WHEN you use the phrase "*Just as I expected!*" are you referring to something positive that has occurred — or, as with most people, do you mean something negative? Do you use this expression to describe your feelings when a mishap takes place; or would you be more apt to use it when you witness a demonstration of the healing power of your word? "*Just as I expected!*" is a measure of your understanding. It has long been a personal conviction that expectancy controls the amount of power released for a demonstration. The strength with which you expect the right action determine the degree and extent of the result. True expectancy comes from utter confidence in God — an attitude of complete trust.

The Power to Accomplish

by

Raymond Charles Barker

UNTO you is given the power to create and accomplish in life the deep desires of your heart. The incarnation of God in man, as man, is this power. Freely It is given to all alike. Some intuitively realize this and bring forth great works. Others are lulled by their material acceptances from childhood to the present and never realize that within them is this unconditioned possibility.

The Infinite expects the finite to reproduce in its area all that which the Infinite is. God's expectation is upon you. It bids you arise from the lethargy of what you believe, and move into the area of sure knowledge, which is spiritual. You may believe you cannot succeed, but God expects you to prosper and has equipped you to do so. You may believe that the world is against you, but the Divine knows that in your inward parts is written a right use of the Law of Mind which can change the world.

The Power of God to accomplish does not

ask for your supplication. It awaits your recognition that It is. As you act with authority, the Power accepts your direction and brings to pass your dictates. Piety and meekness limit the free action of God. Sincerity and intention give It freedom to perform Its full mission. The determined mind is the divinely operating mind. Indecision and dependence upon the opinions of others withhold the good you can have. Only you and God know what is right action for you. Even the one closest to you cannot know this secret between you and your Maker.

“Arise, shine, for thy light is come,” was Isaiah’s way of telling man to start living life fully and getting from it the rewards of his right thinking. Take one goal you seek. Declare that it is Spiritual and Divine. Affirm that the Law of Mind is now bringing this goal to pass. Do this several times each day for thirty days.

Never once let your mind speculate upon the possibility of not achieving your desire. Hold your thinking to the line of expectancy. Your daily treatments, plus the watching of your consciousness to prevent negation, will give the Law freedom to act. You will be amazed at the result.

W Don't Create a Crisis!

ATCH your thoughts! They show which way your experiences are shaping. A crisis is made up of many little states of mind. Thoughts are power, and each problem should be answered in your mind the moment it presents itself.

The same principle is true of your emotions. Guide them and direct them. You cannot have an outburst of temper right out of the blue. It can only be an accumulation of emotional feeling. Watch yourself when you feel that you cannot stand something. Such emotions are the breeders of great explosions. Do not permit yourself to emotionalize your dislikes. It is so easy to make hatred and prejudice habits—whether they be directed toward things, people or places.

Cultivate poise and understanding. Know that nothing can disturb you because you are centered in Divine Mind which can never be disturbed. Thus the soul-searing crisis is avoided.

Be positive and meet each thought as it appears. You can create your own experiences for self expansion.

Robert H. Bitzer

Limitation Is Self-Inflicted

AFTER years of listening to people explain mournfully about their lacks and limitations, offering this excuse and that alibi for being unsuccessful, I have come to two conclusions:

First—the only value, if any, to be discovered in the excuses is a marvelous variety.

Second—limitation and lack, in any form whatsoever, is self-inflicted.

Now I realize that it is a comforting thought, apparently, to find something or someone to blame for our shortcomings; but it accomplishes nothing except to remind us of our lack of success and thus intensify and prolong it. How much better to face the real “culprit” in the mirror and *do* something about it.

As a wise teacher once said: “You aren’t poor because you have no money—you have no money because you are poor.” He was referring, of course, to the conscious thought-pattern that produced the poverty.

Uncover the thought pattern that is producing *your* limitation. Change it. Keep it changed. Then see the result in an unlimited life.

Walter Edward Ramsey

You Are Immortal

YES, you are immortal! God is your Life, and Life is everlasting—that which never dies. The moment you really understand this, you will cease being tired, fretting about the future or becoming afraid. You will stop trying to “get” things, and begin handling your world of thought; then things will arrange themselves in peace and harmony in your experience.

