ONE AGAIN

These Beautiful ONES are as "ONE FLAME". THEY never lived on Earth; but in Their Own UNIVERSE THEY have lived so purely that THEY are now released to help Their little Earth Brother and Sister to attain FREEDOM--FREEDOM in every department of living--eventual NIRVANA in "RHYTHMIC PULSE ESSENCE" and TIMELESS ETERNITY. Then ALL FLAMES will burn as ONE FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, and this is soon, soon, soon, SOON! Let none delay it!

We speak in reverence for ARIAMAS-AVANTARII. By Channel "E".

Open Letter on Nature's Course

OPEN LETTER  
to  
Speedily Advancing Persons

LOVINGLY DEDICATED TO THE BELOVEDS ARIAMAS-AVANTARII

Beloved Ones:

"E" aska: "BELOVEDS ARIAMAS-AVANTARII, the Magnificent Consummation is dedicating the August Open Letter to YOU and the TENTH DIMENSION of TIMELESS ETERNITY. Will YOU tell me what to write?"

ARIAMAS-AVANTARII: It is indeed an honor to be invited to discourse upon the subject nearest and dearest to Our Hearts, which is the TENTH DIMENSION.

The TENTH DIMENSION is now bursting forth, opening ITS MAGNIFICENT LOTUS BLOSSOMS to Earth Consciousness, and the Flowers of humanity will be given FREEDOM in every phase of Being. This is the burning desire of THE FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, to free forever all life which has been bound to limited environment, imprisoned on Earth.

Rather than use poetic words, WE, ARIAMAS and MYSELF, AVANTARII, would rather tell you how to enter the portals of Our CONSCIOUSNESS, the SUPER STAR UNIVERSE. As of all levels of LIGHTED CONSCIOUSNESS, your attainment is thru decree and contemplative meditation. Decree often. Get the INNER ESSENCE out of the words. This will carry you up, up, up, up beyond the GREAT CENTRAL SUN into Our UNIVERSE of PERFECTION and TIMELESS ETERNITY. WE then see you as Iridescent Stars, winging into Our High Level of LIGHT. This is a Joy and Ecstasy to behold!

WE REJOICE! This is your IMMORTAL THOUGHT, and the form of TRANSLATION will become a popular evidence, from the dates May 18th thru the 23rd, 1976. These were the dates from which WE INITIATED THE RUBY FOCUS People--all thru those IMMORTAL DAYS on the beautiful patio of the RUBY FOCUS, Magnificently Consummated.

WE lifted the consciousness of these Loved Ones into our UNIVERSE. They have never been the same since, nor will they ever be, because of the acceleration of Our PURPLE LIGHT and IRIDESCENT SILVER LIGHTNING, flashing the cells of all seven bodies. IT WAS THREE DAYS OF RESURRECTION.

Beloved SERAPIS BEY delighted in ASCENSION CANDIDACY, inviting those who wished to come to the ASCENSION FLAME RETREAT for study and Purification, during evenings while asleep. Leave a note of request by your bedside. HE will send a Seraphim to get you and return you safely. CHA ARA, bless His Heart, teaches in Our PALACE OF LEARNING, PRECIPITATION and Its LAWS. HE will teach you how to escape the greedy money wheel of Earth. His MOTHER, LADY META, is sending Her LOVE RADIATIONS.

ARCHANGEL MICHAEL AND FAITH, with thousands of ANGELS, protected our sacred Holidays.

Beloveds HELIOS AND VESTA swirled thru the Sanctuary, blowing in and thru the atmosphere Their Red, White and Orange SUN FLAMES. THEY called IT FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE BALANCE. (4 X) BALANCE and EQUILIBRIUM are the most wonderful words in the language. Hospitals are cheated thru the subconscious qualities of strength.

Beloved SANANDA of SPACESHIP No. 10 and the CRYSTAL TEMPLE in the Ethers over the City of the ANGELS, and also EOLIA of the GREAT CENTRAL SUN enjoyed these sessions of the RAINBOW FESTIVAL. FATHER KUTHUMI was in evidence. GAUTAMA, THE LORD OF THE WORLD, and Beautiful DIVINO, THE GOD OF LOVE, were in the sky above the ROSE GARDEN in a Golden Chariot. Thousands of MASTERS were there--so many--and it is a good provision that the ETHERIC knows no space or distance.

You were conscious of your RAY OF LIGHT as your body, in the TENTH DIMENSION of TIMELESS ETERNITY AND TRUTH. (4 X)

VESTA said: Let us give homage to FATHER-MOTHER PRINCIPLE OF GOD, ONE. (10 X) WE love to serve THEE. (10) And the answer, "WE ACCEPT." (10 X).

Our NAMES have deep meaning. ARIAMAS, "WITH GOD ALL THINGS ARE POSSIBLE", and AVANTARII, "INFINITE MERCY AND COMPASSION." (10 X) This is the RHYTHM, 10 times.

My INTUITION is a Tube from the VOICE OF FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE into My HIGHER CONSCIOUSNESS. WE ARE the TENTH DIMENSION of FREEDOM CONSCIOUSNESS. (10 X) ONENESS CONSCIOUSNESS. (10 X)

JOPHIEL AND CONSTANCE. (4 X) I AM receiving ILLUMINATION and WISDOM. (4 X) ISN'T IT WONDERFUL! (4 X)

FIRE-FLAME-LIGHT-LOVE. RUBY AND CHRISTOS, LASER BEAM, MASTER J.L., EL ARAN AMMA, ARIAMAS AVANTARII. (4 X)

Now, to excell these words with practicality, what will be the effect on the Beloved Ones who dedicate their minds to becoming TENTH DIMENSIONAL? The EFFECT is ABSOLUTE FREEDOM from the bonds of Earth, yet live on Earth, Radiant Good Health, Strength, Youth, Power, Peace, Plenty and Translation.

WE believe that the Beloved "E" came into our HAVEN OF CONSCIOUSNESS very quickly, verified by ADMINISTRATOR SANANDA of SPACE SHIP No.10, of the TENTH DIMENSION. It reads: The Beloved Evangeline of MAGNIFICENT CONSUMMATION'S RUBY FOCUS, now of the TENTH DIMENSION, has made Her "AIR-LIFT" as of June 21st, 1976, into Beloved SANANDA'S Spaceship No. 10. Her PROJECTION has remained on Earth to further meet the CHALLENGES of the RUBY FOCUS, proving that children of FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE can realize FREEDOM from the Third-dimensional density and ARISE into the GLORY of the TENTH DIMENSION and yet live on Earth,

IF, IF, IF, IF,  
to serve the TENTH-DIMENSIONAL "RHYTHM" and "PULSE ESSENCE", TIMELESS ETERNITY. This is the new PHASE of IMMORTALITY, and Gift of ARIAMAS-AVANTARII. This FREEDOM can be obtained thru anyone who follows the "RHYTHM" of the TENTH DIMENSION. WE AWAIT YOUR ENTRANCE!

WE have many MASTERS in the TENTH DIMENSION, because THEY and thousands of OTHERS all over the Earth are Emissaries of FATHER-MOTHER PRINCIPLE OF GOD, ONE.

WE, ARIAMAS-AVANTARII, are not Custodians of a New Universe. WE have existed for many eons. But WE were remote to Earth consciousness. Remote, until RUBY AND CHRISTOS, the TWO NEW LIGHT RAYS--EIGHTH AND NINTH RAYS--tapped Our Resources with Their LASER BEAM. So luminous has become the VIOLET TRANSMUTING FLAME on Earth, that IT pierced Our STRATA. Now WE have bequeathed to you the Gift of the PURPLE LIGHT with WHITE Iridescent SILVER LIGHTNING! a HIGHER RADIATION! Now perchance, the Great NIKOLA TESLA can accomplish something with the SOLAR ENERCIES, so that you may enjoy the Earth in Peaceful COMFORT!

THIS IS THE TENTH DIMENSION IN ACTION. WE HAVE BEGUN! While the

**RUBY FOCUS** has given to Our LIGHT, ENTRANCE into your Valve of atmosphere, WE have taken into Our Midst to serve with Our "J.L." the Magnificent Consummation's G.V.P., now under the new Name of EL ARAN AMMA; and TOGETHER, THEY will impregnate Our ESSENCE into and thruout the Earth to ease the burdens of mankind. Their EMBLEM is the outstretched arms over the head, fingers meeting left to right, and this means "TOGETHERNESS".

