MRS. EDNA BALLARD

The QUEEN of our dedicated MAGNIFICENT CONSUMMATION'S DECEMBER OPEN LETTER is MRS. EDNA BALLARD, lovingly known to Her disciples as "Mama Lotus". In Her incarnation as Benjamin Franklin, was brought forth physical electricity. In this life She and Godfre Ray King (her husband) brought forth ST. GERMAIN'S Electro-Magnetic-Energy from the GREAT CENTRAL SUN.

OPEN LETTER

Speedily Advancing Persons

LOVINGLY DEDICATED TO "MAMA LOTUS" OF THE ROYAL TETON

Beloved Ones:

"MAMA LOTUS" speaks thru "E": It is with great joy and a happy heart that I come into the loving embrace of MAGNIFICENT CONSUMMATION'S December Open Letter. And at such a most beautiful Season, when love is everywhere in action and the Heavens are opened wide to let the ANGELIC CHOIR sing forth and the BELLS of ST. GERMAIN are ringing loud and clear, to proclaim a great fantastic phenomenon of the Golden Age, the RAINBOW RAY, HE promised man of Earth many, many years ago. IT HAS COME!

It is with great Joy and satisfaction that I AM able to announce to you regarding My personal progress, that I AM serving within the magnificent halls of the ROYAL TETON. When a soul soars into the INFINITE, a place is given wherein to serve, and I find Myself performing a service for incoming souls. Everything is so different than the stereotyped programmes of Earth, and beyond human radiations and telepathy. I, Myself, find Myself in THE ROYAL TETON a gladsome, joyous CONSCIOUSNESS, permanently sustained!

It has become so easy to bless each incoming soul who is put to sleep. In a brief spell, within the peace of the AMPHITHEATRE OF THE ROYAL TETON, those who are here are awakened and placed before the KARMIC BOARD and given their placement according to their evolvement. These dear ones are from various spiritual ladders on Earth leading to eventual fulfillment, now in progress.

I trust "Daddy" and My humble Self offered some happy service to our disciples, those dear ones who entered our Sanctuary when the BELOVED ST. GERMAIN blew the Cosmic Whistle and the Ascended Master Octave took over the reins of their lives, bringing into each life a more complete metamorphosis.

A note of interest might be to tell you that according to Akashic Language, ST. GERMAIN was the father of "Daddy", Donald and Myself. This was 250,000 years ago. Many lives have been lived since then. It has been a delightful adventure for Me in these HIGHEST REALMS where all is LOVE, and the MIGHTY I AM PRESENCE becomes all in all, thruout the life-stream of Our elastic etheric bodies, activating thruout the seven bodies blessed by the nine, plus bodies of the CREATOR.

The Channel has asked ME to tell her what I felt was My greatest thrill in our Sanctuary Service when on Earth. I say, My great Joy was in the thirties, when BELOVED COSMOS brought into existence for Earth the

TWO NEW LIGHT RAYS, the Eighth and Ninth. They have been slowly maturing and now that the RAINBOW RAY is in, these TWO NEW LIGHT RAYS are very prominent and ready to be called upon by sincere disciples for healing and prosperity. In fact, one of the reasons I AM giving this message is to help bring into popular service these TWO NEW LIGHT RAYS of COSMOS, the Eighth and Ninth. If humanhood knew the great healing and adjustment Power of these RAYS, they would call forth into themselves Their SERVICE to dissolve and harmonize, and thereby solve all problems.

I AM happy to see the Pageant is still "permanently sustained". This is helping "JESUS-OF-THE-UNIFICATION" to "UNITE" the consciousness of all peoples of Earth, worldwide.

I come in universal PRAISE for all the sincere groups, with their particular dimensions. They are all rungs in "Jacob's Ladder", varying to suit their understanding and soul development. Not all are on this last rung of the ladder and so there must be many vibratory matrixes.

Another very vital reason I have come thru a Messenger of LIGHT is to ask those of My disciples of the "I AM SANCTUARIES" worldwide, those who have ears to hear and eyes to see, to consider this THOUGHT very meditatively, which I ask: PLEASE OPEN THE SANCTUARY DOORS AND LET LAYMEN ORDER THE NINE BOOKS AND ANY OTHER PARAPHERNALIA FOR WHICH THEY ASK. I FURTHER ASK THAT ANYONE WHOSOEVER SHALL HAVE THE RIGHT TO PLAY THE SANCTUARY RECORDS OF MUSIC OR SONG AT ANY PUBLIC MEETINGS. THE HOUR IS SPENT.

Now, part of the UNIVERSAL UNIFICATION is to LET THESE BOOKS GO OUT to whomsoever and wheresoever. Times are changed and no longer must the I AM SANCTUARIES be a thing of ITSELF. This also applies to the ST. GERMAIN PRESS. Come out of your hiding! The universal bell has rung!

Now, a thought came--there will be no use in any way to malpractice or send malicious thoughts to this Messenger or to the RUBY FOCUS of MAGNIFICENT CONSUMMATION, because thought will only bounce back upon you and your projects. EL MORYA has warned, thru a very substantial organization on Earth--HE has warned all people who harbor negative intent, even righteous indignation. The HIERARCHY is watching faithfully, that no harm can come to FATHER'S WORKERS IN HIS VINEYARD.

The ASCENDED MASTERS of both POLARITIES have been your salvation over the years. Now the hour has approached whereby you are your own salvation. Hold TIGHTLY to your MIGHTY I AM PRESENCE and your own part and parcel of this BEAUTIFUL PRINCIPLE which has brought into service your own HOLY CHRIST SELF. You need nothing else. IT IS ALL WITHIN YOU.

