**OPEN LETTER      NOVEMBER 1973  
DECEMBER**

**Temple of the Ascension Flame  
at Sedona, Arizona**

Mercurial are the changes thru the Inner Realms, even before this Open Letter is out - there may be graduations! Just so! The BELOVED SERAPIS BEY started the removal of His ASCENSION FLAME RETREAT from Egypt - to the Ruby Focus - Land of Soul, Sedona, Arizona where HE has "feeling" of Love and Trust and Harmony.

Lovingly dedicated to SERAPIS BEY'S ASCENSION FLAME RETREAT,  
at the RUBY FOCUS, LAND OF SOUL, Sedona, Arizona

Beloved Ones:

The Iridescent Dew Drops of the ASCENSION FLAME are shooting out Great COSMIC LIGHT. Even unascended people are feeling IT, perhaps in fright! This is indeed "the final wave" and is establishing the GOLDEN AGE to be brought forth!

Another terrific FORCE is the COMET, manifesting perhaps even before you read this Open Letter. So you see, dear ones, many wonderful vortexes are revolving in the Heavens, pertinent to Earth. Says Beloved SERAPIS BEY: "Let nothing surprise you! Keep an open, flexible mind to receive and accept, otherwise you will be absorbed into the Infinite Realms. This is a time when the most fascinating overtures in LIFE are being played upon the COSMIC ORGAN. There will be strains of manifestations never been known as yet in the Knowledge of this great Earth! Develop your INNER EYE; develop your INNER EAR. Pray for Discernment. None can tell you. You wouldn't believe it; you must "see and feel and know" by yourselves, SO GREATLY FANTASTIC ARE THESE MERCURIAL CHANGES: THERE ARE HEAVEN-SENT CHARIOTS OF LIGHT.

Another phase of ILLUMINATION I must speak of to you, dear, dear seekers of TRUTH, "BEGIN TO COURT THE INTERPLANETARY HIGH MEN OF WISDOM. GET THEM INTO YOUR CONSCIOUSNESS." One fine way to do this is to play Their tapes. These tapes can be procured for you thru Samuel George Partridge, President of MAGNIFICENT CONSUMMATION, 116 Mercury Drive, Grass Valley, California, 95945. He, himself, is building the MONKA RETREAT; and here will become a "Reservoir" for these Blessed Teachers of the INTERPLANETARY KINGDOMS. THEY say: Earth of emerald color is as beautiful as the jewel, but wretched in dense consciousness, except for the LIGHT WIELDERS, unfortunately in the minority. All this will be adjusted, harmonized and raised, thru the Cleansing, about to be. Herein is the service of Interplanetary Spaceships. The ASCENSION FLAME RETREAT will be a "BUSY STATION" in these days to come--SOONER THAN YOU THINK!

Within the scope and meridian of the ASCENSION FLAME RETREAT are one thousand Seraphim serving the FLAME! It was so easy to move the FLAME OF THE ASCENSION from Atlantis to Egypt--within the palm of the hand! Once established in the land of Egypt, it was likened unto "the loaves and fishes"; for a magnificent TEMPLE was built, and it took many years! Then came the "INNER LIGHT", for those who loved to "bask" in the LIGHT, just as you dear ones are, "Bathing in the LIGHT OF THE ASCENSION FLAME, 24 hours a day."

In this new era, the ASCENSION FLAME RETREAT has again moved, to Sedona, Arizona. It has taken from July, 1972, to even yet in transition, but it has not been laborious because of the MERCY of the TWO NEW LIGHT RAYS of COSMOS. Released are LASER ENERGIES. With the winds of the ethers, this moving is being accomplished, very much in the same

vein as were the pyramids--Electronic-Magnetic Energies--guided and directed by thought!

Such are to be the buildings of the eve of tomorrow! This brings on a description of a tabernacle, now being built, stone-by-stone, without the hands of human, and without the atrocities of banks with their exorbitant interests.

THIS IS THE WAY OF THE GREAT CENTRAL SUN'S FATHER-MOTHER FIRE-FLAME-LIGHT GIVING STRENGTH FROM THE GOLDEN LIQUID SNOW, THE TWO NEW LIGHT RAYS. WE say, "IS" as THEY ARE ONE POWERHOUSE OF POLARITY. Eight (8). This is why the number eight is such a tremendous mathematical symbol.

Going off now in another direction, I would like to explain why I, with the HIERARCHAL GROUP, decided on Arizona as a fruitful place in which to move the ASCENSION FLAME. If you have read ST. GERMAIN'S beloved Book No. 3, of the I AM SANCTUARY, you will read at the bottom of page 46 in italics, that the Arizona Desert is the etheric city for America. There are two other desert areas in Arizona: Beloved Yarnell, which Dorothy Thomas, bless her, tried to make Holy Ground, and Tucson, the HOME RETREAT of ERIEL and FUN WEY, who have glorified the fortress of that most fantastic city of CHRIST LOVE!

But I sent My LADY with the embroidered heart on her chest, to Sedona, Arizona, knowing that I had chosen that part of the desert to move the ASCENSION FLAME. SHE has rounded out three years, awaiting My physical arrival.

Perhaps you would like to read something about My Humble SELF. Skipping an interim of many millions of years and bringing you right up-to-date, when I dedicated My service to the Blessed ANCIENT ONE, SANAT KUMARA of VENUS (present picture of HIM is young and vibrant), I became the "Spark Plug" for a Great MISSION. I was getting in readiness the Great City of SHAMBALLA on the Gobi Desert. This was a salute and welcome for SANAT KUMARA. There were forty-five of US, to initiate this service; forty-four were sent home to Venus, and I was kept to perform this great, rewarding privilege, for the Beloved SANAT KUMARA. Who Else? For was I not His and LADY VENUS' SON? HE WAS MY FATHER AND SHE WAS MY MOTHER.

