OPEN LETTER

Speedily Advancing Persons

DEDICATED TO LORD DIVINO, "THE GOD OF LOVE"

Immediately following the WESAK DAY FESTIVAL at the RUBY FOCUS at Sedona, Arizona, U.S.A., we have the great privilege and honor of lovingly dedicating this June Open Letter to "THE GOD OF LOVE". HE is LORD DIVINO, "THE BUDDHA", "LOVER FOR THE WORLD", and previously the "WORLD TEACHER" by the Name of LORD MAITREYA, until January 1, 1956 when LORD GAUTAMA relinquished the Office of "THE BUDDHA" and became "THE LORD OF THE WORLD", as LORD SANAT KUMARA transferred His crown to LORD GAUTAMA, and LORD MAITREYA became DIVINO, "THE BUDDHA".

LORD DIVINO as the former MAITREYA was the "CHRIST" Who initiated JESUS to become the founder of the new religion, christianity. And later HE turned over the Office of the KEEPER of the RESURRECTION FLAME to JESUS and MOTHER MARY and ARCHANGEL GABRIEL.

On May 20, 1970 HE assisted LORD GAUTAMA as THEY formally struck in the "new religion". This was done on behalf of SANANDA and KUTHUMI, jointly "THE WORLD TEACHERS", since January 1, 1956, and on behalf of ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE, the THREE-IN-ONE NUCLEUS OF ESSENCE, and on behalf of EOLIA, "THE KING OF THE WORLD", and His Counterpart, EOLIEE, and COSMOS, and Their ASSISTANTS, TESLA and OTHERS. And on behalf of the RUBY FOCUS STAFF; namely, KWAN YIN, SPOKESMISTRESS; TRANQUILITY AND PACIFICA, ELOHIM; URIEL AND DONNA GRACE, ARCHANGELS; G.V.P. AND THE QUEEN OF LIGHT, CHOANS; and on behalf of all the AUTHORITIES of all the Other Rays of Earth, and of all the many "CHRISTS" of the HIERARCHY of Earth, and for the benefit of all mankind.

The BELOVEDS, LORD GAUTAMA AND LORD DIVINO, struck in, at the RUBY FOCUS of MAGNIFICENT CONSUMMATION at Sedona, Arizona, U.S.A., the "new religion" of the ELECTRO-MAGNETIC ENERGY of the GREAT CENTRAL SUN, sponsored by "RUBY" and "CHRISTOS", the INTELLIGENCES OF THE EIGHTH and NINTH RAYS to Earth, and engineered by EOLIA and His ASSOCIATES

WESAK DAY CEREMONY

We give you the brief Ceremony that formally struck in the New World Consciousness based in the United States of America:

The American Flag was raised at the platform of the Shrine of Red Rocks, which is the property of the Masonic Lodge and adjacent to their Temple; and also the scene of the Sedona Easter Sunrise Services, high on the Airport Mesa, with beautiful views of the mountains, the remnants of the Lemurian and Atlantean days. It was a windy day that caused the whipping of the flag to almost thunder on the tape recorder.

EVANGELINE was given to open with a few words: "This is the first time the WESAK FESTIVAL has been programmed this way, because in other countries such as India and China there was a more peaceful conscious-

ness; but today in the various countries, especially America, something has to be done thru THE LORD OF THE WORLD.

"HE has come to America, to various points in America, to give this urgent message, to actually impregnate thruout the various countries and into the various States of the United States of America, thru ELECTRO-MAGNETIC ENERGY.

"You will see that a different consciousness will come forth thru what we are doing today for we are the battery of the BODY OF GOD, to bring forth a cleansing in this country and in the world, A CHANGE OF CONSCIOUSNESS. This will be the purest consciousness in the world because it has been touched upon the world by "THE LORD OF THE WORLD" and "THE BUDDHA", "THE GOD OF LOVE", graciously witnessed by "THE LORD SANAT KUMARA".

Now, our dear people here, for many months we have been cleansing the BODY OF GOD, FIRE-FLAME-LIGHT, at the utterance of a decree which will now constitute the ceremony of this WESAK DAY, for this cleansing decree is at once the entrance of the New Consciousness.

Decree to cleanse the BODY of FIRE-FLAME-LIGHT:

ST. GERMAIN, GODFREY RAY KING, ANGEL VIOLET, ARCHANGEL ZADKIEL and HOLY AMETHYST: RADIATE! (3X) THE VIOLET TRANSMUTING FIRE-FLAME-LIGHT! (3X), DISSOLVE! (3X), LIGHTNING! (3X).

EOLIA and NIKOLA TESLA: RADIATE! (3X) THE GOLDEN LIQUID FIRE-FLAME-LIGHT! (3X), DISSOLVE! (3X), LIGHTNING! (3X).

FATHER-MOTHER FIRE-FLAME-LIGHT: RADIATE! (3X) THE ELECTRO-MAGNETIC ENERGY OF THE GREAT CENTRAL SUN! (3X), DISSOLVE (3X), LIGHTNING! (3X).

You notice that this decree is in three sections--the first to ST. GERMAIN and OTHERS, the second to EOLIA and TESLA, and the third to FATHER-MOTHER FIRE-FLAME-LIGHT.

The whole decree was repeated by those present over and over. At the beginning of each of the three sections, our Donna, with an elegant cane as a pointer chosen by LORD GAUTAMA, pointed out on a 4' X 2½' framed map of America, on an easel, the fifty States, beginning with Maine thru California, and ending with Alaska and Hawaii. So she held the cane on the State during the speaking of one section of the decree. In other words, for fifty States, fifty sections were spoken.

Now, here is one point we must emphasize so that no one can overlook it: As each State was pointed out, the Light of Man greatly amplified by the Celestials, did not go only to that State and the other States of America, but it was transmitted by the Heavenly Hosts assembled over this scene, to all sections all over the world. Thru the RUBY FOCUS in the United States of America, it was and continues to be for all the world. And there will be other occasions, to be defined, when this will be done.

Closing message, thru Anon: "Beloved Ones, as I come to you, I say, PEACE, BE STILL! The GREAT ONES have come unto you this day, with the GLORY of FATHER-MOTHER FIRE-FLAME-LIGHT. My Beloved Children, out of FIRE flows the ONENESS OF ALL DIVINE. Follow the Path that leads you unto the High Mountain, that at the pinnacle at the top of the Mountain you may receive the gifts of the Cosmic Christ. Oh, Beloved Ones, WE come to you with great JOY and great LOVE. WE ARE the GREAT MASTERS of the GREAT WHITE BROTHERHOOD. As WE assemble here with you dear Ones, WE encircle you with our Arms and WE bestow FIRE-FLAME-LIGHT of LOVE. Go forth into your many Paths, dearly Beloved

Ones, go forth bringing LOVE to all that you meet. Encircle them with GOD'S LIGHT. Let it flow! Let it flow! Let it flow! Each one is on a spiritual journey of his own. Be conscious, dear Ones, of this wonderful opportunity to let FATHER-MOTHER FIRE-FLAME-LIGHT of LOVE flow thru you, that it may go forth to all mankind, that it may raise them into a higher state of Consciousness and bring them into the ONENESS of the FATHER-MOTHER.

