"THE PRINCE OF ATLANTIS". This exotic and enlightening novel of ancient Atlantis embraces much truth of their culture and spiritual teachings, and portrays many a parallel of the Atlantean and our own civilizations today. Fascinating and enjoyable to read. It has enjoyed a splendid reaction. Many are seeing hidden faces of themselves peering thru the pages. Several have identified their roles as Templars in those Atlantean days. The book is a MASTERPIECE! \$4.00

OPEN LETTER
to
Speedily Advancing Persons

DEDICATED TO LORD GAUTAMA, THE LORD OF THE WORLD

Beloved Ones:

"E" asks: BELOVED LORD OF THE WORLD, GAUTAMA, may I receive a message from YOU today for the April Open Letter?

LORD GAUTAMA: Beloved ones of the MAGNIFICENT CONSUMMATION'S RUBY FOCUS, the message you received from a daughter of LIGHT, Sari, is correctly accurate; one mischance might be the vision should encompass both Lemuria (ruby rocks) and Atlantis (white rocks).

You, beloved ones, have been chosen people by MY HUMBLE SELF, because of your sacrificial fidelity to the GREAT CENTRAL SUN and the ONE-IN-THE-ONE. This choice whereof I speak is that your RUBY FOCUS, LAND OF SOUL, is where I AM stationed at MY particular WESAK EXTRA-GANZA. Be ready around May 20th, 1970. There will be in your garden, LORD DIVINO and MYSELF, blessing your part of the world.

In ubiquity of Consciousness, the magnamotive force carries OUR etheric bodies to Long Island (the SHAMBALLA), whence I will divide MY time between two FOCI.

These are the last days of Earth third-dimensional confusions and cruelties in about every department of expression. Humanity has stretched the elasticity of discord to the snapping point. For this reason your Magnanimous FATHER-MOTHER FIRE-FLAME-LIGHT has decreed that the "button be pressed", releasing the fourth, fifth, sixth, seventh dimensions, and these frequencies fly open wide to be absorbed and swallowed into the lifestreams of the loved ones of your Earth--ALL LOVED ONES. ALL ARE LOVED ONES. ALL may automatically SEE, FEEL, and BE the TRUTH which makes mankind free.

I AM very happy to be etherically ALIVE on Earth at this strategic time. I AM enjoying the seclusion and meditative dimension of your pretty room, in your beautiful home on AIRPORT AREA. I have become a familiar member of your family. You are feeling the POWER LINE. The STRENGTH will pour forth and manifest.

What news I can give to you at this moment is not too vital. "IN TIME OF PEACE, PREPARE FOR WAR." The "WAR" of the GREAT CENTRAL SUN will be the "GREAT EXPLOSION" of the COSMIC, here, there and everywhere, into the etheric frequencies of LIFE ETERNAL, and yet remain on terra firma--the sight, the hearing and the LOVE CENTER opening to let the SUNSHINE thru.

Good morning. I AM GAUTAMA--THEY call ME, "LORD OF THE WORLD".

TREATISE, FROM LORD GAUTAMA, LORD OF THE WORLD
Thru Garman, March 6, 1970

Garman: BELOVED LORD OF THE WORLD, GAUTAMA, in obedience to Your CALL, I sit to receive from YOU a message regarding the Sedona, Arizona, area. I see red rocks, ruby-pink rocks they are. I see expanses of high plateaus of ruby-pink rock, that are covered by a very deep layer of whitish-grey rock, sort of silverish. It appears here we have one era of life upon another era. What are the significances and relations involved here?

THE LORD OF THE WORLD answers: The ruby-pink layer of rock is some of the remnant of the Lemurian continent, lying above the level of the waters into which this continent did sink. The silverish layer over the ruby-pink is the remnant of the continent of Atlantis.

Where these bits of two continents now lie together, they represent UNION. They symbolize the UNION of all civilizations into the new civilization and era. This is more than an amalgamation of cultures and consciousness. It represents a rebirth of consciousness and a higher culture. It represents the awakening of man. This one layer upon another layer of rock symbolizes the UNION of the lower consciousness with the High Consciousness. It represents the attainment of the absorption of the lower consciousness into the High. It represents the fusion of the human consciousness into the realization, recognition and acknowledgment, the knowing and feeling, of the FATHER-MOTHER FIRE-FLAME-LIGHT, and this is the awakening into what you call the CHRISTHOOD, which is no less than the Supreme Magnificent FATHER-MOTHER FIRE-FLAME-LIGHT ITSELF, SOURCE of all manifestation, the WE ARE SELF or PRESENCE, that is YOU with HIM-HER-IT; and you, lower part of man, now realizing that.

