OPEN LETTER NOVEMBER 1974

EL MORYA

We believe there has been no one who has done more for the NEW AQUARIAN AGE CONSCIOUSNESS, than Beloved EL MORYA! HE has started and sustained several MATRIXES. Now thru HIS GRACE, LOVE and MERCY, we are proud to have HIM as our COUNSELOR, too!

Myself, "E" have opened up my "LIVING MIND" thru the decree he gave us for the **RUBY FOCUS**. "EL MORYA" 10 times. "LIGHTED ENERGY" 10 times. It is as pressing an electric switch! I AM grateful! How could we be so fortunate.

Open Letter on Nature's Course

OPEN LETTER
to
Speedily Advancing Persons

LOVINGLY DEDICATED TO THE BELOVEDS EL MORYA AND MIRIAM

Beloved Ones:

EL MORYA: I do not have much to say. The political problems are being cleared up now. This is a warning toward the next election! The political arena is the SOUL ESSENCE of your Country's LIFE BLOOD. It will eventually get to the point of CELESTIAL PROGRAM!

I want it to be thoroughly known to all mankind.....the fact that all LIFE on Earth is states of consciousness and rates of vibrations. This, if thoroughly understood and abided by, brings in the GREAT UNIFICATION of BELOVED JESUS and BELOVED MICAH. This is the most important factor in the entire scheme of progression. Then in succession, the animals react in accord, the birds become messengers of Joy and all sea gulls become JONATHAN LIVINGSTON fibrous, too, winging their flaps into "transcend, purity, glorious" freedom!

The HOLY CHEMISTRY of the FATHER-MOTHER-LIGHT and His-Her EMIS-SARIES is drip, drip, dripping upon the CONSCIOUSNESS of entire humanity!

Much of this GREAT TRANSMUTATION will be from the beautiful hypothesis of the RAINBOW RAY, now already in action. Holy man and woman can further precipitate this earthly metamorphosis as LIGHT, emanating thru the palms of the hands upon various sections of an electric lamp picturizing the map of the world (or use simply a map of the world), decreeing the masterful statement, "I AM BATHING IN BELOVED EOLIA'S TUBE OF GOLDEN LIQUID SNOW FROM THE GREAT CENTRAL SUN."

A great and mighty UNIFICATION is about to flourish the Earth. The NAMELESS ONE has decreed, "If you are a Catholic, I AM THERE! If you are a YOGI, I AM THERE! If you are one of the 200 PROTESTANT RELIGIONS, I AM THERE! If you are a MOSLEM, I AM THERE! I AM in any heart where there is a sincere desire to attain the CHRIST CONSCIOUSNESS! This is true UNITY!"

EL MORYA signs off with these words, "You are now drinking from the FOUNT of DARJEELING, INDIA, as My special guests."

I AM EL MORYA.

TREATISE FROM FATHER-MOTHER FIRE-FLAME-LIGHT, thru Garman

"RUBY FOCUS RAINBOW RAY SUBSTATIONS"

Garman speaks: FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION, please tell us how to take part in the **RUBY FOCUS RAINBOW RAY** Activity?

FATHER-MOTHER FIRE-FLAME-LIGHT speaks: Children, My INDIVIDUALITIES of MYSELF, you are asking, are you not, how to establish into your outer self and outer activity and into your Soul, that RAINBOW RAY CONSCIOUSNESS and LIFE that is now available from your INDIVIDUAL PRESENCE, the HEART of hearts to you? And that which is now available to you is that which has now been established, focused, for you at the RUBY FOCUS of MAGNIFICENT CONSUMMATION at Sedona, Arizona, U.S.A. So what you are especially asking is how to become Substations of the RUBY FOCUS RAINBOW RAY CENTRAL STATION of My LIGHT of THE GREAT CENTRAL SUN to your Earth.

My Beloved Children, you are right to observe that since the RUBY RAY FOCUS RAINBOW RAY, just now established on Earth, is the All-comprising FOCUS for My Completely Unifying LIGHT of All Consciousness, Life and Activity on Earth, therefore there is nothing else for you but to "get with it." This means there is nothing for you but to let yourselves as groups and as individuals, literally become substations of the RUBY FOCUS of MAGNIFICENT CONSUMMATION at Sedona, Arizona. You are to be FATHER-MOTHER FIRE-FLAME-LIGHT Substations of the FATHER-MOTHER FIRE-FLAME-LIGHT CENTRAL STATION THAT I AM as of your Earth. How?

Realize: "EL MORYA." (10 X) "LIGHTED ENERGY." (10 X) "AM-MA." (3 X)

"FATHER-MOTHER FIRE-FLAME-LIGHT IN ACTION, FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY IN ACTION,

"As the ESSENCE of the RUBY FOCUS RAINBOW RAY into my consciousness, my Being, my Life. (3 X)

"As the ESSENCE of Substation of RUBY FOCUS RAINBOW RAY UNIFICATION. (3 X) AM-MA." (3 X)

Now, My attentive Children, to specifically tell you what has been brought about at the RUBY FOCUS. Day by day, month in and month out, year in and year out, day by day, My SEVEN RAYS to Earth have been invited, and have responded, to immerse more and more into the developing RAINBOW RAY of blended Colors, Virtues and Functions. Therefore, it is that the RAINBOW RAY has definitely become established on Earth at the RUBY FOCUS, Sedona, Arizona.

WE must clarify a most meaningful point. And that is that there is and can be only one RUBY FOCUS on Earth. It would be impossible for an individual or group to establish a competitive RUBY RAY FOCUS. EL MORYA says, "The RUBY FOCUS has no competitor. But work, work, work. Keep mind on bull's eye. Do not retaliate!" Only UNIFICATION is about to work, and any attempt to compete would only disunify, and would blast that which would attempt it, and only hasten the separation of wheat from chaff.

Now, you wish to become Substations. So you are informed first of all that already the SEVEN RAYS plus the TWO NEW LIGHT RAYS are more or less seated within you. They are seated in your forehead. Beginning at the left of your forehead, the Seven spread across it: 1. The Blue and Red Ray. 2. Canary Yellow Ray. 3. Pink Ray. 4. White Ray. 5. Green Ray. 6. Ruby Ray. 7. Violet Ray. And the TWO NEW LIGHT RAYS, Iridescent Ruby and Iridescent Mother-of-Pearl, are mingled and blended with the Seven Rays.

That you become well-developed Substations, I, FATHER-MOTHER FIRE-FLAME-LIGHT, thru the Sponsors of the Rays; that is, the ELOHIM, ARCH-ANGELS and CHOHANS, will at your seeking, which is My expression, My prompting in you, expand and strengthen these Rays at these Seats in your forehead.

