AS I LOOK THOUGHTFULLY at those with whom I come in contact in my journey through life, I am fascinated (and oft-times alarmed) by the common denominator I find: *each person has everything he will accept.* To a few: Health, Harmony, Abundance, Love and all positive blessings seem theirs for the taking. To many others: seemingly content with half-measures of Health, small demonstrations of Abundance, meager approaches to complete Harmony and Love, they live their lives as though they didn't quite believe that "all things" meant ALL things. With added blessings lying round about them, they settle for crumbs. The need is obvious: greater faith and a sense of acceptance. *God meant to include you.*

A New Man Is Arising

by

Raymond Charles Barker

THE LAST one hundred years have brought forth a new concept of man. Religious Science has played an important role in this revelation. It has steadfastly proclaimed that man is a spiritual potential whose full nature warrants our exploitation. Psychology explores the negatives of the human mind. Religious Science explores the spiritual resources of the individual, yet, it uses psychological techniques to do this.

Man is a powerhouse of mental dynamite. His use of mind determines his experience. Viewing his mind merely as a human he beholds problems, world conditions and limitations. From the spiritual side of things, we see what man can be, even if he hasn't yet become it. God never limits us. We have accepted our own limitations. We have tried to overcome these limitations by knowing more facts about more things. But, we now discover that more facts about more things do not produce a better man or a better world. They only produce more comfort.

The new man as studied by Religious Science is a growing spiritual experiment. And, this experimentation is one of mind action. Facts are ideas completed. Man is cause and by his causation he determines the facts which will take place. Our motives determine our desires. Our desires stimulate our emotions. Our emotions give rise to the direction of our thinking. Our thinking causes the Law of Mind, the subconscious, to produce form.

This entire process is a spiritual one, because God is all in all. We believe this and we prove this. The traditional thinkers neither know it, nor can they receive the benefits from knowing it. So, they struggle to achieve, while we rest in a Law that does the work for us. The new Man knowing himself as God in action works effortlessly in bringing to pass the desires of his heart.

Our technique is simple. We affirm our thinking process to be divine. We know that what we think and feel causes a subconscious Law to act and bring forth a result. Religious Science is a light unto the world. It reveals what man can be. It does not emphasize man's errors. It keeps its sights on the God-man and teaches him to grow into his true stature.

The Greatest Power In Your Life

THOUGHT is the greatest power known to man!

Out of the past we created the present. And out of the present our thought is creating the future. We become what we habitually think.

Think Life! And you will be filled with new vitality and power. For there is a guiding, producing Intelligence that responds to every definite demand made upon IT.

Think poor thoughts and you become poor. Think great thoughts and you become great. What you are thinking *NOW* . . . is conditioning the days ahead.

Religious Science is showing the world how to think with God, in and with God! It is the Science of Mind, the Science of Truth, the Science of the Everlasting Presence and Power. For within you is the Power and the Glory that is greater than any circumstance. This Power will free you from fear, doubt, and discouragement.

Religious Science teaches you how to live a successful and progressive life . . . and it teaches you how to live a successful life right now, right where you are. Use your Power for Good today!

Align Yourself With The Law

THE LAW of our lives can be an inflexible law, holding us in the slavery of its iron grasp; or it can be a law that supports, promotes and protects our every action. Whether the first or the later, depends upon two things: knowledge of the law and conscious alignment with it. As an example, take the law of floatation. Lack of knowledge, leaves us in the grip of terror when we suddenly fall into deep water. We thrash around in fear, and without help we might drown. But with knowledge of the law, we calmly turn and float in perfect safety. The same law brings destruction or protection.

Recognition of your source and of your Oneness is the first law of your life. Aligning yourself with that law is prerequisite to your ultimate Good. Only in this way can you meet the requirements of the law; and as the law is clearly understood and acted upon, you are free to unfold into power to which it is impossible to assign any limit.

According To Your Faith

THE PRINCIPLE OF DEMONSTRATION is that it is done unto us as we believe. Consequently, the art and science of bringing into our conscious acceptance an inner conviction that our every good has already been provided by an All-Wise Intelligence is what we must cultivate if we would demonstrate a greater good.

