The aim of the Bureau in presenting this Course is to stimulate a thirst for knowledge and help fit, for their work, those who are aspiring to the ministry of Spiritualism, and for the Degree of National Spiritualist Teacher (N.S.T.) but who are so circumstanced that they are unable to attend the Morris Pratt Institute.

The Advanced Course consists of thirty mimeographed lessons sent out at regular intervals from the Bureau. In addition a series of questions is submitted to the students, the answers to which must be submitted to the Superintendent of the Bureau for grading, corrections and suggestions. These lessons are enforced by recommendation of books required for supplemental reading.

The tuition fee is seventy-five dollars for the Course, payable in seven installments. The first payment of fifteen dollars to accompany the application for enrollment, the balance to be paid in six installments, payable the first of each month. The Term opens October 1st. No papers are examined during July and August. Students are urged to enroll before the opening date in order to keep abreast of the class.

An average of 75% or better is required as passing grade, while 90% or better constitutes the Honor Roll.

The Bureau suggests these lessons be used by graduates in their classes formed for the study of the Philosophy of Spiritualism. Whenever such classes have been formed, the Bureau solicits a report of the work done each year. The only restriction is that the lessons must not be copied, permit to be copied, or sold — they are copyrighted.

Make all Post Office Orders and checks payable to N. S. A. Bureau of Education, Dr. Victoria Barnes, Superintendent.

The student is asked to purchase reference books from the National Spiritualist Office, 11811 Watertown Plank Rd., Milwaukee 13, Wisconsin.