With tears of LOVE and JOY I leave you. I AM so happy to give you this MESSAGE from THE MIGHTY I AM PRESENCE and CHRIST LOVE thru "E" of the ROYAL TETON.

I AM MAMA LOTUS, Who loves everybody.

A question: Where is GODFRE RAY KING?

Answer: GODFRE RAY KING, My beloved husband and partner on Earth, is with ST. GERMAIN in the GREAT CENTRAL SUN, preparing a new SOLAR RAY, soon to be in evidence.

Evangeline says: April 10th, 1972, was my first, when a golden cord was woven between this glorious LADY MASTER LOTUS of the ROYAL TETON. I believe that it really began three months before SHE came into Her now beautiful ESTATE, where She now serves. GODFRE RAY KING had asked the RUBY FOCUS to radiate Peace and Happiness and Tranquility to Her while She was in a hospital bed. Lo and behold, She felt this soothing Cosmic Panacea of LIGHT which She says had greatly helped Her to go into the

INFINITE with Joy and Peace and Grace.

Then, February 12th, 1972, I had my first message of "THANKS" for MAGNIFICENT CONSUMMATION. She told me it would be some time before I would again hear from Her. I did not think I would ever hear from Her again as it was only a message of gratitude.

I met a friend, very close to MAMA LOTUS' Heart, Who took me to the HIGH OCTAVE of the ROYAL TETON, and there I met MAMA LOTUS, and from then on have received Her messages.

I have been a Sunday evening visitor since, and am receiving beautiful spiritual and chemical growth in the region of my upper brain. I feel so recharged and rejuvenated. NOTHING ELSE MATTERS.

I am now on my fifth text book to receive Her daily message. She Herself asked to be heralded in our December Open Letter. She jokingly said She wanted equal time with GODFRE RAY KING, Who graced our July, 1972 issue. I am very proud to be one of the agents She has chosen to "Open the Gates" of the "I AM SANCTUARIES" to let the laymen purchase these precious nine "BOOKS OF THE MASTERS".

All I can say in defense is, "TRUTH IS STRANGER THAN FICTION".

#### BELOVED READERS OF MAGNIFICENT CONSUMMATION

A message concerning Christmas has been requested, and I shall do what I can to comply. The Season is already at hand. People are beginning to be concerned with the shopping and packaging of gifts and the preparations for the festive season. Students of LIGHT are stirring with the new impulse of the CHRIST FLAME as it begins to increase in Power. Many prayers go out from US for the hearts of the dear chelas, for a lessening of the worldly festivities and the rush of physical preparations. Gift giving has become a monstrous burden rather than a joyous exchange of Love and Good Will.

#### THE MESSAGE:

Beloved ladies and gentlemen, WE of more highly illumined spheres Who watch over you and guide you when possible, become pensive indeed as WE perceive the frantic commercialism which infests the hearts of mankind and the ever-present fear of being outdone. WE are delighted with an opportunity to reach out to you in the printed word and draw you blessed ones closer to Our hearts.

First, let ME say, do not look back into the memory past, for to seek to return to the ways of childhood or youth is denied. Life is a progression of experience and nothing is learned by the return to the past, except of course in specific instances for review. You are privileged to be alive in a new day, a day of your own making. The future lies like an unborn child within you. It has already been conceived and is daily being born. It is for each one of you to transmute the past into the beauty and Purity of GOD'S Heart as you know it to be, and to prepare the new and better world daily for the life which is yet to be.

You have little if any conception of how great has been your accomplishments during these years which already hang heavily upon many of you. Youth carries a lighter burden of memory, but they have accepted a greater responsibility than even yourselves accepted when you agreed to return to Earth life. Bless them hourly even though you see them stumble and fall under the load they have undertaken to carry. You too have fallen many times and regained your posture in the LIGHT. Falling often breeds strength where strength is required. Since the binding cords of forgetfulness are still required for man, there remains the necessity for renewed experience to refresh the subconscious memories of many things learned or experienced in the past. Fret not. It is the way and

the present law. It shall not always be so.

In the realms of Spirit there are already great changes presaging Earth changes also. Is it not prayed continuously that it shall be on Earth as it is in heaven? It shall be so. Take heart. It is you who are preparing for that fast approaching day in the material realms of being. WE, your Master Teachers, Messengers and Mentors are striving mightily also, to prepare for the new day, each day.

At this Season of your Earth year, for many years past, a great Cathedral has been prepared in the Etheric Realm, for the focal point of such special blessings as pour forth from the living Christ Consciousness to those in the material realm. This beautiful edifice was called, The Christmas Cathedral. Recently, in your Earth time span, there came into being an Etheric Temple of such rare beauty that even the HIERARCHY of Heaven, desired to retain it as a useful focus for Their LIGHT as well as an example of the handiwork of extraterrestrial Beings known to you as builders of form. The limitation of time does not permit a description of the Cathedral here. However, much has been written about it in THE MENTOR, our seed publication. Let it suffice here to say that the responsibility for this Cathedral was accepted by a group of Ascended world helpers known as The Brotherhood of The Golden Cross. Thus the Cathedral became known as The Cathedral of The Golden Cross. There exists there, in etheric substance, an altar of immense proportions made of White Fire Substance resembling pure alabaster. Above that altar, suspended without any attachment, rises an enormous pure gold cross. It is into this cross that there flows from even higher realms, the Golden Light Substance to which WE often refer in our teaching. You are all familiar with it I am sure and if not, more of that another time.