You cannot get away from Life, and Life can never be separated from you. You are Life, God-Life, here now and always. Life is Light. God said, “Let there be Light,” long before any sun, moon or stars appeared.

There is no veil between the Infinite World of Light and ourselves. Immortality means eternity. This is your true being, body and substance. You are an Infinite Being governed by Infinite Life living in an Infinite Universe of Infinite Consciousness.

Beloved, live your Immortality now! Take off all burdens and problems; be free from bondage. Raise up that crystal-clear Christ Light within and be Radiant Life!

GOD DWELLS IN THE MIDST OF ME.

▶ *“Great is the Holy One of Israel in the midst of thee.”—ISAIAH 12:6.*

MY mind is stayed on God in the midst of me. I formulate my living by what I believe. I believe that God in the midst of me is my life, my health, my peace and my prosperity. There is no flaw in my believing in God. I claim my heritage of Good. To believe is to have confidence in. God creates Good only.

I believe in the God that is All Good and in His Presence there is no evil. Since God dwells in the midst of me, there is no evil in me. I radiate the Goodness of God. God has nothing but Good for me. Looking to Him causes all of my thoughts and feelings to become high and wholesome. All that God is able to do for me He does at this moment. I believe. I accept. I act in faith. There is nothing to fear.

It is faith in the Good that opens my eyes to behold the Good omnipresent and omnipotent. I act as though it were true for it is true.

LOVE IS THE FULFILLING OF THE LAW.

▶ “Know ye not that your body is the Temple of God, and that the Spirit of God dwelleth in you?”

—I CORINTHIANS 3:16.

MY body was created by the Spirit of God that indwells it. The Spirit knew how to clothe Its Self with substance. This substance manifests as my body. And so it is with the Thought Ideas that I give my mind over to; I conceive of them from the Universal mind of God. As I become aware of thoughts, they are born; as I love constructive, creative ideas, they grow; as I give my feeling self over to them I nourish them, I give them time to mature. When they are complete, full grown, I release them in faith, knowing they know how to clothe themselves with substance. This is how I develop my faith, for it is easy to have faith in Good, constructive and wholesome Ideas. It is also easy to love them into manifestation. Love is the fulfilling of the Law.

MY HEALTH IS FLAWLESS.

▶ *“Out of the same mouth, proceedeth blessing and cursing.”—JAMES 3:10.*

MY BODY is formed of the flawless substance of God. It is incorruptible, indestructible, and diseaseless. Every cell of my body is individually equipped with the intelligence to maintain itself and its function in harmony and perfection.

The Life that circulates through every atom of my body, is Universal Life. It has never been sick or in pain. The only place that disease exists is in the warped thinking of man; and the way to correct this thought that lacks ease, is to change the point of attention.

I bless and praise the flawless substance of my body—I praise and respect the intelligent action of every organ of my body. Each is a Divine Idea in perfect form and function.

I refrain from every critical and complaining word about my body, for such attitudes feed the diseased state. I give thanks for the understanding to accept my perfect health.

Praise the Lord, O my Soul.

MY AWAKENING IS NOW.

► "Know Thyself." (INSCRIPTION ON THE TEMPLE TO APOLLO AT DELPHI. ASCRIBED TO SOLON C-600 B.C.)

Now, the awakening has come! The sublimity of reason and beauty are filling me with conscious understanding that my subconscious has knowledge to work instantly, quickly, certainly and surely, according to *my* dictates.

My thoughts are levelers. My yesterdays have *proved* this by my experiences today. The Truth is now revealed. My duty now is to do the duty which lies nearest me, which I know will make by second duty clearer. I speak now with "authority." The Christ within me; the Christ mind which was in Christ Jesus is the *way*, the *life* and the *light*. This is the symbol. This is my immediate universe. I elect to perfect my comprehension of it.

Triumphantly living, I am conscious that stopping is retrograding. I feel the stern joy worthy of fine forged steel. I know pioneering, blazing new trails; using secret reserves of ability; enriching spheres of personal attainment through greater dependability, reliability, thoroughness, integrity.