And now, dearly Beloved Ones, as I bring MY BLESSINGS to you, as I enter in--this is KWAN YIN, SPOKESMISTRESS for the RUBY FOCUS--I bring you a message of LOVE and TRUTH. Oh, Beloved Ones, go forward, go forward, taking FATHER-MOTHER FIRE-FLAME-LIGHT of LOVE with you--the ONENESS of ALL--and Beloved Ones, as I come to each one of you, Personally, I AM giving you each a rose. Clasp it close to your heart, dear Ones, and follow the highest that is within you. FIRE BLESS you! FLAME BLESS you! LIGHT BLESS you! I AM ONE with you! Amen!

The songs, "Ah, Sweet Mystery of Life" and "God Bless America" were sung by those present, led by Mark Brownell.

Ruth O. Holliday: The very first evening that we came here to the RUBY FOCUS, we went out on the porch, the back porch off the kitchen, to see the IMMACULATE CONCEPT, a huge spaceship that lovingly flashes lights to indicate that THEY are truly in contact with you, with me, or with us, if we will but talk directly, acknowledge, and send THEM LOVE'S GREAT POWER, and all that THEY need from this Earth; and then willingly open up as a channel for the great wondrous work to pour in to Mother Earth or wherever it is needed on the Earth. As we stood there, it became larger and larger and it seemed to be coming nearer and nearer and brighter and brighter. And as we stood there quietly, silently watching, each one within our own hearts, our own prayers, our own thoughts, there was a flare and sort of a whirling of the spaceship, and it suddenly disappeared before our eyes. This happened to me once in Apple Valley, but I was very grateful that it happened in the presence of those here. (This is the Command Ship of LORD GAUTAMA, captained by LORD DIVINO.)

Then we came in the Sanctuary and had a service here; and the vibrations here at MAGNIFICENT CONSUMMATION were beyond description. There is such PEACE, TRANQUILITY and LOVE that one can just relax and be with SANANDA, LORD ARCHANGEL MICHAEL and LIMITLESS LOVE AND TRUTH.

WE had a wonderful evening here; and then we came back the following day for the WESAK FESTIVAL. We met here, and there were many people from all over the country--each one very gracious, very loving, and so interested and excited, of course. So at the proper time we went up the hill to Red Rock Shrine; and up there, of course, there is a building and a huge cross and the American Flag fluttering in the breeze for the benefit of all the valley, and to the opposite direction the Airport happens to be. After the microphones were set and the group quieted down, we were ready for the service.

I kept feeling a terrific POWER over the cross which was right above, and I didn't see anything etheric the first two or three times, but the next time I looked, there were great vibrations of electrical wires and unusual figurations, and then behind that I saw the Angels and Angel Choirs. It seemed like there were just so many Angels of all different sizes; and I knew then that the MASTERS were there, and without doubt GAUTAMA'S PRESENCE was right amongst us.

We didn't realize then how it was being presented; but the United States was blessed, and we sang two songs, the leader being the one who had been chosen to represent LORD GAUTAMA. We all felt so much better,

so much more AT-ONE-WITH-GOD, that it is hard to explain just what the true vibration was, but it wasn't the same as when we went up that hill. We truthfully believe that each and every State as it was touched with the wand of POWER thru the decrees, has been helped. Each State will be different; and we are all looking forward to this greatness and this wonderfulness of the POWER of the GREAT ONES as it flowed thru this Group. Some were sitting down, some were standing up, some were relaxing, all very interested, all watching closely--but little did they know what great channels for LIGHT we were.

It was something that each and every one of us will remember all our lives whether we saw anything Cosmic or not. Our bodies were filled with this grand RADIANCE of SOMETHING SPECIAL. Each one of us, as we return to our homes, and with those we meet, I fully believe it shall "rub off" and we shall share this with every community and with every-one we meet.

I, personally, thank FATHER-MOTHER FIRE-FLAME-LIGHT for every moment that I have been able to spend here at AL SIRAT, RUBY FOCUS. And believe I shall do everything within my Power to give out all that can be given willingly, and channel for the good of all mankind.

Oh, yes, I shall add that at the service, I actually saw KWAN YIN. GOD BLESS you!

M.W.: Finally alone for fifteen minutes, I strove to "reach". A ball of VIOLET LIGHT floated to in front of my face--waited for my recognition, and then was absorbed into my body, disposing of material weight. This was followed by a cream-colored Light in a big circle, and ringed with light green, then white, then blue, and violet rings. This was strong Essence.

The cream circle entered my body, leaving the rings outside. Then its emptied space became a most brilliant white. This white receded slowly until quite far off, when it changed to a Star which sent long rays to the four ends of Earth.

I traveled into it and onward. It became pear-shaped....and floated south until near the South Pole.....turned and became South America; and "we" floated from the southernmost point up and above a great Spiritual Hidden Center, feeling IT'S Upward LIGHT RAYS, and gathering in Power to add to the Star Light, and went on all over Central America and Mexico, shedding LIGHT RAY POWER over many spots. Then on to us and Arizona, up to near Colorado, where it became only the Brilliant Star again, but with faces showing dimly on sides, and disappearing. Always radiating Divine Essence from a definite point of entry, and onward to all North and South America. Our LIGHT was followed by Rays from the Rings of Colors. As I was held in the Star, I felt IT tied these Western Centers into and with Eastern Nation Centers. Was being penetrated with additional Powers and travel....when "wham", went the bell again....another unexpected caller.

Anon: I saw great Love and Beauty; and very much everyone was lifted; and I was asked to visualize coming into each one's head a Ray of Light, and this focus coming out from the heart, and from that point in them to everyone they come in contact with; and it was just all beautiful all the way around.

I had a very strong feeling that all was well and much was being accomplished by your work. You had many wonderful people there, and I feel much more was accomplished than they were aware of, not only on Earth, but I feel in the Universe; much more than just here.

The RUBY FOCUS is doing beautiful work and you are helping many! And you are accomplishing much, not only on this plane, but on other

planes. And I know where it is but it is hard for me to express so many of these things. Sometimes there are not words to express--not in the dictionary.

Q: Do you feel a relation of this WESAK DAY at the RUBY FOCUS and the new religion now to be?

A: Why of course! That's going to be a long process, but the work that is done now is very, very important. Your work is very important, and it is very important on the Ray you are doing it. I feel it has a bearing on the mutation that is to come. I leave these things to God. I just have a feeling. Your dedication is beautiful.

Q: We feel that the RUBY FOCUS does not need to give what people might want other than that to which IT is dedicated.

A: That's right. That's what makes it beautiful. All are important from orthodoxy up, but you must be dedicated to your FOCUS. You know where you are going!

