OPEN LETTER  
to  
Speedily Advancing Persons  
DEDICATION to the "RUBY FOCUS"

Beloved Ones:

Evangeline, Secretary of MAGNIFICENT CONSUMMATION, relates a  
MIRACLE:

On the evening of January 23d, 1970, a miraculous and beautiful event took place in Sedona, Arizona. It was a gift to MAGNIFICENT CONSUMMATION'S RUBY FOCUS.

The gift was the recognition of the Earth RUBY FOCUS Battery's becoming ONE with the COSMIC RUBY FOCUS, which was brought forth into indelible, tangible evidence. The ELOHIM TRANQUILITY AND PACIFICA were heralded as the LEADERS; and HE-SHE will be the MATRIX of this RETREAT of the COSMIC RUBY FOCUS.

We will breathe each month into this RETREAT, and as a beautiful consequence, all the other twenty RETREATS thruout the Universe will respond in loving embrace to greet the twenty-first RETREAT of the COSMIC RUBY FOCUS.

The event, we believe, is the most ennobling materialization that MAGNIFICENT CONSUMMATION has ever experienced to-date.

It is the ultimate accomplishment for which we were sent from Phoenix to Sedona (the land of Soul, AL SIRAT), to form the Earth FOCUS for the COSMIC RUBY FOCUS. We are humbly dedicated, and living as near and close as is humanly possible to the fourth-dimensional life, so needed to be the Earth Polarity, which we are.

We are very happy and pleased. We ask FATHER-MOTHER FIRE-FLAME-LIGHT to keep it possible that we may continue to increase our present high frequency forever, forever and forever!

The decree which TRANQUILITY gave us to use is: "The COSMIC RUBY FOCUS and Earth RUBY FOCUS are ONE, and vibrating and manifesting LOVE (27 x), LIFE (27 x), PEACE (27 x), and PROSPERITY (27 x)."

We thank YOU, TRANQUILITY and ALL the COSMIC STAFF:

KWAN YIN ..... SPOKESMISTRESS for the RUBY FOCUS  
TRANQUILITY AND PACIFICA ..... ELOHIM  
URIEL AND DONNA GRACE ..... ARCHANGEL AND ARCHAII  
G.V.P. AND THERESA MARTIN ..... CHOHANS

This is our world-wide message. "E"

MESSAGES THRU EVANGELINE

ELOHIM TRANQUILITY: The other night the Earth RUBY FOCUS was attenuated into the fabric woven into the COSMIC RUBY FOCUS fabric. And

now you are a legitimate, recognized COSMIC RETREAT, to be breathed into, and as you continue your breathing apparatus from your human lungs into your COSMIC Lifestream, more and more you will be recognized by all the other RETREATS--not because of anything of intellectual, academic procedure, but because it is an esoteric and in the esoteric mind you are beautifully welcomed. HALLELUJAH! HALLELUJAH! HALLELUJAH.

Do you realize the importance of all of this? Do not take it for granted. It is something so wonderful, so great that it lifts you right into the ETERNAL of ETERNALITY; and YOU ARE NOW ONE OF US. WE take your hand and kiss it, with a deep LOVE, LOVE OF THE CHRIST. And do you understand what the history and genealogy of the Sixth Ray has been and is becoming?

The Sixth Ray of the RUBY FOCUS, now, is like two palms formed into a cup, filled with healing, benediction, ministerialism, concentration, cohesion, the glueing of all the other Rays with their virtues and qualifications, and into this hand or chalice, or cup..... do you see?

You are ahead of the Seventh Ray. Do you realize that? The Seventh Ray comes before the Sixth Ray RUBY FOCUS. Have you heard the beautiful hymn, "HE Holds the World in the palm of HIS HAND"? (Yes.) Well, that is what the RUBY FOCUS is going to do, in HIS NAME, and FOR HIS GLORY! In HIS NAME and FOR HIS GLORY, you are to hold the whole world in the PALM of the Sixth Ray, the RUBY FOCUS.

In the beginning, oh so long, long ago, it was the Sixth Ray that patiently, lovingly, like a dedicated mother with her children, visualized with the COSMIC MIND OF GOD the things that you have on your Earth--the plant life, the bird life, everything; and BELOVED LITTLE AMARYLLIS would scout around and bring forth the pretty little flowers, Amaryllis; not only the little flowers, but the Maidenhair Fern that BELOVED MOTHER MARY loves so much and is identified with. And so your Earth became what it is, but clean and pure and beautiful.

And then came the people. In the beginning all were Divine Complements--the man and the woman, the male and the female, the positive and the negative, the electronic and the magnetic. And they energized Earth thru the GRACE of the POWERS of the Sixth Ray, and populated until finally form, the form of man and woman, the form of beast, the form of every living thing came into visible manifestation. But today these forms have grown so dense, so indelibly impregnated on the Earth, that they have lost sight of their early beginnings, lost sight of perhaps the GRACE OF GOD Who gave them their potentials. They have become gross and dense, and out of step entirely from what had been initiated.

