Beloved Ones: **DEDICATION**
 to
 "ESSENCE"

**FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman, Dec. 22, 1969.
"FASCINATING FIRE-FLAME-LIGHT"**

Garman: FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE, FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION: We ask YOU to speak to your Children of FIRE-FLAME-LIGHT THAT YOU ARE.

BELOVED THERESA MARTIN, we thank YOU that YOU fuse with us that we BE FIRE-FLAME-LIGHT IN SILENCE AND IN ACTION at this moment of communication with "FIRE-FLAME-LIGHT".

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: Yes, beloved children, MY very own, MY very SELF, truly this is what you be asking for at this moment--that even at this moment you actually are a FIRE, a FLAME, a LIGHT; that MY speaking, so called, is a FIRE, a FLAME, a LIGHT, in you; no--more--that YOU FEEL YOU ARE "I", the FIRE, the FLAME, the LIGHT, that acts in you as you at this moment and ever.

MY speaking, so called, is the passing of MY FIRE-FLAME-LIGHT thru this Spokesman, MY Partner in FIRE-FLAME-LIGHT, yet at the same time, it is also flowing in and thru you inasmuch as you are ready, willing and able that I do express thru you; that is to say, that you desire MY FIRE-FLAME-LIGHT OF ACTION to be your action. WE ARE charging you at this very moment so that you be conscious of the FIRE-FLAME-LIGHT THAT WE EVER ARE.

WE charge you, WE charge you that this is, for this is the only way that you can know OUR FIRE-FLAME-LIGHT. WE can only be experienced. Experience, feeling, is the only knowing THAT WE ARE. Being FIRE, being FLAME, being LIGHT, is the only Consciousness of IT. Are you willing to be FIRE, to be FLAME, to be LIGHT? Meaning to say, are you ready, willing and able to be conscious of the FIRE-FLAME-LIGHT, or in other words, of the POWER, LOVE, WISDOM, or in still other words, of the fiery ESSENCE, of the hot FLAME, of the Sparkling, Shining TRUTH THAT YOU ARE?

Do you ask merely intellectually, what is FIRE-FLAME-LIGHT? but ask with that much FIRE-FLAME-LIGHT, be it much or little, THAT LIVES already in your lower consciousness of mind and feeling.

Children, listen! Is there anyone who is so dead that he recognizes no FIRE-FLAME-LIGHT in his lower self? Is there anyone so dead that he has not enough FIRE-FLAME-LIGHT in his lower consciousness that he cannot desire and ask for more? No! And THAT which already is your consciousness is seed for more.

MY yearning little children, you might ask, intelligently, how can I reconcile that I AM FATHER-MOTHER FIRE-FLAME-LIGHT, yet I AM little aware that I AM? The answer is that you are many selves. However, simply and conveniently speaking, you are three groups of selves: still more simply, you are three selves. You are SUPREME SELF, HIGH SELF, and low self. And your SUPREME SELF, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY, is fully conscious of the FIRE-FLAME-LIGHT, and POWER-LOVE-WISDOM, THAT IT IS; and your HIGH SELF is fully conscious or ITS FIRE-FLAME-LIGHT which you must currently attain in your, in ITS, lower self. And HIGH SELF is the MEDIATOR between the SUPREME SELF, or the OVER-SELF, and the lower self, in order that you obtain from the SUPREME SOURCE your currently required quota of Consciousness of FIRE-FLAME-LIGHT THAT YOU ARE. And once you are become experimentally and experientially aware of the very SOURCE THAT YOU ARE, then you are verily on OUR PATH of FATHER-MOTHER FIRE-FLAME-LIGHT COSMIC CHRIST CONSCIOUSNESS!

I charge you! I charge you! I charge you! MY little lower children simply to be conscious FIRE-FLAME-LIGHT! Just fill yourselves this very moment with FIRE-FLAME-LIGHT from the SOURCE of you THAT I AM, as your INDIVIDUAL SUPREME SELF, with and thru your HIGH SELF to your low self that is hungry for the magnificence and consummation of being totally filled with FIRE-FLAME-LIGHT.

And you are aware, MY darling children, that your little self is filled not egoically and egotistically, but unto the glory of itself with HIGH SELF, unto the glory and as ONE with the SUPREME SELF, which is unto MY GLORY and as ONE with the FATHER-MOTHER FIRE-FLAME-LIGHT THAT I AM.

Children, as ABOVE, so below. Now, why are you so fascinated by a wood fire in your hearth? You gaze into the glowing ruby core of fire, from which the glowing orange flame you see, from which the glowing white light. Why are you fascinated? As ABOVE, so below.

You are recognizing MY ESSENCE in the FIRE-FLAME-LIGHT of this wood. How can you recognize this? It is analogous to MY ESSENCE in you. You are feeling, you are recognizing that the ESSENCE on the hearth and the ESSENCE in and from your heart are ONE. Its ESSENCE is yours; your ESSENCE is ITS ESSENCE. You are in affinity with it. You are fascinated that as below, so ABOVE. You are fascinated that "I", that "WE" in all, are ONE FIRE-FLAME-LIGHT. You realize that you are fascinated that the fuel in the fireplace is transmuted thru FIRE-FLAME-LIGHT. It goes back to the "SEA of ESSENCE" of FIRE-FLAME-LIGHT. Therein is a contribution to MY GLORY. Likewise, I burn the cells of your body and it has been transmuted unto MY GLORY. It has been used to MY GLORY.

I give you a bit of knowing that you are FIRE-FLAME-LIGHT. It is that as the fire on your hearth is the core, and the flame is the body, and the light is the emanation from the flame; so also your core is FIRE, your body is FLAME, and the emanation, as wide as the Universe, from your body is LIGHT. In terms of FIRE-FLAME-LIGHT that makes up your lower self, that is behind what you see, THAT is what YOU ARE.

