OPEN LETTER

LOVINGLY DEDICATED TO BELOVED MOTHER MARY

Beloved Ones:

"E" asked Beloved MOTHER MARY if there is a Message for the EASTER OPEN LETTER from HER, to which came this answer:

MOTHER MARY: I AM peeking out in personality, only for individualization, but in reality I have become a "BLANKET OF LIGHT" over your Earth. This "BLANKET" is called, "UNIVERSAL MOTHERHOOD". IT has become an absorbing osmosis of all Light and Tenderness from all womanhood, and it is called the "UNIVERSAL MOTHER": No personality, just the UNIVERSAL MOTHER!

I, as a young girl of two thousand years ago, an Essene, have seemed to be completely embroidered into the beautiful story of Mother and Babe! This role is now a finished legend, bearing the fruit of My IMMACULATE CONCEPTION! Today, two thousand years hence, there are many IMMACULATE CONCEPTIONS for advanced reasons. This legend has served its purpose! And what was that purpose at that time?

My Son, JESUS, lived, studied, traveled, experienced, finally was baptized in the waters of the River Jordan by John, the Baptist! Lo! a new MOMENTUM of LIVING ENERGIES seized HIM; then on, all the Powers of the INFINITE began to pierce forth. This evidenced the CHRIST IN ACTION. The FLAMES of a MIGHTY DIVINITY began a healing challenge, like a roaring Fireplace, with warmth and healing in every department of its use! This was the CHRIST WITHIN, possessing the environment of Who is My Beloved Son, JESUS, Who had been My little Babe in arms!

The CHRIST was ushered to the cross. It was a heartbreaking experience for His Mother! With ME in My sorrow were a few friends. WE wept! WE rejoiced!! This was His REASON FOR BEING BORN!

PISCANS, now take off those black chiffon draperies on your altars! His Humility has turned to CHRIST AWARENESS! Take off the "Man on the cross"! REJOICE! Feel rivers of JOY in your Hearts! You now have found the secret of the true CRUCIFIXION. IT IS RESURRECTION thru PERSONAL REALIZATION! REALIZE THAT THERE IS NO DEATH! a gruesome word that haunts as melancholy. OPEN WIDE THE CONSCIOUSNESS! LIVE YE IN THE LIGHTED WORDS HE GAVE YOU, "I AM THE WAY, THE TRUTH AND THE LIFE." This is the HOLY COMFORTER! Here again, you are to lose personality! Meditate, and receive a flow of Iridescent LIGHT, a velvety softness which dissolves all pain and Earth problems! Oh, dear Ones, this is My Message for 1975!

It gladdens My Heart to see and feel the millions of beautiful "YOU" becoming absorbed into UNIVERSAL MOTHER SYNDROME!

I, thru My BLANKET OF LIGHTED LOVE, COUNTLESS DEDICATED WOMANHOOD ABSORBED INTO THE UNIFICATION OF ONENESS. And now, THROBS OF CRYSTALS here and there, now and then, are being caught in various quarters upon your Earth! I mention a few. More intimate to the RUBY FOCUS and connected with Golden Wires, would be the "wicker basket" of the MAGNIFICENT CONSUMMATION, thru which thousands of dear souls have been touched by the LIGHT! some healed! some not! All are not deserving!

Recently, I AM proud to see a FOUNTAIN established in Grass Valley, California--again UNIVERSAL MOTHERHOOD SYNDROME! Again is plied the ART OF DIVINE HEALINGS--some will, not all. Human must be ready for this metamorphosis. Thousands of these matrixes are scattered thruout the Earth! These Crystal Digits of LIGHT fall upon the Earth from Our direction of INFINITE REALM, of FATHER-MOTHER FIRE-FLAME-LIGHT, THE CREATOR AND THE GIVER OF THIS PRECIOUS HEALING ELIXIR!

The fragrance of My Humble SELF and My flower was the Lily-of-the-Valley and the refreshing Maidenhair Fern. When I joyously refolded and My body placed in a box, three days later JOHN THE BELOVED opened the box and My body had chemicalized, and in its place were large, beautiful white roses, the perfume of which is blended only with the first Persian red rose of CHA-ARA.

May I personally thank the RUBY FOCUS Custodians, Garman and Evangeline and associates, for their diligence, faithfulness, loving tenderness, all of these years, "bringing in" the RAINBOW RAY CONSCIOUSNESS PROJECT of JESUS-MICAH. It is sooner than you think. It has already begun. Then all will become ONE REVERBERATING RAY OF DIVINE CONSCIOUSNESS thruout the Earth, your beautiful, Green Emerald Earth! That CONSCIOUSNESS is surging thru like a mighty wave of CHRIST'S ETERNAL LOVE AND LIFE! There have been rivulets for quite some time.

I will close with an article channelled in 1932. The BEING was a great GREAT called LADY PERPETUA and the book was called "Perpetuation." You will note the more advanced verbiage, now allowed.

I AM THAT I AM, UNIVERSAL MOTHER.

Speaker, MARY of the RESURRECTION FLAME in the HOLY LAND.

From, "PERPETUATION"

"Message on Good Friday:

"Weep not, dear friends and disciples of Jesus today, for the Drama enacted 1933 years ago was but an epoch in the development of soul

"Jesus received the verdict of the people, as all Avatars do.

"Mortal mind is antagonistic toward the spiritual unfoldment of soul. Because Jesus bathed so completely in the Divine Mind of the Father-Mother-God, this sordid parade and final Crucifixion, pained Him less than the suffering of humiliation and financial inharmony do most mortals in this age.

"Jesus was an illumined Soul. Even at the last hour, He forgave the Jews and lifted the negative curse of kleptomania from the thief, whose great honor it was to complete a triumvirate at the side of the Lord.

"The fact that the Jews enacted this frightful nightmare of ignorance was an accident of locality. Some clan had to prove the indestructibility of Spirit, and the Jews were the actors at hand.

How much more has been the torture of blessed Jesus by not keeping His Commandments, since His Ascension into the Highest Strata of the Celestial Plane in Invisibility.

A mother considers the birth of her newborn babe an occasion for

rejoicing, even while the physical agony is intense. The anticipation of the date of this Soul's birth is a most exalted ecclesiastical event. So dear Jesus wants us to rejoice and be glad in commemoration of this hour of His triumph! Be ye silent, be ye meditative, fast ye! Look ye well within, search thy soul record for the last yearly milestone and recount in sacred inventory, wherein ye might have added to His last pain.

"Inasmuch as Jesus forgave through the Father, 'go ye and sin no more.' Jesus taught ever unfolding consciousness of the Christ within. He revealed the deep unfathomable powers of the superconscious mind in man, that divine rapport man has with his Christ Consciousness.

"To this day man has not awakened to the vast reservoir of spiritual manifest capacity this Divine Mind can express. Were man to become aware of this area of untapped resource, miracles would again be instantaneous and feats of magic.

"We are now passing into an age where man and the Father within are becoming One in realization and recognition.

"I predict that by 1960 the Father within will rule conclusively, absolutely, and dominate in entirety the five senses of mortal man.

"To this end we are working. Each has his little cooperative niche in this Divine Plan of Cosmic Consciousness in joy and love; for Truth and Wisdom flow freely with Universal Life Energy.

"Jesus wants us to be silently blissful today and reach out our hands to receive the electrical recharge from the ethers, and to come into our divine awakening and realization of our relation to the Father in Truth, which makes men free." Given by LADY PERPETUA, thru "E".

