Foreword

Dearly Beloved Chelas:

Some day from the Heart of the Creative Fire, you will learn the true inner meaning of the word "Friendship"! It is a Cosmic Expression of Divine Love in its truest sense, and the devoted allegiance and sincere love of every Perfected Being, one for another, is the tangible reality of the covenant of Spiritual Union which man has, vainly, for the most part, attempted to express as Friendship.

Through the years I have endeavored to weave the tie that binds between your hearts and Mine, through devoted Love and sincere guidance toward the true Path. Surely you know that all My Love, all My talents are yours to use. This is one part of the agreement of Friendship, like a drawbridge thrown forth from a loving heart.... and now, from your hearts comes the other half of the bridge to make the span complete and useable for yourselves and others.

"I AM" your Friend and the Friendship of a Cosmic or Ascended Being remains throughout eternity. I now come to ask that from your eager hearts you consciously weave the substance which makes you My Friends as well...Tolerance, Love, Understanding, Peace and Tranquility, Purity, Poise and Charity...devoted Charity toward all...into your beings. These are the Gifts of the Holy Spirit, and he who is My Friend opens his heart to the outpouring of these graces to all.

Open your hearts to my devoted Love and selflessness. Contemplate the Grace and the silent benediction of the Holy Spirit that flows so constantly through all that is. In all your living, emulate the pure and silent White Dove which is the expression of the activity of the Holy Spirit. Thus, each day, the bridge of Friendship becomes stronger, you pouring forth more of yourself -- Beloved Paul, the Maha Chohan, and I, Who are only bound by your offer to all life, releasing more of Ourselves, in proportion to your endeavors.

Beloved Friends, the warm Love of My Heart enfolds you always and may you know what the Friendship of Heaven's Sons and Daughters can do for you, and through you, for all Our lesser children on Earth ... lesser only in the sense that less of Our Presence is yet manifest through them.

In the Spirit of Grace

"I AM" AEolus

Dedication

IN LOVING DEDICATION TO FRIENDSHIP WITH THE GODS

I have always been a great lover of the association called friendship, for it does not smack of the sentimentality of lovers, nor the over-solicitude of family and blood-ties. It is rather an honest sharing of consciousness, love and the gifts of each one's own lifestream, tangible or intangible, according to the estate of each man.

True friendship is based on absolute honesty (which requires delving into the inner recesses of the outer mind). Friendship desires the best success and accomplishment for the friend. Friendship is primarily a giving and not a taking. I believe, in Our realm, that the term friendship most nearly describes the attitude of feeling and consciousness among the members of The Brotherhood. Even in one's relationship to the God Presence within the heart, a growing sense of comradeship and friendship make the association both practical and healthy.

I am hoping that such friendships will develop among all those of you who wish to assist Us at this time. Professions of loyalty speed forth from the lips as the arrow is shot from the bended bow. Loyalty of heart is more slowly developed and radiates forth like a gentle warmth of the fire upon the hearth when the first violent flames have kindled the depths of the wood and the coals burn constant and warm and enduring. This is the intangible brotherhood we are praying for among you, the chosen.

Friendship With The Gods

AEOLUS, BELOVED HOLY

Cosmic Holy Spirit

"It is My responsibility and obligation to the Cosmic "I AM" Presence to nourish, develop and externalize the Holy Spirit thru every life-stream upon the planet Earth, or who belongs to Its evolution. The Holy Spirit is the true nature of Divinity and it is fore-ordained that every child of God must, sometime and some where, manifest a Holy Spirit thru the energies of his own world. When the Spark of Divinity signifies that It is ready to begin upon that endeavor, I come to assist in the development of the Holy Spirit of such an one.

ADELPHIA, BELOVED - SILENT WATCHER

For the City of Philadelphia, also of the great Cherubic Kingdom...Guardian Angel of Students of the Light.

Hail! to Thee, Blessed children serving God in the restraining confines of physical bodies! You are working toward the establishment of the spiritual partnership between the Angelic Kingdom and the Kingdom of human beings...thus heralding the New Day of Saint Germain's Freedom on this Earth, presently filled with so much travail and temporary distress!

I bless you as co-workers in re-establishing the Kingdom of Heaven upon this Sweet Earth! In long ages past, this glorious association was natural, and the Angels did walk and talk with men... What has been, remember, lives in the Ethers and is more easily re-established than that which has never manifested.

In every God aspiring group, who has proved themselves sincere, devoted, loyal and constant, there is always a member of the Angelic or Devic Host in attendance - at least during the meeting time. This Being takes up the prayer force of His or Her own added momentum, driving it like the speed arrow through the psychic plane into the Presence of God Himself.

Your auras (composed of the emotional, mental, etheric and physical emanations from your soul and outer mind) are more or less unprotected from the world in which you live, You have not yet learned the value nor accepted the power that there is in the Mantle of Light in which We live, move and have our Being. Thus you are more prone to accept into those auras the distress of the world than the glory of your own "I AM" Presence, the Divine Ones and even your Cherubim. Gradually, however, you will learn that the energy directed from the Immortal Three-fold Flame within your hearts can be controlled and change the quality of energy in the world around you. To this end the Cherubim, like the Spiritual Hierarchy, have 'forsworn nirvana' to help you. Thus can mankind KNOW the value and practical benefit of association between Angels and men!