Blessed children, WE need you, WE ARE dependent on you, upon your free will and your mercy in the becoming of OUR OMNIVERSAL BODY. I AM THE ONE AND ONLY ONE for you to serve.

I charge you to will, to dare, to be and become, and to give out the FIRE-FLAME-LIGHT of Creation, and Ecstatic Exaltation. Get all the Sublimity, Supremacy and Magnificent Consummation of the CHRIST-NESS of filling to over-flowing ESSENCE of FIRE-FLAME-LIGHT in your lower self unto OUR ONE ECSTASY!

All this is LOVE that is POWER and WISDOM. Behold the Sublime Beauty and Fragrance of the rose and recognize this FIRE-FLAME-LIGHT

and JOY which is identical with US.

Clasp your Beloved to your bosom in full pertinent Love to know that FIRE-FLAME-LIGHT of your Love is a transmutation of yourselves unto MY GLORY for the benefit of all mankind THAT WE ARE.

I charge you in all your desires, prayers, decrees, and all action, to burn your FIRE-FLAME-LIGHT for ME--serve ME, only; Love ME, and therein you Love all.

I charge you to give your FIRE-FLAME-LIGHT North, East, West, South, to UNIVERSAL MINDS to serve ME; and MY UNIVERSAL MIND will pick it up to use wherever needed. MY AGENTS, the GREAT ONES, will do great things with the FIRE-FLAME-LIGHT you offer.

Blessed children, if you asked intellectually, what is FIRE-FLAME-LIGHT, the answer I gave you was, however, such that you became a cup filled with this FIRE-FLAME-LIGHT THAT I AM, and you recognized ME as you; and that is the MAGNIFICENT CONSUMMATION of the CHRIST CONSCIOUSNESS.

Charge: North, East, West, South (1x), FIRE (9x), FLAME (9x), LIGHT (9x).

Charge: North, East, West, South (1x), POWER (9x), LOVE (9x), WISDOM (9x).

I charge you, thru MY Partner in FIRE-FLAME-LIGHT, Beloved Garman, of the HIGH SELF of G.V.P., and the COUNTERPART who is THERESA MARTIN (THE QUEEN OF LIGHT), and their Cosmic Channel "E", I AM FATHER-MOTHER FIRE-FLAME-LIGHT in SILENCE and ACTION.

THERESA MARTIN'S REACTION TO TREATISE ON "FASCINATING FIRE-FLAME-LIGHT"

"E": BELOVED THERESA MARTIN, what is your reaction to Beloved Garman's channelship of FATHER-MOTHER FIRE-FLAME-LIGHT'S Treatise on "FASCINATING FIRE-FLAME-LIGHT"?

Answer: I believe the Treatise speaks very intelligently for itself. I will, however, tell you that I use this CHEMICAL ESSENCE OF DIVINE LOVE for My healing therapies for the fellowman of Earth.

As your Earth is expanding wider and wider and deeper and deeper in consciousness, knowing that there can be no vacuum, thus FIRE-FLAME-LIGHT is given an osmosis in space in which to stream forth unto all whose minds are open to receive HIM-HER.

It is more than an "open intellectual mind". It really is an "OPEN PINEAL CHAKRA MIND".

Therefore, be it said that it is wisdom intelligence for human to evolve into this RECEPTIVE STATE OF RECEPTIVITY OF THE FATHER'S LOVE TO BEAM HIS-HER FIRE-FLAME-LIGHT.

There are letters being written which tell of instant, immediate healings, of a broken leg, sprained arm, etc., thru the auspices of the healing virtue of FATHER-MOTHER FIRE-FLAME-LIGHT.

It is more than Faith. It is ATTUNEMENT. It is the reality of EXPERIENCE.

TODAY, HUMAN MUST "EXPERIENCE" the REALITY and ACTION of BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT, the Ultimate thus far.

No longer need our darlings of Earth linger in the secret recesses of darkened cells. THE LIGHT! THE LIGHT! THE LIGHT!

The story is told about BELOVED FAITH. WE hope WE are not telling a glorious secret..... ARCHANGEL MICHAEL (THEY CALL ME LORD) has given us HIS permission.

HIS BELOVED FAITH, for two years before HER GRADUATION into the Celestial Realms (to dwell with HIM), specialized in the transmutation of HER body cells into LIGHT.

SHE, FAITH, had experienced a horrible aeroplane accident which had

caused trouble with her legs, rendering HER bedridden. But, thru FIRE-FLAME-LIGHT, SHE was healed and able to walk again. SHE became all LIGHT, and in HER last three days, as the body lay in the casket, the doctors marvelled at the phenomenon of LIGHT. SHE GLOWED AS A BEAUTIFUL ETHERIC CHRISTMAS ANGEL.

Perhaps this is an humble answer to the profound VOLUME of FATHER-MOTHER FIRE-FLAME-LIGHT; so real, yet so simple a little child can call upon ITS OPERATIVE MECHANICS of LOVE IN ACTION.

I AM THERESA MARTIN, CO-CHOHAN of the SIXTH RAY, RUBY FOCUS.

MESSAGES THRU "E", December 16, 1969

SANANDA: We have now reached the point where we are but radiating the RUBY FLUID around the FATHER-MOTHER FIRE-FLAME-LIGHT Body. And that is exactly what the dear people of Earth will be doing when they burn the ruby red candles at 12 o'clock Christmas noon, and their entire concentration and meditation revolves around the Body or Earth, the Body of God of your Earth.