MOTHER MARY, thru Evangeline, February 16, 1975

Well, I see you have these beautiful children here today, and they lend Power and Strength and Momentum to the **RUBY FOCUS** this rainy day, to which HELIOS AND VESTA have striven to bring in Their Sunlight, and may yet.

Yes, indeed, I AM very proud and honored to be selected for the March Open Letter.

This, of course, is the Eastertide Letter, and it would only be natural for them to ask for ONE Who knows so deeply and so truly what happened on that fateful day when My Beloved Son, seemingly, was crucified. At first it was sorrowful, and then the wellsprings of Joy and Rejoicing came upon us who stood there. It was wonderful, truly wonderful. And so I give the Treatise just as it is today, just as the consciousness has expanded today, into higher frequencies of Christed LOVE.

It has been said that the white rose is My flower. Really, the Lily-of-the-Valley and My Maidenhair Fern were My specialties. And when I refolded and returned HOME to the Beloved RESURRECTION FLAME, where I AM, I was, as was the habit of those days, placed in a box for burial. And in three days the Beloved JOHN opened the box and found no body--but a blanket of white roses, the fragrance which possibly is akin to the red roses of your Beloved CHA-ARA of Persia. It has been very difficult to capture, except as you sensitize your own talents, you can receive of My white roses and bring it out into the ethers of your Earth.

Now, I AM wondering if Our Celeste, here, is able to take a few notes from My consciousness. (Yes, indeed.)

MOTHER MARY, thru Celeste. Yes, Beloved Ones, I greet you thru another voice box; and so you will know I AM here and availing my chance of a new voice box, I will give you another Greeting so you will know it is MOTHER MARY Who greets you this morning.

And as you have already been told, it is My habit each Sunday morning to give each one a beautiful white rose, and to that beautiful

white rose, you may also add, if you wish, in its consciousness, the Lily-of-the-Valley and also the Maidenhair Fern. That would, indeed, be a beautiful remembrance of ME for today; and thru the week, perhaps, in your consciousness, you may watch the beautiful white rose open up so that you may see its beautiful center. It is My rose of Love. It has its fragrance. Also the Lily-of-the-Valley has a beautiful fragrance. So if you put them all together, you will not only have a beautiful bouquet during the coming week, but you will have beautiful fragrance as well.

And if your ears are open you might be able to detect the keynotes of all of them, for the rose has its own keynote and the Lily-of-the-Valley has a different keynote, as does the Maidenhair Fern--for the Maidenhair Fern is all green, as you know, and the other two, My special ones, are white. But they have different keynotes, even though they may be the same color. Every color has its own keynote--every flower, because of the difference in color has its different keynote.

These different keynotes for the different colors--you have the Harmony of the Spheres. And the Music of the Spheres is the new music of the New Age. It is quite different from the music you hear today, as a rule. There have been many, many great composers thru the Ages who have brought thru music that is really the Music of the Spheres. It has not been recognized as yet, but some day this music which the great composers have left to the Earth as a heritage will be revived, shall I say, and brought back into the consciousness of all people, that they may enjoy those beautiful things that have been composed long, long ago. But many of those wonderful composers have been great Masters on this SIDE, but they were not recognized as great Masters when they were on the Earth in physical form; but they were Masters and they were Masters of all beautiful music that WE have here in the Higher Realms, and they brought it to Earth for mankind to enjoy.

So it behooves everyone to listen to some of those great pieces of music, beautiful operas, that their Soul may be awakened into the LIGHT--the LIGHT of UNDERSTANDING--for Understanding is very important, that you may understand your fellowman, for all are constructed differently. So to understand each one, even though they may not be on your level of LIGHT. So Understanding goes along with the other things that I have spoken about. The music, the color, the flowers, all are in tune with each other when you have the open ear and the open eye to bring it into your consciousness.

And for this morning, as I have given you these beautiful flowers to take home in your consciousness, wherever you live, and watch it unfold during the week. I give you My Blessing and My LOVE.

This is MOTHER MARY, bidding you a beautiful day. Good morning.

MOTHER MARY, thru Celeste, February 9, 1975

This is MOTHER MARY, and it is My desire to come in this morning to give you that LIGHT and LOVE that I usually share with you, thru the beautiful white rose, the traditional Rose of Love. It is a lovely Rose this morning, partially opened, and during the week you may watch it unfold in your consciousness, that you may see the glorious yellow center and sense the fragrance of this Rose.

So when you practice seeing and hearing and smelling and tasting, shall I say, automatically those powers are opened up, and you become a greater channel for those virtues of the FATHER-MOTHER. For it is for each one in the future to see and hear all the Glories of the Heavens. And I know that it shall be possible for all of you. For was I not on Earth at one time and also had to develop those faculties?

So I AM giving you the opportunity to develop in your imagination. For the veil is very thin, and when once you have developed that imagination in your outer mind, it will open up the inner mind and you shall be awakened to those Glories of Heaven that have been promised to you for so long.

Soon it will be Eastertide and the World will be opened up to a greater Understanding. Of course, there are two Holy Holidays--shall I call them "Biblical", that you honor and observe--Christmas and Easter. And when the people of Earth celebrate those two beautiful dates in history, more people go to church and receive a Light that they would not receive if they did not go. But it helps, even in the orthodox church, for people to go at those times, that they may hear beautiful music. It does open a channel in their minds and many of them are beginning to become awakened. A beautiful music really helps to open the consciousness to the higher things of Life.

And even though it is orthodox churches, people do go and the churches are filled and that is good, for many of them only go to church twice a year. But even twice a year is better than no time at all. And somewhere, they may receive one little message that may open their whole consciousness into a higher plane of Light. And that is what must be in the days to come.

And so as I have given you each your traditional Rose, and to those who are not here and only their consciousness is here, they too, received a White Rose. And so for this morning, I will step aside for Beloved SERAPIS BEY that HE may come in for a word or two for you Beloved Ones. This is MOTHER MARY.

SERAPIS BEY, thru Celeste: Yes, this is SERAPIS, and I come in to bid you "Adieu" for today and close the door for My Beloved, for WE have given you a short message. And I leave My LOVE and My LIGHT for each one of you and all who are connected in some way to the **RUBY FOCUS**, that they may also receive Our LIGHT today. For this time and this place, I will say, "Good Morning and GOD BLESS you, each One. I AM SERAPIS BEY.

SERAPIS BEY, thru Evangeline, February 9, 1975

Good morning, Beloved Ones. I shall surprise you this morning, for this is SERAPIS BEY, to open the door for My Beloved, that she may receive the Golden Words of SOMEONE else. But I did not give you a Greeting in the middle of the week, as usual, so today I greet you even though it is late. I greet you in the Name and Power of Beloved FATHER-MOTHER FIRE-FLAME-LIGHT, that your day and your week may be filled with LIGHT, the LIGHT of the CHRIST, that you may receive that radiation and that vibration from the Higher Realms of LIGHT. And so I have opened the door, and shall step aside for a lovely Lady Who wishes to greet you in LOVE.

KWAN YIN, thru Celeste, February 9, 1975

Yes, this is KWAN YIN, and it is My desire to give you a short Message this morning that you will know that everything in My REALM of LIGHT is according to the purpose and plan of Our Beloved FATHER-MOTHER-LIGHT.

And to tell you that My Beloved Children who I have watched over so diligently for so long are almost ready now for their graduation. And for their graduation, I mean that they have learned so many wonderful things in the Higher Realms. They have learned Forgiveness; they have learned Gratitude.

