PIRITUAL MAGAZINE.

PIRITUALISM is based on the cardinal fact of spirit communion and influx ; it is the
to discover all truth relating to man's spiritual nature, capacities, relations, duties,
, and destiny ; and its application to a regenerate life. It recognises a *continuous*
inspiration in man ; it aims through a careful reverent study of facts, at a knowledge of
is and principles which govern the occult forces of the universe ; of the relations of spirit
ter, and of man to God and the spiritual world. It is thus catholic and progressive,
; to true religion as at one with the highest philosophy.