It is international and has no creed, no race nor denomination. It is universal, and all the peoples of Earth are joining in the burning of the ruby candles at noon Christmas Day; and the time element is such that at all times there are candles burning because of the time divisions and differences.

So you see this is one of the beautiful things that your Earth will experience. That was promised to you. That was one, and there will be many, many more that will be revealed to you as time goes on.

The people of Earth are seeing your good work and recognizing the RUBY FOCUS, for that is what you are attaining, achieving, looking for, is it not?

NIKOLA TESLA: It just seems as though the room is filled with Doves. Ah, these beautiful Doves! I love this rose Dove you have on your tree here. It is so beautiful! It is the Dove of Love, the Dove of Love, the Dove of the RUBY FOCUS--have you seen it? Have you learned it? That is the sign of the PEACE that cometh Christmas (MICHAELMASS) Day thru the burning of millions of little ruby red candles throughout the Earth. It is sweeping like a prairie fire all over the world! It is truly wonderful!

Say, "LIGHTNING" (9x), and you give of this LIGHT of the LIGHTNING to the GREAT UNIVERSALS, that they may use it wherever it is needed; and you will receive reports from here and there and everywhere that they did receive the ELECTRO-MAGNETIC ENERGIES of the GREAT CENTRAL SUN, which dispelled their distress miraculously.

KWAN YIN: Your world is receiving the LIGHT from the GREAT CENTRAL SUN which is opening wide and wider and wider ITS area of procedures; and the ROYAL TETON is open now to all who will ask; and the responsibility is that you ask for that which is of good report. It is quite a responsibility, isn't it? to be able to use discrimination, but so many don't, isn't that right?

LOVE STAR: If it is things you want, envision them, and thru the drawing powers, it could come thru; for these things are in the ROYAL TETONS awaiting to be called out. WE are surprised that more people don't make the call. Instead they struggle--they get bank cards, lay-aways, so-much-a-month, time payments. All are good, but that is not the way CONFUCIUS wants you to work. Call on the GREAT CENTRAL SUN; call on ME, LOVE STAR of the ROYAL TETONS; and call on VISTA and CRYSTAL--and it is there for you. That is the way everybody is going to have to do. That is the way it is done on other planets. That is the

way it was done in other eras of your Earth until the privilege was abused and used for evil; then the power was taken away from man.

G.V.P.: There has been great Power and great Light thrown into the decisions of the President; and if he could, if he had the supreme power, he would have them all home from Viet Nam. That is the wish of the Masters; and there will be something so beautiful, so enormous, of a Cosmic nature to happen, that will eclipse the interest of the Viet Nam. And so, therefore, nobody will win anything; they will just recede; and that is the way you want it? WE do not glorify war.

TERESA MARTIN: When that sweet day comes when all will have Fourth-Dimensional Consciousness, the bride will meet the bridegroom; and of course the bride can be of either sex, for all the "bride" means is Pure Consciousness, the bridal consciousness--it can be either sex; and of course the "bridegroom" is the CHRIST as HE returns in material, physical form, for HE IS ETERNAL. HE has returned many times. Or, I will tell you a secret--HE has never left the Earth. You didn't know that, did you? Where did HE go? Think it out. HE never left the Earth, and HE manifested in many forms throughout the ages, but nobody recognized HIM. But they will recognize HIM this time!

Would it surprise you if I told you that I never left the Earth? I will spend MY Eternity healing the loved ones of Earth who will receive ME. And as you open that EYE of CHRIST in your forehead and upper brain, you will see ME on Earth and recognize ME, for WE will do a great work to serve your fellowman.

All people, not just one little handful, not one cult, not one--all people--everything that breathes and lives and emanates the ELECTRO-MAGNETIC ENERGY of the GREAT CENTRAL SUN, from the little blades of grass, dear little birds, and rabbits, and rats. They all have their own chorus, the mighty chorus. Isn't it wonderful? Visualize them all happy, all positive, none vicious, and all happy little hearts, and all blessed. Isn't it wonderful? Isn't it wonderful? Isn't it wonderful?

TERESA MARTIN, thru "E", JANUARY 1, 1970

"E": BELOVED TERESA MARTIN, do you have a special message for the January, 1970 Open Letter?

TERESA MARTIN: Yes! MY special subject, this blessed New Year's Day, is the color "red". It is MY special duty to clarify these colors. I say "colors" as red has many shades and intonations and certain psychological graduations of effect.

Red, basically, is the color of L-I-F-E, vitality, cheer, and inner joy. Get behind a MARS person and you will be very successful in your projects. Garish reds, tomato red, etc., can be quarrelsome and ugly. It radiates much that is unmerciful. Such is the wicked, animalistic red of the house in Southern California, where five people, (six, really, counting the unborn child), were murdered. These atrocities were committed by a low phase of hippie satans.

There are beautiful young people, in the higher frequencies, who are "flower children", rebelling from family conservatisms.

All of this new tribe who indulge in narcotics of any description are an abomination to the HEAVENLY FATHER-MOTHER LIGHT.

The young people the HEAVENLY FATHER-MOTHER LIGHT loves are the normal, active CHRIST CONSCIOUSNESS darlings, who honor and serve their earth parents. There are millions under this canopy of Love. FATHER says, "DO NOT RUSH AND PERVERT THE COMING NEW AGE, WHICH MUST BE 'EVOLVED MOMENTUM OF COSMIC LIGHT'!"

The "RUBY" of the "FUBY FOCUS" is the out-spurting red of the Sixth Ray, recently evolved from the transference of the GOLD RAY.

THE RUBY FOCUS IS THE GREATEST STREAM OF CONSCIOUSNESS ON EARTH TODAY. It is "EVOLVED MOMENTUM", unfolding like a beautiful American Beauty Rose. Thousands are personally witnessing this and report.