I KNOW DIVINE PERFECTION.

▶ *"It is the spirit that quickeneth: the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life."*—JOHN 6:63.

GOD IS INFINITE, Omnipresent Spirit. At all times I am aware of my Oneness with this Spirit, and the glory of my thought makes me immune to negative experiences, even to negative suggestions.

The Spirit within me is God, that Spirit is Perfect. My knowledge of that Spirit destroys every doubt, every fear, casts out all thought of disease and fills me with the knowledge of my own Divine perfection and wholeness.

I am now conscious of perfect health, harmony, wholeness, peace, love and joy. The joyous free flow of Spirit is active in me, cleansing my mind and my body from negative thinking. The joy of the Lord permeates me and renews my whole being, filling me with energy, harmony, vitality, and making me every whit whole.

I give thanks that I am Spiritual, for God is Spirit, and I know that I and my Father are One. "The fruit of the Spirit is in all goodness and righteousness and peace."

MY LIFE HAS MEANING AND PURPOSE.

▶ *“The manifestation of the Spirit is given to every man to profit withal.”—I Cor. 12:7.*

WHILE I do not become over-serious, I know that everything that I do has meaning. This eliminates wasted effort and false friction. It keeps all my energy applied in a constructive way. The All-Knowing Intelligence in me knows what I am doing and why. This avoids any false start. Whatever I undertake I complete. I do not have to experiment through trial and error. Divine Intelligence leads me directly to those things that mean the most and reveals those opportunities which are the most worthwhile.

At all times I am confident that my life has meaning. I can never be uncertain nor in doubt. The one Intelligence causes all things to work out right. That within me which knows, gives the right value to each situation and automatically rejects any experience that would not measure up to the standard of my divine self-appraisal. Thus I give full value for all that I receive. Whatever I do is worth giving my complete attention. My work and my home are important.

GOD PROSPERS ME TODAY.

▶ *“Riches and honor are with me; yea, durable riches and righteousness.”—PROVERBS 8:18.*

GOD GUIDES ME. God loves me. God prospers me this day and always. In His rich Abundance I live, move and work. It is impossible for me to fail — even to want or despair! His Abundance in my life faileth never. He hath put the Spirit of Success in my bones. He hath given me a sound mind, a strong heart, and His Infinite Plenty.

Richly I plan, richly I work and richly I follow through on all that I am given to do. Richly I praise, bless and honor My Father with the first fruits of my substance. I know that in the giving is the receiving. I cast my net of consciousness into the waters of Infinite Abundance and am blessed with profusion. There are no stale, outworn thoughts in my mind. There are no mildewed beliefs of scarcity or hoarding in my sub-conscious memory. I live in the rich abundance and profusion and lavishness of Almighty God forever.

Lord, I do thank thee.

THE LIFE ABUNDANT IS MINE.

▶ *“No good thing will be withheld from them that walk uprightly.”—PSALM 84:11.*

INTELLIGENCE GOVERNS ME. Power acts through me and what I want appears. The life abundant is mine. This same life abundant is destined for all my fellowmen. I have set my mind on God, and I am made greater as His Ideas move through my consciousness into form. I glorify the Divine Mind by my right thinking. I know that my recognition of the Infinite gives the Infinite freedom to bring to pass what I want.

I am certain of God and of His abundance. His Mind cannot know my infirmities. As I think as God thinks, they go. Evil cannot endure when my mind is established in God's thinking. The unlimited Goodness of God is now revealed in my thinking. It bids me to accept Its promises, and to believe Its Law. I do this, and experience my demonstration. The Law of Good is forever working with me.

Today, I rejoice in abundance. I expect the best from everyone, and give my best to everyone. God rejoices in me as I rejoice in God.

I RADIATE GOD'S PERFECTION.

▶ *"Therefore leaving the principles of the doctrine of Christ, let us go on unto perfection."*

—HEBREWS 6:1.