BLESSINGS: BLESSINGS: BLESSINGS: BLESSINGS:

"WITH GOD ALL THINGS ARE POSSIBLE."

"INFINITE MERCY AND COMPASSION TO ALL."

WE ARE, ARIAMAS-AVANTARII.

Call on US for assistance. WE ARE always here! WE will send the PURPLE LIGHT and IRIDESCENT SILVER LIGHTNING.

LORD PELLEUR, thru Mark Brownell, Saturday morning, May 22, 1976

LORD PELLEUR: GOD bless you all! Yes, I AM Beloved PELLEUR speaking. My Message is one of LOVE. My Message is also a Message of POWER. One thing that WE desire is that no Student of LIGHT works to release or manifest POWER unless he first is qualified to release IT with LOVE. This is tremendously important; and in order to release any Message with LOVE, it requires WISDOM. THE THREE--LOVE, WISDOM AND POWER.

As PELLEUR, I have an important Office in the Center of your Earth. The Center of your Earth is far closer to the Fourth Dimension than the outer manifestation. Those who have been privileged to come into the Center of the Earth--the Entrances at the Poles, have moved a great deal closer into the Fourth Dimension. It is not a definite blind from Third to Fourth. There are stages of partial "one way or the other", and many of you Blessed Students manifest much in the Fourth Dimension, and you are all moving into the Fourth Dimension. This is part of My Blessed Office, to assist the Earth in raising into the Fourth Dimension; and there are other Higher Dimensions, fifth, sixth, seventh. This is where the future manifestation is.

But if, in your decrees, you would consider and give ME some attention, I will reward you, because that LIGHT comes down from your GREAT CENTRAL SUN thru your SUN, thru your Golden GOD PRESENCE, the I AM PRESENCE OF LIGHT, the CHRIST SELF, and down into the interior of the Earth. Let that LIGHT flow in a steady stream. You can become a Channel and Pillar of LIGHT. And as you become a Pillar of LIGHT, you are ascending that body of yours to raise it into the Fourth Dimension. This is important, because the more Channels, the more that work with the LIGHT WE have on Earth, the sooner shall this Earth raise into that Fourth Dimension. And that will be a glorious time.

Many will not be able to "take" that Dimension, and will not take that High Vibratory Action; and they will pass out in what is called "death" into another third octave. But there is no death. They will move into another place where they can go on with their schooling of Life, for all Life is a school. You are raising in the Life until the time when each one of you may have your own world. You may have a Group of Worlds; you may have a whole Universe at some future time. Oh, it may be a million years from now, but what is that? Many of you are already that old. Do you believe that? Well, you are!

Many of you have been around a long time. Of course, you do not look it. And many of you are looking younger now, too. Accept it, My Precious Children. Mankind has accepted that after a certain time they would grow old and decrepit. That is something you don't have to accept any more. You can draw in the TWO NEW LIGHT RAYS into that body, with

the ESSENCE of LIGHT, and have all the POWER and LOVE and WISDOM and Perfect BALANCE that will raise that body and hold it in Eternal Youth and hold it strong and active and able to function in this world as long as you have duties that you are supposed to accomplish here. But no one is given a duty and have said to them, "This is a duty that you have to do!"

All of our duties and those things we are so grateful to have an opportunity to do in the physical octave, were of our own choosing. We chose these things we are to do. We chose before we ever came into embodiment, what we were going to do in this embodiment. Many of us have fulfilled it wonderfully; some of us have done more than we came into embodiment for. Others of us--we haven't even got into our real work, our real mission in life. Oftentimes it takes nearly a whole embodiment to prepare for that job that we are to do; but perhaps in a very short time we can finish that job. And we must all know that because we did come into embodiment here to do a certain job, we do have a mission to fulfill. And if we do not fulfill our mission, then something is missing. So, we are all important.

You have some wonderful mechanical instruments which you call "watches" and "clocks". They have many wheels in there; but you know even the smallest wheel is necessary for that watch to work. But many of you think that you want to be a "big wheel". You don't want to be a "little wheel". That doesn't matter whether you are small or great; if you are fulfilling your job, then you are helping the watch to work; or in this world here, you are helping to bring in the "RULE OF PERFECTION" that is to be in the New Age. And we are to have a beautiful Golden Age.

There are so many wonderful inventions to come in that you will be amazed at their great Perfection; and those who are trying to obstruct the new things coming in and hang on to the old things for selfish reasons or others, reasons of selfish power, those people--Oh, WE know all about them--they shall one day be on their knees and asking for the forgiveness of GOD for their mistakes that they made in the wrong use of POWER and authority and money, etc. Know that the MASTERS know all about these things. Don't be too concerned about it yourselves. It is all right to investigate these things and know what is going on and know what is black and what is white, but do not fear that it is your personal job to change all that is black into white, because it is being done. But the greatest way in which you can change the Earth is in the radiation of LIGHT that you send forth. You all receive LIGHT from ABOVE. You are given POWER, you qualify it with WISDOM, and you send it forth with this LOVE and WISDOM; qualify IT, and say how you want it to act. That is your prerogative. And those who are sick and need you blessed Ones to decree and send forth these Activities and qualify them in the way that you want it to act, call on the NAME of the SUPREME AUTHORITY. You are the authority anywhere in the physical octave; and WE in the ASCENDED STATE need you Blessed Ones to decree and send forth these activities and qualify them the way you want it to act. The present people who are living here are still the authority here. If you work for a manufacturing plant and you quit and went to another plant, you would no longer be an authority in the first one. That, to a certain extent, is the way the ASCENDED MASTERS are. THEY have graduated from the Realm down here; so THEY need your authority here.

If you are working at a manufacturing plant and you have something wrong with an electrical activity there, you would call in an electrician and he would have the authority to go in there and fix whatever is needed. So it is with you folks down here on the Earth. You Blessed Ones, if you see an activity that needs fixing up, you would say, "ARCHANGEL MICHAEL, come in here and throw Your BLUE FLAME in there and clear it up." So if

WE are given the Authority; WE can do more in an instant than you could in months, perhaps. It is the same with any Blessed GREAT ONE. Each ONE has specialized Activities that THEY are Great in; so call on the ONES that you know specialize in certain Activities and THEY will come in and do that; but THEY need your Authority. THEY need you to CALL ON THEM. So, this is one of the Greatest Services that you can render. And in this Service, you are perfecting your own self.

There are Rules: That as you issue these decrees, if you see your SELF as a Pillar of LIGHT, and see that LIGHT going down to My Activity, then I will intensify that from the Center of the Earth, and your Pillar of LIGHT will be as much more powerful as I multiply that LIGHT, and you will be purifying the Center of the Earth to an extent. And the very Substance of the Earth needs to raise into that Fourth Dimension. So as you issue your decrees and feel your connection with the Center of the Earth, then it is so much more powerful when your decrees go forth with that Activity of LIGHT and LOVE. So, now just feel that this whole FOCUS here is a great and mighty FOCUS of LIGHT. Your hands of LIGHT are uniting in one big LIGHT, and goes from the Center of the Earth. The LIGHT works both ways. I can send IT up even as you send it down. Other GREAT ONES send IT down. It comes down in a spiral. Most LIGHT Activities work in spirals; but the LASER BEAM shoots in a direct way; and there are other times when it is needed to send a Direct Ray with great and mighty POWER. So, always know that they go forth with LOVE.

As you see or feel some destructive activity that you want to correct, never send it forth with resentment or hate. That would defeat your purpose, and that hate goes thru your own body before it goes anywhere else, and you will suffer sickness and disease and all kinds of things if you persist in sending forth any respective thoughts or feelings. So always send forth that which is LOVE. Send it forth with the LOVE and PERFECTION of the MASTERS, or, the LIGHT that comes down from the ASCENDED MASTERS, Whose great PERFECTION is qualified with PERFECTION: So, do not let your outer self qualify it with anything less than PERFECT, and it will go forth with the great and mighty PERFECTION and Perfect ACTIVITY of the GODHEAD THAT IS FATHER-MOTHER FIRE-FLAME-LIGHT AND LOVE. And it is well that you have added that LOVE, because all these Activities are so much more powerful with LOVE.