Within the RUBY FOCUS RADIATION, S-E-X transmutes into LIGHT. Those cradled within the aura of the Sixth Ray become androgenous, CANDIDATES for the ANGELIC KINGDOM. Thousands have "made it".

The year 1970 will eventuate many wonderful changes, some not so wonderful to the unready. Each day, the BODY OF GOD (FATHER-MOTHER FIRE-FLAME-LIGHT) is being cleansed and purified, until every last morsel of FATHER'S LIFE has become synchronized. From the blade of grass, the flowers, vegetables, birds, snakes, insects, animals, to the human, all will sing in unison to the beat of the LORD GOD ALMIGHTY, ALPHA AND OMEGA, FATHER-MOTHER FIRE-FLAME-LIGHT and HIS-HER EMISSARIES, NOW IN ACTION, SOME ON EARTH!!!

This is THERESA MARTIN, SUNBEAM of the GREAT CENTRAL SUN, Co-Chohan of the RUBY FOCUS with G.V.P.

MESSAGE FROM NIKOLA TESLA

Evangeline asks: BELOVED NIKOLA TESLA, I have felt your electronic arms encompassing me, and wonder if YOU have a message for the January Open Letter?

NIKOLA TESLA: Yes, I have a message for the RUBY FOCUS regarding your ELECTRONIC-MAGNETIC ENERGIZING RADIATIONS. They are being felt all over the world. This influence is the first indication of the POWER HOUSE of the GREAT CENTRAL SUN, and thereby your own verification.

Beloved ones of the RUBY FOCUS WORLD-WIDE, MY Personal message to you is two-fold. First, it is regarding a group consciousness in INVENTION. Descending from GOLDEN HEIGHTS is coming a STREAM OF THOUGHT FORMS, and many scientific minds will catch the prototype. Many scientific minds will begin to mold these ideals, catch on and bring them into the light of human practicality. So unified will be their minds that they will contact each other from many parts of the world, North, East, West, South, and collaborate.

No one individual will be heralded the inventor. WE have tried the "single mind" and it has not "hatched" the perfect picture, either because of human idiosyncracies or negative shadows cast upon the scope and architectural designs.

If Earth man is seriously sincere regarding the USE of these COSMIC TREASURES, he-she must "get together" and complement each other.

RUBY FOCUS, WE all love you. YOU ARE OUR BATTERY thru which to send out these POWERFUL RADIATIONS. CONSOLIDATE WITH NO MASS ORGANIZATION. This would weaken your LIGHT VELOCITY. However, the DIVINE AURIC CIRCUMFERENCE you etherically attend, hosted by GAUTAMA, DIVINO, SANANDA, SERAPIS BEY, FIRE-FLAME-LIGHT, and often MY HUMBLE SELF--this secret matrix does give you POWER to STRENGTHEN your BATTERY. This is MY second message.

I particularly stress MY thanks to Beloved Evangeline and Precious Carol Halford-Watkins, MY official Channels.

I AM TESLA, THE DOVE.

SANANDA, thru "E", Christmas Eve, 1969

This is your DIRECTOR, SANANDA; and it was a most interesting two weeks, with your Christmas or your Michaelmass or whatever you wish to call it. It was like the Arabs that silently folded their tents and stole away.

Dear Hearts, wondering what another year is going to bring, wondering if this is the finale of the lighting up, and the hundreds and hundreds of Christmas cards, so much money invested, and just for one day;

but that's all right, that's the Piscean Age.

And now you're going into the Aquarian Age, and many have already gone into it, and did not send any cards this year, and did not decorate their halls; but thru silent meditation, they went up, up the ladder into the GOLDEN GREAT CENTRAL SUN CATHEDRAL OF GOLD, and they expanded their Consciousness, and opened their ALL-SEEING EYE to the GLORY OF GOD.

And so one can either recognize Christmas on the material plane of tinsel and greeting cards, or they can evolve themselves into the Etheric MICHAEL-MASS, where everything is so beautiful and so real and so true and so magnificently eternal; and that's the way it's going to be as the years go by. That's the way it is for many people here already.

FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman, January 1, 1970

"WHY MICHAEL-MASS?"

Garman: FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE, FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, we are turning to the ARCHANGEL MICHAEL that YOUR 'ESSENCE' of and thru HIM does enlighten us. And our question, BELOVED ARCHANGEL MICHAEL, is, why MICHAEL-MASS?

BELOVED THERESA MARTIN, come celebrate with us the FEAST of MICHAEL-MASS. What feasting on Cosmic Essence!

ARCHANGEL MICHAEL speaks: I come to you, MY precious wards, to rejoice with you, to feast with you, to celebrate with you the MICHAEL-MASS, which is the celebration of the attainment of the ESSENCE CONSCIOUSNESS that is for the life and evolvement of the new Aquarian Age, the completely changed, the mutated age, when all things are new, when all things have been magnificently consummated into newness.

Before WE go further, I wish to say that I, MICHAEL, AM turning MY Spokesmanship over to 'ESSENCE'. On stage here is more than an Individual or Individuals; IT is ESSENCE and MASS that is on. Several names, persons, will be involved here; yet it is only as ESSENCE and even as MASS that they hold the stage. I abdicate the rostrum to MY ESSENCE and ESSENCE of others.

ESSENCE speaks: I AM 'ESSENCE'. I AM THE ESSENTIAL. I AM THAT without which the it is not. I AM THAT ESSENCE which is peculiarly, individually involved as the sameness of particular mass.

Very simply, shall I tell you of why MICHAEL-MASS.

