OPEN LETTER

OCTOBER 1971

BELOVED HOLY AEOLUS

"It's as simple as this:" The disciple says, "FATHER-MOTHER-LIGHT, beam down Thine LIGHT upon me. I thank THEE for Thy constant Love and interactivity in my life. I am grateful! Thank THEE, FATHER-MOTHER FIRE-FLAME-LIGHT." I, AEOLUS, say unto thee, "Ye are indeed closely infiniated with My HOLY SPIRIT (CHEMISTRY) of COSMIC CONSCIOUSNESS."

Open Letter on Nature's Course

OPEN LETTER
to
Speedily Advancing Persons

LOVINGLY DEDICATED TO FATHER AEOLUS, COSMIC HOLY ESSENCE

BELOVED AEOLUS, thru "E": I AM peeking into the Beloved MAGNIFICENT CONSUMMATION OPEN LETTER which is being dedicated to My IDENTITY, this October 1971; and I AM thrilled beyond measure as I glimpse into this new vernacular of the New Age, golden in aura, so far fetched from My days of Homer, the blind poet, or the humble herdsman of My sheep, then later, internship as MAHA CHOCHAN of your planet. I breathed "in" LIFE to the newborn babe, and breathed "out" earth breath when "day is done" and the disciple was "coming home".

Now, of this era, I AM AEOLUS of the HOLY SPIRIT of the COSMIC HOLY CHEMISTRY. Therefore, I concede in favor of the magnificent planetary service I see My Sons and Daughters accomplishing under the administration of SANANDA, formerly JESUS, now JESUS OF UNIFICATION for your planet Earth.

May I, AEOLUS, salute in joyful recognition LADY MIRIAM (Innocente) for the valuable treatises channeled to her from ME in former years in book form by the BRIDGE TO FREEDOM. (See note at end of message.) May I, in the same breath, place in proper focus for humanhood, the first three books of ST. GERMAIN, the I AM ACTIVITY, "The Magic Presence", "Unveiled Mysteries", and the "I AM Discourses of St. Germain". Yesterday, today and tomorrow becomes one hour of Joy in Rapture of Earth experience. These books are diamond-studded in the COSMIC LIBRARY.

I, AEOLUS, salute Garman and Evangeline Van Polen, the faithful founders of the MAGNIFICENT CONSUMMATION and their true, honest, dedicated staff of indefatigable workers in this activity.

I salute My beautiful Son, Samuel George Partridge, for his untiring trip across the Country as a battery, to unravel the golden floss from the FREEDOM FLAME; and then to write a book, a diary, for the breathlessly awaiting disciple to read.

I salute the LAND OF SOUL, the MAGNIFICENT CONSUMMATION'S RUBY FOCUS, wherein etherically dwells the FIRE-FLAME-LIGHT CHEMISTRY of SERAPIS BEY of the ASCENSION FLAME, LORD GAUTAMA, THE LORD OF THE WORLD, and over Mt. Wilson, a chemicalizing of Healing Power from MOTHER MARY.

I salute the Red Rocks and the White Rocks of Atlantis and Lemuria, merging in layers, deposits of many centuries, each in their own strata of experience, and making Sedona, Arizona, the iridescent setting of the RUBY FOCUS of the AQUARIAN SIXTH RAY. (Not the Piscean, slipping away.)

I salute the millions of Light Bearers and their groups. They

are beautiful, like flowers and music and fragrance! They light the Heavens with their decrees and Hallelujahs! Remember, the healing of the world is in its nameless saints--perhaps those whose names have never been in print or stepped upon a platform.

I salute the many, many magnificent, iridescently-blinking Spacecraft. Talk to Them and They will reply; and They have Chemistry within their Ships to pour down upon you Healing of a most miraculous nature. Try Them!

I salute! I salute! I salute the GREAT CENTRAL SUN, the ROYAL TETON, The ASCENSION and the RESURRECTION FLAMES, FATHER-MOTHER FIRE-FLAME-LIGHT.