This is a brief kaleidoscope of the Eternal Pilgrimage of the now ME, SERAPIS BEY of THE ASCENSION FLAME RETREAT in Sedona, Arizona. And so it goes on and on and on.

Decree for this Season: "THE BELOVED SERAPIS BEY AND CELESTE AIDA ARE SPRINKLING THEIR IRIDESCENT DEW DROPS ALL OVER THE EARTH TO INCORPORATE THE "ASCENSION FLAME CANDIDACY."

I AM SERAPIS BEY of the ASCENSION FLAME RETREAT, Sedona, Ariz.

#### LORD GAUTAMA'S QUESTION AND ANSWER DEPARTMENT

"E" asks: BELOVED LORD GAUTAMA, is there a message? I am not going to ask a question; I will leave it to YOU to tell me about what you wish to speak.

LORD GAUTAMA: Well yes, I would like to speak of the romance of the RUBY FOCUS.

"E": Who doesn't thrill at romance?

GAUTAMA: Sixth Ray, formerly the now dissolved Gold; now it is Ruby--RUBY FOCUS is now in full sway. This RUBY RAY came into evidence to Earth consciousness in 1967. SANANDA had taken the Title of Administrator of the RUBY FOCUS, and the HIERARCHY transferred His JESUS Office of Chohan of the Sixth Ray to His Divine Complement, LADY NADA. Subsequently, the HIERARCHY voted in as Chohans of the RUBY FOCUS, G.V.P. and the QUEEN OF LIGHT, Divine Complements. Beloved JESUS, Chohan, became

JESUS-OF-UNIFICATION with MICHA (Jewish). His Beloved LADY NADA is now serving with His dear Mother, MOTHER MARY.

Ah, yes, many, many mercurial changes have been and are coming! LET'S NOT PLAY AROUND WITH LAST YEAR'S RADIO PROGRAM!

It is LOVE, now, the hour of the COMET, another STAR OF BETHLEHEM, visiting Earth again. (By the time you are reading these words, the COMET will have become evident to Earth.)

I might hint that the RUBY FOCUS is connected with the COMET, inasmuch as the RUBY FOCUS is custodian of the RAINBOW RAY CONSCIOUSNESS. (Yes! It is all in the Fourth-Dimensional Mind.) The Sixth Ray is now the RUBY FOCUS, since 1967 A.D.

The etheric STAR (RUBY FOCUS) had been in Grand Canyon as the TWENTY FIRST RETREAT. IT has shimmered down to Sedona, Arizona. Each Saturday evening, the beloved, dedicated Earth Staff of the RUBY FOCUS, call upon TRANQUILITY AND PACIFICA, ETHERIC ELOHIM of the RUBY FOCUS, to pour down upon Earth those MAGNIFICENT PLUMES of RUBY FLAMES, consummating the RAINBOW RAY CONSCIOUSNESS. INCREDIBLE? Well, yes, but look now for the INCREDIBLE (complete reversals of the "way of life").

There is to be much cleansing, Earth expulsions here, there and everywhere. This is to hasten in the AQUARIUS GOLDEN AGE--there is cleansing thru the sky. Those who are ignorant of Cosmic goings on--90 percent of people--will enter other spheres; not die, as there is no death.

Beloved ones, you have been My Disciples, even unto the days of My CONCENTRATION SCHOOL in INDIA. I shall never forsake your interests.

Decree: "LORD GAUTAMA-DIVINO is blessing us with radiant Good Health, Prosperity and Longevity as long as needed."

Remember "as long as needed"--there is no more apathetic sight to behold than an aged person alone in the world, trying to hang on to something too big for handling. I have known of people looking in the mirror and decreeing to live to be a hundred, and perhaps a daughter exhausted with their burden exclaiming, "Mother, who is going to take care of you? There will be none around to help you!"

My advice to you and your disciples is that you let FATHER-MOTHER-LIGHT measure your years wisely. Let a new venture open to you on another plane or retreat. You will love this new existence! GO IN PEACE and LOVE and FAITH; THERE IS NO DEATH!

I AM GAUTAMA, LORD OF THE WORLD; LORD DIVINO, the New BUDDAH.

#### THE COMING OF THE COMET

By Sara Gran, of the Mandel Foundation, Inc.  
St. Petersburg Beach, Florida

Sara Gran: We have contacted the Spirit of the COMET, and we have a message from SIRONIUS. As you know, the attention of the astronomers has been attracted to a certain manifestation of the heavens, coming toward our Solar System, and it comes closer and closer, until by the end of December it will be plainly visible in the heavens and perhaps even in the day. It is a tremendous, what we call, COMET. It has a large, solid body and streamers of Light flaming out from it for perhaps a million miles.

There has been a great deal of speculation concerning this COMET, and some prophecies have been received and confused with the advent of the COMET as another Sun entering our Solar System. This COMET has been seen vaguely by many clairvoyants and sensed vaguely by many psychics. And we have endeavored to find out exactly who this visitor is and what is its purpose, as it is approaching our Sun; and so today we have con-

tacted the Spirit of this COMET. And we resolved to have a message from this COMET today. It is called by the astronomer discoverer, Kohoutek. But it has its own name, which it will tell you.

COMET: Who calls Me? Where are you who calls Me, beneath the cloud cover of the blue planet? We feel Rays enter into our Consciousness. I AM SIRONIA, and I speak for SIRONIUS. We twain are ONE. We twain are ONE. AFFIRMATIVE! AFFIRMATIVE! We will speak with you, yes.

