Speedily Advancing Persons

DEDICATED TO EL ARAN AMMA (GARMAN) AND EVANGELINE

Beloved Ones:

The "RUBY FOCUS" presents this MICHAELMAS OPEN LETTER for December, 1976, dedicated to the Two Custodians (as One Battery), Garman Van Polen (EL ARAN AMMA) and EVANGELINE. THEY WERE NOT AN ACCIDENT. Long before their natural birth to Earth (Urantia), THEY were the appointed Ones to fill a most important role in the now GREAT ACCELERATED PROGRAM called the "RUBY FOCUS" and the RAINBOW RAY TABERNACLE in the environs of Sedona, Arizona.

This change of Cosmic Pace was ushered in thru LIMITLESS LOVE AND TRUTH thru LIEBE PUGH, Christmas Eve, 1967. Thus was released into dynamic action the TWO NEW LIGHT RAYS, RUBY AND CHRISTOS, making GARMAN and EVANGELINE Their CUSTODIAN BATTERY. This event also officially ushered in the GOLDEN AGE of AQUARIUS, seeping into the now TENTH DIMENSION of CHEMICAL FREEDOM. This furthermore scales into the HOLY CHRIST CONSCIOUSNESS....up, up, up the GOLDEN LIBERATING LADDER, of which is the Eleventh and Twelfth Rays, yet hidden from consciousness of the Children of GOD (FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE).....YET REVERBERATIONS ARE WHISPERING AS MASS ASCENSION AND ACCEPTANCE.

ARIAMAS AND AVANTARII (TENTH-DIMENSIONAL SPONSORS) have given the "RUBY FOCUS" the green sign to "GO AHEAD" with public relations of GREAT NEWS OF FREEDOM. EL ARAN AMMA and EVANGELINE are the BATTERY for COSMIC ACCELERATIONS from HELIOS AND VESTA of the Physical SUN; ALPHA AND OMEGA of the MILKY WAY GALAXY; RUBY AND CHRISTOS of the TWO NEW LIGHT RAYS; and now coming into CONSCIOUSNESS, ARIAMAS-AVANTARII of the TENTH DIMENSION, SUPER STAR UNIVERSE.

SANANDA speaks regarding the Battery, EL ARAN AMMA and EVANGELINE, "Their lives up to now were a preparation. THEY were innocent and unexpected. I AM Their ADMINISTRATOR, and NIKOLA TESLA is My DEPUTY for MAGNIFICENT CONSUMMATION. WE guide and protect these diligent SERVERS. Let Us begin, then, in THE ETERNAL NOW. BLOT OUT ALL THE PAST, except when, in 1968, FATHER-MOTHER LIGHT commanded the Messengers to move to Sedona, Arizona. It was like putting together a picture puzzle. Each person appeared at the precise time and they are blessed beyond measure! Thusly, the "RUBY FOCUS" found Its ETERNAL HOME-BASE. Galaxies of momentum supplied the change. These are MATRIXES unto Whom all MASTERS bow in Reverence!

One beautiful Master, One who has waded thru many avenues of consciousness, was the Big Brother, (One who will be registered in Cosmic History) because in nine years he assisted to pivot the center and dwell

ling of GARMAN and EVANGELINE into maturity in Sedona, Arizona. This was Samuel George Partridge of Grass Valley, California. There is no yardstick wide or long enough that could measure the EXPANSION which began in this Holy Northern Desert, designated thru SAINT GERMAIN in His Book, (page 46) 'I AM DISCOURSES'.

"The Catalyst, Samuel George Partridge, has his own Vortex, 'The Wolf Mountain News', and has just channeled a book, 'Golden Moments With The Masters'. His Channel, 'White Dove', well equipped for channelship because of personal sorrow. We all must suffer to gain our CHRISTHOOD. MONKA rejoices! What has been Good for the One has been Good for the Other!

"It is Wonderful! The CREED for the Purity of channelship of the MESSENGERS is: 'MY INTUITION IS A TUBE FROM THE VOICE OF GOD (FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE) INTO MY HIGHER CONSCIOUSNESS.'

"I say, as SANANDA, you may believe what these dear Ones channel; there are many findings; study deeply, especially from the Silver Booklet of ARIAMAS-AVANTARII.

"There are thousands of 'WINDOWS' in the HOUSE OF THE ETERNAL.... all vibrating to the eventual CAUSE of the GOLDEN DAYS AHEAD! The 'WINDOW' of the 'RUBY FOCUS' is very special, as It brings into IRIDESCENT REALITY the LIGHT of HELIOS AND VESTA of our Physical SUN; ALPHA AND OMEGA of the Milky Way Galaxy; RUBY AND CHRISTOS (LASER BEAM); and now the PURPLE LIGHT AND IRIDESCENT SILVERY WHITE LIGHTNING of the TENTH DIMENSION, of the SUPERSTAR UNIVERSE of ARIAMAS-AVANTARII.

"Believe in US, SANANDA and NIKOLA TESLA, you who are sleepers. You must 'GET WITH IT', if you will cut your cords of 'Prison Bars' of Third Dimension, an artificial strata of consciousness, mortal-made.

"Children of GOD, COME HOME, WHICH IS YOUR IMMORTAL CONSCIOUSNESS WE OFFER YOU THRU THIS BEAUTIFUL RELEASED LADDER....FOURTH, FIFTH, SIXTH, SEVENTH, TWO NEW LIGHT RAYS, EIGHTH AND NINTH, AND NOW, IF READY AND DEDICATED, THE TENTH DIMENSION OF ETERNAL, TIMELESS CONSCIOUSNESS OF CHEMICAL FREEDOM.

"Oh, HOW WONDERFUL! The Booklet tells you how to receive your WHEREWITHALL. Study its contents. 'WE WISH TO SERVE THEE.' THEY reply, 'WE ACCEPT.'

"As the snake loses its skin, just so have the MESSENGERS dissolved the cells of their first body, living and moving now in Their ELECTRONIC AREAS, giving Them INNER JOY, STRENGTH, PEACE, POWER, PURITY, POISE and PLENTY. None can adulterate Their Prestige. Some have tried! The technique of the dark forces....confuse, control, destroy and disable. The MESSENGERS are appointed Souls and cannot be touched or reached by mortal thought. The TENTH DIMENSION EMISSARIES, such as ARCHANGEL MICHAEL, Etc., PROTECT. ARIAMAS-AVANTARII, each night, place a 'PURPLE CLOAK' around the auric circumference of not only the MESSENGERS, but each and all of the Blessed Circle.

"WE feel somebodies are asking, 'Just what are the Projects of MAGNIFICENT CONSUMMATION'S 'RUBY FOCUS'? To which I, SANANDA, answer: Many, all in one Iridescence of Radiation. The Plank? 'MAGNIFICENT CONSUMMATION IS TO REALIZE, RECOGNIZE, ACKNOWLEDGE, EXPRESS AND RADIATE THE ONENESS IN ESSENCE OF ARCHANGEL MICHAEL, SANANDA, AND LIMITLESS LOVE AND TRUTH.' Their FLAMES, FAITH, MARY MAGDALENE AND LIEBE PUGH.

"Results of this newly-acquired CONSCIOUSNESS is the seemingly opening of the THOUSAND PETAL LOTUS. THE SOUL HAS BEEN INVOKED!

"In the year 1969, THE ASCENSION FLAME RETREAT was moved to Sedona, the LAND OF SOUL. There, thousands of people, slumbering at home, breathe their way to this ASCENSION FLAME RETREAT for PURIFICATION and EXPANSION OF CONSCIOUSNESS, behind sleep, remolding their tired three sets of nerves.

"RUBY AND CHRISTOS, the TWO NEW LIGHT RAYS, while Universal, have a Focus here.

"There is the RAINBOW RAY TABERNACLE (not made with human hands), awaiting Fourth-Dimensional sight for GOD'S Children to see. In Its magnificent Grandeur many are seeing it and rejoicing!

"Beloved GAUTAMA, THE LORD OF THE WORLD, has His ABODE on the Hilltop. HE is here when HE is not mystically traveling, or in His real Residence, Etherically, at the Long Island SHAMBALLA, Bridge to Freedom. Also, He loves the Mountains of Australia, and sometimes is a Guest of DAVID LLOYD, MASTER OF GRATITUDE, a forgotten Virtue.

"A joyous radiation constantly issues forth, North-East-West-South, thru the extraordinary paintings of MOTHER MARY and her Life picturized on canvas....the genius of Amber Marie Tuttle of Moscow, Idaho, and the most beautiful art of the various Masters, thru the genius of Celaya Winkler, Yucca Valley, California.