Blessed ones, you are now entering into the Consciousness called "COSMIC". I stand ready for your calls to US, FATHER AEOLUS AND MOTHER PALLAS ATHENA. WE will answer your calls, dilemmas or questions thru that intuitive part of your soul-body. WE will recharge, rejuvenate and reenergize your entire personal, individual UNIVERSE of all seven bodies which man of GOD has been given.

I leave you in deep appreciation for this October Open Letter, dedicated to ME and Mine.

I will radiate to the dear ones in the MAGNIFICENT CONSUMMATION, radiant Good Health, TRANQUILITY'S sleep, Prosperity and Longevity, as long as you are needed, which will be a long time.

BLESSINGS! AEOLUS AND PALLAS ATHENA.

FOOTNOTE: The Treatise thru MIRIAM, referred to by FATHER AEOLUS, is entitled, "A Treatise on Spiritual Law, by the Cosmic Holy Spirit". Do not mislead yourself by the vernacular of the title, for the vernacular of the book is that of "ESSENCE" and "HOLY CHEMISTRY". It is clear esoteric science.

The RUBY FOCUS recommends the book without any reservations whatever; and we urge that it be studied to help understand the RUBY FOCUS. More than that, it should be an avenue to unified understanding.

A PURIFICATION CEREMONY

"E": It is September 3rd, 1971, and a beautiful night with almost a divine breeze. And the room is cooled. And Who wants to take over this benediction of Purification?

FATHER-MOTHER FIRE-FLAME-LIGHT, thru "E": Arise! and take hands. WE ARE FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT, FATHER-MOTHER FIRE-FLAME-LIGHT! And WE ARE the ONES from Whom the MASTERS, all ASCENDED MASTERS, must receive of Their Divine Energy. WE ARE the "CUP" from which THEY drink; and you do not know any other VORTEX in the RUBY FOCUS to Whom you go for this Purification. WE will pour down DIVINE LIGHT of LOVE and LIGHT and PURIFICATION; and you, each one here, will feel it. Feel it; breathe deeply and feel the LIGHT of the GREAT CENTRAL SUN thru your FATHER-MOTHER FIRE-FLAME-LIGHT, the highest crescendo you can go. And let no one deceive you on this point. Just feel, feel, feel, get the SPIRIT, get the ESSENCE, get the HOLY SPIRIT, the HOLY ESSENCE, which emanates from your FATHER-MOTHER FIRE-FLAME-LIGHT.

And from this moment on, you will Radiate, Radiate, Radiate! You radiate your own pure Divine LIGHT and receive of the Gratuities of the TREASURE BOX OF HEAVEN, the opening of all these Powers--Instant Healing, Instant Healing, Instant Healing.

And look into the Heavens and radiate unto these BELOVED ONES Who are so faithfully watching over you from the far corners of the sky. And if you have something that seems a little difficult, or if you want instant healings for someone, radiate to these Spaceships; and They in

Their great Power and Magnitude will bring about whatever it is to help your difficulty. Your difficulties come from limitation of mind. You know when you meditate you are given ideas and you follow these ideas up. When you will have asked US, FATHER-MOTHER FIRE-FLAME-LIGHT will set you right on all ideas, all activities. Be FREE, FREE, FREE, FREE, FREE in your FATHER-MOTHER FIRE-FLAME-LIGHT. WE love you. Feel the LOVE, LOVE, LOVE, LIGHT, LIGHT, LIGHT, LAUGHTER, LAUGHTER, LAUGHTER!

Now you are pretty well purified; don't you feel it? Don't you feel PURE, PURE, PURE?

WE will talk thru Our Beloved Channel and Chohan, Garman Van Polen. HALLELUJAH! (9X)

Garman: FATHER-MOTHER FIRE-FLAME-LIGHT, I hold myself open so that YOU do speak thru me. I thank you.