And this attainment is upon the first rung up into this Consciousness; it is the first CHRISTING of man of Earth; it is the first crossing; the first complete polarization; the first generation of FIRE-FLAME-LIGHT CONSCIOUSNESS which the FATHER-MOTHER FIRE-FLAME-LIGHT begets unto ITSELF as of ITS Children of Earth. Many more progressively higher realizations to come.

To promote this High Consciousness, it has been MY Humble Duty and Privilege to impregnate the Sedona, Arizona, area with FIRE-FLAME-LIGHT; first, that it be cleansed of the lingering disharmonics of LIGHT miscreated by previous civilizations; and second, to impregnate the area with that FIRE-FLAME-LIGHT which serves as a base or impetus upon which to focus here the new Energy for progression of Life on Earth. With MY SERAPHIM, I did perform this duty and privilege.

This impulse of FIRE-FLAME-LIGHT has noticeably impregnated the area, the rock, both ruby and whitish. You feel it here. Visitors feel that which does not imbue other areas. "LOVE," you say. It is the feeling of the resonant balance, repose, that Perfection of Wisdom, Substance, Energy. "Sedona has it," you say. It is that feeling you have throughout the area. It is that impregnation of FIRE-FLAME-LIGHT that makes every site beautiful. From any point, beauty is experienced at every degree of the circle around the point. The eye feels this beauty all around.

This beauty of FIRE-FLAME-LIGHT is the setting for the new RUBY FOCUS. In the Earth and in the ether and in the Cosmos of the area, it prevails. It is the setting for the Earth RUBY FOCUS and the COSMIC RUBY FOCUS, where the Earth Staff and the COSMIC RUBY FOCUS STAFF have been wedded that they draw forth from the GREAT CENTRAL SUN, from the UNIVERSAL FOUNTAIN, FIRE-FLAME-LIGHT, the Electro-Magnetic ENERGY of RUBY and of GOLD and of the SILVER of FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE, and of IRRIDESCENT SILVER of FATHER-MOTHER FIRE-FLAME-LIGHT

IN ACTION, to shed upon all the Earth and her creatures.

Yes, beloved ones, this is the RESURRECTION of man. Here is the FOUNTAIN of RESURRECTION in FATHER-MOTHER FIRE-FLAME-LIGHT that showers upon all the Earth so appropriately in the ruby-rock area, so appropriately where the abodes of two diverse former successive civilizations met.

Here the RUBY serves as the amalgamating element to give cohesion to all the colors, all the RAYS to Earth, for the RESURRECTION of man and Earth; for all RAYS contribute, are integral parts, of the FIRE-FLAME-LIGHT of RESURRECTION, and the RUBY glues them together for the mighty, magnificent task.

So, this FIRE-FLAME-LIGHT project of RESURRECTION employs many minds of knowledge and feeling, and it shall be done!

The first phase of this work is that of Healing of the retarded and unawakened. The ENERGY of the RUBY FOCUS is employed to expedite the mode of Healing in the phase of JESUS AND MARY. MOTHER MARY is externalizing here at Sedona, Arizona, the ENERGY of the Palestinian LIGHT and LOVE of the RESURRECTION FLAME.

Impersonally, this Healing FIRE-FLAME-LIGHT is transforming retarded body and consciousness. Impersonal, because it is not that individuals are furnishing the initiatory energy, but the amalgamated LIGHT from all the RAYS at their Earth FOCI polarized with the ENERGY of the CELESTIAL AWAKENED ONES is impersonally bringing these RESURRECTION Healings. And the impetus is thru the RUBY FOCUS area. WE will here quote MOTHER MARY'S Decree:

"THE LIGHT AND LOVE OF THE RESURRECTION FLAME OVER THE RUBY FOCUS MOUNTAINS FOR THE RETARDED AND UNAWAKENED." (3x)

This is MOTHER MARY'S Decree that all shall voice it.

This is the ENERGY, RUBY FIRE-FLAME-LIGHT, that is healing people who come to this FOCUS; and people living far and wide are, mysteriously to them, affected, healed and transformed.

