DEDICATED TO THE "THREE-IN-ONE ESSENCE"

SANANDA speaks for the dedication of the July Open Letter, which is in honor of the "THREE-IN-ONE ESSENCE"--"ARCHANGEL MICHAEL" (THEY CALL ME LORD), "JESUS-SANANDA", AND "LIMITLESS LOVE AND TRUTH".

SANANDA: It is with great Joy that I talk thru your consciousness, Channel "E" and Channel G.V.P., while you drive thru the beautiful highway of Arizona to Northern California in your fiery ruby chariot. You are as close to the Heavenly Fourth, Fifth, Sixth and Seventh Dimensions as you can get and yet keep upon Earth and your feet on terra firma, your eyes pinned to the road and on A.A.A. directions. (Did you ever stop to thank with gratitude the A.A.A. for their skillfully geographed directions? Well, do so now.)

WE ARE not saying that there are not many, many wave lengths radiating LIGHT upon your Earth. WE ARE saying that WE, THE "THREE-IN-ONE ESSENCE" is (are) the WAVE LENGTH RADIATION peculiar to MAGNIFICENT CONSUMMATION. Those beloved wise ones who will enter thru the MAGNIFICENT CONSUMMATION gate of consciousness will touch the highest octave of frequency in harmonious relationship to DWAL KUEHL'S teachings thru glorious Alice Bailey of the Arcane School (in high E.S.P. telepathy).

In His rendition of "THE REAPPEARANCE OF THE CHRIST", page 134, HE touches upon the new philosophical religion to come in the future. HE channeled this message currently: "I knew nothing of MAGNIFICENT CONSUMMATION. It had not been yet born. But I saw consummation and I knew it would be a magnificent thing; and so this new way of life has become into being and I can now believe that this is truly what I had seen." DWAL KUEHL.

IT IS TRULY WONDERFUL!---PEACE!

You are in relation with a Great Master Who quelled the angry uprising of the Harlem set. HE is on an equal basis with ST. GERMAIN (EOLIA). Both have the power of Precipitation. HE assists in the FREEDOM FLAME along with others of His Earth race, in the department of His people. His complexion is now of a golden hue, sometimes white alabaster. WE speak of FATHER DIVINE.

WE ARE grateful to our man Friday, Garman Van Polen, for his fortitude, faithfulness, for his dedication to MAGNIFICENT CONSUMMATION, of which I AM Administrator. The HIERARCHY of the RUBY FOCUS has blessed and rewarded him with the KEY to the TREASURE HOUSE OF HEAVEN. I salute you, G.V.P., Chohan of the Sixth Ray, the RUBY FOCUS.

WE have the newly acquired VIOLET FOCUS of MAGNIFICENT CONSUMMATION, L. Dean and Lona Patterson of Hidden Falls, Oakhurst, California.

and MASTER KUPHUMI and DWAL KUHL are the sponsors of this Nucleus, and LORD ZADKIEL AND HOLY AMETHYST supply the VIOLET. WE ARE spreading out, MAGNIFICENT CONSUMMATION. How wonderful!

It is not necessary to mention the humble PRINCE OF ATLANTIS, who is the friend of the Boy Scouts. He has his pulse on the problems of all young people. He is also the one responsible for the printing of the thousands of OPEN LETTERS (Jewelry of Consciousness) which have gone out world-wide and are yet going out until there is no place more to go.

Your Earth is to be sky-rocketed into high, higher, highest dimensions. To each his own! You are dedicated, tireless, never-aging souls. WE protect and prosper ALWAYS both the RUBY FOCUS and the VIOLET FOCUS of MAGNIFICENT CONSUMMATION.

WE must mention Sister Leta, who has a mysterious FLAME of LIGHT spiraling thru her aura; yet, she is a materialist, so needed. This mysterious FLAME of LIGHT, I planted there. IT will become her Jacob's Ladder, when one day her services are over for the RUBY FOCUS and she will come to ME again and serve somewhere else, etc. Cosmic Service will be unending in INFINITE SPHERES.

Channel "E" is a law unto HERSELF, fully evolved, yet allowed to live to perform this assignment in joyous harness with the Sixth Ray of the RUBY FOCUS.

You have a sweet, lovely lady who is your Hostess. She is more evolved than she realizes. This will flower within her lifestream as the Lotus Blossom in the placid pond. She will see her true SELF in the reflection of the LOTUS (Pineal). WE speak of Beloved Mamie.

Is it necessary for ME to again reiterate the beautiful story of ARCHANGEL MICHAEL? That HE breathed His Electronic Breath into My Lifestream when I was a babe in swaddling clothes? I will let HIM tell the story HIMSELF, as HE alone, knows the esoteric facts.

Beloved ones, WE (THREE-IN-ONE ESSENCE) are deeply touched that you wish to honor US in your July Open Letter. WE feel you should be honoring also the "Home Chapel Wisdom Pool" of Grass Valley. Again a triangle: Angela Kilsby, Colonel Arthur J. Burks and Beloved Samuel Partridge's Cosmic Project. WE will bless this undertaking by having one installed at the RUBY FOCUS.

In closing, WE salute the Spacecraft of LORDS GAUTAMA and DIVINO, high in the Universal Heavens, moving across the sky, indeed recorded in REVELATIONS. THEY are there to bless and prosper all people.

