RESPONSIVE CHORDS.

May to follow.

What shall your harvest be?

Love came at the dawn of Created things.

We shall wait, with fervent silence, thy history.

Love rules a universe, holds all things and beings, in space, in check.

Creates the new, wipes out the useless, prevails over the ill and frustrates disease.

"There is but a step from the sublime to the ridiculous," and there is but a step, too, back to the sublime.

Light, as Spirit, indwells the great Oversoul, polarizes, transforms and transmutes the ill to mighty GOOD.

There is a majesty in budding and leaving trees, all learn to honor and respect. It's true Revealment, a Psychic Process.

Equilibrium is always the outcome of opposing forces, polarized upon neutral ground, meeting to form a true magnet of power.

To honor self is to honor the community of interests; to honor country and its institutional concerns and factors, is to honor God.

Sometimes 'tis necessary that changes come in institutions, even as in raiment, that prosperity take on new aspects. Now is the time.

Old garments, tattered and torn, must, finally, give way to raiment new or clothing more befitting the form. We outgrow their usefulness.

One purpose I have, one purpose I am, one Spirit Light makes this one purpose manifest, hence, in this purpose I am WIN and VICTORY.

Never cry until you KNOW you are hurt; weeping sometimes is in order; and sorrow has its day and place; but never begin a thing out of date.

Trust yourself; trust others; be content with what you have and you will find the entrance to the royal road of happiness, Success, Health and Wealth.

Be brave, now, or never, for liberty; Strike now, or never, in mighty Truth; Rise now, or never, for righteousness; That righteousness, of right expression.

When we DO accomplish as we teach and preach, most certainly we have no just reason or excuse for hiding the identity of our means of gaining Gifts and Truth.

The Truth is simple; the Spirit of Truth is simple in His manifold ways of Revealing Truth; all things are of Truth and The Spirit of Truth that are real or true.

The moment you can get the other fellow mad, you have him on the hip. It's the infernal, eternally, self-reliant, CALM chap you need to fear. He has little to say, but he's busy.

Long ears and plug hats, never compromise.

When worn upon the head of the man
Who runs the Magazine that stands pat,
And sticks to his, never compromise.

I am eternally bound to Righteousness is the proper attitude of every true man or woman; this means eternally bound to RIGHT EXPRESSIONS in all that we have, are, give or can do.

Hello Bill! Never compromise.
Hello, Brotherhood of man!
We'll do the act and never sweat;
We'll WIN the field, just stand pat,
And be a freeman; never compromise.

If my revelation or belief is worth having and is of worth to me, then it's worth standing up for, upon any and all occasions; if it's worth less, well, then, let us drop it and go into something of some value.

We have slumbered, some of us, rich and well to do, till, at last, we have discovered the hour is waning into the evening and time for undoing mistakes is almost too short to accomplish the greatest good.

Millions are hungry and in rags everywhere, while we send yearly abroad money enough to feed and clothe them, simply because we THINK the OTHER FELLOW BEING is a HEATHEN.

In man, Light of Love and Truth, as Spirit, Divine, manifests Omnipotence, as WILL DIVINE, and potentializes the Soul unto salvation and reveals unto the completed selfhood the road to success, health and wealth.

What about it when Spiritualism, Mystics, New Thoughters, etc., have a following strong enough, right here in Denver, to dictate every election, and yet they all take to the tall timber when called to show their strength?

The Spirit of God must set us free;
The Silent Forces must be kept at work;
Salvation comes, alone, by such decree.
Let us neither sleep, neither slumber,
Till freedom of Will, in our right,
Be won and made a fact of very Truth.

When the springs of life are running low,
And all seems a drouth and dearth to you;
Just rise up, take the fiddle and the bow,
Play a new tune, till courage you renew.

Wet or Dry, stand pat, no compromise,
Whate'er the fight, stand pat till
The end of Hades; never compromise;
If its Politics God's Spirit is,
Then stop Gospel Speiling, stand pat,
And if licked and down and out,
Give up your JOB, never compromise.

Twenty centuries sped and gone, the
Christ and His Legacy, of Spirit, of
Mercy and Grace, almost forgotten, by,
OH! so many; surely the return of that
Spirit must come rapidly, ere we lose
the half we have fought for and gained.
Come, oh Spirit! quickly come!

Sumptuary law is the bigot's weapon;
Sumptuary law defeats human progress;
Sumptuary law raises up criminals;
Sumptuary law is FEAR'S disguise,
Clothed in raiment of the Christ,
Or of Justice, fallen before expediency.

We teach it; we preach it; we write it; we publish it; we are not ashamed of it, and we Reveal by it; the Doctrine of the Father, the Son and the Holy Ghost, and ALL KNOW IT. We stand up for it; we stand up for our friends; we are right out and out in all, to all.

To take my money and then to sneak around to "do me" by any unfair means possible, may be Godliness in some; but it looks like thievery, doubled, in our Revelation. Give back, or else refuse to beg and take that which builds you up or extends your institutional affairs.

"I can't understand your Magazine," so many say to us; well, we can't understand that CAN'T in you, either; something is wrong with you if you can't, after EIGHTEEN HUNDRED OR MORE YEARS OF CHRISTIAN TEACHING, understand this Magazine.

The Spirit reveals, that labor wins through Love, and that all wealth, whether of Soul, Mind, Body or Material gathering, is of Love, Truth, Labor and in the Spirit of the "GOOD OF ALL IN THE ALL GOOD," under "the Fatherhood of God and the brotherhood of man."

The minute the Cashmere case came up we noticed a lot of our supposedly good friends took for the TALL TIMBER. We have been right here in Denver in our work eight years; we have no apologies to make for any act of ours; we have a name and a record none need sneak away from.

Lift up, never kick down, any one, no matter whom he be; if a penitentiary is NOT to be a REFORMATORY where is the GOOD of such an institution? The charge of jail-bird is only too often the first means of making a released person a life long criminal; society betrays its own GENIUS.

Never take a dollar from any source unless you feel you are willing to give back its worth in LOVE, TRUTH, LIGHT, and full value of SERVICE. To take money for the LORD from any one and then use it to RUIN HIM, condemn him, or his relationship in SOCIETY, is HIGHWAY ROBBERY.

Courage to venture is the Spirit of Righteousness set at work; none need hope for much progress who have not the WILL to DARE, the WILL to DO and the WILL to BE, and then the WILL to wait and reap the harvest, at the appointed season. The seed time is as essential as is the harvest time.

There are thousands of different methods and ways of expressing Truth; let each one DO as we DO, stand up and own from whence cometh the Gifts and the Powers that Do Reveal, Heal and Uplift.

No one man or method can BE perfect, neither can any one man present ALL TRUTH.

We never expect the ill, hence we seldom gain it; but sometimes it bobs up around and about us, then we jump right onto it and stay jumped on until we have it trampled under foot. There is a vital difference between him who breeds and fosters or encourages the ill, and him who fosters the eternal GOOD and expects the ALL GOOD to overcome the ill.

Not by force or might of arms, hath Love been won, neither by blood and carnage hath Mercy ever risen to claim its own; yet darker grows the everlasting blue of Truth and Love, as men grow in anger and discord of mind and thought. Come back, Oh Thou Blessed Spirit! Thou Holy Ghost! Make our SOULS Thy sweet resting place, ere we forget the Polarizing Light and perish in our foolishness.

That which is not CHARACTER ACTUALIZED in a people CANNOT BE LAWFUL INTO THEM; that is our contention; drive EVIL, so-called, out by VOTE and it becomes a COVERED EVIL so MONSTROUS in its far-reaching deviltry as to be almost incomprehensible; regulation is Nature's LAW and we say, regulate what is required by the present CHARACTER of the general public.

Why whine and cry and foolishly make boast of "I'll use MY POWERS against some one," who fails to favor you, when you HAVE THE POWER TO VOTE so as to stop ALL WHINING AND CRYING; get up and DO SOMETHING in the RIGHT WAY, at the RIGHT TIME and you WILL gain RIGHTFUL recognition per RIGHT METHOD. We were ten years in Colorado politics. We know.

Inspire these pages, oh, Holy Spirit!
here and now,

With such Healing Opulence, as to hold all Light

Of Truth and Love, in Omnipotent Power, the how

To mortal Success, health and wealth, as Right

Of recompense; hold Thou the hand, wield the pen,

Bespeak the Soul of Majestic Good, to fellow-man.

A house that has administered to the sick, the blind, the halt, the lame, the poor and disconsolate, and that, too, at most reasonable prices, and that, too, in the Name of Christ, always and on all occasions, surely has no need of being ASHAMED of anything, simply because, now and then, some Grafter gets the law and its results. We are not here to deny our God nor His Son, nor His Spirit; we believe, and as we believe we WILL DO.

If health or wealth you would find;

If success or worth is your search;

Forget not, eternal Will Energy confined

To one purpose true, a firm research
Into realms of knowledge, and Obedience

To Law of Love and Light of Spirit,
With perseverance, patience, readiness

To serve, will grow in you, unfold of
you,

Manifest to you, your cherished desire.