And I send My LOVE to you, Beloved Ones. Will you now, for a moment, feel My LOVE? Feel the Ray of LOVE coming up from the Earth. Feel it coming right up thru your feet, and your whole body is clothed and bathed in an ESSENCE of Pink LOVE, beautiful Pink LOVE. Feel it, Beloved Ones! Feel it! I can make you feel that LOVE. Any ASCENDED MASTER manifests in LOVE. While some talk about it more, but THEY ALL operate with LOVE. And will you Beloved Ones always remember that? And will you operate with LOVE at all times. Don't ever hold a feeling or thought of anything less than LOVE--to any other Part of LIFE!

Beloved JESUS-of-UNIFICATION is working with ME, and I AM working with HIM, and the LORD GAUTAMA and many other GREAT ONES are working together with LOVE, and that Great UNIFICATION will come about by LOVE, by LOVE, by LOVE, My Beloved Ones. We need to know that any criticism or judgment of any other person or any other Group is "out". May we know it and remember it, that any mention of that activity without LOVE or judging or feeling that somebody else is doing something wrong, or if we see something that looks wrong to us, say, "WE GIVE THAT ACTIVITY TO GOD, FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE. Sweep in there with LOVE and correct it." Turn it all over to GOD. Oh, it is such a wonderful way to live. You don't have to worry about anything any more. You don't have to be concerned about anybody that is doing anything wrong. Just turn it over to GOD, and then you are free; you are happy; you are bringing forth LOVE. And you will all be amazed at the great thing, the great strides

that you will take. This is the way to live LIFE.

I think I have given you enough things to think about this morning, and I have given you My LOVE and My BLESSINGS, and I have given you that feeling of the importance of this, of the importance of issuing decrees and sending that to the GREAT ONES to help us all to live in this much more swiftly than any of you imagine. So, I will say, "Good-bye, GOD BLESS YOU ALL, and I LOVE YOU ALL."

#### CEREMONY OF THE TENTH RAY INITIATION

Saturday Afternoon, May 22, 1976

Thru Constance Nada

Little do you realize, My Beloveds, where you are right now, because you are still veiled in the camouflaged systems of the Time and Space worlds. This is to be an opening for some of you to wake up. You are not human beings, none of you. You are all Cosmic CHRISTs, or projections Thereof, who have taken incarnational experience in order to fulfill a role in the Pattern for the Salvation Plan for a System of Worlds--not just a Planet, but a System of Worlds.

But I tell you, there are many things I will not explain, but you will be curious, you will be vibrated, you will feel a heart identification with what I say, and you will go to bed and you will be given to you by your own selves in terms and language that you can understand; for you come from many places, giving the understanding of what is meant by what happens around you now, today.

Right now, you see around you the same **RUBY FOCUS** that you know and love so well. But it is possible for you to transport your consciousness and with the help of your many Beloved BROTHERS, to maintain the camouflage system around you which is comfortable to the level of consciousness which you work with to your body; and right now you are in an empty Chamber within the TEMPLE OF TRUTH AND BEAUTY in the GREAT CENTRAL SUN. If you will go into your Heart chakra, you will realize that in consciousness you are with ALPHA AND OMEGA. Your bodies look the same, more or less, your surroundings appear the same, more or less, but remember, "WITH GOD ALL THINGS ARE POSSIBLE." And GOD has a very vivid Imagination.

The Ceremony that you are going to be privileged to have this afternoon is exquisitely beautiful. They have shown me parts of it, for it is taking place in another Planet right now. We will look upon it, transmit it back to the Earth consciousness frequency by being here now together, in this TEMPLE. So I would ask you during this channeling, please, be entirely Within, for the KINGDOM is Within. I will make eye contact with each One of you in order to anchor you into the vision frequency, if you will look at me. If there are any sitting rather hidden from where I stand and feel that they do not make vision contact, please raise your hand, please. It is very essential that these Magnetic Lines be connected. Anyone else? Within?

Hail! Children of LIGHT: I AM EL MORYA, Director of the RAY of the WILL OF GOD, BLUE, on Our Beloved Planet Earth. I had intended to speak to you in your morning session regarding the LAW of the WILL OF GOD, which is underlying this great Cosmic Gift and Event. Yet, My Brother Pelleur said all that needed to be said. The LAW of GOD, the WILL of GOD, LOVE, WISDOM and POWER.

I welcome you to the TEMPLE of TRUTH and BEAUTY in your Beloved GREAT CENTRAL SUN, ALPHA AND OMEGA, Who tenderly hold you in ITS Frequencies now. Some of you far into these Halls of your Inner-bodies, and WE, enter now the SANCTUARY of the TEMPLE of TRUTH and BEAUTY, the FLAME OF GREEN, where emanates into the Earth the RAY of TRUTH. We behold in the Center of the Sanctuary, for we are ringed about it in many tiers of

seats, with thousands upon thousands of ANGELS and COSMIC BEINGS. We behold the Eternal FLAME of TRUTH raising in the Center and glowing out into all directions a Golden LIGHT, the ALL-SEEING EYE OF GOD, which Yhou art. I turn the speaking over to HILARION, your Director of the RAY of GREEN, of TRUTH, to Our Beloved Planet Earth.

HILARION speaks: Little did you realize, My Beloveds, the significance of this your 2:00 p.m. Meeting at the RUBY FOCUS, Sedona, Arizona, on Planet Earth. It is not a dream, dear Ones. Indeed, thou art with ME, where I AM, a Son of ALPHA AND OMEGA. WE ARE ONE, and thru the many efforts have WE lifted the Vortex of the RUBY FOCUS. Yea, unto the GREAT CENTRAL SUN in Consciousness Frequency; and WE ARE as a Cup raised to the GREAT CENTRAL SUN; and thru Our Funnel, thru Our Cup, will be poured forth unto the Earth, the Gift. Now you know why the RUBY FOCUS is a Vortex.

WE have a device here in Our TEMPLE which is similar to a television screen; therefore, WE will watch in the Etheric Realms where the RAINBOW RAY TEMPLE is and is now fulfilled, the Ceremony, as the RAY of INFINITE MERCY AND COMPASSION radiates from the SUPER UNIVERSE of ARIAMAS AND AVANTARRI. And it is joined as it meets the GREAT CENTRAL SUN Frequency by RUBY AND CHRISTOS, Who are the Carrier-Beings of the Acceleration-Deceleration Adjuster for this Great COSMIC RAY of LIGHT and LOVE; and WE will watch RUBY AND CHRISTOS convey with Their LASER BEAM Efficiency the Qualifications of the RAY of INFINITE MERCY AND COMPASSION into the prepared FLAME of the combined RAINBOW Radiance of all the LIGHTS of Planet Earth, and all the RAYS and all the FLAMES of all the Brotherhoods.

This is the most Sacred and profound Ceremony that any of US have ever witnessed in all Our Memory of Cosmic experience. I AM not just with you; I speak to you a perfect soft, profound, almost silent fact, of the Eternal and Infinite WISDOM and LOVE which is in GOD. It is My privilege now to introduce to you, the BEING from the SUPER UNIVERSE from which this RAY of LIGHT comes, Who has been selected by His Parent to act as the ADMINISTRATOR of the ACTIVITY of this RAY and all of ITS Qualifications on this Planet. In other words, HE-SHE is the CHOHAN, or Cohan, as some of you are accustomed to speaking it. With Humble Gratitude, and with the most profound sense of LOVE of Brotherhood, introduce I now to thee, THE MASTER CHRIST of ARIAMAS-AVANTARII of INFINITE LOVE AND COMPASSION expression, MASTER "J.L.", Whose REALITY is far too expanded to place in the limitation of a Name as we know on Planet Earth.

MASTER "J.L.": I AM with You, because You are with ME. That out of which I come, and of which I AM a fulfilled and fulfilling expression, is not in the terms that Earth knows; for My Realm is a Realm only of what you would recognize as musical fulfillment and expression. Now, do'st thou understand why each of You have seen and recognized the significance of Music and Art in the New Age, for the time when man will be communicated to regarding TRUTH thru their minds has long passed. Only thru the Heart, may TRUTH be revealed and recognized, and yea, even communicated. For the CHRIST FLAME is the Heart, and WE ARE ONE with Our Heart Flame. And in this ONENESS do'st the FATHER GLORIFY THE SON IN THE CROWN which the Son wears, even ad the FATHER would have it be done so. In that manner only, is it done.