Before you proceed to become a Substation, realize these preliminaries:

"I AM (WE ARE) drawing on the TWO NEW LIGHT RAYS of the GREAT CENTRAL SUN, expressing as Electro-Magnetic Energy, empowering my (our) lifestream, outpicturing as Love, Joy, Prosperity, and Radiant Good Health, dissolving all blocks in my environmental atmosphere." (3 X)

"RUBY AND CHRISTOS, North-East-West-South. (1 X) Magnetize." (27 X)

"Beloved SANANDA, North-East-West-South. (1 X) Radiate." (27 X)

And now the day-to-day procedure: I, WE, FATHER-MOTHER FIRE-FLAME-LIGHT, and your INDIVIDUAL PRESENCE, do on the first day of the week, call in the First Ray to enter and get seated, to merge and blend into the RUBY FOCUS RAINBOW RAY. You are then actually joining in to expand the First Ray into the RUBY FOCUS RAINBOW RAY, and therewith in the Substation that you are, entering the first Ray to expand the RAINBOW RAY there. As your French Lady THERESA would say, "Voila." There you have it.

Now realize: "EL MORYA. (10 X) LIGHTED ENERGY. (10 X) AM-MA." (3 X)

Realize First Ray, (on Sunday), "HERCULES AND AMAZON. (3 X) ARCH-ANGEL MICHAEL AND FAITH. (3 X). EL MORYA AND MIRIAM." (3 X)

"IRIDESCENT BLUE AND RED." (3 X)

"Vitality, Will, Decision, Courage, Strength, Power, Communication, Beauty, Obedience, Protection." (3 X)

Now Realize: "I AM bathing in the FLAME of the IRIDESCENT BLUE AND RED FOCUS." (3 X)

"As the ESSENCE of the First Ray into my Substation of the RUBY FOCUS RAINBOW RAY, Sedona, Arizona." (3 X)

Consider yourself an INDIVIDUAL PART of the CENTRAL STATION. And from IT to you and all.

"I AM inbreathing the FLAME of MIGHTY HERCULES' Constant Protective Balance to my Seven-plus bodies." (3 X)

"Mercury and Uranium." (10 X)

"I AM inbreathing the FLAME of Beloved ARCHANGEL MICHAEL'S Protective Blue Sword to cut off all negatives to me." (3 X) (Or specify what negatives from within or without you ask to have cut off.)

"EL MORYA. (10 X) LIGHTED ENERGY. (10 X) AM-MA." (3 X)

"I AM radiating the ESSENCE of FIRE-FLAME-LIGHT of the blended RUBY FOCUS RAINBOW RAY, spearheaded by the BLUE and RED of the First Ray to all mankind." (3 X) (At other times mention to what person, place or thing to radiate. Similarly with any Ray.)

(3 X)

Precious Ones, among the many HIGHER ONES with Whom you are associated in the activity of the RUBY FOCUS RAINBOW RAY, are several to Whom WE call your attention. They are such as JESUS-OF-UNIFICATION and MICAH-OF-UNIFICATION (Old Testament ESSENCE), Who have highly specialized interests and functions in the RUBY FOCUS RAINBOW RAY UNIFICATION.

There is LORD GAUTAMA, now the LORD OF THE WORLD, greatly active in it. His motto, "It is now THE WHOLE WAY." HE now serves My UNIFIED WAY, and no longer a "Middle Way" of human compromise and human discipline. HE is the Organizer of the NINE RAYS. For several months of the year, HE lives in His Etheric Body, in the structure in which this organization is taking place. It is the little eight-sided abode, (GAUTAMA'S Abode). Eight sides are reminiscent of the Eight-fold Path. The center of the Floor holds the rock whose RUBY and MOTHER-OF-PEARL Colors represent RUBY AND CHRISTOS, and it is the Point of the FOCUS which will be moved to the RAINBOW RAY TEMPLE, now already etherically completed on the mountain top at Al Sirat of the RUBY FOCUS.

There is LORD DIVINO, Who now fills the Office of the BUDDHA. HE is the Pal of the LORD OF THE WORLD in the organization of the Rays. HE is the former incarnation of KRISHNA, famed for Truth in India.

Realize: "We thank YOU, Beloveds GAUTAMA and DIVINO, for blessing us with Radiant Good Health, Prosperity and Longevity, so long as it is willed." (3 X)

The LORD GAUTAMA and THE LORD DIVINO signify, you might say, the entrance of the Far East into the RUBY FOCUS RAINBOW RAY UNIFIED STREAM.

There is AEOLUS, the former Homer, representing the ancient Greek Consciousness. HE wields the HOLY WINDS OF ESSENCE. As SUCH, HE rules the Elementals, and gives Protection to the RUBY FOCUS area in Arizona. And HE, with MICAH-OF-UNIFICATION, signify, you might say, the Near East in the RUBY FOCUS UNIFIED STREAM.

Says THE LORD GAUTAMA, "I, THE LORD OF THE WORLD, AM drawing the IRIDESCENT ESSENCE OF LIGHT from AEOLUS AND DIVINO AND MYSELF, North-East-West-South." (3 X)

There is the DIVINE DIRECTOR, of First Ray on KARMIC BOARD. In His CAVE OF LIGHT and in the world, HE transmutes the human creations of mankind. Therefore, His interest in RUBY FOCUS RAINBOW RAY, for, too, as the MANU of the SEVENTH ROOT RACE, now coming upon Earth into the New Dimensions, great is His interest in the transmutation in the STREAM OF UNIFICATION, in preparation for His ROOT RACE.

Realize: (From the GREAT DIVINE DIRECTOR OF LIGHT) "I AM sending the CHRIST LIGHT of the FATHER-MOTHER LOVE THAT NEVER FAILS, and IT goes out from ME to expand, expand, expand, until it covers the entire Planet Earth. And is built to an eight-inch thickness--a covering over our Planet, and then it is slowly lowered until it CONSUMES and DIS-SOLVES all the sinister and black force fields on our Planet Earth, and is replaced by the WHITE CHRIST LIGHT, that no-thing unlike ITSELF can stand or exist." (3 X)

"TESLA. (3 X) ELECTRO-MAGNETIC ELECTRICITY. (3 X) LIGHTNING." (3 X)

WE can in this space mention only a few more of our DWELLERS IN HIGH REALMS OF CONSCIOUSNESS:

ELMIRO-ELMIRA, LIOLIA, EONEE-EONEEA, EMMANUEL-EMMANUELLA, Who ARE the ENTITIES OF ESSENCE, respectively, of our Universe, Galaxy, Constellation and Earth.