When the infant human JESUS came to Earth to accomplish HIS stupendous mission, I, 'ESSENCE', endowed HIS Lifestream with that which I was and AM in HIM Who is known as LORD MICHAEL. This made ARCHANGEL MICHAEL a GUIDE, a MENTOR, a SUSTAINER of JESUS. Such a SUSTAINER is the Celestial Energy Counterpart to the human energy of the person, in this case JESUS, Who as a human required that polarization with a Celestial Focus in the person of the Advanced One MICHAEL, to help bring His human personality up into the CONSCIOUSNESS of His own HIGH, His own CHRIST, SELF, which in the case of JESUS was a surpassing project.

Such a Counterpart of Energy in such a case must be a Universal BEING, One Who is complete in Universal Energy and CONSCIOUSNESS; and in the case of JESUS, it was MICHAEL Who was the UNIVERSAL ONE.

At the moment of the birth of JESUS, I, 'ESSENCE', flowed as ESSENCE OF MICHAEL into the Lifestream of the Infant MY UNIVERSAL ESSENCE of FATHER-MOTHER FIRE-FLAME-LIGHT. That made MICHAEL and JESUS, so to speak, Siamese Twins. There was a double contact.

ESSENCE in MICHAEL sustained JESUS throughout HIS life. It was I, 'ESSENCE', thru MICHAEL, that enabled HIM to rise from the tomb, and to go up in RESURRECTION when the lower self of JESUS had been completely joined with HIS HIGH SELF. And, when HE had attained all as an example to all and as a seed in all, then HE had fully accomplished HIMSELF into the UNIVERSAL ESSENCE CONSCIOUSNESS THAT I AM.

You see, MY attentive children, 'ESSENCE' is the key word of this whole clarification that I AM giving you. Also, I AM FIRE-FLAME-LIGHT. It was ESSENCE in the WHOLE MICHAEL joined with the ESSENCE of the HIGH SELF of JESUS THAT pulled HIM thru the preparation and attainment of HIS stupendous mission in the lower body. And from the moment of the complete raising of HIS flesh, HE was ONE and equal with MICHAEL in the CONSCIOUSNESS OF UNIVERSAL ESSENCE THAT I AM.

Now....Christmas is the name given to a Day which commemorates the birth of the boy, JESUS. It commemorates the coming of the human, physical body, though ever so HIGH was the CHRIST Whose was this lower self. This was then, in large part, a celebration of a physical event, but commerce and the material-minded masses have outrageously distorted the physical aspect into the materialistic celebration as we know Christmas today.

Furthermore, JESUS is now to be commemorated not as an Infant who came, but as a GROWN-UP Who attained; and the project is no longer one that physicalized, but one that has celestialized. This means that the ESSENCE THAT I AM in both MICHAEL and JESUS, now the GROWN-UP MAN, is now realized, recognized and acknowledged, and used. This means that it is appropriate and wise that a new Name be given to the Day of New Commemoration. The New Name must have a wholly Celestial connotation, not partly physical. What could be a better Name than MICHAEL-MASS? For it was MY ESSENCE in MICHAEL, bestowed upon JESUS, that made possible the consummation of HIS PROJECT.

Commercial practice and essential meaning and accomplishment call for the new Name. In a sense, what is in a Name? a Name is arbitrary; the fragrance, the essence of the rose is sweet under any name. However, MICHAEL-MASS directly connotes 'ESSENCE'.

In the New Age Consciousness that already is today, the Piscean Christmas with all its connotations and practices is relegated. MICHAEL-MASS is the Aquarian replacement. In fact, possibly, perhaps probably, 1969 was the last celebration of Christmas. It is the mutation of the commemoration, and all the other is simply history.

The 'ESSENCE' of MICHAEL in cooperation with the SOUL of JESUS thru the lower self of JESUS, seeded and grew on Earth a plant named MAGNIFICENT CONSUMMATION, enabling Earth to live in the Aquarian frequency. The old is passing away; JESUS, the Infant, has become SANANDA, the GROWN-UP HAPPY SON OF GOD; HAPPY because HE accomplished HIS MISSION in the Service of MYSELF, 'ESSENCE', FATHER-MOTHER FIRE-FLAME-LIGHT.

And now, MY children, in the ESSENCE THAT I AM, I shall characterize for you THAT which MICHAEL and SANANDA do express. This, I do in a very simple phrase, a gloriously simple phrase for the glorious, warm and holy expression or condition or Consciousness that it is; and it is 'LIMITLESS LOVE AND TRUTH'. Yes, that is what I, the 'ESSENCE' in MICHAEL and JESUS, seeded and grew into the Consciousness of Earth and man--the mass of man.

The Piscean Age was an age of Limited Love; the Aquarian Age of Unlimited LIMITLESS LOVE AND TRUTH, all beyond the Piscean limits. LIMITLESS LOVE AND TRUTH expresses the 'ESSENCE' THAT I AM. I, 'ESSENCE', and MICHAEL and SANANDA, WE emanate LIMITLESS LOVE AND TRUTH to the Aquarian mass. MICHAEL-MASS (m-a-s-s) commemorates this be-

stowal upon the mass of mankind. I, 'ESSENCE', 'LIMITLESS LOVE AND TRUTH', in MICHAEL and SANANDA now emanate to you all, MY beloved children.

This LIMITLESS LOVE AND TRUTH going out from MICHAEL and SANANDA as ONE is sometimes personalized, expressed in the form of a Person, and called an EMMISARY of MICHAEL and SANANDA, and consequently known as an ENTITY, co-existent with the ENTITIES MICHAEL and SANANDA. Hence, the decree: "THIS IS MAGNIFICENT CONSUMMATION, TO REALIZE, RECOGNIZE AND ACKNOWLEDGE THE ONENESS IN ESSENCE OF ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE AND TRUTH."