I AM EVER AWARE that I am one of God's children, made in the image and likeness of the Perfect One. As I reflect on the perfection of the Almighty, the Divine Spirit within fills my life with sunshine and provides me with unshakeable serenity and happiness despite any outward appearance of discord or contention.

The Creator and Cause of all that exists could not be satisfied with less than perfection, and I know that I must reflect that perfection in my own life and actions. The Spirit within me brightens my outlook and its radiance shines through and into everything I do. I love to share my light with others, and my life is an inspiration to all with whom I come in contact.

My happiness acts as a magnet that attracts happy circumstances and happy friends, making my days grow brighter and brighter with each passing moment. My heart is filled with love and beauty and overflowing joy that expresses itself in everything I think, say, or do.

THERE IS NO POWER BUT OF GOD.

► *“Let every soul be subject unto the higher powers; for there is no power but of God.”—ROMANS 13:1.*

THERE is only one Power, one Life, one Universe. This Power and Life is of God. Recognizing my sonship with God, I let His Power flow through me; thus I am establishing a powerhouse for all Good. His power regulates the rhythm of my heartbeat, puts new life into every cell and organ of my body, and stimulates the activity of my outer world. His power knows only the Good, the True, the Real; therefore in every act, every word, and in every person I recognize only the Good.

I subject my soul to this higher power—God’s Power of Love and Life — and through this medium come into a sense of Peace and well-being beyond anything I have ever known. Every condition, every circumstance is recognized for its true worth. Condemnation, criticism, judgment, have no power to affect me, for there is no power but of God. I stand steadfast and strong in this knowledge, and let this power of God flow through me now and always.

I APPRECIATE LIFE.

▶ *"The spirit and glory of God resteth upon you."*
—I PETER 4:14.

I AM—and my heart sings with gladness because I am. My gratitude knows no bounds because the great gift of Life is mine. It is mine without limit. The more I take of It, the more It gives of Its Self to me. The more It gives of Its Self, the greater I become.

I spend no idle moments in negative affirmation. I joyously explore and acquaint myself with a greater knowledge of the source of my own being.

I know that I am one with the Source of all life. I find Life's multiplicity of expression magnificent. I am filled with wonder at the magnificence of my own self. I am light. I am love. I am intelligence. I am the creator and the thing created. I am part of a Design and a Purpose that is universal in its scope. Every minute of my day is filled with praise as I contemplate the glory of my own I AM.

I am beloved of the Father. My cup runneth over.

GOD CONCEIVES—I ACHIEVE.

▶ *“I will come to visions and revelations of the Lord.”*—II CORINTHIANS 12:1.

I USE God’s Mind as God uses it. I “let there be” what happens by itself, rejoicing that I announced the good for others as well as for myself.

I do not interfere, I ask no probing questions. I do not take “No” for an answer; I know beforehand that all is done.

I am lifted beyond my former attempts to become convinced. What I declared has been the Truth since then for me, because it was already available to be thought of before I come upon it. It is God’s Faith in me which has enlightened me. He caused me to understand so simple a knowledge. How gladly do I come to my senses in visions and revelations of the Law. Indeed I feel that also my cup runneth over.

I give myself no false credit for doing, thinking and knowing what I know; I but think and reckon my right place according to Divine Order, Design and Action.

God is all-in-all for all; and I exist that it be so.

Fritz Hermanns

I REFUSE DEFEAT.

▶ *“Let him ask in faith, nothing wavering.”*
—JAMES 1:6.

THE Infinite proceeds on Its orderly course, no matter what I think, experience or have. God knows no defeat, and I now establish my thinking in Him whom I believe, and defeat is impossible for me. I erase from my consciousness forevermore the words “impossible” and “incurable.” I know them not, and they cannot operate in me nor through me. My position is clear. I am in God, as God, and am the function of God.

Eternal evolution is my salvation. I am forever growing out of the lesser into the greater. I am God’s Idea becoming increasingly aware of my true self. I am Life in action. I am Love in movement. I am Mind giving form to substance.

God impels me forward toward my own fulfillment. Nothing can stop me, for God is for me. No power nor person can prevent my demonstration of Truth. I am victorious, rejoicing and ascendant. All the power there is, is mine, and I use it to bring to pass the Good I seek.

