Do what thou wilt shall be the whole of the Law.

From the CALIPH

So, Genesis 2, part 4.
The Four Rivers of Paradise
and why each Tarot card re-
presents a mirror of your
psychicbody. In the Egyptian
pyramid mysteries, there
were 22 Pylons (a Pylon
is a gate), the 22nd of
which was invisible. That
is what we would call The
Fool. 22 Pylons, 22 Major
Atu of Thoth in the Tarot.
If you could not find The
Invisible One, you were ob-
viously not an initiate.
You were also dead. But
I will explain that some
other time. In the Orient,
that is what is called a
joke.

But what is not a
joke is the KABBALAH DENUDATA.
Personally I use the Mathers
edition, London, 1951. On
plate VIII, facing page 41,
there are two hexagrams.
The upper is ARIK ANPIN (
or Macroprosopus, if you
prefer), and the lower is
Zaur Anpin (you), Micro-
prosopus.

Now. The doctrine is
this. There is a Cosmic
Psychic Body, what you might
call "God", Macroprosopus,

us, before we took our in-
carnation. And then there
is you, Microprosopus, the
individual, male or female,
as the case may be. And
since your small psychic
body is but a reflection
of that Vast Countenance,
obviously it must change
as that body changes. This
is the key to the Precession
of the Equinoxes. The Cosmic
Psychic Body changes one
aspect every 2000 years,
which is reflected in what
we call Tarot. In this Aeon,
it is the transfer of the
Aries card with the Aquarius
card. If this is not true,
then The Book of the Law
is wrong, and Thelema is
a lie.

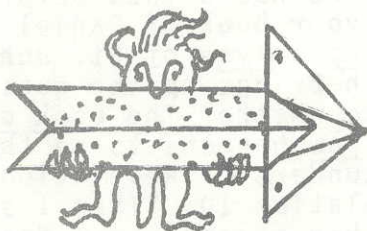

But it is impossible for
The Book of the Law to be
wrong: for it is written
(AL III 19), "That stéle
they shall call the Abomination
of Desolation:..."--And where
have we heard that before?
Try your Book of Daniel or
The Apocalypse of St. John.
Which brings up the question
as to whether The Book of
the Law happens to be the
7 Thunders of Revelation.
Revelation 10: "Then I saw
another strong angel descend
from heaven; he was clad

in a cloud, with a rainbow over his head, his face like the sun, his limbs like columns of fire, and a small scroll open in his hand. He set his right foot on the sea, his left upon the earth, (note Temperance card, Waite deck) and shouted like a lion roaring: and at his shout the seven thunders gave voice. After the seven thunders had spoken, I was going to write it down; but I heard a voice from heaven saying, "Seal up what the seven thunders have said, do not write it." Which makes us about the middle of the Apocalypse when the appalling abomination will be set up in the Temple. And when is that? Daniel 10:14, "So I asked, 'Oh my Lord, what is to be the last phase before the end?'" When the "appalling abomination has been set up." If you were a pious Jew with the gift of prophecy in the Babylonian captivity and looked down to the end of Time and saw the Stéle of Revealing of a Prince of Egypt exalted on the High Altar of the Holy of Holies, as we do every time we enter The Temple, you would freak out. So did Daniel.

Anyone else want to know if I read the Bible? Crowley memorized it.

AHA! CAMP

AHA! Camp is now in Post-Trauma Expansionism and doing quite well seeing as I am the only initiated member of the O.T.O. in Chicago at this point in public.

With the help of several Aspirants and former friends over the last decade, AHA! Camp will release its first manifesto by winter's Solstice.

The Theme of the release is quite simple; that the O.T.O. is alive & well & living in Chicago, and anyone interested in any aspect of the order will be encouraged to write or attend our 1st meeting slated for early January.

A lot of confusion over who & what the O.T.O. "really" is seems to pervade Chicago. A certain Mr. Starr (working under Motta) has stuffed the occult shelves with some drivel claiming it is the only true O.T.O.

Therefore, AHA! Camp asks for ammunition in the form of past & current MSS. & books on a 30 day extension of payment from all writing divisions within the Order. With this, AHA! can balance the shelves as well as some chapters & lodges ledgers. Please write AHA! before sending anything.

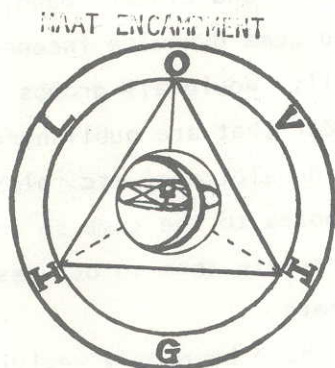

Aside from our official watch-dog activities and a goal to assist in the fast-paced expansionism of the Ordo Templi Orientis, AHA! is currently writing several tracts for release, including informal rap sessions on Magick versus magic. We will definitely open our doors to anyone asking for assistance or clarification on matters occult. As far as we can.