You have heard that the service of Beloved Saint Germain is to re-establish association

among the Angels, human beings and the elemental Kingdom. This service truly, has begun. You have heard (long ago) that this is the law of control of energy and vibration. Now this control cannot come from will power and be sustained, although the WILL TO DO is the first step in such association. It can come as the understanding of the chelas is increased, their faith strengthened, their acceptance increased and the Christ within given opportunity to burst through the hard shell of the soul (accumulated experiences of ages of time). Then you will be able to not only magnetize the Rays from Your Spiritual Partners but also be able to radiate those Rays more powerfully than all the accumulation of discordantly qualified energy with which you might find yourselves surrounded.....BELOVED ADELPHIA

ALPHA, BELOVED MIGHTY

Great God of the Great Central Sun, Divine complement, Beloved Goddess Omega.

HEAR YE ME, children of Earth, "I AM" Alpha, "I AM" Omega, "I AM" Masculine, "I AM" Feminine, "I AM" the Divine Principle of Life, "I AM" the Father-Mother God, "I AM" the Eternal NOW, "I AM" BEGINNING WITHOUT END, "I AM" Light expanding throughout the Universe - "I AM" in thee, thou art in Me!

Beloved children, I speak seldom - I use the tongue and tongues of which you know not in this embodiment, and you will find today that I have come to bring a Cosmic Edict which I shall shortly pronounce, - but My Service all during this week will be one of Cosmic Radiation, I

invoke, you - I counsel you, each one, to come into My Heart.....all that is required is that you bend the knee to the Christ within. There is no separation in Cosmic Consciousness - there is one Life, - one Heartbeat for the entire Universe - the great Reservoir of Light is filled to overflowing with the Great Love of all the Components of the First Cause "I AM". My children, "I AM" that "I AM" - learn you each one to make that statement and FEEL it, and come and dwell with Me while yet walking upon this Earth -- abide within My Consciousness for all Eternity!

I speak the Father-Principle this day. "Let there be Light" is a Cosmic Edict, - and Light "I AM". I have come through the intercession of the Mighty Helios and Vesta from Whose Heart came forth the Planet Earth, and on behalf of Their child, this blessed Star, They came to My Throne with many Celestial Beings and asked for assistance and after receiving acquiescence from the Great Karmic Board -- mind you, listen to this - Our Beloved Holy AEolus stood Sponsor for each of you! - Blessed be that Holy Being!

As the Breath flows through Beloved Holy AEolus it is filled with Love - Love indescribable - and His Love for His chelas is so great that shortly I shall ask Him to use the worded expression, and I shall render the Particular Service which I have come to give. Every particle of Life is filled with Love awaiting expression - every Kingdom, the Animal Kingdom, the Kingdom of Nature - every part of Life, the birds of the air ---- and you, My children, who have the higher consciousness and the Light, the tonal quality of the beautiful birds of the

winged kingdom as they raise their hearts and voices in song with praise unto the Father. May there always be a song in your hearts, there is in the Kingdom of Heaven, and you have the opportunity NOW to enter the Kingdom of Heaven. I recognize not tomorrow or yesterday or today as you say on this Earth. NOW, the Eternal Now is the important thing for you to remember, and there is only the NOW!

It is My privilege to tell you that I have come to bring PEACE - Peace ON Earth - the Cosmic Fiat of the Father-Mother God is PEACE, not tomorrow but NOW!! I have spoken and IT SHALL BE - NOW!!!

I say - THERE SHALL BE PEACE when man goes within and is at Peace with God. If the chelas will recognize that peace within, everywhere they move they will radiate and release it to all life, through the harmony of their Beings.

AMARYLLIS, LADY Goddess of Spring

Beloved Ladies and Gentlemen upon the Earth today, I come, the Goddess of Springtime, to bring to you a remembrance of the constancy which is required to bring Beauty in manifest form again and again to the remembrance of the outer consciousness of mankind.

Springtime is purposeful; its purpose being to bring cognizance to the mankind on Earth of

an Immortality to the Nature Kingdom, an Immortality in the Animal Kingdom, and an Immortality in the Human Kingdom as well, which We celebrate around the Feast Days of the Beloved Jesus.

"I AM" the Daughter of Beloved Holy AEolus, and therefore My service through the ages has been one with Him.

For nine hundred years I prepared this blessed Earth for the coming of the Holy Innocents at the time when Helios and Vesta Themselves thought it time for the Earth to be populated. We designed at inner levels every type of Flame Flower from every Planet belonging to this System. We had a most magnificent Spring when mankind first came to the Earth. We have remained for millions of years in this same Office.

Some think because Spring is fragile and delicate that such Office is one of great delicacy. It takes tremendous tenacity of concentration to make and create a Springtime for an entire Planet, bringing forth from the effluvia of human creation and discordantly qualified energy with which mankind and animal life cover our Beloved Virgo, and create and resuscitate Beauty in form - in flower and in every manifest form.