EACH DAY I LIVE JOYOUSLY.

▶ “ . . . be glad and rejoice with all the heart.”
—ZEPH. 3:14.

I REJOICE that life affords me the full opportunity for expression. I rejoice that the way is opened for my full expression of life. I am happy with my work, with my friends, and with my business associates. I know that sadness and sorrow have no place in the divine pattern and cannot exist in my expression.

I know that the spirit of joy has been given me so I approach my work with joy and gladness. I am happy that I have so many talents to use. I am happy in applying myself to the best of my ability.

If sadness appears I immediately go deeper into the consciousness of my oneness with the All-Good. Nothing can deny my full expression in life. I live joyously, happy that God has given me so much. I believe the promises of Jesus that all that the Father hath belongs to me. Since God has shared his own awareness of perfect Being with me, I rejoice and am exceedingly glad.

ABUNDANT SUPPLY IS MINE.

▶ “... stand still and consider the wonderful works of God.”—JOB 37:14.

AT THIS MOMENT, I am conscious of the perfection and utter endlessness of God’s supply. I am conscious that God is Supply. I consider the overwhelming abundance offered on all hands in nature; and I stop to remember that nature is God’s nature.

I know that God’s abundance is not only obvious, it is intended as a sign. The countless grains of sand, the unnumbered stars, the drops of water in the ocean—all these bear witness to me of a lavish free gift. God’s nature of plentiful Good is intended for me, as well as all mankind.

Here and now I consciously accept the Good that God has offered me. And as this consciousness of Abundance fills my mind, all thoughts of limitation or poverty fly out the window. I feel rich, rich with the blessings God has freely offered. I breathe deeply of the atmosphere of unhampered supply and make it mine.

Subjectively, I accept God’s Abundance. It is the truth about me right now. And so be it.

MY OWN RIGHT PLACE NEEDS ME,
WANTS ME.

▶ *"Always having all sufficiency."*—II COR. 9:8.

ALL-INTELLIGENCE, being intelligent, created me intelligent. It created me for a definite purpose, with just the right place for me to function in and through. So I tell myself in quiet confidence and deep delight that this right and perfect place for me is waiting for me now. It needs and wants me now even more than I need and want it.

My own right and perfect place is where I can give my finest and best, where I can use all my ability, experience and unique individuality and continue to unfold in all ways. The surroundings and associates are stimulating. I like them and they like me. My work is deeply appreciated and generously compensated.

I not only believe this is true but I now accept it as reality. I take it divinely for granted.

I rejoice that God knows exactly where this right and perfect place for me is and He knows where I am and He makes the connection at exactly the right time and in the right way for all concerned. I express my gratitude through being happy.

I AM DIVINELY GUIDED.

▶ *“Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him and he shall direct thy paths.”*

—PROVERBS 3:5, 6.

AS I TURN to God for Guidance I am made instantly aware of the Infinite Intelligence or Wisdom of God. This Wisdom is Omnipresent. It is right where I am and I have complete access to It. The One Mind, the Mind of God, knows what has not yet been revealed to me. It knows where my right employment is and how to bring me to it. Through It I am irresistibly drawn to just the right office, just the right people, just the right ideas.

I am led in perfect paths for the unfoldment of my highest good. My good is right where I am, even as God is right where I am and when I become still and cease depending on human ways and means it is revealed to me.

God everpresent is my Wealth of Spiritual Ideas which in turn become my supply. God is my Security and my Success is assured as I trust in Him. I am Divinely Guided in all that I do and I find true expression and true prosperity. And so it is. *Cornelia Addington*

DIRECTION IS MINE.

▶ *“Being confident of this very thing, that he which hath begun a good work in you will perform it.”*

—PHILIPPIANS 1:6.

TODAY I let God run my world. I stop all attempts to explain the negative. I just live with positive direction. I agree in consciousness with every normal impulse and wholesome desire. God makes my demonstration because I stop struggling with shortcomings and think my assets into action. I am the result of an Intelligence that is Infinite, and every worthwhile impulse has infinite channels for its materialization. I compel neither God nor man to do anything. I do not exert any pressure on myself. I take intelligent steps to help my growth but I let them be a happy unfolding action—never a strain.