LIEBIE PUGH, thru Nellie Cain

LIEBIE PUGH speaks: "My love to all My links everywhere. Fill My Bearers of Light with the realization that the time element is very crucial now. The world sits on a veritable powder keg and total conflagration is imminent. With the Cambodian and the Israelian and Arab situations, things will develop explosively. For you are upon perilous ground with mass invasions and killing rampant, as war-mongers lead my children into the mass slaying of each other.

"There will also be violent reactions within your country which will stimulate the already existing battle between the races. You must warn My Light Bearers that this is the time to muster all Energy and Light, and take a stand against this hateful and destructive and frustrating practice. Send word out to the Link that they must all don the Armor of Light and take their stand against further violence between nations and peoples. Killing only breeds more killing, and will lead to massive world-wide genocide if it does not cease immediately.

"If a sufficient number of aroused citizens will write to your President and to their Congressmen, and others in places of power, it might help to dissuade them from further action of this kind, but I fear the die is cast. God help the world!

"Give Light wherever you can, and pray that Light and Wisdom and Love can penetrate the minds of those who would destroy the world. Keep yourselves armoured with the Light at all times, and lift the hearts and minds of those who come to you. Give them the assurance of Life Eternal and let them see you unafraid and calm in the face of all circumstances. Hold the Light in full focus! Give unceasingly of your Light and Love and live to the fullest at all times."

(Question: Will America be invaded?)

"I do not know the form of chaos, but Hell is being unleashed in the world. Each area will suffer in its own way. Man has conceived and invented weapons for his self-destruction, and now his mental creations return to him in full measure. This is the Earth's cleansing.

"Fear not for your personal safety, for you understand that Life is eternal and you are not bound to Earth's limitations. But you will all have a vast amount of hard work to do, so be prepared. It is catastrophic, and I hate to be the bearer of such news. But I also know that this is one of the reasons the Link was established. Now the power of the Link will be revealed, as each takes up his Scepter and holds it high. Give this message to all whose of the Link who can send it out.

(Question: Are there specific directions for us or anyone?)

"Just do your best and guide those who come to you as best you can. You will find this place (the 'retreat' in the pine woods beside the stream) will be a much needed haven for many. For the worldly pressures will be great, and comfort and attunement will come to those who walk this hallowed ground. Thank you and bless all dear Light Bearers!"

We then asked for verification from the Keeper of the Flame and received the following:

"BELOVED LIEBIE has stated things well and has requested your help. Enlist the help of all Light Bearers and light the way for My Children. This is an urgent message for the Link. Please get it out immediately!

(Question: What, specifically, should we do?)

"Contact government heads all over the world asking them not to become involved in further war activities. Massacring of the innocent only antagonizes and increases the hatred that is being generated by further war efforts. This will tear the world apart as masses turn upon each other and unleash their atomic weapons. My heart bleeds for My world! Oh Man, what great injury you do your brother in the name of 'Justice'. I do not call for your help without justification for this is a grave contest between the forces of Light and the forces of Darkness.

(Question: Is this to happen immediately?)

"It is already here. The seeds of destruction have been sown and the field flourishes and the harvest is soon to be reaped. LIGHT and LOVE are the only forces that can alter the course of events now. Give them in abundant measure.

"Be very careful not to become trapped in the fear aspect of this, for then you add to the negation rather than to nullify it. Fear not -- My Light is ever about you!

"Hold the concept of Right prevailing -- and let your hearts and minds be at Peace in spite of outer circumstances. Light is your fortress and Love is your weapon!

"My Mantle of Light and Love enfolds you all and we are ONE. Yojana! Yojana! Yojana!"

TREATISE, by Garman

Garman: I am to give my feeling of what happened at the RUBY FOCUS at Sedona, Arizona on this WESAK DAY. And I ask BELOVED EOLIA AND OTHERS to help me with the reception and giving of this understanding.

What happened was prepared for, beginning several million years ago. At that time the Earth's humanity was in such condition that the HIERARCHY of Earth despaired of being able to do anything with it. It was considered to dissolve the Earth.

BELOVED SANAT KUMARA of Venus volunteered to step down here to make an attempt to rescue Earth and its humanity. And so tremendous was this undertaking that it has taken several million years to do this. HE had first to prepare a few--only a very few could be found--but a few must be prepared, must be developed into a consciousness that HE could use them as authorities of FIRE, FLAME and LIGHT to bring up into High Consciousness, finally and hopefully, this planet.

And so long was this process because HE had to go thru the time that the most promising, even the most promising of those who had come to help HIM to rescue the Earth, fell into the sad vibrations of her environment. Then these had to be brought back up into an Ascension, that HE could use them with effect.

And the two of the most promising persons who had come from other planets to help were those whom we now know as LORD GAUTAMA, THE LORD OF THE WORLD, and LORD DIVINO, THE BUDDHA. These two were Pals and Competitors in Their evolvment, in their seeking of High Office, and jokingly LORD GAUTAMA says, "I always kept ahead of Him." Well, after millions of years, THEY have come to this WESAK DAY. On this WESAK DAY at the RUBY FOCUS, THEY finally, after millions of years, "got set". THEY are "set" and ready to go.

In this process, many GREAT ONES, Cosmic and Ascended, have been involved, and so was I, EOLIA, (until recently ST. GERMAIN), and in this process of restoring this planet to normality, it was I, Who many tens of thousands of years ago conceived the plan of focusing a FLAME, a VIOLET FLAME, upon this Earth. And it became known in Hungary, Transylvania, to cleanse, to consume the poisons of this world, and to transmute, that the wholesome process of creation could be resumed. So this has been My part, and I conceived that this land known to America would be the central area of the world from which sanity of consciousness would be restored to all.

So on this WESAK DAY, it has finally become the occasion for LORD GAUTAMA, THE LORD OF THE WORLD, to BLESS America, to truly initiate that RADIATION in America, at the greatest Vortex on Earth today, the RUBY FOCUS, for the restoration of all the lands of Earth and all her humanity. This is the process of "getting set" on the 20th of May, 1970.

WE "get set" for the definite restoration. Oh, so long--many, many centuries have I, have WE, worked to bring this territory of the UNITED STATES OF AMERICA to a measure of mundane freedom of consciousness, from which the HIGH CONSCIOUSNESS can take off!

Besides MY Humble SELF and LORD GAUTAMA and LORD DIVINO, OTHERS have long waited and worked for this CONSUMMATION. There is KWAN YIN, Who says of this MUTATION of man from human to Celestial, "This is MY Cup of Tea!" WE mention SANANDA and KUTHUMI, the Two now being the World Teachers.

And it was SANANDA Who played a special part, so well known; HE Who walked the Americas, and now rejoices that the frequency of FLAME and LIGHT which HE gave to the Americas has accumulated to this manifestation on WESAK DAY. And Lo! HE REJOICES! HE REJOICES! HE REJOICES! HE REJOICES with no over-exuberance, yet HE only REJOICES! HE sees all the woe, the tribulation from the disharmony and the inhumanity of man. HE sees, HE feels, as HE ever has, and yet HE only REJOICES! in all the BALANCE, in all the LOVE that is the BALANCE of FATHER-MOTHER FIRE-FLAME-LIGHT.