I love Thee with LOVE Radiance so musical and so profound, that to try to put it into the words of your present service Planet would be far more than could be asked of the LAW of LIFE. I AM able to use the expressed medium of Constance's body in this manner, because Constance and Christopher and several others are ONE with ME, even as the there are numbers among You who belong to the "L" Series of vector motion con-

trol. Those of us who serve in the Legions under the direction of the BEINGS OF ETERNAL LOVE throughout all the Universes of Space and Time, those of you who do not understand in your mind, all of you, the depth of what I AM saying now, I AM consciously vibrating you with the Truth of your vibrations, your nature and your Identities and what you would call your histories, specifically and forthwith designed to awaken Thee. For the time has come that FREEDOM is yours, even as you seek your GOD SOURCE. FREEDOM IS YOURS, Glorious Gift of INFINITE MERCY AND COMPASSION! GOD, LOVE, TRUTH, PERFECT LIFE EXPRESSION in the created Universes!

I AM attuned to each One of You, because You are of My Legion. You were told yesterday that not one person was here who did not belong, regardless of the certain phase of their personal awakening they have experienced in their Earth body focus. And as My Frequencies motivate and move within your arena, I recognize each One of You, My Brothers, MYSELF--WE ARE ONE. WE ARE ONE. WE ARE ONE. The Parent UNIVERSE of this RAY of LIGHT is preparing ITSELF to project this RAY according to a musical modular frequency that vibrates to the Tone of INFINITE MERCY AND COMPASSION. And this has been the quality of the music which Christopher had outpictured at My subtle suggestion, and it is why each of You feel so drawn to this type of music. And, yea, your future on Planet Earth will vibrate you to build up as to your commission for ALMIGHTY GOD, Who sent Thee to bring forth those Powers of Grace and Gifts that You have always been destined to outpicture in TIME and SPACE, in the Name of FREEDOM and ETERNAL, ETERNAL LOVE.

I have had embodiments upon your Planet, but I will not speak of them by Name, for it is not necessary, as You have been told, and I would that You would learn and accept, what Thou ha'st been is not now; therefore, be ye FREE. be ye FREE to draw upon your I AM IDENTITY and the ESSENCE of GOODNESS, LIGHT and TRUTH which is recorded and stored in your Total Bodies!

After My ASCENSION from Earth experience, which was not, to put in your terms, a great number of years ago (you would be very surprised if I were to tell you in Earth years how many), I was commissioned to return to My Home UNIVERSE rather than to remain and to work with the ASCENDED MASTER HIERARCHY of Planet Earth, as I had been an Adept working in close coordination with the MASTERS KUTHUMI and DJWAL KUHL and My Beloved Companion MORYA, for then of a greater extent of the plan to bring forth, which required My entering My SOURCE UNIVERSE and Yours again, in order to come back and to convey this Gift in coordination with all of those Who have helped. I could not begin to count you the numbers. Let US say that INFINITE GRATITUDE is just enough to cover all of them. Just enough. And now the GREAT WORK is about to be consummated and the new phase of Post Consummation will be for the New RHYTHM to be initiated, and I do mean initiated.

MASTER J.L.: THEY have asked me to describe to you the experience of the Ceremony as it progresses; therefore, I will. I ask You again, for your sakes and for the sake of the efficiency of the Gift, to go "Within" and receive ye each One the Magnetic Line which you will help to convey back thru the GREAT CENTRAL SUN, thru the SOLAR SUN of HELIOS AND VESTA, to the planetary surface, in all the layers of the Astral Planes.

I have brought with Me what you would call LEGIONS OF DEVAS, accomplished musical Electro-Magnetic Fields, conscious of Life expression, who have never had embodiment in fields like the Earth. They accompany Me in my Consciousness and They convey their Gift in the Energy Field which surrounds the RAY of LIGHT in which We now begin to receive all. They will vibrate Christopher to bring forth the musical frequency sufficient to act as an air cushion, so to speak, for this Great Ship of

LIGHT, for there is really very little difference between SHIP OF LIGHT and a RAY OF LIGHT, and a FLAME OF LIGHT, for all are One. Differentiate less, and Love in Unity more. My Brothers of musical qualification, build the air cushion for FATHER-MOTHER GOD, ARIAMAS-AVANTARII, if ready to convey forth with Their Commanding Word the VIOLET and WHITE IRIDESCENT CRYSTAL LIGHT RAY; vibrating to the Frequency of INFINITE MERCY AND COMPASSION.

I AM THAT I AM, I AM filled, WE ARE filled. The LAW of LIFE transports Us wither We have need of going. RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS, WE ARE ONE. These Beloveds activate the VIOLET TRANSMUTING FLAME of the world, accelerating It's frequency in unison with the contact with this RAY OF LIGHT vibrating to the LAW of INFINITE MERCY AND COMPASSION.

The RAINBOW is being born, the RAINBOW RAY is being born. We receive the BLESSINGS of ALPHA AND OMEGA, GREAT SUNS, Who, nonetheless in Their United Body show us a "Bended Head". For, GOD THE ABSOLUTE, alone, do We worship. All SUNS, no matter what frequency They are vibrating to, worship that ONE ABSOLUTE Which has no form.

The RUBY VORTEX fills with LIGHT, Vibration and Song, Choruses of ANGELS, Musical Jubilation and Color Harmony, Color Harmony, Color Harmony. And We bid Our farewell to the Frequency of Consciousness to the GREAT CENTRAL SUN in the contact that We have had, for which We are grateful, and We are transported by the LAW of LIFE governing this Cosmic Act, into the Frequency of the SOLAR SUN of HELIOS AND VESTA, Who await Us with Open Arms and Cosmic LIGHT tears of Gratitude to GOD THE ABSOLUTE, for the Children shall be made FREE! And now our VORTEX, fully vibrant and filled with Choruses and Color Harmony, transports Us in Consciousness frequency, yea, even unto the Earth Planes again. And I see the FLAME awaiting which has received an ESSENCE of the FLAME of every BROTHERHOOD FLAME, and every Qualification of the LIGHT RAYS that have been used for GOOD upon the Planet Earth. It is a Great Radiant RAINBOW BLAZE, stimulating, silent and alive.

Representatives of all Brotherhoods of LIGHT are gathered in the TEMPLE of the RAINBOW RAY. The MASTERS of the HIERARCHY are present in Their LIGHT Bodies. They signal Our Legion. COSMIC BROTHERS WE ARE, for GOD, the Ultimate ABSOLUTE PARENT, IS ONE, and WE know no barriers of SPACE and TIME in that LOVE and in that LIGHT.

RUBY AND CHRISTOS, RUBY AND CHRISTOS, RUBY AND CHRISTOS. LASER BEAM, LASER BEAM, LASER BEAM. Yea, it is time, prepare, accelerate and shoot forth the RAINBOW RAY Ignition.

Yea, it is done; the LIGHT RAY ANCHOR is made; and though you but little perceive it in the air, thou art forever changed, and shall learn to draw forth the LAWS of COLOR, vibrant frequencies of LIGHT-LOVE Consciousness, and the LAWS of SOUND, vibrant frequencies of the LAWS of COMMUNICATION and Deliverance of UNITY CONSCIOUSNESS.

My commission includes the sending up of several Brotherhoods of LIGHT of the INNER PLANES to have Outer Plane connections, and Disciples, even as the SEVEN RAYS and the EIGHTH AND NINTH, that you know. More will be delivered on these subjects in the future time of your experience.

THE RAINBOW RAY TEMPLE is open for business, for IT has something for everyone. And, yea, the Gift of Life is FREE for the asking in LOVE.

Though I focus My voice communication thru this one Channel, yea, I have focused My Own LOVE thru all of ye channels and many others not gathered here, but acting as Receivers and Grounding Fields the world over. You see, WITHIN is the Kingdom of God. Dwell thou WITHIN, and give to express as if without is the WITHIN, for indeed within the time of your translation you will see that it was so all along. I love thee,

I love thee, I love thee. I vibrate thee with the ESSENCE of LOVE, THAT ONE to Whom I AM asserted. I need say no Name, for thou knowest that Name.

I express My Gratitude to all of you. Work, Love, for a time and a time-and-a-half. Be ye with Peace and the SOURCE of Peace. Dwell forevermore there in ONE.

TREATISE FROM FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, thru GARMAN,  
Saturday, May 22d, 1976

Garman speaks: FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, (4 X), RUBY AND CHRISTOS (4 X), LASER BEAM (4 X). Our Beloved FATHER-MOTHER FIRE-FLAME-LIGHT, Beloved FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE INDIVIDUALITY in Action. We ask YOU that YOU give us sequel to that which YOU have enacted in this FOCUS during this week.

FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE speaks: My Beloved Children, that I shall indeed do. I shall give it another aspect than I have done during this week. I do all. I have given you profound Mysticism, profoundest event that this Earth has ever been bestowed from ME. And, now I must give you some equal profundity, a profound aspect of practicality, equality as profound because as consequential as is this Mysticism which you have experienced and absorbed for your use, your radiation for all time. I reveal, before I go into this practical aspect, still deeper Mysticism than has been imparted to you during these days. And, it is that whatever appearances of personality and things of action are unreal. Only LIGHT and Consciousness is real. Only LIGHT and Consciousness IS. All else, all form of anything of nature and all action is not, it is only appearance, and yet, in these appearances we deal, sometimes too exclusively, yet always necessary. Now, I have been explaining to you the REALITY of LIGHT, of Consciousness, that such cannot be expressed, it cannot be put in words. It can be given to awareness, it can be given to feeling--the awareness in Intelligence and in feeling.

When I speak to you, I speak to you as if I AM a "human", and I AM not, of course, a human in appearance. I AM only LIGHT and CONSCIOUSNESS. As ONE speaking to you, it is only that I AM imparting to you such LIGHT as you can realize. And so, in all action, and all action is only seeming, there is only LIGHT. And any LIGHT, all LIGHT goes throughout the UNIVERSE, and the UNIVERSES OF UNIVERSES; yet all LIGHTS go to pockets of LIGHT everywhere. And so it is for any pocket. It is this LIGHT coming from here, there, anywhere to this pocket, which makes another LIGHT. When it is another LIGHT, it is another Ray, it is another Force, it is another Quality of ME.

It is ALL of these LIGHTS going into pockets, into dishes, into vortexes, and these vortexes are computers into which Rays of LIGHT are fed. And I do that not as a Personality; all personality is only seeming. I do it all as the LIGHT, feeding My LIGHTS, My Quality of LIGHTS and Consciousness into a certain Vortex, a Computer, and My Computers are always accurate. Because My Lights do move about and into, and always according to LAW, My Lights cannot fail; they are always perfectly interrelated, even those Lights that seem disastrous to you, yet they are interrelated for the effects they are to have to you. And so this is enough to separate appearances from the Realities in your consciousness.

And yet know I must explain to you, the Reality in appearances of Unity of Love, of Coordination, Cooperation, Harmony, Goodness, Purity, Affection, ALL ARE ONE.

I must explain, because this subject of Unification has been brought up, and I have told you in so many ways directly from MYSELF thru your Quota of MYSELF Within you, and thru Quotas of MYSELF in My Servants Whom you know as your MASTERS.

All these appearances in words, words, words, you have been laying before you, and you want to know how all of these mere appearances and personalities and things, situations and events throughout the world can possibly be at One. And Beloved Children, it can be, it is possible, it is not the impossible. It can be because I, as LIGHT, do it. And I AM NOW ABOUT TO DO IT. That is into which you have now been initiated. You cannot think of Unification of all these diversities. You do not need to. You leave it to ME. I WILL DO IT. IT IS ALREADY DONE, FOR IT IS ALREADY IN PLAN, so that My Qualities of LIGHT are fulfilling the Plan, Within you and all about you.

Now, then, you have been initiated into the information that I have One Center upon Earth for Unification. Only One. Could there be more? There could not be coordination. And so you, not in your Quotas from ME, but in your appearances from ME have your little human doubts and qualms, your questionings of how, how, how, could ever such be?

Again, and again, and again, I say, It can be, because it is. Because I AM THAT UNIFICATION. Because I know I have given to you as your Consciousness and Light that LAW of UNIFICATION, that LAW of that Action, of Oneness.

And now, My Beloved Little Children, little in the senses, and I AM speaking now to the whole world, I AM not speaking to the knowing Ones here present, or anywhere. But to the Mass, that Mass which can come into an awakening. I AM saying to you, there are three conditions among you, of attitude. You are hot, or you are cold, or you are lukewarm. Oh, that you were either Hot or Cold and never lukewarm. If you are cold, you are on the verge of awakening. Oh, you may be vicious and violent, violent, violent. You may be, but it is because you may be on the verge, because you are not lukewarm, weak, weak Substance that can never be kneaded into a loaf to final renewal. Be ye either Hot or Cold, be ye not lukewarm. And to all of you I say, Know that this seeming to you unreality of One Center is the only possibility for the salvation of your Planet of humanity as a whole, and you individually; just One Center. Again I say, It will be done, because I AM DOING IT!

And so it is that at present this Center is in the hands of almost one person, almost one person; and you ask, how can one person bring all the world into One Center. Of course, My Beloved Ones, I do not bring this about thru one person. I bring it about thru thousands of persons, and you ask FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, how can you bring about thousands and thousands of people so there will be Harmony, no issues, no pros and cons, ALL LOVE, all smooth Action? Children, KNOW, KNOW ONLY, you need to know only, that I CAN KNOW, FEEL THAT I CAN, for I KNOW, for I KNOW the Computer I AM, for I AM the Computer in ALL My CONSCIOUSNESS. So it is that I shall bring the many, the many Intelligences, the many Feelings, the many Talents, into this One Vortex of Earth. And I shall bring such as at such times are ready to find themselves in this One Center, not necessarily as persons, not necessarily in appearances at this Center, but in Consciousness throughout the Earth.

And you still ask, you still ask, Beloved FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, how can this be? My Children, this can be, as I have gradually given them the intunement with ME, that they look only to ME. And they know it is not themselves and their things and their environments as a package that I AM placing into this One Center, but it is a perfect LIGHT Consciousness Within them that I AM placing into this perfect Center, Computer.

My Children, YOU HAVE BEEN CLEARLY TOLD THIS WEEK THAT ALL IS DIFFERENT, ALL IN NEW. All this Third Dimension, all this disagreement is gone. It is OUT OF THE PICTURE; it is shoved off the Path. That has been My DECREE, which is now in effect. Therefore, there is not, as some think, as some fear, that someone can come, that some person can come into this Center and usurp powers and activity. It cannot be done. My Servants are bringing into this Center only those who would not think of usurping. You see, where THE ONE can do, the many cannot disagree, because they are in the ONENESS THAT I AM. If they would wish to act without the ONENESS in this dispensation, they automatically drop out. And, oh yes, there can be some entrance on a trial basis during a period of going over from the third to the Fourth; such doubts occur quite often, even yet. Many have there been who have come into the Center, then not advanced as now as has become this week, who would insert their Egos, but they could not because they fall limp and out of the picture.

My Beloved Children, I have said enough to give you Confidence, that the LAW of LIGHT and Consciousness THAT I AM, has all in hand. Do you know now what has always been meant when it has always been said, "THE LIGHT OF GOD CANNOT FAIL." You have now during this week been given

the realization and the utmost confidence that this is so. THIS IS SO RIGHT HERE AT THIS CENTER, THE **RUBY FOCUS** RAINBOW RAY. And you have been exploded into the action of UNITY of LOVE and TRUTH that during this week become Absolute. Yes, I, the ONE, the ALMIGHTY, THE ALL LOVE, do thank you here and the scattered Ones here, there and everywhere. You have come to the realization of obeying ME, of only LETTING, LETTING, LETTING ME. Now will you know that your weaknesses or doubts of limitations of insight and feeling are only yours if, and when and where they may be. It is not I. My Children, there can be only One Center; if there were two, there could not be UNITY. It would be this Center, here, some Center somewhere and if it were not that Center, it would be utter fiasco. You know that in the Absoluteness of the LAW of LIFE now, there cannot be fiasco. There is only in LOVE and TRUTH now this One Center, and I shall prove to you that this is so. Merely follow ME. Leave it to ME. As you say, "THE **RUBY FOCUS** IS THE CENTRAL VORTEX ON EARTH TODAY." "THE **RUBY FOCUS** IS THE CENTRAL VORTEX ON EARTH TODAY." Say it ten times: "WE ARE LIMITLESS LOVE AND TRUTH." (10 X) WE ARE GRATITUDE. (4 X) WE ARE JOY. (4 X) WE ARE ENTHUSIASM. (4 X) WE ARE DYNAMITE IN HEAVEN. (4X) I have spoken thru My Spokesman Garman, Partner in FIRE-FLAME-LIGHT-LOVE.

REACTION BY QUEEN OF LIGHT TO FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE'S TREATISE, THRU VOICE BOX GARMAN, (NOW EL ARAN AMMA).  
On MAGNIFICENT CONSUMMATION'S Patio, May 22nd, 1976.