A little consolation; a little advice, in moments of tears and darkness; a little

perspective of the soul's intent and purpose; this is the work of the great REVEALERS in Spirit of Love and Good. None can take offense when a Truth Reveals; none can gainsay the GOOD where God's Spirit rules. Angels around such places encamp; spirits of the just made perfect visit there; all the universe manifests its good to such identified workers in the vineyard of the ALL GOOD.

He who strives and provides for himself and family, to the best of his ability, is worthy of confidence and should be well spoken of; it's one of the first virtues to provide well for self and family; any kind of endeavor or work that does so provide for self and family, so long as it is honest and honorable in its intent and purpose, is worthy. The Spirit aids all who enter the fields of thrift and industrious endeavor with right intent and who are willing to wait and abide results.

Never be ashamed of your own, innate sound and self-centered belief; tell it out boldly; be a man or a woman of fearless mien; stand right up and announce yourself; we speak of this as we were heartily amused at hosts of Spiritualists, and Mystics, and Emersonites, and other New Cultists giving themselves in as Methodists, etc., during a recent census taking in this city of Denver; over TWENTY THOUSAND OF US HERE, and afraid to rise up and BE COUNTED.

Years are the penalty of all successful endeavor; time is the only eternal essential and space is the vacuum through which time plays, while Spirit is the Psychosis (unifying principle), absolutely essential to continuity of purpose and Love and Will. No person need hope to be great who fails to comprehend the necessity of taking extended time, with space and Spirit to complete events, things of a selfhood. This hurrying through any matter undertaken is simply ridiculous.

I would rather have the record of Mary and Martha, in connection with the Christ, and at His Tomb, than be the monarch of all the world.

Such friendship and Love is worthy the noblest sentiments of earth and the most glittering Crown of a Universe. I would rather be the one who befriends even a fallen brother or sister, than be the miserable follower, who when trouble comes, deserts and runs, like a wild steer, for fear some one may know of the former friendship (?).

We would not quarrel with those who fail to see as we see the Light; we would ask, only, justice towards our view point of things and Spiritual Good. There is nothing gained by disputings; there is nothing reversed by mean and narrow modes of expression; there is nothing made the better by the spirit of hate, or jealousy. We would live, mind our own business and leave to others a similar privilege; our own will come to each one of us and to none other; why then all this foolish strife and contention?

All the way Thou hast led me, Oh, Thou Spirit Divine;

From poverty, sickness and fears and doubts, led me,

Oh, Thou Light of Wisdom, Truth and Love, ever Divine!

I had failed, lost my footing, all, were it not Thee,

Thou blessed Light of the ages, led me, all the way.

Who shall chide me, for such Faith in blessed Light?

Who shall rob and uncliothe me of Right and might,

All of Thee, in me, made power of Love and right?

Some say why do you put Country before God in your Revelation? Because God takes care of those who take care of themselves, and, if they take care of themselves, they must, most assuredly, take care of their other selves,

and in doing this, take care of the Community of Interests, and hence, take care of their Government, which protects ALL, in these matters that go to make up the body Politic, and also, the body Spiritual. There must be Spirit Terrestrial, as well as Spirit Celestial.

"To err is human, to overcome is Divine," is one of the tritest of sayings.

Misunderstanding the passage, "I shall come as a thief in the night," many of earth's family of religionists are not aware that so soon as "He, the Spirit of Truth," having taken possession of their soul, has already made a fact, in realization, the Second coming of "the King of Kings." When the Spirit awakens a soul and makes manifest the Christ therein, at that moment "the King of Kings" has gone to that soul and forever thereafter dwelleth there; the Scriptures are then fulfilled; none may know at what moment that blessedness may come, hence, the injunction, "Be ye watchful, for ye know not at what time the Son of Man shall come."

Some of our New Thinkers are speaking savagely of the statements recently made in two sermons; why do this? He is a public man; the Dean and Rector of a large Church; the spokesman of his flock; the follower of his Bishop, and the expounder of his Creed; he has a perfect and just right to speak HIS OWN OPINION, so long as "it is in decency and in order." Let not those who are of the so-called "New Thought" lose sight of the fact that TOLERANCE and FREEDOM to EXPRESS in SPIRIT what I AM, is the PRIMAL VIRTUE, as to mental range and Spiritual perfection. We read Dean Hart's sermons for information and enjoyed, even what disagreed with our viewpoint, heartily so. True Tolerance, alone, means, I will respect all men's VIEW POINT, no matter what it may be, so long as it's not blasphemous of the Spirit of Truth, or traitorous to country, city or state.

We have been in our present head offices up to March 6th, present year, just **FOUR YEARS**. What have we personally accomplished? Listen and reflect; we have held religious meetings under The Mystic Church of Christ, and Lectures, to number of 218; preached eight funeral sermons; married some six or eight couples; paid out of our personal funds, in excess of collections, therefor, \$1,080; we have held religious, advisory circles, as of The **HOLY GHOST REVEALMENT**, in our parlors, in which we administered to over 30,000 persons; answered over 77,000 written questions; gave over 32,000 Psychometric Tests on articles placed on our Revealment Table; foretold 27 deaths—19 of these to the day, month and year; and six of these to the **HOUR**, with **THREE TO THE MINUTE** of passing out of the mortal body; we gave 37 test answers on prize fights, missing but **FIVE**; we foretold dates of nearly every storm, sometimes months ahead of time; we missed one out of **SEVEN EARTHQUAKE** disasters; we foretold the Texas and Florida and New Orleans storms of 1908, 1909; we have answered over 11,000 letters and advised an average of five persons daily, as the best the Soul of themselves would reveal their identity to environments, and things, for their ultimate good and welfare; we have expended, in **DENVER**, for **PRINTING**, over \$7,000; for rentals, taxes, etc., more than \$4,000; for foods, clothing and household furniture and insurance, etc., about \$5,000; for **CHARITY** in **MONEY** and **GOODS**, personally given out, nearly \$1,100; for stamps alone over \$3,000, and books, nearly \$600. Now here we have about \$20,000 expended in our business, in our own city, and are branded, after all the foregoing Revelations, Prophecies and work and wealth-producing resourcefulness, "**A FORTUNE TELLER**"; great are the **WISE!** Whose **SPIRIT DID ALL THIS WORK FOR AND IN AND OF US?** Besides all this comes our **HEALING** and **OCCULT WORK**, un-

paralleled in recent years; and still more, have edited and corrected and mailed thirty issues of this Magazine, at an outlay of \$900 beyond what we have received, giving it freely to hundreds who have come after its uplifting **Revelment of Divine LOVE AND INSPIRED TRUTH**. Oh, yes, this man is a **FORTUNE TELLER**. The last **RESORT OF A COWARD IS TO LIE ABOUT HIS OVERCOMER**. The last resort of unrighteousness is to lie about the work of the Spirit of Truth, "for when **HE** the **SPIRIT OF TRUTH SHALL COME, ALL THINGS SHALL BE REVEALED**," and "**HE, THE SPIRIT OF TRUTH, SHALL SET YOU FREE**." This man claims no **OTHER SPIRIT**, none other **POWER**, none other **REVEALMENT**. Yet he is a "**FORTUNE TELLER**."

The time is at hand to **PROVE** what a **FORTUNE TELLER IS**, and who is a **TRUTH REVEALER**, and who is a **MERE FORTUNE TELLER**. The people need **ADVICE** and require and profit by timely advisers; let them have **LIGHT** and let it **BE LIGHT** of **WISDOM AND UNDERSTANDING**, and let it be known as such, and revealed as such, and let the **DEVIL** cease his impishness as the Prince of **LIARS, HERE AND NOW**. We are of "God and His Righteousness, and **ALL** these things are added unto us," because we **DO BELIEVE**, and we **DO PRACTICE**, and **DO** as we **BELIEVE**, and are ruled, as of **THE SILENT VOICE OF THE SOUL**, and not otherwise; we do not print this list of accomplished results, as our work of four short years here, as boastful bigotry; but we **PRINT** this to **PROVE** we **ARE** what we **PRETEND TO BE**, "**IN-SPIRIT AND IN TRUTH**."

Our Truth shall prevail;
 The Soul must progress;
 Money we must attract;
 But not at the price of Honor;
 "I am He." In Faith,
 Trust, Confidence.

EDITORIAL.

OF WHAT CONSISTS TRUE GREATNESS.

To Rise Above Ism or Creed; To See All Things From Within.