Thank you, thank you, thank you. I AM JESUS-SANANDA, ONE-THIRD of the "THREE-IN-ONE ESSENCE".

"I AM (WE ARE)" MICHAEL: There are many MICHAELS on Earth and many are holy beings, but I AM the ARCHANGEL MICHAEL who watched for the birth of BABY JESUS and breathed Electronic-Magnetic Energies into His LIFESTREAM. This was to impregnate the pattern of His Life's BLUEPRINT to be able to heal and bring forth MIRACLES.

HE also was impregnated with the VENUS LOVE BEAM. His Consciousness or HIGH SELF was much, much greater than His human form. (This is true of all). A proof of the continuity of His LIVING MIND might be summed up thusly:

After 2,000 years His WORDS still energize and penetrate into the SOULS of Earth. This is the result of that BREATH which HE receive at birth. As the second-third of this "THREE-IN-ONE ESSENCE" TRIANGLE, I offer MYSELF to humanity on all planets to heal, to prosper and to harmonize.

It is not unusual for ME to carry anyone who loves ME enough to ask and accept, to the Laboratory of the GREAT CENTRAL SUN and heal them in the scientific atmosphere of PURE AIR. This is much higher in

frequency than the psychic healers who are making history on your Earth. Our modus operandi is of the ABSOLUTE DIVINE. They, however, are to be praised.

You notice that WE have omitted certain "taboo words" which are frowned upon--words which sound like "hospital", "operations", etc., so you must read between the lines.

CALL on US! WE will combine our strength to help you physically, organically, functionally and spiritually. Whatever your problem, it is dissolved in the POWER OF OUR LIGHT. BLESSINGS! I AM MICHAEL.

"E" asks: May we hear from LIMITLESS LOVE AND TRUTH, the third-third of the "THREE-IN-ONE ESSENCE"?

LIMITLESS LOVE AND TRUTH speaks: I AM a Representative Emissary of FATHER-MOTHER FIRE-FLAME-LIGHT. My SERVICE is to expand that part of your heart that LOVE may pour thru. This will open the way for My Contemporaries, SANANDA and MICHAEL, to radiate Their SERVICE to you. THEY, too, are Emissaries of the ALPHA AND OMEGA of the GREAT CENTRAL SUN, FATHER-MOTHER FIRE-FLAME-LIGHT.

My Earth Vortex is the "KEEPERS OF THE FLAME" in Grand Rapids, Michigan. Beautiful Nellie Cain and husband Ed are the custodians for ME. Of course, the Earth home of My BELOVED, LIEBE PUGH, is in England, St. Annes-by-the-Sea, Lancashire, England, where Katherine Fleming and dear little Mollie Thompson hold forth.

I also see that I have a place in your hearts, dear ones of the RUBY FOCUS. You are greatly beloved by all for your good news flashes which you reveal as up-to-the-minute knowledge in your breath-taking Open Letters.

I must not forget to thank Richard Graves, Merta Mary Parkinson and the Findhorn Group. It would be most ungracious not to mention their fidelity to dear LIEBE and My HUMBLE SELF.

Loving you and yours, I have great respect for MAGNIFICENT CONSUMMATION'S "RUBY FOCUS", Twenty-second Retreat in the Cosmic pattern of the Universe.

There are only three little words you need to FEEL to attract US. They are LOVE, LIGHT, TRUTH. TRUTH is ever expanding. We know so little yet. I AM LIMITLESS LOVE.

NIKOLA TESLA, thru Evangeline

"E": Do I sense a consciousness of BELOVED NIKOLA TESLA?

NIKOLA TESLA: Yes, I AM indeed here. I have wanted to discuss with you, My dearly Beloved Channel "E", regarding the decree, "EXPECT A MIRACLE" and the song "MIRACLES ARE HAPPENING", from Ruth O. Holliday. (The song is inserted on the following page.)

"E": I am ready to listen to your wise words, BELOVED NIKOLA TESLA, the "DOVE".

NIKOLA TESLA: I AM thinking of the pure mind of a human "LIGHTNING ROD" or "RODS" on your Earth--thousands and thousands of them. Some of them become prominently known; others grace the humble mould of "the healing of the world is in the nameless saints". Now, a LIGHTNING ROD attracts like a magnet the Electro-Magnetic Energies of the GREAT CENTRAL SUN. This Energy comes down as a bolt of electricity from the HEART of GOD, WHOM you refer to as "FATHER-MOTHER FIRE-FLAME-LIGHT". This is what MAGNIFICENT CONSUMMATION calls IT. This is the healing Energy which causes the miracles.

"E": I am wondering if Katherine Kulman is a LIGHTNING ROD for

## "Miracles are Happening"

Eye hath not seen, and ear hath not heard,  
The good that God has for me.  
My mind is now open, my heart is receptive,  
And miracles are happening to me.

Oh, miracles are happening, Yes, miracles  
are happening,  
Yes, miracles are happening to me.  
My mind is now open, my heart is receptive,  
And miracles are happening to me.

this Electro-Magnetic Energy from the GREAT CENTRAL SUN?

