

THE
SPIRITUAL MAGAZINE.

SPIRITUALISM is based on the cardinal fact of spirit communion and influx; it is the effort to discover all truth relating to man's spiritual nature, capacities, relations, duties, welfare, and destiny; and its application to a regenerate life. It recognizes a *continuous* Divine inspiration in man; it aims, through a careful reverent study of facts, at a knowledge of the laws and principles which govern the occult forces of the universe; of the relations of spirit to matter, and of man to God and the Spiritual world. It is thus catholic and progressive, leading to true religion as at one with the highest philosophy.