This Cathedral is active continuously, projecting various rays to Earthlings for specific purposes at specific times, but it is at this Season that the activity becomes once more a Christmas outpouring. Put away all thoughts of Christmas as it is known in the outer world, and now try to conceive of a CHRIST MASS. Its purpose is to celebrate the CHRIST FLAME in Its descendance unto the spirit of man. It is under the direction of none other than the Beloved Master, Teacher, Savior and Redeemer, your BELOVED JESUS-SANANDA. All the Hosts of Heaven may take part and each has a responsibility according to each one's talents and capacities. I would that a book could be written about this MASS. So little can be said in the brief time allotted by man for Our Revelations.

The altar which I have mentioned, is a forcefield of such tremendous Power that it can scarcely be measured by man's consciousness. It is a radiating point of White Fire without limitations of any kind. The Golden Cross is a focal point for the Golden Ray as has been mentioned. The two operating together comprise one of the greatest foci of LIGHT to which the human consciousness of man can reach, and it abides in the Etheric Realm of your own planet. It is flanked by a Shrine known as The Shrine of the Holy Family. This will presently become The Shrine of The Holy Trinity. It is a wing of the Great Cathedral. On the opposite side is another wing which is known as The Shrine of Transfiguration. (MICHAEL-MASS) (THE RAINBOW RAY). Each serves a purpose for which no time is allowed for description here. The Holy Family presides in The Shrine of The Holy Family and there, those who still worship the Babe in the Manger, visit in etheric bodies at this Season of the year. It is there also that the souls prepared for Earth life, receive their final blessing. Thus it is truly a part of the great Christmas celebration and all are invited to visit when free of Earth duties and the limitations of the body consciousness.

At this time it is Our purpose to relate to Earth people the news that from the great Cathedral is beginning to flow, and increase in in-

tense flow of White Fire from the altar, to enfold Earthlings in another mantle of CHRIST LIGHT, Love, Protection and above all, Illumination. This outpouring will intensify until the beginning of the New Year has become a reality. Then it will gradually lessen until only a minimal flow emanates to those of the LIGHT. All the people of the Earth will receive this outpouring but most will seem to be unaffected because they will be unconscious receivers. The effects will be slower in manifestation thru them. To you, and those whose attention is raised to higher realms by your conscious attention and application, the outpouring will be a reality of great Joy and Comfort and Peace. It is like this: Suppose a thousand dollars were to be released, in Etheric Substance, to all mankind. Only those who were consciously aware of the gift, would enjoy it and bring it into full manifestation quickly. Others would have their wealth but not recognizing it, would not enjoy it so freely.

It is the desire of your Heavenly Teachers that you know, at this time, what divine gifts are being given to you so that you may accept and enjoy, and SHARE them. You are all invited to ask your Spiritual Guides to bring you to The Cathedral of The Golden Cross, or THE CHRISTMAS CATHEDRAL, as often as you desire. May your own Divine PRESENCE permit you to recall in Earth consciousness, the Beauty, the Peace, the Comfort, the Healing, and the Illumination which you receive there. Beyond that, you will also have a responsibility. That is, to share, and to become in Essence, the CHRIST BEING which you truly are now on Earth as you truly are in God's Sight. It is thru YOU now, that Peace must begin and the wounds of hate must be healed. Yours is a great gift. Yours is a divine assignment. Yours is a divine responsibility. WE stand at your sides to assist as necessary but it is within the province of all to succeed. Yours shall be the glorious victorious accomplishment. Bless you Christ-ian Legions of Earthlings. May this be the most glorious Christmas you have ever known. It shall be sustained in the Father-Mother Fire and Flame and Light of The Golden Cross and the White Fire Altar of Pure Being.

FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman, November 17, 1972

#### "JESUS-OF-THE-UNIFICATION"

Garman speaks: BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, what is Your reaction to the two Messages--one thru "MAMA LOTUS" and the other thru MARY MYNETA?

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: I say to My beloved children everywhere, whose consciousness I can reach in and thru the RAINBOW Level of Consciousness, which I do exhibit and promote in and thru the RUBY FOCUS in and at Sedona--I say that the brief, casual word from My Daughter, LOTUS, is of a tremendously far-reaching, great significance. I herein have Her speak to and for a large section of this humanity, and they are about to realize, recognize and acknowledge it.

And I say that the message thru My Daughter, MARY MYNETA, fully opens the door that I can reveal distinctly what is the "SHRINE OF THE TRANSFIGURATION", that other wing of the "CATHEDRAL OF THE GOLDEN CROSS".

All this has to do with the TWO NEW LIGHT RAYS I have brought to Earth from the GREAT CENTRAL SUN CONSCIOUSNESS THAT I AM, and these are the EIGHTH and NINTH RAYS, engineered by My Son, EOLIA, dedicated by My Son, COSMOS, and heralded also by My Son, ELMORYA, and especially These work openly, publicly, in this project, while many work more or less in

silence. All represent My Action, whether behind the scene or on stage.