THE NAMELESS ONE, or THE UNIVERSAL CHRIST.

ALPHA AND OMEGA, HELIOS AND VESTA, PELLEUR AND VIRGO, Who ARE the PERSONALITIES, respectively, of Our GREAT CENTRAL SUN, Our SOLAR SUN, and our Earth.

COSMOS (International Radiator) and LADY COSMOS, SANAT KUMARA AND LADY VENUS, SANANDA, LIMITLESS LOVE AND TRUTH, KUTHUMI AND LORD LANTO

(World Teachers), THE MAHA CHOHAN (Coordinator of the Chohans), MONKA (Champion of Earth among Interplanetary Governments and Tribunals).

CHA ARA (Master Precipitator), GODFRE RAY KING, GODDESS OF LIBERTY AND BENEVERE, SERAPIS BEY and KRISHMADA.

THESE and many more are singing, thru the **RUBY FOCUS** RAINBOW RAY, the HOLY AFFINITY of FATHER-MOTHER FIRE-FLAME-LIGHT to suffuse the Consciousness of Earth, man, animal and plant.

We suggest that you daily realize, by tape or otherwise, the Ray of the day plus the TWO NEW LIGHT RAYS. Besides that, you can play the entire tape any number of times, whether you are hearing and whether you play with earphones. Your numerous playings of the **RUBY FOCUS** Daily Tapes are greatly, greatly, penetrating the auras into the consciousness of man. Thank you! Hallelujah! Hallelujah! Hallelujah!

Beloved JESUS-OF-UNIFICATION is accomplishing in a few years what HE could not do in two thousand years by means of the incoherent Rays of the Ages of Freewill of man.

Precious Beloved Ones of MYSELF, when you have so fully become in-tuned with ME, your FATHER-MOTHER FIRE-FLAME-LIGHT INDIVIDUALITY Quota of ME, and with the Precious Sponsors of the RAINBOW RAY Iridescent, Sparkling and Scintillating in and thru you as Beacons of Thought and Feeling thru your crowning foreheaded Mind.....when you are thus Substations of ME and of the **RUBY FOCUS** RAINBOW RAY, then you are verily aware that you are literally extensions of that Most Beautiful, Gigantic, Magnificent and Sublime **RUBY FOCUS** RAINBOW RAY TABERNACLE of FIRE-FLAME-LIGHT, extending from Al Sirat, Sedona, Arizona, U.S.A. My TEMPLE there has then become magnified and extended wholly over your Earth. My Beautiful Sparks, revel in this envisioning!

Realize: "FATHER-MOTHER FIRE-FLAME-LIGHT. (10 X) JESUS-OF-UNIFICATION. (10 X) LIGHTED MISSION." (10 X)

I, FATHER-MOTHER FIRE-FLAME-LIGHT, have spoken thru My Spokesman, Garman, Partner in LIGHT.

REACTION FROM QUEEN OF LIGHT, thru "E", to FATHER-MOTHER-LIGHT'S TREATISE
"RUBY FOCUS RAINBOW RAY SUBSTATIONS"

QUEEN OF LIGHT: Beloved Ones, as you dance in musical rhythmic consciousness, while these precious Color Rays are being expounded in decree, voiced by the Beloved Garman, but created thru FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER tells Me it is not enough to just decree the RAY of the day and wear ITS Color. These Rays, Individually yearn to be drawn upon to help you. They yearn to be meditated upon, that they may become an OPEN SESAME to you. They can become safety valves and shock absorbers. The decrees shoot out the LIGHT, which the MASTERS amplify, and send to the parts of the world (Earth) which need this LIGHT! This is a great service.

Then you, your own dear selves, take the Color of the day and go in- to the ESSENCE, become sensitive to any message these particular sets of BEINGS wish to bring to you. It will be an individual message, tailored to your needs of the moment!

Such Joy and Gratitude will fill your hearts and minds to overflowing! You feel you could love the entire world! The reason for this interaction consciousness--because part of you is being sent North-East-West-South by the MASTER'S DIRECTIVE WISDOM!

The work, **"RUBY FOCUS RAINBOW RAY SUBSTATIONS,"** is a masterpiece of FATHER-MOTHER LIGHT IRIDESCENCE. Capped with the intermingling glow of the TWO NEW LIGHT RAYS, EIGHTH AND NINTH, This seems to be the closest approach to the melting pot of human consciousness, absorbing the soft Love Radiations each Color of the Rays provides, according to one's peculiar need!

As a sound of the humming of the bees does speak the positive words

thru the voices of dedicated people, it is as though a high vibrational radar sound barrier has been broken and the ethers are charged with the LIGHT OF GOD THAT NEVER FAILS:

From the highest crescendo of the GREAT CENTRAL SUN, the OFFICE of Beloved EOLIA'S TUBE OF GOLDEN LIQUID SNOW, comes a SOUND RAY of DIVINE PROTECTION and ADJUSTMENT. It is "AM-MA." (27 X)

Oh, dear gentle people, how very privileged you are to be the machinery of these great REVERBERATIONS: Sit ye, and radiate IT into the halls and wards of mental hospitals: Send also the VIOLET TRANSMUTING FLAME: Send to asylums, sanitariums, homes about to be broken for lack of loving understanding: Send to collective youth: little teen-age girls in pregnancy, unwed, crying hysterically for abortion: ASK your FATHER-MOTHER-LIGHT and the KARMIC BOARD, KWAN YIN, that abortions need not ever be--so sweet in acceptance would be the advent of a dear child: The dingy, frozen odor of lust can and will be dissolved: Is this not one predominant reason for this tape to be brought forth into the consciousness of mankind? WE stress, "Man's humanity to man!" Love more. Love wisely. Love in balance: Love, Love, LOVE: Procreation could be Love, but is not always!

WE speak in joyous rhythm regarding the INTERPLANETARY, THE NEXT GREAT STEP IN EVOLVEMENT. There is being built a fabulous Retreat, called THE MONKA RETREAT: situated in Grass Valley, California. The Custodian is Sam Partridge, a gentleman of deep integrity and President of MAGNIFICENT CONSUMMATION.