The Law unfolds my instructions with natural, unquestioning obedience and I willingly accept a larger plan and fuller life. My expansion is a two-way street — away from the old and into complete agreement with, and demonstration of the new. My thinking is sincere and direct as I admit my desires and allow God to remove all complications — revealing fulfillment.

I CREATE A NEW ATTITUDE TOWARD LIFE.

▶ *"Create in me a clean heart, O God; and renew a right spirit within me."*—PSALM 51:10.

I AM ENTHUSIASTIC about those things I can really believe in. I am in complete accord with life, flowing with it, never resisting it. I concentrate and I give thanks for all of the advantages I now have.

I choose one idea in which I truly believe and build upon this concrete reality. I get excited about it. I cherish it. I exhalt it. I have an affirmative attitude, for I know faith begets more faith. And the more faith I have, the more I can accomplish with ease. What is commenced in faith, is manifested quickly, perfectly and completely. This is the Truth about Life, the truth about me.

I endeavor to inspire one friend to exhalt one belief in his life. I inspire him with confidence in his own abilities. I point out his talents and help him to succeed as I know I shall succeed. I meet life on a friendly basis and I know life is a friend to me. I rejoice in my new attitude toward life.

GOD IS IN ACTION IN MY LIFE TODAY.

▶ *"In Him we live, and move, and have our being."*
—ACTS 17:28.

I AM One with God, Infinite Intelligence. I am relaxed in every situation, every action and every place. I let Infinite Intelligence express life by means of me. I always know the right thing to say at the right time. I always know the right thing to do at the right time. I have perfect faith that God's Intelligence is within me waiting for me and wanting me to call upon it for my every need.

Any negative action in my life at this instant I calmly release to the all-knowing Mind. I know that I am illuminated into right action and Divine unfoldment governs my life.

It is easy for me to feel my oneness with infinite Mind. It is easy to relax and know that God's vibrant, pulsating, creative Power is within me waiting for me to release It. I have perfect self-confidence today and every day for God, Infinite Spirit, lives and expresses creative life by means of me.

GOD USES MY MIND.

▶ *“Wisdom restoreth in the heart of him that hath understanding.”—PROVERBS 14:33.*

THE INFINITE SPIRIT created me to express Its abilities. It made me in the image and likeness of Itself. My mind is a center of Divine Operation. In it are the unlimited Ideas of life. They impel my interest, and offer me greatness. I now accept them, for I am sure of God’s inner inspiration and guidance. Within me now is the perfect movement of Divine Thought.

I let God take over. I have sought too long to produce my own human opinions. These no longer fascinate me nor control me. I see their false premise and their wrong conclusion. From this moment, I am receptive to Truth and Its progressive good. I let God expand me into the full measure of the person He intended. I am not a human mind in a physical body struggling in a material world. I am of God, and my body is the operation of Spiritual Health, and my world is subject to my mental attitudes. This is the Truth.

God uses my mind for the purposes of greatness.

Raymond Charles Barker

I ACCEPT MY GOD SELF.

▶ *“Let us draw near with a true heart in full assurance of faith.”—HEB. 10:22.*

WHEN GOD proclaimed his creation very good he included me for I am his creation. Since God thinks of me as very good I accept myself in the same light. No pattern of self-rejection can exist in my life. I am here because I want to be here. Because I want to be here I am wanted where I am. I cannot get hurt feelings, because I accept myself. My identity in God Mind is forever established.

Everywhere I go I am accepted because of this God identity. I am not afraid of being in the wrong place because my work and my life expression are right.

I know that the law of God never coerces. It could not have brought me into a home where I did not want to go. Nor could it have taken me into a home that did not want me to be there. My birth and my family expression are all part of this divine acceptance.

INFINITE MIND RESPONDS TO ME.

▶ *"Ask and it shall be given you."*—LUKE 11:9.