All of Us Who represent the Spring of Life say to you, that Spring of Life which I represent to the Planet is also alive within you! Is your Spring of Life flowing freely or is that Spring so small that it only feeds the necessity of retaining consciousness mentally, emotionally, etherically and physically? I represent the Cosmic Spring of Life and I touch the Spring within your heart so that it shall flow freely

and you, too, shall enjoy the power of Resuscitation and Restoration. What I have done, you, too, shall do!

AMAZON, HOLY

Divine Complement of the Mighty Elohim Hercules

How great thou art, Oh Fire Beings, come from the Heart of God to restore this Planet to Her pristine Perfection. What a privilege for Me to be here today.

The First Ray always brings to mind one Being, - the Magnificent El Morya, - and I think Beloved El Moyra, - no offense to anyone, - has quite a task to keep the chelas in line to express the Will of God. So I think I shall stay around and be with Him. You know, I am also a very dynamic Being. You just have to learn to know and to love Us.

You all know My beloved, Hercules, and where He is, I AM. Learn that anything to be accomplished must have the impetus of the Will to Do, the Decision of the Mighty Hercules, and I would like to add the Love of El Morya.

Now, - in the NAME OF THE SUPREME SOURCE OF ALL LIFE, Our Divine Creator, - I bless you with the Radiation of My Beloved Hercules, - with the Love of My Heart. Take this Essence along with you and have a beautiful week of dedicated service. KNOW that through your attention and application of what We have to say - that this Earth will more quickly move forward into the Light..... HOLY AMAZON

AMEN BEY, BELOVED

I am a Brother of Beloved Serapis and I serve with Him at the Ascension Focus in the Etheric Realm of the Shamballa Complex at Fort Salonga, Long Island.

I have a dedicated responsibility in the Ascension Temple in the Etheric Realm, and whenever you care to turn your attention to Me, I shall be very grateful to direct the Ascension Flame through your lower vehicles, in the measure you can safely tolerate.

I shall also take advantage of the opportunity to impress your consciousness, particularly your feeling worlds, with the Beauty of the magnificent service which the Ascension Flame and this Brotherhood is rendering this Earth and Her evolutions.

None can have complete Freedom in the Light until they enter the embrace of the buoyant Ascension Flame...at which time each one's Consciousness is raised to great heights, as the Freeing Essence of this glorious Flame opens the door to the celestial bliss of the Kingdom of Heaven... in the all-encompassing Consciousness of The Father-Mother God.... there to serve for all Eternity, dedicated to the expansion of the Light of the Cosmos.

Come you, each one, to the Etheric Focus of the Ascension Flame and drink of the uplifting essence of Eternal Life. I consider it a mighty privilege to serve your Light and that of all mankind.

AMETHYST, HOLY

Spirit of the Violet Fire - Divine Complement of Beloved Archangel Zadkiel

Beloved chelas serving on the Planet Earth to bring the Perfection of God's Kingdom into manifestation hereon, I greet you in the Love and Power of My Being. Because of the urgency of the hour in this Planet's evolution, "I AM" here to make the positive statement that I need you in My Service, and you need Me, so please listen attentively to what I have to say to you!

The individual who is aware of the Violet Fire and who continues to let any condition of an inharmonious nature manifest and does not use the Sacred Fire is defying the God Power!!! How in the name of Heaven can anyone We have trained through the years persist in taking moderate 'doses' of the Violet Fire, or any of the other activities of the Sacred Fire which We have presented to you for your own benefaction and that of all life upon this Planet!

The Violet Fire can clarify the mind, make the lame to walk, the blind to see, and enables all the countless miscreations expressing in the peoples upon this Planet to be changed into Perfection, IF someone will call It into action. Blessed ones, if you will call to Me to release and release the Violet Fire of Transmutation into any and all imperfect manifestations about which you know, I shall replace those miscreations with the God Quality which you call forth to take their place. Life abhors a vacuum and when you remove some distress through the Sacred Fire, some God Virtue must take Its place or the human qualities which are spewing themselves forth all over the Earth will rush in when given opportunity! HOLY AMETHYST

ANGELICA, BELOVED LADY

Divine Complement of The Elohim Orion

ARCTURUS, MIGHTY ELOHIM

Of the Seventh Ray - Divine Compliment Beloved Lady Diana.. Activities - Rhythm of Invocation and Transmutation.

I AM ARCTURUS, Elohim of the Violet Fire of Mercy and Compassion -- in which Violet Fire you have found some interest and some solace in this embodiment, as well as in ages which have gone by; and with which you have experimented under the the instruction of various Masters and teachers (Ascended and otherwise).

I represent the activity and power of that Violet Fire of Mercy, Compassion and Forgiveness, which can and actually does raise the vibratory action of the electrons which make up the substance and the form of any created thing.

Beloved ones, the use of this Violet Fire is just as much a science as is any of the sciences manifest in the world of form. This Violet Fire of which We speak is an intelligent substance and activity, already created for your use by anyone who cares to experiment with it, it can be drawn in, through and around the four lower bodies in particular (physical, etheric, mental and emotional), as well as in through and around their homes and affairs or through the entire planet Itself and all Its attendant evolutions still unascended. At your call and visualization of Its Presence that Violet Fire will go

into action instantly to render the service of raising the vibrations of energy, thus changing the quality into perfection.

ARIES, BELOVED

Divine Complement - Mighty Thor - Active in the capacity as the substance of Earth's Atmosphere.

