DEDICATION

This booklet is lovingly dedicated to the Beloved Maha Chohan, in His Cosmic capacity as Director of the elemental forces in, through and around the planet Earth, and to the Great Beings Who serve with Him in governing and controlling the energies of the Earth, Air, Fire and Water for the benefit of the human race.

It is time that imprisoned elemental life be freed from the bonds imposed upon it thru mankind's misuse of thought and feeling thru the centuries. It is decreed by the Cosmic Law that mankind shall come to a greater understanding of the service, cooperation, and consciousness of the elementals who have vowed to give obedience to the will of man.

May the study of the words of the Beloved Maha Chohan develop an interest in the elemental kingdom and a desire within the gentle reader to assist that kingdom back to its purity, happiness, freedom and perfection once again.

THOMAS PRINTZ

BELOVED LORD MAHA CHOHAN

September 1953

Beloved children, beloved friends, how well known you are to My Heart! The very first breath breathed into your nostrils came from My Own Life. In this embodiment, as your infant forms entered into this world of manifestation, above each one of you stood a beautiful White Dove, visible to the inner sight of any who had developed their consciousness to the point where they might see the beauty that is all around the world of form.

Do you know what that Dove signifies to Me?...to the Builder of Form that stood with your own Holy Christ Self?...to your Sponsor? It signifies the fact that it would be possible in the course of this earth life for you to complete your cycle of evolution and pass from the wheel of birth, of death and pain, consciously, into the glory of your Ascension! What a magnificent thing!

When you look down the course of millions of years, millions of nice new bodies provided for you...millions of opportunities to use the pure and primal Substance of Life to weave for yourself garments of Immortality --and finally through your own individual endeavors century after century, you come to the point of birth when the Dove stands manifest that all who know may read:- "This child may be among those whose names are written on the pages of the Immortals within the compass of this earth life" -- that is indeed a happy hour!

Ah! dear are you to My Heart -- your white souls, your innocent feelings, your desire to be comforted! You know, in many of the great religions, the Holy Spirit is referred to as a Mother and I do - in times when the call for Comfort rises within your hearts - feel much like a mother in My desire to give you comfort. Oh, not to give a sentimental release of energy which would do no good except for the passing moment, but to provide a way and means by which your own consciousness might grasp the possibilities of controlling the energies of your own life through your mind and your feelings, until you become Master of every electron allotted to your lifestream for the sole purpose of creating and expanding Perfection then, I try to be a Comfort to your life!

We are a comfort, one to the other - only when we enable the lifestream, the friends, the associates, the aspirants, the children, to learn within themselves to be self-sufficient and to gain self-mastery...to cease to lean upon externals--even upon the Perfected Beings. They are merely the Wayshowers, merely the Guides upon the Path; merely the Teachers by which you, each one, may grasp the full significance that lies within your controlled thought and feeling, and know the comfort of being able to stand alone in the dignity of your own Godhood, externalizing the Electronic Substance from the Heart of God, as you require it. That is the Comfort which We desire to bring...That is the Comfort I desire to give to you - My lovely, shining, blessed spirits of God.

When I see the Dove manifest above the infant form, at that moment, in My Office as Maha Chohan to this System, I am required to provide for each one a Guru and a Sponsor - a

Member of the Ascended Host or the Angelic Host - Who will give the required assistance to the lifestream so that he or she may be enabled to take full advantage of every opportunity offered and, whenever possible, manifest the magnificent victory of the Ascension. I gave you, each one, your Guardian Angel and assigned to you your Master and I wrote your names in the Book of Life. I have watched you carefully all through the infant days - and the growing days; through the days of groping...the days when you sought the pleasures of the world, as well as the days when your heart began to respond to the pressure of the Master, and the Angel, and the Holy Christ Self. I rejoiced when you began again to walk upward on the Mount of Attainment toward the shining summit from whence one day you will hear the summons of your own God Self, "Come Home, My Daughter -- It is finished."