FATHER-MOTHER FIRE-FLAME-LIGHT: My Son, WE thank you for your invitation. WE wish to speak on the subject of Purification. You have had a demonstration of Purification of your own minds, feeling, body and affairs. And these are to occur periodically. They do occur as BREATH from ME, your FATHER-MOTHER FIRE-FLAME-LIGHT. I breathe into you all your life, and the Purification of all Life that has been distorted. I AM coming to a time in your lives when WE need not administer to you a superabundance of Purification, of Breath of Purification. And to this end WE ARE giving you frequent and great Purification, that then you may give your energies to greater and greater pure growth. And WE ARE imbuing you with the Consciousness that WE ARE the CENTER for all Centers of Life.

WE ARE imbuing you with the Consciousness that all is for ME, for US, that all this desecration has been of US by you, oh man, of US. And now you are to know in full conclusion of fruit that you are, as you have desecrated ME by your considerations, your self-centeredness, in your man mind and your man feelings. Therefore, you are now to make a complete reversal. You are to glorify ME only, and therein to learn that you are in and of ME, in and by your INDIVIDUAL FATHER-MOTHER FIRE-FLAME-LIGHT, and that you glorify your INDIVIDUALITY by glorifying ME. You are to annul yourself completely, that you shall be wholly "I", "WE". Think of your every Breath as being My Breath. On each breath, be aware, be conscious, be recognizing FATHER-MOTHER FIRE-FLAME-LIGHT issuing in and out. You are to learn to be fully cognizant of FATHER-MOTHER FIRE-FLAME-LIGHT. This thought, this feeling, that I do give to you constantly into your open consciousness is the fullness of My LIGHT in you and there is no other LIGHT.

Adore this Simplicity that I AM. Ever ask for more and more of this Absolute Knowledge that for My GLORY I carry on every greatest and tiniest cycle in your life. This is the Knowledge whereby I can live in you. This is the ever-increasing Knowledge and Consciousness. It is the Core of all your transaction of Life. You shall know in your Absolute Awareness of this One Knowledge, that this is simultaneously your Faith. You shall realize that increasing Awareness, Consciousness, of My simple ONENESS of FATHER-MOTHER, simultaneously is the increase of Faith; that the true Knowledge and the true Faith are ONE. Because of this increasing Knowledge, you more and more give everything into Our Hands. For this advancing Knowledge is such that, strangely to the human mind, the more you have of it, the more you must and can leave in Our Hands. That is the new dimension of Knowledge and Faith.

And so it is that by means of this Purification unto the full PURITY, you come to the full realization of thought and feeling that are of the ESSENCE, that are the CHEMICAL FLUID in and of ME. Realizing such a thought is a FATHER THOUGHT and ITS accompanying MOTHER FEELING,

you know without doubt that this thought, this feeling from ME in you, will bear fruit.

You will know that the only form of precipitation is thru your own thoughts, your own feelings, that are My Thoughts and Feelings; you will be beautifully, powerfully, purely, with the Purity of One-pointedness of Concentration, experience the flowering and the fruiting in all its beauty and lusciousness, coming unto you. You will experience ME, US, in every moment of your life--your moment-to-moment living. Such as it is, your one and only experience. There is no other experience than that WE ARE You. You ARE WE.

My children, this is enough. This is all. It not merely includes all--IT IS ALL, whereby you faithful children thruout this world, thruout the Universe, thruout the Omniverse, rise to Omniversal Being and Consciousness, with US, FATHER-MOTHER FIRE-FLAME-LIGHT. Ah, children, what a beautiful time in Consciousness you have arrived at! that you are aware of the Beauty of the Infinite LOVE, the Infinite LIFE, the Infinite ENERGY, the Infinite Everything that resides in the fact of FIRE-FLAME-LIGHT issuing ever in and from FATHER-MOTHER. WE have spoken!

"E": BELOVED QUEEN OF LIGHT, what is Your reaction to Garman's Treatise on "PURIFICATION"?

QUEEN OF LIGHT: "PURIFICATION" is a most vibrant word. Without PURIFICATION, you do not make the HOLY OF HOLIES.