I wonder how many of you have ever thought of a Planet without an atmosphere! There could be no human life upon it and all the various experiments which the peoples are making regarding trips to other planets as dependent upon scientific research as to the atmosphere in, through and around those Planets. Of course, scientific accuracy is not yet perfected; the understanding that every Planet on which life abides has an atmosphere and that man-made atmosphere, no matter how expensive will not suffice upon another Planet.

If the atmosphere were removed it would do more than all the unpleasant ideas of the atomic age to remove life from this Planet, but We have not chosen so to do. No! We have adjusted Our atmosphere for you, each and everyone, lowering its vibratory action as the Earth became more dense and giving to you as much of Our Air element as you can absorb.

Within that atmosphere is what you would call the 'astral realm', which is quickly being transmuted. Have you thought that each and everyone of you carries a personal atmosphere, which is made up of your thinking, feeling selves. Is that atmosphere in accord with the Directors of the

Four Elements? Or does your atmosphere vacillate?

The vacillation of an individual's atmosphere is the instability in one of the four lower vehicles, and in My capacity as the Substance of the World's Atmosphere, -- I have to hold that very steady, -- no matter what creation goes on which is temporarily imperfect. I cannot allow one vacillation in the vibratory action of the atmosphere in, through and around the Earth.

You have come far along life's path so that you should learn to control your atmosphere, personally, emotionally stable, mentally alert, etherically pure, - and physically charged with whatever amount of Light is necessary to expand the perfection of God through you, and filling that atmosphere with the warmth of Love, with the Power to direct the currents of energy where-soever they are required and not allow them to enter into your personal atmosphere.
BELOVED ARIES

ASTREA, LADY

Goddess of Purity, Divine Compliment of the Mighty Elohim Claire ... Director of the Legions of the Circle and Sword of Blue Flame.

Beloved ones, I am so deeply grateful for this opportunity of speaking with you, and of assuring you that your calls to Me and to the Legions of the Circle and Sword of Blue Flame have swept away countless tons of effluvia from the Planet Earth. I also wish to assure you that I am as close as your heart call, and ever await that summons to render service to any part

of Life - anywhere - be it on Earth or in the realm of the disembodied!

I now raise My Hand and signal My Legions to go into action in the accelerated purification of the Earth and Her evolutions. Feel that Sword of Light travel down your spinal column with the encircling rings of Blue Flame expanding to the periphery of your auras purifying all your vehicles, according to your acceptance.

I ENTREAT YOU TO ACCEPT THIS SERVICE !!!

I am standing above the Earthsphere at this moment, - and I now plunge a gigantic Sword of Blue Flame into the Earth, and My Legions shall engage in a magnificent purification all through the twenty-four hours ensuing... Please assist Us by remaining in a State of Harmony - and any Calls will be most deeply appreciated.

GLORIOUS is God's Gift of Purification and Forgiveness to all Life!

.....

LADY ASTREA

AURORA, BELOVED SILENT WATCHER
For The City of New York

BONNIE BLUE, BELOVED
Silent Watcher for CANADA

CASSIOPEIA, MIGHTY ELOHIM

Divine complement of Beloved Minerva, activity
Perception, Wisdom, Illumination.

Beloved friends, take now opportunity! Take now these great promptings and prepare yourselves to channel into the world of form some good and lasting blessing to life. Do this in Our Name and when you get that confidence which comes with your first conscious precipitation of substance into tangible, manifest form direct from the Universal, do not rest on your oars! Go right ahead into greater and greater experimentation with the power of your mental body to create form; your feelings to give it life; your etheric and physical bodies to channel it into the world of manifest expression. DO THIS AND BE THE FLAME OF CASSIOPEIA which is yours to use and freely!

Within your heart is the Golden Flame of ILLUMINATION which will reveal truth to you. Now, in answer to My Call, this Flame arises into your brain structure and outer consciousness, clearing away forever the human concepts of the ages; clearing away forever half-truths and expanding the Golden Flame of the Sevenfold Activity of the Elohim, which is anchored within your forehead. Thus, if you will consciously accept it, each one of you is being made a Grail through which some Perfected Being may channel and direct His blessings for the race.

For Saint Germain, let us become the Precipitating Legions! For Saint Germain, let us become the Peace-commanding Legions! For Saint Germain, let us become the Healing Legions, as you here, in great power, already have become the Protecting Legions of this Earth!

The Science of Creation is in your hands and hearts. The Science of Creation is now planted in your thoughts! The Science of Creation must be externalized in your worlds, if you love Us as you say you do! Accept it, please! Use it and BE, for all mankind, the Brothers and Sisters of the Golden Robe, in full command of the power of thought, feeling, spoken word and action. -- the Elohim incarnate! Elohim Cassiopeia

CELESTE MARIA, BELOVED

Spirit of the year 1969

Beloved Maha Chohan speaks: "The Spirit of the year 1969 will be known as 'Celeste Marie' for this pulsating focus of Light is the Luminous Presence of Beloved Mother Mary. The Sacred Tones which emanate from Her will be those of the so loved Ave Maria. Beloved Mother Mary counselled with the Lord of the World, Gautama, and the Lords of Karma regarding the Service which She felt that She could render to the children of the Earth through the affinity which She has with them. It is anticipated that much can be done through the women of the race to restore the dignity of womanhood and to re-establish family Unity as the Father-Mother God so intended that state to be.