QUEEN OF LIGHT, thru Channel "E": I will not take up too much space in this precious OPEN LETTER. These are the high-signs I gathered: That there is a Network, a Grapevine, A Vortex of LIGHT, on different levels of Consciousness, but ALL LIGHT ACCUMULATED into ONE FOCUS. Hearing this, I blinked My Eyes, but if FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE has accepted the **RUBY FOCUS** as the "CENTRAL VORTEX ON EARTH TODAY", Then, Who am I? None can refute it!

Beloved MASTER SANANDA and EOLIA said to ME, "**RUBY FOCUS** ACCEPTED US, AND THEREBY BECAME THE INTERNATIONAL POWER HOUSE. They are, thru the pink monthly papers sent out in MERCY and COMPASSION."

EOLIA laughingly said, "EOLIA was My Original Name, and EOLEE was the original Name of My FLAME. We parted, each One going Our own way, and it has taken ME eons of time to find HER. SHE was a judge named 'Portia'. SHE was not available for communication; but now WE have found each Other, Our FLAME is united forever and forever."

I AM EOLIA, formerly ST. GERMAIN.

There have been many intrigues from many aspirants to "take over" and "carry on"--one on every corner--even getting into the Heart and Soul area of the **RUBY FOCUS**; but because of the GREAT MASTERS who are guiding and directing this illustrious **RUBY FOCUS** Domain, may advise thru a pure and dedicated channel, who was from birth born for just this MISSION; and these Beloved Custodians will be able, thru the MASTERS, to push this MISSION thru to Its ETHERIC LANDING. Their Hearts and their Souls are embroidered in their Service to FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE. They have no outside interests to warp the progress. The Associates are the brave women who in the beginning took the banner, who with the Founders of MAGNIFICENT CONSUMMATION'S "**RUBY FOCUS**", are now seeing the successful arrival of INFINITE FULFILLMENT.

The TABERNACLE on the Mountain Top is as close to Earth as IT can project. Those with Eyes and Ears can see and hear these momentums already functioning etherically. Thru the Auspices of the New TENTH DIMENSION now opening ITS LIGHT to Earth, there are New RHYTHMS", new changes, new verbiage, and a STRONG LIGHT, A LUMINOUS RAY of PURPLE LIGHT with SILVER IRIDESCENT LIGHTNING: Did I skip anything?

WE will leave more surprises for the next Open Letter. I leave you with My deepest LOVE. I AM QUEEN OF LIGHT.

THE RUBY RAY DECREE, thru the late ROLAND HUNT, Color Therapist

Imagine the Core of the Earth as a Glowing Ruby; or just feel the Lively RUBY JEWEL at your feet, flashing out Its Radiant Power and Comfort, upwards to and thru you.

"Oh, RUBY RAYS: FLOW THRU ME: FLOW THRU ME: FLOW THRU ME:  
FLOW THRU ME: AND ENERGIZE MY BLOODSTREAM.

"Oh, RUBY RAYS, STIMULATE ACTIVITY, ACTIVITY, ACTIVITY, ACTIVITY,  
AND INSTILL IRON STAMINA, IRON STAMINA, IRON STAMINA, IRON  
STAMINA, STAUNCH STAMINA.

"Oh, RUBY RAYS, RECHARGE MY WILL WITH THY GOOD WILL, FOR HEALTH  
AND JOY, FOR ME AND ALL. I WILL FULFILL."

Breathe in these warming, vitalizing, magnetic RUBY RAYS, as from the very Molten Heart of the Earth, up thru the feet and legs to the affected spot.

MESSAGE FROM THE BELOVED ALPHA, thru Channel Evangeline

ALPHA: "Two will be in the cornfield, and only one was left." Three might be in the factory, and only two are left. Do you remember that in your Bible? For this is the last day. And that is what is happening in a thousand instances. For the ALMIGHTY has builded a sheath around the body, and "pop goes the weazel". That is the way it works. You do not have to die; you do not have to be put in a box; you do not have to be burned up. You will go--those who are ready of course--but not all. That's for you to teach them, so they will be ready! Oh, dear, what a privilege it is to have this Knowledge! And how do you develop it? How do you evolve into that consciousness?

All right! The Magnificent SERAPIS BEY'S PURIFICATION--HE HAS INVITED YOU!

PURIFICATION of body, mind and Soul,  
TRANSMUTATION of your body cells,  
CHEMICALIZATION of your body cells,  
SILVERIZATION of body, mind, Soul and aura.

The above is your Recipe for Translation. GOD bless you all, and particularly you, EL ARAN AMMA. So you have been saying your Name for the last four years--but you did not know it. How self-effacing can people be! GOD BLESS YOU.

"E" asked: Beloved SERAPIS BEY, I feel you wish to comment on Your Decree.

SERAPIS BEY: Yes, use the Decree as given above. Come to the ASCENSION FLAME RETREAT in the night. Write a note asking that you be taken and leave it at your bedside. A Seraphim will take you. State in your note that you are decreeing for Purification, etc., as given by Beloved ALPHA, above.

This will bring FREEDOM while yet on Earth. It will ready you for airlift. I AM SERAPIS BEY.

MESSAGE FROM WALTER RUSSELL, thru EVANGELINE, JULY 13th, 1976

My first remark is, "THANK YOU" for having sold so many of Beloved Lao's books, "WHY YOU CANNOT DIE". More than any subject on Earth is this beautiful new concept that there is no death, yet what else did blessed JESUS come to teach? The world en masse has been a long time waking up; yet there are thousands who have not experienced death. They have, thru chemical process, as you are teaching, encased their physical bodies

in a sheath, and those physical cells were absorbed into the higher bodies and TRANSLATION occurred. This is a GOD-BESTOWED PRIVILEGE!

This had been going on for eons, even in the box. Had they opened the box in three days, they would have found it empty. In the case of MOTHER MARY, Her "box" was filled with white roses, lily of the valley and Maiden Hair fern.

You asked Me, particularly, to speak on the subject of the 121 sensitivities, these CHEMICAL ESSENCES, and whether they belong to the TENTH DIMENSION.

Thru the decree of each one, or a group, they OPEN the TENTH DIMENSIONAL CONSCIOUSNESS, and thus let you enter into the very HEART and SOUL of this LAND OF DIVINE PERFECTION.

The Chemical Litany was really started thru the Sixth Ray RUBY, as a Gift of RUBY AND CHRISTOS of the Eighth and Ninth Rays. Did you not call on MERCURY and URANIUM for Success in finding the MAGNIFICENT CONSUMMATION SANCTUARY? This is not a TENTH DIMENSIONAL ACTION, but now that you have access into this Powerful Area of Consciousness, the 121 Sensitivities will find a greater acceleration, with greater (ten times) ability to release Their INDIVIDUAL ESSENCES.

CONGRUATULATIONS! for the contact with Beautiful ARIAMAS-AVANTARII. It might appear that this is MAGNIFICENT CONSUMMATION'S FULFILLMENT. Where HIGHER can you fly?

I AM in the GREAT CENTRAL SUN, awaiting--soon I will know My Cosmic Destiny. I believe that I AM to transport to Earth, to get people readied for their AIRLIFT to Planet URANUS. My aura has become a deep, deep Blue, and this is the Color of the Planet URANUS.

I AM so glad that My Disciple has "made it". In deep appreciation and Gratitude, I AM WALTER RUSSELL.

"Why You Cannot Die", by Lao Russell, \$10.00. Order from the **RUBY FOCUS**.

FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, thru Evangeline, June 6, 1976

WE are very happy to see that you are now entering into a New UNIVERSE. You have done beautifully with the Eighth and Ninth Frequencies of Dimensions, and now you have your work before you for the coming year. But you will be sustained and maintained because there is something very glorious coming into your lifestream which will bring you great Joy, Success, Youth, Attainment, Activity, and above all, LOVE! WE ARE happy to be able to announce this, not only to you, but to several others in the **RUBY FOCUS**. Yes, WE will be accurate in saying your High Soul is contained now in your body. There is a marriage of the low with the High coming in a short time, already maturing; and with others, also, in the **RUBY FOCUS**, and it will be something miraculous. It is because of your devotion, of the wonderful hours that you have put in to US and to the ASCENDED MASTERS, but particularly to your very own Center, CHRIST MIND. You see? (Yes, yes, yes.)