HE only REJOICES! and cannot help but say now satisfied HE is with the conditions as they are. For everything that man is doing is bringing Earth and her humanity to the edge of the brink where THEY will pick her up and lift her to rescue.

BELOVED SANANDA and His ASSOCIATES are ready for the inevitable, and THEY REJOICE! THEY are prepared! Because THEY need but to put Their Finger on the switch and the Earth turns on a new axis and in a new orbit, and WE ARE in the Fourth Dimension, as WE have made a mutation from the human to the Celestial. Oh, how HE REJOICES! For in all the evenness of mind, feeling, attitude, that is the BALANCE of

PERFECTION of FATHER-MOTHER FIRE-FLAME-LIGHT, HE looks upon all this distress and thanks FATHER-MOTHER FIRE-FLAME-LIGHT that man's extremity is GOD'S opportunity. And HE thanks FATHER-MOTHER FIRE-FLAME-LIGHT, SANAT KUMARA, LORD GAUTAMA, LORD DIVINO, and many OTHERS, that THEY have planted and grown into this Earth that Saving LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT, activated in Salvation. And HE knows that all shall be taken care of, while man cries, "Oh woe, oh woe, oh woe!" Yet HE Who knows thinks in His HEART that all may possibly feel, "Oh JOY, Oh JOY, Oh JOY!"

And so this WESAK DAY at the RUBY FOCUS, at Sedona, Arizona, is a "spring-board" of FIRE-FLAME-LIGHT to make the last project of offering the LIGHT! offering LIGHT! the FIRE-FLAME-LIGHT! to all who possibly can receive!

LORD GAUTAMA in the house, LORD DIVINO and many OTHERS in, on and around the acreage, and ALL on Their Spaceship, THE IMMACULATE CONCEPT--the atmosphere to be filled at the RUBY FOCUS, getting all humanity, as much as possible, "set" to receive that most Magnificent BLESSING of this MUTATION, while so many, so many scatter to other mansions to carry on evolution. And those who are in "the know" have received the blessings of the Cosmic Consciousness that enables them to dwell on Earth.

And now WE add: This is the function of the RUBY FOCUS, not to teach all people all things; but to give the Consciousness of FIRE-FLAME-LIGHT, the Consciousness of MUTATION. This must be done unwaveringly and without including or entertaining other expressions less than the promotion of that MUTATION of CONSCIOUSNESS to be attained upon Earth.

The RUBY FOCUS of MAGNIFICENT CONSUMMATION is not to dedicate ITSELF to first-class orthodoxy, first-class spiritualism, first-class metaphysics, or any semi new age work, or anything less than dedication to SANANDA, LORD GAUTAMA, LORD DIVINO, My Humble SELF, EOLIA-EOLIEE and COSMOS, and all the ASSOCIATION OF CHRISTS. And it is the function of the RUBY FOCUS to give coherence to the various consciousnesses of man regarding the various CHRISTS of the various times and countries, that they will realize, recognize and acknowledge only the ONE ESSENCE of FATHER-MOTHER FIRE-FLAME-LIGHT, under any Name, thruout them all.

And only with an ALL-SEEING HEART will be brought about the Action of the ALL-SEEING EYE to precipitate FATHER-MOTHER FIRE-FLAME-LIGHT CONSCIOUSNESS.

And the NUCLEUS of that ESSENCE thruout THEM ALL is the ONENESS-IN-ESSENCE of ARCHANGEL MICHAEL, SANANDA AND LIMITLESS LOVE AND TRUTH.

BELOVED SANANDA AND ASSOCIATES REJOICE OVER THE TRIUMPH OF CONSTRUCTIVE FIRE-FLAME-LIGHT IN ACTION--CONFIRMED BY THE LORD OF THE WORLD AND THE BUDDHA, on May 20, 1970, at the RUBY FOCUS of MAGNIFICENT CONSUMMATION, Sedona, Arizona, U.S.A., in behalf of all the world.

Evangeline asks the QUEEN OF LIGHT for a reaction to Garman's TREATISE, regarding the meaning of the WESAK FESTIVAL.

QUEEN OF LIGHT: It was a thing of Beauty and Joy forever! Many souls were touched with the opening of their very own CHRIST within the fifth ventricle of the heart.

Each State of the United States of America was precipitated with LIGHT from the GREAT CENTRAL SUN. A repolarization has taken place in the spiritual Consciousness of the great Country of America.

LORD GAUTAMA, LORD OF THE WORLD, will be very evident in many places from now on. HE loves and adores SHAMBALLA, over Long Island

New York and the RUBY FOCUS in Sedona, Arizona; and watches for the inviting Peace and Stillness of many beautiful Sanctuaries thruout the American Continent, which HE will visit.

BLESSINGS! to My Friends of the MAGNIFICENT CONSUMMATION, and an extra embrace to My tall, soft-spoken, gentle Garman, whose personal philosophy is, "Do not push, but LET." And WE see FATHER-MOTHER FIRE-FLAME-LIGHT has LET you have the "green sign" of many wonderful things, Garman, of a Divine Nature, especially the use of the TREASURE BOX of Heaven--the most valuable gift of all.

I AM THE QUEEN OF LIGHT.

Garman: Really all that the RUBY FOCUS is given to do is what an humble little lady, E.B., received directly from FATHER-MOTHER FIRE-FLAME-LIGHT: "Blessed are the meek in heart, for they shall see GOD (ME). Love all in MY PLAN. All is working together by the same Golden Thread, but in and for different States, but shall finally bring all into the ONE CONSCIOUSNESS."

The RUBY FOCUS holds the Whole Plan before sections that they may evolve to refrain from deeming they are the Whole. The RUBY FOCUS AND ASSOCIATES (there are many on the several RAYS, going into cohesion of ESSENCE, not ideas). We mention with pride, L. Dean and Lona Patterson of Oakhurst, California, developing a VIOLET FOCUS of MAGNIFICENT CONSUMMATION, and there are others to present the TOP and CONSUMMATION of the PLAN. Others are free to present sections. "Hitch your wagon to THE STAR."

BELOVED LORD GAUTAMA, thru Mark Brownell, May 21, 1970

Mark Brownell: BELOVED LORD GAUTAMA, we are all so grateful to YOU. Do you have a message for us this morning?

LORD GAUTAMA: Yes. WE ARE grateful to you for your part in the WESAK FESTIVAL and the meeting in the evening at the RUBY FOCUS. Things were done to release greater LIGHT and LOVE to mankind, thru the concentrated focus of the LIGHT RAYS according to Earthman's visualization.

WE ARE happy to make the RUBY FOCUS CENTER as a Beautiful Great RUBY, cut and polished to great Perfection, with its many facets blazing forth the LIGHT which WE ray down from above. This goes out qualified with many BLESSINGS which you wish to bring to mankind.