Turning our thoughts daily and often to recognize this Giver of all good in a spirit of thankful acceptance and trust is the way to cultivate this art and science of demonstration.

As we grow in this practice, we find ourselves becoming more aware of the Divine Presence and feeling more trust and confidence in the Divine Givingness. Thus our fears and negative states of mind begin to give way to an attitude of faith and positive thinking which in turn becomes our law of attraction for a greater good.

Our sense of separation and fear of opposition dissolve into a feeling of unity with life, and right relations are more quickly established in our daily contacts. These daily affirmations will help you.

Spiritual Awakening

“BEHOLD, I stand at the door and knock.” —Rev. 3:20. This “I” is the Word of Truth, The Christ, revealing Itself to man. It stands ready to serve, to direct and to sustain but man must open the door of his consciousness if he would hear the “Voice,” and receive Its direction and protection.

Materialism is the most insidious thing in the world today. We can defeat it only with something better than materialism. Jesus promises, “Ye shall know the Truth and the Truth shall set you free.” The application of the Truth to our daily needs is the Saviour of the World. Spiritual understanding is the direct opposite of all that materialism represents; hence Solomon admonished, “With all thy getting, get understanding.” The Love of God *for* man, *in* man, demonstrates the true brotherhood of all peoples.

Religious Science teaches the technique of the application of the “Word,” into the great Law of Mind. It not only will set you “free” but your use of the following meditations will help to cleanse the entire subjective realm of the Creative Mind thereby “doing to another as you would have them do unto you.”

I KNOW MY SOURCE.

▶ *"My presence shall go with thee, and I will give thee rest."*—EXODUS 33:14.

THERE is One Presence. I am always in the midst of this Presence. It surrounds me, permeates me and maintains me in peace, poise and right balance at all times. I am never alone; I am never lonely, apprehensive, fearful nor worried for this Divine Presence is always my Unseen Counselor awaiting my every need.

Divine Presence is leading me on the pathway of peace. It is directing my thoughts, my words and my actions into constructive channels of self-expression. It is uniting me with others in love, in kindness and in consideration.

In this Presence is the inspiration of an understanding love and the realization that I am working with a Law that always accepts my direction. I am now unified with that which is greater than I and yet, that of which I am ever a part. Therefore, I declare that there is a Divine Presence and a Law of Good which, flowing through me, reaches out to everything in my world with love, joy and gladness.

I EXPRESS DIVINE CONSIDERATION.

▶ “ . . . with lovingkindness have I drawn thee.”

—JEREMIAH 31:3.

THE ALLNESS, the Wholeness, the Fullness and the Oneness of God is, really, the only Cause of Perfect Order expressing ITSELF interiorly through me. I am balanced throughout. I—myself—have myself in hand.

No longer do I hope that some day in some way some good will come to me somehow. My good is God's Consideration for me at this moment. I accept it with Understanding and reject all persuasions which may form on human levels of opinion. Concerning myself—I, myself, now express Divine Consideration.

Nothing in me is subject to failure. The steps I take in the interior Order of God's Being increase for me my reach. In me, indeed, are God's resources infinite!

There are no unwanted situations confining me. God puts no restriction to my acceptance of complete freedom in Him.

No person dominates my soul, my thought or my feeling. God is the only Cause to which I respond, and only that is best for me which is best for God in me. He leads—I follow.

I AM THE PRESENCE OF JOY.

▶ *"Thou wilt shew me the path of Life: in Thy Presence is fulness of Joy; at thy right hand there are pleasures for evermore."*—PSALMS 16:11.

TODAY and every day I recognize "I and my Father are One." In the blessed realization of my at-one-ment with The Divine I find the delightful fulfillment of everlasting Joy.

How good to know that God is the only Reality, the infinite and eternal Life, in which I live, move and have my being and from which I can never be separated!

How good to know that I am One with The Almighty Power of Spirit, which manifests All-Good as I accept it as done, thereby filling my heart with gladness as The Glory of God comes forth to bless myself and my fellowman!

How good to know that I never walk alone; that in every experience God is with me, enfolding me in Peace, inspiring me into Right Action, protecting me by Divine Law, as I let this be so!

