Oh, for a thousand tongues to speak, a million pens to write, the Mind of a Master to assert the Powers that be of the One Great Spirit, the quickening Power of humankind, for good in the All Good.

If some Spirit tells you to write a love letter to a stranger, or do something that, in common sense, would undo you, would it not be wise to stop and reason with yourself a little ere complying therewith?

Love sets in motion all life, without Love there is no possibility of Life in motion; Love heals, unfolds, continues all things in existence; Love is continuity, without it there is no immortal existence possible.

"How use doth breed a habit in a man." "We are of such stuff as dreams are made of," and ever the walking shadow of our former selves, lest we of ourselves prefer to create anew, day by day, our future selves.

O thou that doest inhabit in my breast,
Leave not the mansion so long tenant-
less;

Lest, growing ruinous, the building fall,
And leave no memory of what it was."

—From *Two Gentlemen of Verona*.

Never despair, dear soul, even though a thousand ills beset your way; to despair is to acknowledge a weakness no one can afford; the master mind is of the same divine quality, and stability as that which was manifest in Jesus Christ.

The winding up of the watch of our wits needs most precious tact and sense of discretion, lest we break the main-spring of our better judgment. Is it not so, or is it the tinkering of nonsense that so often belies good judgment?

Be not fearful all ye underlings; be not afraid all ye who suffer from ills of purse, environment, or body; be cheer-

ful and care free, up and doing; for, "who hath condemned thee?" "Neither do I condemn thee," saith the Master, and even so saith the Spirit.

Yes, a beautiful Philosophy is this dependence upon the Inner as illumined of the Holy Spirit; but I can't trust it; no, you can't trust yourself in anything, hence, poverty, want, worry, fear, doubt, passion, anger and all the imps of the lower realms rule your mind, per their Will.

On the plain of sickness, lack and failure you are excusable for sickness and ill conditions; but that's no reason why you should not take the first elevator that goes up to the plain of Opulence, and lauding there, having sense enough to remain off when the same elevator descends again.

It is said there have been men who upon speaking the word, set in motion all the elementary kingdom and its forces and energies to bring to pass the thing desired; how magnificent are the Gifts of God's Love, His Word and His ALL Indwelling Omnipresent Spirit, when once rightly understood.

To be Life in Truth is to be Spirit of Life, in Truth; to be Love is to manifest the Word Love as quickened of Spirit of Love; to be health is to possess this quickening power of Life and Love in Word of Health. The word quickened of Spirit of Life and Love, alone, shall be health manifest.

A good woman is man's riches wrapped up in inspiration and good cheer; he the exterior, the fighting, working expression, the bread winner; she the inspiration, the home keeper, the gatherer, and sweet incense of Love Truth and Hope; thus united all things are possible to man and woman.

Silently, gently I rise to power because I know Love is the key to all that aspires to goodness; goodness in myself

means to attract all good from without, and about, and around me, and attracting this good, to give it forth to the benefit of all about or around me.

“Without the Word was nothing made that was made”; neither without the word can anything we will to be come to pass; the word we utter becomes our own judgment, then, in actual fact and realization; how simple it is if we but stop to think, meditate and reason, even with ourselves a little.

When in doubt of thine own selfhood's best good and as to what is right and honorable for thy selfhood to do, be still and listen to the Silent Monitor from within thy selfhood's sacred chamber, the dwelling place of Mighty Spirit and saving Word. Know from thence, the Master's voice and then proceed and obey.

Shall you; when busy and gay, be hampered by me when fretful and cross? Shall I, then, be likewise hampered with you if 'tis your mood changes the day from brightness to gloom? We should consider each other's rights more and ourselves less when moodiness drives us to undoing thoughts or reflections.

A trifling dispute if stopped at that will generally, add but strength to the understanding of two people of each other's moodishness and frame of mind; it's folly for two good, well meaning hearts to permit a slight difference of mental view of things to lead up to a rupture of a business or a comfortably established home.

Two Spirits await thy soul's selection or choice; which one shall thy soul's solace and Master Energy be? Shall it be the Light that Lighteth the Universe, or shall it be the darkness that darkens the very shrine of thy soul's Liberty? Decide now, today; it is all with thee; none other may choose or say which Master thou shalt serve.

Gnostic means to know; Agnostic means I do not know; the one is certainty as grounded in Faith and Expectancy, or Hope; the other is lack of Faith, yet may not be void of Hope; we have more respect for the Agnostic than for the Hypocrite, for the one is Honesty while the other is absolute pretension, still worse than dishonesty.

Ages on ages unhindered, I have swayed
the deeps;
Time that was not, and was, and is I
Willed
Into Being; Word of Creation, I am
Time,
Substance, Consciousness, Spirit, and
keep
Time and Record; the Scroll Myself, I
am.

“A man I want; a brave, daring, noble, true-hearted man; one willing to wait and grin and bear 'till success is certain,” so says the true type of woman. “A woman I want, my otherness, a quiet, modest, sweetheart of a woman; one willing to meet me with a smile, though the heavens fall, 'till success has crowned our mutual efforts,” so speaks the wise man.

“God willed and spoke the Word and ALL that IS was”; believing. we speak our own creative, magical word, and accepting His Will and Spirit as our innate Magic Power, know that as we speak so shall all things come to be and become. “Faith is the substance of things hoped for; the evidence of things not seen”; we are that Faith, in the Spirit of Love.

Content is one of the greatest boons the world can possibly give; it is happiness, and happiness will promote health, while health promotes all good cheer, love, truth, right thought and useful and excellent endeavor; seek that which guarantees content and you have solved the riddle to all wealth; he is poor, indeed, who has gold galore and without blessed content.

Who hath a murder committed finds no solace sweeter than these words, "Had I have been seized by a hungry lion, I would have been a breakfast to the beast," rather than suffer from the rescue guaranteed of falsehood, yet to prove a supper of my soul's future death. To consume one's soul as a mortal beast of prey, is to starve of salvation at the evening of life.

Your Philosophy of Soul and its powers may do for you, but what can it do for me, asks some desponding and despairing one. It can make you know, and to know is to possess, and to possess is power, and power is strength of Mind, Spirit, Body and Will, and this is that which overcomes obstacles and makes for Peace, Happiness, Thrift and Prosperity, as well as health.

I love thee, dear, though thy faults be as multiple as the grains of sand that cover thy daily path; I shall trust thee, dear, though all the earth turn false and every friend depart; I am thy love and thou art mine; what care we, dear, for trials, and foes, envies and strifes; for poverty's threatenings or trouble's rebuffs; for little disputes and petty quarrels; ah, I love thee! isn't that enough?

Yes, our coat is off; yes, we have entered the list; yes, we are in the service of the Christ and His Spiritual Revelation; yes, we are of the Soul Illumined; yes, we have that splendid revelation, "the knowing because we know," that of "The Still Little Voice of the Soul"; yes, we are of "The New Creature," the Healer Divine, Mystic and Occult; yes, and God bless us and you; we are at your service.

Argue not, neither dispute on any subject, for who thus conducts his daily conversation but attracts to himself the troublesome and disputative thought vibrations of all the world; to do this is to breed discord and disease in mental realms, not alone in and for self, but for

all other people of the earth's realm; thoughts are mighty active undoers, no matter when or how sent forth, if of the wrong character and type.

Some people make the awful mistake of thinking how well and happily they could get along with the other one were they free from this one and at liberty to live with the other one; usually such people get free and that to find they didn't know what they were doing in making the change; a villain or a shrew has often been thus discovered; best leave reasonably well-enough alone; there isn't so much difference in human nature after all, as we in our blindness are led to believe.

We are here to do all the good we can unto all the people we can, for all the good we can bring to bear from out the Great ALL GOOD; leave us alone to do as we are here to do and we shall trouble no man's revelation or interfere with any Creed, Ism, Belief, Mode of Living beyond the good we may send forth as an uplifting, healing, developing and unfolding Psychic Process. We know whereof we come and under which Master we serve and that Master is of the Spirit of Love, Truth and Life.

Specialties are not your specialty until you have specialized and individualized them; the world demands what I have specialized and can give as individualized value to it. The master in anything is a specialist and as such specialist is individualized knowing, concentrated and centered, within himself, in such manner as to express worth as individualized.

Not what some one else is am I, but what some one else wants, must I be in order to attract that which some one else is in exchange for what I am.

Over and over we do our work; no day or night can stop its onward creative might; never turning back we face forever to the light; not a word sent

forth that shall return to us void; not a case undertaken with lesser power than the Holy Spirit's illumining Light; Master Mind we are, with Master Will backing Master Word of Power; all things must thus be made aright in conformity with our Will and Magic Might; this is Occultism of the truest and sanest type; Mysticism of the highest and best revelation, that of the Christ.