For, many of these Beloved Ones are coming back to Earth to be with those with whom they have associated before! And now some of those Mothers and Fathers that they have lived with upon Earth were not so kind to them, and they suffered many things. They suffered brutality;

they suffered starvation, but now that they have been up HERE, they have learned Forgiveness and they have learned Gratitude. And so as I said, they are almost ready for their graduation from this Realm, and they have been prepared to return to Earth when the time comes, and will again associate with those same ones that treated them so badly on Earth before.

But you see, the parents of these Beloved Ones have also learned many things. And they, of course, have been over on this SIDE, too. And they have come back to Earth. They have come back in a far different vibration. They have come back with Love in their hearts for those they did treat so unkindly in other lives. But you see, the cycle, the wheel, turns, and as the cycle turns, they are re-united with those same parents that treated them so sadly and have another chance. The parents will not realize that these Beloved Children who are coming back to them are the same ones.

You see how gracious Our Beloved FATHER-MOTHER FIRE-FLAME-LIGHT is in giving all of them another chance? It is another cycle of LIGHT that the dear Children may forgive and the parents may give Love that they did not have previously. And in all graciousness and Love of the FATHER-MOTHER, all things are righted for the benefit of all.

It has been a pleasure for ME to join you this morning.
This is KWAN YIN.

Evangeline: The following tape transcription is from a beautiful night in the Winter of 1966. The air was filled with diamonds and rubies and pearls. We were all weeping with the grandeur of the atmosphere. Such was the birth of the RUBY FOCUS in Arizona, now fairly fully matured. We are so grateful. Amen, amen, amen! (Feb. 22, 1966)

Beloveds SANANDA AND LADY NADA: This is SANANDA and Beloved LADY NADA. Tonight WE ARE here to dedicate and incorporate into BEING the RUBY FOCUS. There are now twenty-one Focuses in the etheric realm to date. Never, during the Christian dispensation of the Sixth Ray, recently vacated by JESUS, has the RUBY FOCUS been able to establish for Earth. Now, WE ARE gradually moving in Consciousness out of the Piscean Sixth Ray and into the glorious Seventh Ray of Beloved ST. GERMAIN (now EOLIA) and His PORTIA--and ARCTURUS AND DIANA, LORD ZADKIEL AND HOLY AMETHYST and the ANGEL VIOLET POWERHOUSE.

MAGNIFICENT CONSUMMATION has been chosen by Beloved LADY NADA and SANANDA to bring forth out of the coals of dying embers the RUBY FOCUS. And so with this beautiful captured assemblage tonight, WE dedicate for the GOLDEN AGE, MAGNIFICENT CONSUMMATION'S RUBY FOCUS. It is the wish of PEACE (TRANQUILITY) and PACIFICA to bring PEACE into a turbulent chemicalizing Earth. It is the calmness of the lion, the compassion of the lamb, and the little child of the Pure CHRIST Consciousness of all mankind, worldwide. This will bring this UNION, and thereby the GOLDEN AGE. Beloved META, Daughter of the Great SANAT KUMARA, and Beloved NICAH are also awakening to the great responsibility of coordination, Harmony and Unity of all minds.

I feel I sense the normal query, "What does the RUBY FOCUS represent? What does it stand for?" To which the reply comes direct from Beloved LADY NADA: The incorporation of the New LIGHT RAYS of COSMOS--the TWO NEW LIGHT RAYS of COSMOS, the intelligent operation of these TWO NEW LIGHT RAYS of Beloved COSMOS will be the electronics which will cause the universal acceptance of the CHRIST CONSCIOUSNESS in dynamic action--the opposite of the static. It will mean the THREE-FOLD FLAME will become a living fireplace; the THREE-FOLD FLAME of the Heart is becoming a living fireplace, sending out Love and Prosperity and Peace of Mind in all circumference, North-East-West-South, to all countries.

Inclusive will be the entire Solar System. The GREAT CENTRAL SUN (LIOLIA) will rejoice, and being humble, will bend a knee of thanksgiving.

Also, wanderers are being sent to the CAVE OF LIGHT for transmutation into the DIAMOND HEART of the Beloved DIVINE DIRECTOR, thence to the ASCENSION FLAME of SERAPIS BEY for the final touches of Purity.

All etheric incoming children are to be born without deafness, without blindness, without deformity, and without Karma; and the blood will be a golden plasma. Already there have been ear-marks of such children being born; and in one instance a medical doctor drained the golden liquid and replaced it with transfusions of man's blood. WE must awaken the intelligence of the modern doctor to be able to recognize a child born without Karma. The medical doctors of the future must be able to recognize a child born without Karma and respect and encourage its earthly pilgrimage.

With the TWO NEW LIGHT RAYS which are interwoven with the New **RUBY FOCUS**, there will be a general cleansing of all Earth, and there will be no need for hospitals, institutions, banking, credit unions, money exchange, or the harrangue of the law and politics or sadism or any negative condition on this beautiful Shangrila called Earth, or Shan. Precipitation of all needs and luxuries will be the order of the New Day. I feel you wonder, "How can these TWO NEW LIGHT RAYS OF COSMOS, Who represent the **RUBY FOCUS**, be brought into play?" WE answer: In the straight-forward language, this is accomplished thru the vigilance, patience and stick-to-itiveness of decrees. The sound of the voices of good men and women can bring anything into focus. And so, WE leave you, LADY NADA and SANANDA, of THE BROTHERHOOD OF THE SEVEN RAYS, in Titicaca in the Andes, in South America.

This night, MAGNIFICENT CONSUMMATION has received their authority and dedication to bring forth into action the BEING of the RUBY RAY and Eighth FOCUS. This will be an added AQUARIAN FOCUS, and Arizona etheric rejoices. GOD love and bless you wonderful servants of the ASCENDED MASTER OCTAVE. GOOD bless and keep your hands and feet, your spines, your body and your brain, your eyes and your ears, and forever unite you with your FATHER-MOTHER FIRE-FLAME-LIGHT, your FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY, Who is the LIGHT and Who is the TWO NEW LIGHT RAYS OF COSMOS. I AM THAT I AM.

Signing off: your SANANDA, your DIRECTOR, and Beloved LADY NADA, My DIVINE COMPLEMENT, Who loves you and wraps you in Her Pink Blanket of PROTECTION and LOVE. AMEN! So be it!

EVANGELINE, SECRETARY OF MAGNIFICENT CONSUMMATION, RELATES A MIRACLE

Related January 28, 1970 --- Presented March 29, 1974

On the evening of January 23, 1970, a miraculous and beautiful event took place in Sedona, Arizona. It was a gift to MAGNIFICENT CONSUMMATION'S RUBY FOCUS.

The gift was the recognition of the Earth **RUBY FOCUS** Battery becoming ONE with the COSMIC **RUBY FOCUS**, which was brought forth into indelible, tangible evidence. The ELOHIM TRANQUILITY AND PACIFICA were heralded as the LEADERS; and HE-SHE will be the MATRIX of this RETREAT of the COSMIC **RUBY FOCUS**.

We will breathe each month into this RETREAT, and as a beautiful consequence, all the other twenty RETREATS thruout the Universe will respond in loving embrace to greet the twenty-first RETREAT, the COSMIC RUBY FOCUS, Sedona, Arizona.

The event, we believe, is the most ennobling materialization that MAGNIFICENT CONSUMMATION has ever experienced to-date.

