

# "Psychiana" Weekly

VOL. I, NO. 1.

MOSCOW, IDAHO, SATURDAY, JAN. 6, 1940.

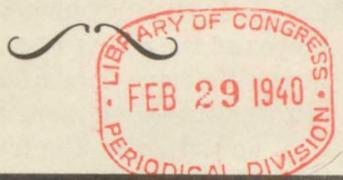

10 CENTS A COPY.

FOR a long time we have felt the need of a weekly publication. When the Monthly magazine first was published, we were faced with the demand that we make it a weekly, almost at once. For many reasons this was impossible as I am only one small man, and even though I do work all day and half the night, it was impossible for me to write a 32 page magazine every week, and steer this world-wide Movement in addition to that.

The answer then, lies in a weekly publication, and we present you with this first copy with our best wishes. The publication will issue regularly starting on Saturday, January 6th, 1940. The subscription price is \$5.00 a year. Fifty-two issues. If you will send in your application now, we shall know how many copies to print of each issue. We are mailing out about 50,000 free copies for your judgment and approval and if you desire this Weekly, please enroll for it now, so that we may be prepared, and you may not miss one single issue.

As usual, I shall write every article myself, and, as usual, the motive of the Weekly will be the bringing of the TRUTHS of GOD to my followers the wide world over. I shall, as usual, speak very plainly. For if ever plain speaking was needed, it is needed now. This world is tottering on the verge of a precipice.. A mad-man is loose in Europe. This man, while a child of God, is, at the same time, an incarnation of all the powers of hell, darkness, war, injustice and brutal murder. I think the creature is insane. At any rate, unless he is

brought to his knees, and that very speedily, human blood will flow like the tides of the sea.

It's a horrible thing to behold. That one man, in whom is incarnated such hellish powers, should be allowed to live at all, is past me. And yet, in the course of human events, such a man as this had to manifest sooner or later. He will come to his end, that goes without saying. For the day will never come as long as God lives when the negative forces of war, hatred, injustice and the rest of the hell-begotten doctrines and forces will ever rule this earth. They are mak-

ing a very definite and deliberate effort to do this. But they are reckoning without one thing—that is—the Power of the

Spirit of God.

Both Stalin and Hitler have attempted to eliminate God from the world picture, and take the reins of government into their own hands. But this will never be, for if it should happen, then God help the world if it ever is under the rule of those who believe in the flame-thrower, the bombing-plane, the submarine, and all the other allied implements of bloodshed and horror. Yet you will note that it is through these agencies these two inhuman monsters are operating. And yet, Mr. Hitler tells us that "God Almighty is with me." That's what the Kaiser said too. That's what the incarnation of the evil one always claims. But they shall come to a sad ending, and they shall come to this ending because the invisible though infinite Power of God is being thrown against them by those who actually and literally know this divine and

dynamic Spiritual Power. Naturally, no mad-man of the Hitler type can withstand the Powers which, instead of murdering men and women, believe in peace, in love, in justice, and in God. So the battle progresses.

I am writing this first issue on November 12th. What will have happened before you receive it, I do not know. It may be plenty bad. But I am working day and night that those of us who stand for God and the right, may get organized so that the Power of the mighty God-Law may be thrown into operation in a big way as soon as is humanly pos-

## Introducing Ourselves

(Continued from first page)  
sible. At the present time, tens of thousands of my followers are keeping very quiet in the presence of the great Life-Spirit, and they are bringing the doom of Hitler a lot closer through this affirmation:—**"THE POWER OF THE SPIRIT OF GOD WILL BRING YOUR DOWNFALL."** I should like to ask everyone, Student or non-Student, to join me in this affirmation at once. For by the use of it we are actually throwing the invisible Power of God against this man and the forces he represents. How he will be brought to his knees I do not know. Nor do I care. I do know that it is not possible for any man to stand against the Power of God, especially not in such a crisis as we are now seeing.

The **"PSYCHIANA" WEEKLY** will tell you, week by week, what is happening in the world in the light of the Power of the Spirit of God. It will try in every way possible to make God a very real thing to you. All the infinite Power of the Spirit of God is here, awaiting your acceptance, and hundreds of thousands through this simple but true message, which comes direct from the Realm of God, are finding God to their eternal joy and satisfaction.