Pride is one of the greatest of self-lifters, yet, pride in the wrong place, is all that may undo and destroy; never permit false pride to keep you from that which you discover must be done in order to win in the game of true success. Many a good farmer is found in poverty in the city, while some good City Successes are, now and then, mixed up with the farming classes; suit your pride to your faculty development, and success will crown your efforts; there is no disgrace in any line of honest endeavor; the disgrace is in trying to be what you are not.

Under which Master do you serve? Have you determined which shall be your control, your desire or your reason will?

Are you master of your own body or is your body master of you? Have you the Spirit of Truth, Love and Life, or do you submit to the control of your intellect by the spirit or spirits of hate, fear, doubt, sin and death? Can you be two spirits at one and the same time and keep up a perfect equilibrium? Reason this out and see for yourself the importance of knowing under which Spirit you serve, as Master manifestation.

We cannot be more nor less than our willed word shall make manifest according to its spirit; if our willed word lacks the spirit creative and constructive, then, it must be as the spirit with which it is imbued makes manifest; it may be of the spirit of worry, fear, doubt, death or poverty, or it may be creative Life, Love, Trust, Faith and Wealth; the one destructive, the other constructive; all depends, then, upon the

word and its spirit as to what we shall be, in Truth, as to actualized Consciousness in manifestation and expression; we are, therefore, the architects of our own after condition or mode of manifest expression.

To agree to agree and then resolve to agree and stick to the resolve is the usual mode of procedure in all business partnerships; usually the tie thus brought about between good business heads proves agreeable and the agree to agree stands throughout a long and successful business career; there is much in how we spiritualize our intentions as to whether we shall succeed in fulfilling our part of any contract.

Nothing on earth runs absolutely smooth; we must overlook little tilts and possibilities of disagreement and the best time to begin to overlook discords and inharmonies is before they arrive at a serious termination.

The spirit of a man is his own real Life of word, thought or act; there can be but one spirit manifest at one and the same time; there can never be the spirit of good mixed with the spirit of all that is good's opposite; two opposites will seldom mix well, especially so when it comes to the spirit that makes manifest a word, a thought, an act or an action.

Words, backed by will, infused with spirit, become some kind of a living thing, ideal, concept or form; what kind, depends upon the spirit, backed by the will; be careful, then, of Word, Will and Spirit, for such determines who we are, what we are and how we shall be.

Dr. Tyndall's Psychology of Divorce in the April issue of The Swastika deals sensibly and soundly with the much mooted "evil" of this mode of separating those who were never more closely allied or joined than the spirit of desire, or to possess and own had dictated. Marriage as a Civil Contract can be solemnized, blessed and re-blessed and sanctified by all the Religious Rights of

Earth; but unless there is a union of Souls as well as of bodies, we cannot say as to the sticking qualities of the bargain; a Civil Contract becomes sanctified only through what Dr. Tyndall so aptly states "a Higher Love" and "the Consciousness of the complement of the two factors" to the Contract, "as counterparts each of each."

Married—By Rector Frank D. Hines of the Mystic Church of Christ of Denver, at the parlors of the Plymouth Hotel, Denver, Colorado, on Sunday, March 28th, 1909, at the hour of 11 o'clock a. m., Mr. Ozra H. Mulvane and Miss Jennie St. Clair; the former a prosperous business man of Lead, South Dakota, and the latter a cultured and successful society leader of Lincoln, Nebraska. We certainly extend to this young and prosperous as well as highly Spiritually endowed couple, not only our happiest thoughts and wishes, but also, rest assured that theirs shall be a long and happy journey together, here on the earth plane. Mr. and Mrs. George Wrather, brother-in-law and sister to Mrs. Mulvane, both of Lincoln, were attendants and witnesses of the solemnization of matrimony.

Mr. Mulvane is the picture man of Lead and said that while handling the camera his fate was sealed by a face that passed clear through the instrument and focused in his soul, with results that two souls became one.

"Is she kind as she is fair?

For beauty lives with kindness."

The greatest power of heaven or earth is that of Love and kindness; it's woman's first weapon and man's highest attribute; it is woman's crowning virtue and man's loftiest aspirational gift; it's woman's key to station and beauty; it is man's most magnetic and lasting mode of expressing real manly virtue. First and last should be every woman's desire to be in fact and on all occasions Love and kindness; all other faults shall be forgiven if she be but these two things as a virtue in her character. We

can excuse many faults if wrapped in the guise of Love and kindness, whether it be the virtue of a woman or a man. Virtue meaning the higher powers and energies of the Soul.

" 'Tis the sunset of life gives me mystical lore

And coming events cast their shadows before."

To hear, to see, to know, ah, there's the rub; but to interpret, discern and understand is the soul of knowing because we know. To see the future as we would were it the past; to hear as if it were that which already had been heard; to sense and know of a Faith that is as if it were what we have sensed and known, ah, that is Wisdom's Light reflecting the Soul of things as in the Souls of men.

To feel yourself in separateness and yet to feel, too, as of the whole an inseparable part; you a something, alone, yet permeated with the Life and Intelligence and Energy of the whole, thereby Illumined of the Spirit of ALL, and as an atomic Factor circumnavigating the great deeps and gliding with the currents of the Whole, here now and prospectively forever and forever, as of the One Eternal Whole, is to be cognizant of the Sublime possibilities of the Real Selfhood, the Immortal Ego, the Soul Self.

Have you ever noticed that when the shades of evening are abroad; when all things put on the silence of the evening hour; when the trees and all earth's herbage and shrub life are taking on the refreshing restfulness of the early night; that it is then when young men and old, maidens and matrons, seek the sweets of love and communion of kindred spirits; even so is it with God's All Embracing Spirit of Intellectual Love, 'tis most welcome and most sought when the shadows creep about us and most exhilarating when driven almost to despair the very soul seeks the calm of the Silence for that consoling unction which alone is the very essence and power of Love.

EDITORIAL.

IN PEACE SILENTLY CONQUER.

Modern Statesmen and the Saints of
Salem,
Make, at-one-ment, Laws of persecutors,
bold,
Who two Centuries would unite, Ah,
ahem,
The misinterpreted Bible Law, to un-
fold.
Forced Religiousness is quite the rage
These days, Agnostics growing every-
where,
Coercion's ready Work, wages of the
age,
Of men bound by Iron bands about the
hair.
Oh bold, dashing statesmen, watch your
graft,
And worse, the graft upon the bodies of
the dead;
Civilization's thrifty means, pretty
graft,
Unnoticed, because not of hated, Spirit
Fed.

The Spirit of Christ may be Lawed
against;
In order to catch a Black Magician or
two.
Ten Million Spiritually awakened souls,
Of Consciousness Innate, will carry
through,
A Union of Spirit, Mind and Soul, the
souls
Of the just made perfect, to thwart
abuse
Enacted of law, where Liberty, a birth-
right,
Guarantees worship of God, the Na-
tion's use.
Punishment of Fake and fraud, is
duty's right;
But to punish such, no coercive law
stands
Before the Judge on High, His Spirit's
Might,
Of Light and Power, Love and Truth to
disbar.

All are Fortune Tellers, Fakes, Frauds,
Grafters,

In the final summing up before the final
throne
Of man's Immortal Spirit Home; Poli-
ticians, grafters,
Of every style, name and kind, bone of
our bone,
Sinew of our sinew, where, Oh where,
are we free?
Everything, on earth, hath its grafters,
no escape,
Lest in the narrow Cell of death's set-
ting free,
Man is born again, to realms of Light
above,
Set free, at last, from the last decree,
perhaps,
Provided, the Politicians of Montana,
down below,
Don't pass a law to corral spirits of
Light,
And to Hades drag them forth, tribute
of a graft.

This little effusion of our Liberty
Loving Soul, breaks forth as a result of
the passing of a prohibitive measure,
the work of Bigots and narrow con-
tracted Egotists, to shut out any manner
or kind of Spiritual Mediumship.
Psychic Advisory Work, or anything of
that type, as so-called abuse of human
confidence in Prophetic Vision, Pre-
science, Clairaudience and Psychometry.
We have not a word to say against a law
to punish the man or woman who falsely
reveals, or abuses opportunity to be use-
ful, by Fake and Fraudulent Methods;
but we object as twenty million others,
in these United States, against GAG
LAW of any KIND. It's a Mon-
strous abuse of American Ethics and
absurdly foolish as a means to elevate
human kind. It's unconstitutional.

Coercion has made Infidels, has filled
the universe with Hatred, has made Ag-
nostics and paved the road to Lost Souls
in every Nation on earth.