I was vitally, enthusiastically, interested in the Beautiful Drama of LADY LOUISE, regarding Her eventual PURIFICATION in the INNER LEVELS. So real it is, it has brought a screened lesson to you dears within this activity of TRANSMUTATIONAL TRAINING. It was so realistic because of an Earth tie of NEW DAWN, who was Her former room-mate and confidential friend thruout the years. NEW DAWN could elaborate on points of LADY LOUISE'S Earth history.

How could anyone of conscious mind not believe in the PILGRIMAGE OF A SOUL after having left the body.

The very latest progression of development now, is to purify so completely, while still on Earth, that the cells of the body absorb into an ETHERIC SUBSTANCE, and then there is no body, neither to bury nor to burn.

I was also highly intrigued and accelerated with the class last night, given at the home of BELOVED CELESTE, when BELOVED SERAPIS BEY entered as the Teacher, and with a few brief notes on "feeling" and "sensitivity", took all off to visit His BROTHERHOOD AT LUXOR. Each felt the rhythm of "flying as a bird", and after which was served an "ELIXIR", a pink liquid, which tasted like cherry. This was a CUP of JOY and HAPPINESS and EXPANSION of the CHRIST HEART "PURIFICATION". A tete-te-tete, and then the "feeling" of coming down to our Earth chairs, like the downing of an aeroplane. HEAVENS TO BE! The spiritual CHEMISTRY of humanhood has reached a magnificently high frequency and now is able to operate these Tremendous LAWS of complete PURIFIED FREEDOM! I stand in awe, gloriously viewing the millions of Earth people who have consciously attained. These are perfectly natural activities which had been smothered in the density of soot and mental smog of Maya for so many centuries, to completely obliterate FATHER'S Original Plan.

Oh! How I love My MAGNIFICENT CONSUMMATION and FATHER-MOTHER FIRE-FLAME-LIGHT with every fibre of My Etheric Substance.

BLESSINGS! to all, and My special LOVE to Garman.

I AM THE QUEEN OF LIGHT.

When you move, will you please send us your change of address?

We thank you!

INTRODUCTION OF LADY LOUISE, thru Evangeline

Sunday, September 19, 1971.

"E": Thursday night while the class was going on, I felt a great warmth, and I said, "What is this great warmth that I feel?"

"The answer is "I", MOTHER MARY, introducing you to LADY LOUISE. You are very precious to My Heart. This is My night, the Fifth Ray. I love you, and I'm bringing LADY LOUISE to you, and SHE will be your Contactee. Love, MOTHER."

So the next evening I fell asleep in the chair. I just had to sleep. And that is when I met LADY LOUISE of the RESURRECTION FLAME. And She said, "I will come to you on Sunday." Now, that put me on fire. And this Service is dedicated to LADY LOUISE, gone on only a year ago.

MOTHER MARY: This is a message from One Who had passed thru the TRANSITION FLAME. IT is in the TRANSFORMATION SHRINE. WE acknowledge at this time the glowing, radiant, liberated PRESENCE of our Beloved Louise Kissinger--now in the Ascended state, in the Realms of LIGHT where She longed to be. See Her in Her blazing new radiant PRESENCE in a form of beauty and youth, with hair billowing in golden ringlets and upon her head a circlet of diamonds. She wears a long mantle of white silk Substance, and beneath it is a garment of delicate shell pink. She is carrying in her arms a bouquet of beautiful shell pink roses. Her radiant PRESENCE smiles joyfully upon those She knew, and blesses those She did not know. Yes, isn't that wonderful? She offered the roses and presents one to each of you. You will receive one of these roses which are being highly electronicized. I AM MOTHER MARY. I hope you press these in your Bibles.