Today and every day I give thanks for the imperishable Divine Partnership which, through my acceptance of its Reality, brings me security and peace, assurance and joy, forevermore.

I SPEAK WITH AUTHORITY.

▶ *“When the righteous are in authority, the people rejoice.”—PROVERBS 29:2.*

I AM THE CENTER of my world and my thinking determines my every experience. I now declare that God is the source of my mind. I affirm the Divine Word as the word which I now speak. This Word now establishes in the Law of Mind the ideas I want to experience in my life. I speak Truth and the Law brings to pass that which is like the Truth.

I now dismiss from my consciousness everything that is unlike God, unlike Good. I now bring to pass abundance in every form. My consciousness is geared to Divine Mind, and It alone has power within me to create. God's creations satisfy the desires of my heart. His joy is mine today.

I speak the Word of Life. I declare that Good encompasses me and comes to fruition through me. There is only the One Mind thinking, the One Law acting and the One Good appearing. I speak health, happiness and prosperity. These are God's own Ideas and through me they take form. I create after His Patterns. This is good.

I ACCEPT EACH OPPORTUNITY FOR GROWTH
AND EXPANSION.

▶ “ . . . *the word of God grew and multiplied.*”

—ACTS 12:24.

I KNOW that whenever I recognize that I am ready for a larger expression the opportunity always presents itself. My God vision ever stimulates my thought and increases my capacity to express. There is no false belief that can hold me in a rut or retard my progress and growth. My mind is constantly stimulated with new ideas. Life is interesting and I approach each new situation with enthusiasm.

My capacity to express constructively is constantly increased. New thoughts and new inspiration constantly increase my efficiency. The One Mind reveals new methods whereby I work easily and effectively. I am ready for a greater opportunity. This awareness permits no feeling of inadequacy and no belief in frustration. My self-recognition of my ability creates the channels through which my ability can express.

I am not reticent nor timid. I give full power to the recognition of what I can do. Each opportunity which I recognize and accept increases my power to express. Each thing that I do successfully brings forth greater ability.

MY PRAYERS ARE ANSWERED.

▶ *"The effectual fervent prayers of a righteous man availeth much."*—JAMES 5:16.

IN THIS daily period of meditation and prayer, I turn to the Infinite Presence within my being and feel the response which comes only in the stillness of my soul. I know the power that is active in me and for me now. I relax physically and mentally and let the spiritual flow of energy permeate and penetrate my whole being. In this hour, I move into right relationship with the Spiritual Law of Being, and God reveals to me the meaning of faith. In this quiet hour of spiritual communion, I know that my own comes to me as I believe. I grow in grace, I grow in power and my mind and heart are wholly receptive to God, the Giver of All-Good.

Divine Ideas flood my mind and I learn to discern spiritually all that I desire. As my consciousness unfolds, I feel the release from former disturbing influences. I am lifted out of wrong tendencies into the light of Truth. Fear and doubt and irritation are no longer a part of me; only faith and love remain. I am One with God and my fellowman. I am at peace.

MY LIGHT IS THE VICTORY WITHIN ME.

▶ "Thou art my lamp, O Lord, and the Lord will lighten my darkness."—II SAMUEL 22:29.

WITHIN me is the whole, the ultimate, the great. I need only to see within and learn of myself. Disorganization in body and mind are immediately healed as I see the goal of my own soul as perfection. I enlist the noblest, the true, and the undying. I link myself with joy, harmony and wisdom. I think only that which is the Truth, unbound, unfettered, uninhibited. I permit no clashing in my subconscious. There is no line of demarkation. There is only the perfect whole. *I am* that whole. Nothing can be added, nothing can be taken away. *I am* whole.

God's Mind within fills me with wondrous expectation. I look forward to the birth of a *new* day. It fills me with the wonder of unfolding, the glory of rejuvenation and understanding.

I feel life's surge, satisfaction and accomplishment, earned through repetitious concentrated right thinking, followed by right action, orderliness, preparedness, conviction, assurance. This is my eternal Light of Victory.

GOD IS MY STRENGTH.