This is the ENERGY, RUBY FIRE-FLAME-LIGHT, that during the giving at Al Sirat, of the FATHER-MOTHER FIRE-FLAME-LIGHT Treatise entitled "THE FORMULA", for nine people, gave to nine people varying degrees of significant healings of body and awakenings of consciousness.

And so goes Phase No. 1 of the RESURRECTION FIRE-FLAME-LIGHT for the cleansing of the BODY of GOD, FIRE-FLAME-LIGHT, taking in those persons who can be WITH IT, WE ARE.

I, GAUTAMA, LORD OF THE WORLD, have recounted for you, Phase No. 1 of many and successively, progressively, more potent and far reaching developments in the RESURRECTION of man of Earth to sprout, bud, and flower from this FOUNTAIN of the NEW AGE LIFE, the RUBY FOCUS at Sedona, Arizona. Look for world-throbbing pulsations of LIGHT to issue thru this FOCUS, which is to be the abode of many powerful AWAKENED ONES, that all shall be accomplished. Such will congregate at the RUBY FOCUS which is Sedona, Arizona.

I herewith announce that I, GAUTAMA, the LORD OF THE WORLD, will be at their HEAD, for I choose to make the RUBY FOCUS one of the two RETREATS where I will reside. The other is SHAMBALLA at Long Island.

So it is! I AM LORD GAUTAMA.

"E" says: BELOVED T.M. "QUEEN OF LIGHT" of the GREAT CENTRAL SUN, what is your reaction to LORD GAUTAMA'S narration to Garman?

QUEEN OF LIGHT: I bow in deep reverence; how humble HE is!

It might appear that our Garman has, himself, had an initiation. Now the "tall man in silver garb, with the blue shield of protection".

is his battery. I AM overjoyed to be "in the know" that this "tall man" is the Androgynous FIRE-FLAME-LIGHT OBJECTIFIED! How excruciatingly wonderful!

I shall continue as long as I AM needed as QUREN OF LIGHT, most humbly to give My reactions.

I AM also overwhelmed to know the BELOVED GAUTAMA, THE LORD OF THE WORLD, is residing in your beautiful home, dividing HIS time between two coasted zones, with an all-pervading protection.

My reaction to the Treatise could better be given a message from lovely Sari, of Southern California.

From Sari's letter: "When I glanced at the Open Letter cover, with the pink rocks of Sedona, I went back in time. It was so wonderful. My vision must be shared with you of the RUBY FOCUS. I saw the "LORD OF OUR PLANET" sitting alone on a rock. HE telepathically directed a marvelous purification process to this area (Sedona), which I sensed was a tiny piece of Atlantis. *

"Twelve to thirteen GODS at least 18 to 20 feet tall stood silently receiving instructions. It seemed that they realized DIVINE POWER to purify this area. No lesser rays were visible. Then I noticed a giant spaceship ready to take flight. It was not given to me if they were removing people.

"The pinkish-red radiations now present in these rocks of Sedona are part of love vibrations disseminated by the LORD OF THE PLANET and these mighty GODS. Many reincarnates are being pulled back to their homeland." (End of vision.) -- Sari.

*Note: (Lord Gautama says, a large area of Lemuria, too.)

Listen well to the explanation of LORD GAUTAMA, LORD OF THE WORLD. I AM T.M. with G.V.P., Divine Complements, of the GREAT CENTRAL SUN.

MESSAGE FROM BELOVED MOTHER MARY, thru "E"

"E" asks: BELOVED MOTHER MARY, this is a rainy, dreamy day of reverie "on things eternal". What is Your Message?

MOTHER MARY: There is so much to tell you, dear little "E". The word "RESURRECTION" connotation in this 20th century has much more intimate, more personal interpretation than the DRAMATIC EPOCH OF 2,000 years ago.

Today, bordering on a "MAGNIFICENT CONSUMMATION" of things of fourth dimensional, life third dimensional "RESURRECTION" is now a personal graduation. ALL are to be "resurrected" in conscious frequency. Great will flow the LIGHT and ELECTRONIC ENERGIES upon beloved humanity-- ONE and ALL! ALL is adjustment. ALL is balance! I mention "acoustics of the new day" only because this metamorphosis will come in "hearing", "seeing" and "feeling".