NIKOLA TESLA: Yes. You need not wonder any more; I see you are reading her book, "GOD CAN DO IT AGAIN". You are weeping at the magnificence of the narrated healings. Yes, this Child of GOD is a pure, dedicated, revivifying battery or LIGHTNING ROD, and these healings quite often mystify her because she does not strain to mentally produce them.

Our own BLESSED JESUS OF NAZARETH was a startling example of FATHER'S loving Electro-Magnetic healings; and HE said, "Greater works than I do will be done", and it has proven so. As the GREAT CENTRAL SUN expanded ITS dimensions, more and more LIGHT has been poured down, and results are so many MIRACLES every day are every-day occurrences, not only healing of body and mind of mortal but miraculous happenings in every-day life experiences of prosperity and harmonious adjustments.

"E" asks: Why are not all healed?

TESLA: Perhaps, dear Channel, there are yet severe lessons to be learned; one must cleanse the brushwood from the mental corridors of the subconscious mind, thru fasting and prayer, before submitting to the LIGHTNING ROD. Perhaps some of these people attend these sacred meetings thru curiosity or challenge to deride the LIGHTNING ROD. Perhaps some people are healed but cannot accept the truth that they were healed. Suddenly it will dawn upon them.

REALIZE that the Piscean JESUS OF NAZARETH has now become the

Electronic SANANDA of the Aquarian Age. Herein is the difference in Name and frequency.

It might seem that those dear ones who are chronically conformists will not believe you or others. They must fall into dire circumstances in their personal life, and become awakened thru the "touch of the CHRIST" within. Then only will they be convinced. You cannot tell people anything. REJOICE that you know these joys of Cosmic Knowledge yourselves.

This also applies to the acceptance of spiritual communication. I say, I can channel thru many wonderful minds who do not hold my faith. I AM grateful to be allowed EXPRESSION. This applies to all Ascended Masters and the elite of Heavenly Lore.

Shun those warped souls (minds) who lock the door to the Infinite rapport. One day they, too, will awaken to the comforting TRUTH of Cosmic Intervention.

## LESSONS IN PRECIPITATION

### LESSON III

(Continued from June issue)

ORION AND ANGELICA: You are now on your Third Ray of ORION AND ANGELICA. I AM your BROTHER ORION, and I feel very close to the RUBY FOCUS. If you will analyze, you will discover that the Third Ray is PINK, indicative of Love, Cohesion and Adoration; and WE ARE very close to your BELOVED TRANQUILITY AND PACIFICA of the RUBY FOCUS, which also is Love, Cohesion and Adoration; also Peace and Ministration.

Without the Cohesive LOVE you would not enjoy an Earth. You know that. You also know that there have been different periods on your Earth when Love was so absent that the Earth of those periods disappeared. When there is an absence of Love, there is no Cohesive Power, a sort of jelling together. The RUBY FOCUS has that same ability of jelling together, but is more expanded, like a cup shape or chalice, bringing in the radiations of all the Rays. And so here I AM teaching you the Laws of Precipitation, for without LOVE, without ADORATION of the FATHER-MOTHER FIRE-FLAME-LIGHT; without the Gratitude to your fellowman, especially to the UNIVERSE, there can be no Divine LOVE and Cohesion; so therefore I tell you that your third step in the process of Precipitation is I, ORION.

This has been short but sweet. I leave you with the great BLESSING of DIVINE LOVE and ADORATION, the Third Ray of Precipitation. WE wish your hearts to swell with Joy and Love for every living thing; animals, insects, birds, beauty in furniture, beauty for everything, even clothing, especially clothing. As a matter of fact, there should be seven dresses in your clothes closet, and I shall narrate them: HERCULES, Blue; CASSIOPEIA, Sunshine Yellow; ORION, Pink; PURITY, Ascension Flame White; VISTA, Nile Green; ARCTURUS, Violet; and finally TRANQUILITY'S Ruby Red.

Then when the Two New Light Rays begin to sparkle, there will be Irridescent Ruby and Irridescent Mother-of-Pearl. And do not be mistaken for Liberace, whom WE love so dearly in this Third Ray. Men's shirts will soon come into vogue with these colors, in fact they have already.

BLESSINGS of LOVE to all who study this precious Course of Lessons on the subject of the SEVEN STEPS TO PRECIPITATION.

### LESSON IV

PURITY AND ASTREA: WE ARE the White Ray, PURITY AND ASTREA, THE GODDESS OF PURITY. WE represent one-pointedness of Concentration, Con-

secration, Translation and final Ascension.

WE feel that WE ARE very important because within our Ray WE have your beautiful SERAPIS BEY and His Celeste; and how WE love THEM and serve THEM.

Inasmuch as this is your Fourth Lesson in the subject of Precipitation, this is the White Ray, and I AM the GODDESS OF PURITY. The Channel has often seen ME manifest high in the sky as an IMMACULATE CONCEPT. At the present moment WE ARE guiding and protecting the Purity of Consciousness concerning BELOVED LORD GAUTAMA, during His residence in your lovely home. You see the STAR. IT really is an illuminated Spacecraft, an ANGELIC SHIP, wherein I beam the White Iridescent Light you see so clearly.

Call upon My Service if you wish to dissolve a habit such as smoking, liquor, or drugs, or a temper, or anything that you feel is foreign to your true CHRIST NATURE; and if you know of someone you love, you can call to ME to help them also, providing they wish to be healed.