Love is God and Love enacts no Law
that denies another man the same priv-
ilege, I myself, would ask and have;
you can pass Ten Million Laws, but not

one minute will Spirit of Love and Its Spirit of Light cease to be implored for Advise and Help, such as NO OTHER REVEALMENT ON EARTH CAN POSSIBLY GIVE. In this editor's case, more than fifty suicides have been stopped; nearly a hundred despondents saved of wreck, and thousands of people will testify of accidents averted, money saved and returned, business pulled through hard places, and Diseases, Distempers and Despondencies healed. You cannot stop such a Revelation by any man-made Law, for the Spirit of God, in man's Soul, as the Illumining All Power, cannot be defeated in its Prophetic and Healing Power. The people you try to law against are the offscourings of other professions, or business, who, seeing an opportunity to practice their vocation under the guise of Psychic, Medium or Fortune Teller, seize upon it. Make such actions a Crime, but leave the Light of Love and Truth alone.

The crank of cranks has been turned until but here and there a man is able to really intelligently discern whether he lives or thinks he lives, only to find he dies, and dies, and dies as a hunted, haunted, conspired against rat drowned in his hole. The past cycle brought the Christ, gave us the Gospel, taught us how to Heal our ills, save our Souls, enter the Plane of Peace, Life, Love and Opulence; it gave us the Church, originally the Adviser and Protector and Healer of the common, every-day herd of mankind; it gave us the greatest era of progress in Art, Literature and Invention of any age since the world gave birth to man and the Institutional; it paved the way for the greatest Light through Scientific Discovery of all time; it showed us the way to a government founded upon the principles of the Great Prince of Peace; it Revealed man's identity to Supermundane as well as Mundane Spheres; it brought man's Spiritual Consciousness to a point wherein man was discovered to be bound back to God, the Creative Genius, Primogenial and Essence Primordial as to the body of things; it raised man's

Intellect from the Base Brain to the Moral and Reasoning Organ of the One Great Creative, Underlying Mind; it placed in man's hands the key to all Genius, all Salvation, all Wisdom and all Health and Longevity; but there it ended in the same old confusion of tongues that Babel of interests has ever Created and brought to bear to defeat the Ideal Kingdom of Righteousness and Perfection, in Mind, Soul and Body. The Philosophers, the Scientists, the Doctors of this ism and that Creed and this School and that Institute, got in their funny work, and heaven and earth were torn asunder, as it were, a garment ripped in twain, by the infernal machinations of the sets of Interests. Christ and His Revelation was well nigh lost, while chaos fast regained its mighty hold. The day has well nigh ended fruitless, the age has almost been rendered useless, but the Spiritual Age, happily, lopped in just in the nick of time and saved the work of the Great Redeemer and the Spirit of the Ages. Materialism run riot, has lost its power to that extent that the common masses are rising, once again, to assume control under the same Spirit that ushered in the promises of Peace, Love and Truth revealed by the Christ. The Spirit of God again enters the souls of men; He again walks with men upon earth; the Revelation of all the Prophets, Saints and the Christ is again manifest in and of men, and man, once more, is in the ascendency, in spite of havoc and diabolism, the work of the Interests that have grown to power. We shall not concern ourselves over the past, beyond the fact that its usefulness should be found in its lessons, the gatherings of experience; the Soul of things has not changed; the Spirit of the Eternal is still Omnipresent Light of Love's Wisdom; the song that was sung at the dawn of the Universal is still a melody, sweetened by the use of time; the aspirations of the just made perfect still leads, in Spirit, as on the day when Shepherds left their fields and wise men journeyed to Bethlehem to add their hom-

age to the Star of Christendom; the same old, sweet story of the little child that was born for earth's redemption rings, once again, in the ears of those seeking, anew, the way of Life; the Word, made Flesh, can never be defeated, neither can the Spirit of God be manipulated so as to tie and bind the developed, unfolded of Soul and Immortal Genius.

The Inspirational, Intuitive and Divining Influences of Uranus, coupled with the Rulership Powers and Fostering Prowess of Jupiter, backed by Saturn's Slow Maturing Growth Process, as changed by right revelation from death to harvest, uniting Venus, Love's effluence of the Spheres, with Mercury's Light of Science and Medicine, as Material Planetary influences, now joined with the Soul Awakened Spiritual Consciousness, alters the face of all things and makes one man, Master of Self and destiny, equal to a million men of former Mundane Methods and Processes. The Power of Moses and of Solomon, the Wise, has returned and man assumes his rulership, not as mortal with but mortal vision and perception, but as Superman, with Immortal Vision, Prophecy, Divine Energies and all powerful Creative Love and Light of Universal Wisdom, as innate prerogatives: man is, and as he is, he is capacity, Divine, in quality and capability, Christ-like, in Healing Power and Occult Dominion over all that is, in, or of, his sphere of envining elements, air, water, fire, earth or Mundane or Supermundane, or other manifestation. He is king of a new realm, self created as of Superconsciousness and Spirit Power. All things now conform to the Higher Nature, and the dictates of Soul Consciousness makes all things subject to his revealed Light of Wisdom, power of creative and revealing genius and Mystic and Occult understanding. I have meditated and having meditated I have created within me, the I am, of me, my own Self Character, and I am as I have conceived; I have thought, and having thought, I have uttered a judg-

ment as from and of my own Innate Illumined Consciousness, and that judgment, as my Concept, springing from the within of me, the I am of me, is my fiat and shall grow and become my own after ill or good, even as my Character shall have uttered.

"Let every man be fully persuaded in his own mind" that what he is as to Success, Health, Prosperity, Happiness or the opposite, he of his own Innate Consciousness hath made himself, as per the Source from whence springeth his Spirit as Life of word or Character. The word shall be of its own Spirit, as to source, and as the word, so shall the flesh be, so shall it be with all Conscious Creations of man, whether of the Higher or of the lower Consciousness, or of the Good, or of the Evil, in after Realization.

We are as the Spirit of our thought shall prove, not as we think we are. The Spirit in anything, or any character, or form, or substance, organism or Institution, is the determining Life; we cannot, therefore, bely the Spirit that reveals our inmost Selves as creative Consciousness manifest in our Form, our organism, our features, our eye, our surroundings, our every act and after result, as to things or circumstance; by the Spirit we know whereof a man is and whereof he thinketh.

Lay thy faults on no God greater than thyself and thy thought power; arise, now, Oh man, and BE thine own preserver and Master Genius of thine own future; whether it be for short or for long time here, thou alone mayest know by the trend of thine own Innate Spirit and Obedience to His Control and Light of Life, and Wisdom, as the Spirit of the One Supreme Will, Mind and Soul, if but acceptable and accepted of thee. "Let every man be persuaded in his own mind" as to good or ill. Let none other be his persuasion; for none can be sponsor for an Immortal Soul but Self and Self alone, as Gifted of Divine Illumination, as of the One Spirit of Truth, Love and Life.

If this be the dark ages returning again or inquisitionary mood being

brought to bear, then have we mistaken God's Spirit Revelation, and instead of the Millennial Dawn, we are facing a Crisis of War and Blood, such as man has never seen, for **MAN DARE NOT COERCE THE MIGHT OF GOD IN MAN WITH IMPUNITY.** No Church **DARE ATTEMPT,** nor **ANY SOCIETY UNDERTAKE,** such a monstrosity in this day and age, as the shutting out of man's spiritual rights and modes of knowing the Truth as revealed of any Spirit Consciousness of the Light of Truth and Love. If a leader you need, for cause of Love, Liberty, Righteousness and Truth, the Revealer is here and God's Messengers are near. Do all things in Love; bide the time; be patient and long suffering; the Silent Occult can swamp a million as easily as an army can slay a hundred; the Law is known, the Spirit Reveals; be not dismayed; Truth cannot be dethroned. Silently and in Peace shall we overcome all earth's miserable coercive efforts to confine the Great Spirit of a Universe within the narrow, fixed lines of some set of Interests.

"Sic Semper Tyrannis."

We little dreamed when we wrote the poetic effusion on page eight of our April number of this magazine that it was a direct revelation as to the outcome of the Cradlebaugh murder trial. We wrote that little matter the evening of the 15th of February, more than a month previous to the trial referred to and it was published and in the mail before the case was thoroughly under way. This proves a Spiritual knowing that is so positive and certain as to leave no room whatever for doubt; we hesitated even at the time of sending the manuscript in; but the Voice within, which we always obey, demanded its publication and informed us then, at that time, the twelfth of March, that it would prove absolutely correct and was absolute truth in each and every detail. Inasmuch as this proved a direct revelation, even so shall it be with the poem, "The Man and the Gun," published in the

February issue; not one single word shall fail to be as therein given; we would much prefer to be the dead man. The Soul of each knows and the Holy Spirit reveals the soul's knowing from soul to soul, in spite of any subterfuge; there is an absolute foreknowing permitted thereby to all truly Illumined of Soul, and no soul can hide, nor keep hidden that which is, of right, correct knowledge for the good and uplift of the Whole Community of Interests. "When he, the Spirit of Truth, shall come, all things shall be revealed," and this Spirit reveals through the Gifted of Soul; there is knowing that cannot be blinded nor defeated.