I must tell your disciples world-wide of a new modus operandi of healing. It is accomplished thru a MATRIX OF COSMIC LIGHT, of which a shaft is RADIATING upon a rollecall of names to receive the DIVINE ESSENCE OF HEALING. This eliminates the former physical, mental and emotional toll from the healer, who now places ALL in the POWERHOUSE of the RESURRECTION FLAME. (Channel "E" can testify to this alignment with US, having experienced a definite crash in an area which needed healing. The crash represented adjustment forevermore, not ever to creep into another quarter of the body.)

I have conditioned the "ESSENCE SHAFT" of the RESURRECTION FLAME LIGHT radiating unto the PATIO of the "LAND OF SOUL", in Sedona, Arizona, a Department of the RUBY FOCUS; a book of names spoken into the etherized atmosphere, wherein the LIGHT encases the SUBSTANCE into these

This way you feel closer to ME, more intimate with ME. All this is of course when you resolve to be in tune with ME, are a harmonious person, keep yourselves out of the way of MY WILL, which WILL is, therefore, of the MAGNIFICENT PART that your FATHER-MOTHER FIRE-FLAME-LIGHT SELF IS OF ME. "WE ARE" is that whole feeling of ONENESS in OUR SILENCE and OUR ACTION. It is the feeling of COHESION, of cementing, of unifying everything, and that WE say again is the function of MY Color RUBY and of OUR RUBY FOCUS on Earth. That function is to bring together the scatterings of LIGHT and COLORS, and the scatterings of the expressions of thought and feeling, the scatterings of LIFE, the scatterings of Consciousness and attention.

The RUBY FOCUS can be called the "WE ARE" MOVEMENT. It is the "I" and "YOU" doing together. And that brings us again to the very simplicity of adoring and serving US.

Now, WE were speaking of POLARITY and of the many, many POLARITIES, individualizations of MY POLARITY THAT IS MY OMNIVERSE.

But now WE must reduce all this to a simplicity for you. For it is simple enough to speak of POLARITY, the two-in-one that brings about the third; but don't, for you do not need to, try to understand particularly how the FATHER and MOTHER Rays, by their loving, magnetically draw the electrons of Life together into their creation. Yes, psychically this can be done, has been done, but what WE mean is that it would be hopeless for you, consciously, scientifically, humanly, to do it. Obviously, you try that; but sad to say, you do work as if that is what you would do in your egoic wilfulness and selfishness, your know-it-all mundane, scientific attitude. Give it up, MY darling children. Just leave that to the FIRE-FLAME-LIGHT THAT "WE ARE". You just do your lower thinking and desiring as ONE with OURS. Make the process most simple by simply being conscious that "WE ARE". And then you are realizing that really now you are doing it, for it is your Magnificent FATHER-MOTHER FIRE-FLAME-LIGHT PRESENCE, as ONE with the ONE, that is actually, precisely balancing, loving, (COSMICALLY, LOVING IS SIMPLY A PROCESS IN BALANCE) the electrons to create the perfect product. That is just how simply you, the lower one, are just leaving it all to US.

Simply, you have become conditioned, for you have overcome all disharmony, wilfulness, so you can have the formula of OUR WILLING and THINKING as yours, and that COMMANDS the manifestation.

And you realize from your intunement with your Magnificent FATHER-MOTHER FIRE-FLAME-LIGHT SELF THAT WE ARE, that something magnificently substantial has come about in, through and for your ESSENCE of FIRE-FLAME-LIGHT, provided you have been obedient to simplicity, that is, to a simple recognition that all this seeming activity has been but a "cup" for the activity of ESSENCE to bring about something for ITSELF for US. And you rejoice boundlessly over the closeness and intimacy of your part in IT. IT is the intimacy of undivided ONENESS. How most wonderful to US!

You see, blessed, blessed children, that WE ARE gently and surely leading you to the utter simplicity of wanting to feel and think only what WE ARE feeling and thinking; and to make this feeling and thinking so continuously a habit that all you can think of and feel way down in your lower activities is US. Ever US-CONSCIOUS!

And always conscious that it is as if the whole structure of LIFE is as a pyramid upon which WE ARE the CAPSTONE of ESSENCE THAT showers ITSELF down through all layers to the very bottom layer of least-frequency activity, all on behalf of US, the CAPSTONE.

Children, OUR formula evidently resolves itself into the simple concept and practice of just having ME in all your thoughts, feeling,

awareness and activity, with absolute comprehension and feeling of absolute and final conviction that WE inevitably take care of everything for the sake of US, the ALL. "WE ARE!"