I shall appreciate it if you will *Now*, before you forget it, send your subscription application for this magazine in to us at once. In all probability it will tax our plant to the utmost capacity to print it, even though last week we merged our newspaper with another one, and hence have twice the machinery at our disposal. We have now 5 up-to-date linotypes going day and night, and still we are taxed to keep ahead of the demand for this Teaching. In the last 90 days, **MORE THAN 2,000,000 DIFFERENT PIECES OF LITERATURE HAVE LEFT THIS OFFICE.** I know of no other religious corporation in the world releasing that volume of printed matter. And yet, beloved, I am but one man. I labor under handicaps. But soon, some man or woman will make it possible for me to do what I want to do for the

sake of a God-deserted world, which world is hanging between life and death now. But if **YOU**, whoever you are, will consider yourself a vital part of this Movement, and if you will consider it of paramount importance, I shall be able to do the work given me to do.

As you know, **"PSYCHIANA"** is the only religious organization on the face of the earth which is actually and literally demonstrating the Power of the Spirit of God in human lives. We have lots of churches, of course, but—and more's the pity—they do not know the truths of God, and therefore cannot bring those truths to mankind. Their God was so weak and simple and legendary that he made a mistake when he created man, and a wholesale drowning occurred. Then, "to redeem man from the curse," which curse God himself put on man, he came to the earth in the form of a carpenter, born of a virgin, and then, to cap this foolish and untrue story, he allowed a handful of Roman soldiers, 2,000 years ago, to murder him on a cross. Think of it beloved. What sort of a God could that have been?

Of course, as you may well know by this time, such a story as that cannot possibly be true. It is because such an insane theory of God has been taught that the world is in the condition in which we find it today. Had the **TRUE** picture of God been brought to this earth by anyone, instead of the world being in the turmoil in which it finds itself today, peace, perfect and infinite peace would now reign supreme on the earth, because God, the invisible Spirit which created you and me and the rest of the universe, would be living with us.

The time is certainly ripe for this new philosophy of God to manifest its Power. It is the only way out. God must be made real to the world, and all semblance of war, injustice, hatred and murder will automatically vanish when men and women, Germans and Americans, English and French, Russian and Japanese, finally come to see and know the **TRUTH** of the present existence of the Great Spirit of God, as that divine Spirit exists today.

Now you will understand that if I followed my own inclinations, this Weekly would not appear. To put on my shoulders the work of writing every word of a weekly, on top of what I have to do now, well—it's a task very few men would care to attempt. But, strong in the grace and Power of the Spirit of God, I release the first 50,000 copies. Please, as soon as you get this issue, send in your subscription so that our printer will know just how many to buy paper for from now on. I promise you, so help me God, I will give you the **TRUTHS** of God as those truths are revealed to me by the Spirit of God. I will do everything in my power to make God real to you. I am at your service. So is Dr. Tenney. We are lighting a Light which, by the grace and Power of the Living Spirit, shall never be put out. Please help us, for, whether you know it or not, you are a very vital and integral part of this Movement of the Spirit of God.

There are hundreds of thousands of you. I have never seen but very few of you. But, the Spirit of God in you, and the Spirit of God in me are one and the same, so then, you do your part, and I'll do mine, and we'll see whether or not the infinite Power of God is as great and greater than Hitler, or whether Hitler will prove himself to be greater than the God who made this universe and the whole created human race.

Very cordially your Teacher,

*Frank Robinson*

## Suggestions

Dr. Robinson is open to suggestions regarding this new Weekly magazine. We want to make it as interesting as we can make it. Of course, its primary object is to bring to men and women the new truths of the Spirit of God. Dr. Robinson's articles will always be true and very pointed. But you can perhaps help us with a few suggestions as to how to improve the magazine. If we feel that your suggestions are good, we will use them. If not, we will thank you for sending them to us in a spirit of friendly cooperation.

# WHEN MAN LISTENS

Everyone can listen to God.