Now, this is the White CHRIST Ray or CRYSTAL Ray, and you realize that the Chohan is your own SERAPIS BEY and your dear little Celeste who was a visitor a few nights ago. WE ARE very much interested in candidates for the ASCENSION FLAME and to lead them into the whirr of the motors of the fan of this ASCENSION FLAME when sufficiently awakened and dedicated.

There are many such beautiful people. MAGNIFICENT CONSUMMATION, YOU have inspired many on this Fourth Ray Path.

Many, many thruout America and the wide, wide world are being recorded by US for beautiful healing service, too many to mention, many sprinkled thruout the world, but thousands and thousands are needed. They, too, can be endowed with the Electro-Magnetic Energies of the GREAT CENTRAL SUN.

Good evening, beloved ones, I AM THE GODDESS OF PURITY.

#### LESSON V

ELOHIM VISTA AND CRYSTAL: This is the Fifth ELOHIM in your forehead. WE ARE VISTA, formerly CYCLOPEIA, and CRYSTAL. WE ARE the Green Ray. WE represent Concentration, Consecration, Knowledge, Health, and the opening of the All-Seeing Eye. Inasmuch as all precipitation issues forth thru the action and use of the All-Seeing Eye, concentration is most valuable--a most valuable talent to court--also consecration, because thru concentration you form the picture you want to manifest, but if you are not consecrated, you will lose your thought-form into the atmosphere and somebody in line in the realm will catch on and draw it in. Have you beloved ones not known of the beautiful thought-form LOVE STAR had accrued for the RUBY FOCUS? How would you feel, if you saw somebody else driving down the highway with your beautiful Ruby Red station wagon? But you do owe your consecrated concentration, and you do have our help. WE crystalize your constant train of Light and My BELOVED CRYSTAL pours into concrete form; you do not use your mental faculties; you meditate Light and speak the word and it activates. Your lighted word is your wand.

WE serve very closely with the Royal Tetons. Very soon, material things including finances will become so tight that humanity will have to precipitate, and that is when this knowledge will be of inestimable help to all. Health is a form of precipitation; prosperity and needs and luxuries are essentially a form of precipitation. Do WE not precipitate the green grass, the green trees; and even your mint has aped the color green for its money. WE bless you dear ones for your faithful fidelity and ardent concentration to the ELOHIM. Do not ever slip off

your ELOHIM band wagon or you will be again one of the struggling fishes of Earth, the piscean. You must teach these piscean fishes of Earth the Cosmic Law and tell them about the Nine Rays upon which they may draw--Seven of which reside in color radiations in your forehead, and the Two New Light Rays of the GREAT CENTRAL SUN which are your rod and your staff. They comfort you.

Before WE leave I might tell you the good news as it were, the GREAT CENTRAL SUN opened wide ITS circumference around CHRIST-MASS, and MYSELF and CRYSTAL were sent as Emissaries of Abundance, of Cheer, and of Love and Joy and material gifts. Humanity's heart opened wide to let the CHRIST shine thru in glorious rhapsody; but now this is an everyday atmosphere for those dear ones on Earth who meditate and attune to the GREAT CENTRAL SUN and the seeds of gratuity of the GREAT CENTRAL SUN so lovingly given by an indulgent FATHER-MOTHER LIGHT; and WE ARE the polarized Santa Claus who crystallizes your Light.

There was a man who was a Great Master in the Sun, who once wrote, "Genius is self-imposed; mediocrity is self-inflicted." This great soul was Walter Russell, and his disciple has now progressed beyond the knowledge of the sunset in our own G.V.P.

Beloved ones of the RUBY FOCUS, you are being given the gift of Divine Precipitation.

Lovingly and unswervingly, VISTA AND CRYSTAL, polarized ELOHIM of the Fifth Ray. Amen.

(Precipitation Lessons will be continued in next issue.)

#### A DEDICATION

On the 27th of June, Garman and Evangeline attended a gathering of people from various parts of the country, at Grass Valley, California. The occasion was to dedicate the "HOME CHAPEL OF THE WISDOM POOL", first of (now) about forty chapters, some in foreign countries. The RUBY FOCUS of MAGNIFICENT CONSUMMATION has the honor of being one of these.

The tri-founders of the WISDOM POOL are Col. Arthur J. Burks, Samuel Partridge and Angela Kilsby.

Sam acted as M.C. The Colonel explained the function of the Wisdom Pool. Mr. Meyers, the architect, spoke his enjoyment, and Angela her welcome. Then Sam introduced Garman and Evangeline, asking them to speak a few words.

Garman: Thank you Sam; thank you Colonel; thank you Angela. It is indeed a privilege and deep pleasure to be here and represent the RUBY FOCUS of MAGNIFICENT CONSUMMATION, and more especially to come here and accept our number as a Wisdom Pool. I think it is Number 35. I come also with apologies to this Wisdom Pool, because we cannot choose the blueprint of this octagonal structure, mostly open. We need one in which we can be sheltered from all kinds of weather, and in fact we will use it every day, and many people will come and use it every day in all kinds of weather; so we have there a conservatory which is not of much use to us, and it is very good to change over into a Wisdom Pool. The dimensions inside are 12' X 16' with rock walls about 2/5ths up, with glass above, and the roof is of translucent amber corrugated sheets whose supports are about 1' wide boards and are spaced about a foot apart so that golden light will come into that room thru a fiberglass ceiling. We will have ruby carpeting, pink curtains around the windows, and the room will be painted white. We will build up around that room a platform 5" or 6" high, and on that raised platform will be hassocks where people can sit. Then there will be an organ and recording instruments, and a little library, etc. We will have our evening Sanctuary meetings there, and meetings for other occasions.