It is not a question of, "I would do the same thing under similar circumstances, or he did right," it's a question of the violation of **LAW** that is considered in all Murder or any other case before a Court of Justice, and the jury takes a sacred Oath to render a decision "according to the **LAW** and the **EVIDENCE**," and not according to public, private or any other sentiment or opinion. A juror who violates such an oath is certainly guilty of the vilest of perjury and should be punished for perjury; such a Law will eventually have to be enacted, and the evidence in the case should be the only means of determining such perjury. Such a law would, at least, make men think and perhaps put a damper upon the oft repeated **FARCES** now the undoing of American ethics.

"Praise the Lord, Oh my soul, for the privilege of using and increasing all His riches"; now, here and today, I am Peace, Love, Honor, Trust, Faith and abundance, attracted to me as to a Divine Magnet; silver and gold coin of the realm; food, shelter and raiment in abundance, or **MONEY** the means of exchange for all things needful; I am industry and willingness to work; thus am I abundance in worth; "Praise the Lord, Oh my soul, for all His bounteous goodness."

HEALING DEPARTMENT.

Move your mountains by Magic Word:
All power in man divine is thus
Made manifest; the two-edged sword,
Spirit of Love, thus imbues us
With His Will, Word and Magic Life.

What fear have we when thus endowed?
What obstacle large or foe too great,
If thus we know? What though aloud
Earth's elements howl, grind and grate
Around, about, in and through us here?

"By His Word were all things made";
By His Will and Fiat all doth live;
By His Spirit the Light cannot fade;
By His Love we can each and all for-
give,
While Joy, Peace and Health we gain.

Then arise ye souls of men set free;
In God's Word your mountains move;
Arise, your own good announce, and be
In Truth set free, no more to rove
Amidst unseemly fields or sordid ill.

In the hour of sore distress, worry,
fear or doubt, set aside five minutes
morning and evening to sacred Truth
and meditatively say, I am in His keep-
ing here and now, all to Him I confide
and trust, and then arise and go about
what your hands find to do; the results
may prove astonishing to you. Trust in
His Spirit, in His Help, and your own
Higher Self will work wonders for you
in any time of trial or difficulty; but
the time given to Soul reflections or
Divine Meditation must be set aside,
consecrated to that one purpose, other-
wise your pleas will be of none effect.

We are so sorry sick and troubled
people cannot do as more than sixteen
hundred splendid good people have
done, find a way to come and gain the
Healing Vibrations we are gifted to
give; we are sorry all are in such a
hurry when they come for Divine Heal-
ing; *Materia Medica* requires usually
far more patience and time than our
splendid Psychic Process, and then usu-

ally heals but one complaint to add a
dozen others to be healed later on; our
method takes time but grows absolute
health bodies, strong, clear minds, and
splendid good conditions. No one who
is in trouble or sickness can afford to be
too stingy to have themselves properly
healed in Soul, Mind and Bodily Or-
ganism; it pays a tremendous dividend,
in the end. Generosity to self always
has paid, and to be generous to self
means to be generous to him who can
and does Heal and Uplift you and
brings to you Soul and Superior Pow-
ers, as every true Mystic and Occult, as
Psychic, can and will.

Weakness in any phase of character
or organic or Soul expression is a tre-
mendous detriment; it is an absolute
handicap; in Love we need all the mag-
netism and electric spark of true being;
in business we require capacity, genius
and a brilliant and effective intellect; in
anything we undertake, Soul, Body and
Spirit, are the very best stock in trade;
get set right and stay set right, no mat-
ter what the method or what the cost.

The Spirit of Truth sets free; the
Spirit of Christ doth Heal; but it takes
a born Revealer, a true Psychic to util-
ize the Process; thousands think they
are Healers; but where are their re-
sults?

If at your bidding there is a reveal-
ment founded upon the firm foundation
of the Eternal and ALL GOOD; if at
your asking the Mightiest Revelation
Spirit of all the ages stands ready to
heal, develop, unfold your very soul of
innate wisdom and genius; if here and
now, there are those who illumined of
the Divine Spirit can and do reveal
your own truest and best selfhood to
you; if there are men and women gifted
as were the Prophets of old with that
Insight, Intuition, Prescience, Psychic
Prevision as of the Soul, the Subcon-
scious, and can reveal your own soul's

wisdom to you, why longer hesitate or delay in the gaining of that wisdom which is Health, Success, Prosperity and Happiness to you and yours?

You have been an hungered and athirst these many years; you have suffered from poverty's stings and flings; you have had misfortune turn your fortune into ashes and despond; you have faced sickness; fought evil and penury and fate until almost lost in utter despair, and bound and confounded in deepest dismay, have drifted downward instead of upward and onward. Oh, brother, Oh, sister, listen: the Christ came to aid, uplift, heal and succor and save just such as you; and His Spirit lingers still amidst the chaos and strife and confusion of tongues; look up; come now, here, tonight or today, the Spirit awaits you, come.

Oh, how often we have been termed stern and hard in our work, when down deep in our very souls we have travailed and sorrowed over the very conditions or things we have had to so sternly meet and attempt to overcome and cast out, in those who have deemed us so stern and severe.

There is no night without a following dawn; there is no storm without its after clearing day and sunny hours; there is no sickness, poverty or trouble without its after health, supply, joy, provided we leave all to the soul of us and depend upon the Holy Spirit to overcome our ills and troubles.

"Be not afeared; the isle is full of noises,
 Sounds and sweet airs, that give delight,
 and hurt not.
 Sometimes a thousand twanging instruments
 Will hum about mine ears; and sometimes voices,
 That, if I then had waked after long
 'sleep,
 Will make me sleep again; and then, in
 dreaming,

The clouds, methought, would open, and
 show riches

Ready to drop upon me; that, when I
 waked,

I tried to dream again."

Shakespeare—The Tempest.

What care we what be your method; whether communion of Saints, or guardian Angels, or blessed spirits of the just made perfect, so long as you serve well good of all in the All Good, and live as of "The Fatherhood of God and the brotherhood of man."

Over and over, again and again, there comes a Still Sweet Voice, "thou art thy brother's keeper."

Resurrection time for the man or the soul of man is never past; the continuity of life is booked as of eternity; there is, then, an eternity in the process of resurrection. Flowers bloom to fade and bloom again.

Spade well your garden now in order that the planting of the seed may bring forth a hundred fold; nurture well your soul's substance now, that your experiences gathered here may prove the harvest of fullest and completest daily supply, here and now, and after security in the realms of eternal Light.

Now is the season for Sassafras Tea; take it, for your blood needs enriching and clearing up, especially if diet is not well provided with lemons, oranges, and especially the Prince of all stomach fruits, the apple. Onions, carrots and raw cabbage will also help you to escape some of the evils of modern lack of proper diet. Animals keep well; animals escape GERMS; animals seem to bely all GERM and Epidemic Theories; yet reason and common sense in man cannot understand the instinct of his less highly ordained terned the lower animal. Eat to make good red blood that shall build good health flesh, and eat plenty and of the most nourishing instead of the most pleasing sub-

stance to appetite. Right eating, in the right attitude and of the right kind of food with the right ideal will save many from hospitals and heavy drafts upon health, strength, longevity and finances. In all our Healing we, through the brain and nervous system, first correct the functional organism, and then tell our patients to BE GOOD FEEDERS and to eat with an ideal and in the right mood, and drink plenty of water and lemonade, and breathe deeply, and forget not to eat an apple or two each day of life; the system must have citric and malic acid, and apples, lemons and oranges, in particular, best supply this necessity.

Epidemics may come and go just as they please, provided they do as well by us as they have in the past six years; not one case among our own patients or Temple members, even, worse than the Grippe; not one case lost, either, in all that time from any fever attacking them, excepting one lost by carelessness in pneumonia, where our sole Preventative "Orgulatum," had not been applied immediately, as it should be, upon the slightest approach of soreness of throat or lungs. Orgulatum is pneumonia's most certain foe; keep a can of it always by you; and keep a bottle of good Essence of Jamaica Ginger for emergency cases of bowel disorders; avoid pills, they destroy parastaltic energies and produce piles; get into our Temple or add your name to our Silent Occult Healing List, and let our Psychic Process do for you what Nature would do provided you watched and worked and obeyed, as we do, the very Spirit of Life in all that is Health, Love and Growth in Life, Form or Being.

When a boy, this editor took care of a case of smallpox, not knowing what it was, for several days, until the young man became unconscious, when he called a physician; the young man died two days later; we never took it and would not be and were not vaccinated and never have been and never shall be.