As was indicated, it was My Son, COSMOS, Whose Consciousness in the late thirties conveyed to Earth the fact of the coming in to Earth of the TWO NEW LIGHT RAYS from the GREAT CENTRAL SUN. It was My Son, ST. GERMAIN ( EOLIA), Who had engineered, as My POWER in HIM, the issuing of My TWO NEW LIGHT RAYS of INTELLIGENT ENERGY SUBSTANCE, Color and Quality to Earth. And this revealing news was spawned and generated in that expression of Service to ME known as the "I AM MOVEMENT". In the forties came about the "Walking on Earth" of My Son, EL MORYA, Who again heralded the TWO NEW LIGHT RAYS and the RAINBOW RAY, too. HE expressed as "THE BRIDGE".

All this was foundation work. It was promise and prophesy. It readied the consciousness of My children with more and more sense, but undefined, of the TWO NEW LIGHT RAYS of Consciousness and RAINBOW Consciousness, and many were the individuals and groups, large and small, who were the off-shoots of these two great groups, who received this preliminary knowledge and feeling of these first necessary steps of revelation, consciousness and life.

And so it came to pass, as it so often behooves ME to do for My expanding Life, represented by stages of consciousness in My children, then I must place this pursuit of the development of the consciousness and action of the TWO NEW LIGHT RAYS and the RAINBOW RAY into other Children, other minds and feelings. It is so often the situation that WE, MYSELF and My INDIVIDUALITIES, must transfer activity from one section, from one generation of human consciousness to another. More than one generation of absorption is required for such Consciousness. The older generation becomes an expended consciousness; it has done its part. And a new, a fresh, a virgin humanly-templed consciousness, must come in to carry onward. And so it was that even in the beginning of humans on Earth it was that I destined what in the sixties of this Century became the RUBY FOCUS of MAGNIFICENT CONSUMMATION, in which I would bring forth the destined fruit of the TWO NEW LIGHT RAYS to function in the bringing about of the RAINBOW RAY.

Consequently now, for three years it has been that the Earth Staff and the COSMIC STAFF of the RUBY FOCUS at Sedona, Arizona, have been calling, have been hosting the NINE RAYS to Earth, which are the original SEVEN and the TWO NEW; and in colors these RAYS are: the BLUE AND RED, the CANARY YELLOW, the PINK, the WHITE, the GREEN, the RUBY, and the VIOLET makes it seven, and the IRIDESCENT RUBY AND IRIDESCENT MOTHER-OF-PEARL, the TWO NEW.

And in Qualities, they are most briefly, Power and Protection, Intuition, Love, Ascension, Knowledge, Cohesion and Transmutation, with Affinity, iridescent newness of Life of the EIGHTH AND NINTH.

Now for these three years, the EIGHTH AND NINTH Qualities have been called in every day, and the SEVEN on their days of the week, beginning with the first on Sunday, and the others in the order given. This gradual flowing in of RAYS, Colors and Qualities, has brought about the full Cohesion into ONE--THE RAINBOW RAY. HALLELUJAH! HALLELUJAH! HALLELUJAH! It is finished.

Only at the RUBY FOCUS could it be consummated, for only IT has that full complement of Qualities to provide the MATRIX that could draw them together. The RUBY RAY, Color, Quality and Focus is: Intunement with FATHER-MOTHER FIRE-FLAME-LIGHT, Love, Cohesion, Justice, Peace, Confidence, Ministration, Balance, Magnificence, Consummation, Matrix of the RUBY FOCUS, Sedona, Arizona atmosphere.

Ever at hand to attend to the cementing of the NINE RAYS into ONE, are of course, FATHER-MOTHER-LIGHT and EOLIA, COSMOS, RUBY AND CHRISTOS, THE LORD OF THE WORLD (GAUTAMA), THE LORD BUDDHA-DIVINO,

AEOLUS OF THE HOLY ESSENCE, JESUS-OF-THE-UNIFICATION, NIKOLA TESLA, MOTHER MARY, ALL THE ELOHIM, ARCHANGELS, CHOHANS, and numerous OTHERS, representing all the INTELLIGENT ENERGY and SUBSTANCE that must flow into the RUBY Chalice to integrate the RAINBOW RAY in ITS sublime CONSUMMATION.

Now, My attentive, beloved children, I want you to notice, I want to reveal to you, why it was that the LORD JESUS and the LORD GAUTAMA and the LORD MAITREYA were not the most publicly active ONES of Those Who took part in the introductory steps of bringing in the TWO NEW LIGHT RAYS and establishing the NEW CONSCIOUSNESS from the GREAT CENTRAL SUN into human awareness.

Really, there were very many Who were active in this, but, as you know, Those Who were foremost in that activity were ST. GERMAIN (EOLIA), COSMOS and EL MORYA. And THESE have remained in the forefront of activity to this very moment, when now the TWO NEW LIGHT RAYS have become mature for action upon Earth, and THE RAINBOW RAY IS "IN", has been grounded.

And this means that the RAINBOW RAY has now been delivered to the ADMINISTRATOR of the RUBY FOCUS, Who is SANANDA, Who is the MASTER-OF-MASTERS, Who is the ADMINISTRATOR of the RAINBOW RAY.

WE hereby declare My Son JESUS, JESUS-OF-THE-UNIFICATION to be the ADMINISTRATOR of the RAINBOW RAY. HE heads the ADMINISTRATION of BLESSINGS to all by the Many of My Special SERVANTS Who have been and remain active in this Service. And with HIM, stand THE LORD GAUTAMA, Who is the LORD OF THE WORLD, and THE LORD DIVINO (formerly known as LORD MAITREYA), Who is now the LORD BUDDHA.

Also with HIM stand ST. GERMAIN (EOLIA), COSMOS, and EL MORYA, and OTHERS, really many OTHERS, Who were so strenuously active in delivering My unprecedentedly magnificent CHILD, THE RAINBOW RAY, to Earth --delivered to JESUS-OF-THE-UNIFICATION.