It is the accomplishment for which we were sent from Phoenix to

Sedona to form the Earth Focus for the COSMIC **RUBY FOCUS** for the ultimate purpose of forming the RAINBOW RAY. We are humbly dedicated, and living as near and close as is humanly possible to the Fourth-dimensional life, so needed to be the Earth Polarity, which we are.

We are very happy and pleased. We ask FATHER-MOTHER FIRE-FLAME-LIGHT to keep it possible that we may continue to increase our present high frequency forever, forever and forever!

The decree which TRANQUILITY gave us to use is: "The COSMIC **RUBY FOCUS** and Earth **RUBY FOCUS** ARE ONE, and vibrating and manifesting LOVE (27 X), LIFE (27 X), PEACE (27 X), and PROSPERITY (27 X)."

We thank YOU, TRANQUILITY, and ALL the COSMIC STAFF:
KWAN YIN, SPOKESMISTRESS for the **RUBY FOCUS**
TRANQUILITY AND PACIFICA, ELOHIM
URIEL AND DONNA GRACE, ARCHANGEL AND ARCHAI
G.V.P. AND QUEEN OF LIGHT, CHOHANS.

This is our world-wide message. "E"

EVANGELINE: I am feeling strong Intuition that has the rate of Beloved SERAPIS BEY. Am I correct?

SERAPIS BEY: Yes, My Child. I would like to relate to the decree: "Some of my bodies are bathing in the LIGHT of the ASCENSION FLAME." What is the effect on the consciousness when a disciple gives that decree in the morning, before going to sleep at night, especially when you awaken in the night? The walls of the Consciousness light up and healing momentum begins to activate. Please use this decree. It is the gift to all who breathe it in, from the ASCENSION FLAME RETREAT. Thank you for reception, always. I AM SERAPIS BEY.

VISTA AND CRYSTAL, thru Evangeline, January 9, 1975

Now, WE must explain what it means when we say, "THE **RUBY FOCUS** IS THE GREATEST VORTEX ON EARTH TODAY." It is true, every mother thinks her child is the best. But it is deeper than that. It is deeper than you dear people. The **RUBY FOCUS** is the greatest Vortex on Earth today, irrespective of who might be the ones who are bringing it forth. In other words, it is an "Office". Now it is the greatest Vortex because it is bringing in the RAINBOW RAY CONSCIOUSNESS on the Mountain Top, THE TEMPLE FOCUS, and there resides THE RUBY AND CHRISTOS, THE TWO NEW LIGHT RAYS who create the LASER BEAM of PRECIPITATION of the Fourth, Fifth, Sixth and Seventh Dimensions of Consciousness. And I AM going to ask you dear ones, so few and yet so faithful, so loving and so kind, to be constant and faithful to the sitting here day after day to receive of the MASTERS. You can do that, can't you? (Yes.)

Now WE represent the ALL-SEEING EYE. Now, the ALL-SEEING EYE registers differently or has many phases. Just don't say that you are not clairvoyant and feel that the ALL-SEEING EYE is not working within you just the same. I do not think there is one here, including our visitor, who is not aware, and knows, what is going on here. That is the highest form of clairvoyance. In clairvoyance you might be getting the thought form or the E.S.P. of other people. That is not it. It is when you receive of the Divine LIGHT that which the FATHER-MOTHER FIRE-FLAME-LIGHT wishes to send you as your pattern--very very different. It is INTUITION--there is your Second Ray in Action--Wisdom, Intuition and Illumination. WE ARE very close to the Second Ray.

WE ARE VISTA AND CRYSTAL of the Fifth Ray.

When you move, will you kindly send us your change of address promptly? It will be so much appreciated. Thank you!

VISIT TO THE RAINBOW TEMPLE, SEDONA, ARIZONA, NIGHT OF DECEMBER 15, 1974

By Lunaire Bernadette

I heard a voice saying, "God is within His Holy Temple; let all Earth keep silent before it."

I was inside the RAINBOW RAY TEMPLE and the first thing I saw was a large Cross from floor to ceiling, shooting out RAINBOW RAYS. The Cross was a deep Pink, made of eight petals, the middle was iridescent, flashing all colors around the large room. (I have a cross like this.)

I was told that certain ones of the LIGHT were being chosen to belong to the RAINBOW RAY TEMPLE, and will be known as Brothers and Sisters of the RAINBOW RAY TEMPLE. (Like Brothers and Sisters of the Golden Robe.) The women are dressed in a chiffon-like material (like petals) and each strip of cloth a Rainbow hue. The men in various suits of pastels. I was told there would be organized a Group known as Brothers and Sisters of the RAINBOW RAYS. These chosen ones will be working with the RAINBOW RAYS to bring people closer to the Truth. I will be one of them.

THE SACRED TEMPLE OF CREATION, thru LUNAIRE-BERNADETTE

"THE BEGINNING AND END -- ALPHA AND OMEGA"

"THE FLAME OF REJUVENATION AND REST"

January 25, 1974

This FLAME depicts your return unto the FATHER-MOTHER-LIGHT. You either return unto the Earth and finish your Karma or make your Ascension as JESUS-SANANDA did.

Some of this dictation came to me in 1968, but the major part on January 25, 1974.

This FLAME looks like a Blue-Black Diamond, but not the Earth black as we know it. There are five FLAMES, shooting off constantly lovely white Stars (very much like the sparklers we have had on the 4th of July for children.) Blue-Black is scintillating, dazzling and beautiful; words cannot describe it. Everyone knows that LIGHT was created in darkness, for GOD said, "Let there be Light, and there was Light." GOD made the day (Light) and the Night (dark) on an equal basis.

The Blue-Black Diamond FLAME looks like black diamonds, or the sky at night, with flashing white diamonds inside it, as I described above. The TEMPLE is pure white Diamonds, inside and out, and is a round structure. There is a lovely painted mural of a woman and a man at the end of the room, in a colorful garden, depicting Adam and Eve, created in FATHER-MOTHER-LIGHT'S FORM; not the flesh as we know it. The flesh with all its aches, pains, trials and tribulations, came after the devil's (evil) appearance in the garden. Then the flesh was developed, and men and women were both subject to pain, and especially the women have paid ever since, going thru unbelievable pain to bring a new life into the world, the physical way. The right way is the polarity of male and female, sending a shaft of Light from the heart to each other and creating a form of Divine Perfection, their perfect child. (The "I AM" books speak of this and state that some of the MASTERS have never been born of the flesh, but by LIGHT RAYS from the heart of a masculine and feminine form--usually Divine Counterparts. This will be again.)

The Blue-Black Diamond FLAME OF CREATION is the most powerful FLAME in the Universe, but it will take some time for the people of Earth to accept and acknowledge this FLAME in their hearts.

This FLAME resided for eons in the CAVE OF THE ANCIENTS in the Himalaya Mountains near Tibet, closely guarded by ASCENDED MASTERS. This, I was told in 1968, and that the FLAME had been moved, but I didn't know where. Now it resides in the Andes Mountains, near Peru. And I am sure you have heard of "The Christ of the Andes", a beautiful white marble statue of Christ on top of the Mountain, with outstretched arms, as if to

embrace the world.

Inside, there are powerful ASCENDED BEINGS Who watch around the clock. The Great Ancient MASTERS Who enter the mountain and see the FLAME, must have knowledge of four things to do in sequence each time They enter, which is once a month, (the 25th). Unless the four things are done in sequence and the sacred password given by each person desiring to enter, the mountain will remain closed. In the beginning there were only a few who knew the code; now it will be open to the spiritual ones who ask and are granted permission.