We come from far away, billions of Light years away. We were born beside the black hole of INFINITY, near the great Heavenly Bodies which emit the high-frequency radio signals to the UNIVERSES, speaking, transmitting many things which are received in many worlds with gladness and with understanding. We Who speak to you are both corporal and ethereal. We are both body and Spirit. WE ARE united in LOVE, being complete, both male and female. We are strange to your ways of expression, no doubt. As We are strange, you are strange to our ways of expression.

We come among you with a purpose, our solitary path being blessed by the COUNCIL OF PLANETARY SPIRITS and the LORD OF THE SOLAR SYSTEM, as it is necessary for Us to eclipse your Sun and return again, an experience needed in the completion of this round of our evolution. Our Spiritual Fires and Lights extend far out, being a reflection from our Innermost Being of all experiences We have gained in our journeys thru the Universes. Time is naught. There is only Spacial Concepts with Us. Only Spacial Concepts. How Infinite, how beautiful is Spacial Concept. We continually strive to widen horizons, to learn, to gain by experience in preparation for that glad eon when We shall no longer be a Wanderer; but as born of FIRE and of WATER, We shall evolve into a period of greater service and a period of upliftment to serve Our CREATOR, in whatever capacity We are fitted into, and for which We have become fitted by reason of our evolution.

We know that there must be somewhere minds capable of comprehending that which We are saying, else you would not have approached to our Consciousness to bring into being this opportunity for communication.

We come, as We said, among you to make our journey around your Sun. We shall learn by this journey, upliftment and vibration. We shall gain from the Forces of Magnetism and the outpouring of unselfish LOVE from the Spirits of the Planets and from the FIRE OF ETERNITY manifested in the material appearance of your Sun, one of the elements in the building of the Universe which it manifests continuously, and the Spiritual outpouring of THE GREAT CENTRAL SUN as We come near at this point of approach, at the end of this Planetary Cycle. We shall gain much. We shall be uplifted. We shall be magnetized. We shall be vibracized. We shall be vitalized. And We shall go our way with BLESSINGS from the experiences gained from the acceptance of Spiritual Energy that We seek in order to go another rung up on the Spiritual Ladder.

And what shall We bring to you? We cannot take without giving. We must earn that which We get. This is the lesson We have learned in our journeys thru many Solar Systems. And what shall We give you? We shall give Energies to you that the forms that are strange to our ways of expression may pick up the added vibrations of physical strength that We broadcast as We go on our journey thru your Solar System. We shall send out vitalizing red rays that shall energize physical cells of whatever type of being you are, from the lowest on the ladder of evolution to the highest, from the manifestations of nature, whether they be of animal, whether they be of Spiritual encased in bodies, that you receive as We send it out, for We must earn the BLESSINGS We seek thru the journey thru your Solar System.

We ask that even though you be strange to our way of expression and We be strange to your way of expression, remembering We are all creations and embodiments of Divine Spirit, We ask that you feel yourselves akin with Us and that We all join in songs of LOVE, of PRAISE and GRATITUDE to THAT GREATEST OF ALL, THAT FIRST CAUSE, THE CREATOR; and oh! those who worship tribal gods, look up and see the tremendous scope of THAT ONE Who IS THE CREATOR. We worship only THE CREATOR. We respect all AGENTS of His, no matter whether They be Angelic Beings, whether They be Planetary Beings, or Solar Beings, or even the Darkness itself, beyond the Wall of INFINITY, where the great QUASARS are continually issuing Their message.

We see all as being expressions, and so We, too, are expressions as We were created to be. And We know that you are expressions. Though We do not behold you, you shall behold Us; and when you see our Form in the sky, send us your BLESSINGS and your LOVE, for far reaches of Space are cold and bare; and the LOVE and BLESSINGS of all Planetary Beings and Solar Beings and all forms of Life inhabiting many planets are very welcome to Us, for they warm our solitary path and give Us the experience of receiving LOVE.

I AM SIRONIA-SIRONIUS.

DECREE: "WE ARE exchanging Energies of Red Rays, Ruby Rays and the RAINBOW RAY with SIRONIA-SIRONIUS of the approaching COMET, to be mutually uplifted, magnetized and vitalized." (3 X) AM-MA. (3 X)

JESUS-OF-UNIFICATION: As I said before, I AM JESUS-OF-UNIFICATION. I wanted to go over this with you. Do you notice that the rays They are sending are red? (Yes.) RUBY FOCUS! RAINBOW RAY CONSCIOUSNESS! Do you understand? (Yes.) Now I want you, each one of you interested, to play this tape every night before you go to sleep. Will you do that for ME? (Yes.)

Now, WE ARE very busy with the TABERNACLE, on the hill. And you will be happy to know that the escalators are being built in, up to the top of the hill, and the sliding walks into the TABERNACLE. That may please you. Now this is the TABERNACLE not made with human hands. This is the supernatural. GOD, FATHER-MOTHER FIRE-FLAME-LIGHT, THE GREAT CENTRAL SUN, ALL WORKING TOGETHER.

And these COMET BEINGS are very humble. THEY did not tell you half of Their significance. THEY did not tell you their Powers, of which THEY do not know of THEMSELVES. But THEY ARE of the UNIVERSAL CHRIST CONSCIOUSNESS. Does that make you happy? The old world slips away thru Their coming. And the New World of AQUARIUS, HALLELUJAH! HALLELUJAH! HALLELUJAH! is being ushered in--and by MICHAELMAS you will know pretty much what IT is all about. Yes, indeed! And then accept the beautiful reformation of CONSCIOUSNESS of all people--LOVE and great LOVE, where the lion and the lamb shall lay down together and a little child shall lead them, toy with them, play with them. That is the plateau for which the GREAT of the COSMIC are working. And it is true; it is true; IT IS TRUE! LOVE YE ONE ANOTHER! LOVE YE ONE ANOTHER!