If I could give to you the feeling that will enter into the deepest recesses of your being when you hear that Call -- there would be nothing in the world of form that could hold you one instant from the dedication of the energies of your individual being to the weaving of those Garments of Immortality. You will serve, true, for in service do you weave the colors into those exquisite garments of Immortality. In service you draw pure electronic light, and bless it with your own feeling of God love, and that act becomes part of the raising activity of your lifestream...

Remember, children, in service do not neglect your own individual application, for it is your soul that must become white as snow...It is your feeling world that must become non-recordant to discord and it is your

mind which must be cleared of all human concepts--for you cannot take soiled garments into the Realm of Eternal Perfection. When the clarion voice of your Presence speaks and you must rise, it is the application that you have made through the energies of your own world that will determine the condition of your soul when you stand before the Lords of Karma.

The Karmic Board is a merciful activity of life, but those above whose heads have stood that Dove of Light --those who have been given the privilege of incarnation where the Ascension was a possibility - are measured by a strict code. It is not lightly that the final earth body is builded, into which the soul is placed at the time of incarnation. It is not lightly that the soul is judged at the close of the earth life when opportunity has been given and neglected!

Children, It has been a long journey! Ages and ages and ages have passed since you looked on the Father's Face...Cycles of time have come and gone since the shining presence of the Angelic Host walked with men--since the Devas and elementals in tree, in flower, in shrub, were visible and man knew angels and elementals as friends and fellow workers on the Path of Evolution when he (man) was a bridge connecting the kingdom of the angels and the elemental kingdom, in harmonious balance and love.

We have come to the point now when religion and everyday life will again combine the three evolutions which, by the veil of maya, have been separated for countless centuries and are so little cognizant one of the other. Then, through his own majestic Higher

Self, mankind evolving upon the planet, will be the open-ended Maltese Cross of Freedom -- the perpendicular bar of which, reaching upward into the spiritual spheres, draws the Power of the Sacred Fire through his body into the earth, anchoring that Sacred Fire therein for the redemption of the planet and its people--the cross bar representing his outstretched arms, joining the kingdoms of the angels and elementals to the human evolution in beautiful and harmonious cooperation.

I AM One through Whose Body, through Whose Temple, comes the primal essence which represents all the energy used upon the planet Earth both by the nature kingdom as well as mankind through the silver cord that passes through their (men's) minds and bodies.

The opportunity has been assigned to Me to present to you the part the elemental kingdom plays in your life, and the part it will play in the worship of the future.

What, you might say, has this to do with my own peace of mind! with my own home and affairs and my finances! (unfortunately, those thoughts and feelings arise because the self is the center of each one's world).. Well, it has much to do! As you come to understand the all over universal purpose of Life, you will also understand that in service you can render a balance for your misuse of energies in the past, and so more quickly be free... So you do have a personal interest in seeing the picture of the Universal Plan for the next two thousand years!

I shall try to show you how, through your own mind, you are also a magnetic power that

invokes, draws, moulds and sustains elemental life, and in that you have the key to precipitation. It will be worth your while, therefore to gather your senses, concentrate your energies for a moment and have patience as I endeavor to give to you that which Lord Maitreya has suggested will be a part of the pattern in the release We are presently bringing to the Shepherds of the Race.

You have not heard too much about the activities of the Silent Watcher, yet the Silent Watcher is the first Being Who is drawn into action after the Sun of a System decides to create a Universe...Into the consciousness - into the mind and body of the Silent Watcher - are projected, by the Father-Mother God of the System, the entire Pattern for every planet. It is upon the ability of the Silent Watcher to hold that pattern, plan and blueprint completely unchanging, that the final victorious manifestation depends. The cosmic Silent Watcher received into Himself a complete picture of the seven planets of our system...the rivers, the lakes, the trees, the mountains of each one... each designed according to the requirements of the evolution that was to inhabit it. From this cosmic Silent Watcher, seven lesser Silent Watchers were sent forth Who, in turn, embodied the design of just one planet. The Silent Watcher is something like an architect, except that He holds a living and breathing activity of love and light, and not merely lines on a blueprinted page.