I declare My Most Beloved SON, here designated as JESUS-OF-THE-UNIFICATION, to be the pivot of all these PERSONALITIES and ACTIVITIES. And why do WE call HIM Most Beloved and Only Begotten SON? I, WE, speak in terms of ONENESS, of WHOLENESS. Our ONENESS is our ONLYNESS. Within His INDIVIDUAL QUOTA of ME, HE knows HIMSELF as the WHOLE-OF-ME; and identically HE knows your INDIVIDUALITY of ME as the WHOLE-OF-ME, and so HE knows His INDIVIDUALITY and your INDIVIDUALITY and My INDIVIDUALITY as the FATHER-MOTHER FIRE-FLAME-LIGHT of the GREAT CENTRAL SUN and ITS GALAXY as ALL THE WHOLE-OF-ME, the ONE and ONLY in that PULL INDIVIDUALITY. Our ONENESS is Our ONLYNESS. Our ONENESS is our Most BELOVEDNESS.

In the CONSCIOUSNESS of ONENESS and ONLYNESS All My Great SERVANTS to you know THEY rank with JESUS-OF-THE-UNIFICATION; but also THEY know HIM as the Titular Head. THEY respect and reverence HIM as the PERSONAL HEAD of the Dispensation of the RAINBOW BLESSINGS to My Children of Earth.

Children, hail your DIRECTOR of the RAINBOW RAY, the Coalescence and Coordination of the NINE RAYS. Hail with HALLELUJAH! HALLELUJAH! HALLELUJAH! REVERENCE! REVERENCE! REVERENCE! GLORY TO FATHER-MOTHER FIRE-FLAME-LIGHT! GLORY TO FATHER-MOTHER FIRE-FLAME-LIGHT! GLORY TO FATHER-MOTHER FIRE-FLAME-LIGHT!

And so, My darling children, it has become an entirely new ballgame, a new story of Earth, a new Life for Earth and Her Creatures. HALLELUJAH! HALLELUJAH! HALLELUJAH!

Herein, in this CONSUMMATION, is finally completely exposed what has been the mission of JESUS-SANANDA, and what is this magnificent MICHAELMAS which WE have been celebrating these days.

"THIS IS MAGNIFICENT CONSUMMATION, TO REALIZE, RECOGNIZE AND ACKNOWLEDGE THE ONENESS IN ESSENCE OF ARCHANGEL MICHAEL, SANANDA AND

LIMITLESS LOVE AND TRUTH." (3 X) HALLELUJAH!

And now is exposed what HE is doing for the GALAXY of the GREAT CENTRAL SUN CONSCIOUSNESS. In My lifting of the Earth thru Him and His, WE have imparted this upliftment to My whole GALAXY. To the ONENESS of the LIFE of My GALAXY has this MAGNIFICENT CONSUMMATION been imparted.

Verily, My Beloved GALAXY is celebrating the MAGNIFICENT MICHAELMAS. HALLELUJAH! HALLELUJAH! HALLELUJAH! Immeasurable, inexpressible, is the jubilation thruout My GALAXY over what WE, FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION (3X), FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION (3 X), have done thru My FOCUS as JESUS-SANANDA. I, WE, have GRADUATED! All High Consciousness in My DOMAIN has GRADUATED. The COSMIC, the CHRIST CONSCIOUSNESS, has GRADUATED! become a higher frequency and action and fruit.

And now, My children, WE ARE revealing what the Message thru MARY MYNETA omitted. The SHRINE OF THE TRANSFIGURATION is the MAGNIFICENT MICHAELMAS. IT IS THE RAINBOW RAY. IT IS THE SHRINE OF THE GRADUATED HOLY FAMILY; the Other is the SHRINE OF THE PRE-GRADUATION HOLY FAMILY. And the HOLY FAMILY of the SHIRNE OF THE TRANSFIGURATION now comprises all those in the ONENESS and ONLYNESS of CONSCIOUSNESS.

The wing known as the SHRINE OF TRANSFIGURATION is the SHRINE of the Aquarian Age; the SHRINE OF THE HOLY FAMILY is a SHRINE of the Piscean, the Orthodox Age.

In the Central Part of the GREAT CHRISTMAS CATHEDRAL, there is in Etheric Substance, "An ALTAR of immense proportions made of WHITE FIRE SUBSTANCE, resembling pure alabaster. Above that ALTAR, suspended without any attachment, rises an enormous PURE GOLD CROSS. It is into this CROSS, that from even Higher Realms", from the GREAT CENTRAL SUN, from ITS TWO NEW LIGHT RAYS, there flows the EOLIAN GOLDEN LIQUID SNOW.

"The ALTAR is a FORCEFIELD of such tremendous POWER that it can scarcely be measured by man's consciousness. IT IS a radiating point of WHITE FIRE without limitations of any kind. The GOLDEN CROSS is a Focal Point for this GOLDEN RAY as has been mentioned. The TWO operating together comprise one of the greatest FOCI OF LIGHT to which the human consciousness of man can reach, and it abides in the Etheric Realm of Earth."

One can go in the High Soul to the ALTAR and the CROSS and receive the preparation, initiation, in FIRE-FLAME-LIGHT, to then go into one wing or the other--to the Piscean Orthodox Wing or to the Wing of the Aquarian Consciousness where is the MICHAEL MASS.