I AM JESUS-OF-UNIFICATION. Good morning.

#### A FURTHER MESSAGE FROM SANANDA

I AM your Administrator, guiding you. I would like a brief resumé here. You will recall the great eclipse of 1962, in your Earth time; then I will carry you on to 1967 when the wonderful LIMITLESS LOVE AND TRUTH came thru, and those who were in the Higher Consciousness received a shake of the New Age entering, and those who were surface thinkers got nothing.

And so I will carry you now into the era of that which is incredi-

ble to the human mind, that many wonderful things are about to be. About this COMET, it will frighten people because of the red rays, but it will give the RUBY FOCUS much more respect and will be related in some intangible way. For you must relate yourselves to these magnificent Beings thru Consciousness. You know it has been a long time coming, this inter-relationship. It has now come to the point of interplanetary; and you must study the different interplanetary tapes that you should be receiving, playing all day long, getting it into the consciousness, getting it into the atomic atmosphere of the Sanctuary, so THEY will be no strangers to you; for true THEY are coming--transported.

Long ago, with the advent of Little Old ME (JESUS), then going into Theosophy, then Mrs. Eddy with Christian Science, then all the other tableaux that imitated her, then into Religious Science, etc., and then into the Beloved Sanctuaries of the Ballards, then the Bridge to Freedom, then the Summit Lighthouse, and now the RUBY FOCUS, magnificently consummated, this year and next year. I AM proud to be your Administrator, of Whom you heard earlier today; and I AM the Higher Frequency, SANANDA. Good morning!

FATHER-MOTHER FIRE-FLAME-LIGHT TREATISE, thru Garman, November 5, 1973

"TO PRECIPITATE WHATSOEVER"

PART II

"PRECIPITATION AND THE ALL-SEEING EYE"

Garman speaks: In Part I of this work, FATHER-MOTHER FIRE-FLAME-LIGHT instructs on how to take nourishment by means of thought, as, "FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, as the Essence of this or that food." This instruction was greatly more than the mere mentioning, relating of such precipitation. It was the actually sitting down to take nourishment. We did not merely read a Treatise. We sat down and performed the Treatise as an actual on-the-spot feasting on the Essences of foods, elements, vitamins, etc. There are many courses and meals of such in that Treatise. So we partook many times, now and then--now this, now that. And we found they were sample meals, so that we could improvise for Essences of other foods, vitamins, etc.

We found it really worked. We discovered it to be fantastic that we could take nourishment that way. We sat down to our regular meals of our material food, then first prayed for the Essence of food to precipitate into our lifestreams and our bloodstreams, and we experienced that we did not eat as much as usually of the other. We came to realize that given the atmosphere of Life in which we would be compelled to take nourishment by thought, we will be able to do it. And there will be that condition in which we will need to do so.

Well, since the CREATOR, FATHER-MOTHER FIRE-FLAME-LIGHT, creates situations of such conditions wherein nourishment can be taken that way, and therefore creates, modifies, humans who can do it that way, it follows that we do it that way. "Two and two are four." That is all there is to it. But we have got to do it.

And so we begin to do it now. The Aquarian Age of such condition is already here. The TWO NEW LIGHT RAYS and the RAINBOW RAY and the LASER ENERGY are here to do. We say, "FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, as the Essence of 'such and such'". And we have it.

We shall sit down to the table which is set by FATHER-MOTHER FIRE-FLAME-LIGHT and with food provided by FATHER-MOTHER FIRE-FLAME-LIGHT, express Purest Gratitude and realize Purest Nourishment, while quietly singing, "Hallelujah!" That which cannot come up to the essential con-

dition fades out of the picture.

Well now, it takes LIGHT to do any and all such. So it takes top LIGHT to bring top results, manifestations, materializations, precipitation of Consciousness, Strength and Goods.

Now, everything is PRECIPITATION. All is cycling, precipitation, into existence and maintenance. And all is action of LIGHT, for there is only LIGHT. (Of course, FIRE-FLAME-LIGHT.) So there are lower actions of LIGHT and higher actions of LIGHT. To work in a garden or farm in the sweat of the brow to produce our food, even that is precipitation, though of a lower process, very much thru the muscle. Highest and lowest material--all is LIGHT. LIGHT is material, highest and lowest. Highest LIGHT precipitates highest material.

Now, what is the highest LIGHT in the human that brings the highest results, precipitations? FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, and FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, we now ask YOU that question. What is the Essence of the highest LIGHT in us? And what is the Essence of how to precipitate by means of that highest LIGHT?

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: My beloved Children, let us put that question in the form of our basic decree, which is first of all to say, "FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION (1 x), as the Essence of our highest LIGHT. (3 X) AM-MA. (3 X)"

When you have done that perhaps, though not necessarily, many, many times, you find you sense the meaning or REALITY of what you have many times heard called, "THE ALL-SEEING EYE." So you thereby increased your LIGHT to such amount that you now be aware you are endowed with the faculty of the ALL-SEEING EYE. Do this, beloved ones, until you have this Faith, Knowledge and Confidence.

So now you are ready to ask ME how to get into the practice of using the ALL-SEEING EYE THAT I AM in YOU; to live, move and have your Being in and with it.

So again we put that question in the form of our basic decree, and it is: "FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION: as the Essence of how to precipitate in the LIGHT OF THE ALL-SEEING EYE. (3 X) AM-MA. (3 X)"

You do this decree perhaps many times, until you finally come into the awareness and confidence that you are able to comprehend and perform a decree that is Pure and True Action of knowing and doing, of precipitating anything--all your living, in the ACTION of the so-called THIRD EYE, the ALL-SEEING EYE.