▶ *"The joy of the Lord is your strength."*
—NEHEMIAH 8:10.

I LET THE JOY of true self-knowingness dispel the illusions of mortal thinking and set me free from all self-deception. I know that my own "I am" is the lord of every situation in my life because I realize that "I and the Father are one."

An inner strength floods my being as the joy of knowing my oneness with God fills my heart. He can never leave me nor forsake me for my life is hid with Christ in Him. His free Spirit is my unconditioned awareness of being which remains forever unconditioned regardless of any appearances.

I cast off any and all thought of bondage to any person, place, thing or condition and accept the free Spirit of God as the only reality of my existence.

His Omnipresent Spirit indwelling me sustains and supports all that I truly am and inspires in me confidence and strength. All egocentricities which would deceive and bind me are resolved as I let the breath of the Almighty give me understanding.

I AM ALIVE!

▶ *"I am come that they might have life, and that they might have it more abundantly."*—JOHN 10:10.

THIS DAY I shall live! I put off the old and put on the new. I will not live in the past.

I will live only in the now, one instant at a time. God is. Life is. There is nothing within me that does not accept this Divine Idea of God. This is the Divine Idea with which I came into being. I expand my consciousness now to a greater realization of this Divine Idea of my oneness with the Father. I do not just say the words. I think and speak them with authority, for "as a man thinketh in his heart, so is he." My heart is the motor of my body. I oil it with love, keep it pure with right thoughts, and it responds by working quietly and rhythmically.

Today and every day I shall affirm my oneness with God, all Good, from whom I receive a rich award of health, prosperity, peace of mind, joy and success in my every undertaking.

Today I live!

I AM STRONG FOR MY STRENGTH IS OF GOD.

▶ *"The Lord is the strength of my life,—in this will I be confident."*—PSALMS 27:1 AND 3.

I ACCEPT the limitless strength of God as my very own, this day. It is ever available, flowing to me freely as I hold up my cup of mental acceptance.

This is my faith. In this I am confident.

My life is one with God Life. That God life within me guides me to express in my individual living, an increasing measure of strength and power in mind and body. I am aware that within me abides all I need to make me strong, capable and more than adequate to fulfill every demand for development and growth. I realize that these things are true of all whom I contact, and they are blessed by this recognition.

I dwell in this strength, which is God-Power in me, and no seeming obstruction, sense of weakness or inadequacy, can keep me from the full realization and acceptance of this,—my birthright as a child of God.

I am grateful that I am strong in the knowledge that my strength is of God.

I EXPRESS A MATURE MIND.

▶ *“When I became a man, I put away childish things.”—I COR. 13:11.*

TODAY I acquire a new estimate of myself. I recognize my uniqueness. I assume an attitude of poise and power, as I put away childish emotions that would keep me bound. I accept the lessons of the past and rejoice in the instruction I have received from life’s experiences.

I refuse to be hasty in my decisions and I use discrimination in all things. I meet each situation as a mature adult and my reactions are sane, sincere and constructive.

This very moment I become still and again let that mature mind that was in Christ Jesus operate through me. My life’s focus becomes a balanced focus and can never be governed by uncontrolled and undisciplined emotions.

I am in complete control of my mental faculties at all time, for I express the mind of God.

NOW IS THE TIME.

▶ *“This is the day which the Lord hath made; we will rejoice and be glad in it.”—PSALM 118:24.*

THE FULL ACTION of God is taking place this day. There is as much of God now, as there ever was or ever will be. I need no longer delay my good. What I want is possible right now. I now think what I want and the Law of Mind brings it to pass. I need wait no longer.

Times will never be better than now. God is in every moment, and I start thinking my idea into form. I have put off my good, but now I create it. God in me thinks through me and produces by means of me. I am a spiritual center of limitless Mind that knows neither time, space nor human limitation. God doesn't know what I can't do and isn't interested. Infinite Mind thinks of me as Its beloved outlet.

Today, I make my demonstration. All the Power of Mind is now in action bringing forth my desire. All the avenues, money and people necessary to bring it to pass are now revealed by God and His Intelligence.