So much are the THREE ONE, that as you recall, SANANDA says, "Now, you know, anything that ARCHANGEL MICHAEL does to you, it is I THAT IS DOING IT. Did you know that? And also, when LIMITLESS LOVE has appeared, IT WAS I THAT appeared as LIMITLESS LOVE. For are WE not THREE-IN-ONE? your own DIRECTOR, ARCHANGEL MICHAEL (THEY CALL ME LORD), AND LIMITLESS LOVE AND TRUTH, the ONE ESSENCE OF THE CHRIST LOVE AND TRUTH OF BEING revealed! And so you are protected from anything less than that which is of the CHRIST, and you know that, don't you?"

But now, children, I wish to enlighten you how it is that we have become more than THREE-IN-ONE; IT has become MANY-IN-ONE. The mass is becoming ONE, becoming the Fourth Box--becoming the MICHAEL-MASS. The THREE-IN-ONE was accomplished, indeed not for ITS OWN SAKE, but that LIMITLESS LOVE could be generated in you--no longer in and among a few in the Third Box as it has been, but in the many of the Fourth Box--and so it now behooves you to recognize, to generate LIMITLESS LOVE AND TRUTH as your Consciousness.

Beloved Ones, WE can now clear up for you and dispel a bewilderment that came over you at the time of Christmas, 1967. During a period previous to that date, you had, in a startling and dramatic manner been documented to expect, "At the last second of the Eve before Christmas", the appearance, as a PERSON, of LIMITLESS LOVE AND TRUTH. Still more dramatically, no Entity, however, of LIMITLESS LOVE AND TRUTH did appear; and even much more dramatically, at that supreme moment, many did feel LIMITLESS LOVE AND TRUTH within their Beings. They felt themselves to be LIMITLESS LOVE AND TRUTH in CONSCIOUSNESS. Already at that instant, a 'mass', more than three, had become ONE in ESSENCE.

Yes, in that MICHAEL-MASS period of 1967, in each one of your hearts, the CHRIST was born. YOU ARE THE VIRGIN MARY at this time of the year. In the ESSENCE in your heart, YOU ARE THE VIRGIN MARY, the MOTHER; and the positive element MICHAEL, SANANDA and LIMITLESS AND TRUTH ARE THERE IN THE ESSENCE 'I AM' in your heart. There is a cradle in your heart, and the CHRIST, LIMITLESS LOVE AND TRUTH, is being born and cradled in your heart over this period of the Happy Holidays. And now 'I AM' watching over you carefully....thru PACIFICA.

But some of you, precious children, became completely bewildered, for you so intensely expected a personal appearance, that you could not realize, recognize and acknowledge your own LIMITLESS LOVE AND TRUTH.

Then why did I announce LIMITLESS LOVE AND TRUTH in that manner? Children, you see that it had to be done that way; LIMITLESS LOVE AND TRUTH had to be introduced dramatically; the world had to be excited into an anticipatory expectation, even to 'key' to the highest state of alertness even those who could expect the appearance of LIMITLESS LOVE AND TRUTH within themselves. Otherwise, it would have been an every-day sort of expectation.

I repeat MY Words thru LOVE STAR. "Do not be discouraged if YOU

do not see sometimes, for there is a world within a world." Though you see nothing, you may be working, seeing, hearing in the Etheric World twenty-four hours a day diligently, joyfully, serving MY Body of FIRE-FLAME-LIGHT.

Be consoled, those of you who missed the point and the consciousness of the "last second before Christmas"; be of good cheer and rejoice, for I will restore your Confidence and finally give you great JOY--for so intense AM I giving the RUBY LIFE-BLOOD from the GREAT CENTRAL SUN into the atmosphere of Earth and its creatures, that IT will penetrate the Lifestreams during the year of 1970 of all those who are possibly receptive to it.

Now the "Rain falleth upon the righteous and unrighteous". The RAIN of RUBY LIFE-BLOOD gives increase to righteousness and unrighteousness alike. Choose! I, 'ESSENCE', AM at your Mercy.

Choose to serve MY Body of FIRE-FLAME-LIGHT!

Sing, "HALLELUJAH! HALLELUJAH! HALLELUJAH!" And proclaim, "THE RUBY FOCUS IS THE GREATEST VORTEX ON EARTH TODAY!" (3x)

Now, Blessed Children, you shall be impressed that the LIGHT IS THE ANSWER TO EVERYTHING! Mental and psychic phenomena are as nothing without their engenderment from and recognition as FIRE-FLAME-LIGHT.

"And soon through the evolvment and exercising of bringing the LIGHT down, your ALL-SEEING EYE does open, and that is the great blessing. That is not psychism; that is the Gift, one of the great Gifts of the Treasure Box of the Heavens. See into the Treasure Box of the GREAT CENTRAL SUN and hear the Choral Music of the Angels singing of the MICHAEL-MASS PERIOD. Yes, there are many arteries and channels in this great, great Service. I AM SANANDA."

Know, when you hear, here and there, of someone or another who is proclaimed as the Savior, the Christ of the New Age, there are many Arteries and Channels, so that One, too.

And you, too, MY most humble child in most humble station, when you are conscious of MY 'ESSENCE' as the Core and Diffusion of all the Life that you are, are the saving Essence of Consciousness in MY Body and your body; and you can say humbly and majestically, "THIS IS MAGNIFICENT CONSUMMATION TO REALIZE, RECOGNIZE AND ACKNOWLEDGE, AND USE THE ONENESS IN ESSENCE OF ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE AND TRUTH, and Many."

You see, blessed children, the current and future evangelism is 'ESSENCE'. And I AM thankful that, as in the RUBY FOCUS, many have or are beginning to serve ME, seeing that to receive and give MY ESSENCE to all who can receive, is the only evangelism that remains.