Finally, it is the will
of AHA! to take for its motto
Crowley's
"Mystery is the enemy of
Truth."

We welcome writ from all,
and hope to have enlightened
enough candidates by the
coming Equinox to necessitate
initiations if possible.

Love is the law, love
under will.

Saadi of Shiraz, a Sufi, said this of
Learning: None learned the art of
alchemy from me who did not make me,
in the end, the target.

Greetings from the Maat Desert Encamp-
ment. We are a small group of Hermits
who investigate the nature of Self
by both the Ways of the Wand and the
Ways of the Sword, or Energy and Mind,
Will and Thought. We are quiet, and
disturb the sands but little. There is
little, therefore, that we can offer
the Already Learned.

We have begun a publication, which we
call the Glass Bead Game, in honor of
Herman Hesse's notion along those lines.
For those who are as ignorant as we
about the nature of Mind and Sense and
Weathers of the Soul, we may find a
copy laying around someplace: please,
one per camp or lodge, our funds are
quite limited. It contains very simple
things that are better said elsewhere,
in any event. It is our first attempt.

"Do you know what a man of earth may be,
Khayyam? A lantern of imaginings, and
inside a lamp."

May Hesse forgive me for spelling Her-
mann with one "n."

NUIT-URANIA CHAPTER REPORT

On November 22, 1981
we welcomed the conjunction
of Uranus and the Sun in
Sagg. Assisting in the
operation were Solotron,
Lisa, Doug, Vandimir and
myself (Chandria). We
literally invoked Uranus
and the Sun, the occasion
wherein each year at this
time, we perform rituals
dedicated to the accomplish-
ment of our Great Work.

On December 5, 1981
we initiated two new
Minervals to our group,
Doug and Greg

Welcome!

On November 25th, we
did our annual outing on
Mt. Diablo and Hecate
must have been pleased
because two weeks later,
I became the recipient
of a skull cup, as a
gift from a scarlet
woman of the Order.

The Lunar side of our operation wishes to announce the birth of a Journal to be named SOLISTICE. We hereby invite all Witches to submit articles for publication in this Journal. Please send submissions to P.O. Box 939, El Sobrante, Ca. 94803. This Journal is to be strictly Craft oriented and not ceremonial magick, unless it be Witchy in nature.

NEPHTHYS CAMP REPORTS:

"A feast every day..."
Crowleymas, was an official holiday in Canada this year. Since we have thanksgiving a month earlier than the U.S. we got the treat this year of seeing Crowleymas fall on the Thanksgiving holiday, with Diana glowing in her full glory. Nephthys thru a feast, potluck, complete with invitations, Crowley recordings, and readings of Crowley poems (eg. that bawdy tale of "The Dynast" from OLLA) and Liber A1. Ten people attended celebrating with 'strange drugs' till the wee hours of the morn. Noone could tell what they were high on any longer. The topper of the evening was birthday cake with eleven candles (this seems to ^{be} fast becoming a camp tradition) and the singing of Happy birthday Uncle Alys.

With the onslaught of winter....
brr...snow...cold...scotch....the camp will probably be sponsoring more feasts to counteract the -40 winters around here. Stay tuned for further developments.

The alchymist guild has finally managed to equip no less than 4 fully operational labs for the production of perfumes, elixers and medicinals. This has taken a year to evolve, but in that time we have become a close knit working group meeting twice a month. Watch the link for recipes for our mouth watering products: Absinthe, Damiana Liquer, pennyroyal, and some dynamite incenses. And finally: Would all groups in the Order that are publishing, leaflets, newsletters, etc. please forward copies to the camp so that we may circulate them to our associates up here.

So far we have been only reciving the Link and Stellar Visions on a regular basis. We know there is more out there.

A note to Stellar Visions: Keep up the excellent work, so far your astrological commentaries have been very accurate in predicting trends up here as well as inter-nationally. We count on getting your cosmic newz regularly. You might be interested to note that Nephthys is both the dark aspect of the lunar mother and she was

worshipped as Saturn as well by the Egyptians. The saturn mission was a magickal event of the year. Jack Parsons old alma matter (Jet Prop) have come to face to face with the fact that Velikovsky was right again. Harrah for heresy. The old gods return.....

e.v. Nov. 24, 1981, AN. LXXVII.

The members of Camp Cheth are presently concentrating upon an intensive study of Liber DCCLXXVII, and the Camp Master is concerned with extending that Book into the Buddhist Pantheon. Besides O.T.O. Minerval and A.A. Probationer work, we are doing specific research into the Hindu and Buddhist Tantras, Rosicrucianism, similarities between the Egyptian and Tibetan Books of the Dead, Krishnamurti's teachings, and the works of Dr. Timothy Leary.