Now children, thru our previous Treatise on the "FORMULA", WE demonstrated the Power of Perfect Concentration on US. To wit: Of the nine who were present in the intimate gathering where the Treatise was given a week ago, there were three persons who received great healings during the presentation of the Treatise, and all the other six can testify that something wonderful happened to them. This was simply because thruout the Treatise, their attention was kept glued to US, adoring US. WE aim and WE charge you, that you shall keep glued to US, all your mind, heart, soul, and action!

Enough for this time. I have spoken thru MY Spokesman Garman. Having spoken of US, WE ARE, you are now aware of what WE mean when WE say, "Garman is MY Partner in LIGHT." And that he is, as you are, too, inasmuch as you choose to be. And as WE ARE, so he is ONE with his HIGH SELF, G.V.P. and Divine Complement, THE QUEEN OF LIGHT, SUNBEAM of the GREAT CENTRAL SUN, and FLORENCE RUBY, RUBY FLAME in the GREAT CENTRAL SUN.

"WE ARE" FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE AND IN ACTION.

"E" asks: BELOVED T.M., QUEEN OF LIGHT, what is your re-action to FATHER-MOTHER FIRE-FLAME-LIGHT'S Treatise thru Garman, "WE ARE" ?

QUEEN OF LIGHT: "WE ARE", what cozy words! There is a warmth and security, a feeling that "WE ARE" never alone.

Within the Consciousness of the GREAT CENTRAL SUN, "WE ARE" indeed ONE-IN-THE-ONE, of ONE ESSENCE. This was the hidden secret formula, which in my day, not so long ago, I had "touched" and thru the humble unconsciousness, with no knowledge, I became the ESSENCE, was sainted, and I received the gifts of Universal Healings, and these healings are still potent to those who ask. This well conditioned ESSENCE has contaged MY Beloved G.V.P., and HE, too, can heal HIS fellowman, with Knowledge but without mental radiations--just "WE ARE" attunement.

I believe that the "SINGING INFINITE" bespoke this universal intimacy, "MANTRUM TO BRING HEALING", page 38.

"Sing: DIAL into the FATHER Consciousness in ME,

The "I AM" ("WE ARE") part of ME,

To receive of the healing and the friendly waves in ME,

Of ALL THOSE in the FATHER Consciousness in ME.

RELAX AND PRAISE FATHER: PRAISE FATHER'S LIGHT IN ME!"

Now, with the expansion of the GREAT CENTRAL SUN'S Magnificent Multiplication Formula, "WE ARE", we can now call on FATHER-MOTHER FIRE-FLAME-LIGHT and receive of the TWO NEW LIGHT RAYS.

How the Heavens have opened wide and multiplied the blessings to the people of Earth since the years I spent on terra firma! Those were the days of the 1890's. What a complete metamorphosis!

"THE FATHER RAY AND THE MOTHER RAY IS THE TWO-FOLD RAY THAT 'I AM' 'WE ARE' IN ANY PARTICULAR POLARITY", quoted from FATHER-MOTHER FIRE-FLAME-LIGHT HE-HER-ITSELF.

I now see clearly elucidated, thru FATHER-MOTHER FIRE-FLAME-LIGHT Treatise, how closely related was MY Consciousness with this beautiful atmosphere. I was ONE with the "WE ARE".

Without knowledge of, I must have become an ESSENCE of this divine atmosphere, because I was bequeathed the gifts of Healing ubiquitously.

I AM, "WE ARE", most fortunate to be united with MY Polarity,

who is now becoming contaged also with this ESSENCE. This has become a most beautiful realization, eternally sustained. Together, we now serve and radiate the glories of the Heavens toward all who ask.

I AM T.M., SUNBEAM of the GREAT CENTRAL SUN.

ST. BERNADETTE

We wish to announce that (St.) Bernadette has been revealed on Earth--one of many who will be.

We excerpt from a letter from Bernadette:

"BELOVED MOTHER MARY told me where to find a Mother-of-Pearl Rosary, and how to pray on it. It was made in Bethlehem, and even the cross is Mother-of-Pearl.

"I have been traveling to the TEMPLE OF THE FLAMING PEARL lately, which is presided over by the World Mother. The FLAMING PEARL FLAME is wonderful to see.