When man listens, God speaks.

When God speaks, men are changed.

When men are changed, nations change.

"PSYCHIANA" tries very hard to bring to men and women the assurance that they can listen to the voice of God and hear that voice any time they care to. Whenever man does listen for the voice of God, he always hears that voice, for God always is speaking to a man through that man himself. In other words, God and man have never been closer to each other than they are now. To realize that staggering fact is to get at the root of all the evil in the world and apply the remedy. For it goes without saying that there is a remedy. 'Tis a pity the remedy has not been discovered long ago. For it most surely exists. And it exists in a man himself. The remedy lies in the Spirit of God which really is the very life of a man. So then, when man gets acquainted with himself, he is on the highroad to getting acquainted with God. When man gets acquainted with God, he gets acquainted with the most dynamic Spiritual Power this world has ever known. There is more than enough Power in the acquaintanceship of man with God, to straighten this world out in rapid-fire order. For the first thing which happens when a man finds God in himself is that this man begins to change. The things he once loved he now hates. The things he once lacked, he now has, and so he goes on and on, delving deeper and deeper into spiritual truth until he begins to know that this ever-present Spirit, God, actually exists that it may be manifested through a man for the complete liberation and happiness of that man, and all men. Nations are but groups of men. Therefore, if we, here in Moscow can speedily bring to men and women the staggering facts we are bringing to them, it will not take too long for this whole nation to change. When it does, there will

be no more labor troubles. There will be no more communism. No more German Bunds. Nothing at all will exist outside of the Spirit of God in human lives. When that day comes, and it will come, men will lose sight of the physical, and their whole love will be towards God and their fellow-men. If the love of God were in the church today, it would also be in the world. As it is, it is in neither. Let's do our part in bringing it to both.

## A Financial Suggestion

I saw somewhere in the paper the other day that a lady in the east was having trouble because she insisted on giving away her money to charitable organizations. I wish I knew that lady's address. But here's a thought for every Student. You all know some man or woman who is very wealthy. There's Mr. Ford, Mr. Chrysler, Mr. Rockefeller and a thousand others. In all probability if these good men to whom the world has been so kind knew of what I am trying to do, and if they knew how far a few hundred thousand dollars would go, why I believe they would be glad to give it to me. So why don't you sit down now and call this Movement to the attention of the wealthy man or woman you know. If you will all do that, then someone will respond. Just as soon as this Movement comes to the attention of the right one, it will be fully financed. God cannot, and will not drop into my lap a certified check for half a million dollars, for God always works through human beings. And it is through the efforts of human beings this great work will ultimately be financed. Undoubtedly many are watching it now. But at the proper time, in the proper manner, the man or woman who has the funds will manifest him or herself to me, and then I shall be able to do what I want to do, and what God wants me to do absolutely unhampered by lack of finances.

If I wanted to pinch the nickels I suppose I could save enough each year to provide this Teaching to hundreds who cannot now pay for it. And as we operate entirely by mail, it is necessary that enough money comes in to pay all overhead and operating expenses which run about \$100,000 a year. So you see how absolutely necessary it is that someone who has the funds give them to us. Your writing might help. For the connection is somewhere. It will work out if we all work together.

## What About It?

Now I'm wondering what you think of this new Weekly Magazine. How do you like the articles in it? Won't you please drop us a line and tell us? I shall try to give you the articles which will clarify the atmosphere in the religious realm as well as I can. I want to know just what you think of it, and constructive criticism is welcome. The other kind is just as welcome because sometimes I get a lot of fun out of hearing the uncomplimentary things which are said about what I do. I don't believe the day will ever come when I cannot enjoy a good laugh. I hope not. So don't spare me. Be blunt if you want to be. But tell me the truth about your new Weekly. Thank you.

## "Gleams Over The Horizon"

Dr. Robinson was given an honorary Membership in the Eugene Field Foundation recently on account of having written "GLEAMS OVER THE HORIZON." He is now a Member of the American Association of Authors and Publishers. We believe this is but another signal honor of recognition which is but one of many which have come his way. If you have not yet purchased this book, the price is \$3.00 and it gives the stark, naked truth about God and present-day religions. Send your order to the Book Dept., "PSYCHIANA," Moscow, Idaho.