Of all the Masters, of all the rift and of all the raft, it is your very own CHRIST MIND that does the work. You understand? (Yes.) And you have done it, and others have done it, and this will be marked with a Miracle, a very great Miracle. And when that Miracle will have come about, all your needs and luxuries, your health, your strength, everything that is in Heaven and Earth will come into your vibration.

Thank You! WE ARE your LOVERS, FATHER-MOTHER FIRE, FIRE, remember, FLAME-LIGHT-LOVE. WE LOVE you! WE LOVE you! WE LOVE you! WE LOVE you! Thank you!

WE ARE RUBY AND CHRISTOS, the Eighth and Ninth Dimensions. WE entered into the Channel's vibration March of 1975, thru the auspices of MAITREYA-DIVINO in the home of Beloved Ann Herbstreith, in Sun City.

Dear Ones, WE thank you for your public relations. WE would have

remained static forever and forever without the help of MAGNIFICENT CONSUMMATION'S RUBY FOCUS. WE ARE now active dynamically, and I think you may feel US actively in your Earth life here. Every day a Miracle! Mind Manifestations WE bring to you and many, many, many, many are coming within the next six months. You will not know yourself.

Yes, you're going UP, UP, UP, UP, into the HIGH UNIVERSE, the TENTH FREQUENCY RAY. You kneel down and bless the LORDS THAT BE, THAT have made it possible for you and yours, and those who are ready in the RUBY FOCUS, to climb up with you. Blessed Ones, Blessed Ones, Blessed Ones, Our Hearts are full of Joy and Thankfulness! Thank You!

I AM EL MORYA: Do you realize it? Do you know anything about it? (Yes.) You know WE graduate, too. You know that. There is a general waxing of graduation all thru the Ethers. All thru the various Rays and all thru the various Brotherhoods; They are all graduating; it is something else. Do you realize that? (Yes.) And, you will not recognize Who is at the Head of the Brotherhood, because the Head of the Brotherhood will not be the Head of the Brotherhood. Do you understand? (Yes.) There will be other Names given. So, do not be startled if you see THEM coming; already many have come.

Now, I want you to understand that there is a New Rhythm, a new pace on everything. Everything that was, isn't; in other words, this is the bringing in, the bringing in, the bringing in of the NEW AGE, THE GOLDEN AGE, and you must have some new decrees to that effect, of Beloved HELIOS AND VESTA, Who have impregnated into this RUBY FOCUS the VIOLET FLAME--will have a great Power here. They will have the Power of the Red, the Orange and the White Ray, and that will be to bring you Beauty and Music and Cleansing of Their VIOLET FLAME and the Beautiful Garden that WE see that you are going to have, of Magnificence, of Eternal LOVE. Though you do not know it, but you are in ETERNITY now. Many of you here now are, some are not, but many of you are in ETERNITY now. So what does that mean? It means, you are in your Resurrected Body now! If you were not, GOD HELP YOU! is all I can say. If you weren't in your Resurrected Bodies, because of the stones that have been cast upon you, you wouldn't be here. Otherwise, that you are in your Resurrected Bodies, nothing can harm you, no one can touch you. Do you understand? (Yes.) You are so protected!

There has been black forces sent your way, and as the Beloved MAITREYA-DIVINO assured the Channel, they would have to hop over barbed wire fences to get to you; and that is not very pleasant, is it? And, they still wouldn't get to you. So, Beloved One, have patience; stay within Our Consciousness most of the time. For it is the First Ray that is going to catapult you into your Destiny. Do you understand? (Yes.) It's the First Ray.

MOTHER MARY, thru "E": Well, now I thank you for your Reverence, for your LOVE, for your Adoration; and I want you to know that nothing could ever hurt you, for you are surrounded by the Beloveds, and as you mature into your TENTH RAY CONSCIOUSNESS Frequency, you will find life is lovely. WE found Life is lovely, live is lovely, for WE found OURSELVES in that Well, that beautiful Well, the very very Highest Pinacle of LIGHT that WE could find. WE were given this; WE did not look for it; WE were rewarded with IT. KWAN YIN and all of the Great GREATS find THEMSELVES in that WELL, that POOL of Everlasting LIGHTS. Oh, I cannot tell you of Its Magnificence. There are not words; there might be FEELINGS; some of you might FEEL IT, for WE ARE going into the FEELINGS now, not words. BLESSINGS! I AM MOTHER MARY.

ADD THE TENTH RAY TO THE COLOR LITANY

There are now some changes to be given for the Color Litany by THE QUEEN OF LIGHT.

You find this litany at several places in the Open Letters of the last two years. The first change is that the word "visualizing" thruout the litany is now replaced by the word "feeling".

Secondly, with the entrance to Earth of the TENTH RAY, the RAINBOW RAY becomes so color-filled and matured as to be given notice in the Color Litany. And the clauses of this addition to the litany are:

"I AM feeling the RAINBOW RAY Magnifying and Glow-rifying my body and affairs."

"I AM perfect Consummation."

"Magnificent Consummation is within me now."

TAPE No. 5

Daily Sleep-Teaching Tape of the "RUBY FOCUS"  
 "RUBY FOCUS RAINBOW RAY SUB-STATIONS"

We are highly elated and grateful to have a new Tape. It is on how to be an integral part of the "RUBY FOCUS RAINBOW RAY CENTRAL STATION" at Sedona, Arizona, and how to take part at home, wherever on Earth, in the permanent realization and activity of this CENTRAL STATION, Whose Crowning Glory is the "RUBY FOCUS RAINBOW RAY CATHEDRAL" on the mountain top. And this CATHEDRAL becomes a CENTRAL CATHEDRAL on Earth, soon to become manifest as a Central Office of MASTERS to Earth, and attended by all of LIGHT CONSCIOUSNESS, whether in person or in LIGHT Bodies.

FATHER-MOTHER FIRE-FLAME-LIGHT is giving this GLORY to Earth as the Symbol and exercise of the UNIFICATION that was always hoped for and prayed for, and now becomes a REALITY.

The introductory matter of this Tape relates how the "RUBY FOCUS", the RAINBOW RAY, and the CATHEDRAL were established on Earth. That being done, the Disciples are ready to recognize the specific FORCES headed by FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE and RUBY AND CHRISTOS and Their Glorious Representatives.

Next, are decrees to anchor into the Being of the Disciple, the Rays of the Days. First, the TWO NEW LIGHT RAYS of RUBY AND CHRISTOS, to be done every day; then the SEVEN RAYS to be decreed on their respective day of the week into the gathering RAINBOW RAY--already becoming ONE. This has been done at the "RUBY FOCUS", Sedona, as the CENTRAL STATION, and is now being done by OPEN LETTER and TAPE, into the structure and Consciousness of the Individual Disciples, thereby known as Sub-Stations of the CENTRAL STATION.

All this is followed by the recognition of the GREAT ONES Who take part in this Sub-Centralization into the Disciples.

The Tape ends most beautifully with the GLOW-RIFYING REACTION of the QUEEN OF LIGHT--Her Queenly recognition and comments.

All the POWERS ABOVE thank you most profoundly and substantially for daily playing this Tape for penetrating and permeating the Ethers and the Consciousness of man, with this ESSENCE.

The Tape is a 90-Minute Cassette, No. 5..... \$ 6.00

## REQUESTS FOR HEALINGS

Requests for healings and solutions are placed in Beloved MOTHER MARY'S Basket in LORD GAUTAMA'S ABODE. Thousands have been greatly helped. Beloved MOTHER MARY lovingly invites you. SHE says: I send a Special Blessing to each one of them, even tho some of them are not ready for healing. I give them a very special Blessing, that they may be healed in the NAME and POWER of Beloved FATHER-MOTHER LIGHT and My Beloved SON.

And at another moment, MOTHER MARY said, thru "E"; Many, many are healed, some are not healed. For instance, two relatives 'phoned in for a healing. The answer is that the one healed has an open consciousness to receive the ESSENCE, and the other did not, and did not receive healing. This is the same Law by which the MIRACLES of KATHERINE KUHLMAN and other dedicated healers are accomplished. THERE IS NO OTHER LAW! I AM so happy to continue to send My CONTINUOUS ESSENCE OF LOVE daily, unto that Blessed GREEN WICKER BASKET:

Always, MOTHER in UNIVERSAL MOTHERHOOD.

## SUBSCRIPTION PRICE

We have always sent our OPEN LETTERS free upon request. Voluntary Contributions. This remains our policy, with however, a modification.