"Another thing, I have lately been drawn to the Jasmine scent, after I was told of an Indian embodiment in which I was named "Jasmine". And a friend sent me some Oil of Jasmine that can be used as a perfume or put on a light bulb for fragrance. I wore it one day when a friend came over, and she said, 'Oh, you have that lovely scent on again.' I said, 'This is the first time I've worn it.' She said, 'That is strange, for every time I am around you I get that same fragrance.'

"I pray each day and evening for the sins (mistakes) and suffering of the world; for incoming souls to be healthy in mind and body; for those making the transition to be taken to the Octave of Light and be taught the way of the Masters; for Love and world Peace; and for those who have no one to pray for them.

"Please tell my people (and all the world is my people) that St. Bernadette prays for them many hours a day and sometimes far into the night; not to be discouraged, for I am praying for their suffering and needs; that those who feel unloved and unwanted, that I love them and want them, so they will know that my prayers are always with them and my Love eternally enfolds them.

"I have a lovely Ruby and Gold and jeweled candle holder; and I burn many scented candles in Love for you and humanity. I LOVE the RUBY FOCUS.

"I am Bernadette. Fragrance and Flower: Jasmine; Color: Pale Blue; Jewel: Mother-of-Pearl; Song of Bernadette: 'The Impossible Dream'."

"THE COMING GREAT GOLDEN AGE OF ESOTERICISM"

By Dr. Edward T. Whitney, M.D.

We should wish to do everything we can that every participant of ESOTERICISM, the knowledge and consciousness and application of the INNER LIGHT (FATHER-MOTHER FIRE-FLAME-LIGHT) would have this book that is a "nutsneil" for the Essence of a thousand books.

The Author went thru all the courses of Life, study and research required to lay before us the Essence extracted from the "Body of Truth", especially the teachings beginning with the revelations to Madame Blavatsky, and thru all to that which MAGNIFICENT CONSUMMATION is bringing forth to-date.

He lived all that which he studied: Science, Religion, Occultism, Esotericism; but he was "open minded concerning any more recent or past instructions about Cosmic Law and the Inner Light, and any information concerning the progress being made by the Ascended Host to bring in the Coming Great Golden Age..... He has attempted to extract from this 'Body of Truth' the Essence needed, and he has put that Essence into the present volume (and into the volume(s) to be subsequently published), and has discarded that which is not pertinent thereto.

"When the overall picture is cognized, it is wonderful to behold. It is there on the horizon for all to see and to attain, when the eye has been opened up thereto."

EXCERPTS FROM LETTERS

M.C.: "Just before dialing your number, MOTHER MARY'S Light and Presence came and stood before me. SHE was Blessing me and Guiding me with her Soft Peaceful Joy in what was about to take place. I had not realized her close relationship to you both, but after speaking to you and reading the words from Her own sweet mouth in the Letters, it is clear that SHE desired once again to Bless another little one on their pathway. (A retarded little boy was healed), and my soul rejoices as I dance under the stars in Gratitude for being led as a little lamb into green pastures and into My Beloved Shepherd's arms."

M.N.: "I do look forward with great anticipation to your wonderful Open Letters. They are so revealing of the Great Love and Light that is for me and, I am so glad, for everyone. Multiplied Blessings!"

J.H.: "Thank you so much for the ever new and wonderful Open Letters. There is something for everybody on all levels."

V.P.: "There are no words in my vocabulary adequate to express my deep appreciation of that which you do for all of us in your Open Letters! Making Real so much that was nebulous and unreal before--bringing into a close-knit Unity all of the Great Universes of our Blessed Father-Mother Fire-Flame-Light, drawing us, yes, even me, close to every one of His Great Sons--particularly my Master Sananda."

M.N.H.: "Thank you for both January and February Open Letters. How wonderful they are! "FATHER-MOTHER FIRE-FLAME-LIGHT"--Their Love is so wonderful. They take such loving trouble with us so that we may really understand, and draw us up so close to Them in Their wonderful Love that it melts the Heart within one. There is nothing one could not do for "Them". How lovely to see Beloved Sananda's Picture on the Cover of the February Open Letter."

A.J.L.: "I had received the marriage of Cosmic Ruby Focus and Earth Focus and Sixth Ray as the hands forming a chalice--from which sparkling golden waters continually overflowed. Protecting the hands was a wonderful, magnetic Blue Ray which, as I put out my hand to touch, sent out red flashes of Love--so you can imagine what a joy it was to me to read your Open Letter--proving without doubt that I am with you in thought. This is such a comfort to me, as I am a bit isolated here, and my thoughts become my powerhouse."