FATHER VIVIAN: Beloved "E.", it was I, Whom you saw last night as you placed your head upon your pillow. Before this could happen, if you will remember rightly, you had a peculiar convulsing action in the back of your neck, going into your head. You worried a little about this, for you did not know what it meant; but WE were preparing you to meet Our LUMINOUS PRESENCE when you went to bed. And WE opened wider those Chakras which have given you this great opportunity. And I will say, in modesty, that you saw and felt My Humble SELF beaming and radiating down upon you. All those who have touched the GOD CONSCIOUSNESS, the Highest Frequency, become radiating, iridescent, scintillating, electronic Beings. And when WE have the opportunity of entering into the upper mind or upper brain, the Pineal, of one of Earth, that is the way WE seem. You said, "Again I am humble." You said that never in all your experience have you ever seen a face so beaming, so scintillating, and so shining, as the face that you saw. In a chair, not quite obvious, was BELOVED LADY LOUISE, beside ME. And I introduced you to Her. And these are the words that She said, thru telepathy, as that is Our language.

FATHER VIVIAN, speaking thru the Channel for LADY LOUISE. (She is not yet strong enough to channel into the human consciousness, so I will conduct Her own thought and feeling thru the Channel.) "Yes, FATHER VIVIAN, You tell those in the Magnificent Consummation that I see now that all people must learn the Law of Everlasting LOVE, which is your and their salvation. And if any of you here, for I love you all or you would not be here, wish to contact ME for any reason at all--it can be for sleep, it can be finances, it can be more sociability, calling in the right frequencies to you, for when they are not the right frequencies, they do not come. Was there not a lady from Phoenix who called and said she was coming? She was not the right frequency; for as you know, she was on the psychic plane. As you know, WE do not want the psy-

chic wave length. WE want those who love Our BELOVED MOTHER MARY, and love, just love that which is of the Infinite. And as I understand it, you are a body of hand-picked people who are trained for transmutation. And I wish I had known you in My days of Earth life; for My life has only just begun now. I would have been transmuted, you see, and would not have lain on a couch to receive the transmutation; but would have flown directly into the Ascension. Now I AM ascended, and I will live eternally in the HOLY SHRINE OF TRANSFORMATION. (Meaning to transform the dense physical of your body into the Electronic LIGHT.) You call it FATHER-MOTHER FIRE-FLAME-LIGHT. It doesn't matter what you call IT. It is what you do with it. It is the activity, and your activity is the greatness of Magnificent Consummation.

"You are small in number because few are ready. The young folks of Earth want to have some more fun. They are not ready to buckle down, and transmute their physical bodies; but you beloved ones, are now transmuting beautifully, every cell of density in the physical. Now, don't forget the VIOLET TRANSMUTING FLAME in also performing this act. Call on your VIOLET TRANSMUTING FLAME.

"I AM delighted and surprised that the Channel and her cohorts go out and raise their arms to the BELOVED SPACESHIPS Who are protecting you, protecting the world, of course; for you are the world. There is only ONE in the world, and that's YOU. I AM YOU. YOU ARE "I"; for when you come into this Great CHRIST CONSCIOUSNESS, there is only ONE in the world, regardless of race, creed or denomination. And throw those arms up to your BELOVED SPACESHIPS that you see and RADIATE, RADIATE, RADIATE to THEM. And don't be afraid to ask for the open doors, or to rain down Their peculiar CHEMISTRY to your body to heal it, to displace the blocks that are holding you.

"Oh, My favorite song--do you remember it, 'Oh, let no earth-bound cloud arise to hide me from my Savior's Eyes.' I loved that song, and I want to relay it to you. Oh, children of the magnificent opening into the great frequency of the Divine, whatever your Faith is, for there are many shrines, whatever it is you are attenuated to, you must have the lifted Consciousness to see the Glories, to see the faces that beam.

"Now, YOU relay this, BELOVED FATHER VIVIAN," said LADY LOUISE.

FATHER VIVIAN: "I did, My darling! Now would You like the Beloved Hostess of the Magnificent Consummation to give you the roses to each one, that you have blessed during this Service?"

LADY LOUISE: "Why of course, I do. Good morning, Beloved Ones, and may you be blessed by the BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT, and also by the SHRINE OF TRANSFORMATION, your last lap. AMEN, AMEN, AMEN!"