You see, WE also wish to bring many BLESSINGS to mankind, but for US to just quickly wield the Powers which WE could, and free everyone from all their problems, would not bless them. If you have a problem and it is lifted from you, you might think that was a blessing. But suppose WE take a simple illustration: A boy in high school is on the track team learning to do the high jump. Suppose some GREAT ONE came along and said, "That is a pretty big jump for you. Here, I'll help you and lift you over." So if someone always lifted him over the bar, how would he ever attain the strength and ability to jump over by himself?

This is why mankind's problems of trials and adversities are blessings in disguise. Because, thru mastering the little ones, you grow stronger to meet and master greater things as you go on. As you demonstrate a sustained ability to maintain harmony and use Power wisely, with LOVE for all, then you will gradually be entrusted with ever greater Power. If you don't want it sufficiently to ask for it and accept the responsibility in its use, then you just will not receive it.

This is the condition of much of mankind today. If they have any belief in God, they will think HE is some sort of a glorified person

way off somewhere. And few people do much calling to GOD until they get in desperate circumstances and see no other way out. When they can come to feel and know that GOD, FATHER-MOTHER FIRE-PLANE-LIGHT is a first resort instead of the last, they can master problems before they occur, or at least before they are too serious. Then they gradually rise into the feeling that GOD'S Power is always with them, and then they advance into the Consciousness that they are truly Gods in their own right, ONE with all the Power in the Universe.

So the need is not to free mankind from problems, but to awaken them to the understanding of how each one can be the master of his or her own destiny. The combined advanced Consciousness of a group such as you had here yesterday is a great upliftment to mankind in raising them into more of your real acceptance of your own divinity and your own ability to master anything needed; even in arousing them into a greater desire to seek and understand the higher things of the LIGHT and apply these things in their lives. I AM GAUTAMA.

COURSE IN PRECIPITATION

THE SEVEN PRECIPITATION RAYS AND THE TWO NEW LIGHT RAYS OF THE GREAT CENTRAL SUN, AS NARRATED BY LORD GAUTAMA, LORD OF THE WORLD

PREFACE

LORD GAUTAMA: Good evening! You saw ME turn on the light, and that was to tell you to get busy with the real inner esoteric work that has to be done.

I AM going to dictate a Course of Lessons to the Channel. This Course of Lessons may be anonymous, that the KNOWLEDGE stand out apart from the personality. You will find more and more that your work will be anonymous. This Course will be a most important new step which the world is waiting for, and this step is PRECIPITATION--how to pull in these lines for precipitation. It is all here for you, but it is a matter of not knowing which strings to pull, or knowing which strings to pull, for there are nine strings.

I will give you some preliminaries in the beginning; such as, in the forehead of all mankind reside in ESSENCE the ELOHIM. You know that! You have been practicing mentioning the Names of the ELOHIM, Their Color, Their Office or Qualifications and Virtues. Is that correct? (Yes.) This is praiseworthy that you are doing this because you have thereby conditioned the atmosphere here to the point where I can come in and teach you how to USE those Qualifications, Virtues, etc.

One point I want to make quite clear to you is, that I think should be sent abroad to your disciples, and that is that the Sun's Seventh RAY, the VIOLET TRANSMUTING RAY, is not the last RAY. It comes before the Sixth RAY which is the last RAY. The Seventh RAY is the Scrubbing Essence, the Great Detergent and the Great Cleanser. However, it is the RAY of RHYTHMIC INVOCATION.

The Sixth RAY is the MINISTRATION RAY; it is a RAY of great Compassion and great Love for humanity; and as you now know, the golden hue of JESUS and NADA has become the RUBY FOCUS. You realize that now. The RUBY FOCUS has become the greatest Vortex on Earth today, and let it be known. Now this is coming from the lips of a FRIEND, Who resides in your home, getting ready for WESAK DAY, getting the atmosphere filled with Electronics, not only in your house but all over your land and up the hill into the Red Rock Shrine; and this will be in the mid-afternoon and the conclave in your Sanctuary in the evening. This atmosphere at the Red Rock Shrine of Sedona, Arizona is considered the second purest in the United States. I venture to say that after LORD DIVINO and My Humble SELF have finished our Ritual, it will be the purest.

LESSON I

Let us now consider the **FIRST RAY** in these Seven Steps to Precipitation.

May I introduce **HERCULES AND AMAZON!** You can thank your **FIRST RAY** for your beautiful home, "The Land of Soul". **HE** was the **ONE** Who really put the deal over; did you know that?

HERCULES! Good evening! Yes, I **AM HERCULES**. **MY Color** is **BLUE** of Protection. I represent Vitality, Will, Decision, Courage, Strength, and Power. You were in **MY PRESENCE** in Yosemite when you were on your trip to California. I **AM** the **ELOHIM**, first in your forehead, left. I beam out to you a sparkling **BLUE** when you call on **ME**. I **AM** your First Step in the Seven Steps to Precipitation.

I **AM** bringing a strong waft of pure air into this homestead and all homesteads who ask for this. I bring to you Purity of Consciousness to blow away the negatives in your mind, to open your minds widely that you may receive the **LORDS** of the **HEAVENS**, and you will feel the cool mountain air of Switzerland blowing thru your Consciousness, and blowing out all that should not be there, and giving you the sublime Peace that you may receive from your **HOLY MASTERS** your guidance and your assistance. This is your first lesson in Precipitation.

LESSON II

CASSIOPEIA AND MINERVA! **WE ARE** the **SECOND RAY**, **CASSIOPEIA AND MINERVA**. **WE** represent Intuition, Wisdom and Illumination. Our Color is **SUNSHINE YELLOW**.

LORD GAUTAMA, LORD OF THE WORLD, wishes the **RUBY FOCUS** to broadcast the Laws of **PRECIPITATION** to the disciples. So here is our contribution to the Lessons:

I was once a man on Earth, even as you are; and **MY BELOVED ONE** was a woman on Earth just as any woman; and the secret is continuity of purpose. One day any of you might become an Ascended Master, Lord or Chohan. Who knows?

Sometimes we are born with an assignment to do and we go half way, then we stop; then there are the years that the locusts eat, wherein there is nothing accomplished; and it is so difficult to get back on the bandwagon again to complete the assignment, and then that one has to be born again.

I **AM** going to tell you a little bit about how **WE** operate. Now, you know that there are not seven men sitting around a table, a long table in your forehead; you are smart enough to know that. When you study the profound philosophy of the Ascended Masters, you must relay **FACTS**; otherwise you are going to have people challenge you regarding your beliefs.

You know a gentleman in Oakhurst, California, who, before leaving his home on a trip, commanded the **VIOLET RAY** to protect his property while he was gone. Now, when somebody photographed this property the photograph showed up violet. He had actually commanded **ARCTURUS AND DIANA** to protect his property. Now, **ARCTURUS** was not going to go there in overalls and take care of his property, but **ARCTURUS** let the **LIGHT** of His **SEVENTH RAY** shine, which was violet--so you see how **WE** work. Encouraged with this phenomenon, another time he left the property and commanded **HERCULES** (in close proximity in Yosemite) to guard his property with His **Mighty Celestial BLUE FLAME**; and the photograph this time came out **BLUE**. The entire atmosphere and the snow was **BLUE!**

Now, tonight **WE ARE** discussing the Second **RAY**, **SUNSHINE YELLOW**; and if this gentleman ever asks **US** to protect his property, or any gen-

tleman, WE will send out Our YELLOW BEAM and the photograph will be a brilliant SUNSHINE YELLOW. Do you see how it works? WE do not have to know a thing about it. When you ask any one of the Seven Rays, you are actually pressing a button and the pressure releases the Color Ray.