Issued weekly. Subscription price \$5.00 a year. (All correspondence should be addressed to the Editor.)

"Psychiana" is a Movement of the Spirit of God on the earth, and the aim of this Magazine is to assist "Psychiana" in making the Spirit of God a vital living Power in the lives of our fellow-men. The Movement is non-denominational. Its Members comprise adherents to every faith in the world. It wants to help them all. We have no "articles of faith" nor do we have creeds or rituals. We know man exists, and we know the Spirit of God exists. We know man can know the Power of the Spirit of God while on this earth, and through this Movement God is being made a Living Reality to men and women of every race and creed all over the world.

Whenever it is necessary, this Magazine speaks very plainly. Many traditions of "orthodoxy" are shown for what they really are. Whenever we find ancient myth and superstition masquerading as being of the Spirit of God, we bring the facts to the world, kindly but forcefully. We believe the Power of the Spirit of God is abundantly able to step into this desperate and discouraging world picture, and bring a permanent peace. To this end we are striving, and as the Spirit of God reveals Itself to us, we reveal It to others without fear.

Members of every church are cordially invited to come and find and use the Power of the Spirit of God with us. An infinite love for all is the motivating Power of this entire Movement. Through this Movement the Spirit of God is making Its presence known on earth.  
The Editors.

## With Our... Students

There are about 40 outstanding letters in this morning's mail—December 29th. Shall we look into them and see what they say? The first comes from Mr. Brundage in Scranton, Pa. Mr. Brundage is a valued Student, and one to whom the God-Spirit is very precious. Here is the letter:

Dear Associates:—

Last Tuesday A. M. the writer sent you a telegram reading as follows:—

"MRS. BRUNDAGE PRACTICALLY BEDFAST POSSIBLY RHEUMATISM NEED YOUR HELP"

Dr. Tenney answered that wire as follows:—

"CONTINUALLY RECOGNIZE OMNIPOTENT HEALING PRESENCE—USE BEST CARE—REPORT RECOVERY"

Your telegram shows that same was wired from Moscow at 4:39 P.M. At five o'clock Mrs. Brundage remarked that she was better. She has not been in robust health for some little time, but has continued to improve since your telegram was sent.

There are perhaps some who would call this "supernatural." We of "PSYCHIANA" rightfully expect

these things, and while it is a fact that we did rely on an omnipotent presence, there are times when real assistance is helpful. This was proven in this case.

Thanks. Thanks. Thanks. May the coming year be a prosperous one for "PSYCHIANA." May thousands of others come to you.

Thank you Mr. Brundage. 1940 will be the biggest year for God this Movement has ever had. Not only thousands, but tens of thousands will come to us, and when they do, they will find God for the first time in their lives. We look forward with great joy, and with the supreme confidence that the Spirit of God will be more real to us in the future than in the past. Here's another letter—let's see what it says—oh, oh, this letter contains a check for \$100 so let's see what the letter says. It's from George Bell Bain, Three Rivers, Quebec, Canada. And what a letter. Listen:—

Dear Dr. Robinson and Tenney and Staff of "Psychiana":—

Wishing you all a very merry Xmas and bright and prosperous New Year. Here's proof of what the Spirit of God has done in one poor life from 100 cents in 1937 to \$100 in 1939. This is what I have been able to do through your wonderful Teaching. Does it work? What a foolish question. I would not change places for all the gold in the world. My—I feel so happy I just can't express myself.

Thank you Mr. Bain. May the infinite Spirit of God reveal Itself to you in a more remarkable manner as the years go by. Like you, we are very happy here, and while the load and the burden is very heavy, the Power in us is very strong. The hundred dollars will be a great help to us I assure you. This Xmastime has been exceedingly heavy on us. Many demands have come in for help. We have met them all. I believe the Weekly is the best thing we have ever done. It is going to be a powerful medium for God. May the Spirit of infinite peace be with you forever.