However, now it is the responsibility, not only of the RUBY FOCUS, but all, all who can send their LIGHT in the varying degrees of now much LIGHT; and again, up, up, up the ladder into the GREAT CENTRAL SUN, humanity is emerging. All are invited and many will come. Those who will not receive are the arrogant, the thought forms of Earth, so many of them soul-less. They will be sent to the planet where they will be revolved and given a soul with which a tool may function. Or, would you believe it, that there is nothing lost? Nothing is ever lost; it goes somewhere. But many will not go into the GREAT CENTRAL SUN because of their arrogance, ill-will, decadence, and rot.

Let US not leave this platform until I can say sweet words to counteract what has been said. WE want you to feel the GLORY of the greatest state into which beloved mankind is entering. WE want you to feel a great LOVE come over you today--a LOVE whose momentum will not be spent for many a day, until which time again WE can recharge your LOVE. You LOVE your enemies. You LOVE those who would destroy you. You LOVE everything and everybody. And this moment of such great LOVE,

think of somebody you would like to send this LOVE to. They can be a foe, or good friend, or somebody ill, or somebody who needs a little more prosperity. And in doing so, you have given to yourself that same that you sent out.

And I want to say one word before I part, about criticism. A critical mind, particularly a critical tongue, pulls down a shade upon their personal prosperity. So see always the magnificence and good, because there is always that prism within each person; even the most diabolical has something good--perhaps generosity, perhaps the ability to cheer. And that is the way, and the only way, that you are going to cause humanity to become ONE-IN-THE-ONE, and thereby invite into your midst the most HOLY-OF-HOLY JESUS-SANANDA, MICHAEL and LIMITLESS LOVE. THEY cannot come until your mind allows THEM to. Amen, amen, amen!

**TRANQUILITY:** Oh, why does man of Earth need tranquilizers and the medicines, and the this and the that to gain his equilibrium and steady his nerves? Why does he not know that he may attune himself to the glories of the Heavens and call upon ME, TRANQUILITY, to bring him PEACE? PEACE of heart, PEACE of mind, the PEACE that surpasses all understanding?

I think you might say that APOLLO 11 showed more PEACE and equilibrium than any of the others. Do you think so? They showed more stability, and they did land on the Isle of Tranquility, did they not? And they were overshadowed by the RUBY FOCUS; and it will never be told of the tragedies and disasters which might have befallen them because they never came to light. They were annulled, obliterated; and that is the way it is with all who have attuned their minds, not only to the Bible but to the higher Heavens where can rain down the Protection and the Divine Love.

Oh, WE are just so eager, so willing, so joyous, to protect and to help all mankind. You do follow ME, don't you? It is not just the little handful of RUBY FOCUS people, it is the whole world; and because of it, the whole world will become RUBY FOCUS people. Did you know that? (Yes.) Just be patient; just hold your own; just keep obedient; keep well; keep an even mind; keep your troth of the marriage of the COSMIC RUBY FOCUS and your EARTH FOCUS, and you will live to see the entire world become the RUBY FOCUS. Expand, expand your Consciousness, recognized and guided by the FATHER-MOTHER LIGHT, the ONE-IN-THE-ONE. Feel ye the ENERGIES of your FOCUS.

**PACIFICA:** Once again I AM a bit concerned about your next-door neighbor, California. Man's inhumanity to man--man will cause the rot, not GOD, not GOD; but man himself, with his greedy selfishness and disobedience. When in the foreign countries the Earth begins to quiver and cry out, there is this chain reaction thru the Aleutians and on into Southern California. So send your LIGHT, send your LIGHT, send your LIGHT! WE think it no sin to annul tragedy. They say it is the FATHER'S Blueprint. Don't you believe that; for the FATHER wants harmony, and HE wants PEACE of mind.

The Golden Age can come in without travail, for the Golden Age can come in thru Consciousness, which has nothing to do with travail; for if in a second the entire world was thrust into the fourth-dimensional Consciousness, there would be no travail. Wouldn't that be wonderful? Wouldn't that be wonderful? Wouldn't that be wonderful? WE hope that is the way it will be. WE are very concerned, very concerned. Just send your LIGHT and pray, and pray and pray! Pray the Twenty-third Psalm.

**URIEL:** I thought it might be interesting to tell you a little about your ELOHIM, TRANQUILITY. You know, or I AM telling you, that

your forehead tenants all the ESSENCE of the ELOHIM. You know that. You have Seven Rays and now added are the two New LIGHT Rays which are squeezed into the forehead. So there are really Nine Rays that beam out from your forehead; and it is like playing an instrument. You can press a key of whatsoever ELOHIM, a Light Ray that you wish to see function and operate in your immediate life at that moment. You must learn those again. Become familiar, because They are there for you; and if you don't call upon Them, that is your misadventure, for They are there for you, and They can beam out and help you and progress you.

These are the Seven ELOHIM and Their COUNTERPARTS:

1. HERCULES AND AMAZON
2. CASSIOPEA AND MINERVA
3. ORION AND ANGELICA
4. PURITY AND ASTREA
5. VISTA AND CRYSTAL
6. TRANQUILITY AND PACIFICA
7. ARCTURUS AND DIANA

The last two have been the most prevalent at this time. And always call on the Two New LIGHT Rays of the GREAT CENTRAL SUN.