Wonderful! Wonderful! Wonderful! you feel. So you are ready to have the decree to discover THAT LIGHT WHICH YOU ARE. I give you now such a decree. It is: "I AM BATHING IN BELOVED EOLIAS TUBE OF GOLDEN LIQUID SNOW FROM THE GREAT CENTRAL SUN." Say it perhaps 27 times. While you are decreeing this, place the palm of your right hand over your forehead. That way, you are sensitively in touch with the NINE CREATIVE RAYS of the SEVEN ELOHIM and THE TWO NEW LIGHT RAYS, RUBY AND CHRISTOS; thereby transmitting to your four lower bodies the Consciousness of your high LIGHT. More and more you feel the PRESENCE of all these NINE RAYS. More and more you feel a solidity of LIGHT there, and a gnawing into your brain. And there is a growing sensing of the Glory of the coming into Realization of the SEVEN RAYS BEING BLENDED in an IRIDESCENCE of the TWO NEW LIGHT RAYS, IRIDESCENT RUBY AND IRIDESCENT MOTHER-OF-PEARL.

Yet, the vital central action is much more specific. That real development is in and thru the tube of GOLDEN LIQUID SNOW of which the decree speaks.

You said you were bathing in a tube. And perhaps, after or even before you have one hundred times given that repetition of the decree

and AM-MA, you will find a spot of LIGHT in your inner vision to your human awareness; this spot may seem to be in or over your head, while in REALITY it is in the Pineal Gland. This spot may be to your awareness gold or green or other color, and its shape and motion may be whatever it is to you, but probably a circle of quite uniform color surrounded by a sparkling, flaming, raying, fiery ring.

Now, this spot you are looking at in your mind's Eye, is the end of the tube you are asking for and bathing in. It is a Ray or Spiral of GOLDEN LIQUID SNOW that was concentrated on your Pineal Gland, and you became aware of it.

However brief or long the time, and however intermittently may appear this cross-section of the tube, you are distinctly aware, "That is IT!" It is what you were seeking.

Now, this is the crucial point in the operation. For at this point, while this more or less fleeting spot of LIGHT appears to you, you place in it your decree, your prayer, for whatever it is you are desiring--any consciousness, condition or thing you are asking to be precipitated.

Are you asking for Peace of Heart and Mind? Say, "FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, as the Essence of Peace of Heart and Mind. (3 X) AM-MA. 3 X)"

Please note that when decreeing silently, instead of saying, "AM-MA," it is better to say, "AM", while inhaling, say, "AAAAAAA," then while exhaling, "MMMMMMM." That is perfect polarity, more perfect than any way it could be done in audible voice.

Now, whatever you are asking for, you may need to place it into your tube many times over a more-or-less longer period of time. During such time, you are being given to develop the expression of your LIGHT so that finally PRECIPITATION can respond. Finally, My Child, I, FATHER-MOTHER FIRE-FLAME-LIGHT, granted you at the right time your need or luxury of Glory.

Let you be clear on this one point: It was not you that precipitated what you asked for--that was asked in and thru you. IT was "I", as IT was, too, "I" that asked in and thru you, granting that you were cooperating with ME by letting ME.

The product may have come thru any of a number of INDIVIDUALITIES of ME, maybe the INDIVIDUALITY of ONE known as a MASTER, or your own INDIVIDUALITY, or thru that of a flower that gave you Peace of Heart and Mind.

"I", FATHER-MOTHER FIRE-FLAME-LIGHT IN SILENCE and FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION have spoken thru My Spokesman, Garman, Partner in FIRE-FLAME-LIGHT.

"E" asks: Beloved QUEEN OF LIGHT, what is Your REACTION to the Treatise on "PRECIPITATION AND THE ALL-SEEING EYE", thru Garman's Voice Box?

Answer: It might seem that the greatest personal achievement of humanhood is PRECIPITATION. Much is being written on the subject, thru many agencies; however, the ART OF PRECIPITATION is very simple. "I AM PRECIPITATING LIGHT, THRU DIRECT INFINITE MIND." Many and varied modus operandi are given, all good, yet, many are not capable of seeing "tubes" or even envision. To them, let it be known that if they just speak the command, "TUNNEL OF LIGHT", or even the inward speech of meditation, if they do not see, KNOW IT IS THERE! ACTIVATING FROM A HIGHER FREQUENCY! IT WILL MANIFEST THRU REPEATED PRACTISE!

WE believe that it is sad that all cannot see the Glories of the HEAVENS.

There are those so evolved that they can see with their THIRD EYE. What great romance, they see is going on! They write it in a

book: FANTASTIC, it is true, but the HIGHER HEAVENS ARE FANTASTIC.

There are certain foods which are needed to feed the starved chakras; oils, essences such as sesame, mushrooms, etc. The chakras need food to function. Music is another very important aid in which the INNER DOORS MAY SWING OPEN. There is such music wherein all seven levels of LIGHT are charged into reverberation. Slowly and subtly, the strains open the INNER EYE, and LIFE changes into a joyous continuity of Mercy and Grace. PEACE OF MIND!

WE believe that the advent of the COMET is going to make great changes in the frequency of Earth. IT is the dawning of the Fourth, Fifth, Sixth and Seventh Dimensions, and these glorious Dimensions are being heralded into focus. The GOLDEN AGE of AQUARIUS IS NOW! dating from September 12th, 1973, on.....