You must know all this knowledge because the day is very close when you will have to precipitate your needs and luxuries as they do on other planets. Unawakened man cannot avail himself or herself of these divine priveleges. They must be illuminated.

You are coming into Intuition and the Knowing of KNOWLEDGE of what is around you, without psychism. This is PRECIPITATION in action.

WE ARE here to help you as the Second Ray of ILLUMINATION, WISDOM and INTUITION. To those who would wear a canary yellow suit, WE would be very helpful and friendly. You can read, and you can read, but if you cannot produce, what good is it? Therefore, I would tell you to "tune in" or press the button. I AM the second one to the left on your forehead. Press the button and I will illuminate you all thru the night. Good night! WE ARE CASSIOPEIA AND MINERVA.

(These Lessons on Precipitation will be continued in the next Open Letter.)

TREATISE ON THE SEVENTH RAY, by Garman, May 19, 1970

Garman: I am prompted to say something on why the VIOLET FLAME, and I may say why a number of things.

Creation is a job that is given by GOD, FATHER-MOTHER FIRE-FLAME-LIGHT, to those BEINGS Who are called ELOHIM, seconded by Those Who are called ARCHANGELS, and helped by Those Who are called CHOHANS. WE speak principally of the ELOHIM. Under the Authority of the LOGOS, there were six ELCHIM needed to create; for instance this planet Earth, only six. You have heard often of seven. We speak every day of the Seven ELOHIM of the Seven RAYS; but there were only six ELOHIM to create this planet. But you know, things went on--the creative job was done well; but man disobeyed and everything went wrong, and the Earth needed to be cleansed, purified. Well how? THEY called in a Seventh RAY and a Seventh ELOHIM, and this RAY was VIOLET. Now, this Seventh RAY is not the Seventh RAY in action. The RUBY RAY is the RAY of final action. It goes something like this:

When you create, manufacture, a cabinet, first it is the work of the saws, then the work of glueing things together, then the work of the planes, then the work of shellacing and varnishing and painting, or what have you. And there is also the work of manufacturing the hardware. And then when all of that has been done--tops, bottoms, sides, drawers, doors, hardware, etc.,--all are ready to put together. That is the last, --just assembling them. Now it is very much that way with the Sixth RAY.

There is the BLUE RAY, the First One, which starts everything going. That is the RAY of Decision, the Will to act; and ideas come thru the Second RAY; and the beginning of putting things together, called LOVE, Cohesion, comes in the Third RAY; and the Concentration on doing just what the plans call for, only that, is the PURITY of the Fourth RAY; and there is the Fifth RAY which really has the Knowledge of what to do, and the Consecration to do it; and then the Sixth Ray puts it all together. So, that is the last RAY. But the people on Earth were in such a bad state--rebellious, self-seeking, selfish, and everything as we all know, that the Sixth RAY could not go to work. Things could not be put together in the beautiful plan of the LOGOS, the Representative Authority on Earth for FATHER-MOTHER FIRE-FLAME-LIGHT. Things did not fit together. Extensive alterations had to be made. So, the Seventh RAY was put

in before the Sixth RAY to consume the poison that had gathered thruout the Earth and her humanity. We now say "to TRANSMUTE" because that is what it is now. It is a faster process. It is a faster process, transmuting, cleansing, so that the Sixth RAY, the RUBY RAY, can now put together all of the work that has been done by the Six RAYS previous to it, that is, including the Seventh. Now I think that makes it very clear, and that there is no confusion about the Seventh RAY coming in action before the Sixth. It was a necessary later make-shift. This Seventh RAY of VIOLET was not necessary while things were going all right. TRANSMUTATION and CLEANSING were not necessary.

So now, after this cleansing has been done; (Well, has it?) Looking at the Earth as it is today, has it? Yes, it has. It has done enough so that the Earth and a section of humanity of Earth are now ready and worthy to be carried up in Consummating Consciousness. And that carrying up into that Consciousness, that work of this New Age, that is the responsibility of the RUBY FOCUS of the RUBY RAY, the Sixth RAY. It owes its freedom to do its work to the Seventh RAY, the VIOLET TRANSMUTING FLAME.

And that explains therefore the RUBY FOCUS, which is situated here at Sedona, that is in this Sedona and Red Rock area. Here is where the RUBY FOCUS was established by LORD GAUTAMA, the LORD OF THE WORLD, HE who has the greatest POWER of any of the LORDS of this world. And HE established it here because it is symbolical that the ruby rocks are here, and also the ruby rocks are the remainder of Lemuria in this area, and above these ruby rocks lie the greyish rocks of Atlantis; symbolically, UNION.

So LORD GAUTAMA cleansed these two forces of Atlantis and Lemuria, symbolically, and as a token that all the Earth and her world is in a cleansing process preparatory to coming into the Unified Cosmic Consciousness.

LORD GAUTAMA is furthermore developing the Sedona area as the RUBY FOCUS, even living here to do so, in this home and in the Space-ship IMMACULATE CONCEPT above the home to do this, as the FOCUS from which to assemble the pieces of High Cosmic Consciousness for the Cosmic Fourth Dimension of Earth and her humanity.

But this symbol of ruby and greyish-white rocks is more than that. For now we have the Eighth and Ninth RAYS. The RUBY RAY, the Sixth RAY, can do its work because of the fact of the Eighth and Ninth RAYS of the GREAT CENTRAL SUN. This is that great POWER that enables the RUBY RAY to fashion this Earth into the Fourth Dimension. Without the GREAT CENTRAL SUN the RUBY RAY could only do the best it could in the Third Dimension which would always be dubious. These Two RAYS, as we have been told, are RUBY and MOTHER OF PEARL, but it is a different RUBY, this RUBY of the Eighth RAY, than the RUBY of the Sixth RAY. It is a much more magnificent RUBY. We don't know that RUBY. We can't see it here in this Third Dimension. Also, we don't know this MOTHER-OF-PEARL that is the Ninth RAY. It is the iridescent MOTHER-OF-PEARL, and the RUBY of the Eighth is the iridescent RUBY. And the BEING THAT IS THE INTELLIGENCE of this iridescent RUBY is called "RUBY", apparently a feminine name, as it is a Feminine Power. And the iridescent MOTHER-OF-PEARL is the Masculine Power, named "CHRISTOS".

The GREAT CENTRAL SUN is offering to Earth these Two Great RAYS that together are the Celestial LASER BEAM. Thru this LASER BEAM, particularly within the manipulation of the RUBY RAY, aided by the other Six RAYS, always, this Earth is being transformed and will be catapulted into the Fourth Dimension as a MUTATION.