What is it for? Well, it is a Wisdom Pool that comes in connection with the RUBY FOCUS. I say this apologetically, as it is not a close facsimile of the structure of the original Wisdom Pool, that is the one we are dedicating today here, the "Home Chapel Wisdom Pool". But I must say that the RUBY FOCUS is the FOCUS for the whole world of the RUBY LIGHT.

Pardon me if I go thru the Seven Rays--but now there are Nine Rays beaming down upon Earth. They are Blue, Sunshine Yellow, Pink, White, Green, Violet, Ruby, and the Two New Ones are the Irrescent Ruby and the Irrescent Mother-of-Pearl. Now the Sixth Ray is Ruby, but it does come after the Seventh; and we shall not take time to explain why it comes in after the Seventh Ray which had to come in as a make-shift in order to clean up the Earth before the Sixth Ray could go to work to blend everything together.

The RUBY Ray is a Ray of Cohesion. It is the Ray that is going to bring this world out of the chaos. So then this Pool is of what? It is the Pool, as the Colonel has indicated, of the ALMIGHTY ESSENCE, the ONE ESSENCE, from which we draw as the RUBY FOCUS to bring all the Rays together by means of the Power that we call FATHER-MOTHER FIRE-FLAME-LIGHT. That is what we call GOD, because GOD is ESSENCE, and ESSENCE is FIRE-FLAME-LIGHT, the POOL of FIRE-FLAME-LIGHT, which is distributed to us. That is the GOD WITHIN, the FIRE-FLAME-LIGHT.

But what is the real meaning of all this? We know that in FATHER-MOTHER FIRE-FLAME-LIGHT we live and move and have our Beings; and it is more than that--it is for FATHER-MOTHER FIRE-FLAME-LIGHT and within FATHER-MOTHER FIRE-FLAME-LIGHT that we live and move and have our Beings. So we of the Wisdom Pool of the RUBY FOCUS think always first of the Center of this Great Universal Pool; and we think of what IT is doing for ITSELF, not for us, but for ITSELF. And what is it doing for ITSELF? IT is expanding ITSELF, expanding ITSELF in and with and thru us as the Instrument of the Universal FATHER-MOTHER FIRE-FLAME-LIGHT. That is of all importance to our free will, which allows us to cooperate in that expansion or not to cooperate. And of course we have in this world so greatly chosen not to cooperate; but we are now entered into the Wisdom Pool and being reminded that we are to cooperate and are called to cooperate.

And what is the characteristic of the ESSENCE in this POOL? The one characteristic of IT is BALANCE. Therefore, it is called FATHER-MOTHER. And what is the characteristic of perfect BALANCE of FATHER-MOTHER? Isn't it LOVE? We always speak of LOVE. Because the FATHER-MOTHER ESSENCE is BALANCE, IT is LOVE; then LOVE is perfect BALANCE. It is of perfection. So we endeavor to bring ourselves into that Consciousness, that Absolute Cosmic Feeling of that BALANCE that is of the FATHER-MOTHER; and in that manner we are giving ourselves to the expansion of FATHER-MOTHER.

Now BALANCE means not only LOVE. You can say BALANCE means WISDOM, and BALANCE means POWER--LOVE, WISDOM and POWER. We are acquiring from the Pool--for ourselves? NO! We are acquiring this as our own Consciousness in order to feel that we are expanding it for expansion of the ONE--THE ONE-IN-THE-ONE.

We let--our doing is a letting. All our personal ills are taken care of--all! And all our needs are taken care of because we feel it is being done with all that LOVE, WISDOM and POWER from the CENTER of ALL. We feel that ESSENCE, that FIRE-FLAME-LIGHT pouring thru all--and being ONE with IT, we are aware of the LOVE, WISDOM and POWER THAT "WE ARE".

And so LOVE, WISDOM and POWER is our evangelism. It is the evangelism of today. Just last week we were listening to Billy Graham, his evangelism before 100,000 people in the stadium and many millions on the

television; and we thought of wielders of Light, sitting in our rooms with just a few. We can and do give our evangelism to FIRE-FLAME-LIGHT to so simply give our LIGHT likewise to millions of people all over the Earth.

And that evangelism, my beloved brothers and sisters, that evangelism is raising this Earth up into the Fourth Dimension from the limitations of the human to the celestial man. It is really being done. FATHER-MOTHER FIRE-FLAME-LIGHT is giving this to be done thru the Electro-Magnetic Energy of the GREAT CENTRAL SUN, the FIRE-FLAME-LIGHT pouring thru the GREAT CENTRAL SUN to our Earth. And, oh, what a glorious feeling it is to be a part of that! And that is what we of the RUBY FOCUS endeavor--by means of our FIRE-FLAME-LIGHT upon all of them, influencing people to do, to feel, that they are a part of it, an indispensable part of that evangelism of FIRE-FLAME-LIGHT over all the Earth. It is done! Thank you.