Celeste Maria, glorious Being of Light, will also join Beloved Lady Meta in Her Healing Activity through the beneficent Service of the Fifth Ray."

CHAMUEL, BELOVED ARCHANGEL

Flame of Pure Divine Love and Adoration to God.
Divine Complement of Beloved Archaii Charity

Friends of the Light, I - Chamuel, enfold you in the Flame of Pure Divine Love and Adoration to God, that glorious Essence from the Heart of the Supreme Source of All Life, so greatly required on this Planet at this hour, and at all times!

Most individuals hold a concept of what they think is Divine Love, but few have stepped over the boundary of human consciousness into the Divine. Divine Love, as expressed by the Cosmic and Ascended Beings and the Angelic Kingdom has nothing whatsoever to do with the human emotion. It is a glorious feeling which comes from Adoration of God. You have heard of the Pink Flame of Adoration.. that is Divine Love. You see, beloved ones, any expression of Divine Love is Adoration.. oh, not in any sense adulation, but in reverence for life on the level of Divine Consciousness one is sending forth the Flame of Adoration.

In this new and permanent Golden Age which is being ushered in, you have chosen, as chelas of the Spiritual Hierarchy to express the Will of God, as Examples to all men. Yes, My beloved ones, you are the Wayshowers, and to so express, it is expedient that you learn more fully the meaning of Pure Divine Love. That is My reason for being in your midst today.

One individual's love for another, when it is motivated by selflessness, borders on the Divine; a parent's love for its offspring, a child's love for a companionable little dog or

cat, all these come from the well-spring of Divinity, when, of course, they are not tempered by possessiveness.

Children of The Father-Mother God, will you permit Me to assist you to find and know that God - your Creator? "I AM" indeed grateful for the response welling up in your beings!

CHANANDA, BELOVED

Hierarch of the Retreat in India where the Cave of Light is located.

When you go forth into the outer world, I want you to be a Pillar of Violet Flame and wherever you walk, I want you to anchor the Violet Flame there. This is your privilege as your service to God is a privilege for all humanity who accept its reality. Even those who do not accept the Light and Perfection projected into their worlds, it will not go unrecognized or unacknowledged by their Inner Being.

Beloved ones, continue to give your decrees for humanity and the world, but make a special effort to perfect your own worlds and achieving your Freedom in every way! Begin right where you are, see the results, and then expand it. See the FREEDOM of the world! Know that you are a disciple of the Ascended Master Saint Germain and carry HIS VIOLET FLAME with you everywhere! Although His purpose is to bring Freedom to the Earth, LOVE, the one great Quality of Life, must be brought forth FIRST and humanity must learn to Love GOD and all life before complete Freedom may ever be experienced.

I want you now to expand this GREAT LIGHT throughout your entire area. See your own financial Freedom, --but remember, beloved ones, before FREEDOM can come, LOVE, the ONE GREAT QUALITY OF LIFE must come first! LOVE comes before everything and all obeys its commands!

No matter how difficult or impossible a situation may seem, if you will fill it with LOVE, and know that It is the only quality acting ... which is the Presence of God ... then the only possible results may be the Perfection of God and finally the Perfection of your own Being!

Charge all mankind with LOVE OF GOD and the great silence and so prepare them for the great awakening which will soon take place. Although you are to enter into the SILENCE, you will not be without outer relationships.CHANANDA

CHARITY, BELOVED ARCHAII

Divine Complement of Archangel Chamuel

I, Charity, have come from Celestial Heights to bring you a great understanding of the Flame of Love Divine.

I am in the hearts of all mankind...I am in all life and I would like you to share with Me some of the Joy which I experienced as I came into your midst today. Early this morning I entered deep into the Heart of Love and in giving Adoration to Its all-encompassing Power I felt My aura expand with My arms cradling this blessed Earth - loving this dear Planet. I felt the

return of that Essence and as It permeated My Being I experienced the ecstasy of the fulness of Love. Then realizing that I was to journey Earthward from My Cosmic Temple to give assistance to the Planet, I blessed all of the faithful chelas who had turned their attention to the service of this day.

As I was about to leave Our Temple of Love and Adoration and stood at Its portal, I felt the holy embrace of My Beloved, Chamuel. No words were spoken, but as I looked into His glorious eyes, I instinctively knew that He would accompany Me. Preparing for Our descent, I summoned Our Legions and then as one We released the Essence of Divine Love, and in so doing We felt the Flame of Gratitude from the Holy Christ Selves of everyone upon this Earth, and the deeper expression from the chelas here assembled and of those tuning in at other locations.

As Chamuel and I entered this Sanctuary, Our Legions remained in the atmosphere over Long Island, awaiting the summons to traverse the Earth.

Remember and be grateful always that by releasing the Flame of Divine Love and blanketing the Earth and Her evolutions in Its cohesive Power, the glorious Sanat Kumara saved this Earth from dissolution. So when We witness the chelas releasing the Flame of Love Divine from their feeling worlds, Our hearts overflow with gratitude for this expansion of Light.