You are perfectly correct in your reception of the Treatise of the "THREE-IN-ONE IN ESSENCE". That is the TRUTH. There are many who are in the Consciousness of other Great Ascended Masters as Messiahs; and they, too, are correct. Why? Because you will know in the Golden Age there will be only ONE ESSENCE that will take in all. That is what the ONE-IN-THE-ONE means. Isn't that wonderful? They will all have their Messiahship; they will all have their ministry; for there are many dimensions of mind; there are many frequencies of SPIRIT; but the highest frequency, which will project in the Messiahship of those that are ready, will be that of ARCHANGEL MICHAEL, SANANDA and LIMITLESS LOVE AND TRUTH. But on other dimensions of Consciousness there will be others. For in your FATHER'S HOUSE are many mansions; and in your FATHER'S HOUSE THERE ARE MANY DEGREES OF CONSCIOUSNESS; there are many planets; there are many RETREATS of etheric nature. It would have to be that way; you know that. Now here is DONNA GRACE with Her usual GRACIOUSNESS, SWEETNESS and GENTLENESS, and LOVINGNESS and BEAUTY.

DONNA GRACE: What I would like to speak to you about is your acceptance of the little fellows of Earth--the gnomes, the sylphs, the undines, and the salamanders, the little free Nature Spirits, the little gremlins, and the Angels. For that was MY role in Earth life, to awaken the consciousness of the people to accept and praise and recognize this form of Christ Life. I had another role, which was to teach, "THY WILL" instead of "my will". For my will sometimes runs like a train into a precipice of disaster, where "THY WILL" will give you your blueprint and shows you which way to go, which way is the CHRIST WAY. And "THY WILL" must be established in the Golden Age, that all may receive their guidance; and that "THY WILL" will be the Conqueror in their blueprint.

MOTHER MARY: SANANDA is very pleased with the Open Letter of January, 1970. WE are all pleased; it is a wonderful Open Letter.

SANANDA: This is your DIRECTOR, SANANDA; and WE are all saying HALLELUJAH about the Open Letter of January, 1970, particularly about MICHAEL-MASS, and the ONENESS IN ESSENCE of ARCHANGEL MICHAEL, MY HUMBLE SELF, and LIMITLESS LOVE AND TRUTH. HALLELUJAH! HALLELUJAH! HALLELUJAH! That part of the mind brain of man will open to receive the TRUTH and accept it as the TRUTH. WE will help you.

MOTHER MARY: I wish you to sense the fragrance of the white roses, and sniff the fragrance deeply into your nostrils that it may vi-

brate thru your entire head and down into the neck and the body, the spine; and every cell in your body will take on the strength and healing power of this white rose ESSENCE.

I thank the Channel for the Frankincense incense which does help you to meditate on a much higher rung than the human thought consciousness.

You know there are some people, when they go into what is called meditation, think of what they are going to buy the next day, think of what they are going to cook the next day, think of what kind of a car they are going to get, how much money it is going to cost. That is not meditation! Oh, it is true it is nice to be quiet and turn over in your mind these various things, but that is not spiritual meditation-- and spiritual meditation carries you into the higher frequencies that you even hear a buzzing sound in your head, and then perhaps the face of a Beloved Master may come, and then that turns into Contemplation. You see? Contemplation! And that is where you can receive the beautiful messages of whatsoever Ascended Master's face you see. HE will breathe into your mind the message HE wishes you to have. I AM very happy to note that there are several amongst you who are receiving the whirl of the wheels of all your Chakras. Isn't that wonderful? When you will have attained to that definite estate, that's it! That is what WE are all endeavoring to attain. That is why WE are trying to cause you to attain. When that will have happened, what a glorious frequency you will enjoy!

I AM thinking in contemplation of the dear little children, thousands of the Seventh Root Children who are streaming into the Earth and these Children are so bright. They are bringing with them talents which they took with them, and they are bringing them back; and that is why these Children know so much right away, for they have brought back with them their memory of what they had before on Earth. And these are the New Age Children that will populate your Earth in the Golden Age. How wonderful it is for these Children to come at this time, truly wonderful! These are MY Children; these are the Children of KWAN YIN, LADY META, ANNALISE SKARIN, and BELOVED LADY VENUS. WE are all working together.

THERESA MARTIN: Eternity? Why you are in Eternity at Al Sirat, the land of Soul! Didn't you know that? You are already in Eternity. It is NOW! Did you know that I never died? Did you know that I AM still on Earth? I never went anywhere and, for all your orthodox religions on your Earth including MY own, the Roman Catholic Church, did you know that your BELOVED JESUS-SANANDA never died? HE has always been on Earth in some form. Wake up! Wake up! Wake up! Wake up to the Truth; and when one is in great misery and had the open CHRIST HEART, HE would always appear to them and talk with them; and so do I in MY humble fashion.