What is MUTATION? A change in evolution from the mineral to the

plant kingdom is one. It is done suddenly. That is why the "links" cannot be found. So from the vegetable to the animal, and the animal to the human, and now from the human to the Celestial man, the next mutation, possible because of the ACTION of ALPHA AND OMEGA, the GREAT CENTRAL SUN, engineered for many systems and planets; but engineered for this Earth by HE Who is called EOLIA, and was called ST. GERMAIN.

ST. GERMAIN, before HE graduated and became active as EOLIA, as Engineer of the GREAT CENTRAL SUN, was the ONE Who engineered the VIOLET FLAME to the Earth. And now, all attempts for help to Earth and its humanity must go to the GREAT CENTRAL SUN honoring EOLIA, HE with His new Name as the Engineer. All RAYS, all Seven RAYS must honor the Eighth and Ninth RAYS, the ELECTRO-MAGNETIC ENERGY, as it is called, of the GREAT CENTRAL SUN. To do so honors practically the CREATOR, GOD, FATHER-MOTHER FIRE-FLAME-LIGHT thru the GREAT CENTRAL SUN. FATHER-MOTHER FIRE-FLAME-LIGHT is taking care of Earth, and believe me it is being taken care of. The GREAT ONES, that is, the GREAT COSMIC ONES and GREAT ASCENDED ONES (there is a difference, you know), THEY know that it is being accomplished now.

And I want to give you the decree to approach the GREAT CENTRAL SUN. It is this:

"WE ARE DRAWING ON THE TWO NEW LIGHT RAYS OF THE GREAT CENTRAL SUN, EXPRESSING AS ELECTRO-MAGNETIC ENERGY, EMPOWERING OUR LIFESTREAM, AND OUTPICTURING AS LOVE, JOY, PROSPERITY AND RADIANT GOOD HEALTH, AND DISSOLVING ALL BLOCKS IN OUR ENVIRONMENTAL ATMOSPHERE." (3 X)

And when one has said that, one says, North - East - West - South, RADIATE! (27 X)

With these decrees, you are joining yourself in action with the GREAT CENTRAL SUN--the ONE POWER OF AGENCY of FATHER-MOTHER FIRE-FLAME-LIGHT, for Earth now. That POWER which SANANDA (formerly JESUS) honors and reverences to the fullest because THAT POWER is finishing His work by means of the Seven RAYS joining with the Eighth and Ninth RAYS. All HONOR, all requests for benefits must go to the GREAT CENTRAL SUN, LORD GAUTAMA, and LORD DIVINO, SANANDA, EOLIA, and many OTHERS. And LORD GAUTAMA, THE LORD OF THE WORLD, HONORS THE GREAT CENTRAL SUN, and obtains His POWERS from FATHER-MOTHER FIRE-FLAME-LIGHT thru the GREAT CENTRAL SUN. Therefore, we honor all graduations of the GREAT BEINGS, all graduations of everything everywhere, we honor, we honor, we honor! we of the RUBY FOCUS of MAGNIFICENT CONSUMMATION. We hang back to nothing that was before. We are on our toes for utmost evolvment. IT IS DONE!

"E" asks the "QUEEN OF LIGHT" for a reaction to Garman's Treatise regarding, "Why the SEVENTH RAY?" by FATHER-MOTHER FIRE-FLAME-LIGHT, via EOLIA.

QUEEN OF LIGHT: I must say that this is the most beautiful elucidation of the subject I have ever known as enlightenment.

I know that there would be Perfection if humanity would "fill in" their silent moments with "DRAWING UP THRU THEIR FEET THIS PRECIOUS VIOLET TRANSMUTING FLAME, DISSOLVING ALL POISONS OF (name the ailing organ, any organ in your body). This has been proven automatically by faithful users. I know of one dear landy, especially, who has kept a "ballet dancer" figure thru stroking her body while decreeing the VIOLET FLAME. IT works! MIRACLES! if you USE IT! Like everything, IT HAS TO BE USED! IT must be recognized for ITS Virtue and adored.

Then, I might further add the powerful Potentials of EOLIA'S GOLD-EN LIQUID SNOW! This blizzards down from the GREAT CENTRAL SUN upon your

environmental atmosphere, transmuting your four lower bodies in harmonious alignment.

Again I point to FATHER-MOTHER FIRE-FLAME-LIGHT'S ELECTRO-MAGNETIC ENERGIES TO "build up" your frequencies to the high point of the GREAT CENTRAL SUN and personal ASCENSION while yet fulfilling an assignment of earthly duties in HIS-HER NAME and for HIS-HER GLORY!

So, Beloved mankind, AWAKEN TO THE GLORIOUS PRIVILEGES you have, right within your very own KINGDOM OF HEAVEN WITHIN YOUR OWN UNIVERSE, experienced and demonstrated in your daily lives.

When the DIVINE AVALANCHE has started to roll and revolve with you in the center, things happen out of the blue to enhance and elaborate your lives and living. You remember lovely Florence Shinn who wrote "YOUR WORD IS YOUR WAND"?

Then do not push, but LET. LET WHAT? LET YOUR FATHER-MOTHER FIRE-FLAME-LIGHT play DIVINE CHESS with you, placing the blueprints according to the frequency of your particular lifestream.

BLESSINGS, BLESSINGS, BLESSINGS!

QUEEN OF LIGHT, Who LOVES YOU, NEEDS YOU, THANKS YOU, and PROSPERS YOU!

THE PRINCE OF ATLANTIS - by Lillian Elizabeth Roy. (Price: \$4.00)

Publisher: Golden Sierra Printing Co.

116 Mercury Drive, Grass Valley, Calif. 95945, U.S.A.

We would like to draw our readers' special attention to this book which is not only remarkable in itself but has the added interest of having been reprinted at the specific request of a highly-evolved Being, one of the Spiritual Guardians of our planet, Who stated that there was a deep need for people of Earth to read this book at this present critical stage in our world's history. It was also stated that this book contains a hidden key which, for those with eyes to see, will reveal the means by which the great secrets of the Atlantean Civilization, at its peak, far more advanced than our own, may be discovered. It was predicted that someone in New Zealand would be led to the clue to this mystery. The privilege of reprinting the book was given to an especially-selected man whose life of modestly-performed good works earned him this honour of service and to whom it was revealed that he is a reincarnated Templar of the Atlantean Age. The Prince of Atlantis was originally published in 1929, but never was there a more appropriate time when this book should be read or re-read than at the present, for in its vivid description of the evils which led to the spiritual downfall and final tragic Deluge of Atlantis, we may see a startling parallel to the disaster course towards which we are heading in this present day and age; and unless we abide by the warning given and explicit instructions spelled out in this book to avert a similar tragedy, we too, may face total annihilation; and this time, as we are warned in the Bible, it will be by fire, not water. So let us take heed, while we may, and profit by the drastic mistake of the Atlanteans who foolishly ignored the warnings of their spiritual advisors.