Building up to this new pattern are the beautiful messages from MONKA, HIMSELF, channeled thru several Earth Angels such as Bettina Kramer, Ida, Bright Star of Wisconsin, also Evangeline, who incorporated the nebula in 1972 while in close proximity to Beloved MONKA, even seeing without psychic sight His SPACE SHIP and His four silent, small ships called "Pulse Essence", gliding thru the ethers, protecting the site of the potential RETREAT: Oh, dear ones, watch for all these progressions which the FATHER-MOTHER-LIGHT is opening up to your consciousness:

Has anyone forgotten the department of the Gnomes, Salamanders, Undines and Sylphs? Well, these little fellows need great praise and recognition. WE will always be grateful to the ARCHAII DONNA GRACE for Her Cosmic Teachings while She was incarnated on Earth in New York. The Channel "E" studied with Her for three years and learned to love "THY WILL" and the Woodland Fairies, which was Her mission to teach. WE will always be grateful to Walt Disney for his beautiful picturizations of woodland life, which humanity had forgotten or never knew!

As a final gesture, there are three decrees which should be spoken vibrantly into the ethers. They are, the Decree given by the GREAT DIVINE DIRECTOR, as given in the Treatise of Page 7; LORD MICHAEL'S PRAYER, channeled thru Bright Star of Wisconsin, one of LORD MICHAEL'S Earth Angels: "Oh, LORD! SAVE US! Don't let our cities or nation be lost: If we have transgressed against your Laws, PLEASE FORGIVE US." (3 X) And the Decree channeled thru Garman: "I AM bathing in Beloved EOLIA'S TUBE OF GOLDEN LIQUID SNOW, from THE GREAT CENTRAL SUN." (3 X)

The above decrees have a terrific magnetic draw. These decrees can be the very etheric LASER BEAM Machinery which will be instrumental in bringing in so much Love that the Golden Age of AQUARIUS will be hastened. As of now, we can dream of this REALITY!

In humble awe, I point once again to this musical chonicalization of RAYS, which FATHER-MOTHER FIRE-FLAME-LIGHT brought into consciousness thru the baptized voice of Garman Van Polen, and a quick "Thank you," to dear little Evangeline for giving Me expression.

I AM QUEEN OF LIGHT.

"E" exclaims, "It is my Joy to do so!"

When you move, will you please send us your change of address promptly? Thank you!

TRANQUILITY: I want to tell you, Beloved Garman, this is a masterpiece of litany, and those who could go deep within would see or have seen--THEY were all there, every INDIVIDUAL you uttered the Name was there. It was a magnificent convention of MIND. THEY even danced to the most sublime music and came as close as THEY dared to the periphery of Earth in doing so. And those who could look deeply within could feel and almost hear the Angelic Choir as It sang.

ALPHA AND OMEGA: WE ARE over-awed with the proceedings of this meeting!

TREATISE from LORD GAUTAMA, thru Mark Brownell, October 18, 1974

Mark Brownell: Beloved LORD GAUTAMA, LORD OF THE WORLD, I ask YOU to take charge of this outer channel; get my own consciousness out of the way sufficiently that YOU can speak thru me and convey your wishes to these Blessed Ones. Thank YOU.

LORD GAUTAMA: My precious Children of LIGHT, perhaps you don't like to be called Children. You are very well grown, and in some ways you are. But from the standpoint of LIGHT BEING ABOVE, you are also in some ways Children. But there is another way you might look at it: If I call you My Children, wouldn't you like to be a Child of Mine? So, I know that My Channel here likes that, and I know you will, too. But you can look at it another way and feel that compared to most of the people on Earth, you are far from being Children. You are raised far in LIGHT.

Many of you are farther than you think. And for each of you who have drawn greater LIGHT into your mind and body and Being and world, WE ARE grateful--very grateful, because the real channels of LIGHT are far too few, from Our standpoint, and from yours of course, also; because those who are real channels to distribute LIGHT around the world to be radiating Suns of LIGHT, are the ones who are of great assistance to the GREAT ONES on HIGH. They are the ONES Who are doing the great service for mankind. Many of THEM have never been on a platform, have never sung a song before an audience, and have never done anything that to their outer consciousness looks like any great accomplishment. They feel like their Life is not accomplishing much; but My dear Ones, if you are earnest and sincere and you are spreading the LIGHT, you are saying some of these decrees that expand the LIGHT around the world, you are doing a great service, and your reward will be commensurate; your rewards will be great, although I know those who really serve the LIGHT do not do it for reward--but it is nice to know that rewards will come, and they will, and you will be so happy when you rise into those Octaves of LIGHT and enjoy the great Perfection that is there.

And many of you are building mansions on the other side--mansions of LIGHT, beautiful homes which you can occupy at some future time; and you occupy them many times at night now when you go out of the body. But some of you are very busy with your service out of the body, and if you don't remember too much of what happens, do not be too concerned about it. Your Higher SELF knows what is happening and IT directs what you should be doing. IT knows what you are capable of doing, and IT guides you and takes you to the places where you can render service, gets you back in Divine order.

So many of you are doing many things on the Other Side, more than you realize. And as you grow and expand in doing these things, then the time will come when you can do the same thing in the outer world or something similar with the ability which you gained while out of the body during sleep, because you have the consciousness and the ability to do great service for your fellowmen, which your ordinary consciousness in growing up in the schooling and training that you had would never have qualified you to do. So if you have some hidden or expressed goals concerning things you would like to do for mankind, services you would like to ren-

der, don't give up hope. You must know that some day you shall do those things, and know that you are doing them to a great extent already on the Inner Octaves.

So, My precious Ones, I love you. Can you feel My Love? I love you. I love you because you are just Part of ME. All of the precious Ones who are serving the LIGHT become ONE with each other. You become so much more AT ONE; there is an inner feeling of ONENESS which many of you are gaining even in the outer activity to a greater extent; and those precious Ones who are real servants of the LIGHT, who are doing work for the Great FATHER-MOTHER FIRE-FLAME-LIGHT, for the Great GOD PRESENCE which you are--you are ONE with that GOD PRESENCE; and to the extent that you can accept that ONENESS, you will progress that much faster. Your service will amplify that much greater. So all of you precious Servants of the LIGHT, I love you; I love you; I love you! Because you are the Ones who are endeavoring to follow in the footsteps of WE Who have gone before. WE have done Our Service to the world to the best of Our Ability at that time; and WE have expanded Our Service ever since WE left the world.

Don't think that when you make the Ascension into the next Octave of LIGHT you just sit down and enjoy the LIGHT. Of course you do that some, too; but it opens new vistas of great Service and great accomplishments you can carry forward to do. So just know that how great or how much Power, how much Love, Wisdom and Power you are able to wield and radiate, still there is always more. This is one of the most amazing things as WE progress; because no matter how high WE go, there are always great vistas of Beauty, wonderful accomplishments and great things to be done in advance of where WE ARE at the time. So WE never, never cease in our Progression. WE always go on. This is an eternal Happiness and great pleasure to US. And as WE see various Ones of mankind advance, this brings US pleasure.