All the world reflects this greatness; it is found in all Nature's manifold expressiveness; it is of Creation itself; it abounds in Silent emanations of Divine Will. Love and Light of Wisdom; it inhabits huts and hovels; it is sometimes found in palaces; it encircles all that is of worth, value or Truth and Love; it expands, when it finds its remotest opportunity; it is a reflection of genius in man, of growth energy in Nature, of Instinct in animal and life in vegetation; it is found in the rain drop, in the air playing about mother earth; it shines forth in worlds, stars and myriad of distant systems of the great One and Eternal Combination of the One Genius of the Universe; it is the gift of simple things; it speaks in the child; it comes forth from babes and sucklings; it is unbounded; it may be here to-day; over there to-morrow; it is immortal; it is in everything and everywhere; it is the Gift of God and the Light of Spirit; it is Compassion, Love, Patience, Fortitude, Charity, in word, thought, spirit and deed; it never errs; it fulfills its mission; it rounds all into one triumphant whole of majesty and power; it is that which snatches the poor, down-trodden, lost and despised one from penury and want, through the act of a brother or a sister; it is that which causes father or mother, brother or sister to dare death to save one of their own, or causes neighbor or stranger to seek self-degradation or immediate danger and brave even fire, storm, water and travail, or death to aid or save a fellow being; it is the trait of character that inspires grand souls everywhere to befriend the dumb brute, the bird, the helpless plant even from the cruelties of Nature's catastrophies or man's inhumanity; ah, greatness! where dost thou not find a resting place? Where hast thou not been made manifest? How many breasts have been thy

hiding place, and, so often, thy last resting place? How often hast thou deserted the palaces of kings to but shine in the huts of misery? The lone cottage the oftener knows thee. There in some spot, where some two or three are wayfarers, outcasts, mayhap; someone's son or daughter, bleeding at heart, suffering remorse of soul, even there we have seen thee, known thee; for there, some one, with compassionate zeal in Spirit of Love, lifted up the drooping form, kissed the tear-stained and begrimed face; wiped away the sweats of agony from furrowed cheek; gently carooned and silently, with a hand, as of an Angel of Love, pushed back the uncombed locks and told of God, His Son and His Spirit, Who LOVED and SOUGHT OUT, and SAVED even such an one; yes, we have stood by such, seen this true greatness, as of the Spirit Divine, known the gentleness of the so-called uncouth and outcast slaves of a SYSTEM of SOCIETY, and we KNOW what thou art, true GREATNESS. We have nurtured thee; we have felt thee; we have had need of thee, and we have found thee; let us be one of thy shining stars, or Lights, and we have won the victory we have sought, and gained the glory we have wished for and desired.

Be not, therefore, deceived by false ideals, a general impulsiveness, creative, of a monomania, the result of half views of anything that is or exists. Rise above the surface; rest on the heights; view all men as a brotherhood, the images, of the One, Supreme Being. This is true greatness. This as of the Spirit of the Christ.

LET US BE UP AND DOING, FOR IT'S DAY, AND THE NIGHT IS PASSED.

"Oh monstrous world! Take note, take note,
Oh, world,

To be direct and honest, is not safe—"

"There are a kind of men so loose of soul,
That in their sleep will mutter things."

The time is ripe; the hour is here; the moment of action is now.

We have slumbered; the souls of us have revealed the identity of ourselves to space, time and things. All the world is in an upheaval; the sun shines as brightly as it has for a million years; the same soil breaks, over and over again, with its multitudinous life; all Nature develops, unfolds, fulfills in its process, its decreed good; the worlds in all space pay tribute to the eternal justice of the Spirit of All that was, is, or can be; the chaos of past and present, repeats itself, with the regularity of a swinging pendulum; all finally rests for a season in quiet equilibrium, only again and again to take up its action.

The sea shall give up its dead, the earth its hidden treasures; the sky and air shall be searched out and the mysteries of time upon time shall open to the Spirit of man. Sleep shall be but the moment of muttered secrets; for souls are read, now, as if it were but a passing page of printed history; men think, but to reveal their erstwhile machinations of the mind; thoughts are but the things that do reveal the how of what is yet to be accomplished; time and space have given over to Gifted Souls, the doings of a world of men; no place is longer a secret pavilion; no darkness hides from the ALL SEEING Vision of the Spirit that Reveals to the Illumni that which is transpiring; ah, we have it; the longed for dawn of that KNOWING which is the KNOWING because we KNOW and UNDERSTAND NOT just the why, the wherefore or the whence of the KNOWING. The last FOE has been conquered. There was a time when such Vision bore dishonor and meant the gibbet or the dungeon; but then, there were but few who had reached the knowing of the Soul, while now there are millions who are of these RICHES of THE SPIRIT DIVINE AND ALL INCLUSIVE, as well as OMNIPRESENCE. Men may plot, but to be seen and heard, as of the soul of some Silent Listener, as Seer, in some Quiet Nook of Earth; what far-reaching Detective Service is this, that none may escape its wonder-

working Spirit, of Truth and Might? Do you doubt this? Do you question this? Well, then, let the Spirit of the times open wide your eyes and ears; read the Psychic Magazines; take up the Lecture Course of Men and Women; follow closely the statements; and then ponder and know.

How did the Wise Men of the East find out the Mystery of the Star that led them to the Birth Place of the Christ? Who informed Moses, the Deliverer, of the doings, intents and purposes of the Ruling Power of Egypt? Who, to-day, foreknows and forecasts every event, by the shadows that cast things before the eye, ere they happen as coming great events? What Spirit is this ALL SEEING, ALL KNOWING, REVEALING LIGHT? Let us awaken our selfhoods; let us stop and inquire a little; let us behold the day; let us note the passing of the night; let us arouse our souls to reflect the LIGHT of ALL that is or may come soon; let us open the portals of our souls to TRUTH, now, and stand forth in absolute might of right; let us no longer say 'tis unheard of; 'tis an impossibility to foreknow events; let us see to our inward monitor and listen to "The Still Little Voice," and permit the eyes that slumber never, to look and behold and know. Such knowledge CAN NEVER be used for ILL; it comes alone to him who is proved worthy the Divine LIGHT of WISDOM and UNDERSTANDING; it is for the GOOD of ALL and not the FEW; it comes as "the bright sheen of the Light of Heaven, that ALL may see, and seeing know, and knowing be saved, healed and blest. Fear not the All Good; but beware! "Ye go forth as sheep in the midst of wolves; be wise as serpents, gentle as doves."

NOT THE BALLOT, BUT LOVE IN RE-GENERATIVE PROCESS IS SPIRITUAL METHOD.

Amidst the shock of contending forces, let us play force against force, even as does the Creative Genius, which enthrones and Equilibrates the chaos of

a Universe. My theory may be faulty, but rising above Ism, Faction, School, Creed or the Passions of partisans, I stand serenely Master of the situation, in the power to grasp the forces playing around and before me, and so grasping them, bring them to bear against each other, and thus compel an equilibrating of the chaos about me. I may be blind, in my view of things, but I earn my living and have good report and fair name in the earning. Even threatening darkness, though very hard to conquer, is preferable to hate and strife pretending to be of Light. No conspicuous pinnacle may, as yet, show forth the brilliancy of the inner star of our Genius, yet 'tis better, it be thus, than be the forefront of an assault upon human industry, or the ranks of evil, to the detriment of our Community, City, State or Nation. "To be right in great memorable moments is, perhaps, the thing we need to most wish for ourselves," said George Eliot, and such great moments swing in upon us, when and where least expected. To lose Sight of one's mission, his Central Object, his Logical Position, in Ethics, Religion or Social matters, is to fatally disrupt, sometimes, the usefulness of his Profession, Vocation, Avocation, or Institutional Concerns. The thread of Life runs through all beings and things, alike, and its sole object is LIFE to those beings, objects or things. The work of Spirit begins at the Great, Creative Head of this Universe and extends outward and around, in a grand Circle, within which is innumerable smaller Circles, but its sole Object is Regeneration of the Soul and Souls of all that is. The Celestial Sun, or The Son of God, as Mercy and Peace, came from out the depths of Primordial Being, not to war and law mankind back into Righteousness, or the Bosom of GOOD, or God, but, rather to shed His Light, amidst the encircling gloom, and, polarizing either substance and Flesh, win back, through that LOVE of God, which sent Him forth, the things, objects, and Forms, in Space, who knew not that Light of Love.

The Flame of WILL DIVINE, burns not to foster chaos and strife, nor to forge, the tighter, the distresses of humankind, by Law, Sumptuary and reactionary and hate-producing, but to Overcome, per Celestial, Radiating Light of Love, Truth and Mercy, all ignorance of Basic Law and Principle of the ALL GOOD. 'Tis said there was founded upon earth a Church some Centuries back, which was termed the Body of Christ, the Son of God's own Objective manifest; this Church, so termed, is, supposedly, still existent and, supposedly, still, of the same GOOD Revelation, as when first inaugurated and, if so, what of the Battle Cry of today? When did WILL DIVINE, or CELESTIAL SUN, or SPIRIT DIVINE, become otherwise than Decered at the DAWN of ALL CREATED THINGS? When did this ALL prevailing growth, Regenerativē, Overcoming, Healing, Occult and Psychic Process, turn from its HIGH MISSION to BECOME a thing to HANDLE BALLOTS, to VOTE ignorance, SIN, DISEASE and CHAOS into Submission? When did GOD become a POLITICIAN at the HEAD OF A POLITICAL MACHINE and order MAN, in CHURCH OF GOD, to ACT CONTRARY TO ORIGINAL, UNDERLYING WILL and Underlying Original Purpose? When did God and His Son, turn from LOVE, MERCY and LIFE, to HATE AND STRIFE? Perhaps we are BLIND and in pitch DARKNESS and Do not DISCERN, WELL, the TREND of our so-called BODY OF CHURCH. 'Tis hard to be blind and to grope in darkness, perhaps the CHURCH can bring us the LIGHT OF REASON and WISDOM and inform us of GOD'S RECENT CHANGES, from a CREATOR OF ALL and LOVE TO ALL, IN ALL and OVER ALL, FOR ALL, to a GOD OF HATE, of CHAOS, OF POLITICAL SCHEMING and DEBAUCHERY. We are otherwise informed of SPIRIT'S MISSION and GOD'S

WILL TOWARDS BROTHER MAN, and as from MAN to MAN. We know we shall be hopped upon, for our apparent blindness, for we have been so used quite frequently of late. If we speak well of Roman Church, we are termed a Roman Catholic; no disgrace; but why the attempted slur? If we speak well of our HINDU, or SPIRITUALISTIC Brother, we are HEATHEN, or A SPIRIT OF THE DEVIL; why so? If we praise anything or anybody, we are immediately singled out for vilest wretch; why? If we, in SPIRIT, see the reasonableness for a large City keeping its WET GOODS open and above board, under proper regulation; its awful; why?