The Elohim are the Builders of Form. They (the Elohim) have constant reference to the design held within the consciousness of the Silent Watcher of each planet, lowering into form and building around the rays which form

the cradles for the planets the necessary elemental substance.

Over our Earth is a Planetary Silent Watcher. The Elohim drew from His consciousness the exquisite perfection of our planet- fashioned it according to the size designated in the Divine plan and, drawing the universal light from the heart of God by the magnetic pull of love, made this little planet to be the home of, about six billion lifestreams.

The elemental kingdom works upward from the tiniest intelligence (so small that millions of them would not take up a quarter of an inch of space) into the Builders of Form that create bodies for mankind; next they graduate into Builders of Form; then into Nature Devas who create mountains and cities; and later on they become Elohim, and finally may grow to be Silent Watchers of a planet, a universe or a galaxy.

You will see that My Service, working closely with that of the elemental kingdom, is to train Builders of Form. In Temples in the Third Sphere, where the Beloved Venetian assists Me, We teach elemental life to look upon a design (not as large as a planet, of course). We start with something very small, like the petals of a flower, a blade of grass, a dewdrop, or a snowflake. We, or one of the Builders of Form Who is a Guardian in one of the Temples, make a design - externalize it in the atmosphere before Him and all the elementals in the class endeavor to embody a like form. They try to imitate that figure in shape, color and design.. Some of them are very grotesque at first, dear little beings, as they can hold the picture for scarcely a second at a time, when they resume

their ordinary shape--but, they are in school and finally there comes a time when they can embody the form of, let us say, an apple blossom. The teacher in the temple then notifies the Nature Devas that there is a group of elemental beings ready to become the blossoms on an apple tree in some one's orchard... Simple. And yet THINK of the centuries of training and self-control on the part, not only of the elementals themselves, but of the teacher! Finally you have a lovely white and pink Spring... The apple blossoms smell so sweet and the lovers of Spring enjoy walking under the bowers of their beauty... The farmer has hope of a good crop in the Autumn... The bees are happy as they make their honey, and the elemental is happy because he has fulfilled his purpose. Then the short season completed - the blossom falls - and the elemental returns home for commendation, for rest, and re-assignment... That is the work of the elementals! They are primarily mental beings. (Note: el-e-mental--Mind of God).

Now how does that relate to you? Human beings are a combination of the potential powers of both the elemental and the angel... First they have a mind body(elemental) which is able to receive an idea --(not so well able to hold it, however, without allowing the effluvia of Earth to sweep it from the mind BEFORE precipitation occurs), BUT - they have the potential, and one day, through the magnetic power of the Sacred Fire, every man will draw the elemental life around a form--a beautiful idea which he might receive from the Presence - whether it be a poem, a piece of music, or some so-called practical manifestation which he thinks will make life happier in the world of form, and, if he can do as well as

the little elemental who makes the apple blossom, he will be well on the way to precipitation!

In addition, man possesses a feeling faculty (the angelic quality)...An idea made up of mind stuff (composed of all these tiny elemental beings) must be filled with the FEELING from the heart (angelic) before it can take form. You may invoke the assistance of the angels here.

Saint Germain told you -- "Thoughts become things when clothed in feeling." The evolution of the angels I shall leave to Beloved Lord Michael, and He will endeavor, in His presentation, to bring to you their part in the great Scheme of Creation.

Blessed ones, this endeavor is primarily to show you that the elemental kingdom must learn the control of energy through thought.... to hold a constructive pattern and design, so that you and other people among mankind may enjoy the Perfection We design in the Nature Temples -- an apple, a pear, a peach, a grape... THINK of the energy and thought that goes into the creation of that, and the sustaining of it.