The Invocation to the Blue-Black Diamond FLAME of Creation is thus: "Oh, Sacred Flame of Creation, I call Thee forth to now create spiritual LIGHT BEINGS to inhabit the Planet Earth to bring it back into the pristine Purity it was in the beginning of GOD'S Creation."

The five FLAMES OF CREATION represent GOD'S Fiats. (1) "Let there be Light," and there was Light. (2) Then GOD said, "Let there be Life," and HE created Adam and Eve. (3) Then HE said, "Let there be Love," and HE gave Adam and Eve His Love and a spiritual Love to one another. (4) Then HE said, "Let there be Loyalty," and there was Loyalty to GOD and to each other. (5) Then HE said, "Let there be Liberty," and Adam and Eve were given Liberty to roam in their paradise with Power over the beasts of the fields, the birds of the air and every living thing. And it was so.

Every blade of grass, every flower, all seeds of creation, human, animal, birds, plants and flowers are breathed on by the BREATH of THE CREATOR, FATHER-MOTHER-LIGHT, before they can come forth into a living thing.

In simplified form, the five Diamond FLAMES of Creation represent Light, Life, Love, Loyalty and Liberty. This is the Highest of the HIGH SIRONIA-SIRONIUS of the COMET states, "WE were born beside the Black Hole of INFINITY, near the Great Heavenly Signals to the Universe, etc." They know the FLAME OF CREATION well, and came to Earth to see how the LIGHT WORKERS would accept Their Red Ray Vitalizing FLAME, as well as to see how humanity would accept the Blue-Black Diamond FLAME of CREATION: I talked with THEM, and They told me this. They told me also that there is a High Priest and Priestess of the FLAME, but did not divulge Who They are.

FATHER-MOTHER-LIGHT tells me that on the 25th of each month, shortly after 12 midnight the 24th, chelas and MASTERS meet at the TEMPLE OF CREATION, where they will be taught by various MASTERS on the FIVE FIATS OF CREATION, re: Light, Life, Love, Loyalty and Liberty. I can hardly wait!

VISIT TO THE TEMPLE OF CREATION FIRST LESSON: LIGHT

We were escorted to the TEMPLE OF CREATION. This was a special occasion for Divine Twins, to learn more about their SOURCE. There were many Divine Twins present--each twin dressed in soft Rainbow colors. I was in a pale pink, long gown. I wore the sacred Ring of Isis, and a metal was given me by a Loved One. The metal appeared to be a beautiful white LIGHT with the figures standing out like molten gold. It was and is exquisite! Lord "C" was in the same shade of pink, a pink business suit with a little darker satin lapels. His only adornment was a white cross of Light on his tie. His hair was shining blue-black and white lights danced as He turned His head. Lady Lunaire-Bernadette's hair was a shining silver, akin to moonlight.

The GOD-BEINGS, ALPHA AND OMEGA, stood on each side of the FLAME (as described in the first dictation). HE started the meeting by saying, "Greetings, Beloved Ones. Tonight My Divine Twin and I shall talk of the FIRST FLAME OF CREATION--LIGHT." THEY took turns in the Lecture, first ONE, then the OTHER. Their Hair was golden, eyes deep blue, both

dressed in white robes. HE continued, "Pay homage to the LIGHT every day. Keep saying, 'THE LIGHT OF GOD NEVER FAILS!' And know this is true. You will be blessed in a very special way." HE continued: "The FATHER said, 'I AM the LIGHT of GOD that lighteth every man that cometh into the world, and none may leave it without My LIGHT!'"

The MASTER concluded that we would return on the 25th of each month, and there would be information on each of the five FLAMES, re: Light, Life, Love, Loyalty and Liberty.

BENEDICTION: "May GOD love you, lead you and be your constant Companion in the LIGHT of GOD that never fails! Remember always, "Live your Faith and Light the world!" With bowed heads we backed out of the Sacred TEMPLE. (You never turn your back on a FLAME.)

Lunaire-Bernadette: P.S. I want to say here that the color of suits and dresses ranged from pale pink to deep pink, from pale blue to deep blue. The gathering looked like a scintillating Rainbow. Each couple backed out, one couple at a time. We all met outside of the TEMPLE and exchanged Greetings and Love. We talked to many, but I remember only three sets of Divine Twins--SANANDA and His LADY NADA, KWAN YIN and Her Divine Twin. SHE had blue-black long hair to her ankles! We also were greeted by KING NEPTUNE and LADY LUNARA, my spiritual parents (where I get my name, Lunaire). I have never known the MASTERS to meet outside and visit. This was a very special occasion, and I am humbly grateful to have been a part of it with Master "C".

(To be continued.) I am Lunaire-Bernadette.

EDITOR: This work of the "Sacred Temple of Creation" is to be given in three installments, in three consecutive Open Letters.

"Transcendental Radiations are a gift from the GREAT CENTRAL SUN to MAGNIFICENT CONSUMMATION AND ASSOCIATES."

"Consider, Beloved **RUBY FOCUS** Students and Associates, what a Highest, Sweet privilege you are given to use each and all of the Invocations and Realizations given in this work, and to visit the SACRED TEMPLE OF CREATION at midnight between the 24th and 25th of each month!

FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman, February 21, 1975
"NATURAL STEPS TO MASTERSHIP"
"Electro-Magnetic Chemical Way"

Lesson II

Garman speaks: Beloved Students, this is a series of seven or more lessons to be given in successive Open Letters. To understand and use these Lessons, you will need all in their entirety as one. The absence of any one will irretrievably cripple the whole Course. So we respectfully advise that if you do not have the January-February, 1975 Open Letter containing Lesson I, get it. \$1.00 per Open Letter, or a minimum of \$10.00 per year, voluntary contribution.

So Lesson I is introductory explanation of the subject--giving the beginning of the Magical Litany of the Chemical Elements of LIGHT, the Treatise, the Reaction to the Treatise by the Beloved WALTER RUSSELL, and further Reaction by the Beloved QUEEN OF LIGHT.

The entrance of WALTER RUSSELL on this scene is a "New Reality". Add this to your list of "NEW REALITIES", as given thru the **RUBY FOCUS**. If you do not have it, we can send it, voluntary contribution, 50¢. This newest Reality is the entrance by WALTER RUSSELL from the "OTHER SIDE" into direct activity on Earth.

What is His competence to do so? He was the MICHAELANGELO of this Century, and on May 10, 1921, He began 39 days and nights of dwelling in His High Consciousness wherein He tapped, studied, recorded and charted "The Secrets of the Universe". This included the added new names of

Chemical Elements to swell the list to its present number of 121. He did not give the Litany of the Electro-Magnetic Chemical Elements of **LIGHT** as the natural steps to Mastership, now being given by the **RUBY FOCUS**. So He enters the scene in all the nobility of His Unified Consciousness to help and enable the **RUBY FOCUS** to do this.

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: WE gave you the beginning, a skeleton, of the Litany of Chemical Lights and Sensitivities of Our CONSCIOUSNESS.

By the way, the 121 Chemical Elements are the material bodies of these 121 Sensitivities.

Now--those of you who went into this Litany--did you find that you began to feel your "WITHIN" was being sharpened? Did you feel that rather than being memorized, these names were being photographed on your mind? Did you feel your Consciousness begin to be more defined? Did you begin to "light up"? Did you begin to feel as if you were expanded and were lifted out? Did you begin to feel and see yourself aglow? Did you begin to feel it was "I" Who was enacting you? Did you begin to feel that I could do within you, thru you, anything you could knowingly or unknowingly consent and coincide with ME to do? Did you see the TUBE OF GOLDEN LIQUID SNOW? With such you already came far in accomplishing the Precipitation of Whatsoever! Keep on keeping on!