Does not all Nature live by the play of force against force? Are not two or more Political Parties the safety of Republican Institutions? Is not this true of human nature, as to Positive and negative forces?

Can one basic principle of the Creator ever be changed, as to Law in Growth, Action, unfoldment for final fulfillment of His Creative WILL?

When did man presume God to scan and snatch from Omnipotence the Regulation of the RIGHTEOUSNESS that being right expression, should Regenerate all things, make the "New Creature" the fact of Church work in man and solve all social problems per the Law of Love and Grace?

We are astounded; we are dumfounded; we are ashamed; we are sincerely abashed and fearful of the final wrath of Creative Process for this violation of Spiritual Law. Have not too many Sects, in their mad rush to CONTROL the WORLD of human beings, lost their CENTRAL OBJECT and become specks upon the periphery of Spiritual Orb of Truth, Love and Life?

Mayhap "My Fathers House has become a den of thieves and a place of Money changers," in, too, many cases. Our "STILL LITTLE VOICE OF THE SOUL," of us, sayeth, "leave unto Caesar that which is Caesar's" and stay within the precincts of the Spirit-

ual Process, for that which is of God, in "The Kingdom of God and His Righteousness" and go out upon the highways, in the byways, feed the hungry, clothe the naked, teach the children of darkness, heal the sick of soul and mind and body, raise up the dead, in Soul and in understanding, but do all this in MY LOVE, WILL, MERCY and "in Spirit and in Truth," "No other command give I unto those who Reveal of my Spirit and as of My Son." We shall OBEY and shall not wrong fellow being in the OBEYING, thereof. Would not the Church save itself disruption, by so OBEYING and DOING?

Oh, Will of God!

Oh, Son of God!

Oh, Spirit of God!

Lift this woe of mine;

Remove this decline;

And heal these Souls

And worrying minds of men!

Torn and Bleeding Lies

The world before Thee.

Rise, Almighty Spirit Light;

Illuminate the way; 'tis night,

And darkness hereto betides

Our fair domain.

WHAT ABOUT THIS?

We have lost our little friend; 'twas only a little black kitten that had been reared by the lady of the house; it had become the idol of all who met it; it was the very joy of our apartments. The funeral was held, just the same as for one of the family, it might have been; "earth to earth, ashes to ashes," was the final closing words, as back to earth we gave the little form. We would not write up this obituary were that the end of "Little Jack" in our present affairs and house.

He was laid away, on Sunday, February 27th; before he passed out we noticed his eyes had the expression not of the cat, but of some one who appealed, as if a person, in the expression of eye, belonging to a young friend of Mrs. Hines' who was drowned, years ago, while but a mere girl. This was a

strange phenomena; but more followed; just before going out of life, Mrs. Hines, sleeping in another and adjoining room, was suddenly awakened and there before her appeared her pet, in shadowy outline; she heard his mew and, then, arose to find her kitty had just ceased to breathe. This does not end the phenomena; just one week later, as this editor was out attending a patient, there was a sudden, peculiar dropping, as of water, just three drops, heard by patient and Healer. "What is that, said the patient; surely, there is no water in this room and I certainly heard some drops, three, did you hear it, Professor?" I answered yes, and I was looking around about to see where it was from. A minute later a strange, distressing, pitiful mew, just such as the pet kitten had uttered before when being treated by myself, came, three times, from under a stove, sitting within two feet of patient and Healer. "My goodness, did you hear that pitiful cat cry under my stove," said the patient? Yes, I answered, I heard it. "Why, there is no cats about these apartments, our cats are all out in the barn, I don't understand such a peculiar noise, and it was three times it mewed as if in awful distress."

After treating the patient I came home and upon entering our apartments, Mrs. Hines said she had seen "Little Jack" just as plainly as if alive, and he ran around her three times and disappeared. I related my own and the patient's experience and then sat down to solve the riddle, when the eyes of a former gentleman friend appeared, in menacing mood before us and a voice, within, said, order that man away, keep him away, I am "Jack" your little kitten." Now, this is as it all happened; not a word added nor a thing misquoted or incorrectly stated. What about this?

Who can solve the riddle? Do cats have a Consciousness that may live after the form, here, has passed away and this life ended? Did some Spirit of some one else Possess this particular Cat? Mrs. Hines said she could not stand it

in the house without we obtained another cat. She had lost many pets, but she could not get over the loss and absence of this one. Why was this? Wherein was the power of such attachment?

Was the Spirit of the long passed-out girl friend, who was years ago drowned, still earth-bound and in this dear little pet, a constant present associate with her old and yet living friend? We will leave this to our readers to solve; we, ourselves, have a theory, but will reserve it.

THE SPIRIT THAT LICENSES.

A Revealer of the Spirit of Truth, Revealing in the Name of Christ. Who Shall We Blame?

A city ordinance compels Spiritualists, Mystic and Revealer, as ourselves, of the Holy Ghost, to pay a license; there is a type of Spirit Mediums (not Spiritual Mediums) a class of Fortune Tellers and another class of Palmists (not Esoteric or of the Soul Knowing and Revealing), as of the Spirit of Light; another specialist class of Clairvoyants, so-called, and still WORSE THAN ALL, a CLASS of STRAIGHT patterns after the class of Magicians, such as HERMANN THE GREAT, Prestidigitators, pure and simple. Now there should BE, while there is NOT, a DIFFERENTIATION of these classes; the true Spiritualism is a Religion; the spiritists are not of any Religion; the Mystic may come from any Religious Cult, and as LIFE REVEALER, added thereto, in NO LAND should there BE a license for SUCH AN ONE; for here you have the HEALER, THE PSYCHIC, THE PROPHET, THE SEER; you have THE ADVISER, the man or the woman, who is never KNOWN to GRAFT, or to turn DOWN any DESERVING, or SUFFERING ONE; here you have whom is seldom well to do; you have a man, or a woman, of the people, for the people, serving ALL the people, on all and every OCCASION, for TRUTH AND LOVE'S SAKE, regardless of Creed,

ISM, Position, Business Calling, Profession or Station in LIFE. In Denver we have just such a condition of affairs, as above, confronting us; the Fire and Police Board are not to be blamed for the performance of DUTY; the city officials cannot DO that which the People, forming the Community of Interests, DO not permit them to DO. What shall we DO? Pass an ordinance with just the points we mention, as the matter of necessity, and then see that the ORDINANCE is LIVED UP TO; this WILL SOLVE the DIFFERENCE BETWIXT THE WORTHY and the UNWORTHY and CLEAR UP A VEXING PROPOSITION. For more than five years, this Mystic Editor has striven to solve this problem; he cannot accept a LICENSE and DO SO without BLASPHEMING THE HOLY GHOST, as his SOLE and accepted REVEALMENT. He cannot be one to cause TROUBLE by attempting to thwart the ORDINANCES of his CITY, as he REVEALS that OBEEDIENCE to LAW, on ALL Planes, is Salvation to Selfhood and the only righteousness Revealed, as of God, His Son and the Holy Ghost. What are we to do? What can we do? All we have done is to write in pencil across our LICENSE MARGIN, so ALL may see and read it, the words, "A BLASPHEMY TO THE HOLY GHOST." and "Not our WILL, but His, be DONE," for we cannot HELP this sacrilege, because the WILL of A CHRISTIAN CITY. It's all we can do 'till something is done to right this great BLASPHEMY and Sacrilege of our own native city against the universal All Good, as manifest in man, and through man, for man's good.