AS I INSIST ON MY ACTING OUT GOD'S PROMISES, I FIND THEY ARE TRUE.

▶ *"Forsake the foolish, and live; and go in the way of understanding."*—PROVERBS 9:6.

I KNOW it is foolish, utterly futile, to fret or fume over the fears, hurts, disappointments of the past, the unhappy experiences of the present or to face the future afraid.

To live and to live at my full potential I walk today, and every day, in the way of understanding, which is the way of faith and freedom. I fill with joy as I keep my thoughts staid on the things that are lovely and of "Good report."

The joy of knowing vitalizing truth makes me porous to whatever kind of good I give my attention. It serves as a solvent to cleanse my subconscious mind so I am established in vigorous health and strength.

Now I face the future fearlessly, unafraid, secure in the knowledge that my affairs are in the loving hands of my Father who works in me, through me and as me.

GOD INSPIRES ME IN MY USE OF FREEDOM.

▶ *“Let the words of my mouth and the meditation of my heart be acceptable in thy sight.”—PSALM 19:14.*

I NOW MEDITATE on the wonders of creation. I know that the whole universe is created from the purity of God’s Mind and Word and that the world is God’s Idea made manifest.

I also know that God in creating mankind has given to him the gift of free will. Realizing the power of this gift, I now contemplate the Source from which it is given, and know that the wisdom of the One Mind inspires me in the right use of it.

My mind is now guided aright, so that the words of my mouth and the meditations of my heart, the thoughts I now direct and the life that I lead, become the channels which show forth God’s Joy and Perfection.

My whole consciousness is aware now of this guidance and that now right action is freely expressed in my life. God’s Nature as He works through me, be praised for ever and ever.

SUCCESS IS THE LAW OF MY LIFE; EVERYTHING I DO PROSPERS AND SUCCEEDS.

▶ *“But my God shall supply all your need according to his riches in glory by Christ Jesus.”—PHIL. 4:19.*

GOD endowed me with the ability to succeed. This God quality of success brings success in all that I do. Divine Principle always fulfills. Everything I undertake I complete. Wherever I go I act in confidence.

Success is operative in my business and in my finances. Everything that I need to prosper is made manifest. The right merchandise, the right customers, the right ideas, and the right clients. The value of my service is recognized, appreciated and remunerated. Success governs every transaction.

The principle of success is manifest in my home, in my marriage, in my relationships with those whom I love. Perfect understanding and appreciation govern.

This consciousness of success surrounds me with successful people. Nothing of limitation can exist because the infiniteness of God's abundance is sustained. Everyone with whom I work prospers. Everything my thought touches prospers. God knows no favorites but blesses all.

WHATSOEVER I BELIEVE.

▶ *“Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.”*—MARK 11:24.

I NOW BECOME still and feel the One Presence and the One Power in and through all things. I know the Father and I are one. I see the Perfection that lies beyond all manifestation. I know that which is manifest in my life other than perfection is but the outpicturing of that which I have believed in. I know also that as I recognize the Truth, the Good, the Perfect that lies beyond that which I see, it tends, through Perfect Law to be brought into my life as experience. I look at all experience as but stepping stones to my own progress and view them in the light of Good.

I now think and believe in only that which I wish to become manifest in my Life—joy, Peace, Harmony, Love, and Abundance. I now operate under the Law of Love and Harmlessness and expand my share of wealth and abundance of Life. Father within, I thank Thee that this is now so and I go forth reflecting thy image to the world. And so it is.

I AM A BELOVED CHILD OF GOD.

▶ *"The Spirit itself beareth witness with our spirit, that we are the children of God."*—ROMANS 8:16.

TODAY I realize I am a child of God. His Spirit is my spirit now. I am thankful that I realize the unity of all life and spirit.

God is all the power there is. God is all the Mind there is. Today I live in a divine center of His power. Within my center Divine power is continually flowing. The strength of the Lord is within me. "I can do all things through Christ which strengtheneth me."

Today my thought is directed upon my divine heritage. God wants me to share the joy and happiness; the abundance of all things; the spontaneous action of His Spirit in all my affairs.