Now for instance, in your worship of the future, - in the worship even of the present - it is the elementals who build the beautiful forms. I am interested particularly in the Chalice -- the raising of the Cup when you individually meet your God. The elemental beings within the room create out of your upraised thought and prayers a Chalice and they embody It with their own life...sometimes this Chalice is larger than the building. I have seen it in cities where blessed souls gather almost a

thousand feet across at the lip, and that is created by the elementals who come and make the receptacle into which the Spiritual Force may be poured and focused. They create the Chalice then your own energies piercing through in your calls for love or peace or for healing (whatever the requirement may be) open the floodgates; the Masters of Light bring the release, and through Their Own Bodies fill your cups individually, Then come the great Angelic Host, who dip into the large Chalice of spiritual force made up of the combined energies of the assembled worshippers and Masters and after each angel in the group is filled to the point of saturation, they carry that radiation and with it blanket your city. Do you see?

The three kingdoms working together as they did in Lemuria, on Atlantis, and as They do in God's Kingdom, SHALL DO SO AGAIN on earth through you and others like you, if We can FIRE you with enough enthusiasm for Our Design and Plan to be willing to leave your separate selves and come into ONENESS in service!

One of the Zarathustras said -- and it was repeated by Nietzsche in his works that "man is a Bridge and not a goal -- a dangerous crossing, a dangerous looking backward, and a dangerous looking downward." That is true. You are a Bridge between the two kingdoms-- the elemental - which responds to your every thought, making a flower or a serpent; and the Angelic, that responds to the happiness in your feelings, externalizing and amplifying every happy feeling you have and carrying it to the places where it is needed most.

You, the human kingdom, are that Bridge...

You are Saint Germain's Legion in action I AM the Life behind My Son. I AM the Fire of the Holy Spirit that through the Seventh Ray, will manifest upon this planet Earth such Glory as has never been known before. This I promise you because you have come, because you have chosen to ponder My Words, and, by your presence within this room and other rooms like this dedicated to God's Love, you have chosen to be a comfort to Life.... I bless you exceedingly for this.

I stand by you, with you and shall, with every cell and atom of My Being, endeavor to create that Cosmic Comfort and ever be that Presence upon Whose Bosom you may rest your weary head...feeling My Arms about you --never giving censure or blame - giving you comfort always, as well as strength and understanding, illumination and freedom-- that is if you want Me - for none of Us may come unless We are invited.

I hope that I have perhaps shown you something of the service of the elemental kingdom which has been so badly treated by mankind, because unless mankind will arise and give a blessing to the elemental kingdom, they (mankind) are going to pass through some very unhappy experiences.

We hope to establish Temples at various places on the planet Earth where foci of the Sacred Fire may be drawn to give certain benefits, certain blessings to the people. The leaders and lifestreams who have been chosen for this work, are chosen because of the momentum in their Causal Bodies which can be forcefields thru which those Powers of the Sacred Fire may be focused for the blessing of the elemental king-

dom, the kingdom of man, and the kingdom of the angels. You who have been drawn around these various blessed lifestreams, have not been drawn by chance... You have been called by the Presence of God and Ourselves, and your own sweet hearts and vibrant spirits are a part of those great forcefields, through which We may flash on an instant a blessing, a protection, and a power of light.

I love you, blessed ones, for your fidelity through the years. I love you for the enthusiasm which has made this New Endeavor now worldwide, and I love you for your selfless service to God's Life.

Beloved Friends, accept now the love of One Who has given you your breath. One day when your journey is completed, I shall stand by your side and accept your final breath -- so never fear the change and transition which men call death for when your call comes to return the breath - I shall be waiting to receive it and you shall pass through in honor and dignity with the Dove still above your head, into the Halls of Karma, there to receive your Wreath of Victory

I thank you and bless you.