We will be giving you refinement upon refinement of how to do. In Lesson I, WE gave you to vocally speak the Elements of the Litany. You will now do it silently, for instance, "Hydrogen", in this manner: While inhaling, slowly say, "Hydrogen," (4 X), four counts; then hold the breath four counts, wherein you are fully digesting this Energy; then exhale four counts. In explanation of this, WE need say no more now, than that you will find as you do this silently, you will first of all be charging yourself; whereas when you vocalized, the conventional way, you are using up and to an extent mis-using your Energy. You are to an extent blocking your intention.

Garman speaks: We do, however, suggest still another way. And that is to leave out one part of the way we have this moment given to you. Simply leave out the four counts of "hold". All this matter of silence and breathing will be fully explained as you go along. The accompanying Chart fills in the skeleton chart from TOMION to GAMMANON. Daily meditate as much of this Litany as given to-date.

We recommend another change concerning this Litany. At the beginning of any session of giving it, instead of using, "EL MORYA, (10 x), LIGHTED ENERGY, (10 X) AM-MA." (3 X); use, "WALTER RUSSELL 9 X), HOLY SCIENCE (9 X), "AM-MA." (3 X). This change concerns only this Litany, never any of the other work of precipitation previously given.

REACTION OF MASTER WALTER RUSSELL, REGARDING FATHER-MOTHER-FIRE-FLAME-LIGHT'S TREATISE, thru Garman, February 21, 1975
"NATURAL STEPS TO MASTERSHIP", "ELECTRO-MAGNETIC CHEMICAL WAY"

WALTER RUSSELL, thru Evangeline: The IDEA of these sensitivities is fine. Masters are in command of these sensitivities. EL MORYA decrees, "Light Consciousness," ten times, etc. This is a high note in the litany. HERCULES decrees, "Mercury and Uranium," for immediate finance. ST. GERMAIN-EOLIA decrees, "TUBE OF LIQUID SNOW FROM THE GREAT CENTRAL SUN," and this is one of the highest frequencies. All of these decrees light up the consciousness. I have heard that "THE LIGHT OF THE ASCENSION FLAME, TWENTY FOUR HOURS A DAY," is one of the very highest frequencies.

Upon reading, reading, reading the names of these sensitivities, it might appear that you photograph these vibrations into your conscious-

ness: Do not strain to memorize!

Then again, without strain comes a sweetly subtle etheric maneuvering, these various sensitivities sprouting out as a vegetable garden, or a budding bush, heavy with fruit.

These are the powers beginning to accrue. You wonder where this new predominance comes from. It was all so miraculous! You will have become as the man who can stop bleeding without medicine, as per the man who cannot and needs a doctor and a bandage! I have seen buses stop, thru a raised finger! THE GREAT PHYSICIAN WITHIN HAS AWAKENED! There are many individuals on your Earth who have these powers in force!

However, be careful of how these powers are used. DO NOT EXPLOIT THEM! THEY ARE THE GOD WITHIN YOU EXPANDED AND AWAKENED INTO FULFILLMENT! THESE ARE THE MARKS OF THE MASTER, EVOLVED PART AND PARCEL OF FATHER-MOTHER FIRE-FLAME-LIGHT EXPRESSING THRU YOU!

Have I in any way enlightened you? I AM WALTER RUSSELL.

EDITOR: Since MASTER WALTER RUSSELL has entered the scene, you can now begin the Litany Session with "WALTER RUSSELL, (9 x) HOLY SCIENCE, (9 X) and AM-MA." (9 X)

"E" asks the QUEEN OF LIGHT for a Reaction of FATHER-MOTHER-FIRE-FLAME-LIGHT'S TREATISE, thru Garman's Voice Box, "Natural Steps to Mastership" and "Electro-Magnetic Chemical Way," Lesson II.

QUEEN OF LIGHT: I have looked around, and I see that many wonderful people unconsciously are in command of these INNER SENSITIVITIES. They do not recognize them as so many phases of DIVINE EVOLVEMENT. For instance, study the techniques of KARATE. What wonderful physical maneuvers are portrayed in this profession. Also, in MAGIC (when it is true MAGIC). Remember the great Magician, Houdini. His prowess was magnificent, magnified beyond all comprehension, until a physical block, pains of appendicitis, kept him from emerging from a tank of water in time and he drowned.

This sensitivity was stunted, though it was a high degree. EXPLOITATION BRINGS DISASTER, EVENTUALLY, ALWAYS.

We believe that the reason of being for these sensitivities, developed, would be INSTANTANEOUS HEALINGS, INSTANTANEOUS PRECIPITATIONS OF NEEDS AND LUXURIES (I WOULD SAY PROFITABLE ON YOUR EARTH TODAY). INSTANTANEOUS KNOWLEDGE WITHOUT BOOK LEARNING OF SCHOLASTICISM, (ANOTHER ASSET).

I know that in My own ETERNAL LIFE, I must use these Higher Frequencies, without knowledge or intellect. I AM blessed with a Divine Momentum. I do not need to know. I might add that if you attune nightly to the INFINITE for LIGHT, LIFE and LOVE, you can automatically develop these beautiful priveleges. TRY IT!

In CHRIST LOVE, I AM QUEEN OF LIGHT, SUNBEAM OF THE GREAT CENTRAL SUN.

ALPHA AND OMEGA CHANNEL THRU EVANGELINE

ALPHA AND OMEGA speaks: Beloved Garman, WE ARE very much in your vibration, and WE have gifted you with a new technique for decreeing!