"MOTHER MARY'S lovely statue adorns the Garden, with its Rose Light glowing thru the night. KWAN YIN and Her Purple Light are in the Pond area--all to bless and heal the traveler in the night.

"Now, the Gratuities of ARIAMAS-AVANTARII: EL ARAN AMMA and Evangeline are grateful, in Rapture, to FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE for HIS-HER and Emissaries. WE are flanked with Their LOVE and PROTECTION and PROSPERITY as needed, not to hoard!

"WE are grateful for the 121 Chemical Sensitivities, and the enthusiasm of Beloved KAY. WE are grateful for all who brought and assisted US into this Great FULFILLMENT. WE live in TIMELESS ETERNITY. So can you!

"WE acknowledge Beloved SERAPIS BEY-CELESTE, JESUS-SANANDA, Deputy NIKOLA TESLA, MOTHER MARY-RAPHAEL, KWAN YIN and Dr. C.H. Yeang, Amber Marie Tuttle, Samuel George Partridge, Celaya Winkler, and above all, the Daughter of ARIAMAS-AVANTARII--Blessed Constance Nada and Christopher, the musician. She, Constance, was the Harbinger of News of the TENTH DIMENSION. We bless our faithful, sacrificial Staff--Leta, Mamie and Celeste, and our many Disciples thruout the Earth, pinpointing Africa. Beautiful dedicated dear Ones, what a Joy to live in this CONSCIOUSNESS of GRATITUDE."

EL ARAN AMMA and EVANGELINE now wish you a MERRY MICHAELMAS. May the Divine Gifts of the INFINITE LOVE be your Plum Puddings. LOVE, LOVE, LOVE, LOVE:

MESSAGES thru Constance Nada, May 18, 1976 (Tuesday)

RUBY of RUBY AND CHRISTOS: Blessings! and Blessings! and Blessings of Peace and Prosperity, My Beloveds. I AM RUBY of RUBY AND CHRISTOS, LASER BEAM of Lightning Energy, Love, Frequency, Truth and Perfection.

My Commission at this time is to express Understanding to you of the convergence of the Polarized Light Beam which RUBY AND CHRISTOS IS in and thru all of those Seven Rays that you know, which you have just involved in your Color Litany; for it is the ignition that is to come about between Our RAYS and these other RAYS of CENTRAL SUN LIGHT, which will produce the impetus, which will bring forth from the Galactic Sun ALPHA AND OMEGA, whom you call the CENTRAL SUN, a new Creation for this Planet, called the RAINBOW RAY, the ALL-IN-ONE, which is more than the Parts, as Beloved Evangeline has so keenly perceived, private for you who work in the Focus, who understand the world. And even those who understand your work to a certain degree, will not be able to comprehend the actual living thru of the moments of the Creation of a Cosmic Ray of Light for the service of a planetary Ascension. Do I make myself clear? (Very clear, thank YOU.)

It was decided by those Who are LORDS of the SUN, the HIGH SUN, that it would be necessary to produce a New Creation and a New Frequency of Light and Love in order to be perfectly in Balance, the Substance of this planetary world and the bodies of those who will continue to live upon it, as the Planet is moved into its new orbit, which is even now beginning to take place; and you realize that the Third Dimension has been bypassed and humanity is but just waking up to this, and their great confusions are indeed that the mental energy which they have called their own, is in the process of being transmuted and this terrifies their darkened psyches. Do you understand, My Beloveds? (Yes.) So, a great plan was conceived, and I shall say long ago, which is now, only now, being brought into its consummation; and the drama of JESUS THE CHRIST, Whom you know as SANANDA, was part of this that you are now involved with, the "RUBY FOCUS", Sedona, Arizona. The two works are extremely connected and interrelated, and this is to be clearly understood by you; it is why HE is your Commander-in-Chief. It is part of the same work to bring forth a newly qualified RAY of LIGHT to produce what had looked like impossible results for a planetary Ascension, when the Planet's people were not ready at the right time.

This Planet has been the depository for many Souls from many places, the reaches of which, if I were to describe it to you, would tickle your imagination. And so, many are called from these worlds, where CHRIST LIGHT is now strong and purified in expression thru embodiments by beautiful Etheric Beings. THEY are called here to render service because a great debt is owed thruout the COSMOS to the Planet Earth and its environments and to those Sons of GOD who gave up, so to speak, a portion of their own existence in High Fields of Light, to create bodies and experiences within this planetary cycle in order to be of assistance in these times. And so, Gratitude flows into you! Gratitude flows into you! Gratitude flows into you, and lifts you up into the Crown, which is CHRIST.

As the FLAME is being built during a ceremony at the time of your Festival, it will be as if the Executive Director, so to speak, of each RAY and each Quality of Light and each Brotherhood of Light working on this Planet will arc into a great Dish which is now being prepared to receive the FLAMES, which shall become ONE FLAME thru a great process that I AM to describe to you. The Dish is a magnetic forcefield, which is now being built; it is a great Spiral Vortex within the TEMPLE SANCTUARY of the Beautiful RAINBOW RAY TEMPLE. And as this Vortex is being completed and strengthened in Its Pure Magnetization for the ALL-IN-ONE, which is Its qualifying tone, the ALL-IN-ONE; as this is being done, you are participating; this is the project of the moment, to complete it before Friday morning in your time; and so WE have asked you, WE, all of US, to lend your services several times a day, today, tomorrow for you, and Thursday for you, that it may be done, and WE have received as always from you, acceptance of this request; and so WE know that it shall be done, and the Dish shall be ready to receive the FLAME.

At the time that all the FLAMES and LIGHTS are being arced into the Great Dish that is being prepared, they will have a tremendous effect upon one another at this level of the ethers into an ALL-IN-ONE Radiation and an Electro-Magnetic Forcefield. This will give out vibrations of Acceleration thruout all of the RAYS and their activity everywhere. The Vibrational Acceleration involving the activity of each RAY will be "upped" beyond description and beyond imagination....the time has come. And when all of these FLAMES are burning as ONE, in the Great Dish which WE have prepared, and the FLAME will be burning steadily, then will the Great EVENT, which has not been spoken of to you yet, take place. And ALPHA AND OMEGA, ITSELF, in the Name of UNIVERSAL FATHER,

will direct a Beam of Creative LIFE ENERGY into that FLAME and transmute IT into the RAINBOW RAY FLAME LIGHT RAY, and IT shall spread throughout all the Earth with all ITS RADIANCE, permeating the atmosphere everywhere. Do I make MYSELF clear? (Yes. Thank YOU.) IT IS THE CREATION OF A NEW RAY OF LIGHT.

RUBY AND CHRISTOS, WE, I AM, ARE the LASER BEAM CARRIERS of Unqualified LIFE ENERGY from the GREAT CENTRAL SUN, to bring this LIFE-GIVING SPARK into contact with the combined FLAMES of all the RAYS that are now active. WE carry it within US, but WE ARE merely Carriers of a Most High and Holy GIFT; and there shall be great rejoicing amongst men, and amongst Angels in all the Realms.

WE love you, and WE are so happy to share with you at these times these Understandings of exactly what the nature of the fulfillment of your service indeed is. In Peace and Good Health, I withdraw My Transmission....ONE with CHRISTOS, LASER BEAM OF LIGHT, together WE ARE LIFE, even as you are. Amen. Amen. Amen. Amen.

HERCULES: Will of GOD RAY (4 X), Blue Lightning (4 A), Suffuse the World and let there be LIGHT! I AM HERCULES of HERCULES AND AMAZON, the Elohim of the RAY of Blue, the Will of GOD RAY.

You have had communication with other Members of the Executive Order of the WILL OF GOD RAY, this section, and I AM commissioned to communicate with you for a moment regarding the great care that has been taken to sanctify and secure the area in which this great Festival of Life and Light and Love is about to be consummated. WE have ringed the area for miles and miles, in your terms, with a great Bowl of specially qualified BLUE LIGHT. I would have you visualize and feel this Dome of Protection, like a great vast Blue glass Dish settled down over the area for miles and miles in every direction, in contact with the surface of the Earth, and yet rising in a Great Dome up to the Heavens. WE have stationed Ships of Light and Seraphim of the WILL OF GOD all across the surface and at every contact point with the Earth of this Dome of Protection. WE need your assistance to secure the telephone line, so to speak, from this Dome of Protection into the actual "RUBY FOCUS" area. WE ask you to include in your invocation beginning tomorrow morning and continuing until Thursday night: "LORD MICHAEL AND FAITH, EL MORYA AND MIRIAM, HERCULES AND AMAZON, and the RAY of the WILL OF GOD, BLUE, to the Earth, FOCUS! (9 X) Connect the "RUBY FOCUS" to the Blue Dome of Protection! (4 X)" If you will assent to this, then Our Work can be complete. I bless you! (4 X) Let the Strength that is quiet and everlasting fill you and prepare you. Amen. Thank you. I AM HERCULES.