#### REACTION BY QUEEN OF LIGHT, TO GARMAN'S TREATISE

QUEEN OF LIGHT: It was a beautiful vacation.

Forever mechanized is the "Home Chapel Wisdom Pool". Radiations of Light have begun to spin and spiral; and an Angel keeps guard on the premises. It was a group of many wonderful people; and the Triangle Founders, Sam Partridge, Colonel Burks and dear little Angela Kilsby, were initiated at that meeting, June 27th, 1970.

Gayne Meyers is to be congratulated for his piece of art, as an Engineer-Architect. WE were pleased with the Sunshine of his aura.

#### FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman "COSMIC CHALICE"

"S" says: BELOVED SANANDA wishes Brother Garman to tell about the RUBY FOCUS.

Garman: I appreciate BELOVED SANANDA'S asking me to talk about the RUBY FOCUS. That is a big, long story, so I will need to tailor it down to size for this particular occasion. I think we will make BELOVED SANANDA the more particular field of this expression on the RUBY FOCUS.

The RUBY has just come into action, having been dormant for many thousands of years. Then why, at this particular time? The other colors have had sway for these past thousands of years; and now the RUBY comes in to bring together the various results of the various Rays. The VIOLET Ray played its part as the so-called Seventh Ray, but it is taking the place of the Sixth Ray; it came in before the RUBY, which is the Sixth Ray, but is now in the seventh place. Now the RUBY is ready to go to work to bring all these results together and to glue them together so they stick together. That is ITS function.

Now, what is resulting from His sticking together? This is resulting: That SANANDA, the Director of the RUBY FOCUS, under the auspices of the GREAT CENTRAL SUN and under the auspices of the ELOHIM and the ARCHANGELS of the RUBY FOCUS, and with the help of the CHOHANS of the RUBY FOCUS, and in association with the SPONSORS of the other Rays, is putting these results together to the end that we have a new religion.

It is SANANDA HIMSELF, as the Director of the RUBY FOCUS of MAGNIFICENT CONSUMMATION, who is directing this new religion into sway. As JESUS, then the CHOCHAN of the Sixth Ray, with the color Gold then functioning as the Sixth Ray, HE brought in and nursed the Christian religion. As SANANDA, and now a World Teacher together with KUTHUMI, and as the Director of the RUBY FOCUS of MAGNIFICENT CONSUMMATION, HE is

now bringing in the new religion. HE is directing the cohesion of constructive results to an extent now, and ultimately entirely HE is displacing the orthodoxy and the metaphysics and the occult work, and bringing it all into one Chalice that holds the Cosmic Consciousness. All Consciousnesses insofar as belongs, are coming into this one Cosmic Chalice. Now this is something that is inevitable; this is not wish-thinking; it is not wish-evangelism. For the GREAT CENTRAL SUN with ITS Electro-Magnetic Energy is practically forcing this upon the Earth and her people, for such is the Evolved Energy of the GREAT CENTRAL SUN, universally. It speeds up, it intensifies everything. It enhances all good; and even IT permits and compels all destructive life to become more intensively destructive.

This Electro-Magnetic Energy of the GREAT CENTRAL SUN is so intense, so pure (by pure, meaning so one-pointed), and so powerful that IT, with the asking of some comparatively few, though they be millions of persons on the face of this Earth, is taking those people who are asking, and will be asking in the immediate future, into this Chalice of Cosmic Consciousness; and at the same time IT is taking those whose thoughts and feelings are for selfish ends and egoic ends, intensifying all of these to the point of their own destruction if they do not desist.

It is a two-way road, as LIFE and LIGHT always is, but with such quality and intensity at this time that it is coming to this two-way conclusion, definitely, of raising mankind on the one hand into the heights of Consciousness, or on the other hand putting him down with lessons herein to learn, into a condition of grief wherein, whereout, he will wish to rise.

So we of the Earth RUBY FOCUS under surveillance and with the help of the COSMIC STAFF of the RUBY FOCUS, are dedicated to bring in this new religion fostered by SANANDA HIMSELF. HE graduated from His condition as JESUS, to Whom is attributed the orthodox religions; and HE could and did wherever possible in all ways and degrees possible, make prelude towards the new religion of the Electro-Magnetic Energy of the GREAT CENTRAL SUN. And HE is still sponsoring orthodoxy in the vibration of JESUS, so HE is carrying them all, all, up the ladder, up the ladder to finally wherein they enter the beautiful Chalice, the RUBY FOCUS Chalice, which contains all the colors of Consciousness, brought together.

So there is now for those who know, nothing left but the evangelism of ESSENCE, the ESSENCE of Electro-Magnetic Energy of the GREAT CENTRAL SUN. It is simple, how easy, how everyone is blessed by evolution to this end--to simply call for the Electro-Magnetic Energy of the GREAT CENTRAL SUN for all the expressions of mind, feeling, body or affairs, each and every one--it is all centered there. And the RUBY FOCUS now functions to lead, to prosper, all who can go to that all-inclusive and all-conclusive Consciousness at this time.