There are many on Earth of the Ascended Masters. You know one, very familiar. St. Bernadette is there. Oh, I could mention many, many more. Many will knock at your door. They will not have to be introduced. They will drop a hint and you will follow suit. The Heavens are opening! The Heavens are opening! It would not surprise me that you would set a table and wine and dine with some of these very Masters you have been calling to. Wouldn't that be wonderful? It is going to happen. The Channel here sat at the feet of DONNA GRACE for three years in a pinchable way. Yes, THEY have come and THEY have reformed and THEY will come again, for the New Age we are now entering will mean that those who are ready in Consciousness can come and go anywhere at any time.

Now, you have a decree that you must say. The Channel does not need that decree because she has been coming and going for eons of time; but you send your body. "MAGNAMOTIVE FORCES ARE OPERATING WITHIN ME AND I CAN CARRY MY BODY THRU SPACE AND DISTANCE, FOR THE BENEFIT OF ALL MANKIND." (3 x)

Now I want you to feel the PEACE. The RADIATIONS of your GREAT ELOHIM TRANQUILITY are abounding in this home. I would like you to feel the LOVE, a LOVE so great and understanding, for that is a phase of LOVE, to understand all situations, reason with them and give them respect, even though you are not quite in accord. I want you to feel a merciful attitude, a forgiveness within your heart which shall encompass all situations which seemingly have grown a cancerous growth. This must be eliminated, and it is eliminated thru the power of forgiveness. Forgive yourself; for if your FATHER-MOTHER LIGHT forgives you, who are you that you cannot forgive yourself? I AM with you. I send out great LOVE, a feeling. Good night.

MOTHER MARY: You do not need a lot of words. You have come to the point now in your evolution where you can feel a thing; and to think a thing, to love a thing, is almost sufficient. We are coming out of the forest of words. If you have not read the books of yore, it is too late now, for you are only going backwards into the consciousness of yesterday. The Consciousness of today is feeling, anticipatory expectation of something wonderful happening today and electrifying it into manifestation. Fiery enthusiasm and Joy in your heart will keep you young; it will give you prosperity, and it will take you into strata of GOLD and send you on your eternal way.

I would like you to feel for everything now is in feeling, not words. Words are cheap; words are easy; but WE want you to feel the sincerity and dedication; feel the frequencies to which you have ascended. Feel the Electro-Magnetic Energies of the GREAT CENTRAL SUN; and feel the LIGHT of the RESURRECTION FLAME. Feel the various power lines of the various RETREATS thruout the Etheric Land; and feel, above all, your own Divine Spiritual SELF. THE LIGHT OF THE RESURRECTION FLAME! (9 x)

DONNA GRACE: My love is Art--the beautiful things of the artistic. I AM to teach GRACE, GRACIOUSNESS, and to LOVE ONE ANOTHER. The greatest sentence that your Earth mind could ever adopt and use; it would move mountains; it would solve all problems; it would avert war and bring PEACE: "LOVE YE ONE ANOTHER."

So many people have asked, "Who is going to win the war? How is it going to end? Are your men coming back again? What is going to happen?" The over-all picture as WE see it is that something so gigantic of the Cosmic nature will eclipse the importance of war, and nobody wins. It is just like the Arabs who fold their tent, and silently steal away. That is the way it is going to end.

People will say, "How about these wonderful men who lost their lives fighting for their country?" They did not lose their lives. There is no loss of life; they went into new spheres. Some of them were given the privilege of Ascension, and many of them have been sent to other planets where their nervous systems will be relaxed and their minds released, and where they can study the Laws of God. Isn't that wonderful? So nothing is ever lost. Things are going to be better; things are going to be worse. But those who are in the FATHER'S CONSCIOUSNESS, the ALPHA & OMEGA of the GREAT CENTRAL SUN, need have no qualms or fears, for to them things are getting richer and better. Isn't that beautiful? It is true, so true!

MOTHER MARY: (Speaking of some burning incense): Isn't the fra-

grance of the fir trees wonderful? It almost carries you to the BLUE LOTUS RETREAT of LORD HIMALAYA, doesn't it? and LORD TABOR, and into Switzerland, and into Yosemite area, and all where God's trees abound. It will give you strength, the strength of a tree, the sensitivity of a tree. It will attract the Nature Spirits that hide and abound in the trees. You will find a new phase of Consciousness, a new appreciation of life and Nature. And they in turn will notice you, for they are alive; they have consciousness and sensitivity; and you will be accepted by all Nature and loved. THE LIGHT OF THE RESURRECTION FLAME! (9 x) And by virtue of your attunement to the RESURRECTION FLAME, IT shall always beam down ITS RAYS upon you, and manifest. Good morning.

EOLIA: Good morning, this is your BROTHER, EOLIA, or ST. GERMAIN if you would rather come down a peg in frequency. You have not heard from ME for quite some time, and many things I will tell you. I want to tell you that the GREAT CENTRAL SUN has expanded wider and wider its circumference, and you may now visit whenever you feel like closing your eyes and ascending upward. Use positive thinking, but more than mental positive thinking. You are laying yourselves, all of you, on an ALTAR of the GREAT CENTRAL SUN, and you are saying, "DO WITH ME AS THOU WILT. USE MY LIGHT AS THOU WILT. HERE I AM." And for this, you will be rewarded.