CIRCULATA, BELOVED

Silent Watcher for the Galaxy

CLAIRE, MIGHTY ELOHIM

(The Elohim of Purity)

Divine Complement of Beloved Lady Astrea

I thank you for your attention, and for your love. I am grateful that the Cosmic Law allows Us to give you even a slight glimpse of what your applications are accomplishing and I command that, as you return home and into your own sphere of influence after this meeting today, that My Cosmic Flame of PURITY shall keep accelerating the vibratory action of your thought, feeling, spoken word and deed, your etheric bodies are your flesh until you completely "tune out" of every rate of vibration which would let you accept imperfection again.

Within every electron which is released from the heart of God is the power to create and sustain the Kingdom of Heaven for yourself, your family, your world and the students entrusted to your loving care -- right here on Earth. Within it is My Flame of PURITY. Right within the brazier of your heart you carry the most powerful concentrate of the "Atomic Accelerator" for which you have been calling for so long. You have full and free access to all that We are and all that We have. Today, through the concentration of My Flame of PURITY released from My Presence with you here, I have washed from your inner and physical vehicles literally tons of accumulated atomic consciousness of impurity and imperfection. Please accept this as having been done for you -- in the Name of God -- and go forward God-pure and God-free!

Remember that the present vibration of your own atomic consciousness (even though you rail against it) is more comfortable to you in this

physical appearance world than a more rapid vibration would be and a tendency to "settle down" back into that cocoon is ingrained in the habits of the human race and the feelings of the outer-self. The tendency to lethargically accept the pattern of imperfection must be guarded against! You must hold, hold, hold, to the power of God and to PURITY which allows the concept of your own Divinity to flash through your mind; to fill your feelings with happiness and ecstasy; to charge your etheric body with God's pattern of perfection and to externalize through you as magnificent, useful, vital, living flesh.

I shall watch now and endeavor to help you to hold that Light which has been drawn forth about you and help you to sustain it.

Elohim Claire

CLOVE, SILENT WATCHER

For Long Island, N. Y...also the Daughter of the Planetary Silent Watcher, Immaculata.

The Heart of the Supreme Source is a pulsating center of Pure Divine Love and into that great Reservoir I have immersed My Being this morning, to saturate Myself with that Sacred Essence of Divinity, in order that I may fill your beings and worlds with a holy anointing and bring you a Blessing which shall remain with you for all eternity!

I would like to give you a word of counsel; there are many chelas who are experiencing distress in their vehicles, physically as well as

otherwise, and I humbly admonish you not to become discouraged, but to realize that you are being given great assistance by the Cosmic Law. This painful process of restoration or rejuvenation is the result of the Light removing the dross which you have accumulated through the ages. All the gems, the electrons of light particles within your vehicles are being polished and soon the causes and cores of imperfection will be no more, for the inflow of Light into your beings shall remove the imperfection which has been created by you, or that which you have volunteered to restore to Perfection!

As Silent Watcher of Long Island, I have requested the Legions of the Angelic Host Who serve with Me to stand guard over all life on this Sacred Isle through the balance of this year, to assist you and the elements of the Nature and Elemental Kingdoms to blossom forth as God has ordained and that the soon to dawn New Year will bring forth within your beings the energizing power, the WILL TO DO God's Will henceforth!

You are now beginning to realize that those of Us Who hold the Office of Silent Watchers are not ephemeral Beings... and for this We are extremely grateful! As you know, it is Our responsibility to unwaveringly hold Our Consciousness upon the Blueprint which has been given to Us by Our Superiors! In My individual case, that portion of the Divine Plan which came forth from the Hearts of the Mighty Helios and Vesta, as presented to the Elohimic Builders, and which encompasses Long Island. I hold within My Consciousness all of the magnificent Perfection which She once expressed when She was that Shining Isle emitting the Light of the Cosmos

through all the Kingdoms -- every atom, every electron, shining beings of dazzling beauty.

"I AM" directly responsible to the Beloved Immaculata, Our Planetary Silent Watcher, Whose greater Consciousness cradles the Cosmic Blueprint within Her Being, and I long to see manifest the Beauty for Long Island which I hold within My Heart..... Silent Watcher Clove

COLUMBIA, SILENT WATCHER

For the Capital of The United States of America

CONCORDIA, BELOVED DEVA

Serving The Etheric Shamballa

I am a Deva lending My Energies in the Etheric Realm over the physical Headquarters of the Spiritual Hierarchy on Long Island.

I am come to you at this time to draw your attention to one of the services of the Angelic Host. First let Me assure you that We are not vapory Beings of cloud like substance. Do you realize how far above the Earth We are, and that the God Power which We embody pulsates like a dynamo of electronic energy. When you see Us with your physical sight, it is just the radiation We are releasing. We are Beings of concentrated Light Who come into the atmosphere of Earth for a purpose.

There are numerous other Members of the Angelic Legions serving over the physical Focus of Shamballa, and in the same capacity at other locations relating to this Planet. I would like you to become more aware that over every dedicated Focus of the Spiritual Hierarchy there are Devas delegated to receive the energy which rises from those who serve in the specific location.

