Two New Pamphlets
of Outstanding Merit

THE HISTORY OF THE
BIBLE. By STANLEY DE
BRATH, M.Inst.C.E.

Before the reader can form any just opinion
on the venerable collection of books we call
the Bible, it is absolutely essential that he
should realise whence it comes to us and how
it was put together. This booklet on the
Bible is very explanatory.

BEDSIDE MUSINGS.

By DOROTHY OSTRER.

Love those nearest to you; you never know
how long you may have them, and when they
pass from your sight self-reproach is no good.
Water that has flowed into the sea never
returns; your chance of making them happy
is gone for ever.