Today, my heart and soul are turned to that still small voice within me; within my own mind. Today I am renewed in vital energy. I am enthusiastic and glad to be alive. I am inspired by an inner calm and peace. My being is flooded with Divine radiance. God in all His glory shines through every thought and deed today. For this realization, Almighty God, I do give Thee thanks.

I ACCEPT MY PERFECTION.

▶ *"I know that whatsoever God doeth, it shall be forever: nothing can be put to it, nor anything taken from it . . ."*—ECCLESIASTES 3:14.

TODAY, I accept perfect health as the reality of my being. Today I realize that my body is the outer symbol of a perfect idea in the One Mind which is God. I know that my body is spiritual, because there is only substance in the universe, and that substance is Spirit, from which all things are made. I recognize that my body is the visible manifestation of an invisible, divine, perfect idea. This perfect idea is in the divine pattern of man, created by God, and therefore eternal, changeless.

I know that because pure spirit is at the center of every form, pure spirit is the center and foundation of every cell of my body. By this conscious recognition of spiritual truth, I bless every cell of my body, and leave it free to do its perfect work.

My conscious perception and realization of the radiant pattern of perfection in and through my body completely dissolves all false belief concerning that body.

I accept my divinely ordained perfection now.

MY POSITIVE, CONSTRUCTIVE WORD
CANNOT REVERSE ITSELF.

▶ *"Fight the good fight of the faith."*—I TIM. 6:12.

I GIVE FULL power to the constructive word which I speak. It can never violate its own nature nor can it be resisted. There is no pattern of rejection in my thought; therefore, nothing can deny my complete God expression. I am divinely guided. Every business venture works out right. The law of perfect right action blesses everyone with whom I have any contact.

God action blesses everyone with whom I have any transaction. No one connected with me can experience financial reverse of any kind because perfect right action prospers everyone with whom I work. No belief in self rejection could cause anything to go wrong, nor bring delay in any work involving me. I know that my word always accomplishes. Everything necessary for its complete manifestation is quickened and brought into perfect form. God action always fulfills.

My positive conviction of good makes every effort positive and powerful. The forward momentum of my positive belief fulfills my word.

I AM AT PEACE.

▶ *“Acquaint now thyself with Him, and be at peace, thereby good shall come unto thee.”—JOB 22:21.*

THE SPIRIT, creating form out of substance, is forever at peace. Thus It created me, with gentle loving care, with calm and confidence. I am one with this Perfection, which is the stillness in the midst of me. As I take time to sit quietly with God, I feel my heart and pulse beating in rhythm with the Universe. I free the Spirit within me, and in so doing it heals me of all confusion, pain, anger or unrest. I exchange my self-will for the true freedom of the Divine Will. My mind is eased of all burdens, and my body is healed of all strain. I cease all agitation, caused by negative thinking. Where I have criticized, I now bless. These blessings bear fruit and return to me as Love. I let all knowledge show me what to do. I let all experience be my way of life. I let my entire mind and body recognize God, trust Him and praise Him, for I am at peace.

MIND FOREVER UPHOLDS ME.

▶ *“Mark the perfect man, and behold the upright; for the end of that man is peace.”—PSALM 37:37.*

I EXIST in and am forever a part of God. The One Mind is my cause, and my continuity. It delivers delight to my soul. It lives in me, thinks by means of me and creates through me. I am the visible action of Infinite Mind.

There is nothing to fear. God sustains me in His eternal Presence of good. I am upheld forever in ways of righteousness. My spiritual goal is achieved, for nothing can cause me to waiver. Good alone is my experience, and Love alone is my law. I am this day evolving unto greatness.

His Way is the path I walk. His Mind is the one I use. His Guidance leads me aright. I accomplish with ease and bring forth increased good with joy. Infinite Mind delivers to me great ideas, and I absorb, assimilate and distribute them. I accept myself as the vehicle of the Almighty. I am the beloved expression of Truth, Love and Beauty. In me is a Divine Purpose, and I fulfill a Divine Plan.

I HAVE PERFECT EYESIGHT NOW.