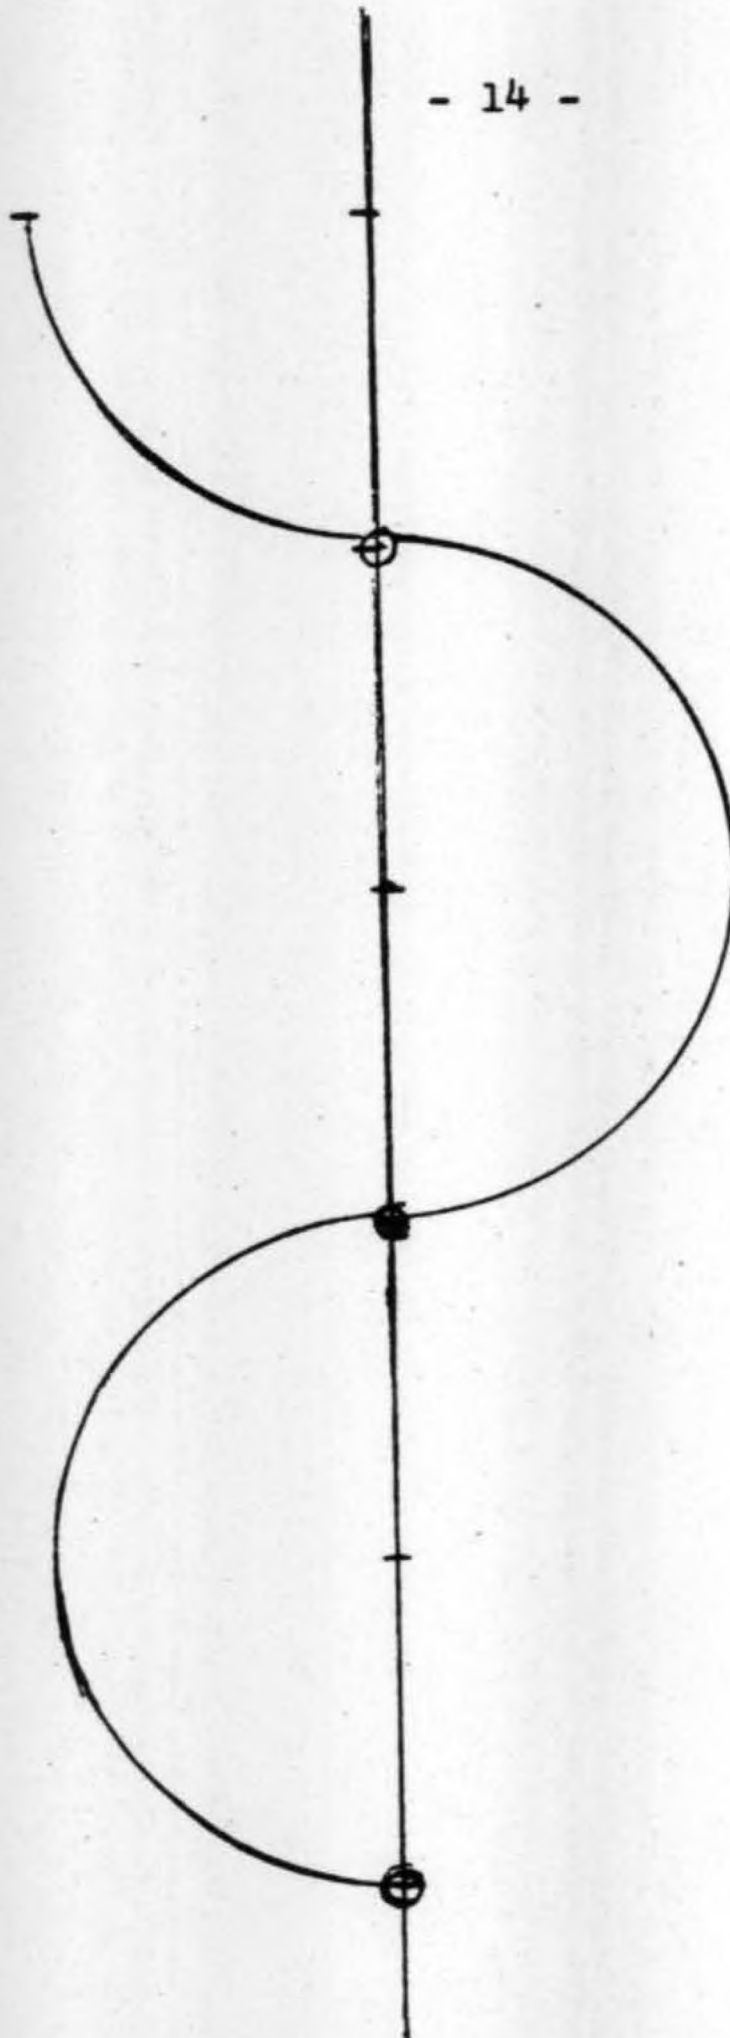

WE have felt that you and your faithful associates have been using far too much of your own pranic strength. So, WE have given you this new idea to first say the decree, and then breathe "in" the decree, "hold" and then breathe "out". You will discover that you and yours will be wielding the LIGHT encased in the mantrum (or decree), thru your INNER CONSCIOUSNESS. The effect will be a keeping of your own strength.

As you realize, WE ARE from the GREAT CENTRAL SUN. May WE remind you that in the beginning, GOD BREATHED over the Planet Earth, and lo!

Because you are talking directly to the INNER REALM. Another Angelic Being on Earth wrote, "MY WORD SHALL NOT RETURN UNTO ME VOID, BUT SHALL ACCOMPLISH THAT WHEREUNTO IT IS SENT." MESSAGE FROM LORD MAITREYA-DIVINO, to Evangeline.

Dear One, it is a cold, frosty, last-of-February day, a typical Winter day, for a roaring fireplace! Just a splendid setting for one of our "INNER SANCTUM-DIRECT CURRENTS, today from ME!

As you view the FLAMES, (FATHER-MOTHER FIRE-FLAME-LIGHT), you are entering a consciousness of receptivity.

I will speak of LOVE, that beautiful DIVINE LOVE, which weaves its soft and golden threads into a Mosaic Pattern, its WHOLENESS universally uniting the Earth!

Thus it will express in whatsoever semantics of the numerous environments, all singing PRAISES of LOVE, the LOVE of the FATHER, THE LOVE of the MOTHER, the Loving HEAT WAVES of FIRE-FLAME-LIGHT! This becomes the AURA of the GOLDEN AQUARIAN AGE, which we are all awaiting!

Do not interrupt this COSMIC PROGRAMME, unless you wish to lengthen the days of mildew which you are suffering on your Earth today!

The soft, pink cloudlets in the sky are filled with Universal LOVE-BEAMS, spreading over the Earth, to silently mirror into Higher Life-streams of humanity, lifting the consciousness to LIFE, LIGHT, LOVE and ETERNAL FULFILLMENT!

MESSAGE FROM SERAPIS BEY, thru Celeste, February 19, 1975

Good afternoon, Beloved Ones. Whether you believe it or not, the sleep state is one time that the Soul travels. It is released from the body during sleep, and when the "shell" lays in bed, peacefully, the Soul, the High Body, can fly away to many places, and do much work in that sleep state, and the physical knows nothing about it.

And some day you will all have recall and know where you go and what you do over behind sleep. So really the veil is very thin in that department, also. And there will be times you won't know whether you are walking the Earth or whether you are walking on a cloud. In many respects the veil is very thin, and when your eyes are open you will discover that, too, and your ears, and you will not know whether you are hearing something upon the Earth or whether you are hearing something in the Higher Heavens.

So you see there are many, many beautiful, wonderful things that are in store for each one of you, in due time. And the time grows nigh, for this beautiful Earth to be cleansed and purified. And mankind also; WE cannot leave him out, for mankind is very important for his purification and cleansing, whether he remains on Earth or whether he is taken thru the "Swinging Door" during the cleansing. And when the cleansing has been completed you will not know the Earth; for the old things shall pass away and there will be everything NEW--"A NEW HEAVEN AND A NEW EARTH." And you will be NEW too, for you, too, must go thru that change.

It is not a change called "death"; that is no more. REALLY, it never has been, for Life is ETERNAL; it is just MIS-UNDERSTANDING of one of GOD'S Laws.

And so for this afternoon, I will leave you in LOVE and the LIGHT of the ASCENSION FLAME, that you may see those Iridescent Dew Drops, as

you saw the snow flakes the other day. I will bid you farewell. But I shall not go away. I AM very close, in consciousness.
I AM SERAPIS BEY.

CORRECTION OF ERROR

On page 17 of the January-February Open Letter, begins the "Message from Beloved Pacifica." This was channeled thru Celeste, not thru Evangeline, as stated.

In the last paragraph of this Message, Page 18, are the words, "You can get TRANQUILITY thru mentioning My Name. The word "TRANQUILITY" here, does not refer to the ELOHIM TRANQUILITY; it means Tranquility of the Mind.

In the sentence, "And if you are at odds with yourself or some one else, just think of ME and My beautiful Name," the NAME is PACIFICA.