We most gratefully and joyously gather up the uprising energy from such Foci, transmuting any imperfection which may have misqualified it by the thoughts and feelings of those engaged in the service. O yes, - this does occur. When the chela's mind wanders during service, it not only decreases the energy, but causes discoloration round the Light if the thought patterns are of a negative nature. The Light Itself can not be contaminated, but it is the radiation around It which is discolored.

If you were giving a cup of water to someone who was ill or very thirsty, - common sense would tell you to use a clean cup. So it should be when making calls or in meditative service, be it for healing, governmental affairs or for any other service. Should the thought cross a chela's mind, "I do not like that rendition, such and such should be used" - you are functioning from a lower consciousness instead of clothing the radiation in Divine Love and Gratitude for expanded service.

May I suggest that as you enter contemplation before Class or in your quiet time in your own homes, that you silently ask that the Angels of the Violet Fire and Purity release Their Love and Light and Transmuting Power in, thru and around all activities of the service which is to take place.

Be it understood that while I am presently serving specifically over Long Island, from time to time I visit the various Foci of Light all over the Earth. I have mentioned Shamballa because I have come to Long Island from various points throughout the Planet, - and what I have witnessed has been most enlightening. There are those in Our Legions who are specifically serving in places of worship of all denominations and in certain areas where there is an appreciation of harmonious music.

On Feast Days or Religious Festivals, and special Classes, it is a glorious sight to see the energy rising from the hearts of the chelas all over the Globe, - with the Devas gathering it within Their Beings and joining it with like energy.

I personally serve with the Great Lamorae, glorious Exponent of Harmony, and in such capacity I am greatly blessed. You may specifically remember Me if you wish, My Name is Concordia.

CONFUCIUS, BELOVED LORD

Hierarch of the Rocky Mountain Retreat

On July 4th, 1958 after completing the ceremonies at the Rocky Mountain Retreat welcoming the Karmic Board and, generally, officiating as Host to the Great White Brotherhood and Their unascended chelas, Beloved Lanto, Hierarch of the Rocky Mountain Retreat for centuries of time, took the seven pointed Golden Crown, which lay in state, on a golden pillow before the Precipitation Flame, and lovingly placed It upon the

Head of His Chosen and Qualified Successor, Confucius, Who was Lord Lanto's Disciple, even before His Ascension.

"At fifteen" - he tells us - "my mind was bent on learning. At thirty I stood firm. At forty I was free from delusions. At fifty, I understood the laws of Providence. At sixty, my ears were attentive to the truth. At seventy I would follow the promptings of my heart without overstepping the mean."

The following are a few of His well known sayings:

ON THE SUPERIOR MAN

What the superior man seeks is in himself. What the mean man seeks is in others.

The superior man is quiet and calm, waiting for the appointment of Heaven, while the mean man walks in dangerous paths, looking for lucky occurrences.

In archery we have something like the way of the superior man. When the archer misses the center of the target, he turns around and looks for the cause of his failure in himself.

ON SINCERITY

To see what is right, and not to do it, is want of courage.

Make conscientiousness and sincerity your chief object.

Sincerity is the way to heaven. The requirement of sincerity belongs to man.

I do not see how a man without sincerity can be anything but good for nothing.

What is required in feeling is sincerity; in words, that they be susceptible of verification.

The superior man practices before he preaches.

ON VIRTUE

Is virtue remote? I wish to be virtuous and lo! Virtue is at hand.

Virtue is not left to stand alone. He who practices it will have neighbors.

Genuine virtue rarely accompanies artful speech.

What needs no display is virtue.

Is he not a man of perfect virtue who feels no discomposure though men may take no note of him?

CONRAD, BELOVED COMMANDER

Commander of Beloved Archangel Michael's Legions

Beloved Archangel Michael speaks: "I have vowed, and you have heard it many times, to spend twenty out of the twenty-four hours in the psychic and astral realms cutting these blessed ones abiding therein free from the iniquities which they have builded into their garments!

How am I able to do this? For the simple reason that I have a mighty Lieutenant -- Commander Conrad! A great Being Who should receive more attention from the chelas! He has thousands and thousands of Angels at His Command and He serves for Me in many and varied capacities at Our Focus... and one day when the Creator of Us all takes Me to other Spheres ... Commander Conrad shall take My Place!

He is a glorious Being of Light and you will miss a tremendous opportunity if you fail to call Him in His great Service to Life!

CONSONANCE, BELOVED LADY

Conductor of The Planetary Symphony

"I AM" CONSONANCE, the Conductor of the Planetary Symphony, Who with Beloved Harmony, have the joyous opportunity to acquaint mankind again with the conscious re-creation that comes thru constructive music and color. Too long has the Earth's vibratory action been so dissonant that It has not contributed to the Song of the Cosmos! Now, the Song of Recreation shall rise from grateful hearts participating in this service. All Kingdoms being so resuscitated shall contribute to this melodious expression.

THE WEARING OF THE COLOR WHOSE RAY IS PROMINENT EACH DAY ASSISTS THE INDIVIDUAL SO DOING. As like attracts like in any sphere, the color acts as a magnet for the Divine Being Whose Radiation is pouring forth during each twenty-four hour period.