Since then we have been exposed seven times; and surprise of ALL, we took down or was attacked by a light case of smallpox eight years ago, when no case was near us, about us, and when we had not been exposed to any case for a number of years. This proves, either, that the Germ theory is false or else man's condition and frame of Mind begets any given disease. We did not go to bed; we did take hot lemonade and S. S. S., and we defeated Mr. Smallpox, with the exception of a few pits left as an after reminder of the fact of his presence. We dared not go out, and trusted no one but a dear old lady with the knowledge of our trouble; the Pest House would have killed us, as the very thought of it filled us with terror; vaccination we dreaded so terribly that we knew it, too, would have ruined us for life or killed us. The reason for this dread of vaccination was the fact that we had a cousin, a young man of twenty years, made blind and a mass of horrible corruption and sores through Poison resulting from bad Vaccine and, being Psychic, our Spirit revealed that we should NEVER risk Vaccine nor anything but our own good care and Healing Powers. So we are able to write this article as a result.

Typhoid fever is often induced by wrongful first procedure; and one should avoid extremes in medicines until actually certain of their necessity.

The desire for Health and Strength and Beauty must be backed by continuous effort; no beginning and then forgetting and neglecting your Concept will bring about results; this is why Gifted Occults and Healers succeed in overcoming ills and growing Good, even where, in Health matters, all remedial Agencies Self Employed or by Physicians, have proved of no avail; it's a very wise man who can plead his own case, as his own lawyer, in a Court of Justice, and usually it proves the idiocy of a fool; even so is it with this Self Healing Racket; it's BEST to employ the Gifted, and NONE BUT THE

GIFTED, and then stay RIGHT BY THE GIFTED until you are your DESIRE in Conscious Completeness, in fullest manifest expression.

Every Thought must express in spirit that which we desire; the spirit in a thought determines what the after-act shall result in; every word spoken bears some particular phase of Spirit, and every thought wave produces a chemical Change to suit its spirit; we speak of Liberty, but without the spirit of Liberty as the quickening Life in the Word and Its Thought, we have no Symbolic Concept of what Liberty is, in actualized Consciousness; a parrot might say Liberty a thousand times, but lacking the Life in the Ideal, or Concept, Symbolized by the word Liberty, his word is without Power. Health with spirit spoken, reveals power, strength, magnetic expression, beauty in color and expression and vital energy; yea more, the word health may carry in its spirit manifestation of life, the environmental views consonant with health; a shady nook, under a fine large protecting shade tree, beside a babbling brook, in a mountainous locality; thus we, at once, environ ourselves with that which aids in producing health; the spirit we put into the word Health, all in all; without the spirit no word avails much. This is a Metaphysical law and holds good in all manner of things, places, conditions, as made manifest by the spoken thought or revealed word, as used in the symbolic expression of thought. The Born Occult, Knows and Compels All elements, elementaries, spirits or intelligences to act in exact consonance with his spirit of Power in his Spoken or Silently Uttered Judgment; he is Judge, Jury and Client, all in all, in his specialized undertaking and beside him, in such a case, there is NONE OTHER.

If Health you want, or Love in sweet heart,
Mighty Power of Truth and Love you have

In him, who born to Master, rules the stars,
Sways the intelligences; compels elements,
Minds, Character and spirits his Will obey.
Master of Self, himself Master of destiny.

What we are, in deeper, finer enthusiasm, or feeling, will be the spirit of our thought waves and will vibrate at a higher rate of vibration than the physical, or outward, side of Nature; result is, change in the rate of vibration brings change in chemicalization, through the introduction of a higher rate of vibration meeting and modifying, both its own rate and that of a lower rate of vibration, acting upon the one and the same plane. But GREAT CAUTION AND THE CONSCIOUSNESS THAT KNOWS IS ABSOLUTELY NECESSARY, RIGHT HERE, or DIRE RESULTS MAY BE THE RESULT OF MISAPPLICATION OF THE LAW. Do not FOOL with WHAT you do not UNDERSTAND.

Now beloved, those who have advertised our Editor so continuously and diligently by stating all manner of questionable Aphorisms in the spirit of our Esteemed Contemporary Ananias, we thank you, sincerely, for your vigilance, efforts and daily labors and nightly worries; we have through the Law of Transmutation grown immensely FAT and COMELY through your splendid WASTED FORCES, and would lack in gratitude did we fail to thank you and wish you God's Blessing. Transmute all things to thy health and all things shall serve thee well; understand and understanding apply the Law and the Holy Spirit will bless thy Words, works and ways; for "All things are possible with God," and God with us who IS able to be against us? A Born Psychic, Occult and Mystic, cradled in Divine Consciousness, we are able, capable, capacity and understanding.

OUR METHOD.

TWENTIETH LESSON—UNDER WHICH MASTER DO YOU SERVE?

Stenographic notes published by request.

Lecture delivered at upper Hall, 1548 California Street, Denver, at regular services of the Mystic Church of Christ, Sunday, March 21, 1909.

Listen friends; the lightning has flashed and narrow has been the escape of the Grandest Revelation of all the Ages; for twenty Centuries these words that follow; the utterance of the Prince of Revealers, as of the Father's, or the Holy Spirit, manifest in Jesus, as the Christ, have stood as a Truth Revelation: "Either make the tree good and his fruit good; or make the tree corrupt and his fruit corrupt." Matt. 12—33.

Under which Master do you serve? Are you of that Master whose Revelation is Light of Love; whose Spirit is Light of Wisdom; under whose Guidance all spirits, as factors, are spirits of Light, Love, Life and Wisdom; are you of the White Magicians whose work "maketh the tree good and his fruit good"? Or are you of that Master, whose Spirit is that of Darkness, Corruption, and Disease, Poverty, and Death, the Evil that "maketh the tree corrupt and his fruit corrupt," the factors of which are earth-bound spirits and destructive and destroying energies, the instruments of Black Art and Magic? For more than two years we have prophecied and warned all Spiritualists against the evil day that spiritism, false and fake, fraudulent and misrepresenting Clairvoyance, so-called, Black Art, etc., was bringing upon all legitimate Spiritual Mediumship, Worthy Clairvoyance, and Truth Revealing, as the worthiest and most uplifting, as well as most consoling and helpful of Modern Remedial and Advisory Professions.

He who is of the Consciousness of the Absolute and Reveals as from Soul to Soul, in the Spirit of the All Good, need fear no evil; but false interpretation,

misrepresentation and powerful corrupting Graft Methods are being brought to bear to undo, in officialdom, before City License Boards, this splendid Gift of the Elect and Select of the Holy One of Israel; men pretending to High Gifts of the Supersensuous, of Clairvoyance, are falsifying the Holy Spirit and the Soul Attributes of Divinity and, as Pretenders and Anti-Christis, are shuffling off a lot of Prestidigitarianism and demon spiritism, along with Black Art, as the Revelation of Higher Spiritualism and New Thought Psychokinetics or Psycho-Dynamics; the Fire and Police Boards cannot be blamed for being struck with disgust at such displays; no one could be blamed; no one could help but see the black villiany, or the unscrupulous chicanery of such methods; it is this that is ringing the funeral knell of the Mightiest Work of Modern Times as a Free, respected and respectable Healing, Divinely Appointed, Revelation, for the assistance, advice and help of mankind. For twenty years we have gathered evidence on the thousands of systems of public and private grafting schemes; we are forearmed. Few places, systems, societies, cities, counties, States, Nations or Churches, are free from that which has been the great howl against Spiritual Mediumship, GRAFT AND FRAUD; we know it: we are prepared to publish the proof; not even the dear mother, father, sister, brother or friend, die free from a grafting system that shames the devil in his most demoniacal monstrosities. Few can say: I am absolutely safe from the Grafters' hooks; look to your own name; clear it quick: awake, arouse thee; haste thee to cleanse thy garments; the Almighty Spirit is and "He the Spirit of Truth shall Reveal all Things" and no name is off from His list who, during the past, has been guilty. We have as Powerfully Organized a Machine of Occultism as ever known in Mystic and Divine, as well as the Institutional ranks; we know under which

Master we serve. There are two Revelments; there are but two Master manifestations; there are two Spirit Energies diametrically opposed, the one to the other; "Either make the tree good and his fruit good, or make the tree corrupt and his fruit corrupt." We accept and we believe in the One Mind, the One Word and the One Spirit, universal; we confess and believe in Consciousness in the Absolute, as of the new Creature, manifest as the Christ Nature, as the I Am, which, alone, is Power Divine manifest as Superman; we know whereof we speak and knowing, stand as of the One, in Consciousness, Illumined of the Holy Ghost, as Master of Self, of all Manner of Disease, Sickness and Elementary Evils.

We believe in that Divinity indwelling, the I Am, which, alone, is Might and Power and actualized Salvation. We accept Spirit Return as a proved Fact; but we declare ourselves Master of Spirits and as discerners of spirits, of right, permitted to select whom shall speak, reveal or make manifest through us as of the Supersensuous, a Servant of the All Good.