Therefore, it behooves you to study well these precious words of FATHER-MOTHER FIRE-FLAME-LIGHT, thru Spokesman Garman of the RUBY FOCUS, MAGNIFICENT CONSUMMATION! THESE WORDS ARE BEJEWELLED. THEY GIVE TO THE READER INNER POWERS OF STRENGTH, REJUVENATION AND PRECIPITATION.

BLESSINGS! from My Humble SELF. I AM QUEEN OF LIGHT, anxiously awaiting this MICHAELMAS ERA TO WITNESS THE GREATEST YET KNOWN COMET TO COME FORTH IN THE SKY. Indeed! a STAR OF BETHLEHEM. Is it that HE IS COMING SOON? THE PRINCE OF PEACE? THE UNIVERSAL CHRIST in human body?

MESSAGE FROM BELOVEDS EL MORYA AND MIRIAM, thru "E"

"E": I feel some ONE wishes to say something for the November Open Letter.

Thank you. Yes! I AM EL MORYA. WE ARE EL MORYA AND MIRIAM. Let it be known that WE are not the exclusive possession of any one sect on the face of your Earth, Our Earth, inasmuch as I AM (WE ARE) on Earth even more than in the Cosmic Realms.

I give a brief resumé. I was Melchior of the era of Little LORD JESUS. I was one of the THREE who created Theosophy, The Secret Doctrine, etc. I became a Catalyst for ASTARA, the Matrix of those two sweet, young people, Earlyne and Robert Chaney. Then came My project, THE BRIDGE TO FREEDOM, which still stands on the Holy Grounds of Long Island. Beloved Mary Myneta is one of the flourishing seeds of LOVE from these days. She is THE MENTOR. Oh! how We love her!

WE poured our First Ray Energies into the Summit Lighthouse, and shared their birth-pains with them, and will watch their eventual maturity.

Now, because of My vital interest in the RAINBOW RAY, I AM committed to aid this dedicated little Group of Magnificently Consummated RUBY FOCUS STAFF. I invited My Hand, and they heartily received ME. There will come a UNIVERSAL WAVE of PRECIPITATED RADIATIONS, and this will issue forth from several Sources: FIRST RAY, the COMET, with ITS RED PLUMES of Radiating Energies, and from their own HOLY CHRIST SELVES IN ACTION. Finally, the veil is being lifted to reveal and fulfill the RAINBOW RAY CONSCIOUSNESS, to which I AM DEDICATED.

WE ARE ELMORYA AND MIRIAM.

Note: EL MORYA has been in tangible body many times. In 1938 HE brought in COSMIC ACTION of the RAINBOW RAY, walking thru America.

THIS IS MICHAELMAS! -- LIMITLESS LOVE AND TRUTH!

Letter from Mary M. Bartlett

Congratulations! dear Brother Garman! You have brought thru one of the most amazing bits of Good News ever published in behalf of sincere and devoted "advancing students". The Good News or THE PLAN I refer to is the recent Dispensation on the Part of BELOVED FATHER-MOTHER FIRE-

FLAME-LIGHT INDIVIDUALITY. In the past, the instructions have been that man has had free will to choose his path of experience in conformity with his ideals and activities in each embodiment--but now this design is to be changed, and what a blessed change it is to be!

I would like to quote the procedure, word for word, lest an extraneous thought slip in here or there quoting from memory. March, 1973 Open Letter, Page 4, "In all of your life and living there are two fundamental concepts. They are 'I', the SUPREME FATHER-MOTHER FIRE-FLAME-LIGHT; and you, the human ego. One is My Desire, Thought, Feeling, Will and Action; the other is yours, intrusive and contrary and negative to Mine. I give you no more choice.....Your free will is being deleted." Oh, this, dear Brother Garman, is the most amazing of announcements! I could shout, "HALLELUJAH!" with Beloved SANANDA and Others. And the announcement continues, "Now, you, of yourself, do nothing. I will do it all, yet in such a way that it is your doing. You are going to let ME. I AM in command! You will live it.....I shall take over your outer consciousness. My Desire, Thought, Feeling, Will and Actions, I shall make yours. You will love it; you will have to. There is no other way left for you."

When one catches his breath, he finds the KEY to the accomplishment of the PLAN is given. (Page 5.) "Gradually, it is My CONSCIOUSNESS becoming yours in Action.....My Life flowing thru your Lifestream is now as waterfalls plunging into your awareness. IT is all so beautiful. FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION."

Definitely, the implications of this Gracious Dispensation unto mankind is beyond the ability of the finite mind to conceive. The vision is almost too blinding and too holy to contemplate. What this can do for the benefit of all humanity and the upliftment of the Planet Earth is beyond human realization at this juncture. Yes, we shall love it! We shall revel in its ease, beauty and harmonious progression. No more devastating mistakes, no more hopeless failures, no more disappointments to chalk up as the sum of one's efforts in his embodiments. "That is all so beautiful," is an understatement, is it not? It descends upon us as Grace Divine--it is a Gift mankind has not earned, as yet. Not too many have realized their inherent CHRIST CONSCIOUSNESS, their Divine Will and the expression of IT in praise and eternal glory befitting that endowment.

Now the technique of action is outlined, pointing to the realizations of Truth, of Love, Peace and Joy illimitable! Words cannot approach the ascensions in consciousness possible to each, nor the opportunity for harvest of Glory Eternal! This new Path of assured Victory cannot be blocked nor altered. Ascension of body, mind and consciousness is a pearl beyond price. The vagaries of chance, the whims of partiality, even the vicissitudes of karma appear erased, and a whole new era of experience is prophesied for one's ecstatic anticipation!