The editor of this Magazine has proved, attested and made public his full Revelation, on all occasions; in private sittings and advisory work; in healing of the sick; in public Lectures; in his Great Advisory Circles, unparalleled for their TRUTH, HONOR AND HONESTY AND CORRECTNESS OF DETAIL; in his MAGAZINE

FOR THIRTY ISSUES; in over 10,000 letters; to over 100,000 persons; all has been made plain, clear revelation as of the Spirit of Truth, as the HOLY GHOST; he and his little wife have gone hungry for weeks; stood slander and contumely; fed upon one meal a day for months, both INVALIDS at the TIME, and HEALED THEMSELVES, DURING THIS TERRIBLE SIEGE, simply to PROVE THE BLESSEDNESS OF THIS REVEALMENT; they are accepted, and known among all Mediums as they are known, as MYSTICS, not as Mediums; they are Occults of proved Gifts, in Christian Method and Practice; they have fed the poor to the amount of over \$1,100, since partly gaining their financial footing; they give, regularly, a monthly stipend to the Salvation Army for some one's bed who might be out in the cold; they give their garments; their time, to many, some unworthy, others most worthy; they have healed more than fifty cases for no pay; they have fought for Liberty of Conscience and Consciousness, in the Spirit of LOVE, that ALL might GROW a character that is Health and Salvation; they have paid a LICENSE to DENVER when want was the price, at times; they have suffered, starved, wept together, for God, His Son and His Spirit, as manifest in and through them; they have lived clean, open, and above board, and proved their full Revelation by results and returns; they possess trunks full of grand, blessed letters, praising their GOOD DEEDS, and NONE HAVE BEEN PUBLISHED or USED, not even to protect their OWN REVEALMENT; they prefer to climb as of God's Spirit; they have not bankrupted merchants for their cause; they have found needy at home to aid and help; they have spent no money upon themselves to glorify God; they have earned and spent, in Denver alone, more than \$20,000; they have incorporated and kept up The Mystic Church of Christ, and kept it a-going at an outlay, in five years, of nearly \$1,200, more than the

collection fund gave them; they have paid five per cent. per month interest in order to pay their license the past year; they have begged from no source; they have grafted in no manner, form or shape; they have worked day and night; their work is known the entire world over; it is recognized as beyond anything yet attained; they have saved over fifty persons from suicide, and hundreds healed from Poverty and Sickness, even as they themselves have been, through their Spirit of Love, Truth and Life; yet Denver, the great City of Denver, filled with Fraternal Societies, that know WHAT MYSTIC MEANS; Churches galore, that understand the meaning of MYSTIC and LIFE REVEALER; Denver, our own beloved home city, can't see these two silently working for God, His Spirit, Christ and country, and continues to BLASPHEME THE HOLY GHOST, by writing "FORTUNE TELLER" upon a Piece of Paper to be hung in their REVELMENT HOUSE; had these two persons violated the laws of GOD, or THE DIVINE SPIRIT, or the SOUL of things; had they have proved unable to DO and ACCOMPLISH what they pretended to DO; had they have proved GRAFTERS and IMPOSTORS; had they taken up this REVELMENT work, aside from LOVE of ALL that might be GOOD, and HEALTH and SALVATION, as well as SUCCESS, HEALTH AND JUSTICE, HERE AND NOW, to ALL who came to them, then we should say nothing.

This article is forced from this editor's pen by a SPIRIT he dare not and NEVER will DISOBEY; live or die, win or lose, this man must follow that SPIRIT'S COMMANDS; they have ever proved CALM, CORRECT, RIGHTEOUSNESS and RIGHT, as MIGHT, in ACT, THOUGHT AND DEED. We shall FIGHT A GOOD, CLEAN FIGHT and we SHALL WIN, in HIM who is our GOD, our SAVIOUR and our LIGHT of TRUTH, LOVE AND LIFE. We shall

PAY that LICENSE so long as CHRISTIAN DENVER LEVIES IT, but may GOD SPARE THE CITY the REAPING of the SOWING. There has been and is no attempt to fathom, or understand the difference between "FORTUNE TELLERS" and RELIGIOUS RIGHT in POWER to SEE, HEAR, SENSE, KNOW, and REVEAL, AS OF THE LIGHT OF TRUTH, as per "THE INWARD VOICE of the GREAT OVERSOUL," and hence of the INDIVIDUAL SOUL, as a FACTOR thereof; there has been no effort to draw the line between chicanery and Truth; there has been nothing but the old spirit, the spirit of all history; the spirit of denial, of the same sort that persecuted JESUS CHRIST and would burn at the stake a MYSTIC to-day, if it had the POWER, by overwhelming authority; the spirit that wants SUMPTUARY LAWS to govern the OTHER FELLOW; the spirit of the Pharisee, and Hypocrite; the eternal hate spirit; the spirit that presumes all men EVIL who fail to see as per its decree. Yes, LICENSE THE HOLY GHOST, RIGHT HERE AND NOW, IN DENVER, COLORADO, U. S. A., because of a difference of Ism.

There are none so small; none so blind, as those who fall beneath the power of that spirit that would crush all liberty of Conscience; all right to act, aside from its concept of right.

STAND FORWARD, YE MYSTIC CREW!

Upon request, republished from June issue, 1908.

Stand forward, ye mystic crew!
 And help our cause advance;
 Unfold the veiled secrets,
 All Love and Truth enhance;
 No longer murmuring quiet,
 But all embracing calm
 Still the chaos stricken.
 And assures us heaven's balm.

Let old and new as Mystics,
 In Love and Truth unite,

Casting off disease and prejudice,
 To hold forever to the right.
 Let "Peace, Celestial Angel."
 Still keep the watchman near,
 Who falters never in his duty,
 Nor hauls down our flag to fear.

Rise now, ye Mystic Crew!
 Onward as the Spirit commands;
 Souls of men the Light now see,
 Upward move as the Truth demands;
 The old conditions all forgotten,
 To work and labor in this age,
 Writing deeds of valor on life's
 Mystic Scroll, Love's sweetest page.

Speed on co-operative hosts!
 Speed on, mighty army true!
 Bend the knee no more to might
 Lesser than the Spirit within,
 Speaking power through right!
 Stand firm, ye blest of earth;
 Strike that all shadows flee!
 Strong in the majesty of birth!

True worth in any cause, on any plane,
 Maketh man a king, a Genius royal,
 Master of his sphere of action here;
 Soul inspired, a being always loyal,
 Abounding in the grace of righteous
 Effort; Truth his shield and sword;
 Love his unifying code of honor;
 Wisdom and knowledge his only word.

In fraternal ties we greet thee,
 Mystic men and brothers, triumphant;
 God above, within and around us
 Speeds the Master's will, doing
 But for each, the work within us,
 All hail then to our valiant crew,
 Onward moving, still improving,
 On the old and bringing in the new!

From out the land of Egypt
 We've gleaned the Mystic lore,
 Of Pharaoh's belated power
 And brought to Canaan's shore
 The secrets of the Pyramids,
 For Western Mystic consolation,
 In the onward march of men
 And healing of our population.

God's Living Word within us,
 Christ's shielding Consciousness;
 Each man a living, moving Spirit,
 Manifesting All-Creative Purpose:
 A glorious tribute of our Nation,
 To all the world-wide brotherhood;
 March on, men of God's Creation;
 Speed the dawn of human craftsmanship.

—By F. D. Hines.

What mankind seeks is the WAY to
 WIN some BREAD and BUTTER,
 while here, and enjoy some HEALTH
 and TRANQUILITY while HERE, as
 well as a SALVATION that promises
 some POSSIBLE JOY OVER
 THERE. The RELIGION OF THE
 SOUL is the only PROMISE of the
 ACTUALIZED REVEALMENT re-
 quired and needed to uplift and save
 mankind, as here referred to; we care
 nothing about that HEAVEN BE-
 YOND if all is to be HELL here, with
 starvation and SICKNESS as the
 RECOMPENSE of WORSHIP and
 FAITH, while traveling earth's course;
 give us a SPIRIT of TRUTH AND
 LOVE that GIVES SOME HEAVEN
 HERE AND NOW, or else throw up
 your JOB and let some one DO that
 which IS such as is an essential to
 GOOD, here and now.

'Tis so strange, the minute we dis-
 agree with our Dry Crowd, they fly to
 pieces; just as if freedom of thought
 on ethical questions was barred; no
 view point contrary to theirs is per-
 mitted; what would happen should such
 narrowness become the actual spirit of
 our future LAWS? We are afraid of
 that very spirit; we have reason to be
 afraid of it; the very fact that it hates
 an HONEST THINKER is PROOF
 of the danger lying hidden beneath its
 exterior; it's unchristian; it's ungen-
 teel; it's contrary to the American Spir-
 it; it's unjust and discriminatingly
 wicked; it is BULL-DOZING IN ITS
 NATURE; the grandest SPIRIT we
 have ever met with was found among
 those who think as we think.

ASTROLOGICAL DEPARTMENT.

ARIES.

From April 21st to May 21st.

We now enter the time of sowing and also the season of the unfolding of the leaves; we have passed from the feet, the root and its rising saps of life, back to the head, the branches, the manifest of life; the seat of intellect and reason in man, the expression of fulfillment in the tree and shrub life. The season of sudden showers, followed by brightest sunshine; the weeks of quick and rapid turns from shadow to light.