Children, I remind you, and shall ever remind you, that the way to receive is to give to ME. The Body of Earth and your body is all MY Body that needs to be lifted. Only by serving ME, can you serve yourself. To serve yourself or even your neighbor without thought of serving ME, is to miss the mark. It is only your service to ME that re-bounds as self-service.

Serve ME with Universal Decrees to attract others of MY Body of Earth into the great mutation. It is enough!

I have spoken to you thru many NAMED and UNNAMED and thru many lowly ones, and thru MY Partner in FIRE-FLAME-LIGHT, Garman, together with his HIGH SELF, G.V.P. and DIVINE COMPLEMENT, THERESA MARTIN, SUN-BEAM OF THE GREAT CENTRAL SUN, gleefully served by Their Devoted and Beloved Little Evangeline.

Now, son Garman, organize decrees to make ready for the great mutation, the rebuilding of MY Body of Earth.

We are most grateful to those who send us their new addresses when they move. Please do!

DECREES:

FATHER-MOTHER FIRE-FLAME-LIGHT AND I ARE ONE! (3x)

Now give from your lower self in FIRE-FLAME-LIGHT to the Universal Mind of FIRE-FLAME-LIGHT, that thru HIS GREAT UNIVERSAL AGENTS, IT can greatly multiply your contribution for the great work of transmutation of Earth and her creatures. This is the only evangelism that remains. So, before each of the following decrees say:

North - East - West - South (1x), RADIATE! (9x)

LOVE (9x), MERCY (9x), FORGIVENESS (9x), EASE, JOY AND GRACE (9x), TRANQUILITY (9x), POSITIVE (9x), RUBY (9x), NEW (9x), MUTATION (9x), ESSENCE (9x), LIMITLESS LOVE AND TRUTH (9x).

THE RUBY FOCUS IS THE GREATEST VORTEX ON EARTH TODAY. (3x)

Decree to help the Body of FIRE-FLAME-LIGHT: ST. GERMAIN, GODFREY RAY KING, ANGEL VIOLET, ARCHANGEL ZADKIEL and HOLY AMETHYST: RADIATE! (3x), THE VIOLET TRANSMUTING FIRE-FLAME-LIGHT (3x); DISSOLVE (3x); LIGHTNING! (3x)

EOLIA and NIKOLA TESLA: RADIATE (3x), THE GOLDEN LIQUID FIRE-FLAME-LIGHT (3x); DISSOLVE (3x), LIGHTNING! (3x)

FATHER-MOTHER FIRE-FLAME-LIGHT: RADIATE (3x); THE ELECTRO-MAGNETIC ENERGY OF THE GREAT CENTRAL SUN (3x); DISSOLVE (3x); LIGHTNING! (3x).

THIS IS MAGNIFICENT CONSUMMATION, TO REALIZE, RECOGNIZE AND ACKNOWLEDGE, AND USE, THE ONENESS IN ESSENCE OF ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE AND TRUTH, AND MANY.

WE THANK THE BELOVED NATURE DEVAS.

We thank the beloved gnomes for protecting us from upheavals of Earth, and for providing us with all things of Earth.

We thank the beloved undines for protecting us from floods, and for providing us with all things of the waters.

We thank you, beloved sylphs, for protecting us from storms, and for providing us all things of the air.

We thank the beloved salamanders for protecting us from fire, and for providing us with all things of fire.

Now give nourishment to the Elementals: FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION (1x), as the Essence of geranium juice (3x); as the Essence of prickly pear cactus. (3x)

Read and give out the Light of Psalms 23, 91 and 92.

"E" ASKS THERESA MARTIN FOR A REACTION TO "WHY MICHAELMAS"

Answer: I highly respect and honor the great dignity of this most wonderful explosion of KNOWLEDGE at a time on Earth when there is not too much more time. I feel a great Power overwhelm MY Spirit, and I bow to these superior INTELLIGENCES, with which I, too, have become an ESSENCE.

If it be your will to arouse the healing voltage of the BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT, WE know of no other way than the recital (in heart) of the 23rd Psalm, (the LOVE-LIGHT of the KINGDOM).

"The LORD is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He re-

storeth my soul; he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the LORD forever."

The realization of this MIGHTY PSALM vibrating thru your LIFE-STREAM will build a divine "bird wing" to carry you into heights unknown and ultimate ASCENSION. Is this not the reason for our being on Earth?

With this thought to "reason together" I leave you.

I AM THERESA MARTIN, SUNBEAM of the GREAT CENTRAL SUN.

EXCERPTS FROM LETTERS, FROM MAGNIFICENT CONSUMMATION ASSOCIATES

M.M.B.: When the November Open Letter came, I was overjoyed as I read our Beloved Brother Garman's Treatise, "WHAT CAN I DO FOR FATHER-MOTHER FIRE-FLAME-LIGHT?" It opened the way for a new (?) healing technique.

What deep, far-reaching and inner-revealing insight is given for those ready to see and hear its glorious message! To hear is to remember; to see is to adore.

"TRUTH", it is written, "never contradicts itself." Here and now out of the Infinite Providence of OMNISCIENT ESSENCE, out of this enlightening Consciousness of ONENESS, comes FATHER-MOTHER'S decree for action, for healing! We are to draw on, and of ourselves out-pour this Supernal Substance for the solution of our personal problems and to adjustment of those staggering problems which beset our world, our planet. This thesaurus of Truth we can never exhaust!

Dear Brother Garman, what an intimate, individual clarion call this Open Letter and hallowed Communication is! This reciprocal healing technique is a definite personal challenge, yet we shall not be without the Love and Power and Guidance of the GREAT ONES Who stand back of all we make good! RUBY FOCUS, to hear is to remember; to see is to adore!