Of course the rest of the Treatise is exceedingly rich in inspiration and food for meditation and study, but this New Age Announcement from FATHER-MOTHER is rare and voices deep pre-meditation. The Kingdom of Heaven on Earth is assured. It would seem that death is stopped in its tracks and birth is redundant. There seems to be no end to so-called miracles to be revealed. Man's false creation as "illusion" (and certainly as delusion) will pass and the True Creation stand intransgressible! All the colors of a fulfilled RAINBOW will scintillate eternally.

I have been so excited and elated over this predicted change in in mans' Destiny! Rejoice in my rejoicement!

When you move, will you kindly notify us of your change of address promptly? We thank you!

FRANCES MCKAY'S EXCERPTS FROM THE DIARY OF PHOENECIA

August 10, 1973 -- "BELOVED SELF OF MINE"

You think you make the decisions in your life--you, the personality--but this isn't true. It is I, who decide where I need to grow and develop and unfold My experience in matter, thru you, while We are attending each particular "grade" in the schoolroom of the outer world.

You, of course ARE "I"--the projected part of ME--which at any given moment is only a fractional point of My inexhaustible ALLNESS. I AM SELF-AWARENESS, and your personality is My Self-Awareness, focused as an individualized spotlight playing upon that which man sees as time and space. You are I, and I AM you, and in reality, I decide what course your Life will take, although you think you're at the helm, or even, or even, perhaps consider yourself thwarted by the will and deeds of those around you. When you're feeling alone and helpless or your world seems frustrating, it's simply because you've forgotten to synchronize yourself with ME. Do this, and together, We will take charge of your affairs, no matter how threatening things may look right now. Thus WE will make your present incarnation a successful, happy and fulfilling experience. In fact, it is only when you learn to synchronize with ME--to control and transmute your emotions into My pure Love, attune your thoughts to My unlimited Wisdom, and then, to act and reap My Powers accordingly--that you can safely guide the rudder of your human progress. Otherwise I must let you experience the pain a man has to reap when his receptiveness and expression of ME as Love and Wisdom is unbalanced with his outer self.

"WHISPERINGS OF SILENT ECSTASY", by Shirley Loper

Whisperings of silent ecstasy fill me  
And I become awakened to all life about me.  
The Essence of the FATHER-MOTHER-LIGHT  
Floods me in a shining sea of victory.  
How quaint becomes Thy Consuming Fire!  
Breeched thru the ethers in majestic soliloquies!  
Gentleness of Infinity surpasses all worldly treasures,  
For I come hunbly, a searching soul, seeking inner Freedom,  
And I pause in my meanderings and meditate.  
I shout unto the ageless mountain, "Show me thy mysteries!"  
And it echoes back, "Come hence!"  
The FATHER-MOTHER LIGHT shines from the summit of my soul  
Ever glistening in iridescent beautifications.  
Wildest beatings from my heart emerge compassionately,  
And the Dove of Peace lights upon my shoulder!

DECREES

"Beloveds MAITREYA-DIVINO and LADY DIVINO are showering their LOVE BEAMS to all the world, from the GEMINI RETREAT." (3 X)

REQUESTS FOR HEALINGS

Requests for healings and solutions are placed in Beloved MOTHER MARY'S Basket, in LORD GAUTAMA'S Abode. Thousands have been greatly helped. MOTHER MARY lovingly invites you.

NEW INSTRUCTIONS FOR GOING TO THE CAVE OF LIGHT

Special New Accommodations

MASTER "R", THE DIVINE DIRECTOR, invites you to visit the CAVE OF LIGHT in India. You are invited to ask to be taken to the CAVE OF LIGHT, night after night, week after week, if required. You will be placed in the Acceleration Chair. Thousands can be handled. Each has his own Chair of LIGHT.

You will receive Electro-Magnetic Currents of Strength, Health, Longevity--in fact, all the qualities that you especially need. You will receive the Laser Energy to Earth--that you do not sink out of this picture for lack of the frequency you must have to remain in it. You will herein receive preparation for following ASCENSION SERVICES in the Sedona RETREAT of SERAPIS BEY.

Do no longer make request thru the RUBY FOCUS to go to the CAVE OF LIGHT. It is now so that all can make the requests directly to the DIVINE DIRECTOR.

Write a note of request and place it on bedside table or under pillow. This note is a request that you will be taken by a Seraphim. Write a new note every night and burn the note of the night before. Your note will obtain the same service as if it had been done at the RUBY FOCUS. The RUBY FOCUS remains Host to the CAME OF LIGHT, but has been relieved of certain routines connected therewith.

"TESLA SPEAKS"

By, Norman, Spaegel, Miller. VOL I

This book, "TESLA SPEAKS", means just that. This and many other giant scientists of but a few years past, who lived and were highly honored on planet Earth, are again speaking to you (the scientist) through the pages of this book. No, they speak not from some dark, moldy, damp and desolate grave; but rather (through ESP or mental transmission) do these minds come to you from the great laboratories of the beautiful crystal city of Parhelion on the great spiritual planet "Eros". These scientists of the recent (and distant) past are living, working and developing instrumentation to make your Earth world a better place in which to live. The wonder of it all is, that they and other scientists of former ages, who have been so endeavoring for the past many thousands of years, have been most successful in their research and developments! They now stand ready, through the pages of this book (and others to come) to relate and describe to the earthman these wondrous electronic discoveries; marvels of the many devices which the earthman has been working toward for eons of time.

The giant of all time, TESLA--along with many other great former minds of the earth--describe in conceivable nomenclature and detailed descriptions, many of the new scientific apparatus for the earthman.

Now the scientist of today can take a short-cut, and through ESP or the clairvoyant aptitude of of three individuals, these personages come to you. The scientists, with words of Wisdom, will shorten by countless years and billions of dollars, your efforts in research, trial and error and failure.