We know and believe in two distinct spirit phases of manifestation; we know and reveal that no two spirit characters may occupy or be made manifest in any Revealer at one and the same time; "either make the tree good and the fruit good, or make the tree corrupt and his fruit corrupt," is the only law of Spiritual Revealmnt, or Psychic demonstration. We must manifest that which is of the Creative Word, the Spirit of Love and Truth and the spirits of Light, or we must make manifest that which is the very opposite; there can be no two spirit manifestations, of different character; for character, alone, determines the man and the spirit in the word, determines the character; "Ye are either for me or else ye are against me," said the Christ, speaking as of the Spirit of the Father in Jesus of Nazareth, the typical Revealer of the Spirit of Truth, before whom, in Life and Love and Creative Good, there is none other. Under

which Master do you serve? We are driven to ask this question here this day because of the recent endeavor of many cities and states to shut off all manner of Spiritual Revealing, or Advisory Work, no matter of what type or class. Originally the Church of Christ was a Revealmnt Church; it grew and prospered as a Revealmnt Society; it studied Astrology; it was apt in Palmistry; it stood high in Psychic Methods of demonstrating Truth; it was possessed of Prophecy, Psychometry, Prescience; its Priests advised the people, read by Palmistry, and not until the Gypsies became the great Palmists and Revealers, did the Church change its Methods; it healed the sick, as did Jesus; it cast out devils and did so up and until Martin Luther rose, in might, against what he believed an abuse of these splendid Powers of Divinity, resting in Gifted Men. The early Apostles, Saints and Priests, were very much similar to the revealmnt we, here and now advocate, and though driven from place to place, despised, ashamed of, spat upon, imprisoned, lawed out of apparent strength and right of Spiritual Revealing, healing, teaching and advising, in spite of all this, they grew, waxed strong and handed down to their posterity, the most Magnificent Revealmnt of all the ages; but now having departed the business of the Holy Ghost; having drifted away from the True Revealmnt of the Christ, the modern Christian, like the ancient worshipers of Man-made Creeds and Idols, turns to undo the very Revealmnt Spirit that made possible Christianity. Ah history, sad it is that such are thy repetitions of forgetfulness and degeneracy of Love, Truth and the Mighty Spirit of the Living God! But let this pass; we are known; we have advised for more than one hundred thousand people; we have handled more than fifteen hundred chronic cases of disease in the past eight years, and lost less than fifty; these are our advertisement; these are our army of witnesses. We have built up the most magnificent professional business

in the West; our Magazine encircles the Globe; the sun ever shines and no night closes, the bright gleam of the continuous day made possible, alone, by the broad field covered by the Healing Occult and Published Works, permitted us of the Great Spirit of Light.

If you would know, read Bulwer's "Strange Story" and though fiction, it reveals the true workings of the spirit of Black Art, of Poison, Murder, Crime and Death. You will find there the story of a Monomaniac who claimed to be under the control of the master spirit of the devil; how he escaped his keeper; how his control instructed him to disguise himself as an American marine; how the devil's spirit spoke to him in divers way, from leaves of trees, from herbs and twigs, in the shape of a beautiful youth, formed in filmy outlines before him and finally, in sweetest tones, persuaded him to murder Sir Phillip Derval and lay the crime upon an innocent man; how a Greater Mystic and Occult, with the Universal Spirit of Light and all discerning Truth, uncovered his criminality and compelled his own controlling spirit to reveal himself, and how he was led, and how he performed, and afterwards came to lay his guilt upon an innocent man. The same story speaks of cases in Spain, in France, and Psychic Research has discovered thousands upon thousands of similar cases, as a result of the all destroying work of the spirit, and divers spirits or demons, earth bound intelligences, who have literally controlled men and women to their final destruction, either per disease, suicide, crime or the law; the evil invariably undoes its own; the evil will invariably upset its revealer and pay back a thousand fold; it is the father of all that's corrupting, of all Black Magic or Black Art; it is the spirit of all Graft and Grafting Methods; it is the controlling spirit of false Mediums and lying advertisers; it is the usual control of thieves and thieving schemes and schemers; it is invariably the spirit that possesses the fake and fraudulent in

Spiritual Circles; it is the spirit that is undoing the grandest Revelments of the Ages, by permitting a system of spiritism to be classed as Spiritual Mediumship. "Either make the tree good and its fruit good, or make the tree corrupt and its fruit corrupt." Under which Master do you serve? Spiritism, not Spiritualism, is the bane of Modern Spiritualism. Demon Forces, backed by demon character in spirit, is the cause of trouble in License matters. Spiritualists, what are you doing to save the day? Are you sleeping while the Spirit cries aloud for effort and cleansing purpose? You are of the Spirits of Light; of Love, Life and Truth, or you are of the spirit of darkest Hell and direct Cowardice and most terrible wrong; you are uplifters, advisers in Love's sweetest Mission, or you are destroying angels of wickedest Hate, Lust, corruption, sin and death. With you rests the future of Spiritual Work; with you rests the power to cleanse the ranks; with you is the final decree. Which shall it be? Under which Master do you serve? May that unction "which is of the Father's Love; that manifestation which is of the Christ; that quickening which is of the Holy Ghost, be with us and with all mankind," in "the Fatherhood of God and the Brotherhood of man."

We know a lady who at entertainments or out and away from home is just the rage with all the men; but, heavens, what a terror she is the moment she enters her own residence. We know a man who is the gayest of good fellows among town associates and all the go with the ladies at all public functions; but he forgets to bring any of his goodness, or cheer and attentiveness home to his dear old mother, whom he treats as if she were worse than a slave. Why is this so? Simply because the real woman and the real man can be known only within the precincts of the home. In choosing a wife, go to her kitchen or her home, and same with the opposite.

ASTROLOGICAL DEPARTMENT.

THE ACQUARIAN AGE.

(Continued from April Issue.)

In former issues we pursued our line of thought of the topic heading this series of articles; before proceeding to point out some of the agonizing flaws of our present Civilization, let us forget not that the first body of organized intelligent atoms to be corrected is that of Self; Self Mastery alone paves the way to Mastery of the Institutional; the Institutional is made of a myriad of just such organized Selves as our own organism, as the Self; perhaps this Self of ours is sponsor for more faults than we credit it as the creative father of, the very thing or things, of which we complain; being a possibility let us be charitable even in the Art of Picking Flaws in that which, being entrusted to Servants of the people, may seem lopsided, prejudiced and unfair to our particular viewpoint and accepted judgment of what is right and best; without differentiation of viewpoints and judgment, no Institutional Society can possibly long continue to grow, unfold and meet the many and varied necessities and conditions of all the separate individual Self Units forming its completed makeup; each must be willing to give, take, forgive and assist in order to perfect the whole.

Any criticism, therefore, found in these articles must be taken as given, with an eye single to the after best good of the whole, as against the Interests of any particularized factor or group of factors, thereof.

Love is creative, sets in activity and motion the life of the All Good, and without the Spirit of Love no discussion can become power for the best interests of mankind. To curse the things that be is to oppose the Love that makes possible the Spirit in these things that be, which, alone, can purge them of the objectionable features. So we enter our task always in the Spirit of Love and Truth, that we may set the Self free, ere attempting to aid in setting free the

grand fabric of which we are a component factor, or individual unit. Prejudice is the father of ignorance, arrogance and false principle and the sure means of producing ill and uncharitable conclusions. Prejudice has unhorsed many a great mind and defeated many a noble purpose. Prejudice is the curse of all the ages handed down to the present time with double force; it must be dismissed and set aside, ere we hope to make actual headway in any true revelation, process or evolutionary undertaking. Prejudice kept the great Mining Camp of Cripple Creek out of producing districts, and for twenty years poor prospectors, believing in the hidden treasures beneath the rugged hills, kept digging away, until finally, one day, their Faith, Patience and Self Confidence, brought to Light the Camp that has astonished the world in the vastness and quantity of its riches; so was it with Leadville, in fact, so has it been with every live Mining Camp in the world's history, and so has it been with every great city's or Nation's history; it takes Love, enthusiasm in belief, Faith in Self Ideals, and Patience and Power to overcome, thwart, allay and defeat PREJUDICE in order that Success, in anything, along any line, may be a final certainty; he who can rise above PREJUDICE is on the first rounds of the GREAT LADDER of REFORM and has taken the first step upward for man's greater Consciousness; who thus enters the fray, soon builds for Self, in the Universal Consciousness and thus, enlarging Self Consciousness until it merges into and becomes Universal or Christ Consciousness in the Absolute, becomes MASTER GENIUS and WINS for MANKIND while prospering and expanding Self and Self usefulness, knowing and Consciousness; Columbus won, in spite of Prejudice, cowardice, Superstition, Hate and Imprisonment; in the midst of PUPPETS he ROSE in spite of snarls and yips, until today, history is

his Monument, whilst the Rich and Powerful, the Kings and Queens of his age are as ashes that the winds have blown to nothingness, lost through their Prejudices.