SANAT KUMARA: Well, Who do you suppose this is? The Ancient of Days, SANAT KUMARA I would speak to you also, for I wish to assure you of the finely tuned Presence of the SONS OF LIGHT and the LEGIONS OF THE SUN in Their Ships of Light, over, around about and above, (4 A) within, (4 X) the "RUBY FOCUS VORTEX. WE are a part of the assurance about which Beloved HERCULES speaks. For indeed I would tell thee that no event since the coming of the Son of Man called JESUS CHRIST....since that time, no event has been more anticipated than the event which will ensue within a few days in the "RUBY FOCUS". I pray that this reveals to you the actual significance of what you are involved with and what has been the purpose of your work here, and what will become your expanded purpose beyond these days that I now speak of.

I love You. (4 X) Where You are, You will find ME near by, for I keep closely attuned to each one of You, My little Ones, and I hold you in My FOCUS of LOVE and ORGANIZATION, and You are very great, each and every One of You. To them to whom much is given, of them much is asked. How well you know the Truth of this statement, and I would ask

you to reinforce your awareness of it to the Nth degree, for you will be most sensitive to the events of the next few days, having been allowed and having cooperated in the plan of building this Focus and producing this gift for a planet which otherwise would suffer terribly the effects of Cosmic Initiation. That is not desired. GOD, as you know, desires only Peace and Love and all things Good and Beautiful for His Children of the LIGHT, however forgetful their personality projections may or may not have been. And so, Infinite Compassion and Infinite Mercy have found a way to spare many of such, and WE work always with the PRINCIPLE.....the Highest Good for the greatest number, which means Ultimate Good for all.

I withdraw My Transmission now, and leave you with an ESSENCE of the appreciation for your service, which is with ME now. I bestow it on you as My Commission indicates and desires. I AM SANAT KUMARA.

LORD DIVINO: Well, it appears that My turn in the line has come, and I pass my ticket to the Ticket-taker, who in this case is EL MORYA, for EL MORYA is the Channel Constance Nada's Moderator for transmission, and then I may step to the microphone, so to speak, and release that which is within ME qualified for this occasion. Evangeline knows Who I AM. I AM MAITREYA-DIVINO, and I love You, for I AM but the ESSENCE of LOVE, LOVE, LOVE, LOVE. No matter to what office job I may be assigned in the great scheme of things, nonetheless always I AM LOVE, LOVE, LOVE, LOVE.

I, also, will be with you for the three days of your Festival. I will be with LORD GAUTAMA, focused in the Great Golden Globe which HE described to you this morning; and if you will look, you will see ME, even as I AM.

WE have prepared your grounds with great Beams of LOVE in every shade and color of pink LOVE RAY that you could imagine. Where you walk, indeed will be Holy ground, fully prepared to receive Those who will walk upon it. Whether THEY reveal THEMSELVES or not, you will feel THEM, for THEY have been sent. THEY will be here. WE would not have told you if it were not so.

Now I kiss the forehead of each one of you, in My acrobatic way, as you must think, but then I have ways that you know not of, and I touch your hand, for you are dear to ME, each one of you, and I dream of the time that I shall be able to come to every Child of the Earth in such a way as this, and yet be beheld by them, and behold them in their full CHRIST CONSCIOUSNESS, touch their hand, and know that they know themselves to be, I AM ONE.

Now I withdraw My Transmission, as the line is very long, and WE must all take turns. Amen. Amen. Amen. Amen.

LADY ROWENA: I, LADY ROWENA, will speak for the HIERARCHY of the RAY of Pink in confirming for you what Beloved MAITREYA-DIVINO has spoken of, for LOVE and HARMONY are part of the same great Frequency. And you know what LORD HARMONY has been about in these parts; and will continue to be about in these parts; and I say unto you, everything is so beautifully coordinated.....watch with the Inner Eye, and hear with the Inner ear, during your Festival, for there will be effects upon those present, which they have not expected, which you, because you have been told, will notice, and you will understand, and in your sense of Understanding, you will pass to them thru the osmosis of Electro-Magnetic Radiations, the awareness of the greater aspect of all things, including this Festival.

You see, My Beloveds, the Earth will never be the same, nor her people.....the time has come.....it is that simple. The long-awaited time, the long-prepared time, has come; and it shall be as no man hath

said, and it shall be as no prophet hath prophesied, and it shall be as not expected, for the Gift of INFINITE COMPASSION and INFINITE MERCY hath been bestowed from the Most High GOD.....that is the LAW that has been spoken. And so, that Plan worketh out now, and shall be. With this assurance I leave thee.

In Transmission, LADY ROWENA, the Third RAY of LOVE and COHESION, I leave you. Bless you!

KWAN YIN: Always My heart so overflowing with Gratitude, with Love, with Joy, that I can barely, barely translate My Feelings into words for you today, My Beloveds. I AM, of course, KWAN YIN, and I love all Children everywhere, no matter how old they may think they are. To ME, they are beloved and delightful and perfect Children.

It has been revealed to you that a great LAW was sought from the High Reaches of Interstellar Cosmic Reality by the MASTERS of this Planet to deal with the situation of Earth in the New Cycle. It has been revealed to you that a LAW of INFINITE MERCY and INFINITE COMPASSION was bestowed and a way was made to activate it in the Planetary Cycle to come out just right in the end and in the beginning, for the two are always together, and simultaneous; where one phase comes to a conclusion, another is fully born. And as you know, My Quality is the VIOLET Frequency of MERCY and COMPASSION. And so, you wonder why I have been the Spokes-Mistress of the "RUBY FOCUS" of MAGNIFICENT CONSUMMATION. It is because the Gift that was given, the LAW of INFINITE MERCY and COMPASSION, was qualified for the Seventh RAY and it is why that RAY governs this New Age. Is this not a day of revelations? And did HE not promise you - that in the end all will be revealed? It is already begun, My dearest Ones. So much will be given to your Inner Consciousnesses in the next few days! And as time for you passes, I need not say everything, nor could I, but I wish you to know why I have been your Spokes-Mistress-- why I have been so close to you and why you have been so close to Me.

I love you forever. Now, Good Afternoon. I wish you a beautiful day. Forever, I love you! I love you! I love you! I love you! Amen. (We thank YOU, Beloved KWAN YIN.)

MOTHER MARY: It is hardly within the scope of things possible for ME to express My feelings today to you, for I AM overcome, also, with Gratitude and Joy, My Children! White roses in your lap! (4 ♡) For I AM MARY, MOTHER MARY, and I love you. I love you. Oh, the LOVE which has come to ME from the FATHER to radiate to you is just beyond description! So I shall just walk in your midst and Light you, Light you, Light you, Light you with LOVE.....unspeakable Pure Selfless LOVE. It is like a dream come true! Even for US Who have worked with it for so long in the Etheric Realms, that I would bring tears to My Own Eyes if I gave further expression! But no, let My knowing become yours. It is like a dream come true! The most beautiful dream of all! I love you! I love you! I love you! I love you! (Thank YOU. We love YOU!)

SERAPIS BEY: And I reach out to you, each and every One, thru this great FOCUS of LOVE which you are at this time. And I convey My Momentum of ASCENSION FULFILLMENT to each of you in the measure that your record indicates may be done. For it is only by LAW that this LAW that I spoke of might be worked into a Higher LAW to provide the means to maintain your physical bodies physically until your work for which WE need you is completed. This, of course, was granted and is being worked on. But now that you know exactly what kind of program you are under, it will be easier for you to seek assistance that you need.

I love you each and I AM with you, even until the conclusion of the Chapter. Peace and Purity be with you, always. I AM SERAPIS BEY, MASTER of LIGHT and LOVE.

MAHA CHOHAN: I AM the LORD MAHA CHOHAN, AEOLUS of long ago. You know I now hold the Office of MAHA CHOHAN for your Planet; and I have stepped up the "Ladder" a step to become MAHA CHOHAN for a greater System than a planet. And I would tell you before WE close these Transmissions for the afternoon, for, it has been decided that enough has been given for this pulse now, that there is a New Breath Wave coming in with the RAINBOW RAY; and My Beloved, do you know what Breath Wave it is? It is the Breath Wave which is to be bestowed in parts to the Seventh Root Race. The RUBY RAY is the Focus of the Breath Wave of the Seventh Root Race of Purified Beings, Who are the Earth's new inhabitants in the times to come. Much will be revealed to your Inner Consciousness as these things are allowed to be spoken in your outer world, even here in your greatly sanctified TEMPLE OF LIGHT.

I depart from you now in transmission and signal the conclusion of this evening's transmission as well. I AM AEOLUS.