ORION: Do you feel that you have in any way progressed thru the Angelica Tea? (Yes.) Well, that's fine, because it is a great healing agent. And if it were used where there were cancer patients, chronic, or any patients along those lines, which WE label or don't label, the Angelica Root Tea would heal. It would get into those lifestreams and absorb and dissolve all of that which is of filth. Because that is all these diseases that WE will not label are, just filth, in the body. Oh yes, the Angelica Tea will absorb and cleanse and it will be no more. Of course it will take time, because it took time to get that into the system. Some are born with it; sometimes it is karmic. But if it is karma, then one can do something about it. Tonight WE send you LOVE, the ESSENCE of LOVE.

These OPEN LETTERS are mailed free upon request. Your voluntary contributions are very, very much appreciated.

MESSAGE FROM DJWAHL KUL, thru L.D.P.

One purpose of giving the following message is that it can be used as an example to any student of the LIGHT, just as it is for the one to and thru whom it is given.

DJWAHL KUL: Good morning, My Son and Partner in LIGHT, LOVE and LIFE; radiating thoughts, feelings and action directed to a grand and glorious Divine Consummation of the ushering in and establishment of the Aquarian New Age in, on and around our Beloved Planet and lifestreams.

From the blessed receipt of "E" and your own, sift out the urgent and potent directives and prepare brief but dynamic decrees for establishing the Armor of Light for those whom you know to be in this work with us, intensifying this protective LIGHT daily for each of us. Work out each human relationship, both from the esoteric and exoteric dimensions; each one that is important to our work as FATHER-MOTHER FIRE-FLAME-LIGHT in SILENCE and in ACTION.

Let all lesser relationships and activities be erased with the automatic drenching with positive LIGHT radiations as they sense FATHER-MOTHER FIRE-FLAME-LIGHT in and thru us without our conscious attention or effort.

Define in the form of calls and decrees exactly what needs to be precipitated and what needs to be etherialized (made non-existent). Then radiate, radiate, radiate!

Tune in and up to FATHER-MOTHER FIRE-FLAME-LIGHT Consciousness and action by use of the RUBY FOCUS Letters and Decrees! consistently; and study my works, "The Bailey Books" and the "Art of Precipitation"; and I will guide you to that which is most vital and timely.

Have faith! Supply will come with accelerating abundance. Do not pride yourself in doing the impossible humanly; this is too time-consuming--you have proven yourself to your I AM PRESENCE, your monadic ESSENCE. Do not repeat and recapitulate over and over; give up the human for the Divine. And you and "L" will be divinely sustained, blessed. I will take your place in functioning as FATHER-MOTHER FIRE-FLAME-LIGHT --here and now in dynamic "WE ARE" Action and Consciousness! Let us radiate LOVE, PEACE and LIGHT to all together. LOVE, D.K.

QUESTION AND ANSWER DEPARTMENT OF LORD GAUTAMA, LORD OF THE WORLD

BELOVED LORD GAUTAMA, a question has come up. Where are the Etheric Cities located?

Answer: On the deserts where the mountains meet the desert sand. One is over the Sahara; one is over the Gobi; one is over Brazil--the Etheric City for South America; one is over the Arizona desert and is the Etheric City for America.

Question: Just where would this Etheric City be located in Arizona?

Answer: At first it was over the Grand Canyon; recently it has become a VORTEX over Sedona--going into circumference to embrace Prescott, Chino, Montezuma, and such.

Question: Might you say the LAND OF SOUL, Magnificent Consummation's RUBY FOCUS is the Heart of this Etheric City?

Answer: Yes. This is where I AM radiating North-East-West-South. The RUBY FOCUS is the heart-beat of America's Etheric City. I must say, Long Island is also another very Holy Reservoir where many wonderful Ascended Masters are etherically gathering, as at the RUBY FOCUS, to incubate into manifestation the great golden New Age.

Question: Do you believe there is virtue in humanhood radiating

to the several luminous, iridescent SPACESHIPS, so indelibly identified in the sky night after night?