We are all so grateful to FATHER-MOTHER FIRE-FLAME-LIGHT getting this for us now, and to all the AGENCIES that have been mentioned and are engaged in bringing in this Fourth Dimension, the Aquarian New Age.

We are particularly grateful to those AGENCIES of the GREAT CENTRAL SUN that are enabling BELOVED SANANDA to bring into effect His New Religion.....specifically, THEY ARE ALPHA AND OMEGA of the GREAT CENTRAL SUN; the Two New Light Rays, the Irrescent RUBY and the Irrescent MOTHER-OF-PEARL, ("RUBY" and "CHRISTOS"), and engineered by EOLIA-EOLIEE and COSMOS, and their GOLDEN LIQUID SNOW of the GREAT CENTRAL SUN.

All cause that flowing of Gratitude and Joy. There is no chaos, now! that shuts out from the heart of the Merry One this utmost feeling of JOY about what is coming out of this seeming confusion. It is done!

## QUEEN OF LIGHT'S REACTION TO TREATISE

It was with a joyous heart that I heard Garman on Sunday morning speak regarding the RUBY FOCUS and what it is. There were several people there who had asked this question, and now I know they will be elucidated as to the Powerhouse of the RUBY FOCUS in Sedona, Arizona--and many all over the world are feeling ITS radiation.

The RUBY FOCUS represents the great shifting into the Aquarian Age of the New Sixth Ray red blood of the Electro-Magnetic Energies of the GREAT CENTRAL SUN. The Piscean Sixth Ray is now fading finite form, less and less power; yet we recall the beautiful formations it webbed and embroidered to make your Earth, and it has been a Cradle of Divine Substance.

WE salute with Gratitude the Fading Piscean Day; but we glorify the new Golden Age of Aquarius--the RUBY FOCUS in radiation!

### EXCERPTS OF LETTERS FROM STUDENTS

From F.P.: May I congratulate you on becoming an Outlet for the Wisdom and Love of BELOVED GAUTAMA!

From E.S.: Your June Open Letter is the epitome of inspiration, hope, Cosmic Guidance and spiritual teachings. Bless the dedicated Channels!

From D.P.: The Comfort, Peace, Power, Upliftment, Direction and Spiritual Chemicalization brought about by the consistent study and contemplation of the Mighty Messages channeled thru the Beloved RUBY FOCUS are superior to any other source of the ESSECE of each of the SEVEN MIGHTY RAYS, and now the Two New RAYS are being revealed to Mankind thru this same Revelatory Body of Beloved SANANDA'S MAGNIFICENT CONSUMMATION.

I have come to realize that the potent spiritual food given so freely and lovingly in the RUBY FOCUS Open Letters is a must for me just now. The time is so short until the Great Days of the end of the Age that nothing but the best is good enough. May the Mighty Blessings pour increasingly thru Mankind by the thousands and many will be raised into the Kingdom of our Mighty FATHER-MOTHER FIRE-FLAME-LIGHT in SILENCE and in ACTION that otherwise would not have made the grade at this time!

From W.R.: Joy, Joy, Joy! I just finished your June '70 Open Letter with all the news of May 20th. Thanks for sharing your experiences with us who are so hungry for it and who could not be with you at the time in Sedona. I am sure you made all your Disciples happy thru this Open Letter, which carries the vibration into our place of abode. I am joyful with SANANDA and can sing "JOY TO THE WORLD" in in FATHER-MOTHER FIRE-FLAME LIGHT. How Great Thou art, oh Lord, in all thy Greatness, flowing forth thru these Great Ascended Ones and Lords of Love to this Earth!

From M.Z.: The June Open Letter is something very, very special, for seldom are "spectators" taken into the confidence of the Great Dramatists who conceive and shape and mold events--while the world is in the throes of being so processed.

And this Open Letter is prophetic revelation. Curtains are raised on stage between the acts that the audience may observe the Great Playwright's Deputies arranging and re-arranging the parts the Actors are to play, even re-editing their lines for this Age, the Actors "all set" to play their parts!

The inner scene of things in the making is seldom revealed in so many fascinating themes and rhythms. These scenes and actions extend thru eons and ages of Time and are picked out of continuity to be enhanced by confirmation of the dramatis personae themselves, all to embellish the purpose and importance of WESAK DAY and its implications in 1970, Sedona, Arizona, U.S.A. Just wonderful!

And the implications stagger one's credulity to say the least. (Garman, the following for the pleasure of the "old timers in the know"). Can those of ancient and honorable memory be the SAME ones who are again directing and re-directing world events? Can it be so? No, No, of course not--they went to their reward long ago. But suppose it can be so--if nothing is impossible, then anything is possible--and here we have it. IT IS SO! IT IS Happening and will continue to happen. This is the thrill of a lifetime. The Actors of by-gone ages are THEMSELVES the Revelators of ancient history and, by their own admission, they are again laying the foundation for future history.

And again, confirmation of this is in the "Big Book". Dr. Whitney also tells the story but the Actors and Actresses are set forth as persons "of the third part", but in this Treatise the persons "of the first part" tell the story "like it was", and that makes it very, very special.