Hide-bound Theory, Prejudice, Bigotry, Hate, Envy, Conceit in Old Formulae, in Form and Superstitious adherence to Fixed Principles, Basically False, never can be overcome by disputation, but must, the rather, be undermined, undone, by rooting them out, by a Process so Subtle, Peaceful and Evolutionary as to ACCOMPLISH its WORK of Leavening the Whole, ere the poor False Principled Ones discover their OVERWHELMING DEFEAT. The Superman is the product of Countless Ages of Prejudice, fighting to defeat God and His Word and His Spirit, from entering into fullest and most Righteous Consciousness, as a fact in actualized expression, in His Creations and man His Own Image; Centuries have rolled on in their resistless grind, and yet man, in many branches of higher learning and Science, is still standing at the graveside of buried and Obsolete Principles, Isms, Theories and Practices, striving to unearth, once more, the dear dead things, the sole harbingers of their Fetish Worship. How shall all this be overcome? How shall Powers and Gifts of the Supersensuous as a living, All Powerful, All Comprehensive, understanding Consciousness, be brought to bear, for the uplift and Healing Good of the whole? How shall we become that which we KNOW and express that which we ARE in Christ Consciousness? We shall do so just as all great Men, all Powerful men, all true Overcomers, in ALL Progressive Matters have done before us. We shall Silently, in Faith, Hope and Charity, with Loyalty to our Faith, educate, evolve, call out in ourselves, first, and other Selves, afterwards, Soul Qualities, the Gifts of the Master, in Mighty Mind, Soul and Spirit. We who are strong, in the Christ Consciousness, in Truth Revealed, in Love of Good, as indwelling

Attributes of God, in the Soul of us, shall help our weaker brother by being, in Truth and Love, what we will All Shall Become in actualized Truth.

The present Crime Wave; the Suicide Wave; the Corruption and Graft Wave, the Trust Combines and Law Breaking waves, all are but as man has been and is, for nothing in the Institutional exists, lest it be the emanation of man; for all Society is man manifest, even as all Creation is Good or Evil Spirit, in Consciousness, revealed, and made manifest; the Good indwells all, while the evil surfaces or circumscribes much, only to be finally overcome and defeated by the Inner, Creative Power of Good.

Silently, Powerfully, in mighty Continuity of Purpose, forever and forever, Vibrates the Mystic Wheel of Creation, which in turn, attached by Magic, Electric and Magnetic Currents and Belts, to each Atomic Mystic Power Wheel of the individual Centres of Infinite and Finite Intelligence, keeps an eternal Equilibrium between the Inmost Powers, as Cause and the outmost reflections, as effect. What the Pisces Age accomplished for Theology and Creeds, the Aquarian Age shall accomplish for Individualism as expressed in Innate Superconsciousness, with this difference: that no Universal Consciousness can be bound by Prejudice, Hates, Envy, Sick, Fear and Doubt, Concepts and man, under the New Revelation being set free in Truth, will in turn set man-made Institutions free, even as he himself is free. This is the Law of Continuity, and it is the only Law of real triumph in All that is actualized Freedom from error, oppression, Poverty, Lack or Untruth. If Servants of the people; if Boards of Health and Man's man-made Regulations of Individual and Institutional Affairs, are the result of Prejudice, and prejudicial to man's Higher and nobler Consciousness of Health, Healing, Revealing, Knowing and Uplifting Self and the otherness of self; if narrow bigotry, persists in Obsolete Vaccinations, Toxines

and Soul, and Mind, and Body Destroying Drugs, and Nostrums, there can be but one remedial agency, and that is Culture and Education, which will force such Criminal Agencies out of man's Institutional Organizations, and free him from his own character blemishes, as made manifest in False Principles and Immoral Rulings and Decisions; for all that is against Health, in Individual Unfoldment is Immoral, and all that is Health is Moral, and there can be no other Morality. Revealed Knowing is the Highest and purest knowing and the Aquarian Age is the epoch of Revealed knowledge, the age when all other methods of knowing shall be overcome and set aside, for this, the Only Truth evolving Process and basic Scientific mode of correcting existing evils. To know is better than all guessing; all present systems shall persevere until the New Psychic Process grows into fullest power of manifestation of the new; the prejudices, cowardice and faults of the people and the Institutional cannot be overcome, cast out and changed in too brief a period; modes of dealing and cajoling, coercing and imposing upon kind by False Maneuvers cannot, immediately die out, as die they shall. How a man or a woman makes ends serve purposes and manages to make a living income, is of less importance than how the individual's interests are corrupted and the health of all jeopardized; False Ethics, or false Moral Dictation, of man striving to coerce man into fixed Methods of eating, thinking or drinking, are far more detrimental than usually thought; they cramp the intellect and ruin man's generosity and nobler spirit.

The Intellect, like the foot, must have freedom and room for action; obsolete Ethics, like obsolete clothes, do not set well; cramming poisons down the throat to cast out poisons, is like ramming religion into babes in order to swell the ranks of Hallucination by compelling that which is foreign to the child's natural vivacity and hilarity of spirit. Let not the zealotry of spirit lead into too many Prohibitive and obnox-

ious nostrums, Ethical, Religious and Political, in the shape of man-made Regulations and Prohibiting of the other fellow's right to eat, drink and enjoy the reasonable and healthful appetites, desires and pleasures, common heritages of any rightly organized human being; do not attempt to map out for others the narrow path, you yourself may deem your moral viewpoint of man's best good; constitutions, minds, physiques, souls and inclinations, can be alike in no two properly developed healthy individualities; the Higher Consciousness and the Great Divine Spirit is nothing if it is not HEALTH, LONGEVITY IN FORM, beauty, Happiness, Strength and absolute freedom, in accordance with Self Health and the Health and Best unfoldment of the Self and the Whole, as springing out, and from, the many Self Factors, making up the Whole. The Holy Spirit does not bind nor dictate, but sets free and simply remains free Itself, in order that, wherever it goes, there freedom and Health, in Love, Truth and Life, may be assured; the Divine Spirit asks simply obedience to the Supreme Law of Continuity, and that obedience guarantees freedom from Poverty, Disease, Ill Luck and Undoing or Dying Conditions; who receives of the Divine Spirit partakes of the Light of Wisdom, the Unction of Grace and Love, and is, of Life, in Consciousness as actualized knowing, guaranteed, and cannot err, in that Obedience is the fact of freedom from error. Who is of the Higher Nature, in Consciousness in the Absolute, knows the Law and Obeys the Law without need of man-made interferences, and laws, man-made, springing from individual Consciousness, as of the Consciousness in the Absolute, will conform, alone, to man's BEST GOOD and cannot be the outcome of Cliques, Prejudice, Boards representing the Interests as against the Masses, nor effects of this Degree, that Profession, this Creed or that Ism; they will be Laws springing from man, representative of man, in his highest and best character

expression, that of equal and exact justice in all, to all and for all.

The earth shall be rolled back as a scroll; the evil shall be consumed of its own works; the Mighty Love of the Universal shall be as an all-consuming fire; for God's Love is as fire to Hate and Disease, Fear, Anger and all evil things; the Light of Wisdom, the Holy Spirit, shall search out with all Power every evil or hidden secret thing and men's souls shall be read, by Gifted man, as easily as is a scroll or a daily paper. Such is the Aquarian Age to prove, and the Millennial Dawn, so long looked for, will thus, and thus only usher itself in and upon us. Next month we will reveal some startling things concerning the Signs of the Times.

What, you my Nemesis, you the thing I built?

You, miserable undoing shadow facing me here;

You Sickness, Sorrow, Poverty, by me built?

Me thinks thou art mistaken, come not near,

Thou art of such stuff as makes me shudder,

Worry, shiver and doubt, nay get thee gone,

Thou art of the past, thou doest stutter, Waver and mutter of vile things long done

By Words and Thoughts, unseemly things,

Uttered in unwatched hours I know thee not.

Yet, wait, I cannot spare thee, what Thou sayest seems, as yet, a part of me; I deny thee, yet denying thee, feel thee, My very self seemeth thee; the while I would thou wert gone I am possessed To stay thy going; thou doest seem to defile

My very form, yet thou art in and of me And I am as thou art, as my words Have wrought and my spirit built thee, In me, of me a part, flesh, bone, sinew, All as I have thought, in times that's past.

Of course Illumined Consciousness is a means to an end, and Astrology like the Mariner's Chart may map out the way to glory, fame and reputation; but what can any phase of Consciousness or any Science do with man, envious, jealous, conspiring man at the helm? Given a Chart to the precincts of Heaven the wisest man on earth would need to get an army of guides to push him through the machinations of man's creation and adoption.