▶ *“Look unto me, and be ye saved, all the ends of the earth.”—ISAIAH 45:22.*

THE RICHES of this moment are infinite in me. I choose to know the Truth about myself out of the heart of the Consciousness of God. There I am beheld, endowed, entrusted and equipped with Perfection. Here, I see myself facing God, The Mind that knows it so for me.

That Mind is Perfect and Its Knowledge is Love and all of myself is Its composition of Gladness and Joy. I see that, and see with it. I perceive the Greatness of the Wonder of God's Being in me as My being in God. How marvelously am I kept! All in me, for me and through me happens without my doing! Is not my breathing a miracle? Is not my seeing Light—Glory?

There is no darkness before me. I walk into a future greater with brightness.

I now see, sharply and clearly, that God's Sight through me perceives only the better ahead of the already good.

This is true and shapes itself so. Self-complete is God. God-complete am I.

IN HIM, I LIVE AND MOVE AND HAVE
MY BEING.

▶ *"Existence, by nothing bred, breeds everything."*
--LAO TZE.

ALL ACTIVITY and inspiration are open to me because my mind can grasp immensity, my soul is at home in thought of the Infinite. My inner vision is limitless, and I rejoice to find myself capable of vast breadth of thought, speculation about Cause and Effect, a clearer and more beautiful perception of The Perfect.

I am no longer bound by circumstances, heredity, current market prices, or the weather of family affairs. Aware of inner freedom, inner peace, I am conscious of more activity, more joy in a growing work, more profound conviction of increasing power to express the Divine within me. I am secure and serene in the assurance of my individual ability, for my realization of the activity of Mind within me and in all Nature becomes the dominant influence in my daily thought and action.

I am of the Divine Mind, the Creator of all things. I am one with all Life, and am capable of thought, all experience, all righteousness and joy.

MAN IS OUTPICTURED BY GOD.

▶ *“Behold, I have set before thee an open door, and no man can shut it.”—REV. 3:8.*

MAN IS GOD’S outpicturing of an eternal thought. God’s pictures are always complete and perfect. Now I know that I am such an outpicturing of Spirit. There is in me no imperfection, for I am a representation of a perfect original, a unique manifestation of the Divine Mind. I deliberately erase from my thought every restricting idea, and I permit pure LIFE to flow through me. My every act proclaims my harmony with the God within. Thus my inner life becomes the pattern for my outward expression, and there wells up within me a consciousness of a deep and abiding peace—the Peace of God.

I know that now I am a son of God, and so I am free of any dis-ease or limitation. All that the Father hath is mine. I therefore receive with rejoicing the fullness of health, and supply. There is nothing in me which doubts or disbelieves. It is done unto me as I believe so I accept my good and give thanks for it. SO IT IS.

I KNOW THAT GOD CAN AND DOES SUPPLY
MY EVERY NEED.

▶ *“Your Father knoweth that ye have need of these things; it is your Father’s good pleasure to give you the kingdom.”*—LUKE 12:30, 32.

THIS DAY I know there is a great storehouse of inexhaustible Spiritual Substance in the universe and that these riches are available to me according to my understanding and faith. I know that all good and all substance come to me through God the Father, regardless of the channel, person, job or circumstance through which it appears.

I know that I am a spiritual being in a spiritual world and that my mind is one with Universal Mind. Through my dynamic thinking, God’s abundance is poured into my life, as supply, health, love, friends, money, wisdom, peace of mind and joy. Surrounded by my great abundance I meditate upon my unity with the whole, and my mind is stimulated and flooded with ideas of plenty and prosperity.

My gratitude flows forth through sharing my abundance with joy, love and harmony toward all.

I CHANGE MY WORLD TODAY.

▶ *"The former things are come to pass, and new things do I declare."*—ISAIAH 42:9.

I REFUSE to accept anything less than perfect good. I now take my stand on God and His eternal Truth. Divine Mind is the only cause the Divine Law is the only action. Perfect Ideas originate within me and right thinking now brings them to pass. This day I let God happen to me.

The unlimited Power of God is mine to distribute. I let this great Good take over my thinking and determine my reasoning. I negate evil in every form. I am the unconditioned manifestation of God, and nothing else is true. I am victorious and undaunted. I am the Truth made visible.