This is a Sanctuary of INNER LIGHT; and the Inner Light of each of you becomes the machinery which "machinites" destiny. I do not like the word, "vibration". WE like to invent new words here.

You are treading now, each one of you, on a SUNBEAM. Do you realize that? You are not walking, but you are softly treading--your etheric bodies--upon a GOLDEN SUNBEAM offered to you thru the auspices of the GREAT CENTRAL SUN. Isn't that beautiful?

You have come to the point in your evolvment where CONSCIOUSNESS and ESSENCE are your tools with which to work. Now, do you understand that? Am I making MYSELF clear? If you don't understand it, then you are not ready.

From the land of Soul, Al Sirat, the Earth focus of the RUBY FOCUS, I sign off for the moment. I AM ST. GERMAIN-EOLIA-EOLIEE, and MY BELOVED COSMOS. HE is here blessing you, blessing you, blessing you! HE is our BELOVED MESSENGER SERAPHIM, if you will to call HIM, from the GREAT CENTRAL SUN.

FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE ON THE COLOR "RED", THRU GARMAN  
"DRINK DEEP OF THE PIERIAN SPRING"

Garmen: FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE, FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION. We, your humble children, thank YOU for the FIRE-FLAME-LIGHT YOU ARE. We humbly realize and recognize the COLOR YOU ARE IN SILENCE. We infinitely thank YOU for the COLORS YOU ARE IN ACTION. We humbly and reverently accept YOUR COLORS. We joyously realize, recognize and accept the uttermost magnificence of all the colors of FIRE-FLAME-LIGHT YOU ARE IN ACTION. Yet, we are sad to say that there is among your children some perplexity, even somewhat critical misunderstandings and disagreements, strange to say, over value or validity of COLOR; and the misunderstanding hovers principally over the COLOR RED.

MOST BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT, we ask YOU to color and brighten our consciousness that we do properly realize, recognize, acknowledge, and serve YOU.

Our BELOVED THERESA MARTIN, SUNBEAM full of COLORS of the GREAT CENTRAL SUN, and of the glowing RUBY HEART within the GREAT CENTRAL SUN, we thank YOU for herewith serving us with the glowing of Your LOVE, and

Your LOVE of COLOR.

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: Children, there is exuberance in MY Heavens over Earth, that you ask for clarification, even for FIRE-FLAME-LIGHT of Consciousness over the color RED. To help you, it is essential that you first recall a little about all the colors. MY color in SILENCE is Silver; it is the color of utmost Purity. That is to say, it is the SOURCE of all colors in ACTION. It contains all without any lack. It contains all without any soiling from any use from any of them. So it is the full pristine magnificent divine Purity of BALANCE, of LOVE. On Earth, in your High Consciousness, you see ME, FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE or IN ACTION, sometimes as Silver and sometimes as White. White is accurate enough nomenclature as the Color which contains all the colors that ray upon your Earth.

Of course, all the colors to your Earth are here to serve ME; therefore, for you to use all MY colors in MY Service, only. Of course, Red is no exception. Do you behold the beauty and splendor and magnificence of the Reds and all the lovely Pinks in the sunrise, sunsets, and flowers and fruits and vegetables, and even the rocks as well as trees? Do you then, some of you, blaspheme them and ME and say to all this magnificence, splendor, beauty, love, gentleness and rapture? "Go away! Go away! Go away! You are of the devil!" Oh, children, how great is the quality of MY Mercy, that you are not damned for excoriating and abusing MY PINK of LOVE, MY RUBY HEART of LOVE, MY RED!

Now, children, sweet children, the next thing you may, yea you must, recognize is that all MY Colors without any exception in action, I repeat, in action, not MY Silver in Silence, do become soiled in action thru action, thru use, thru any normal constructive use. All, all, all MY clothing does become soiled and must be washed. I speak of all MY BODY, of all MYSELF IN ACTION, MY BODY of FIRE-FLAME-LIGHT. All MY Colors in normal action do become impure. Is Red an exception? No! Then why blaspheme the RED THAT I AM for being impure? But the impurity is not "I".

But now, MY pretty children, I will illumine you as to why MY wayward Son, Satan, incites you to pick on MY most sacred Red as a diabolical color. Know, Know, Know first of all, and forever, that Red is the Color of the Pristine Purity of the FATHER-MOTHER Resident, Present, in the Heart and Center and Core of everything that is. From out of the SILVER OF SILENCE THAT I AM, I do issue as FATHER-MOTHER RAYS into the heart of each and all, to yourself verily, as the Red for Action. Think, think, think! Can you blaspheme ME in your heart?

Now, the Core and Resident in your heart, THAT FIRE in your heart, that goes out as Flame and Light to the extremities of your four lower selves, doing its work there, must come back to the Source in the heart, must come back soiled, carrying with it the residue and waste of its creative action there, having from there sent its Light into MY Body of FIRE-FLAME-LIGHT. Such is the fact of the pure and impure Red; as likewise the blood from your heart is the pure arterial Red, and the blood back to your heart is the soiled venous blood. This is the cycle of positive from the center and negative back to the center.