Aries people, like the April month, are full of freaks and notions, until fully developed, when they settle down to calm and business; ruled by Mars, the God of War, which planet is encircled by Venus, the goddess of Love, makes, of this Sign, an early unfoldment of the combative and destructive; warmed into a glow of an early and resistless impulse of love for opposite mate; should choose the mate quickly, and settle down; doubts and fears, jealous and anger play a frightfully strong part in this Nativity's plans and ways; not for a moment, should there be delay; even friends and associates are doubted; 'tis the failing quality of this mentality; it gets a pessimistic disposition that if permitted to grow and thrive, makes enemies, foes, causes disaster and tribulation and loss of prestige and fortune, even leading to crime and imprisonment; no Nativity can rise so quickly, fall so suddenly as does this one; none can attract more forcibly and lose more in weakness, than do these children of the first of the Twelve Houses of the Zodiac. The mental "I am that I am," governing the portion of the human organism in the head, drawing a line across above the entrance to the ears, they are of the intellectual realms and are gifted for thought, reason, facts, figures; Music Letters and Art; make historians, newspaper writers, mathematicians, logicians, bookkeepers, merchants, especially in hardware, building

and mechanical and constructive lines; good architects, civil engineers and inspectors; when highly endowed can remove the natural trend to skepticism, are richly gifted in Psychic Forces and the keenest of intuitional traits of Mind, Soul and Spirit; make great Physicians when so endowed and the best of Surgeons; are good lawyers when once they assume the confidence essential to fearlessness in the forensic.

In every detail of life these persons must be careful to, first, think out their lines of action, and then pull off their coats and wade in; they cannot be interrupted after once they have their mind cleared up; to have others mix in and strive to instruct them is but to confuse and cause blunders and errors. They must lead, when once under way; they are, usually, strong in time and tune, hence, precision and rhythmic exactness must go hand in hand; if rightly reared and careful of education and culture, they are usually spared the scolding, fault-finding nature so common in this nativity; as lovers, they are exacting, yet generous to a fault; jealous, yet forgiving; but woe to love when once it turns the other way; no nativity can excel this one in the tantalizing methods, the envious undoing meanness, the scornful coldness and cruel, inhuman mode of persecution. Rash at times, gentle at other moments; in anger, will utterly ruin self to undo the other party; as partners will slaughter the business to get even with the other factor to the deal, if once anger, envy or jealousy comes into active expression. Cannot endure a person disliked; will find a way for quarrel and will quarrel at that, if some one disliked happens about their premises or across their path; often get whipped, but will never drop this fault. Are found among wrestlers and pugilists. In money matters should always manage to keep a dollar in pocket; it helps to bolster up and win some more; should never gamble nor speculate, yet often do so; should

avoid dismal persons and associates with the blues; should attend theatres and places of amusement, horse races, etc., to keep up the spirits and love of romance. Must not encourage worry, fear, doubt, hate, anger or jealousy, for it will prove a final fatality to success, love, and family as well as personal welfare; often suicide because of disappointment and pride. It is the Nativity of Love, of Conquest in Industry and Letters, and Culture, and some of the greatest misers on earth have been born in this House of Letters. Should wear a diamond and an opal along with amethyst for right Vibrations, as to Gems; this Sign is symbolized by the Ram; represents a troop, meaning fore-armed and prepared. The most congenial Lovers; the most thrifty of help-mates; the most persevering of business men, with a longing for happiness in home, wife and children; few may excel the good of this Mental Sign. But beware, Mr. and Mrs. Aries, or Mars, of your war propensities, your combativeness, curb these frailties early and learn the virtue of calm, eternal and fixed poise and balance of mind. Teach yourself to early master the selfhood; give earnest attention to the passions, lest they go searching to other pastures than their own and lead to undoing fate, where least expected; to Dare is a virtue when in a good cause, but to Dare in a dangerous pastime is to act the part of recklessness. No Nativity owes so much to thought, and the Infinite, and yet leans upon it so little as does this Gifted Intellectual one.

Let the Infinite thought well from the soul of you; listen ever and always to the still toneless, yet vibrating musical intonations of the Infinite Calm within as of the Soul of you; teach self to listen, know and obey the inner monitor of the selfhood, and you shall live to enjoy and Love to be fruitful and work to be Success and Wealth. There is a joy in the trackless woods, there is a sprightliness in the unfolding leaves, there is a charm in the wakening Spring Life of April, even so can it be with you, in Aries, if

you but express, as Nature does, at your season of the year, in your Zodiacal Sign. All lies with you; all is in you; all is as the spirit of you.

The Common People have a just right to examine, investigate and discuss the basis of all Justice; every living person has a just right to the full benefits of all his faculties, in accordance with basic Law; no community of interests founded upon a principle of law, contrary to this, should be permitted to exist for any period or epoch of time.

No man may eat unless he has the substance before him to eat; no human being may utilize the gift of sight where eternal pitch darkness is his environmental condition; no person may prosper where a SYSTEM rules out opportunity for the use of his Spiritual Genius, or his rightly expressed Mental Faculties. Modern Civilization has permitted its law-making crew to become a medium for the passing of LAWS founded upon EXPEDIENCY, rather than upon uniformity of good in purpose and design; laws are made to fit individuals or corporate demands, rather than for the general uplift and welfare of society as a whole. This state of affairs must change and will be forced to change; no society can long prosper thus enslaved.

A dear old patient told us he could not understand what the Holy Ghost meant; he has been a Methodist for twenty or thirty years; we thought Methodists did know; we have read Wesley's doctrinal teachings considerably, and HE seemed to understand it. We asked him if he could understand what the Light of the Sun was; "Oh, yes; it is sunshine; I can see it and feel it." Well, just remember, the Holy Ghost is the LIGHT of the CELESTIAL SUN, and you have somewhat of a conception of His Power, in part. We live by a material sun light; we must, also, live as of a Spiritual Sun Light; the Natural is but the Spiritual made manifest, or initiated.

OUR METHOD.

LESSON 31.

The coming Civilization shall prove the final triumph of the Intuition, as of the Soul and Universal, over the Carnal or mere Objective.

From its first couple, the human family has gradually risen in the scale of the Soul, overcoming the Animal. All history is but a record of a constant upward march of the human race.

No Law less than the ONE ETERNAL UNFOLDING, DEVELOPING, AND FULFILLING LAW of the UNIVERSE, as that of LIFE, has accomplished all the stupendous changes of the earth's Cycles and Ages.

Left to himself, man is a selfish and untrusty Animal. He runs to avarice, greed, fanaticism, cruelty and gratification of the DESIRE MIND.

The Law of Love, Truth and Life, is that which governs the very Constitution of man. It is as natural for man to rise from his lower, or animal Faculties, under this Primogenial, basic Law, in the fulfillment of Underlying Purpose, as it is for a plant or a tree to rise upward in its growth. Science has done much; religion has aided, but, again, to defeat; History, Medicine and Conquest have done their share; but, indwelling, underlying all is the fact of the DIVINE SPARK of BEING, ever awakening and quickening the Soul and Higher Faculty endowments of man; it is this fact of indwelling LIFE-PRINCIPLE, as made Manifest of Eternal Spirit, that has evolved, gradually, but surely, a type of man after the Anti-type.

As is man, in Spirit, in Soul Character, in mental taste and in Harmonial development, Constitutionally, so shall be his Institutions, and his Society. Institutional Government, whether of State, Nation or Church, or of any other form, can never EXPRESS HIGHER or different than, as is man's innate Character, as a race, or a community of men, joined in mutual interests. It becomes a matter, then, of development, of proper unfoldment and fulfillment of

the completed selfhood, as to Faculty, Soul or Objective, Spiritual, Mental or Physical Character, as at-one-ment, the "I" indivisible, as to what the present or future CIVILIZATION shall manifest.

We can never develop a man by Law; we must get the Spirit of developing Process at work, or else, lose the game; we may control man by Law, but that is contrary to his WILL and defeats Unfoldment, and Growth Process.

We can Teach and Preach, Spiritual Matters, but we cannot compel any one to BE A SOUL QUICKENED, AND SELF-EXPRESSIVE AND OF COMPLETE KNOWING as of the Spirit of TRUTH, except it BE, per a Psychic Process; this involves a HEALING Process; this is our Revelation; this is the means to the end, for the perfecting of man's future conditions, socially, religiously, and Ethically. It may take many years; it may be as in the twinkling of an eye it is accomplished, for that same Law which evolves a SOUL also rules a Universe, and may wipe out, in a night or a day, all that defeats, man's true selfhood, as to attainment; it matters not how The Pampsychosis operates, as the GREAT UNIFYING PRINCIPLE, or SPIRIT.

The Psychosis becomes but an extension of the same unifying Principles as between the within and the outer expression of man and, thence, on from man to man, as from Center of Being to Center of Being, at the Central Orb of Being; this brings each Individuality and personality in co-ordinate touch with the ONE Principle of LIFE, WILL and SPIRIT, as of the ALL GOOD. The Spirit of Truth is a Spirit of Liberty. There can be no disputations over viewpoints, provided the Spirit of Truth is a fact of the Soul of things or of individuals; there is no hindrance, as per tag system, in the Revelation of Truth; and Society, as well as the Race is the natural result of a

Natural growth, unfolding Process unto final perfection; it is best to unfold here; to make Spiritual Progress here; but The Almighty does not compel it, other than doing the best we know how, to believe in and obey His eternal Laws of Love, Truth, Life and Growth Process. He does not expect all the atomic factors of Himself to think alike, act alike or be alike; in the scheme of the Universal there are no parts but what are essential to the whole, and each part is a factor of the Whole and, as such factor, performs its duties regardless of what the other factors may be doing, or thinking, or striving to accomplish; men are to God as the atoms of the human being are to man, if well, good; if sick, transmute and transform, or change them, or cast into another sphere of expression to suit the health of the whole. This is Spiritual Truth.