And as you advance and as you give US your Love and your Gratitude for assistance, then that Love and Gratitude comes to US and it helps US to grow. Did you know that you could help an Ascended Master to grow? You can, by the Love that you send to that ONE. And this requires your attention first and then your Love is the telephone line which tunes in.

And as you send Love to any Ascended Master--to any Great BEING, you always receive back more Love than you send. So if you looked at it from a selfish standpoint, you would be the gainer, although that kind of Love is never selfish. That is not the kind of Love that seeks to possess. That is the kind of Love that seeks to bless. There is a great difference; and if you examine any situation in the outer world activity, any feelings of different people, from one to the other, you can tell the type of Love and the direction that Lifestream is moving toward at the moment by the division of their Love. Is it something that seeks to possess? If it is, it is really not LOVE. It is more of a covetousness or a desire to have something and to hold it for yourself, which is against the Law. This goes against GOD'S Law, against the Law that the Universe is built upon. Any anyone who transgresses GOD'S Law will find certain actions will ensue which they will not like.

But if your Love is that Love which seeks to bless, this is a radiating activity. It is something that goes out. It just goes out as a blessing to all around. It blesses like your lovely Sun--the Mighty BEINGS of HELIOS AND VESTA, Who pour their blessings thru your Sun. It radiates on all alike; those who stay out of the Sunshine will not get the blessing; but any time they get back in the Sun they will receive the Rays of the Sun with the same blessing as if they had never been out of it. This is the way the Masters operate. Their Blessing comes to all, but WE need a connection to you to have the strongest Blessing come back, and that is where WE need your attention and your Love sent to US, then

WE can send specific Blessings to each and every one of you. It comes as a nice Blessing to you, individually. And it is so much greater than the Blessings of the GREAT ONES Who send the GOLDEN SNOW and the other marvelous activities which are spread all around the world to raise the consciousness of all mankind, and they do wonderful, marvelous things.

But for the individual Blessings, WE need your attention and your Love. So this is one way that you can be blessed; and as you are blessed, you receive from US the Consciousness of Our Attainment. You receive a feeling in the world of how you can attain. You receive feelings of how you can serve. You suddenly have a desire to do some kind of service, and you feel, "Well, I believe I can do that." You might wonder where that feeling came from, but that feeling that you could do that quite possibly came from ONE of US ASCENDED BEINGS to Whom you have turned your attention and asked for some kind of assistance, and HE gave you that feeling that you could accomplish certain things.

Sometimes you wonder perhaps as JESUS even did at times about letting the FATHER'S WILL BE DONE: This is really the Key to your whole service. The FATHER IS your own GOD SELF, and as you come more and more to know what the FATHER'S WILL IS and be humble and obedient and accept THAT WILL, then the FATHER'S WILL will be done thru you. So one of the greatest decrees you can say is, as JESUS said, "THE FATHER AND I ARE ONE." And, "Of myself I do nothing, the FATHER WITHIN does the work." It gets away from the outer consciousness, from the feeling that it is the doer; and you think of all the wonderful things IT has done or is going to do, probably. So as you let the FATHER work thru you, you can accomplish those great things. And do not feel that any good thing that you are desiring to do will be taken away from you by letting the FATHER'S WILL be done thru you, because all of the good things that you want to accomplish, all those desires, came from the FATHER in the first place, because the outer self does not have those great desires and those wonderful thoughts about things to do. The desires and thoughts that it has are of a nature that would not take you to the heights and would not do very great service or be of any great blessing to mankind. So just feel that you can just say, "FATHER, Thy WILL be done. Teach me FATHER, what Thy WILL is in me. Show me what Thy WILL IS, and let Your WILL be the controlling Power and PRESENCE in me at all times."

Now, one of the greatest ways to do this is a way which My Channel has worked on for a long time; and at times does very well. You feel that the FATHER, which IS your Great and Mighty "I AM PRESENCE", the Focus of THAT GREAT PRESENCE OF LIFE Which stands above you; IT operates thru your Higher Mental Body or your Higher SELF, and you just visualize more of THAT Higher SELF coming in to the outer self. So just go all the way and feel that the Higher SELF steps down into your outer self and takes full dominion; and your Mighty I AM PRESENCE which IS the GOD SELF, still above you. And there is a concentration of this GOD SELF still above US; because as I said, there is always Higher SOURCES of Power above US. WE still look up to THAT POWER, no matter how high WE go. So anyway, feel that the GOD PRESENCE IS still above you, and that the GOD PRESENCE IS ONE with all the ASCENDED MASTERS and the ASCENDED HOST, that you have a great gathering of LIGHT BEINGS above you, and Their Rays come down with whatever Power, whatever Love, whatever Wisdom you need in the outer self.

Then feel that your Higher SELF has come into you, and that Higher SELF acts as a FATHER, being a Contact of the Mighty I AM PRESENCE, which is still more of the FATHER, and feel that THAT HIGHER SELF IS THE DOER. And you just let the human consciousness step out, as it were, and just feel like you are a little behind or a little above this outer self here, and then you make no effort at all in the human self to speak to the outer self. You just let the LIGHT flow. Well there is a certain activity there that the breath flows out and you speak words, but there is no effort whatsoever. And by this, you can come into a wonderful conscious-

ness that the FATHER IS SPEAKING right thru this outer self--that the FATHER IS the outer self, right here and now.

And as you come into this activity, you see that outer self as a Body of LIGHT, a radiating Sun of LIGHT, and allow no darkness to remain. Just know that you are a SON of LIGHT, a DAUGHTER of LIGHT, YOU ARE ONE WITH THE FATHER. I hope you are visualizing this with ME, because this is one of the greatest visualizations you can take to further your own progress in LIGHT and to further your assistance to mankind. See yourself in this radiating SUN of LIGHT. And as THAT LIGHT goes forth, you issue your decrees. But IT IS the LIGHT BODY issuing those decrees; therefore, you feel no effort of the outer self; and those decrees go forth and you feel that a Focus of GOD, a Focus of the Mighty I AM PRESENCE, the FATHER, IS in this outer self saying these decrees in the physical octave. Well, you might wonder why WE could not just say them UP THERE, but WE ARE not exactly the Authorities still for mankind. WE have risen out of it. Yet you are still in the physical body and have a physical body here and can BE the Authority.