Be careful, MY beloved little ones, not to think that WE have indicated that the FATHER-MOTHER Red in the heart is the Red of the blood, or is the blood, itself. That could not be; for blood and the color Red of the blood, and even the Flame and Light that are carried--merely carried, not being the blood itself are but products, issues, from the FATHER-MOTHER RED that centers the heart. And in your physical body this positive and negative cycling back and forth from MY Red in your heart is in what you know as your physical blood. In the mental, emo-

tional and etheric bodies, the action is simultaneous to and parallel with the action in the physical; and in the three less dense bodies, the Red is of the Essence of the particular Substance of Flame and Light of those three.

Children, MY slowly crawling children unto illumination.....so far, so good, is this clarification I give you. Everything is normal and lovely. Normally, you use and soil and cleanse MY Body. However, in Truth, you can use MY Sacred, Magnificent Red unto utter blasphemy of ME, and utter damnation begotten unto yourself. Your free will permits it. Consequently, MY little children, you do most dangerously and destructively use MY Red, MY most sacred Color in action, the FATHER-MOTHER PRINCIPLE and NATURE of ME in action. You do that every time in your negative quality of hate, anger, jealousy, envy and greed, and on and on. And not only to MY Red are you doing this, but to all of the other Colors: Blue, Sunshine Yellow, Pink, White, Green, Ruby, Violet. All of these do you abominously soil with your outrageous negatives, those negatives which go above and beyond the normal soiling negatives of the pulse of FIRE-FLAME-LIGHT in and thru you.

So in your most violent explosions of, for instance anger, you do most violently and disastrously combine the Reds from the heart, your mind, emotions, etheric and physical bodies--the four as one. Yea, and disastrously. And it truly is mostly or perhaps even entirely, that it is MY Red that you are abusing and driving out of your presence.

Yes, do beware of MY Red, when you yourself make it ugly! Red is what you make it. Red is the highest key of MY colors in action. You use it for the highest good or the highest evil. Choose! Choose! Choose!

Is it any wonder that the flag of political destruction is Red? Do you see now, why in the thirties, the concern over Red was exaggerated in order to keep you from under the flag of political and social destruction?

Yes, MY Son, Satan, de-glorifies the Red. Red is MY highest key for good, and His highest key for evil. Red is His favorite color, and He uses it to His highest supposed advantage, when He urges you not to use it constructively, that is. Do you see? When He urges you not to use it, slyly He is urging you not to use that which in all REALITY is the basis of all MY Energy, Vitality, Strength, Love, Mercy, Gentleness, and Forgiveness to you. He is breaking your whole platform down from under you.

How pitiable you are, MY child, if you have experienced only your destruction of MY Red, and have not allowed yourself the Ecstatic Exaltation in the Magnificent Beauty, Loveliness, Splendor, of the Ruby of sunset and flower of your very own heart! Color is what you make it.

Child, how can you? Red to you is what you make it. I charge you to desist! I charge you to desist! I charge you to desist!

Precious little sparks from ME, now why is it dangerous? and it can be destructive for you to immerse yourself into a lot of physical Red--for instance, a Red room, even though it be bright, lively, vivid, vibrant, vital Red. Child, it is too much of a good thing! Meaning to say what? Attend MY word carefully, little one. As your saying goes, "You must not carry your heart on your sleeve." You must not carry ME on your sleeve. I AM your Heart. You carry ME at your CENTER, and from there I AM all to you. You cannot lift ME out of your heart and plaster ME all around you and not be hurt. It is too much of ME. A little spot of Red will scintillate its brilliance to all its environment. Enough is enough! And don't you see now that in that little patch, I AM the CENTER from which all the brilliance and energy? Also, cells must first be prepared--in fact, the cells of your four lower bodies, for they cannot stand a flood of ME. Now, do you see why you

unknowingly say, "Red is bad"?

So, if you would use Red constructively, fervently, but over-abundantly, with damage to yourself, then how completely disastrous and murderous it can become for that one who wants to mis-use MY most cherished life-force in action into vicious, discordant service to IT.

WE speak of RUBY! WE speak of GOLD! MY highest action to you today is thru your GREAT CENTRAL SUN. ITS Color, ITS specialty is GOLD, and it is MY highest action to you this day. It is a rainbow of colors; it includes Ruby.

Ruby is the life-blood, meaning to say, the Life ESSENCE, not physical blood, of course, that created the Earth and all that is on it, for Ruby is the color that combines and glues all the colors as one. It is the color of Unity, Freedom, Justice, Peace, and Love. It is the color of the MAGNIFICENT FATHER-MOTHER FIRE-FLAME-LIGHT, because Ruby cements all the colors, all life, into the Ruby ONENESS of the ONE.

And now, blessed, blessed children, MY darlings, it is Ruby, it is the GOLD of the GREAT CENTRAL SUN, specialized, blended with Red, that it be Ruby, that is to re-create, mutate you with your Earth that you have so tragically spoiled for ME. Ruby is MY LOVE, MY MERCY, MY FORGIVENESS to you. Beloved children, get on with it.