Thank you, MAHA CHOHAN.

VICTORY: I expand My Forcefield thruout your bodies. I expand My forcefield thruout the "RUBY FOCUS", Sedona, Arizona, Planet Earth, 1976. I AM the COSMIC BEING, VICTORY. I AM innate from Stellar Consciousness, a Star Consciousness, a Sun. I have a FOCUS on the world which you know as Venus, but I AM commissioned to communicate to you, that I have instructions and a means to make My Presence with you during the RAINBOW RAY Festival. I will charge with VICTORY the atmosphere which which Beloved HARMONY qualifies with perfect HARMONY. For only in the ground of perfect HARMONY can VICTORY expand. WE ARE ONE; all of thee, My Beloveds. For in your Souls you carry a spark of Flame, Victory Flame. And there is a VICTORY FLAME. Its colors are White, Blue and Green. It is a Flame Emanation which carries the Momentum of VICTORY in the ASCENSION qualified for this Planet in order to provide the Electro-Magnetic Radiational Blessings for all of those who are ready to receive, world-wide. WE must have a great Vortex of Controlled, Directed Energies, Light. Such is the "RUBY FOCUS".

You are a great Vortex of LIGHT, Controlled and Directed on many levels. If you were to visualize as I see you, you would see a great Spiral of Energy, touching down like the base of a Tornado of Light Energy, expanded into the atmosphere as far as the eye could see in any direction, in a huge Spiral. And within this great Energy Vortex you would look and find the Presence of many Beings administrating the work and governing the Energies as Their GOD CONSCIOUSNESS directs IT thru THEM.

So you could say that the great VORTEX which the "RUBY FOCUS" is, is like a great Office Building as well as a great Generator. And out of this VORTEX of ENERGY are many, many, many, many BEINGS of LIGHT; Gold, Red, Ruby, Silver, Pink, Orange, White. WE could go on and on; and then there is a great coming and going with regard to these LIGHT RAYS, which are generated within the VORTEX from Gifts from many Places in Paradise Worlds.

This activity that goes on with regard to RAYS involves the Angelic Workers and many Who have physical bodies Who have indicated Their willingness to serve in the Master Plan to some extent, to that extent which They are allowed by their CHRIST SELF to give service while They are asleep. They come and fill Themselves thru Their CHRIST Body with one or other Virtue of Light and Love, and then They transport Themselves in the Ethers to a point to which They are assigned to release this Energy, to allow it to be released thru them in order to bring about a healing of conditions, an alignment of Energy Structures and/or a Blessing of Consciousness and Love.

It was My Commission, in what you would term, this morning, to bring forth this description of the RUBY FOCUS for you. The Center of the VORTEX is a great RUBY AND CRYSTAL RAY which is like a Sunburst as well as a RAY coming forth from the GREAT CENTRAL SUN.

I AM the COSMIC BEING VICTORY. I enfold you in the quality of VICTORY. Let the cells of your body know the Acceleration Rate of the VICTORY in the LIGHT. Let the circuits of your Etheric Bodies know the Momentum of VICTORY in the ASCENSION unto your I AM PRESENCE BODY. Let the circuits of your mental and emotional bodies know the Momentum of the ASCENSION Frequency and the VICTORY in this LIGHT! So be it. Even as it is desired by you, let the Authority of Life within you bestow it. I leave you in Peace and in Love. (We thank YOU!)

I AM LORD HIMALAYA: I come to you with only a few words, for I AM known for My Silence. I wish to tell you that Constance Nada is My Chela in a very special way for a long time.....that you might understand that which you see expressed thru this Channel. I come also to bestow in the VORTEX that is the "RUBY FOCUS", the radiation of the BLUE LOTUS which is the Silent Knowing of the Inner GOD PRESENCE. As this radiation is bestowed thruout the VORTEX which Beloved VICTORY has described for you, let it be also accepted into your own structures and Consciousnesses.....a Gift from your CHRIST SELF to Whom I now radiate it.

As this is My job, you all have a job and you are very busy. The Radiation and the Guardianship of this Radiation of the BLUE RAY, qualified as the BLUE LOTUS of Silent Knowing, is My job, and I train Individualities in this Momentum in the attitudes of Consciousness and Stability which are required to behold this Frequency and to radiate it into the world thru the bodies. Let there be in the hearts and minds and bodies of all who enter this VORTEX during the Festival an immediate Blessing of all their structures and Consciousnesses with the Momentum of the RAY of the WILL of GOD, qualified as the BLUE LOTUS of Silent Knowing, that they may accept the Gift which Beloved HARMONY is commissioned to bestow that WE may have one hundred percent effectiveness of this great gathering.

I AM the LORD HIMALAYA, and I love you. In the Silence, I AM LORD HIMALAYA.

EOLIA: Well, there is very little need for ME to introduce MY-SELF to you. I AM EOLIA, formerly SAINT GERMAIN, but now EOLIA.

WE are very busy here in the Laboratories of the GREAT CENTRAL SUN, for you are keeping US very busy, do you know that? WE appreciate that. You are keeping US busy. When you say your wonderful decrees and the LIGHT spreads thruout the world, you are keeping US busy because WE must release more LIGHT as you draw forth into all these planes connected with the Earth, the LIGHT qualified thru your decrees which you are in such perfect obedience invoking. But WE love to be busy just as you do about Our FATHER'S Work, do WE not? And so I wish to tell you with great glad Joy, both in My Heart and in the Heart of My Beloved, Who has been called Portia, the GODDESS OF JUSTICE, Who is now EOLIEE. But WE are in full control, thru the GREAT CENTRAL SUN, ALPHA AND OMEGA, of this great gathering called now the RAINBOW RAY Festival. For the RAINBOW RAY will be the TENTH RAY, drawn from the GREAT CENTRAL SUN. For as was given in the Message thru Constance by RUBY AND CHRISTOS, the sum is always greater than the parts; and when WE combine all the RAYS which are now active, WE do not have just a salad, WE have a New FLAME; and I wish you to understand this, that it is not just a combining of the activities of all the RAYS but the Initiation and the Birth into Activity in this Plane of the TENTH RAY from the GREAT CENTRAL SUN. Have I made

MYSELF clear, My Beloveds? (Very clear, thank YOU.)

Let the World know. Let the World know. Let the world know. Let the World know, and they who can accept will, and they who do not will too, eventually. For that is all there is. FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE-TRUTH FOREVER ONE, NOW. Amen. (Thank YOU, EOLIA.)

LORD GAUTAMA: Now it is My turn, for I have waited in line. You should see the line. I AM GAUTAMA, and you are My favorite little Ones. I should not have favorites. I know, but I indulge MYSELF in expression in your terms, and I tell jokes, too. I tease, too. Evangeline gets a lot of her teasing from ME.

I wish to tell you once again how dearly I love My little Vortex, My little House on the hill. For, indeed I love My Focus as I love My FATHER which is in ME, as I love My MOTHER which is in ME and as I love all that They are which is in ME. I will be with you in My Electronic Body during all three days of the Festival. If you look, you will see ME standing in the sky, as it were, in a great Golden Globe of special Radiation which GOD ALMIGHTY ONE, beyond time and space everywhere, bestoweth for this occasion thru the GREAT CENTRAL SUN. It must come thru My Bodies first. That is only My Commission. I AM just an Office Boy like you. WE only work by being where WE are needed and doing what is asked of US. I AM like you. I wish to bestow this Consciousness within thee if you will accept it. For have I not always been known for My great LOVE of EQUALITY and BALANCE? And so it is the highest that WE regard each other as Equals in the HEART OF GOD and in the EYE OF GOD; and in the CROWN OF GOD WE ARE ONE. And I love thee, and I gather thee in and bless thee with the Radiation that is My Commission to bestow.... BALANCE, EQUALIZATION, BALANCE, EQUALIZATION. So it is with thee as thou desirest it according to the LAW. I do not leave you ever. But I now close this Transmission thru Channel Constance Nada.

Bless you, Bless you and thank you. Amen. (Bless YOU, BROTHER GAUTAMA.)

MICHAEL, MICHAEL, MICHAEL: You have called ME LORD ARCHANGEL MICHAEL. I AM THAT I AM, ONE. Know ye that this called the RAINBOW RAY Festival is under the highest Qualification of the WILL OF GOD possible for this Planet to receive at this time. It is instructed to ME by Those from Whom I take instruction. Did you know that? That I was to tell you this, this morning, that you might have the assurance that you need or that you may need that would take place in all Planes, during this Festival coordinated thru the HIERARCHY of this Planet and thru the "RUBY FOCUS" VORTEX. That which takes place is to enable to make possible the WILL OF GOD to become enacted on this Planet in short order.