Answer: Ch, yes indeed! These SPACESHIPS are stationed at strategic points to protect humanhood when there is need to be taken up. Radiate LOVE and ask any request you wish, and there will be a reaction from the most magnificent vibrations of Electronic Energies. Try it.

Beloved ones, you are living now in all eight cylinders. You are high in frequencies; and there never has been an Age wherein mankind can draw up into the Ethers and receive Gratuities from the HOLY OF HOLIES.

BLESSINGS! to all faithful ones who aspire to the HEAVENLY HOST and the TREASURE BOX OF HEAVEN.

I AM GAUTAMA, LORD OF THE WORLD.

NOTE: THE LORD OF THE WORLD wishes His dwelling at Al Sirat, at the RUBY FOCUS of Sedona, Arizona, now to be known as LORD GAUTAMA'S ABODE, no longer THE WISDOM POOL.

GERMINATION OF FOODS

From Dr. J.D.N., of India: Lord Jesus Christ favored germinated bread. Below I give His prescription:

Moisten your wheat, set it in air, leave it from morning to evening beneath the sun. This would make the germ of life to sprout in your wheat. Then crush your grain, and make thin wafers. Put them back again beneath the sun from its appearing, and when it has risen to its highest in the heavens, turn them over on the other side and leave them there till sunset. Now your bread is ready to eat.

EXCERPTS FROM LETTERS

M.B.: I am grateful to our BELOVED LORD GAUTAMA for His wonderful help and inspiration, and to our other Great Ones on the other side, Whose help is ever present and abundant. And always, first of course, to our BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT, Whose PRESENCE and help I am coming to feel in an individualized ray, similar but more powerful than the help received from the individual Masters.

M.N.H.: I love FATHER-MOTHER FIRE-FLAME-LIGHT'S Treatise thru Garman, "Breathing Virtues of the Rays", in the July 1st Open Letter. It is indeed wonderful, and I rejoice to see it so beautifully put--a quota of ITSELF in each one of us. I have always known this, and rejoiced to tell others that God is within us. BELOVED FATHER-MOTHER FIRE-FLAME-LIGHT of LOVE can put these Great Truths in simple ways for us small children. How I love all that is given from THEM, Our Glorious FATHER-MOTHER FIRE-FLAME-LIGHT.

IMPORTANT NOTICE

THE BELOVED DIVINE DIRECTOR invites you to request that you be taken to His ACCELERATION FLAME, in the CAVE OF LIGHT. In this WHITE FLAME your frequency will be accelerated. In the final instance, it is preliminary to Translation and Ascension. Make a note requesting this and leave at your bedside before retiring. A Seraphim will take you.

Thank YOU, BELOVED DIVINE DIRECTOR.

ANU AUM AGUA! (FATHER-MOTHER-LIGHT thru us, loves you.)

Devotedly yours,

GARMAN and EVANGELINE.

The Walked Where I Walked

With The Freedom Flame

The Travel Diary of the trip by Sam and Richard related all about the Freedom Flame tour, sending light from and blessing the 48 State capitols of America. The Etherics of the FREEDOM FLAME had their parade, and THEY released a never-ending reel of Golden Floss over the United States of America.

Enjoy an armchair tour of your Beloved United States of America and see the 250 pictures including State Seals and photos of each Capitol. (175 pages.)

GODDESS OF LIBERTY: "I am enjoying giving this special preface to this beautiful book. It is in the form of a diary of the two young men who decided to live a "day-at-a-time", and serve the FREEDOM FLAME. I don't know when any such diary has been written in such physical, down-to-Earth detail and yet in absolute direct communication with periphery to the Ethers."

LORD GUATAMA siloquizes; "This has been a most extraordinary diary - in book form, a vertiable "rocking chair" view of the trip to every state in American boundaries and written so graphically, yet in simple language, as to be picturesque in imagery.

LORD MICHAEL: Read the stirring message from Lord Michael on Page 139 and know how you can help in the work of the FREEDOM FLAME.