MY CONSCIOUS awareness of infinite possibilities now expands to embody within myself the principle of knowledge commensurate with the infinitude which is to be known. As I contemplate this infinite law of Being, I realize that the universal Intelligence in which I live, move and have my being is equally infinite.

This infinite Intelligence is my intelligence now. It is my creative spirit. And I know that as I recognize my relationship with this Creative Spirit, it can and will bring my thoughts into manifestation.

This treatment is for the sole purpose of convincing myself that the law of Infinite Mind responds to me, to my every good thought. This treatment is revitalizing my faith and belief in the working of this law. Right now, I know that my word is the law unto its perfect completion. I am sure of this. It is the truth.

This treatment for added faith and belief is God's law. I know It will continue until its perfect work is complete. So be it.

GOD FILLS MY DAY WITH HIS RICHES
AND LIFE.

▶ *“God is able to make all grace abound toward you: that ye, always having all sufficiency in all things may abound to every good work.”—II COR. 9:8.*

GOD is the lavishness of all His Creation and me. Right where I am, the marvels and wonders of His giving appear as demonstration. From His store there is always more and more. Inexhaustible plenty for me and all. Scarcity or limitation are unknown in His Presence. My concepts have boundless dimensions. God’s unlimited giving continually pours in. I make it a law of my life to graciously receive and generously circulate my good.

The joy of living is mine, and the rich treasures of Life lay open before me. Divine Mind is the great, grand affirmative in me. I am God-supported and richly blest with every good thing. I know no lack of any kind. The eternal out-pouring of Life gives me strength and courage for every endeavor. I accomplish the so-called impossible with ease and joy. In this day’s blessings I rejoice and freely share my good with all. Thank you, Father, for the Grace of your Love.

I MEET MY CHALLENGE WITH JOY.

▶ “ . . . bonds and afflictions abide me, but none of these things move me . . . ”—ACTS 20:23, 24.

I AM ETERNAL SPIRIT. I have no beginning and no end. I meet whatever challenges the day may bring with joy and understanding. I know that all seeming troubles are but stepping stones to a fuller life, a wider consciousness and greater awareness. What confused me yesterday is easy for me today, for I see through the false appearance to the nothingness it really is.

No condition has more power over me than I give it. I do not talk of anything that may seem to me imperfect or wrong, for none of these things is important, and none of these things moves me. When I am tempted to voice negatives, I remember that “ . . . it is the habit of the distinguished mind never to intrude personal suffering on another.”

I know that success is mine even if no one else knows it and all outer appearances seem otherwise. I lay hold of joy and make it mine, for joy is my divine heritage.

WHAT I WANT, GOD WILL PROVIDE.

► *“Delight thyself also in the Lord; and he shall give thee the desires of thine heart.”—PSALMS 37:4.*

I AM A PART of the unlimited, unconditioned and eternal perfect action of God. What the Father does, the Son can do. I am the beloved expression of a Power and a Mind which offers all of Its good to me for my right use.

I now subconsciously accept a larger pattern of God's abundance. I praise what I now have as indicative of the more that shall appear. My mind is receptive and my affairs are in order. I am ready and God is willing. Therefore, this prospering action is now taking place. There is no power to hold me at my present level of good. I am a part of the evolving, expanding action of the universe, and I move forward and upward in all my ways.

I welcome expansion and growth. I welcome more of God as my conscious experience. Good rushes toward me from all directions, and I behold it right where I am this day, and beckon it toward me. I give thanks to God for God.

I LOVE AND AM LOVED.

▶ *“There is no fear in love; but perfect love casteth out fear.”*—I JOHN 4:18.

I AM SAFE in the loving Plan of the One Eternal. I know that Plan includes my individual good and I release all fear, anxiety, and criticism. I trust God implicitly. I let no passing experience frighten, distress or disturb me. I am in and of God and I am never forsaken. I am free to live with dignity, to live joyously and lovingly. My love does not enslave, possess or coerce, and I am not enslaved or coerced by any person or any situation.