The MICHAEL MASS CONSCIOUSNESS and the RAINBOW RAY CONSCIOUSNESS are one and the same--the one anchored in the Etheric, the other on Earth. Both are exuded by the ELECTRO-MAGNETIC ENERGY of the GREAT CENTRAL SUN, THE EOLIAN GOLDEN LIQUID SNOW, THE TWO NEW LIGHT RAYS, THE LASER POWER. This is the newest NEW BIRTH.

Herein is AFFINITY. The LAW is AFFINITY. FATHER-MOTHER IS DIVINE AFFINITY. Everything that is, IS FATHER-MOTHER AFFINITY IN ACTION, either pure or distorted. All PERFECTION, all BALANCE, all SYMETRY, is DIVINE AFFINITY. AFFINITY IS THE ONE QUALITY THAT IS FATHER-MOTHER. The ONE QUALITY contains or comprises ALL THE QUALITIES THAT ARE AFFINITY IN ACTION, and THEY are known as the POWER of FATHER-MOTHER, and the WISDOM of FATHER-MOTHER, and the LOVING of FATHER-MOTHER, and the PURITY of FATHER-MOTHER, and the FRESHNESS and the WHOLESOMENESS of FATHER-MOTHER, and the MAGNIFICENCE of FATHER-MOTHER, and the TRANSMUTATION by FATHER-MOTHER, and the IRIDESCENT BRILLIANCE of FATHER-MOTHER.

DIVINE AFFINITY is the belonging together and the TOGETHERNESS and the INTEGRATION, INTEGRATION, INTEGRATION of all QUALITIES as ONE QUALITY. That is the ONLYNESS of EVERYTHING--DIVINE AFFINITY.

My sweet, blessed children, precious, beloved children, I wish you jubilant IRIDESCENT MICHAELMAS, and happiest TRANSFIGURED NEW LIFE.

I AM FATHER-MOTHER FIRE-FLAME-LIGHT, thru Garman, My Spokesman, Partner in LIGHT.

"E" asks, BELOVED QUEEN OF LIGHT, what is Your Reaction to the FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, "JESUS-OF-THE-UNIFICATION", thru Garman's Voice Box?

QUEEN OF LIGHT: I clasp My etheric hands in HOLY REVERENCE and joyous Inner ECSTASY, as I AM looking in the LOG BOOK in the LIBRARY of the INFINITE. I see upon the pages of this LOG BOOK these precious names mentioned in golden letters, Who with the ASCENDED MASTER EMIS-SARIES, heralded the new advances of the GREAT CENTRAL SUN, the GOLDEN AGE! an AGE whose dimensions and frequencies have never been so highly matured, and beginning NOW to manifest the FRUIT of the TREASURE BOX of HEAVEN. These TREASURES are the GIFTS of the DIVINE, and are NOW being used hourly and daily, as a special bonus to the faithful, dedicated chelas, evolved into the TREE OF LIFE within! THIS TREE SYMBOL IS THE MICHAELMAS, (NOT OF ARTIFICIAL TINSEL), but of LIGHTED CHAKRAS, and forming a glorious celestial iridescent WHOLE!

I speak softly and tenderly of BELOVED MAMA LOTUS, with the never-to-be-forgotten GODFREY RAY KING. These dear ONES were the Batteries (polarity) thru Whom ST. GERMAIN brought down to Earth periphery the Electro-Magnetic Energies of the GREAT CENTRAL SUN; also, the TWO NEW LIGHT RAYS of BELOVED COSMOS. THESE are the HOLY INGREDIENTS which will transmute physical electricity into the DIVINE CHEMISTRY, to be used, not only for LIGHT upon our paths, but also to infiltrate THOUGHT into instant manifestation of Earth equation.

Then the Beloved MARY MYNETA, whose Sanctuary and home walls are draped with a Great ARTIST'S IMMORTAL ART, that of PAUL THE VENETIAN. What a beautiful privilege as He is now the MAHA CHOHAN. The Magazine, "THE MENTOR", is also her creation, thru magnificent attunement. It is the idea of the HIERARCHY that their taste for DIVINE LITERATURE is the pure, the beautiful, as she carries us into realms and labyrinths of Golden Beauty, only found in the HIGHEST HEAVENS! She stresses the GOLDEN CROSS in this OPEN LETTER; yet, may we add the GOLDEN ROBE? These delightful BROTHERS have given rise to so many testimonials as to their protective service to the women who walk this Earth alone, but thru their GRACE, they do not FEEL alone. After all, it is feeling, is it not, that inspires and makes one secure?

Now, I must mention My beloved Garman, My Divine Complement, the Humble Agent of FATHER-MOTHER FIRE-FLAME-LIGHT, Bless His Name! and dedicated to the FATHER, in His steadfast, Intense FOCI, to be asked to tie all those loose cords together and make the PICTURE WHOLE AND UNIFIED. BLESS dear Garman and beloved Evangeline, dear Lady of the ROYAL TETON, and bless the faithful staff, who flank the issues so beautifully in service--as Seraphim Frank would say, "I am here."

There is building a DIVINE CAULDRON of readied YOUTH, who are finding the DOORSTEP of MAGNIFICENT CONSUMMATION'S FUBY FOCUS. WE ARE so glad to see these young TREES, blossoming into their own HOLY CHRIST SELVES. FATHER-MOTHER-LIGHT is personally sending the worthy ones!