Very many, when first subscribing, have asked, "What is the price of the OPEN LETTERS?" We have never had a price. This is where we make a change. Our price is now \$10.00 per year, or \$1.00 per single copy.

We are always aware that some people cannot pay a price. For instance, a person with a Social Security mite. Such and others in likewise honest positions, will please discount the price, accordingly as dictated by their PRESENCE in their hearts. There are those who are directed by FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE to give substance exceeding the price. Please note that in the "RUBY FOCUS" RAINBOW RAY Consciousness, the test of fulfillment is always the letting of the WILL of FATHER-MOTHER in the Consciousness and Action.

This same proposition of price and Love Offerings applies to our own books. We give prices for all our books. They are yours for Love Offerings. Let FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE be your GUIDE.

## INSTRUCTIONS FOR GOING TO THE CAVE OF LIGHT

MASTER "R", THE DIVINE DIRECTOR, invites you to visit the CAVE OF LIGHT in India. You are invited to ask to be taken to the CAVE OF LIGHT night after night, week after week, if required. You will be placed in the Acceleration Chair. Thousands can be handled. Each has his own "CHAIR OF LIGHT".

You will receive Electro-Magnetic Currents of Strength, Health, Longevity--in fact, all the qualities that you especially need. You will receive the Laser Energy to Earth--that you do not sink out of this picture for lack of the frequency you must have to remain in it. You will herein receive preparation for following ASCENSION SERVICES in the Sedona RETREAT OF SERAPIS BEY.

Write a note of request to THE DIVINE DIRECTOR, and place it on bedside table or under pillow. This note is a request that you will be taken by a Seraphim. Write a new note every night, and burn the note of the night before.

These are the complete instructions. No need to write for any more. And please note distinctly: As in all likelihood you do not recall you were in the Accelerating Light in the CAVE, that is of no immediate consequence. You were there, and you did receive the Blessings!

## THE COMING GREAT GOLDEN AGE OF ESOTERICISM

The ANTA KARANA TRUST announces that this book is now in its second edition; and that because of the untimely passing of the Author, the previously-announced Volume II will not be published. Practically all the difference between the first and second editions is that in the new editions, all mentions of a second volume to come have been deleted.

"BOOK OF LIFE", by Ann/Aeriel

Regarding the "BOOK OF LIFE", by Ann/Aeriel, "I AM THE SPOKESMAN for the COUNCIL OF THE TWELVE, that Point in the Center of the Eye of God, or from the very Heart of the GREAT CENTRAL SUN. Each word written in this "BOOK OF LIFE" is Pure Essence of Truth that shall re-vibrate those brain cells within the Memory Plate to remember the beginning, the end, in this GREAT CENTRAL SUN. Order from RUBY FOCUS.

"THE WORK OF INVISIBLE HELPERS", by Amber Marie Tuttle

This work of two Volumes contains hundreds of true experiences of the Author and her friends who have dedicated their lives to the service of humanity. They also do all they can to protect and heal the animals and birds who are also God's children and our younger brothers.

One of the most unusual parts of the books is the information about the beautiful Group Spirits who have charge of the animals, birds, trees, plants, etc., which make it possible for human life to exist on Earth.

Helpers when out of their bodies in sleep can see and talk to these very advanced Beings whose bodies look like human beings with heads that resemble the animals, birds, trees, plants, etc., that they have under their charge. There are interesting stories about how Helpers work with the Group Spirits and what they can accomplish to assist all life waves. The information contained in this work will be of great value to students of Mystic Christianity who desire to help others and also make faster progress in both their spiritual and material development.

Volumes I and II contain 638 pages, CLOTH BOUND.

Order from the RUBY FOCUS. Price of 2 Volumes..... \$12.00

It is not intellectual, not the emotion, but true purpose of water that will strain in your heart. Order from the RUBY FOCUS, only. Price..... \$6.95

GERTRUDE BENTON'S VITAMIN PRODUCTS

Gertrude Benton wishes to bless and thank all the beautiful people who responded to her "greenies", which I have discovered are a form of Vitamin E. Splended to strengthen the heart. Gertrude has much more to offer. Something for everything!

"BELIEVE IN ME", by Lunaire Bernadette

The Book, "BELIEVE IN ME" is a treasure chest of sacred messages released thru Lunaire Bernadette by Amura Koran, a little-known American Indian Master. His words of Wisdom open the Gate of Soul for greater

understanding of yourself and your fellowman, and tells how to expand your Soul Essence while here on Earth. Truly a "bible" of Spiritual Love.

### EXCERPTS FROM LETTERS

A.C.: Everything I've been pondering in my mind seems to find a clear opening in your following Open Letter. It is almost unbelievable how God works: I also, especially wish to thank Garman for his Treatise on Page 2 of the April Letter, (Page 2 of the April 1976, Open Letter, the Treatise of "EXPLANATION OF THE TRINITY, AND THE RUBY FOCUS AND RAINBOW RAY), in his questions regarding all the "over-powering and bewildering host of terms", etc. This was bothering me a bit as to how long I could continue changing my wordings and seeming new ideas popping up! when in reality it is the same Truth expressed in different ways. Nothing else on this plane seems too important or even interesting, except that all is the manifestation of the ONE--and to see and feel all Life unfolding, where the "thought" is scarcely conceived until it is already a proven reality. A combination of all your wonderful Decrees have done so much for us all. I wonder at times, how I thought and lived until these points have been clarified, one by one. How grateful I am to be a part of this tremendous unfolding to man, who is ready to forget all ritual and dogma and venture forth in Faith. That forgetting was not hard for me, for I questioned it all since a child; but the fact of being born into it often made life difficult--for a purpose as I now know! Thank you also for the further explanation of the Chemical Litany. Lao Russel's book furthered the explanations, and I am quite happy to realize I can

still memorize "almost another language" of terms!: It brought home the thought to me of how many Pharmacists must have to grind away, not having a conscious knowledge of the unseen help always at man's disposal, in all things. So it is with greatest enthusiasm we look forward to each OPEN LETTER; and I'm so glad God has people like you folks to accept these Truths and give them out to all who are ready. And more and more all men are questioning due to the heat of Divine LOVE, in the same manner that yeast works much more quickly if the dough is kept warm. It is our job to keep the vibrations of LOVE ever rising, so the environment is ever receptive to greater and greater LOVE and Understanding. God bless you all.

P.C.B.: I broke my wrist. The doctors said it would 5 to 10 weeks before it would be healed enough to use; but thanks to the decrees of FATHER-MOTHER FIRE-FLAME-LIGHT, that my family and the class said for me, I am way ahead of schedule in the healing department. In fact, one doctor (while looking at three of the fractures on an X-ray) came to the conclusion that perhaps I only bruised it! Despite the fact that another bone specialist had already put my arm in a cast! Isn't it a shame that these "healers" can't recognize the work of greater healers even when they come face to fact with it?

V.R.B.: This is a request, from the bottom of my heart, and sincere, to JOIN the RUBY FOCUS - joint effort - Commitment and begin my services for this Great Cause, in whatever small or big way possible. After deep searching among many philosophies and religions, I have decided, as well as discovered, that the RUBY FOCUS IS TRUTH! Simply that! Therefore, humbly, I offer my honest and sincere APOLOGY for whatever negative reaction I had previously towards any MASTER or COSMIC TEACHER, because I now realize and KNOW that I was in error. Please accept my apology, and please allow me to become a Student and Worker for the RUBY FOCUS. Thank you.

U.E.: AN ACKNOWLEDGMENT OF GOD'S WORK. I have been going thru tests which I may call trials of Life since 1975. May I ask members of the RUBY FOCUS to realize that the ELECTRONIC ENTITY, known as RUBY FOCUS, can adequately handle any problem under any condition. I went thru tests which should ordinarily not be within human imaginations. I praise GOD with LOVE for the SUCCESS that I AM. May I reaffirm, "THE LIGHT OF GOD NEVER FAILS."

When you move, will you kindly let us have your change of address as promptly as possible? Thank you!

These OPEN LETTERS are sent on a Voluntary Contribution basis. Price, \$10.00 per year, or \$1.00 per single issue. We thank you!

ANU AUM AGUA: (FATHER-MOTHER-LIGHT-LOVE, thru us, loves you!)

SIANATA: (We are all Cells in the Body of GOD; we never part.)

Devotedly yours,

*El Aron Amos  
Evangeline Galfon Van Polen*