You can be the Authority for whatever you accept. If you accept that the LIGHT is expanded thru you to bless all around you, to make your home a radiating Sun of LIGHT, to make your city a radiating Sun of LIGHT, make your Country and your world a radiating Sun of LIGHT, IT SHALL BE DONE! And every time you issue that decree again and you say, "I AM a Focus for the FATHER; I AM the FATHER speaking this decree, and I AM decreeing LIGHT in this body; I AM decreeing LOVE in this body; I AM decreeing WISDOM in this body; and I AM decreeing these BLESSINGS for this home, for this TEMPLE, for this city or this Country, for our world, I AM decreeing our Country shall be a Country of LIGHT--that those in Power shall accept the LIGHT and make their Laws and make their decisions from the Octaves of LIGHT, make their decisions to be in Harmony with GOD'S Laws, and those who will not do that must in time be taken out of their offices and replaced with those who will serve the LIGHT.

And this is the future for all the Earth. This is to be! In the future time, there will be those in Authority who will maintain a world of LIGHT here, who will maintain GOD'S Laws on Earth. This shall be! Know it, My beloved Ones. This shall be the beautiful time on Earth when it will be a pleasure to be here. All this shall be, dear Ones; and also see your whole world now as a World of LIGHT. This World shall be a radiating SUN OF LIGHT.

Your Earth shall take its place in the family of NATIONS again. You shall travel from this Planet to other planets in your Spiritual Bodies. Those who are not yet able to do that shall have their Space Ships (Flying Saucers as you sometimes call them), and shall go from one Planet freely to the other and shall travel thruout this Universe and thruout the Galaxy and even to other Galaxies. This is possible. All of the other planets have this blessing now; and the Earth shall soon come back into that great blessing. Be very happy about it, people, My Children of LIGHT.

My Children, I would perhaps say--but My grown Beings of LIGHT, grown in the LIGHT, grown to full stature in the LIGHT, now; and maintain that stature in the LIGHT. You can do it. There is no limit. Just accept that LIGHT. Every minute that you think about it, think of your bodies as Bodies of LIGHT, radiating Suns of LIGHT. But don't let the LIGHT stagnate in your bodies, because it soon becomes something other than LIGHT. It must keep flowing. It must go out. It is a flowing activity, a Blessing. How can you bless other parts of Life if it doesn't go out? It must go out. Sometimes as the LIGHT expands in your head, you may feel as though you had a headache, as though you had a band around your head. Sometimes you feel like you start to take your hat off and you don't have any hat on. This is the LIGHT expanding in your brain,

but it is being held there a little too much. It needs to go out. As you cease visualizing your head there, except as a center of LIGHT, and see that LIGHT going forth to bless mankind, then it goes out. And very soon you wonder what happened to that feeling that you had a headache because your head feels so wonderful, feels as though perhaps you didn't have a head--just a feeling of LIGHT and PEACE and POISE. And if you have in your bodies at any place, you have a manifestation which seems to be one of imperfection or one of pain, all it needs is more LIGHT, so you visualize this LIGHT BODY, and you send the LIGHT thru there, and you call to Whatever GREAT ONES you feel can help you.

ARCHANGEL MICHAEL is the GREAT ONE for assisting in driving the LIGHT into places where there are focuses that are not LIGHT. So, call on ARCHANGEL MICHAEL. Say, "ARCHANGEL MICHAEL, drive your SWORD OF BLUE FLAME thru this thing here that seems to be manifesting imperfection. I refuse to accept it. The FATHER AND I ARE ONE, and the FATHER decrees it OUT!" With the help of ARCHANGEL MICHAEL, it must go!

Or maybe you would like to call to the MIGHTY ASTREA. SHE IS another ONE Who can wield a SWORD OF FLAME into a Focus of LIGHT to break up the focuses of darkness; and when enough LIGHT goes thru any part of your body, there can be no imperfection left. The LIGHT brings in the PERFECTION that you want. Qualify IT with whatever PERFECTION you desire, and that PERFECTION SHALL BE THERE!

Now, when the LIGHT goes thru, any appearance of pain must go. But if there is a feeling of pain, examine your past deeds. Examine what you have been eating, perhaps, or how you have been living in various ways, because pain is a fireline. It is Nature's method of telling you that you have been doing something wrong. So, examine yourself and see what you have been doing wrong, and then ask GOD to reveal it to you and show you what you should do, that you will not go on doing the wrong things that would create the situation over again. So this is the sensible way of living Life; this is the GOD WAY of living Life, cooperating with GOD'S Laws, and as you cooperate with His Laws, you will find such a wonderful Life. You will live in a Body of LIGHT and you will hardly know that you have a body; yet the Body will be there to perform any services that you desire to do in the outer world. It is a very handy way of living. And those who have it to a great extent are so grateful and so happy for it.

And blessed Ones, be Happy! Enjoy Life. There is so much in Life that you can enjoy. I AM a very happy INDIVIDUAL. I have many particular ways that I enjoy Life. Most of My enjoyment of Life is in Service, various kinds of Service that I render. But there are also things that are rewards to ME, too. Probably the greatest reward in connection with any of you blessed Ones is the satisfaction and the Happiness that I take from your progress; because it is always such a blessing to know that mankind is progressing to that point where they can attain the final Victory--their Ascension, at the right time.

But it may be that many of you have services to render here on the Earth that it is not desirable for you to ask for your Ascension at the present time. It is always well to ask for your Ascension, but leave it into GOD'S Hands as to the time; because there may be great services that you can render here. So you might want to stay around for a while. Because you know, precious Ones, you have certain opportunities here on Earth in service that even the Ascended Masters do not have. This may seem very peculiar to you; but I mean it in this way: That in your service here on the Earth, you have great resistance to work against. You know when an athlete wants to develop Strength in his body, many times they do it by lifting weights. And they lift a certain size weight that they can handle, and then the next day they lift a little bit more weight, and each day they increase the weight until they develop great physical Strength. But if they didn't have the opportunity to exercise those

muscles against a resistance, they couldn't develop the great Strength. Now, this is the same thing with you people here on Earth. You are developing great Spiritual Strength because you are working against great destructive forces and those forces are becoming more powerful. So as you develop greater Spiritual Strength, you still have still greater resistance of so-called evil forces that work against you and you develop great Strength in working against them and surmounting the obstacles that they put before you and going on thru greater service for mankind in spite of terrific things that are pitted against you.