North - East - West - South, RUBY! (27 x)

THE RUBY FOCUS IS THE GREATEST VORTEX ON EARTH TODAY! (3 x)

Child, if you want to understand color, then come to ME, directly to ME, thru the Color THAT I AM. From there out only, can you understand. By your sensitivity of thought and feeling only, can you know ME. Go deep, go deep, and you will not fear Red, nor anything else. I AM ALL. To know anything, to know all, come to ME, only.

MY BELOVED SON, now your SANANDA, MY projection as JESUS from MY first-born JESIAS, if you know what I mean, for I mean MY issue of SILVER from MY SILVER SILENT LIFE to all creation. MY projection from JESIAS, your SANANDA, likes to say, so most aptly, "Receive directly from the horse's mouth." WE say, "So be it!" Likewise, says HE, "If you want to play with fire, learn how." WE say, "If you want to play with MY FIRE-FLAME-LIGHT, come to ME, and I will give you WISDOM.

Your poet said, "Drink deep, or taste not the Pierian Spring." So WE say, if you want to talk about Red, know first what you are talking about. If you want to use Red, Ruby, know how; and it is the greatest service you can do to ME today.

I, the Ruby of FIRE-FLAME-LIGHT, have spoken thru MY Partner in Ruby, MY Mouthpiece of Ruby, and his HIGH SELF, G.V.P. and His Divine Complement, THERESA MARTIN, together with RUBY FOCUS SPOKESMISTRESS, KWAN YIN, ELOHIM TRANQUILITY AND PACIFICA, ARCHANGEL URIEL AND DONNA GRACE, and Beloved Florence Ruby, Harbinger under EOLIA and COSMOS of Their RUBY-GOLD to Earth.

WE ARE your MAGNIFICENT FATHER-MOTHER FIRE-FLAME-LIGHT SELF. Know your SELF! Feel your SELF! HALLELUJAH!

"E" asks: BELOVED THERESA MARTIN, what is your reaction to FATHER-MOTHER LIGHT'S TREATISE on "RED"?

THERESA: The subject has been handled superbly and opened by professional color therapists, who bow to the Knowledge of FATHER-MOTHER LIGHT. Who can say more?

I have a personal reaction to the beautiful spiraling BLUE FLAME of HERCULES, the FLAME of DIVINE PROTECTION.

Call upon HERCULES. HERCULES AND AMAZON are very honored to receive your CALL. THEY throw Their BLUE FLAME CONSCIOUSNESS from the

Alps of Switzerland into your auric circumference.

What a blessed magic wand mankind has, that the predictions of the negative can be instantly dissolved, and the Beauty of the CHRISTED IMAGE stand instead!

This is MY humble message for the February Open Letter. If used, one's lifestream can beautifully creep into an eventual fourth dimensional "way of life", forever positive and permanently sustained!

I AM THERESA MARTIN, SUNBEAM of the GREAT CENTRAL SUN.

MESSAGE from EOLIA-EOLIEE and COSMOS

I AM so glad you are making this contact with US. I have wanted to tell you of a great Identity Who has recently become established into the recess of the GREAT CENTRAL SUN.

Earth has not had a loss because He will continue to cast his LIGHT upon those He loves and trusts. He will become a power with US in the Golden Age. I speak in reverence of Edward Whitney, a reborn Ascended Master.

He might have remained longer on Earth, but being a very sensitive soul, he had not learned how to create a "shell of protection" around him, to thereby ward off the bombs of negative discord.

People who are in the CHRIST NEW AGE become targets. One emotional blow after another rendered him a recruit for the great and glorious reward He is now enjoying.

The time has come for the courageous ones to place themselves within a COAT resembling the astronauts' and CALL continuously upon HERCULES' SPIRALING BLUE FLAME OF DIVINE PROTECTION.

There is much service to be rendered upon Earth. Dedicated man and woman MUST SEE IT THRU, until the Earth is cleansed and fourth dimensionalized. Oh! what a beautiful panorama to look forward to! Your labors are not in vain, beloved Children of FATHER-MOTHER FIRE-FLAME-LIGHT.

I AM EOLIA-EOLIEE and COSMOS, (SON OF ALPHA AND OMEGA, SERAPHIM OF THE GREAT CENTRAL SUN.)

MESSAGE from MOTHER MARY, thru Evangeline

"E": MOTHER MARY, I feel Your nearness; have you something to tell me?  
MOTHER MARY: Yes, dear Child, you do feel My PRESENCE, always with a fragrance of white roses.

You know, I AM awaiting the day when the whole wide world will buzz into the fourth dimensional Consciousness. When that sweet day comes, then humanity, as Earth knows it, will become etheric beings, en masse. This will mean that a "thought" projected will form a golden beam and carry into any Retreat, planet, or to any geographic spot the "thought" indicates. This, then, will be the day when many will choose their visitational destination to the MOON.

In this sweet day, CHRISTOPHER will greet and act as HOST to the INNER SANCTUM of the esoteric MOON. Earthman, (Box 3), by then (Box 4) etheric, will dine and sup with the inhabitants of the MOON. Then, and then only, you can say, "The moon has been truly reached, blessed with native graciousness and intimacies of conversation."