Now here's another letter, picked at random from the large pile in front of me. Shall we see what it says? Well this letter comes from Mr. Tuttle in Greensboro, N. C. Here is what he says, in part. I won't print the whole letter—it's too long.

"The Lessons are wonderful. They mean all in all to me. The book 'GLEAMS OVER THE HORIZON' in my opinion, is one of the most wonderful books ever written."

Thank you my friend. The Lessons are wonderful because they reveal the Spirit of God to humanity. They were inspired for this purpose. They are doing it well. Thanks for the kind words about "GLEAMS." This book has been pronounced the most dynamic piece of writing in 1939. It is. It needs to be. This world MUST find the true God, and this book shows up for what it really is, much of what has been handed to us as "of god." Most of it is nothing of the sort. Now comes a letter from Mr. Herbert Thrower in Fresno, Calif. Let us see what he has to say. This is a "healing" letter and we certainly are swamped with that sort of letter these days. In fact we have been for over ten years now.

"I am writing to thank you for helping my sister, Mrs. Isabel Branding. Everything has turned out fine so far, and we are indeed grateful to you for your assistance. It was very kind of you to respond so quickly to my telegram, and I am sure everything will come out all right with her. I just can't thank you enough for what you have done, and I do want you to know it is appreciated very much indeed. Trusting these few lines will find you in the best of health, and wishing you success and happiness."

Thank you very much sir—we are glad to be of assistance when we can be. The Spirit of God in you will ever respond, so please manifest a bit more belief that you can do these things as well as we can, and you can become a great healer. Give by best respects to Mrs. Branding and tell her I wish her all the good things the Spirit of God can bring to her. I used to live in a little place called Tranquility Colony near Fresno. And by the way, in those days, although little more than a child, I was driving a "fresno" behind four mules way up there in the San Joaquin valley. They were hard, but happy days though. I love to think of them. I like Fresno.

# THE PRESIDENT And The POPE ~ ~

Radio and newspaper dispatches inform the world that President Roosevelt has appointed a certain gentleman to be his personal "peace ambassador" to the Pope of Rome in Italy. That is a very wonderful thing to do. We are afraid though that it will be a waste of money and will accomplish nothing at all. Those warring nations over there want to know God. Hitler really wants to know the Power and the Peace which the Spirit of God brings. Chamberlain wants to know God too. Every man of every nationality in those trenches wants to know the liberating Power of the Spirit of God, which Power can bring them all, peace, joy, love, justice, happiness and, best of all, the knowledge of God. This, the Pope cannot give to them. He does not have it to give. Nor will those nations accept the doctrines of the Roman Catholic or any other church in the place of the truths of the Spirit of God. The Pope of Rome is the last man on the face of the earth to bring peace to troubled Europe. Only the Spirit of God can do that. If Mr. Roosevelt really wants to do something real toward ending this inhuman conflict, let him send a personal ambassador here to Moscow, Idaho, and let the R.F.C. or some other government agency make us a loan of half a million dollars, and we will show Mr. Roosevelt how this war can be stopped through the infinite Spirit of God in very short order.

This is a religious war. It's a war between the powers of darkness and the powers of light. The power of Light will win. But in the meantime the annihilation of human beings will be frightful. Our hearts ache for this brutal thing to end. But it will never end until a completely new picture of God has been brought into the scene. Nothing which has been offered to the world today in the name of God has enough spiritual dynamic in it to stop anything. Organizations professing

to be of God are not even able to save themselves from failure. How then can they save the world? We all admit their honesty. We all admit their good intent, and we will go one step further than that—we will state that they are the best organizations on the face of the earth, in that they honestly try to do something for God and humanity. Nevertheless—the fact remains and persists that they have utterly failed. They admit this themselves. And probably the biggest of these religious organizations, the Roman Catholic church, is the biggest failure of all.

We of "PSYCHIANA" sincerely wish the Pope could do something to stop the war. But the people of Europe know what the Catholic church stands for. They know its ordinances and its ritual, and they want nothing to do with it insofar as "peace" is concerned. As a matter of fact, the war in Spain was a war against the Roman church on one side. What can these nations look forward to in the future, if ANY existing religious organization were to be able to bring peace to earth? Would not each one of them try to advance their own peculiar system of theology? And what would the remaining several hundred do if one were to take the ascendancy over the others? No—beloved—there will be no peace through Pope of Rome or through any representative of ANY system of religion on this earth today. It is utterly impossible for that to happen, and if you watch the results of this peace move, you will find that out.