So, if you have problems and things that must be mastered, don't feel bad about it. Just be grateful to GOD. Say, "Thank YOU, FATHER, for the Strength to master this thing. Thank YOU, FATHER, that I AM growing stronger in the LIGHT that I can master this thing that is unimportant--that the LIGHT moves it out of my way--that I call the LIGHT to sweep it out of the way with the LIGHT OF GOD THAT NEVER FAILS." Be strong and firm in the LIGHT. Any time that you have a problem and it does not seem to resist, follow the formula which Beloved ST. GERMAIN gave a long time back. HE said, "When anything does not seem to break or does not seem to answer what you feel it should do, turn on MORE STEAM. You haven't given enough." Those are not quite His Words, but that is the idea. If whatever you are working against has not resisted yet, just CALL MORE LIGHT. CALL FOR MORE DETERMINATION, until that thing has to go! And it will go! if you turn on enough POWER. Turn on more POWER--but do it with LOVE. Do not ever interfere with the Free Will of another. This is the one Law that WE still hold to, and this is one of GOD'S Laws.

Now, if somebody is interfering with your Free Will, there is no reason why you cannot stop it. You have every right to protect your own Free Will against others. You do not need to sit back and let other people harm you in any way, shape or form. Don't allow other people to take advantage of you. If you give something gladly, freely, as a gift, this is fine; but don't let people who are the type that are always inveigling gifts in various ways, carry on an activity. This is not GOD'S WAY of doing things.

You will be guided. But I hope that I have given you a few hints about practical ways of serving GOD and a practical way of getting GOD into you where you can say, "THE FATHER AND I ARE ONE," and really feel it, because it is really the feeling that counts. Get that "feeling" that the FATHER IS IN YOU, and YOU ARE SAYING IT THRU THE VOICE OF THE FATHER. Just accept that the FATHER IS saying it, and you in your consciousness are just sitting back and listening. And as you amplify this activity and intensify it and carry it on until you do this continually, you will have Divine Direction at all times and you will have Divine Abilities to do things in your service, and you will be gradually becoming ONE with the FATHER in its fullest extent. You will become Divine. "Know ye not that ye are Gods?"

Many of you don't feel like Gods perhaps at the present time, but you have that potential. You can be truly a God; and as you accept GOD LIVING IN YOU, you become THAT GOD; and as you let THAT GOD speak thru you and feel thru you and operate thru you at all times, you become truly ONE WITH THE FATHER; and the little human self gradually merges into the GOD PRESENCE, and before long you have made the ASCENSION. You can rise into IT just hardly without even knowing it. But you will have so many wonderful Powers before that happens. IT IS A GREAT WAY TO LIVE. This is the LIGHT WAY, the LIGHT WAY OF LIVING.

My Channel is in the process of writing a book. He gets side-tracked on many things. He hasn't gotten along as fast on it as he would like to, or as WE would like to. But this is to be called, "THE LIGHT WAY." So, actually, some of the things that he is giving you are some of

the things that I gave him. He didn't always know it--some things that gave him in the past, and he put it down in his book.

Anyway, living the LIGHT WAY is a mighty wonderful way to live, and I hope that all of you precious Ones will live more on the LIGHT WAY in the future, because (I'll tell you a secret) it is the RIGHT WAY.

So I've been quite a little while talking with you, but it has been such a blessing to ME, that I just don't like to go either; but I know there are other things, and time marches on. But all the time that I have been speaking here, I've been receiving such wonderful LOVE and GRATITUDE from you precious Ones. And know that when you send LOVE to the LORD OF THE WORLD, you receive back a goodly measure. So, I love you, I love you, I love you, and I bless you, I bless you, I bless you with all the BLESSINGS I have to give. So I will say, "Good afternoon." As JESUS SAID, "I AM with you always." Don't feel I AM far away, and don't feel that the LORD OF THE WORLD is too busy to send you LOVE, because I AM always there and always ready to help you. So bless you, and "Good Day."

MESSAGE from BELOVED SERAPIS BEY, thru Celeste, October 14, 1974

SERAPIS BEY: Yes, I AM aware that a message is wanted from ME for the OPEN LETTER. I will give a description of My Music Room in the ASCENSION FLAME RETREAT.

As you might suppose, it is a very large room and has a very high ceiling and the acoustics are perfect. Hanging from the ceiling are three enormous crystal chandeliers. They have many large and small crystal drops that reflect the light from a number of small candle-like light bulbs. And the Rainbow Colors are caught up and sent "dancing" over the ceiling.

The room is oblong in shape with long windows from ceiling to floor on three sides of the room. Each window is in colored glass and as you would call them, "leaded". However, not really "leaded", for WE have a far different material that looks like lead--but is far different and not known on Earth. These colored glass windows depict the evolution of your Planet Earth, through the centuries.

On each side and at the top of the windows are lovely silk draperies that harmonize with the rest of the decor of the room. Between these windows hang paintings of many of the Great Masters the World has known.

On the floor is a most beautiful rug--Oriental, you would probably call it, but not really Oriental. However, the best word in the English that could in a measure describe it. Predominantly, it is White, with a design or motif that is My Own Design with a musical score. The design is all in the pastel colors of the Rainbow. The texture or nap of the carpet, for it covers the entire floor, is very thick and lustrous, and one might feel they were walking on a cloud.

The other furnishings of the huge room are many "easy" chairs and/or sofas and many carved teakwood tables, highly polished, that hold lamps that give a soft candle-like glow. Also there are many objects of art of the present and of long ago. These are placed in prominent places about the room. I have been a "Collector" for many centuries.

My most magnificent ORGAN stands at the far end of the room and is very large and has a white finish that has the appearance of being iridescent and is very beautiful. It stands very tall for it has seven manuals and a foot-peddle assembly of several octaves. So I must use both feet and both hands in its operation. The tone is very clear and bell-like. There are no organs on Earth that would in any way compare with it. Besides My large ORGAN, there is a Concert Grand Piano, also White, and a Gold HARP. Many of My Guests are great musicians.

All the musical instruments up here in the HIGHER REALMS have a true tone. The tones are perfect and only Harmony comes forth from them. Through true Harmony, Color is produced and likewise fragrance. In the

New Age to come, Music, Color and Fragrance will be the language and it will play a very important role in the lives of all the people.

At the present time there is much broken rhythm in the music. But the youth like noise, not music. Soon WE trust there will be a turning back to the "Old Masters" and some of the great music which they brought to Earth. For most of the "Old Masters" were truly MASTERS from the Celestial Realms. They came to give the Earth this great music in the hopes that the evolution of mankind would be more quickly accomplished.

Many of the "Old Masters" of music and other sciences came back to Earth in poverty and their struggles were great. They were, of course, following in the foot-steps of the Beloved JESUS, and only lived to express their talents as a genius.

Many a genius has lived upon the Earth and not been recognized as such, not until long after their return to the Celestial Realms. But their music and the sciences in other fields of endeavor will live on forever. For much of the music that has been brought forth was the "Music of the Spheres".