My world shall bring me peace, prosperity and health today. It cannot confuse me, and I will not believe in the lie of error. I am receptive to God and to God alone. I authorize the indwelling Mind to create Good for me, and for all who contact me today. I expect greater good. I think in terms of good. I love to experience the Goodness of God.

I AM LOVE, AND MY SONG OF LOVE KNOWS
NO ENDING.

▶ *"I love them that love me . . ."*—PROV. 8:17.

I AM. Because God is, I am. What God is, I am. One with the Illimitable One, am I. One with the Substance. One with the Joy. One with the Peace. One with the One. I AM.

What I am in this Inner One, I begin now to pour forth into the world. I give love; I pour it forth; I radiate it, indiscriminately, to all—for I Am Love, and my Song of Love knows no ending. Naturally and inevitably I receive love, even as the Sun receives the fragrance its warmth of giving has freed from the heart of the flower. I rejoice in this full-orbed expression of love. For deep within I Know: What I am, I release. What I release, I experience. What I experience is as much of God as I find in my own heart. God is love. And so am I. God pours forth love on all—both great and small. And so do I. One with the ONE am I.

MY SELF-CONFIDENCE IS COMPLETE.

▶ *“For God giveth to a man that is good in his sight wisdom, and knowledge, and joy.” — ECCL. 2:26.*

I KNOW that God is my immediate, inexhaustible, ever-available supply.

Regardless of conditions or appearances which at times seem to deny this Truth, I keep faith with the God Being which I am. Complete acceptance of my unity with God sustains Perfect Health. God Action is complete and harmonious and governs the functions of my body. The One Life which is God flowing through me keeps me strong and vital. I know that the Power of God in me is greater than any demand I make upon it. Being One with this Power I Am equal to any situation.

God Knowing keeps my thoughts tuned to wealth ideas, illumines my Mind and causes me to be aware of the abundant Being which I am.

I joyously accept my work as an activity of my God-Self expanding as increased ability and new talents which are instantly recognized, appreciated, and remunerated. This awareness keeps the circulation of my Supply in perfect order.

GOD IS ALL KNOWING IN ME.

▶ “... *to be spiritually minded is life and peace.*”
—ROMANS 8:6.

THE ONE MIND which is God is my mind now. Since it is the only Mind it cannot be confused nor mixed up. It is ALL KNOWING. It sustains its unified being in me.

This one Mind is always harmonious. No discordant thought nor feeling can exist within it. Thus no conflict has any place within me. The unity of the one Mind keeps my integrated self at one with the world in which I live.

The all-knowing Mind sustains clear thinking in everything that concerns my expression. Nothing of confusion can exist anywhere in my environment. The all knowing Mind causes all things to work out right. Mind cannot be deceived and is not subject to delusions. No false appearance can cloud an issue.

Mind is all knowing and is the only creative power. Regardless of what I do, Mind is the power that accomplishes, and I give full recognition to its creativeness. Nothing in me can doubt its responsiveness to me nor my ability to think creatively. I know that Mind Action objectifies my desire. *Robert H. Bitzer*

I BLESS MY BODY.

▶ *"But he spake of the temple of his body."*
—JOHN 2:21.

I BLESS MY BODY. It is the "temple of God"—pure Spiritual Substance. Every cell of my body is activated by Divine Intelligence. Every organ in my body is regulated by the Involuntary Life within me in perfect harmonious action. Each organ in my body is a perfect part of a Perfect Whole—the Perfect Wholeness that is God expressing as me. I bless my body and give thanks for it. It is a faithful servant provided and maintained to house the individualization of God known as myself. I bless my body and release it in perfect confidence to the Father within who "neither slumbers nor sleeps" in His care for me. I trust the Father within to beat my heart, digest my food, circulate my blood and harmonize the entire action of my body. I am the temple of God. The Spirit of God dwells within me. I thank Thee, Father, for Thy loving care.

What we think and feel in consciousness governs everything that comes into our experience. Just as a river purifies itself as it flows along, so the release of Divine Awareness obliterates anything in our lives which is unlike God, and lets God flow through.