Oh! I have a secret close to My Heart and now My lips are quickened to tell! I close with this revelation. It is: MAGNIFICENT CONSUMMATION IS EVEN NOW MAGNIFICENTLY CONSUMMATING. THE RAINBOW RAY HAS MADE ITS GREAT UNIVERSAL "JESUS-OF-UNIFICATION" BOW TO EARTH.

BELLS ARE RINGING EVERYWHERE TO PROCLAIM IT!

I AM SO PROUD AND SO OVERJOYED, OVERWHELMED, BATHING IN THE LIGHT OF ALL THIS NEWS! I AM THE QUEEN OF LIGHT.

LORD GAUTAMA'S QUESTION AND ANSWER DEPARTMENT

Question: I believe that I cannot quite conceive of MOTHER MARY'S being all these foreign HOLY IDENTITIES. Could YOU elucidate more, BE-LOVED LORD OF THE WORLD?

Answer: I read the MENTOR Magazine for December, and I could not tell you any clearer than was related in this Magazine. Let US quote:

"The DIVINE LADY MARY has been appointed as WORLD MOTHER, and SHE is known by many other Names. You know Her as MARY, but She functions, thru the concepts builded by those who knew Her, by other Names as well. A Chinese parent approaching the DIVINE LADY will not see Her as a young Jewish girl, or a Christian, but as the CHINESE GODDESS KWAN YIN, or according to the concept of DIVINE MOTHERHOOD for whatever the race and religion. The DIVINE VIRGIN can still be Chinese, or black or red; and the CHRIST may appear likewise, but I say, the CHRIST will not be the INFANT CONCEPT with which you have been familiar so long.

"LADY MOTHER MARY is no longer a simple maiden with a new babe slaped to Her breast. SHE IS THE QUEEN OF HEAVEN. There are radiant circlets of stars in Her shining hair. THE LIGHT OF THE HEAVENS GLOWS about Her. Beside Her the DIVINE FATHER CONSCIOUSNESS, no longer a simple old man, but a MASTER-PRESENCE, a Representative of the GREAT FATHER PRESENCE. His FACE is as a shining Sun, and about Him the GLORY of the outpouring of LIGHT is so intense that human eyes cannot long rest upon it.) His garments are as the raiment of kings, not to glorify His vanity, but to express His POWER and Heavenly AUTHORITY. Between THEM stands the Mature, Adult CHRIST, JESUS-SANANDA, that first begotten SON of GOD. HE is a glorious BEING of Beauty, Peace, Serenity, Simplicity and without ostentation. The CHRIST has now grown from infanthood to maturity in the full expression of His DIVINE PATTERN, expressing the DIVINE PLAN of the FATHER-MOTHER PRESENCE."

(Just so, the energies of such multitudinous brings into being a HOLY MOTHER from the same stem, for the concept of HOLY MOTHERHOOD in all countries of Earth.)

Now, beloved ones, this is the best answer, better than I, LORD GAUTAMA, could give you.

(The MENTOR, November and December, 1972, edition, Pages 9, 10, 11.)

Question: Dear LORD GAUTAMA, what do YOU think of TRANSPORTS? BVP

Answer: It is surprising that people of Earth do not realize that thousands of Beings have now already transported, especially in Central and South America and many, many in North America. This is no longer a phenomenon. If humans can translate, why not transport? It is told in the Bible that many people would disappear, as if by magic. The era is now coming into whirlwind of this prediction; also appear by the same token. 1973 will be a popular year for this translate-transport activity. The evolvment of Consciousness into the chakra dimensions has resulted in this exhilaration of soul.

I AM your Brother and Friend, THE LORD OF THE WORLD.

MESSAGES FROM ASCENDED ONES, thru "E"

MOTHER MARY, Nov. 26, 1972: It makes ME very happy to be here tonight and to give to each a bouquet of white roses. And in the white rose you will find an emanation of prosperity. When people are not in the best of health, good health means prosperity. It depends on what you are lacking what prosperity means to you. It does not always mean what people of Earth call, in equation, money. It can be virtues, it can be Love, it can be good radiant health and buoyancy. And I would

say to the Channel here, prosperity means Intuition, Feeling the Presence of, and knowing what the message is all about. That is prosperity. That is the prosperity of the Treasure Box of Heaven. And in a few years there will be nothing but that.

It is truly Happiness to have found your CHRIST CONSCIOUSNESS and to have had a Cosmic Adventure in LIGHT. It is truly wonderful to feel the high vibration of the Seventh Dimension, for then you have touched the Dimension where all your possessions go with you, for they, too, are in the Seventh Dimension--the trees, the flowers, the animals, even your paintings, everything. Everything that is identified with you can follow you. But I'M going to tell you that you can take it with you; you don't take money with you because you don't need money. But you can take the things that are dear to your souls; and much that is superficial, supercilious, you don't want to take with you. WE'll leave it that way.

Good evening, dear people. I AM MOTHER MARY.

Editor's Remark: You observe, do you not, in this Open Letter, how truly the RAINBOW RAY is drawing together the various RAYS and Their expressions (various personalities and Groups), and then radiating out the LIGHT of the RAINBOW BLEND of these RAYS, Colors, Qualities.

