldest portion of this city, where we have our Temple. There is now running water/indoor plumbing; this area has hardly changed since the pioneer days. Aleph camp is dedicated to the protection and custody of the Temple, and Fr. Fool has been granted the office of Knight Templar Castellan in order to serve and protect the temple. Our former liason representative in Eastern Canada has moved to B.C. as well and has established an encampment dedicated to the study of Magickal Will and Writing and is known as Hermes-Thoth. This is in beautiful Nelson, last outpost of the '60s generation that ran off into the hills and woods to set up communes.

Further contacts have been made in Southern Alberta, which is very like Utah. Badlands, Hoodoos, and 40,000 Mormons. Sheesh.

Sr. Helena, Chapter Mistress, voyaged east to visit Amon Ra Chapter in Toronto, where she met with the interesting and exciting Order members from that part of the world. Something we seem to have in common from Vancouver to Toronto is an interest in Tai Chi as well as Ritual.

Our fall schedule began with another midnight Mass. On the Equinox we consecrated the Temple, and performed the first of our Thelemic Wicca rituals, invoking Pan and MAAT, to join us in celebration of harvest and the coming of Samhain.

For October we are planning our usual Crowleymas party with readings from 666's works. Another Mass, and for Hallowe'en something special: we will be performing das Tierdrama, the ritual of Beasts into Men.

As of the Equinox we have officially applied for Society status in the Province of Alberta. We wait to hear the outcome of this.

The I and II Degrees of Nephthys Chapter mourn our dear departed Sister, Jane Wolfe. May she R.I.P. in N.C.X. She has taught us all much and well and imparted much wisdom and experience. We shall all miss the sparring.

About Grady's bust, well that's another story which we will submit separately. 93-31-93

### Ordo Insularum Oceania

From Agapé Abbey, greetings and salutations on all 5 points of the Southern Cross.

We at Agapé Abbey are planning the Rites of Eleusis for March of '83. Thanks to the crew at Berkeley, especially the Lady Chandra, the Chief feels fairly confident that she can get this off the ground (but will it fly) and will begin the proceedings as Magisti Templi in the Rite of Saturn... on Feb 26th.

In general we work quite spontaneously, the one fixed date is every full moon we celebrate the Gnostic Mass. On Monday night, 15th nov, we will be doing an invocation of Khonsu... that's on the Black moon in Scorpio.

Oceania Lodge is planning to relocate in the far north of Queensland (just south of the Equator) come winter. In the meantime we're working on our Sydney sustans. In the summer sun. Hail Tum!

## Ordo Templi Orientis

P.O. Box 1489  
NEW HAVEN, Ct. 06506

WE WILL BE CELEBRATING OUR 5TH ANNIVERSARY IN HONOR OF THE FIRST FOUR ASSOCIATE MEMBERS WHO TOOK MINERVAL INITIATION & BROUGHT THE WAYS OF OUR NOBLE FRATERNITY TO THE STATE OF CONNECTICUT. WE WISH TO THANK ALL WHO HAVE MADE THIS POSSIBLE AND EXTEND OUR DEEPEST HOPES & ASPIRATIONS FOR ANOTHER FIVE YEARS ATLEAST EQUAL IF NOT BETTER THAN THOSE BEHIND US!

Plans are being made to begin publishing our own magazine in the early months of 1983 & we have decided upon calling it:

### HELL- SPAWNED

What is HELL-SPAWNED? Its a publication of free-thinking magicians who are tired of the bulk of the white light, neo-occult magazines designed along often repetitious lines in regards to their contents presented. The name of our publication signifies the realm of the mind unrestricted and subject to no mortal, or gods except those which the writer so desires, and its in these dark byways of ones subconsciousness that images and ideas are spawned often to be repressed by the world around us. In these pages there is no restriction, white is white and black is black and if it be Satan, god or gods that one discusses then its the writers world.

We are excepting articles at present and we'd like to express our deepest concern to those already involved in RITUAL COMMITTEES in the OTO not to stay silent but write of your findings and offer the less

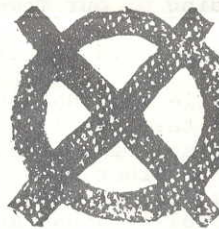

fortunate the benefit of your research. Misunderstanding of our ways comes only through ignorance. Its time to lift the veil of darkness so our brothers & sisters in far corners of the globe might realise little known aspects of our order. We welcome all to write even if only a few paragraphs long.

Some of the articles that have already been submitted and are scheduled for Issue No.1 are entitled; 'OTO'S MINERVAL, Is it a Foolish Degree?' ... 'There is the Dove, and there is a Serpent, Choose ye well!' ... 'OF THE TERM MINERVAL' and many, many more.

The COST & the final publication date has not been decided upon as yet, but will be posted well in advance in an upcoming issue of the MAGICKAL LINK.

ON MAIL ...

Our letter answering has fallen way behind due to our efforts at getting our new publication off the ground. We expressed our thanks to those who have been patient with us. We have not forgotten you!