The Prince of Atlantis was written as a fictional novel, but in reality, it is an educational book into which a great deal of research and spiritual enlightenment was poured. The book concludes with a list of sources from which Atlantean data were obtained; and towards the end of the novel, the authoress makes a statement which seems to rule out that she intended it as fiction. In referring to the above-mentioned secret, she adds:--"which some day will be unearthed again and prove this story to be true in very detail." The book is written in scholarly

English, at times almost classical; and it contains graphic descriptions in great detail of the life and times of the Atlantean Era. As the reviewer quickly discovered, it is not a book to be read hastily but rather at a leisurely pace when a strange thing happens. If read slowly, an esoteric rhythm develops which has the effect of opening the subconscious mind to the inner meaning of the words and inspirational thought forms occur.

The story takes us back to the critical latter days of Atlantis during which a great spiritual conflict was going on between the loyal Templars, who believed in God, Whom they called "ONE-IN-THE-ONE" and upon Whose spiritual philosophy the Atlanteans had in the past risen to the greatest peak of civilization ever known on Earth, and the pagan Idolators who worshipped at the shrine of Bel-Ra (Mammon) who stood for violence, greed and lust. Thru attunement with ONE-IN-THE-ONE, the Templars had discovered the vast powers of Natural Laws which they had used to build up a democratic civilization far beyond that of our own. The devout Templars devoted a part of every day or night to meditation and the invoking of spirits from a higher dimension upon Whose Wisdom and instruction they conducted their lives. As the crisis develops, Quoka, an advanced Spirit, speaks thru Ajuna, the Chief Seer of the Templars, spelling out the writing on the wall for Atlantis and the preparations they must make to flee before the great disaster occurs, taking with them much evidence of their past civilization. Yolen, son of Ajuna, had already been appointed Chief Scribe of Atlantis, and had written up a full account of the past history of its civilization, which he is to take with him for posterity to discover. In it, we learn of the wonders of Atlantis in its full height of glory, when under wise government, it developed from natural laws a super technology which which had resulted in an Utopian life for the Atlanteans. Clearly spelled out is the work of its architects, engineers, scientists, artists and artisans who, using the Law of the ONE, had created an age of great beauty and utilitarian refinements. Here we find an invaluable blueprint upon which, if we are wise and strong enough, we can base the development of our Aquarian Age.

In the dramatic events which follow in the story, we are shown how the Atlanteans are given a last chance to save themselves but, ignoring the spiritual advice given and a series of ominous portents as Nature, rebelling against the misuse of its powers, creates warning storms, earthquakes, volcanic eruptions, etc., they weakly fall into toils and machinations of the pagans. As the hour of doom approaches, Quoka again speaks thru His mouthpiece, Ajuna, issuing his final instructions on how they are to escape by a fleet of ships, the cargoes of which shall include copies of the historical records of Atlantis, dissembled models of some of its outstanding inventions and samples of the fabulous materials they had produced thru natural elements, including Irigold, Radial, Crystalin and Kelpyn. Quoka explains that this great exodus will be divided into four fleets, the leaders of which shall go into the four different corners of the Earth to carry on the Atlantean philosophy and technology for the benefit of future humanity. The Prince of Atlantis, whose personal story figures prominently in the book, is sent to Egypt where his engineers erect the Pyramids and other massive architecture, using the natural law of levitation. In one of these structures, he deposits the ancient records of Atlantis, now awaiting discovery. We urge our readers to obtain a copy of this extraordinary book which not only contains a fascinating account of the rise and fall of Atlantis and a mystery for you to solve, but also a vital message as we ourselves hover on the brink of a similar catastrophe. Write to the publisher, sending \$4.00 which includes postage and handling.

EXCERPTS FROM LETTERS

J.M.: May the works of both of you ever help an expanding audience till it covers the world like a blanket. It is so very simple yet so very complex. You tell it so simply and so beautifully, but leave it to people to make it very complex.

K.W.: Thank you for the wonderful lesson on the color "red".... after that there should be no question about this color which has been much misunderstood.

L.D.P.: In your April Letter you mentioned that the RUBY FOCUS can be known as the "WE ARE" movement instead of the "I AM" movement; and it has occurred to me that where formerly I used the term "I AM PRESENCE", I now use the "WE ARE CONSCIOUSNESS".....there is a tremendous uplift and a warm companionship with FATHER-MOTHER FIRE-FLAME-LIGHT.

K.W.S.: I had asked you for some copies of SANANDA'S PICTURE to distribute, and you sent me the March and April copies of the RUBY FOCUS Open Letter. My God! what a lovely thing you have done for me!

I am almost 57 years old and have searched since I was a wee child; and here you handed out the Formula--the simple way--in those two wonderful issues.

And I have been struggling for years for the healing of this body, shocked unmercifully several times into a state that it can barely continue. Now I don't care! This simple little thing is not going to struggle alone anymore!

D.D.Q.: Thank you for sending me the January, February and March Open Letters, together with those that came so unexpectedly, Aug., Sept., Oct. and Nov. of 1969. What a thrill I get every time I read them. How close it brings FATHER-MOTHER FIRE-FLAME-LIGHT to me. Every letter deepens my understanding. Such a Joy!

How much Light has been shed on things which were dim, and the Joy of knowing that by using the decrees, I am helping, in my very tiny way, to add to the great volume of Transmutation, Love and Forgiveness that is daily being sent out from the RUBY FOCUS which is the greatest vortex on Earth today.

Bless you all at Al Sirat for your patience, persistence and complete devotion for the sake of this sad little planet. We, all over the world, love you; for Earth shall indeed become transmuted into a higher vibration, and all mankind shall rejoice in FATHER-MOTHER FIRE-FLAME-LIGHT and love each other as true children of HIS-HER and as brothers and sisters. GLORY be to the GREAT CREATOR for the wonderful vision of a new-born Earth!

EOLIA'S REACTION TO THIS OPEN LETTER, thru "E"

There is nothing static in the Universe. T'would be a broken vortex of Invisibility moved in ecclesiastical routine. 'Tis the ever-changing evolving that keeps the Heaven's Sheen. All must climb up, up, up the ladder into higher, higher, higher. The only thing that would never change or modify, but will deepen and deepen is man's FATHER-MOTHER LIGHT INDIVIDUALITY, known as the MIGHTY I AM PRESENCE. ST. GERMAIN-EOLIA

These OPEN LETTERS are mailed free upon request. Your voluntary contributions are very, very much appreciated!

Devotedly yours,

GARMAN and EVANGELINE.

P.S.

A SIGHTING AT THE WESAK FESTIVAL, by Marilyn Clubine

Thank YOU! Thank YOU! and thank YOU! to all the ASCENDED BEINGS Who played Their part in the drama.

As we stood on the platform, I "saw" THEM take our BLESSINGS of LOVE and LIGHT as TRUE SUBSTANCES of Individual Flames. THEY enthusiastically gathered them from us, and immediately distributed them from high above our beautiful Country to exactly where they were needed. THEY knew; THEY knew exactly what THEY were to do with each Flame.

It was so beautiful!

To those who move: It is so much appreciated when you send us your change of address.