India, China and Japan have had the Religion of the Soul, in the way that has suited their peculiar environments, and this, too, through countless centuries; they have enjoyed a Peace and Content Western Religionists have never yet experienced; surely there is GOOD in their Religion as well as in our Western version, or else there is something wrong with God's Justice and distribution of His Omnipotence, Omniscience and Omnipresence of the ALL GOOD; we believe ALL that SPIRIT of God enters, is as much saved as our own particularized method of understanding reveals.

There is no corner on the Spirit of Love, Truth and Life, nor has any one a TRUST, as yet formed, strong enough to corral God's Spirit of the ALL GOOD. It's all in the view point; let us not be too NARROW of our own vision of Spiritual Good or dissemination of Love and Truth. William Penn, one of the greatest of American Peace Makers, was once thrown in the London Tower because he received revelation contrary to the adopted Faith of England, and William Penn's soul lives, while those who violated the Laws of

Spirit have disintegrated, passed back into the One Universal whole again, unknown, unheard-of, and forever a lost identity.

We never did despise a Democrat when we were a politician because he saw fit to view things from a different point than did we; but when we, soberly, honestly, bravely, with the very Spirit of LOVE, TRUTH AND RIGHT, in us, believing and KNOWING we are honorable and just towards those who differ with us, undertake to say a word against a DRY CAMPAIGN, as to the Ethics of the situation, we are held up for scorn; considered a thing to be despised; to be boycotted; starved out. Ridiculous code of HONOR is this; a CRIME to think as your SPIRIT dictates, even though this is an educated, cultured civilization; we say the very spirit, animating the DRY MOVE, is most infernally DANGEROUS TO HUMAN LIBERTY, for that very reason. The Spirit of God is Salvation; no law can make salvation a fact in any instance or in any human being. We are already suffering the abuses of Sumptuary statutes; Spiritualism, the Religion of any true Mystic, the very Revelation of the Holy Ghost, as first practiced and preached in ye olden times, is to-day subject to a Sumptuary set of city laws so discriminatingly blind and persecutingly unjust as to cause us to FEAR any further infraction of human rights.

God never made a narrow path for any factor or factors of His own Manifest Selfhood; we are in and of him, as parts and factors, atomic, and as such, may be healed as of His Spirit, and Will, and Word, or else we are cast out as man would cast out sick atomic parts of himself, or rubbish to be transmuted or transformed into that which is GOOD. There is no waste in the Universal, neither in any part thereof; all is GOOD, in the final consummation of original underlying purpose and underlying original Will.

HEALING DEPARTMENT.

Come, Holy Ghost, our Souls Inspire with
Celestial Healing Light!

The "I" indivisible, means perfect at-one-ment, betwixt inner and outer Mind expression; between the TRUTH CENTER, situate at the Naval Center, as the Subjective "I am," and the Pineal Gland or Center, as the Mental Center, of the "I am." No man need hope to heal, by Psychic Process, who cannot feel, sense, see, hear and know, as if "I" were, at one and the same time, intonation perfectly discernable, at these to primal Centers. When this "I" sounds or is sensed within, it is also, at that exact second and in perfect uniformity as to power, rate of vibration, intonation, feeling or otherwise, felt or sounded at the outer or Objective Center; this is proper expression of Impulse per Spirit Light and it is then a fact of the great "I" indivisible betwixt patient, healer or Occult and the Infinite ONE. The Spirit is the Psychosis, the unifying principle, also the polarizing Light which brings to pass equilibrium, the only state of health and happiness.

It takes the three phases of Mind expression to carry into effect true Occult Power or Divine Healing; these we term Superjective, Subjective and Objective, the Spirit being the secret Mode of the Process or the psychosis, without which Mind is absolutely inoperative, dead as dead water or a dead tree.

When the leaves of life are withering,
And life seems a losing, lying game;
Look about, find the cause of gathering
Ills; there's a life spring for thee;
Seek it, find it, partake of its health.
Replenishing Spirit and all is free,
Within and about thee, for health and
wealth.

Remember our Private Advisory Sitings ARE ONE DOLLAR, and we SIT ONLY FROM 10 A. M. TILL 4 P. M. DAILY, except SUNDAYS. Our Healing and Correspondence re-

quires ALL OTHER TIME, and we CAN MAKE NO DEVIATIONS WHATEVER from THIS CLASSIFICATION OF OUR BUSINESS. Our phone, Main 7728.

You order groceries; you expect them to be delivered; you have to be in shape to receive them; you have to cook and prepare them and then appropriate the GOOD in them for your bodily vigor and vitality, etc. Why can't you do and go through the same identical process of expectancy, preparation and appropriation in respect to your Healer or Occult; expect growth to come according to orders and plans and be in shape to receive the GOOD and you WILL get results; it takes TIME, as in all other essential matters of life and building processes.

Playing in and through all that unfolds, develops, grows or fulfills, is the ONE ETERNAL WILL ENERGY, as Volition.

The nature and wants of man can be supplied; but not always do we understand the Nature and the workings of the Laws of supply. Gifted Men and Women, there are, who make this understanding their sole business; they are Mystics, Psychics and Occults; the Process is Psychic or of Spirit indwelling all.

If our Method is new, remember the telegraph, the telephone, the electric light, modern medicine; in fact, all things pass through the same category, unfold unto perfection of expression and execution.

The term "NEW" is not correctly applied to anything in any evolutionary Process; because all that is, ever was, in so far as Spiritual and Natural Law is concerned, we simply find a new method of application and appropriation, as well as expression and receptivity.

The Essence and Substance, as well as the Spirit of things, is ever as it was, is and shall remain. Forms change, but Essence, Substance and Spirit, along with the ONE DIVINE WILL and MIND, never swerve or alter from the original.

The only ideal of a true Spiritual, mental and Physical condition, as well as a healthy Constitution, as perfected Selfhood, lies in that religion which is a Psychic Process and teaches us how to live well, not how to die. The Holy Ghost is the Light of this Religion.

The measure of a man is the measure of the New Jerusalem; the Twelve Houses are in man; through these Twelve Houses play the Astral Light of the Planets, thus affecting man differently at different seasons; through these Twelve Houses the Moon plays or passes every Twenty-eight Days, thus playing a most important part in Generation and Medicinal Process, as well as fruition, as the Moon rules the tides of the ocean, even so does human Nature respond to its vibrating, producing, mellowing Light. The Psychic Process, involves Polarization of the Twelve Houses of man, by Polarizing Light of Spirit, Equilibrating all and brings about Harmony, as of and from the Central Orb of Being; this is the Light, wherein, it is said, "the Lord God shall be the Light of the City."

We should never permit ourselves to expect decarnate spirits to heal our own afflictions; they departed the body in disease, hence, they cannot know the body otherwise than as they departed; this is the final reflection of the spirit or soul Consciousness as a last farewell memory of earth life; all must, therefore, depend upon that LIGHT, alone, which reveals the identity of ALL decarnate, or incarnate to the beneficence of "The LIFE-PRINCIPLE," which is Functional Character of Health. A Psychic Process compre-

hends this sole, health and Life-giving Process, and no other.

The Spiritual Law is an essential element in our affairs, right here and now, or it is never such essential element; we must live according to, and obey these Spiritual Laws, now, and today, if we desire genuine Success, Health and Wealth, or Happiness. A Psychic Process, as Occult, and hence, of the hidden forces and Spiritual and invisible, is an essential Process; it Heals; it uplifts; it awakens and quickens the entire Corporeal Body, through the Spiritual, or "New Creature," the Soul of selfhood.

The Bible, rightly read and interpreted, is nothing but a Spiritual Right Living Process, a Psychic Process, an overcoming Process, an unfolding Process; a healing and developing Process, as to be applied, here and now, while in the body for Success, Health and Wealth, here and now, and eternal progress of soul, from now on, through eternity. Jesus so taught; all wise men and Mystics have so taught, and it is self-evident to all who really, rightly read this Spiritual Book, so strictly Metaphysical and Psychic in its entire trend. It has been said, "that in the Bible is that Alchemy which teaches us how to make GOLD"; it is a truth for health and happiness, as of obedience to Spiritual Laws, here and now, brings and begets all things else, even GOLD. Our Psychic Process, so proves out in ninety per cent. of our cases, who expect what they ask of us and rely upon the Divine Nature, as of the Divine Spirit, to bring it to pass; time and distance, or absence and space, have nothing to do with this great Process, as all our patients, outside of Denver, have proved, time and time again.

"May Reuben see many sons," for he hath the place of JUSTICE and RULERSHIP and the WEIGHING and BALANCING OF MANKIND;

this is LIBRA, the House in which this editor finds himself; he shall SEE, FEEL, SENSE, and KNOW, as of the SPIRIT, and being BI-SEXUAL, in Nature, he shall KNOW DISEASE, when rightly unfolded, as if he were the one whom to him appeals, just as if he or she, he be, in exact counterpart and, thus, what he, become within himself, that which is essential to healing, altering or uplifting, balancing or making JUSTICE and RULERSHIP in his patient; this accounts for our wonderful results, in Healing and Occult work, as per our Psychic Process. Libra, rightly, furnishes the Prophets and Seers, in order to fulfill their Sign, the Balances and their Power, Rulership over human ills and evil conditions; but they must become before they can DO.