CASSIOPEIA: I would like to stress Wisdom and Illumination. And when you have those virtues all your problems are solved and all your difficulties are dissolved. And do WE have to keep telling and telling how to attain this mastery? It is by going in consciousness, directly before sleep, into the higher levels of LIGHT, as high as the seventh level of LIGHT. And I know of no other VORTEX in the Heavens than THE CAVE OF LIGHT in Etheric India, where a Seraphim comes and fetches you, and you sit in the "Acceleration Chair". I presume others have told you that the "Acceleration Chair" is the basic FOCUS of the CAVE OF LIGHT where, if thousands of people, Souls, come that night, thousands of Chairs would be given. This is of course the Law of the "loaves and fishes" a very mystic Law which pervades the Higher Heavens, where there is no Time or Space and where everything is multiplied sufficiently and where thought brings to your doorstep that which you need. So it behooves you to develop the power of thought and use it constructively, use it positively, use it in His NAME and for His GLORY.

Yes, there are many mortal men who have the power of thought and they use it destructively for self-aggrandizement or politically. There are sciences, there are philosophies on your Earth that teach the power of thought and they do not teach it in the NAME of the Iridescent CHRIST CONSCIOUSNESS, but they teach it for self-aggrandizement of the disciple. WE could mention a few that blaspheme the CHRIST in their maneuvering.

You tear up those letters that come to you for they are not of the CHRIST, they are not of the Higher Levels of LIGHT; yet they teach the powers of thought. And that power of thought can hammer the nail so tightly into your destiny that you will not see the Glories of the Heavens but will wallow in materialism for all eternity. And there are other philosophies. Keep out of these various letters that come promising that. And the letters that come asking you to buy books--books that will make you wealthy if you read them, if you can dominate the minds of people if you read them. And the only people that are wealthy thru the reading of these books are the author and the publisher. (You, dear disciples, seem to escape its effulgence.)

And so I AM telling you to seek ye first the Kingdom of Heaven within you, and all things will be added unto you, blessed and protected. And the way to seek the Kingdom of Heaven within, is to open wide the heart and the Soul and the mind and call upon the various Retreats Who will gladly send a Seraphim and will bring you back safely, which is very

important. For so many people have lost their way in the wilderness of the atmosphere in trying to soul-travel without the help of a Seraphim or the protection of a Master. Don't do it. (I could name several who lost their way. They get their foot caught and they cannot seem to find their way. But if you call upon a Master of a Retreat, you will be surely taken back and forth.

I speak of the same idea of not calling on FATHER-MOTHER FIRE-FLAME-LIGHT or an ASCENDED MASTER for healing. Don't try to heal anybody; you can't do it. For if you do it, thru magnetism, and quite often animal magnetism, you only have what they might call a transference of the ailment that you are trying to heal in another person. Have nothing to do with it once it is a fixation position with the FATHER-MOTHER FIRE-FLAME-LIGHT, or an accomplished, perfected MASTER. Vicarious transference results from personal healing methods. I could name a few who have had this. There was one who could take a cancer case and with one wave of his hand the patient was healed; but the healer took on the ailment himself. Do you see? These are the things I try to point out and teach you. For I do not want you adorable people to ever have anything like that happen to you because you were not told the difference.

LORD GAUTAMA, (LORD OF THE WORLD): Well, I have been here in this Sanctuary all morning, building up a radiation to be sent North-East-West-South. I AM your Friend and Brother. I AM in My Abode and will be here until January. Then I will leave and go to the ROYAL TETON for a while. And also, will be peeking in on you even though I AM in these places where I will be, because you know the power of thought; you are where your thought is. That is, if you have developed the power of mind sufficiently to be able to throw your thought in any direction.

Now, I will tell you that it is wonderful that you are going to the CAVE OF LIGHT where you receive the whirrings of LIGHT from the "Chair". And you wonder how many people can go there and sit on the same Chair. Well, you know the Law of Multiplicity. And if there are a million people to sit on that Chair, there will be a million Chairs. And of course, there is no such thing as Space. I only wish that there were a million people sitting in those Chairs. There is the ONE BASIC FOCUS which is "The Chair" out of which comes the Law of Multiplicity like the Law which multiplied the "loaves and fishes" in the days of the Blessed JESUS.

Now, you take your disciples to the CAVE OF LIGHT. It does not have to be just the few disciples you have here. You can put in your OPEN LETTER that anyone wishing their name to be placed on the roster of the CAVE OF LIGHT to kindly write in to you their name, and they, too, can come to show an interest. It is time that many, many people go to the CAVE OF LIGHT, because it purifies your mind, it purifies your etheric. With this purification, then, the MASTERS can work thru you so much easier.

Well, you see that is wonderful! All of you can see it; and if you don't see it you will feel it; or if you don't feel it you will feel the effects of it. There are three ways to know; and feeling the effects is probably the most valuable, because you will feel a graciousness come over you, a Love that surpasses all understanding and a sense of freedom. And that's what you need to have in this world today, is to feel free. Free from what? Free from the boundaries of the mortal mind, the people, the thoughts of people, free to be able to think in your own vernacular and free to be able to soul-travel. For you've now reached a point in your evolvment where you are now beginning to do some soul-traveling. And then you will go into the BROTHERHOOD at LUXOR with the BELOVED SERAPIS BEY, and that will be quite a thing to be able to do, where you will receive the Elixir of Life and again feel that you are truly a can-

didate for the Ascension.

There are other Retreats and they all have their Virtues and Qualifications which you know about. THE ROYAL TETON is a very popular place for the disciples who wish to go, because IT is so beautiful and so wonderful. And those who go in soul-flight to the ROYAL TETON always receive certain initiations, or there are certain vents opened in that Upper Brain that will cause you to be more wise, more powerful, more energetic and more prosperous.

You are all ONE, ALL ONE in Consciousness, and no detours.  
I AM your Brother, GAUTAMA.