Because I AM on the White Ray, the Fourth, I AM associated with White and of course Iridescent White. But if you will examine closely "Iridescent White", you will find that it contains all the Rainbow Colors in the lighter tones. And because of their subdued tones they will be scintillating. However, I AM very fond of many bright colors, and weave them into My own attire and home as much as possible, just for a variation. All of any one color would become very monotonous. It would be like playing just one chord on the piano or organ continuously without any change.

Nor should one eat the same food at every meal, every day; how dull that would be, and besides not very healthy for your bodies. The body requires many chemicals and many other substances, to be well-balanced in all departments of the body of flesh, blood, bone and nerves. It is just as much a sin to persecute one's own body, as that of another. Be good to your physical body, the gift the FATHER-MOTHER FIRE-FLAME-LIGHT gave to you, and love it free! You came to Earth to learn a few lessons yourself and be of service to your fellowman.

Open wide the door of your Consciousness and let the LIGHT of UNDERSTANDING and LOVE come in. You can do that through Music, Prayer and Meditation.

I AM SERAPIS BEY of the LAND OF SOUL. I leave you with My Love and Blessings always. Bathe ye in the LIGHT OF THE ASCENSION FLAME for Purification, Transmutation and eventually Ascension.

Celeste Aida: Thank YOU, Beloved SERAPIS BEY, for your message. And I thank Beloved FATHER-MOTHER FIRE-FLAME-LIGHT for the Breath of Life, that I may serve the Children of Earth with YOU, Beloved SERAPIS BEY.

GLO-RAY, HALLELUJAH! Amen.

SIMPLE RECIPE FOR GERMINATED FOOD

We give you a sample recipe for a most substantial, nutritious, germinated food. And you will find this a greatest aid in reorganizing your digestive system.

Prepare enough to give you a few servings to keep in the freezer:

A quart fruit jar 1/3 full of lentils.

A quart fruit jar half full of wheat.

Fill jars with water. Soak for from 12 to not more than 18 hours.

Drain, wash thoroughly, drain thoroughly. Let stand to germinate, not more than 36 hours. Drain and rinse thoroughly twice a day while germinating.

Heat lentils and wheat in separate pans to boiling point, wheat perhaps a little more. Suit your own ideas for more or less heating. A hardy digestive system may wish no boiling, but perhaps heating before serving.

Serving portions may be placed in covered plastic 1/2-pound margarine containers and placed in freezer. Heat to serve. After heating, drain and stir into it a mixture of seasonings: Chopped (preferably raw) mushrooms, some ground nuts and/or seeds. Perhaps some lecithin and/or chia seeds, perhaps some powdered kelp, dulce, savory leaves, papaya and/or mint leaves, rosemary leaves, thyme, water cress (all preferably powdered). Or any tasty herbs you wish to try. How many of them? How much? How much of any? To suit your individual taste. Experiment for variety. You can find many possibilities of a delicious food for breakfast or anytime. You may want to add Sesame Oil or Butter. Do you think you would like some Honey? Use salt to taste.

You will find this will correct your digestive system as nothing else did. For best results, take only the germinated food for the meal. Send for our booklet, "Germination of Grains." \$1.50

PRECIPITATION TAPES

Beloved Ones of **RUBY FOCUS**, we are having wonderful response to our offer of the two Precipitation Tapes, Nos. 3 and 4, listed in our Open Letters. And there is the fast-growing realization that we have had much beautiful philosophy, much beautiful feeling in the literature. Now let us have most beautiful practices, action, living.....literature, tapes and such, going beyond philosophy and feeling, and becoming an actual part of living, as in the Open Letters now, and in all our daily Precipitation Sleep-teaching Tapes. Now becoming actual sacred rituals and services.

We must say flatly, that all who can have recorders need these Tapes. Use at all times. When and where it is not convenient to listen, use ear phones to silence them, but to penetrate the ethers, for it reaches thruout the Earth. Use in office and kitchen--anywhere. Precipitate! precipitate! precipitate! everything!

To use with Tapes Nos. 3 and 4, get the Handbook that goes with them. It has the text of the Tapes, and also an Appendix to give you the names of many things and essences to precipitate.

But this Handbook is probably still more important, and is invaluable for those who do not have recorders. Even better than to listen to the realizations, decrees, is to speak them yourself. All should have this Book, "TO PRECIPITATE WHATSOEVER."

And perhaps there is no more interesting and productive thing to do with the Tapes than to listen to one before going to sleep--that when you awake during the night or early in the morning, say at least ten times: "I AM BATHING IN BELOVED EOLIA'S TUBE OF GOLDEN LIQUID SNOW FROM THE GREAT CENTRAL SUN." You may see the LIGHT, where you previously could not see it--and then set your prayer, realization, in that spot of LIGHT. Thank FATHER-MOTHER FIRE-FLAME-LIGHT and the GREAT ONES.

PRECIPITATING ESSENCES OF FOOD

Now, a special nourishment is the precipitation of the Essences of food. Need I say more than what is here given from a letter from J.B.? And she calls it "RESEARCH": "Last week I fasted 24 hours without water. Nothing passed down my throat. I felt very well. I also was decreeing for the darling Elementals, Nikola Tesla, RUBY FOCUS, and everyone; and for rose hips, figs, prunes, water, mushrooms, sesame and other Essences. At the end of 24 hours, my mouth was in the same moist condition, so I accelerated my Precipitation Decrees for water and continued fasting for 48 hours. Same conditions continued.....mouth in beautiful shape. (And I had let myself get very tired, trying over three months to help someone each morning, noon and night, to catch up to a dead-line date. No holidays, and only a total of three or four days off.)"

Viola asked, "Is Baptism of the New Age religion?"

Beloved GAUTAMA answered thusly, thru Channel "E": Baptism in the New Age is a Kiss of the Holy Spirit thru meditation and feeling the Electro-Magnetic Energy of the FATHER-MOTHER FIRE-FLAME-LIGHT coursing thru the four lower bodies. Bless you, dear Viola, for asking ME.

I AM GAUTAMA, LORD OF THE WORLD.

Evangeline says: I have discovered a new way to open my All-Seeing Eye. I have had a joyous Revelation thru the Realization of Light. As I go to sleep, the Tape No. 3 presses the Button of the Infinite, and I am full of LIGHT. No. 4 Tape likewise is filled with great Wisdom of "Blessed Assurance". If I had to choose two tapes from all the world of tapes, these would end my search! Joyously, I see!!!

Reported Elizabeth of Lynnedale at the dinner table: As you were decreeing the Essences of food, I could see the Rays streaming to each of you. I could see the Colors; and I could see Luther Burbank holding out to you the fruit you called for.