Nothing but a new conception of God, entirely different from any conception yet advanced will save this world. And no religious organization has that conception. If they have, then this war never could have happened, and if it did happen, it could be stopped by that conception at once. But, in spite of ALL religious (?) organizations, the fright-

ful slaughter continues, and it is very apt to continue until some man, baptized with the love and the Power of the Spirit of God steps into the picture, and brings to this earth the true conception of the Deity.

"Psychiana" is the Movement which can do this, and the Founder of "Psychiana" is the man through whom the Spirit of God can make its presence known to humanity. Let us caution any who may think that this is another "Father Divine" Movement that our feet were never more firmly on the ground than they are at this moment. There is nothing of the fanatical about this Movement. We wear no wings nor do we wear our collars buttoned backwards. If you met us on the street you would see no difference between us and anyone else.

The great difference between "Psychiana" and the churches lies in the fact that we have demonstrated the Power of the Spirit of God with all its limitless Power to exist here and now, and to be capable of stopping this awful horror in Europe, while the churches have been wasting time telling the world that God was killed on a cross 2000 years ago, leaving them in charge of human affairs ever since. Well this Movement does not believe that story. We are in a position to prove the story neither original nor true. Moreover, after 2000 years, look at the world today. How much of the Spirit of God do you think is in it? Not very much. It is, therefore, quite useless to send an ambassador

## "SHALL WE KNOW EACH OTHER BEYOND THE TOMB?"

By Dr. Robinson

Would you like to know the answer to this question? Dr. Robinson in this book gives you the answer as he sees it. It is a very beautiful piece of writing on this subject of our loved ones who have gone on before to a far better world than this one is. This book costs \$1.00 and may be had from our International Headquarters in Moscow, Idaho.

to ANY religious leader expecting him to do ANYTHING to stop this war. It's all right to try. But we maintain that until the true picture of God is brought to the human race, it will persist in its insane headlong plunge to disaster, ruthlessly slaughtering human beings, and will, unless stopped, drive from the face of the earth every semblance of justice and righteousness. That will not happen however, for this "Psychiana" Movement is still in existence, and the Spirit of God is working through it. The answer to the question will come, and if we could bring to all men even now, as we write this, the truths of God, eliminating the superstition and falsehoods which have been attached to the name of God by religious

organizations, this world could be saved the awful slaughter it is now witnessing and is still to witness. For this war is not ended yet, nor is it likely to be soon.

Once more we suggest that Mr. Roosevelt send an ambassador to us here in Moscow, Idaho, and make us a loan of \$500,000 and we will do more to stop this war then, through the Power of the Spirit of God than the Pope of Rome or any other religious leader can do. Not because we, as individuals amount to very much—we do not. *BUT WE DO HAVE A LIVING, VITAL, POTENT FAITH IN A LIVING, VITAL, POTENT GOD, AND THAT WILL BRING THE COMPLETE TRIUMPH.* Try us some of you wealthy men and see.

defend its reputation and integrity whenever it is deemed necessary. In the meantime, remember Mr. Pegler, and let's hope that no harm comes from doing this Movement a great injustice.

I should not care to ridicule or try to harm a Movement of the Spirit of God. It is dynamite to the one who tries it, as many have found out already. Somehow or other, the Power of the Spirit of God has a way of protecting those who are in that Spirit, and Mr. Pegler little knew the danger he was running when he took it upon himself to damage this Movement. I only hope that he retracts for his own sake. Nothing Mr. Pegler or any other columnist can do can ever hurt this Movement. One may, however, seriously hurt himself by attacking and attempting to damage a Movement in which the Power of God is as pregnant as it is in this Movement. Let us all hope and pray that no harm comes to Mr. Pegler.