Beloved Brother Garman, you have given us something most unique. Perhaps it never happened this way before--perhaps it will never happen this way again, for everything that man is doing is to bring Earth and her humanity to the edge of the brink where they will pick her up and lift her to rescue. (Page 7, BELOVED EOLIA.) Yes, they tell us of a definite restoration of things as they are now to an estate of things as they ought to be, and this will be. This is the MAGNIFICENT CONSUMMATION to be brot about and thru the ministrations of the RUBY FOCUS. Garman, Page 8 gives the plan in detail.

(We are therefore inserting several paragraphs from Page 8 of the June, 1970 Open Letter, referred to by M.Z.)

"And so this WESAK DAY at the RUBY FOCUS, at Sedona, Arizona, is a 'spring-board' of FIRE-FLAME-LIGHT to make the last project of offering the LIGHT! Offering LIGHT! the FIRE-FLAME-LIGHT! to all who possibly can receive!

"LORD GAUTAMA in the house, LORD DIVINO and many OTHERS in, on and around the acreage, and ALL on Their Spaceship, THE IMMACULATE CONCEPT--the atmosphere to be filled at the RUBY FOCUS, getting all humanity, as much as possible, "set" to receive that most Magnificent BLESSING of this MUTATION, while so many, so many scatter to other mansions to carry on evlvement. And those who are in 'the know' have received the Blessings of the Cosmic Consciousness that enables them to dwell on Earth.

"And now WE add: This is the function of the RUBY FOCUS, not to teach all people all things; but to give the Consciousness of FIRE-FLAME-LIGHT, the Consciousness of MUTATION. This must be done unswervingly and without including or entertaining other expressions less than the promotion of that MUTATION of CONSCIOUSNESS to be attained upon Earth.

"The RUBY FOCUS of MAGNIFICENT CONSUMMATION is not to dedicate ITSELF to first-class orthodoxy, first-class spiritualism, first-class metaphysics, or any semi new age work, or anything less than dedication to SANANDA, LORD GAUTAMA, LORD DIVINO, My Humble SELF, EOLIA-EOLIEE and COSMOS, and all the ASSOCIATION OF CHRISTS. And it is the function of the RUBY FOCUS to give coherence to the various consciousnesses of man regarding the various CHRISTS of the various times and countries, that they will realize, recognize and acknowledge only the ONE ESSENCE of FATHER-MOTHER FIRE-FLAME-LIGHT, under any Name, thruout them all.

"And only with an ALL-SEEING HEART will be brought about the Action of the ALL-SEEING EYE to precipitate FATHER-MOTHER FIRE-FLAME-LIGHT CONSCIOUSNESS.

"And the NUCLEUS of that ESSENCE thruout THEM ALL is the ONE-NESS-IN-ESSENCE of ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE AND TRUTH."

The Treatise, (Pages 6 to 9) gives the Great Plan in a most illuminating manner. It is so beautifully expressed that no single line or paragraph could be omitted without impairing the sustained grace of continuity. In paragraphs 3 and 4, BELOVED EOLIA gives the High Point of Radiation, and this is awe-inspiring. "So on this WESAK DAY.... from which the High CONSCIOUSNESS CAN TAKE OFF." Words cannot do justice to the universal import of these words of promise and power--a Decree of Initiators which means that America has another chance-- that "She will not perish from the Earth!"

In your letter of June 14th, Page 8, what a Treatise! One cannot read and re-re-read it without loving it and being lifted in meditation, illumination and inspiration, "from the human to the celestial" octave of realization. More power to our Beloved Scribe, G.V.P.

Since the WESAK FESTIVAL there are some results--fewer number of crimes of all kinds and fewer accidents and loss of life, according to official records. "Beloved, I make all things NEW." FATHER-MOTHER authority supreme! The seeds are in the "soil" and the harvest in the future, assured. That gives me more courage than all the diplomatic efforts made toward Peace and non-violence.

From J.M.: It is really something! I have said so many times that MAGNIFICENT CONSUMMATION is the greatest organization sending out printed matter to people, because they not only write words with meaning, but they do far more--they give formulas, affirmations, mantrums, decrees or call them what you will, that cover every problem that the human flesh has to contend with. We are adding that great decree to our daily breakfast service--the decree to approach the GREAT CENTRAL SUN:

"WE ARE DRAWING ON THE TWO NEW LIGHT RAYS OF THE GREAT CENTRAL SUN, EXPRESSING AS ELECTRO-MAGNETIC ENERGY, EMPOWERING OUR LIFESTREAM, AND OUT-PICTURING AS LOVE, JOY, PROSPERITY AND RADIANT GOOD HEALTH; DISSOLVING ALL BLOCKS IN OUR ENVIRONMENTAL ATMOSPHERE." (3X)

Should you move, please remember to send your change of address!  
Thank you!

These OPEN LETTERS are mailed free upon request. Your voluntary contributions are very, very much appreciated!

ANU AUM AGUA! (FATHER-MOTHER LIGHT thru us, loves you.)

SIANATA! (We never part.)

Devotedly yours,

GARMAN and EVANGELINE

P.S. We have just had the Joy of a most glorious experience, listening to the translated voice of ANNALEE SKARIN, with REASON chiming in periodically. If FATHER-MOTHER FIRE-FLAME-LIGHT wishes THEM to visit Sedona, Land of Soul, in deep humility we would lovingly caress Their Presence.