All people have been eagerly and anxiously waiting to know what NIKOLA TESLA, the scientific giant of all time, is preparing for the liberation of Earth. He now tells it in Volumes I and II of the book, TESLA SPEAKS.

Vol. I, price \$ 7.95, plus 28¢ postage, plus 4% tax in California. Order from UNARIUS -- SCIENCE OF LIFE, P.O. Box 1042, El Cajon, California 92022.

PLANETARY CALENDAR, 1974

By Louis Pigeon, MsD, PhD.

THE ONLY CALENDAR OF ITS KIND--IN ITS 25th YEAR

This Planetary Calendar was compiled from "Raphael's Astronomical Ephemeris", whose employees calculate the minutes and seconds of the position of every planet, the Sun and moon for 365 days. These figures are analyzed, using the major aspects for the calendar, so that one can search for an important day--months ahead--and be able to recognize such a day at a glance. As an aid to those who may not be entirely familiar with the subject of Astrology, a few notes are added on the back of the calendar pages.

EXCERPTS FROM LETTERS

E.C.D.: I am very happy to let you hear that I have tasted the Powers of the FATHER-MOTHER FIRE-FLAME-LIGHT, and Essence of the Ascended Masters and Their performances in our lives, and I have proved them beyond all shadows of doubt.

I.A.: Thank you for sending me those three Books, "Believe in Me", "The Ascended Masters", and "Actually You". Divine Mind knew my needs; the three Books lifted me so High, up into the Light. I felt a-flame with the GOD FIRE, tears flowed at the Beautiful Balanced feeling, and I felt I had come Home, at last. I shall never be the same again, like a step higher had been reached. Would that all reading those "Living Books" could feel the same. My every-day living has improved also. I seem to do everything more perfectly, good things, just come. I try harder for patience and Balance. Everything just looks different.

E.Y.: Good morning, Beloved G.V.P., and all staff of the RUBY FOCUS. I will render my heartiest and warmest Gratitude to Beloved FATHER-MOTHER FIRE-FLAME-LIGHT through JESUS-SANANDA for "giving birth" to the Magnificent Consummation's RUBY FOCUS in time to coincide with the New Aquarian Age Consciousness. Thank you, Beloved COSMOS for the TWO NEW LIGHT RAYS which keep reverberating through the ONE-IN-ALL and ALL-IN-ONE RAINBOW RAY Consciousness for the wonderful achievements.

Thank you, too, through whom the messages incide in our life-streams to nourish our cells, organs and bodies expressing as Love, Wisdom and Power, Balanced. My special thanks goes to you once again for your careful attention in replying to my letters. Each time I receive your letter, I issue a deep sigh of relief as if I am decreeing, AM-MA, then straight away I decree, by intuition, apart from my very regular periods of decreeing. Wonderful! Most Wonderful! is the handwork of FATHER-MOTHER-LIGHT.

I cannot describe how effective your letters have been in my life. It just suffices to say that my main worry being previously the habit of smoking both cigarettes and marijuana has ceased completely. I can repel with ease, the urge to smoke. Glory, Hallelujah! FATHER-MOTHER-LIGHT liveth! Nothing else matters! How wonderful is this decree. All mankind should resolve to realize this and leave all to our FATHER-MOTHER to do within us.

The under-lined is now my prime desire and is the WILL of my FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY within me. It has spurred me on since I got lost and went out of "focus" with the LIGHT of GOD. Now, I'm back, strong, intelligent, courageous, Illumined and Confident as never before, to Glorify FATHER-MOTHER-LIGHT and to benefit all mankind.

The WILL of my FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY within me is to seek the happiness of all mankind even more than I have and to heal telepathically. I know I am en route to achieve this; then will it be satisfactory, my life on earth.

## **' 'BELIEVE IN ME''**

"BELIEVE IN ME", is a simple, plain, unpretentious book from "THE ONE", by LUNAIRE BERNADETTE, is a steady, gentle, generous showing of shafts of Light. Each sentence and clause is a Light in the mind and heart of the reader, and carries him or her each and every time into his awareness of his Divine Center and Core of Life and Action.

Where an expression concerning human negativity is made, even so it is presented in a Cup of Light, where it is felt immediately to dissolve. All fills him to "BELIEVE IN ME".

## **' 'BELIEVE IN ME''**

by LUNAIRE BERNADETTE

(Reviewed by Evelyn Smith)

The little booklet, "BELIEVE IN ME", is a many faceted jewel, giving forth the soft, gentle tones of the moonstone together with the firm, hard flash of the diamond at intervals. It is a map clearly designating the route to illumination, to ascension, to the Creator's throne - including warnings of detours and how to cope with these. The writings are a piece of tapestry woven with the warp of eternal love and patience of our Father and the woof of the many obstacles and temporary human failures in man's earth experience - always with a repetitive pattern of our oneness with God.

"BELIEVE IN ME", a most explicit description of man's purpose on earth and how he can execute this mission successfully; of the invisible helpers, of the gift of second chance in reincarnation; of required tolerance toward all religions; of the attitudes which take their toll on one's life energy and the counter attitudes to correct and offset these; of current spiritual status of Europe and the United States; of the coming destruction before the Golden Age; of the mechanics of death, sleep, and dreams.

More than any other work, this compact booklet, channelled through an ex-secretary, wife and grandmother by Amura Koran and other Cosmic Beings, imbues in the reader the wondrous love, tolerance, and patience of our Maker toward his children.

Mechanically, the reading of the work would be easier were it divided topically. However, despite the continuous presentation, "BELIEVE IN ME" not only is an excellent handbook for students of metaphysics and orthodox religions but also an invaluable helpful guideline for teachers.....of all faiths.