There are many things which cannot be explained to you except thru the Heart, which you know. And it is this knowing which I now radiate into your hearts. The Knowing of the WILL OF GOD is with you and expresses you perfectly. Let there be no doubt. Little human things are very little and do not concern what I AM saying. I AM speaking of your work.

WE close this Transmission now. There are several Others Who wish to communicate with you and vibrate into your Light Fields the Qualities and Radiations that They have been holding for so long until this time now when you could be filled. I AM MICHAEL. You have called ME the LORD ARCHANGEL MICHAEL. I AM ONE. (Thank YOU, Beloved Archangel MICHAEL.)

DJWAL KUHLL: I speak now. I AM the MASTER CHRIST, the SON Whom you have called DJWAL KUHLL. I work in conjunction with Beloved FATHER KUTHUMI and Beloved LANTO and Beloved SANANDA. You have heard some things about ME; that I AM called The Tibetan and so forth, but you have

not been told, nor have you been given the Inner Awareness of the extent of My responsibilities toward you; and I tell you now that you are protected with LIGHT and with SOUND. Now, Who do you think is in charge of making sure that the Protection is always Perfect? It is I, MYSELF, for this is My Commission. The Silent and Subtle Sound Waves, which can be controlled and directed as LIGHT and SOUND are ONE, and express simultaneously. Every Light is also a Sound and viceversa.

I will be vibrating into your bodies and your Consciousness thru your CHRIST SELF in the next three days, and into the field you see as your environment in Sedona, Arizona, Sound current of the Great SILENCE transported for this purpose in this Plane at this time; for indeed, when MICHAEL told you this event is the Highest Order of the WILL OF GOD for this Planet, HE tells you a great Truth. And so it is that the Frequency of the Great SILENCE is Where those Whom you call MASTERS go to be nearest to the WILL OF GOD. So it is fitting that there is to be an Establishment of this Frequency...here.

I will give you more in your Individual Meditations, if you desire it, for the subject of SILENCE is a wonderful subject, indeed, for much is possible when nothing is said.

I love you all, each and every One. Thank you!

EL MORYA: I AM EL MORYA, and I love you; I love you; I love you with White, I love you with Blue, I love you with Red; I love you with Red, I love you with Red, White and Blue. Does that sound very patriotic? I AM patriotic! My Country is FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE:

You can tell I AM in an enthusiastic mood today, for I AM very happy....everything is going according to plan. I wish to tell you that I have assigned members of the BROTHERHOOD of the DIAMOND HEART to be present during the RAINBOW RAY Festival. I, also, will slip in and out in My Etheric Body, but I have commissioned quite a few of the Highest Initiates in the Etheric Temple of the BROTHERHOOD of the DIAMOND HEART to move amongst the people, to move in the environment, to move in the atmosphere, to make sure that everything goes according to Plan, and so I AM very happy, for I consider it done! And I wish to convey this Momentum to you....don't worry, depend on the help which is given you; depend on the WILL OF GOD, THE FATHER, supplying everything which is necessary; only be willing and ask, and know, and be happy! I love you. I love you. I love you. I love you! Amen. (4 X) (Thank YOU.)

ARCHANGEL JOPHIEL: I AM JOPHIEL, ARCHANGEL of WISDOM and CHRIST LIGHT Radiation, and I wish to inform you of another aspect of the effects of the "RUBY FOCUS" RAINBOW RAY Festival, etc., etc., etc., for the story does not end there. WE expect thru this experience and event to be able to stimulate the THREE-FOLD FLAME in the Heart of everyone who is to remain embodied on the Planet Earth. This Immaculate Concept is to be held by those who feel called so to hold it; that this is the purpose, to ignite those Three FLAMES so that the CHRIST SELF is able to render the lower personality and its bodies adaptable and amenable to the influx of Raising Consciousness and Ascending and Resurrecting FLAME.

Do I make MYSELF clear, My Beloveds? (Yes.) Very well, My Message is short, for I AM a Man of few words, if you would say it that way. Peace be with you, and the ETERNAL LIGHT of the SUN. (Thank YOU!)

LADY VENUS: Well, WE have to have some Ladies in here....it is not fair to let the Men do all the talking....They of course feel that WE talk too much, don't They?

I AM LADY VENUS, and of course you know that I AM, as you call it, the TWIN RAY Polarity of SANAT KUMARA, Beloved KUMARA. Well, WE need

more Radiations of Beauty; WE need Beauty filling everywhere; WE need everyone to see that, and Who can best do that but Ladies? Who best, but Ladies, sweet Ladies who love to serve their FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, forever. So I shall radiate into everyone of you, thru your CHRIST SELVES, the Momentum of seeing Beauty everywhere, always, and I will radiate this Gift into the VORTEX of "RUBY FOCUS", and it shall fill all the VORTEX, and it shall be a little Bonus Radiation in every single Radiation which goes out from this FOCUS.

So, as the Authority of LOVE has spoken it to ME, I too, AM but a Channel, and I say, let it be!

I love you, I love you, oh so much, and I AM here with KUMARA this time; do you think I would let HIM make ME miss these festivities? No, no, no, no! I insisted, of course. I AM very sweet when I insist, and HE did not say, "No!"

I love you all so much....I sprinkle flowers to give you the LIGHT ESSENCE and the FRAGRANCE ESSENCE of the Flowers from Venus, Flowers from Venus, Flowers from Venus, forevermore. Feel and sense (4 X) sprinkling Flowers from Venus with you forevermore. Amen. (Thank YOU, LADY VENUS.)

FATHER KUTHUMI: As Beloved LORD GAUTAMA mentioned, there is a long line here, and even I had to wait! I AM FATHER KUTHUMI, of course. How do you like that....even I had to wait in line. Now, you should not feel too bad when you wait in grocery lines, or anything else.... Patience is a wonderful Virtue, even here.

You have had many wonderful Messages given to you this morning, supplying you with vast perspective on the importance and viewpoint WE have toward your little Festival, which is not a little Festival at all. This is for you to know, and others to discover....just how big Our little Festival is in the Plan of the WILL OF GOD for this Planet. Do I make MYSELF clear, My Beloveds? (Yes.)

I will be with you. WE will say no more than that....for I AM a Man of few words and many surprises; and I AM FATHER KUTHUMI, the FATHER of TIME and SPACE. I give you that now so you may see ME as I AM, for I hold all of you within ME. Bless you, for you are about thy FATHER'S work, yes you are, and I AM grateful. Thank you, thank you, thank you, thank you. (Thank you, FATHER KUTHUMI.)

I hear you, little Evangeline. I hear you, My Love. Peace! ("E" says, "Can I call you Daddy?")

I would like that; you almost got ME when I hung the telephone up! I almost had it on the hook, but I heard you and picked it up again. You can call ME "Daddy", because that is a frequency that will vibrate the childlike qualities; and you know we all need to be a little more childlike to fit thru the "camel's eye". How about that one for a cryptic message? Peace!

LADY NADA: THEY say that I may only take a few moments. Well, WE will see. I AM NADA, and I have a very special Gift to include in this great, great mountain of Gifts I see heaping up here, and that is Pink Roses for everybody--Pink Roses of Love for this day of Pink Light, Pink Roses to fill your auras with the flowing evanescent Radiation of Light, Life, Love. (4 X) For you are LOVE, you are Lovely, you are Loveliness. How could it be any other way? I love you and I know that you love ME, and that WE love, too, and FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE loves you. Bless you, Bless you, Bless you, Bless you! (Thank YOU, Beloved LADY NADA.)

MONKA'S LIEUTENANT: I AM One of the builders of your RAINBOW RAY TEMPLE. You notice how WE always speak of "your" RAINBOW RAY TEMPLE. I believe it was expressed to you last night why IT is called "your TEMPLE".

I wish to tell you that at this very time, when you are sitting in such beautiful receptivity, and the Great LORDS and LADIES of the ETHERIC MASTER HIERARCHY REALM are visiting with you and bestowing Gifts, that WE are working....WE are using the amplifications of these Gifts thru your bodies, thru your appreciation of these Gifts, to build, to finish the Magnetic Cup for the RAINBOW RAY FLAME. I wished only to convey this to you this morning. I AM a Lieutenant in the LEGIONS OF MONKA, and I love you, I love you, I love you, I love you. Amen.

MESSAGE FROM EOLIA, THRU LUNAIRE-BERNADETTE, Nov. 3, 1976

I saw EOLIA (formerly SAINT GERMAIN) standing at the end of the room. HE stood at least seven feet tall. HE had a no-nonsense attitude and looked extremely powerful. His suit resembled a jump suit similar to the ones the astronauts used, only fitted better. The suit was of dazzling Gold, and around His Shoulders He wore a large white satin cape with large Blue Stars twinkling on it, with Blue Lights flashing out of them for about two feet. (Remember our American Flag in the Spiritual Realms is Gold, White and Blue.)