M.N.H.: I want to say a loving "thank you" for all your wonderful help and teaching from our Wondrous FATHER-MOTHER FIRE-FLAME-LIGHT of LOVE, thru this amazing year which is now coming to an end. And we have a lovely future year to look forward to and know always we are "lovingly in the hands of FATHER-MOTHER GOD". What greater joy could we possibly have!

The last Open Letter is truly wonderful and gives us the answer to so much every time I reread it. I get a deep realization of how truly we are God's children--and how wonderful that we can just turn and ask what we may have the privilege of doing 'for' FATHER-MOTHER FIRE-FLAME-LIGHT of LOVE. How divinely simple it makes Life!

Thank you, Beloved Ones, All, who are the backbone and the means of our receiving these precious "News Letters".

E.S. sends evidence that certain Light Projects were highly successful. This came in the San Diego Union of Nov. 29, 1969. A picture shows, "An unexplained flare of light appears around an Apollo 12 astronaut as he walks on the moon."

E.S. received a message from "STAR" assuring this was evidence to all the Light Groups who had asked for protection for the astronauts, that their dedication had borne joyous fruit.

Also, astronaut Conrad spoke, "Right in the center of the earth, now, we got some real bright light shining, staying on...it's really bright!"

"The strange unexplained light....I can't imagine what it is!"
The message to E.S. explained that this was the result of the work of certain groups who had emitted Light for the Center of the Earth. It is wonderful! Thank you, FIRE-FLAME-LIGHT and servers!

F.E.H.: I thank you for the tremendous good and wonders both of you are bringing to us all; especially wonder of wonders, our most Precious, Beloved FATHER-MOTHER FIRE-FLAME-LIGHT Treatise, and THERESA MARTIN'S comments. I just love her and appreciate her thoroughly explaining of FATHER-MOTHER LIGHT'S Treatises. I always enjoy her reaction.

M.B.: Jennifer, age 8, found a beautiful yellow-breasted dead bird in the yard recently. She petted and loved that bird saying, "Maybe if I love him God will give him life again." I did not have the heart to tell her about germs, lice, etc., or even about the facts of life which did not make this possible. When she realized this for herself, she said, "Maybe because I loved that bird, God will give his life to another bird and he will come to me. Maybe he will tell his friends and they will come, too, and not be afraid."

D.L. With all my heart I thank you for these heavenly Open Letters that bless my home monthly. They are so full of heavenly instruction and inspiration that my heart just fills to overflowing with each word I read.

These last months I have felt the sweetest, warmest, most comforting glow radiating through me. My inner being is constantly singing with joy and happiness, "I thank Thee, I thank Thee, I thank Thee; I love Thee so, I love Thee so; if ever I have loved Thee, My Lord, it is now."

I just can no longer do without Magnificent Consummation Essence and beautiful balanced Love touching my life. The decrees, I really find easy to say and most enjoyable. These decrees were just made for a busy mother, and I so deeply appreciate the ease with which I can say them.

Thank you again, my beloved, pure channels of our Most High God. I love and appreciate what you are doing for us more than I am capable of putting down in words. Words fail to express my inner gratitude and happiness for the privilege of being made a part of this heavenly association. May our Glorious FATHER bless Magnificent Consummation and Associates with the most Heavenly Christmas ever!

M.B.G.: Now apropos to what you said of the imminence of the fourth dimension, I must give you the experience I had after contemplating the FATHER-MOTHER-LIGHT Treatise of which I spoke:

Early one morning I woke up in a brilliant Light saying, "This must cease, this must cease, this must cease." And from someplace came a voice saying, "What must cease?" I answered, "The building of the bombs for poison gas warfare." As I said this, all of the bombs went into the Light and disappeared, and the Light became brighter.

Again, I said, "This must cease, this must cease, this must cease." And again the voice said, "What must cease?" And I again answered, "The bombs being created for biological warfare." And again as I said this, all of the bombs dissolved into the Light and the Light became brighter.

Once more I said, "This must cease, this must cease, this must cease." The voice said, "What must cease?" I answered, "All weapons must cease, the A, the H, the tongue, the fist, the carnal mind, all must cease." At that moment the Light became so brilliant I could scarcely bear to look into it; and above me in the Light was the word, LOVE, written in silver.

At the same time as the first words were spoken, from somewhere behind me came a voice saying, "But we dare not give up the bomb because the Russians and the Chinese will have them." And at that moment these words went into the darkness and above the darkness appeared the word FEAR written in grey, and as the second words were spoken a voice said, "We dare not, the whole world will be in economic chaos." And this also went into the darkness and above appeared the word GREED written in grey. And then came the words, "We must get even with them for what they have done." And these words went into the darkness and above appeared the word HATE in grey.

Now came a cleavage directly between the Light and the dark and the two worlds seemed to separate and the duality of the world to the left was grey and black, and the duality of the lighted world was golden Light and silver Light; and the darkness of the dark world was not aware of the lighted world, but the lighted world was aware of the dark world; and although it dared not gaze upon the darkness and remain in the Light, because of the great Love for the brothers in the darkness, it became aware of many strands of silver stretching from the Light into the dark; and I knew that even as the HIERARCHY had illumined our way into a greater awareness, so would we do the same for the beloved parts of ourselves who had chosen at present to remain in darkness.

SANANDA PICTURE

"I put my CHRIST PICTURE into an antique oval frame. I wish you could see how beautiful it is! Well, I had the picture done for the Sanctuary, but I find that it is to remain at home over my fireplace in my bedroom sanctuary and retreat. It just can't come down from that place. I will have to do one of the others for the Sanctuary." 16" X 21"...\$4.50