Remember, we repeat it o'er and o'er; we are but THE SERVANT, the mere AGENCY, the mere means, or Instrumentality, through which ALL HEALING AND OCCULT WORK IS ACCOMPLISHED; do NOT WORSHIP US, but that which ACTS, SPEAKS, MANIFESTS, in and through and from us, as THE HOLY GHOST, making Manifest "The HEALER DIVINE," afterwards BECOMING a PSYCHIC PROCESS, per OUR UNDERSTANDING OF LAW AND VOLITION, as "Impulse and LIGHT."

Set no TIME; be WILLING to EXPECT and keep your own ends up and you WILL certainly find a BLESSING, as hundreds of splendid stickers and stayers have, from our REVEALMENT.

Still we go on and NOT ONE OF OUR PERSONS lost by DEATH, since 1907; surely something DOES WORK to the GOOD of ALL through this MAN.

When we say our persons, we mean those who have COME TO US, not

those we have assisted, in hospitals and sanitariums, as under care of others; one such WAS LOST last June; that was the only exception out of some DOZEN who appealed to us to aid along with their REGULAR PHYSICIAN'S GOOD WORK; we do not INTERFERE with ANY HEALING PROCESS, WHATEVER; its HEALTH and SUCCESS with HAPPINESS we wish ALL persons to GAIN, regardless of what the MEANS or METHOD. We are PSYCHIC and GENUINE PSYCHIC, and that is ALL need be said.

We asserted, some time ago, that the FIRE of WILL DIVINE, the MERCY OF CHRIST and the LIGHT of HOLY SPIRIT was in these pages; listen to this: A letter from California, "God Bless Your Magazine; had Lumbago; tried nitre, mustard plasters, porous plasters; all to no avail. I thought of your words in your magazine; I took that Magazine, bound it across my lumbar regions, expecting results, and went to bed. Wonderful results; next morning WELL and am out and what can't be done these modern times?"

Thank you, brother, for that dose; even open our own eyes to the fact, "That Our Truth" shall prevail over "ALL MANNER OF DISEASE."

A letter from Idaho, says: "My wife was taken with severe pleurisy; all things we could do failed us; in your last letter you said, "I send strength for Mrs. D——." Well, she said, "Bring Hines' letter here;" she laid it on her aching side; she got relief and has been better ever since. Our Father, we THANK THEE for THY WONDEROUS ANSWER to our FAITH IN THY SPIRIT.

Do not stop your doctor to come to us; we care, alone, to Heal; that's all; let the method be as it may.

All things that evil seem, may in the aftermath, our redemption prove.

Tuesdays, at 8 o'clock; 15 cents to each

els, Changes, Journeys, Sickness, Fi-
nances, Business, Real Estate, Mines,
Insurance, Buying and Selling, Estates,
Marriage, Law Suits, Divorces, etc.

A few missionaries of the stamp of
this Magazine would do more in a short
time to reveal Truth, Love and LIGHT,
than all the thousands of so-called Gos-
pel Venders now trying to CONVERT
the HEATHEN (?) abroad, to the
powers that are and have failed to bring
RECOMPENSE to MANKIND, be-
yond a belief which is void of ALL
SOUL FIRE OF WILL and potential-
ized energy.

"DO ALL THINGS IN DECENCY AND IN ORDER."

When we first placed the WORD PSYCHIC upon our printed matter, we were thunderstruck to have a splendid, GOOD PERSON come to us and REMONSTRATE; we asked for REASONS; we were told that the WORD had been MISAPPLIED and had BECOME one of abused interpretation; we answered, then, it is ALL THE MORE WORTH WHILE TO USE IT AND MAKE IT WHAT IT REALLY MEANT, "SPIRIT'S BREATH"; "HOLY BREATH," THE DIVINE EFFLUENCE awakening in man the true SPARK OF BEING, THE LIFE-PRINCIPLE.

We have used the WORD EIGHT YEARS; it has BECOME THE WORD OF POWER WITH OUR PROCESS; our BUSINESS IS RESPECTABLE AND RESPECTED; any man, woman or CHILD may COME TO US with perfect CONFIDENCE and TRUST, KNOWING FULL WELL that NONE DARE UTTER ONE SYLLABLE, in TRUTH, OR HONOR, AGAINST US or our SPLENDID METHOD. We have NOT PILED UP MONEY, but we HAVE made the BUSINESS that WILL PILE UP MONEY through CLEAN, HONEST AND UNQUESTIONABLE METHODS and strictly RELIABLE WORK. None can afford to DO otherwise; it PAYS to WAIT and BE SURE of every detail ere doing anything contrary to GOOD and CLEAN PROFESSIONAL LIFE or WORK. The Spirit has been GOOD to us and has GUARDED US against ERROR and we praise God therefore. Our head offices are the HEAD of TWO organizations; both incorporated and properly sustained, under the LAWS of COLORADO, and are well known as such. If GOOD WORK and PURE GOOD you seek, you need not hesitate in COMING HERE. We have the GIFTS, and though dubbed many things, we ARE of THE RIGHT

SPIRIT, and none DARE SAY OTHERWISE.

Experience, along all lines of life's duties, is worth much when it comes to making a Business and building up a grand and useful Institutional Concern. We COMBINE WITH NONE, because to DO SO might be a mistake; what we have built up is as we want it, and it is PROSPEROUS and SUCCESS in every detail; more, none could wish for; it speaks for itself and is the guarantee of the SAME to ALL PATRONS.

Without a graft we have won for Honor, Honesty, Integrity and Name and Fame.

You can well afford to join us. Your Success is our Success. Our Success is your Success.

Beginning with October, 1907, we published twelve consecutive Lessons on the Development and Unfoldment of Spirituality and the Subliminal; these twelve lessons are copyrighted matter; can be had at the rate of 10 cents a copy or the total twelve for \$1. Beginning with January issue of 1908 we gave in each issue for twelve consecutive issues, a full, complete and valuable writeup of the Astrological, or Zodiacal Sign of the Month of issue. We still have plenty of back numbers at 10 cents a copy, or the twelve for \$1. All our writings are fully protected by Copyright and are of value to any one wishing to BECOME ACTUALIZED SUCCESS IN HIGHER GIFTS. Their USE and DEVELOPMENT for POWER IN ALL EARTH OR SPIRITUAL MATTERS.

It is amusing to see those who pretend to POWERS, SPIRITUAL and of Mind, capable of HEALING, fly angry, and rush into print with denial and abuse, the minute some one treads towards their particular Ism. BE what you PREACH and BELIEVE in ALL things, acts, thoughts and ways, lest you fail to GAIN the RESPECT of those whom you would teach and LEAD.

We see as of the Spirit and, as from the center of things, and we can not avoid the statement that chaos is now approaching the civilized world, because of the false premises taken, as the basic principle of all latter-day legislation, or in the making of the laws which are to hold together a people in uniformity and at-one-ment of true purpose; we are going to extremes in SPECIAL LAWS. We are drifting back to SUMPTUARY LAWS; but these SUMPTUARY LAWS are ALL, basically, absurdities and false impositions upon the MASSES, in favor of the Classes; they will fall and it's near the END right NOW. Too much AUTHORITY to any set of OFFICIALS over the LAW-MAKING MASSES is FATAL TO FREEDOM and a violation of HUMAN and DIVINE PURPOSE, as well as destructive to LIBERTY.

In matters of Justice, remember, there are those who fail to become worthy of Justice, because brutes in human form; there are those who are unjust to self and other self; there are those who would murder worthy purveyors to peace of city or state, the officers compelled by oath to protect human society; abuses are which no man can stare in the face without pity for the ignorance of Law and Right; for such no man may vouch; none but the Eternal GOOD can speak as to what their end may prove. We must use common sense in ALL things; respect of person means respect for law.

Who takes up any Spiritual Advisory work with intent to make MONEY alone the sole means to the end, is already condemned, twice condemned; a just recompense is the right of every man or woman; "the servant is WORTHY his HIRE"; but GOOD of ALL in the ALL GOOD must be the IDEAL.

THREE ADVANTAGES OF MAGAZINE ADVERTISING

1. ITS PERMANENCY

The life of a magazine advertisement is long. It remains effective for many months, often for years. A magazine is read, passed on, reread, goes to hospitals, to the army, navy-abroad, and is at last put on sale in the secondhand book stores, and begins a new life. No other form of advertising has this longevity.

2. ITS PUBLIC.

The magazine reading public is the live, up-to-date, busy, enterprising, inquisitive public. The magazine is the business man's and the housewife's literature. It is the recreation of the leisure hour, and the mirror of the world's events when these have been sifted from the chaff of rumor and mistake. Magazines are cheap enough to reach all intelligent readers, good enough to command their attention. The magazine public is the material upon which to build permanent advertising results.

3. ITS COMPANY

The great magazine advertisers are the prominent successes of the business world. To be associated with them in the public mind is to secure the very best publicity—to enter the aristocracy of advertising.