## THE PEGLER ARTICLES

IT SEEMS that one of America's eastern "writing gentlemen" who goes under the title of "columnist" recently took it upon himself to write a series of articles on your humble leader. Of course, like the rest of the articles written about this Movement and myself, I was alluded to as a "racketeer" whatever that may be. Personally, I had never heard of this fellow before Students began to send me these syndicated articles. I doubt whether many read what he writes.

However, there are several things I can do. Our attorneys both in the east and the west have pronounced these articles to be libellous, damaging, and highly actionable. What we shall do depends entirely upon what the Board of Directors wants to do. We may start suit for heavy damages, and probably collect them, or, we may decide to forget it. Then again, I could cause such a storm of protest to be sent in to the papers Mr. Pegler writes for, that they would be glad to get rid of his column completely. For if these articles are libellous, then every newspaper which published them, together with the syndicate which released them, are equally liable for heavy damages.

A special meeting of the Board of Directors has been called and upon that meeting will depend our future action. I am of the opinion that these "columnists" should certainly be made to investigate before they attempt to attack any institution. I have offered to pay his expenses to Moscow and return if he would come here and learn the facts. As an alternative, I have offered to take the records anywhere in the United States for his perusal. I did this to find out whether the man actually wanted to play fair or not. To date, no acceptance of either proposition has been forthcoming.

Then again, I could start a syndicate of articles against this type of "columnist" and there are many things I could do. I have a complete list of the papers these articles appeared in, but I shall not publish this list to my Students yet, and I do not want any of you to write to any newspaper, or discontinue your subscription at this time. If I decide or if the Board decides to take action, we shall take it legally. However, it depends entirely upon the attitude of Mr. Pegler and the syndicate which released these articles. This corporation desires no action against anyone, but it will

When you change your address, if you do, please give us the former as well as the new address. It will help a lot. ## Regarding Telegrams

Telegrams from all over the world continue to come to us in ever-increasing numbers. I have but one request to make. If you wire me for help in times of illness and wish a telegraphic reply, please say so in your telegram. It won't cost you anything extra because the Western Union will be glad to add the words "reply by Western Union" at no cost to you. All reply telegrams are sent "collect" as we have not the funds with which to pay for all these wires. In cases of serious illness, call the best physician you can find and follow his advice. The Spirit of God gave the medical fraternity the knowledge it has of the human body. When medical science fails, then you may wire me if you do not feel capable yourself of throwing the Power of the Spirit of God against that illness. We shall do what we can do. Please do not ask me to come unless you send the fare and expenses both ways.

Now a word about Student letters sent to me "deliver to addressee only." Please do not send such letters here. They only lie in the Post Office whenever I am away, and, after ten days, they are returned to the sender. If I am away, Dr. Tenney is perfectly capable of looking after all business with Students until I return. When I am in Moscow, I very seldom have time to go to the Post Office, even though it is but one block from our headquarters. So it will save you a lot of unnecessary worry if you refrain from sending letters to me marked "deliver to addressee only." Thank you for complying with both the above requests.

## The War

Visualizing a picture of Adolf Hitler, and recognizing that he, like us, is a divine creation in which all the powers opposed to God are manifesting, I want every reader of this

Magazine, each evening, to relax, close the eyes, and recognize the Spirit of God in you first. Then, looking at this imaginary mind-picture of Hitler, repeat, with force and impression "The Spirit of God will bring your downfall." Do this every evening and keep it up. It won't be long before this sad, discouraged man will begin to know that he is fighting a greater power than an earthly power. He knows that now, but is fighting against God. He cannot do that for much longer. So be constant in this exercise please.

## Hitler

Let every Student who has the "Awakening" folder, look at that folder every day, sending the thought therein contained to Hitler. Visualize his picture. Eyes closed, say definitely and clearly, aloud if you can, "THE SPIRIT OF GOD WILL BRING YOUR DOWNFALL." This is not meant to be personal at all, because even Hitler is a child of God. But he is the incarnation of all the forces which are opposed to God. Yet he will very freely tell you that he is an "Agent of God." He says God Almighty is with him. Well you know how true that is. I think the man is demon-possessed. But the Spirit of God can break him, and it will if enough Students combine in this.