We enjoy hearing from all Noble Knights of Light. (be they Lord, Lady, Androgyne, or whatever!).

Grand Lodge Comment:

Note: Ordo Templi Orientis does not endorse or deny claims regarding the nature of A.A. memberships and attainments. O.T.O. is an outer Order, while A.A. is an inner Order. It is felt that membership in A.A. is presently a private matter of interest only to the persons attesting membership and their students and teachers.

There are three general types of A.A. organizations:
1. directly decended from Crowley with uninterrupted documentation.
2. independently created by individuals using published writings by Crowley, without any documentation or historical connection to Crowley.
3. others of whatever kind who have greatly departed from Crowley's plan for the inner order.

There are forms of A.A. operated by O.T.O. members in both categories 1 and 2. There are advantages and disadvantages to being in either category. Do what thou wilt shall be the whole of the Law.

The Islands of Sunrise gave warm welcome to the returning Chief of the Dolphin Tribes. With Summer Solstice only a few weeks away she hopes to be Initiating 2 Minervals at dawn on that day. She will have to split herself in 2 for the first one, but that shouldnt be too difficult for the Anonymous Soror Schizo (whose ears are rather smaller than that but temper equivalent.)

What interest in the isolated urb of Christchurch? there is an Official wizard! who holds court in Cathedral Square from every sunny midday for 2 hours - and draws an admiring crowd. Ian Channell gained the title 'Wizard of Christchurch' from the City Council 8 years ago. The Wiz informed me he takes on Concubine /Acolytes, so do I. I said (Theyre a little thin on the ground hereabouts, unfortunately.) I forsee no future for him in our Order... he's a selfconfessed masogenist.

Grand Lodge Report:

Just a bit short for room this issue--actually feels a tad cramped. Owing to the experiment with the last issue, we have decided to limit the Link to 12 pages, as originally planned.

This means that sometimes, something has got to go. Length is the thought. Some pieces will have to be cut down. Grand Lodge however has a point of honor. We at HQ will not cut the length of the GLR. Width, yes. Length, never!

You might notice a number of Camps cut from the December Contact list in the back of the Link this January issue--these were cut owing to moving of Master of camp in all but one instance. Nobody has been drouped for failure to publish in the Link this time. The first cuts of that character are for the Feb. and March issues.

The job of getting the Order's operations onto magnetic tape has

progressed (Ah! it feels good to stretch!) --this means that Grand Lodge will be getting up to a point of efficiency that has been notably absent the last couple of years. In the mean time, the order continues to grow, with as many as 50 changes to put into the address list every month--and only 2/3 of that are members moving and getting up in the Order.

KNIGHTS OF BAPHOMET

No column this month.
The Knights are on the move---Sir Rusty

Do what thou wilt shall be the whole of the Law.

It has long been a dream of many Thelemites to purchase real property on which to build a temple for the Order. Many other New Age groups have already done so or, at the very least, a land fund has been started. However, the Ordo Templi Orientis has not yet made a move in this direction. We would like at this time to address this issue and put it before the membership. There are many ways to raise money for this endeavor and I would like to list the possible ways and means. They are as follows:

- A) Publishing
- B) Video and filmmaking
- C) Donations
- D) Fund raising partys
- E) Dramatic Ritual performances
- F) Any combination of the above
- G) Others

If enough land could be purchased it could even be income producing for the Order. Another way in which it could benefif individual members is by providing a clearing house for individual arts and crafts.

If you are interested in supporting this idea, please complete the attached questionnaire and/or give me a call at 415-222-7393.

STELLAR VISIONS BULLETIN WITHDRAWN

Stellar Visions has had to cease publication of it's monthly due to the need to concentrate energy in more productive areas. We feel that our time will be better spent in finishing "The O.T.O. Collection", "Stellar Visions IV", and other more important projects.

We had access to a word-processor when we began "the BULLETIN" and this enabled us to do many things that are very difficult now that we are back to using a typewriter. The owner needs the equipment for his own uses.

I and another friend have built a computer, a kit from Digital Research Computers of Texas. It has a Z80 C.P.U. and a CPM disk operating system. We plan to get a Hayes Stack phone modem and "Crosstalk", a program to enable us to communicate with networks and other Computers on the phone lines.

If you have a computer yourself get in touch and send your particulars.

STELLAR VISIONS NEEDS AGENTS

Would you like to be an agent for Stellar Visions in your area?

As our agent you would receive a sample copy of the books we have in print as well as promotional materials. These would become your personal property after we receive orders for wholesale purchase from your area.

We would continue to handle orders by mail but you would leave your number with the store as ombudsman between the store and us. You would also be able to order from us at wholesale prices.

At this time we can only accept one person from each area.