EOLIA spoke. HE said that Jimmy Carter is the MASTERS' choice for the President of these United States. He is the reincarnation of Abraham Lincoln! (Another Light Worker picked this up also.) Several past Presidents were reincarnated and would serve as Key Figures in the House of Representatives and Senate.

The MASTERS, under EOLIA, are working to get rid of all undesirable elements in Washington and the United States. This, EOLIA warned, would take some time. The change would be handled slowly and softly, the way the MASTERS usually work, except under drastic circumstances.

EOLIA also showed me the GODDESS OF LIBERTY, as SHE turned into a living, breathing BEING OF LIGHT. SHE will guard our Eastern Seaboard.

We now have a Guardian of the Pacific Coast. The Pacific Ocean was named after Her. SHE is known as LADY PACIFICA, and stands as tall as the GODDESS OF LIBERTY. SHE is a pure White Glowing BEING. Her gown is frothy and White as the froth of the waves. SHE stands with a large Sword of Blue Flame in Her right Hand, which wields great Power and Protection for the whole Pacific Coast. SHE stands in a Key Spot in the Ocean.

So, Children of the LIGHT, people of America, lift up your heads and rejoice, for all is well in our Beloved United States of America, and SHE will soon be ready to become the FOCUS of the LIGHT of the GOLD-EN AGE, and will BE THE LIGHT OF THE WORLD, as SAINT GERMAIN predicted nearly forty years ago. Rejoice! Rejoice! Rejoice! Rejoice!

FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, thru EL ARAN AMMA,
ON THE LAST DAY OF THE RAINBOW RAY FESTIVAL, May, 1976

EL ARAN AMMA: Now, Beloved FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE comes to you, saying: My Sweet Children, this is the Mood of Thanksgiving. My reverend Children, you are always thanking ME. I know your attitude. And now I shall turn the tables on you, for it is not only you who are involved in Gratitude. When that GOOD has befallen the Planet, and you all and all the creatures upon this Planet, then the Time is here this moment that I be Grateful to you. How could you know Gratitude, if Gratitude is not a part of ME. WE ARE ONE. I AM THE ONE to be Grateful.

And now at this moment, My Gratitude at this occasion extends and expands to the event of the explosion that has been bestowed upon you and this Planet. And My Gratitude is that you, My Beloved, have LET ME be-

I AM FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE. I have spoken with My Obedient Spokesman, EL ARAN AMMA, My Partner in LIGHT. GOD be with you, 'till WE meet again.

QUEEN OF LIGHT'S REACTION TO ABOVE TREATISE

"E" asks: Beloved QUEEN OF LIGHT, will you give a reaction to FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE'S TREATISE, thru EL ARAN AMMA'S Voice on the last day of the RAINBOW RAY FESTIVAL?

Answer: Beloved Ones, I AM still reverberating with Joyous Radiations because of those beautiful days in May when the HEAVENS opened up and the Mysteries of the SUPER STAR UNIVERSE poured down ITS Blessings and embraced the "RUBY FOCUS" in Its BELOVED ARMS of Love, Protection and Precipitation. This is the TENTH DIMENSION of ARIAMAS-AVANTARII. A Child of the TENTH DIMENSION was there to expound the Principles of this Magnificent ARENA of PURPLE LIGHT and IRIDESCENT SILVERY WHITE LIGHTNING, in the physical form of Constance Nada. This, a SPARK of ETERNAL LIGHT and ETERNAL LIFE. With this is a new Explosion of experience, the TIMELESSNESS of this ETERNAL LIFE, escaping transition, and yet remaining on Earth....if, if, if, if to serve the TENTH-DIMENSIONAL "RHYTHM AND PULSE ESSENCE". This is the new Phase of TIMELESS ETERNITY and IMMORTALITY. SILENCE and PURIFICATION are the tenets of the TENTH DIMENSION.

ARIAMAS-AVANTARII...."with GOD all things are possible. (4 X) and INFINITE MERCY, LOVE AND COMPASSION." (4 X) IT IS WONDERFUL. (4 X) ETERNAL LIFE....This is as I see it....the Hypothesis of the beautiful Messengers of Beloved SANANDA'S MAGNIFICENT CONSUMMATION'S "RUBY FOCUS" and the Associates of long standing; Leta, Mamie, Celeste, Ruthie, Della and Sam. Thru the Gratuities of FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE and ARIAMAS-AVANTARII, SUPER STAR UNIVERSE connection, "you have made it".

I quote a decree: "HERCULES AND AMAZON, ARCHANGEL MICHAEL AND FAITH, EL MORYA AND MIRIAM.....Ray of the WILL OF GOD. (4 X)

Ray of Blue LIGHT. (4 X)

Blue LIGHTNING. (4 X)

Suffuse the world. (4 X)

Let there be LIGHT. (4 X)

Focus, focus, focus. (4 X)

Connect the RUBY FOCUS with the

Blue Dome of PROTECTION. (4 X)"

(If you will consent, Our Work will be COMPLETED. BLESS YOU. I AM HERCULES.)

In My humble reveries, I, QUEEN OF LIGHT, often wonder if you folks realize the IMMENSITY of your RESPONSIBILITIES for the "RUBY FOCUS" and the TABERNACLE now in Etheric Progress? You must grow deeper, deeper, deeper, deeper into Sublime AWARENESS. I will help you to realize this thru CLOSE CONTACT with your Intuitions, "Being a Tube from the VOICE of FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE into your Higher CONSCIOUSNESS. Thank you for including ME in this Greatest ADVENTURE ON EARTH in thirty millions of years, Beloved EL ARAN AMMA and dear, dear Evangeline, ETERNAL LOVE 22.

I AM QUEEN OF LIGHT, DIVINE COMPLEMENT OF EL ARAN AMMA.

MESSAGES GIVEN SUNDAY, OCTOBER 10th, 1976

Good Morning. I AM FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE, entering into your midst; and today all will concede to a very beautiful Flower named LADY THERESA. Would you like that? (Yes, thank YOU very much.)

THERESA, QUEEN OF LIGHT, speaks: Well, ordinarily on the outer plane I would be stare struck, for I AM not much used to having so many beautiful people in one sitting, for My Work is in the Ethers, flying

hither and thither and yon for those in need, and seldom are there many people where I go.

I must say, in reading the Treatises of Beloved FIRE-FLAME-LIGHT-LOVE, thru EL ARAN AMMA, that "truth is stranger than fiction"....this I have found out. And I AM enraptured with what I see evolving, maybe subtly, but rhythmically; maybe it will not come overnight; maybe it will not be until the year 2,500, but it is evolving, and such a change in every department of LIFE will be, and it will be beautiful; it is beautiful already, for you are now emerging into the TENTH DIMENSION. Do you feel the new Pulse Essence? (Yes) the new Rhythm? the new attitudes? the new concepts? the new everything? (Yes)

And as I see the Beloved "RUBY FOCUS" and those Beloved Associates, they are Flowers with a Fragrance of Roses....CHA ARA'S beautiful Roses from Persia, MOTHER MARY'S lovely Roses....the Fragrance is so deep, so penetrating. Don't you feel it? Don't you sense it? Oh, do become sensitive into these Higher Etheric Instances WE bring:

And so My Reaction was that of a little person who knew very little on Earth....so great, so magnificent and so magnanimous! I AM bursting with Ecstasy and Joy and Truth, Light, Love, Life, Loyalty, Liberty! Isn't it WONDERFUL! Isn't it WONDERFUL! Isn't it WONDERFUL! Isn't it WONDERFUL!

I see so much, and I see so much that is interrelated with what you are thinking and doing on Earth. And as the Beloved KUTHUMI tells you, "What you are doing on Earth is a reflection of the Great Mind in the Higher Heavens; the Blue Prints are exploding and coming into the open, revelations after revelations. It is always there but locked in the confines of these new Truths, which were secret to humanity, but now being unlocked. "And you shall KNOW THE TRUTH, and that TRUTH MAKES YOU FREE." And you will find it in the TENTH DIMENSION, AND IN THE ELEVENTH DIMENSION AND IN THE TWELFTH DIMENSION, for you did not know, did you, that you have twelve bodies? (Yes.) And as you develop and evolve all twelve bodies, THEN and THEN ONLY, YE ARE GODS UNTO YOURSELF. I AM very happy today to be here. I AM happy to be able to talk thru this Instrument and also to be very near to My Beloved EL ARAN AMMA. Good Morning! (Good Morning, and we Thank YOU!)