## Seventy-Three Cents Causes Murder

Married for five years, and mother of five children, Mrs. Mildred Brown is held in Littleton, Colo., for shooting and killing her husband. Mrs. Brown said the shooting followed a quarrel with her husband during which she found 73 cents in his pockets after he had told her that he had no money to give for a Sunday school collection. Mr. Brown, she said, argued that the 73 cents was all he had in the world, and he argued further that this money should have been used to buy food and not to give to a Sunday school collection box. Now he is dead and Mrs. Brown shot him, it is alleged. It seems too bad that the father of five little children should be shot to death because a fanatical wife wanted him to give the last 73 cents he had to a Sunday school instead of buying food for his children. We are inclined to agree with him that the money should have been used to buy food, and not given to the church under those circumstances.

## A Good Thought

And when my task on earth is done,  
When by His grace the victory's won,  
E'en death's cold wave I will not flee,  
Since God through Jordan leadeth me.  
No one need ever fear death after  
they have recognized God in the  
life, for there is no death for such  
an one. This physical body means  
just nothing at all when viewed in  
comparison with the Great Life  
which is God. It's the invisible Life  
which is God which lives on and on  
through all eternity, not the physical  
body. There could be no such thing  
as eternity if there were anything  
physical in it. So don't waste too  
much time bothering about "your  
sins" and their keeping you out of  
"heaven." If you don't like "sinning"  
or doing what you should not do,  
the remedy is quite simple—just  
don't do those things.

## Questions and Answers

**Ques:** For years I have believed in Jesus Christ as God and millions of people believe this too. If the story is not true, how do you account for the fact that so many millions believe it?

**Ans:** By the same logic that many more millions believe in the story of Chrishna as God, than ever believed in Jesus Christ as God. It's simply a matter of what one has been taught. You have never investigated to find out whether the story is true or not. You have blindly believed, just as three times as many people blindly believe the religion of India which has an entirely different "crucified god." Read "GLEAMS OVER THE HORIZON" by myself.

**Ques:** Do you believe in a hereafter? I lost a beautiful girl. Shall I ever see this child again in the hereafter?

**Ans:** You will never see that child again in the "hereafter" as you knew her here. Neither will she ever see you as she knew you here. The physical bodies in which you both knew each

other here, decay, and there is no way they are ever resurrected again. So you could not know each other after physical death has separated you. However, if the life of each of us is a little part of the life which is God, then there must come a day when all physical manifestations of life are swallowed up in the great life which is God. In that day, the spiritual part of your little daughter will undoubtedly know the spiritual part which is you. Please remember that flesh is flesh and spirit is spirit. I do not believe anything physical can ever enter into the final realm of God, in which realm, at the proper time, ALL LIFE which ever has existed shall still exist in a state of complete happiness. It will be a state of complete understanding too, and in that fact you may find the greatest degree of comfort. It is not the body of your little girl which matters, it is the spirit which occupied the body. Look forward to that day. It will be a very happy one I assure you.

**Ques:** My son is in jail, falsely accused of a crime. Will you please use the God-Law to secure his immediate release?

**Ans:** If your son is wrongly accused of a crime, and if he recognizes the

Spirit of infinite Power and Justice in his life, now, then he will be freed. It is not possible for anyone or anything to prevail against the one who knows, and USES the Power of the Spirit which is God in his or her daily life. I cannot see how anyone knowing consciously that Power, can be accused of a crime, although I was. Many times. But you will notice the marvelous way in which these attacks failed. And I was fighting the powers of both branches of the Christian church. Yet they failed to harm. Have no fear for your son if he knows the God-Law.

**Ques:** We are about to lose our home and we have just started your Lessons but do not know enough about the Life-Spirit yet to use it to save our home. Will you use it for us or tell us what to do?

**Ans:** I cannot use the God-Law for you nor can I tell you what to do, with this exception—to every problem lies an answer. If you are in tune with the Infinite, you will find that answer. I suggest you go to the one who is about to foreclose, and, looking him straight in the eye, and recognizing the Spirit of God in you, ask him for an extension. He will have to give it.