It has been wonderful that the dense body of man has been graduated "thus far". THE SURFACE HAS BEEN SCRATCHED! at great risk and expense. It will be good to know that etheric man need not undergo risk or expense and also receive the joyous greeting of the man and woman "in the moon". THIS DAY IS FORTHCOMING!

Mortal man could not adjust to gravity or thermostat and the million functional reactions so natural to the MOONITES, already conditioned.

I still insist that mortal man will never enjoy this esoteric excursion in Ease and Joy and Grace until the fourth dimensional conscious-

ness has been released. I AM MOTHER MARY of the RESURRECTION FLAME.

"E" says: I believe this is what MOTHER MARY meant when SHE previously said, "Earth man will never reach the moon." Earth man has strenuously, courageously, invaded the crust of the Moon! True! But he hasn't touched its Soul. "E".

MESSAGES, thru "E"

LOVE STAR: You are going to be amazed and you are going to be surprised to see the break-thru on your Earth of the most vicious situations winding into LOVE and COMPASSION and CHRIST-MINDEDNESS. You are going to be amazed politically, socially, and particularly with the youth. You are going to see a great turn-over from the extreme negative into the joyous positive of the CHRIST MIND. Yes, it is wonderful. You are going to marvel; and you are going to enjoy it with them, for a wave of extreme LOVE will wind its way thruout the Earth like a beautiful refreshing exhilarating Electro-Magnetic Energy, changing the minds and hearts of the blackest people. When I say, "black", I do not mean racial; I mean negative--black auras. Oh, it is going to be so wonderful. And you with others, will work nightly on this project of the dissolving of the negatives on your beloved Earth--the BODY OF GOD. And from the ROYAL TETON, WE will send you help.

URIEL: Yes, yes, many beautiful things are about to happen, for the mind is to be raised--raised thinking, raised thinking. Isn't that wonderful? And then automatically the entire Earth is jolted into a higher dimension, above the slime and the filth of the drug addiction, the political messes, the social mishaps to seize you, frenzies, idiosyncracies. All that to go down the drain of nothing-at-all. There will be that great inversion from the negative into the positive.

HERCULES: You will discover that an appeal to the various ASCENDED MASTERS, thru Their Virtues and Qualifications, bring into etheric form a "GOLDEN KEY" which unlocks fourth-dimensional Conscious "Way of Life".

SANANDA: When fourth-dimensional MIND releases mankind, then thru "tuning in", each person will receive his or her own conviction. This is the way it will have to be.

"E" asks: BELOVED SANANDA, ARCHANGEL MICHAEL AND LIMITLESS LOVE AND TRUTH, why don't YOW come?

Answer: WE are waiting for something to pop up in the Orient.....Then watch US!

G.V.P.: They want whom they want to be the coming Messiah.

ANONYMOUS: There are many, many, many Souls seeking the LIGHT; and we are grateful for that. But they have not yet learned to recognize that the GOD POWER comes through them and out to the World. As quickly as they recognize that, many, many more will be joined to your groups.

J.M.: May I report that we distributed every jot and tittle (149 pounds of the RUBY FOCUS OPEN LETTERS AND BOOKS AND SANANDA CARDS), and many have told us how they love them.

I tell them that MAGNIFICENT CONSUMMATION actually gives to anyone who can read, directions that cover every problem that flesh is heir to.

D.C.K.: When some "literature" comes to me from MAGNIFICENT CONSUMMATION outpouring, the first sight of it is as a response to the delicate touch of the hand of a friend.

SANANDA PICTURE

"I put my CHRIST PICTURE into an antique oval frame. I wish you could see how beautiful it is! Well, I had the picture done for the Sanctuary, but I find that it is to remain at home over my fire-place in my bedroom sanctuary and retreat. It just can't come down from that place. I will have to do one of the others for the Sanctuary." 16" X 21"....\$4.50

WHITE ROSES

CECILIA must have given this song thru Elsie Elgas in honor of SWEET MOTHER MARY, Who distributes white roses with their fragrance of JOY. It is a truly universal ong, favorable to any religion or non-religion. We suggest that you receive a bundle of the three sheets: "BELOVED", "WHITE ROSES", and Mollie Thompson's picture, "THE DIVINE LOVERS", for a Love Offering of \$1.00.

E.B.: I get exasperated at spending so much thought and time on my outward body! I could better put all that mental energy on the decrees for our World and for Mother Earth.

POEM, "THE LIGHT OF THE RUBY FOCUS", by B.J., a teen-ager.

1. In the garden of Ruby Dreams  
Sat the Archangel of LIGHT,  
And in His Hand He holds the streams  
Of men's minds with His Might.
2. He sits here in the garden  
Thinking of how He may  
Increase men's pleasures  
And help them on their way.
3. He hit upon something  
He thought in a way  
Might bring happiness  
During the night or day.
4. He descended in His vehicle  
And into him He thrust  
The Light of the RUBY FOCUS  
In which we place our trust,
5. Light of the RUBY FOCUS,  
Shine on through me.  
Light of the RUBY FOCUS,