EL MORYA-MIRIAM: WE ARE soon emerging as Director of the TENTH DIMENSION. Are you aware of this? (Yes.) incognito, of course. And taking My Place as Chohan of the First Ray will be JOHN THE BAPTIST and His Beloved ILEENA. So now you will find things will be more abundant and more IMMEDIATE. As you know, it is Blue and Red of the First Ray. You know all of those things; or if you don't you will give out the beautiful Handbook that the Beloved Channel has written to these dear people, so they will know what we are talking about, for there are many rules to the First Ray. But with the TENTH RAY, the only rules you have are, "WITH GOD ALL THINGS ARE POSSIBLE, and INFINITE MERCY, LOVE AND COMPASSION" to all PEOPLES, all ANIMALS, all INSECTS, all BIRDS, and to those you may think in your orthodox mind are sinning, filth, send them LOVE, MERCY AND COMPASSION, and bring them into Perfection. There is no sin that is that black that it cannot be made as White as Snow. The prisoner crying, the ones that are in distorted consciousness, weeping--there is not one that doesn't want PURIFICATION and EXPANSION OF MIND and PERFECTION in their life. This is what the TENTH DIMENSION is doing, beginning to do for you, always did it, but concealed from the Third-Dimensional mind. Oh, we are growing, and you, Beloved EL ARAN AMMA are growing. (Thank YOU.)

QUESTIONS AND ANSWERS

Beloved GAUTAMA, LORD OF THE WORLD, will answer any questions

written in by sincere disciples, regarding the TENTH DIMENSION or whatever.

Someone has asked, "How can one achieve entrance into the BOSOM of the TENTH DIMENSION of ARIAMAS-AVANTARII?"

LORD GAUTAMA answers: You may call on MASTER "J.L.", the Director of the TENTH DIMENSION to Earth, Who will accord you to HELIOS AND VESTA, THE GOD AND GODDESS of our physical SUN, Who will accord you to ALPHA AND OMEGA of the GREAT CENTRAL SUN, Who will accord you to Their GOD-PARENTS, ARIAMAS-AVANTARII of the TENTH DIMENSION. If you are really sincere, you will be in the RHYTHM and PULSE ESSENCE MOMENTUM of this New GOLDEN AGE TECHNIQUE. It is a brand new way of LIFE and LIVING.... you are embraced forever, forever and forever in the HEART LINE of this AMAZING BURST of GLORIOUS REVELATION.

Disciple asks: "What will happen if and when the money system goes off the market? How will I live?"

Answer: The word "PRECIPITATION" should have a significant meaning to you. This word will unfold Its etymology (hidden essence) into Blue Prints pouring from the ROYAL TETON to you, where are shelves upon shelves of needs and luxuries, food and clothing, ever needed by man or beast. Start courting the Fifth RAY of HILARION and MOTHER MARY, the Green of Finance, or its equivalent; and watch the Golden Lava of LADY CRYSTAL envision for you that which is best for your LIFE EXPERIENCE, even before the need becomes emergency. The decree is: "Thru TRANSCENDENTAL RADIATION, feel the Energies of HELIOS AND VESTA, pouring thru all your bodies, warm and velvety." Give homage to "MOTHER VESTA'S White, Red and Orange FIRE SUN FLAMES of LOVE and BALANCE, SWIRLING THRU YOUR BODIES." Bathe in Beloved EOLIA'S TUBE OF GOLDEN LIQUID SNOW from THE GREAT CENTRAL SUN, the SUN behind the SUN. This conditions you for the GIGANTIC BREAK-THRU into the GLORIOUS TENTH DIMENSION of ARIAMAS-AVANTARII.

I will not answer any more questions, that you have chemical indigestion. I leave you in this TRANSCENDENTAL RADIATION, with words of this SUPER STAR UNIVERSE, such as, ESSENCE, CHEMISTRY, 121 SENSITIVITIES, RHYTHM, EQUILIBRIUM, BALANCE, ETERNAL NOW CONSCIOUSNESS, TIMELESSNESS, ONE CONSCIOUSNESS, FATHER-MOTHER PRINCIPLE OF GOD CONSCIOUSNESS, PURPLE LIGHT AND IRIDESCENT SILVERY WHITE LIGHTNING.

Happy Journey into the very highest level of LIGHT, the FREEDOM CONSCIOUSNESS of GAUTAMA ABODE, saluting THANKSGIVING and MICHAELMAS. GLORY BE: I AM GAUTAMA.

LESSON III of CHEMICAL LITANY MEMORIZING

Preparations: Absolute peace and quiet. No distractions! No T.V., no music; a quiet bedroom is best. Have pencil, 2 sheets of theme paper on clipboard or equivalent.

Open your notebook to Lesson I, the Skeleton Chemicals. Whether propped up on your bed or seated in a favorite chair, the Keynote must be absolute COMFORT! Relaxation...as near a state of laziness as you can get. Feet should be up off the floor. Total comfort!

It will really help, if you can face a blank wall, so that you can visualize the words written periodically...exactly as they look on the notebook page. Eventually, you will visualize each page separately, naming the chemicals to the bottom, and then thinking, "Turn the page!"

DO NOT KEEP LOOKING AHEAD BEYOND THE PAGE YOU ARE WORKING ON! Concentrate only on one lesson at a time, to avoid discouragement. Simply forget the following pages exist until you are ready for them. The surprise is that you will develop your memory talent along about the middle of the 121 Elements, all of a sudden you will learn rapidly! Like

a snowball, you will gain momentum on the last two pages:

Now we are ready: SLOWLY, read the first three chemicals over, NON-STOP, four times. Pronounce each syllable carefully: "savor" the sounds, say them with a slow rhythm, keeping the TEMPO always the same. Imagine "the bouncing ball" in the old sing-a-long movies, beating out a steady, well-accented rhythm to each syllable. It is important to, when possible, ACCENT THE LAST SYLLABLE ALSO. A word spoken too quickly eludes the memory. Think of the words as poetry...musical notes...sparkling colors...each one with a personality and PLACE of its own! Tackle each group of words with an excited joyous feeling and this alone will give you undreamed-of learning power!

As you read the three chemicals over for the fourth time, continue four (4) times again...this time in a loud whisper or low tone, keeping always the same slow, steady tempo. As you again finish the fourth repetition, without stopping, lift your eyes to the blank wall, and continue to repeat the group of words, several times. The moment you feel SURE you "have them", turn to the note-pad and quickly scribble them down, non-stop, about three times, in groups.

Now, lean back, RELAX, close your eyes; think of NOTHING for a few minutes. Just drift and allow yourself to wear a mental Cheshire Cat smile! Feel pleased with yourself! You're off to a terrific start, and from now on you'll capture those lovely chemicals, three at a time, like butterflies in a net, and stash them away, FOREVER YOURS to call upon at any time. What a beautiful feeling!

After relaxing a few minutes, again repeat the whispering process, glancing down at the list only when necessary, and again write the words down in groups several times.

The next step is to visualize the same words on the wall...this will help to no end when you begin to integrate the two lists. Pretend that you can see each LETTER written in bold black on the wall. Look slightly to the left for the "forte" list, and slightly to the right for the "pianissimo" list. THIS IS IMPORTANT.

Tackle the next three separately from the previous ones learned. When you think you can write them, again relax. After a few moments, go back to the very first ones, and see if you can put them together. Go slowly, feeling your way along, EYES CLOSED, yet trying to see them written on the wall.

The secret will lie in not getting "anxious" when a word eludes you: Don't strain...JUST DRIFT...eyes closed...and think, "I let..." A lazy, waiting attitude will allow the word to suddenly "appear" on the screen of the mind. Then proceed slowly on to the next word. A half-hour is sufficient. Later in the day, or evening, or at odd times, write the groups if you can, looking at the list only if necessary.

Begin to use the "cardlets" if you like, mixing them thoroughly and then plucking out the ones you recognize. (Skeleton only, at this time.) The oftener you put them in proper sequence, the faster you will learn! (To be continued in subsequent Open Letters.) Thank you, KAY.

MESSAGE FROM WALTER RUSSELL

Just a line, I AM WALTER RUSSELL: I cannot stress the IMPORTANCE of the 121 Sensitivities....the LADDER RUNGS into the very HEART of the TENTH DIMENSION, ARIAMAS-AVANTARII. This is the REALM in which the ONE THOUSAND PETAL LOTUS is flowered, opening each PETAL into VAST RECESSES of OMNISCIENCE, OMNIPOTENCE and OMNIPRESENCE of the LIVING CHRIST, beyond Whom there are no Greater POWERS. This is the GIFT of the INFINITE to the INDIVIDUALIZED SOUL. I AM WALTER RUSSELL.