My every need for love, peace, achievement, understanding and harmony is amply filled. There is enough and to spare in the ever-flowing Givingness of Eternal Wisdom. I am guided to harmony, right action and success. In my home and in my work I let all things adjust easily. I keep my innermost self in touch with Eternal Love. I am free and at peace in Its infinite power. In Reality and in the world, I love and am loved, here and now.

GOD IS JOY—MY LIFE EXPRESSES IT.

▶ *“To this end was I born, and for this cause came I into the world.”—JOHN 18:37.*

THE JOY of the only self-begotten Cause—God—has no end in me. All good happens instantaneously to me because there is no process whatsoever in this first-and-only Cause acting through me.

I now contemplate Joy: It is the power of Oneness in Allness being universally equal. All is as I am: Of one Mind, one Life and one Intelligence.

I let this power be the only one surging through me. Therefore does all of me respond to it. Consequently complete harmony is my experience now. For that reason, there is nothing to fear. Everything is subject to gladness and praise. Life is wonderful and I am glad in it.

I let this Consciousness constantly create good instantly today. All people take to it, accept it and rejoice in it. All situations adjust themselves to the harmony which I am. I use the difficult to succeed by it and render unto Infinite Intelligence what seems problematic.

This is the Truth which God knows and I experience.

INVINCIBLE JOY IS MINE TODAY.

▶ *"In thy presence is fullness of joy; at thy right hand there are pleasures for evermore."*—Ps. 16:11.

I REJOICE in the Power and Presence of Infinite Life, Infinite Mind, Infinite Love. I praise God with every atom of my Being. A radiant Vitality fills my heart and soul with gladness. There is no peace or place in my life that is not filled with his majesty and might.

His glory and honor fill my life with delight, humor, and marvelous freedom from dullness and stuffiness. I rejoice in every good thing. I praise and thank God for all His goodness to me. In my home, business, church and nation, I see and acknowledge the happiness of God being expressed.

Yea, I know that He hath placed His song of Gladness in my heart; I have but to sing it. Sing it I *will!* I shall rejoice in His Power and His Presence all the days of my life, for He is my Life. He hath lavished his Abundance upon me. He hath created all things out of His joy and Love. All of this I recognize as the Truth, and I shall rejoice in the superabundance of His Good for evermore.

MY MEMORY IS GOD KNOWING.

▶ *"The memory of the just is blessed."*—PROV. 10:7.

THERE is nothing in me that believes in loss of memory. God Mind in me is all-knowing. Everything that I have ever done, everything that I have ever learned is a part of my permanent being. Subconscious Mind in me retains all these memories and presents to me instantly whatever I demand to recall.

I do not have to grope nor search to recall that which I desire. Only those memories that I choose to consciously relive have any power. Frustration and mistakes are not part of my present consciousness; therefore, memory cannot recall them.

I know that the purpose of memory is to keep me united with the strength that I have attained in the past in order that my present consciousness may build a greater strength. Thus, I am not forgetful of anything that I want to remember. Since Mind is everywhere and always maintains its own self-identity, so memory can never be lost. It is my awareness of my God identity.

I GIVE THANKS.

▶ *“Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord. Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ.”—EPH. 5:19, 20.*

I AM A POINT OF LIGHT within the Mind of God. I am one with God in the secret place of the most High. In this infinite presence, I give thanks for the surging joy of Life. I give thanks for the Love we all may share, realizing the brotherhood of man and the fatherhood of God. I am truly grateful for the warmhearted friends that share their joys. Thankful am I for all nature blooming forth, shouting its joy to the world through its perfection.

I am grateful for the stars, shining out God's Infinite Being, for the Ocean sounding out God's handiwork in the rhythm of ever breaking wave. I give thanks for the freedom of God's wondrous world and know I have that freedom now. I give thanks for the abundance that is mine to share. For all this joy, for all this Love, for all this freedom and abundance, Oh Infinite One, my life and will is thine. And so it is.

"We believe in One Universal Spirit manifesting through all nature and incarnated in all men. We believe that the Universal Spirit is personal to and reveals itself through everyone who recognizes its presence. We believe that our faith operates upon a Law of Mind which automatically manifests in our experience according to that faith."