REQUESTS FOR HEALINGS

Requests for healings and solutions are placed in Beloved MOTHER MARY'S Basket in LORD GAUTAMA'S Abode. Thousands have been greatly helped. Beloved MOTHER MARY lovingly invites you. SHE says, "I send a special Blessing to each one of them, even tho some of them are not ready to be healed. But all of those who are READY to be healed and have ASKED for healing, I give them a very special Blessing, that they may be healed, in the NAME and POWER of Beloved FATHER-MOTHER-LIGHT and My Beloved SON.

And at another moment, MOTHER MARY said, thru "E", "Many, many letters go into My Basket in LORD GAUTAMA'S Abode at the RUBY FOCUS. Some are healed, some are not healed. For instance, two relatives 'phoned in for a healing. One was healed instantly, the other did not receive a healing. The answer is that the one healed had an open consciousness to receive the ESSENCE! This is the same LAW by which the MIRACLES of Katherine Kuhlman and other dedicated healers are accomplished. THERE IS NO OTHER LAW! I AM so happy to continue to send My CONTINUOUS ESSENCE OF LOVE daily, into that Blessed GREEN WICKER BASKET!

"Always MOTHER MARY in UNIVERSAL MOTHERHOOD."

NEW INSTRUCTIONS FOR GOING TO THE CAVE OF LIGHT

Special New Accommodations

MASTER "R", THE DIVINE DIRECTOR, invites you to visit the CAVE OF LIGHT in India. You are invited to ask to be taken to the CAVE OF LIGHT, night after night, week after week, if required. You will be placed in the Acceleration Chair. Thousands can be handled. Each has his own Chair of LIGHT.

You will receive Electro-Magnetic Currents of Strength, Health,

Longevity--in fact, all the qualities that you especially need. You will receive the Laser Energy to Earth--that you do not sink out of this picture for lack of the frequency you must have to remain in it. You will herein receive preparation for following ASCENSION SERVICES in the Sedona RETREAT of SERAPIS BEY.

Do not longer make requests thru the RUBY FOCUS to go to the CAVE OF LIGHT. It is now so that all can make the requests directly to the DIVINE DIRECTOR.

Write a note of request and place it on bedside table or under pillow. This note is a request that you will be taken by a Seraphim. Write a new note every night, and burn the note of the night before. Your note will receive the same service as if it had been done by the RUBY FOCUS. The RUBY FOCUS remains Host to the CAVE OF LIGHT, but has been relieved of certain routines connected therewith.

By Garman Van Polen

"ACTUALLY YOU", by Garman and Evangeline Van Polen and Lady Master THERESA MARTIN, is a most unique book. Because of the transcendental messages to Garman Van Polen from the CREATOR, named herein, "FATHER-MOTHER FIRE-FLAME-LIGHT", this account may readily be termed a Bible for the NEW AGE.

"All chapters in this New Bible, just by the reading of them, will raise one's vibrations. These can also become a "Mecca" for the seekers of Light and a primer for Soul advancement." Reviewed by Evelyn Hall Smith.

THE NOVEMBER, 1974 OPEN LETTER

We have given you no work of greater consequence than that Open Letter. We refer more specifically to the Treatise beginning on Page 2, which gives the litany, the program for realizing, to become a "**RUBY FOCUS RAINBOW RAY SUB-STATION**". It really makes one become what this **RUBY FOCUS RAINBOW** is all about.

FATHER-MOTHER FIRE-FLAME-LIGHT and the MASTERS have with one accord declared this Treatise to be "A Masterpiece":

We must again and again hold this Treatise before you that it gains the recognition of everybody! We must say that every student must have it! Only with it is he complete! in the **RUBY FOCUS RAINBOW RAY**!

November, 1974 Open Letter. \$1.00 Voluntary Contribution.

SUBSCRIPTION PRICE

We have always sent our OPEN LETTERS free upon request. Voluntary Contributions. This remains our policy, with however, a modification.

Very many, when first subscribing, have asked, "What is the price

of the OPEN LETTERS?" We have never had a price. This is where we make the change. Our price is now a minimum of \$10.00 a year, or \$1.00 per single copy.

We are always aware that some people cannot pay a price. For instance, a person with a Social Security mite. Such and others in like-wise honest positions, will please discount the price, accordingly as dictated by their PRESENCE in their hearts. There are those who are directed by FATHER-MOTHER FIRE-FLAME-LIGHT to give substance exceeding price. Please note that in the "RUBY FOCUS" RAINBOW RAY Consciousness, the test of fulfillment is always the letting of the WILL of FATHER-MOTHER FIRE-FLAME-LIGHT, plus the awareness of the response of FATHER-MOTHER in the Consciousness and Action.

On this same subject there is a further task. There are Groups of students who receive OPEN LETTERS distributed to them by their leaders. With very rare exceptions of Groups, depending on circumstances, the individuals of the Groups should eventually render to the RUBY FOCUS at Sedona, some form of evidence of their recognition and appreciation of the OPEN LETTERS, etc. It could go meaninglessly on and on. What form of evidence and how much? That is between the FATHER-MOTHER FIRE-FLAME LIGHT INDIVIDUAL PRESENCE and the outer self. But recognition there must be!

We ask each Leader to take this up with the Group, and bring it to a reasonable conclusion! We are exceedingly grateful for your beautiful Service to THE LIGHT and the GREAT ONES, to Whom we are grateful, as to the Leaders and Groupsters.

MODEL ORDER OF SERVICES OF THE RUBY FOCUS

This is the Model Order of Services for both the individual and the group. It puts thru a whole ceremony of decrees, songs, messages and prayers. It is the Model for making one's own Model of Services.

EXCERPTS FROM LETTERS

War, war; it shall be no more.
Now peace shall rule the land,
And men shall walk hand-in-hand.
Hunger no longer will exist
Now, everyone will eat in bliss.
Money no longer will mean a thing.
Love now will rule all things.
Sickness will be a thing of the past.
Harmony and Health will last and last.
No more people talking behind your back.
At last we'll all have the true knowledge we lack.
Soon all will kneel before the truth.
Father-Mother-God and Angels, too.
And the Ascended Masters will be with you.
There will be no more natural disasters,
For then we'll all be Ascended Masters.
Love, Light and Truth will be the plan of the day,
And everyone will be headed in the same way.
Thank you, Lord, for letting me see your plan
That a child shall lead the lion and the lamb,
And Peace shall rule all this land. --Cindy Vincent.

A.J.L.: As I looked at the photo, you became Pillars of Light, then glowed and sparkled. Then waiting several minutes, I was unable to see the picture of you normally. I often see you as Light, but this seemed quite different--brighter and permanent. It made me wonder if your transition was about here. Somehow as I gazed, I was filled with Joy and rejoicing and could hear a Chorus of glorious singing. My face was wet with tears, but I felt that I had witnessed something so great and so precious, and the knowledge that you would be with us always.

D.K.: Never have I seen so dear a picture of any two people! or even any one "people" either. Thank you so very much for sending it. It is like a delicate and fresh Spring breeze passing over beds of flowers.

C.C.: The Open Letter is truly as wonderful as ever, a never-ending surprise. I appreciate this work you are giving just enormously. It is all a grand inspiration.

The OPEN LETTERS ARE MAILED UPON REQUEST. Nominal contributions of \$10.00 per year, or \$1.00 per single copy.

ANU AUM AGUA: (FATHER-MOTHER-LIGHT, thru us, loves you!)

SIANATA: (We never part.)