SERAPIS BEY, thru "E", September 29, 1976

Good Evening, I AM your BROTHER, SERAPIS BEY; I thank you and I thank the Channel and those who participate in attending the ASCENSION FLAME RETREAT every night for Purification and the Restoration for the three sets of nerves in the four lower bodies; and that is ALL that is needed. And I thank the "RUBY FOCUS" for bringing thousands of people into Our REALM for that same Purification. I AM grateful to you for your Humbleness and your Reverence and your stick-to-it-iveness. And I might say that you are piercing up into the TENTH DIMENSION beautifully, not to disregard the TWO NEW LIGHT RAYS, Eighth and Ninth, or the GREAT CENTRAL SUN, for great things are beginning to unfold and reveal.

Oh, I don't think you realize the outburst of JOY, HAPPINESS, PROSPERITY that is opening up to MAGNIFICENT CONSUMMATION'S "RUBY FOCUS". And when that will have happened, don't forget ME, will you? (No, never.) I AM happy tonight and satisfied with what I AM seeing here. And to that degree that you throw your ALL into your involvement here, to that degree are you rewarded.

I AM your BROTHER, SERAPIS BEY. (Thank YOU, BROTHER.)

IMPORTANT: IMPORTANT: IMPORTANT:

The "RUBY FOCUS" RAINBOW RAY TEMPLE (ETHERIC), Sedona, Arizona, is now the RETREAT of all RETREATS. RETREATS for the LIGHT, the Quality, the study of the single RAYS are still available. There are the newest, the TENTH RAY Qualities, not previously at hand. Millions of Qualities were given to the RAINBOW RAY TEMPLE. Any Quality that is not readily available from a previous RETREAT serving a single RAY and SPONSOR, is available at the "RUBY FOCUS" RAINBOW RAY TEMPLE.

If you know the particular Sponsoring MASTER, you can direct your request to HIM or HER. Otherwise, simply write to the "RUBY FOCUS" RAINBOW RAY TEMPLE. You will be most graciously hosted to the right Fountain of TRUTH.

BLESSINGS: BLESSINGS: BLESSINGS: BLESSINGS: ABUNDANT AND PRO-FUSE ARE THERE: EL ARAN AMMA.

MESSAGE FROM THE TENTH DIMENSION SUPER STAR UNIVERSE--Repeated.

ARIAMAS-AVANTARII: (thru Evangeline) When you receive a letter from a person who has a longstanding illness, tell them to call upon their HIGHEST FACULTIES, that they may ARISE into their HIGHEST CONSCIOUSNESS. The ailing body will slowly become better, but somehow this will not be the main issue. THE RAPTURE OF THE AWAKENED CHRIST IS THE FULFILLMENT. WE ARE ARIAMAS-AVANTARII.

DAILY SLEEP-TEACHING TAPES

We are pleased with the number of enthusiastic people who called for the Daily Pages to nourish the consciousness of man in ONENESS and the RAINBOW RAY. Gratefully, warmly, we thank you! Beloved EOLIA thanks you! The object of the project is being accomplished.

- TAPE 4 - Part IV, "New Substances to Precipitate"; "The New Decrees"; Side 1 and ALPHA AND OMEGA Prayer.
and 2 5-inch Open Reel Tapes, monaural, \$7.00; Cassette Tapes, \$6.00

Evangeline says: I have discovered a new way to open the ALL-SEEING EYE. I have had a joyous Revelation thru the Realization of LIGHT. As I go to sleep, the Tape No. 3 presses the Button of the Infinite, and I AM full of LIGHT. No. 4 Tape likewise is filled with great Wisdom of "Blessed Assurance". If I had to choose two tapes from all the world of Tapes, these would end my search! Joyously, I see!!!

THE BOOK, "PRECIPITATION OF WHATSOEVER"

This is a Handbook to go with Tapes 3 and 4. It contains that which is given in the Tapes. Therefore, one who has both the Tapes and the Book, can pause the Tape and decree from the Book.

The Book further contains an Appendix of much material that is too detailed and lengthy for the nature of the Tape.

The Book is for everybody! For the one who does not have a recorder, it is wholly effective substitute. It enables one to make his own independent studied decreeing.

Price.....\$1.50 Order from the "RUBY FOCUS" only.

REQUESTS FOR HEALINGS

Requests for healings and solutions are placed in Beloved MOTHER MARY'S Basket in LORD GAUTAMA'S ABODE. Thousands have been greatly helped. Beloved MOTHER MARY lovingly invites you. SHE says: I send a Special Blessing to each one of them, even tho some of them are not ready

for healing. I give them a very special Blessing, that they may be healed in the Name and Power of Beloved FATHER-MOTHER LIGHT and My Beloved SON.

And at another moment, MOTHER MARY said, thru "E": Many, many are healed, some are not healed. For instance, two relatives 'phoned in for a healing. The answer is that the one healed has an open consciousness to receive the ESSENCE, and the other did not, and did not receive healing. This is the same Law by which the MIRACLES of KATHERINE KUHLMAN and other dedicated healers are accomplished. THERE IS NO OTHER LAW: I AM so happy to continue to send My CONTINUOUS ESSENCE of LOVE daily, unto that Blessed GREEN WICKER BASKET:

SUBSCRIPTION PRICE

We have always sent our OPEN LETTERS free upon request. Voluntary Contributions. This remains our policy, with however, a modification.

Very many, when first subscribing, have asked, "What is the price of the OPEN LETTERS?" We have never had a price. This is where we make a change. Our price is now \$10.00 per year, or \$1.00 per single copy.

We are always aware that some people cannot pay a price. For instance, a person with a Social Security mite. Such and others in like-wise honest positions, will please discount the price, accordingly as dictated by their PRESENCE in their hearts. There are those who are directed by FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE to give substance exceeding the price. Please note that in the "RUBY FOCUS" RAINBOW RAY Consciousness, the test of fulfillment is always the letting of the WILL of FATHER-MOTHER in the Consciousness and Action.

This same proposition of price and Love Offerings applies to our own books. We give prices for all our books. They are yours for Love Offerings. Let FATHER-MOTHER FIRE-FLAME-LIGHT-LOVE be your GUIDE.

INSTRUCTIONS FOR GOING TO THE CAVE OF LIGHT

MASTER "R", THE DIVINE DIRECTOR, invites you to visit the CAVE OF LIGHT in India. You are invited to ask to be taken to the CAVE OF LIGHT night after night, week after week, if required. You will be placed in the Acceleration Chair. Thousands can be handled. Each has his own "CHAIR OF LIGHT".

You will receive Electro-Magnetic Currents of Strength, Health, Longevity--in fact, all the qualities that you especially need. You will receive the Laser Energy to Earth--that you do not sink out of this picture for lack of the frequency you must have to remain in it. You will herein receive preparation for following ASCENSION SERVICES in the Sedona RETREAT OF SERAPIS BEY.

Write a note of request to THE DIVINE DIRECTOR, and place it on bedside table or under pillow. This note is a request that you will be taken by a Seraphim. Write a new note every night, and burn the note of the night before.

These are the complete instructions. No need to write for any more. And please note distinctly: As in all likelihood you do not recall you were in the Accelerating Light in the CAVE that is of no immediate consequence. You were there, and you did receive the Blessings!

THE COMING GREAT GOLDEN AGE OF ESOTERICISM

Awaken the Sleeping Beauty of the "ETERNAL YOU" within. This Book by Edward T. Whitney, M.D., is both a beginner's Guide to Discipleship and a Source Book for the Initiate.

The ANTAKARANA TRUST announces that this book is now in its second edition; and that because of the untimely passing of the Author, the previously-announced Volume II will not be published. Practically all the difference between the first and second editions is that in the new edi-

tions, all mentions of a second Volume to come have been deleted.

This book has a new Publisher. Order from and make checks and Money Orders payable to Dorrance & Co., 1617 J.F. Kennedy Blvd., Philadelphia, Penna. 19103. Price.....\$6.95

"THE WORK OF INVISIBLE HELPERS", by Amber Marie Tuttle

This work of two Volumes contains hundreds of true experiences of the Author and her friends who have dedicated their lives to the service of humanity. They also do all they can to protect and heal the animals and birds who are also God's children and our younger brothers.

One of the most unusual parts of the books is the information about the beautiful Group Spirits who have charge of the animals, birds, trees, plants, etc., which make it possible for human life to exist on Earth.

Helpers when out of their bodies in sleep can see and talk to these very advanced Beings whose bodies look like human beings with heads that resemble the animals, birds, trees, plants, etc., that they have under their charge. There are interesting stories about how Helpers work with the Group Spirits and what they can accomplish to assist all life waves. The information contained in this work will be of great value to students of Mystic Christianity who desire to help others and also make faster progress in both their spiritual and material development.

Volumes I and II contain 638 pages, CLOTH BOUND.