Even the cats, poor cats, slick cats, fat cats, house cats and alley cats are condemned from further freedom of long enjoyed nightly practice in Concerto Voice, because, after having cleaned up the rat Germ Packers, and served too well mankind, he, she or it, is accused of becoming the Germ Carrier, (what a Germ is no one has ever definitely determined), but it's something deadly, dreadful deadly, that fastens right onto your APPENDIX, LIVER, GIZZARD OR HEAD, and you SUC-CUMB TO THE WISDOM afterwards utilized in the Process brought to bear to exterminate the Germ.

Someone failing to correctly diagnose a wart on a rooster's leg, demands the use of Germless Potions, Germless Foods, Germless Water, Germless Apartments, Germless Husbands and Wives, Germless everything, and yet the Plague grows and continues unabated, and man alive with Money Germs, Insanity Germs, Bald Head Germs, Whiskey Germs, Drug Germs and Old Age Germs, Small Pox Germs, and Fever Germs, continues to be doped, carved and killed, because no man lives to detect the Germ that Kills the Germ that Kills the man. Like attracts like, even so like may kill like.

Day by day we build ourselves anew;

If we ourselves will search and know. Hour by hour we build, through and through,

Our Forms of flesh, the word shall grow

Or die as we ourselves to self are true.

Editor of the O. M. & O.:

My application of psychic laws is not constant and steady, but there are times when I am able to relax both body and mind to a state of partial self hypnosis. My husband is a professional man, and when in this state I often concentrate for his success. Then I seem to see fine lines of light which pass from the minds of the people concentrating toward him. I have noticed that often, not always, after such an experience there is a marked increase of business for two or three days. Is this accidental, or is there a phase of psychic law which we can use in this way? Other times I have tried to influence individuals. When successful or when the desired condition is reached, it is always from 10 to 20 hours before it is evident. If this is a psychic result, why delayed?

A SEARCHER.

Your questions involve two phases of one law—that of continuity. There is but One Mind in the recognition of the party who enters Concentration for the sake of Spiritual uplift, Financial Benefit, or what is termed the uplift and good of self or other selves. To enter Concentration for the purpose of exercising Occult Gifts, or Spiritual Soul Energies for the GOOD, is to place your own Selfhood, as to Soul, Mind and Spirit, at-one-ment with the Infinite and, hence, to accept, expect, to realize benefits as of the One Mind, in the Universal Sense and thereby partake of the Illumining Power of the Divine Spirit, which, alone manifests the divine Word and Will, in the Divine Word and thus gives unto you the Powers of the Will, Word and Spirit of the Universal and ALL GOOD, as attributes of Divinity at work, in, of and for you as well as from you, in, of and for other Soul Factors, chosen by you to be benefited by your Concentrated and Centered Energies. The Second Phase of your first question, involves simply, the differentiation of ways in which prevision permits of recognition of the fact that you have succeeded in reaching the object of your attention, and have centered with him the Vibrations, forwarded from your Soul, or Subjective Center,

through the people, the many objective forms, the Essence of Mind, Soul and Spirit, as through One Soul Source, from you, through other Soul Factors, to him your selected objective point, the opposite pole to yourself and thence to and fro, back and forth from pole to pole, according to natural law.

The operation, or process may or may not be instantaneous. This depends upon another and the second law, that of your second question, viz.: Spirit is all in all, but Spirit does not illumine all; the One Mind is all in all, but the One Mind is not expressive as Illumined Light of Wisdom in all until, Spirit makes it so manifest to and in all as the One Power of Divine Will in Word of Truth; Truth must be the final test as to true accomplishment in Divine Law; now until the WILLS of the people you seek to influence have had time to conform to, or become, at-one-ment with the Divine Will, the ESSENTIAL FACTOR in all OCCULT accomplishment, no Psychic Process is operative; this may take days, or weeks, or months, or as in chronic disease, many months; hence the law of Growth enters into the final consummation of a purpose. Again, you say your husband's business continues better for several days and then falls back, at least that is our inference; this is due to the fact that Will is permitted to become inactive as your own energy, in continuity of purpose; no Occult can hope for SUCCESS in overcoming Poverty, Hate, Sickness, who is NOT CONSTANT, CONTINUITY OF WILL ENERGY, always active and eternally at work.

The moment the Will Energy ceases, the Creative, Growth, Psychic Process stops and works are at a standstill and a new Concept must be formed, created and cast forth and held, just as you speak of in your first question or statement. It's dangerous work, unless you can enter the SOUL of You and remain there without detriment to the objective Brain and Nervous System, and the Mind to operate at all, beyond the recognition of the Inner of Subjective Mind's Creation, as his Concept and leaves to Spirit, the Illumining and conducting Power.

“These are my mates that make their wills their law, they love me well; yet I have much to do to keep them from uncivil outrages,” and what spirits, you ask, are these? My desire will, my hates and jealousies; my worries and flurries; my frets and angers and all that is unseemly, ungenerous and self undoing. My mates they are, and myriads of their kind, I find, flock to meet their own shadow selves from out the pits of darker earth.

Leon A. Freeman, of 27 West 10th Ave., Denver, is owner of one of the greatest labor-saving conveniences out, as a patented article. It is a clock device for turning on and off the lights, electric, at fixed hours, and will do its work perfectly. Can be set for any given time for turning on the light, and, at the same time, is the same clock set for the switching off of the light, thus saving all over-time and nuisance of a man running all over the city to attend to these important matters. Here is an INVESTMENT opportunity, as Mr. Freeman cannot place it himself. The Keystone Law & Patent Co. of Philadelphia has the matter in charge for sale.

Do you want to know how to aid in the building of your body, for health; your brain for successful endeavor; your tissues for strength, and your features in rounded beauty? If so, get "Mind, the Builder." It deals with the Objective Mind as the designer and with the Subjective Mind as the builder; it is simple, clear and comprehensive; it's a continuance of "The New Psychology," by A. A. Lindsay, M. D.; "Mind, the Builder," bound in fibre, 50 cents; in flexible leather, \$1.00; "The New Psychology," cloth, \$1.25; "The Tyranny of Love," pamphlet form, 10 cents. We regard Dr. Lindsay's Works worthy the carefulest perusal by all, whether students or self-helpers, as they help us, too, to heal your ills the better when you rightly understand self and selfhood.

Stop now, instantly, stop any impression, spirit voice, silent thought or emanation that leads to suicidal thought, poverty, sickness, jealousy or any other misery-producing possibility as after condition; today, now, is the time to receive, give forth and express aright, for tomorrow will be as today thou hast permitted thyself to be shapen and made; we are as we build; "we reap as we sow."

OUT IN BUTTE.

Now what shall the harvest prove, out in Butte?
 Where Ethics fear the "Spirit's Breath," out in Butte?
 Where the Light of Higher Consciousness, despised,
 Moves against Revelation's Worthy Light, out in Butte?
 Where some Buncoist, as spiritist, won, out in Butte,
 Some twenty thousand plunks, and skinned a hog or two, out in Butte?
 They say things are dead, killed by law, out in Butte,
 And grass is gaining in the streets, out in Butte;
 Whiskers, unshorn, matted hair the go, out in Butte;
 Coyotes, scavengers of the prairie, sing, out in Butte;
 Flies are dying, for want of food, 'tis said, out in Butte;
 Poker is the go, but law stops the Truth, out in Butte;
 While Sixteenth Century ethics rule, out in Butte.
 Turn the pages back, Oh time, for use, out in Butte.
 Bring the Ten Commandments, afresh, out in Butte,
 And Moses with them, to keep them from the Calf,
 Made dead and cold, instead of gold, out in Butte.
 Rise, Oh Shade of Noah, claim them, out in Butte.
 Confucius, Oh Shade of Dead Centuries, come again,
 Thine ashes resurrect, they need thee, out in Butte.
 King of Ancient Cave Dwellers, come forth in spirit
 And Sway thy Club of restoration, out in Butte.
 Laws, ten thousand laws, cannot save, from Bigot's
 Fate, nor Persecution's blunder, any people or State,
 Drifting backward, ten thousand years, as out in Butte.

THREE ADVANTAGES OF MAGAZINE ADVERTISING

1. ITS PERMANENCY

The life of a magazine advertisement is long. It remains effective for many months, often for years. A magazine is read, passed on, reread, goes to hospitals, to the army, navy-abroad, and is at last put on sale in the secondhand book stores, and begins a new life. No other form of advertising has this longevity.

2. ITS PUBLIC.

The magazine reading public is the live, up-to-date, busy, enterprising, inquisitive public. The magazine is the business man's and the housewife's literature. It is the recreation of the leisure hour, and the mirror of the world's events when these have been sifted from the chaff of rumor and mistake. Magazines are cheap enough to reach all intelligent readers, good enough to command their attention. The magazine public is the material upon which to build permanent advertising results.

3. ITS COMPANY

The great magazine advertisers are the prominent successes of the business world. To be associated with them in the public mind is to secure the very best publicity—to enter the aristocracy of advertising.