WHEN SCIENCE AND RELIGION COOPERATE, WE WILL SEE THE MANIFEST EXPRESSION OF THE USE OF CONSTRUCTIVE COLOR AND MUSICAL THERAPY. It is the Divine Edict that in all the seven constructive channels of expression Science and Religion are to become one. Powerful examples are apparent in the Ultraviolet Ray, the Green of the Medical Profession, and the Fashion Designers in their selection of color, who have in some instances tuned into the color of the Ray of the Year. In the world of commerce as well as the medical field, color and musical therapy have already proved their efficacy, although the exploration of this field is only in infancy.

The pigment of the substance of the Earth varies in different locations...because the very

body of the Earth, Virgo's Vestments, has been despoiled temporarily, thank God, by the various destructive activities in which mankind has been engaged thru the ages.

Those portions of the landed surface of the Earth which are barren, are the result of selfishness and greed. In the glorious process of restoration these landed surfaces shall again become prolific thru the loving cooperation of the Nature Kingdom and Its mighty Directors. The very men who in ages past were the cause of these destructive conditions, are now in embodiment thru the mercy of the Karmic Board so that they may make restitution for their misdeeds and assist the Nature Kingdom and Its Directors in the restoring of a beautiful, verdant, harmonious, and God designed Focus in the place of wasteland; soil conservation is one example.

MUSIC HAS COLOR .. Every musical composition sends forth a definite color of beneficent radiation when the composer has received into himself a portion of the Song of the Cosmos and has translated it without adulterating it by any personal defections. However, every individual who later gives a rendition of the composition enhances or deflects from its original beauty. The sensitivity of the true artist received into himself the inspiration of the original composer, the purpose for which such a composition has come forth and amplifies thru the purity of his nature, this blessing to life everywhere and adds to the harmony of the Cosmos.

EVERY THOUGHT, FEELING, WORD, AND ACTION HAVE COLOR AND SOUND ... In this process of recreation, it is Our purpose to teach men to discontinue the misuse of thought, feeling, word, and action,

thus dissolving the thought forms of an imperfect nature at inner levels as well as in the physical appearance world. Each man will then be enabled to consciously use these creative faculties in building the cathedrals of worship for their own souls and help to imbue the masses with the same desire to become harmonious expressions of God's Love!

CONSTANCE, BELOVED ARCHAI

Divine Complement of Beloved Archangel Jophiel
The Spirit of Constancy.

To the Cosmic Spirit of Constancy of Those Great Beings Whose constancy of purpose, service and endeavor have drawn Them into the Ascended Master Realm of Perfection.

We send Our deep and abiding love to the Spirit of Our Sun, Whose constant, rhythmic outpouring makes possible the habitation of the Earth at this time! We direct Our Love and blessings to the Great Archaii Constance, Who, together with the Beloved Jophiel, amplifies the virtues of constancy through the nature of mankind, when invited so to do.

We invoke the stimulation of the smouldering spark of constancy that lies hidden within the depths of the Immortal Flame in each human heart! Beloved Constance, Spirit of the Sun! Play Your constant light rays upon that spark until every man becomes constant in his resolutions to return to God; in his present service to God and his fellowman; in his devotion to the development

of his particular capacities and talents, which he may offer on the altar of humanity before returning to his Celestial Home to go out no more!

We bless all the men and women who have walked the ways of Earth, and, through constancy of purpose, have provided the benefactions which the masses have indifferently accepted but liberally utilized for personal pleasure and comfort!

LET CONSTANCY of endeavor; of purpose; of service; BE MANIFEST among Our co-workers in this Activity and all mankind.

Thomas Printz

CORONA, BELOVED

From the Chromosphere of the Sun - Helios and Vesta

Hail, Children of the Light, "I AM" Corona and I dwell in the Chromosphere around your Sun. It is My privilege to abide in the glorious Radiation of Mighty Helios and Vesta, being visible only to Earthlings at the time of total eclipse.

Why do I come to you, the chelas of the Cosmic Beings and Ascended Masters at this time?

As We look upon your auras, We see the emergence of The Christ, the veil or shadow of the human self receding, and you are now rapidly approaching the time when the corona, or halo, of your own being will shine forth. You have seen illustrated in pictorial manner, the shining

Light forming an aureole, or corona, around 'sainted ones'.

In the Higher Octaves your great Causal Bodies are glorious Coronas, whose luminosity is never dimmed, just increased in intensity as you become adept in the process of expanding the various Virtues of the Godhead. The time has arrived when the Good of your Causal Bodies should be drawn forth and lowered (but not diminished) so that it will be the perfect aureole of The Emerging Christ.

I shall now proceed to give you an exercise which will be of great assistance in accomplishing this. Some of your beloved ones employ this in part but We wish you to take fuller advantage of the Gifts and Powers awaiting your use:

First, give recognition to and center yourself in The Christ within, removing your consciousness from the outer self. Now in prayerful humility, kneel in gratitude for the privilege of knowing you ARE the Indwelling Christ.

Becoming absorbed, or saturated, in the Christ Consciousness, feel the Crown of the Elohim become activated on your forehead. The Seven Rays blazing forth in balanced activity. Here pause to give recognition to the glorious Rays, and travel further on the avenue of your Silver Cord into the very Heart of your "I AM" Presence. Love, love, Oh love that Great God Presence, and blending as One, thank the Supreme Source of all creation for this privilege. as this

Oneness intensifies, visualize the pulsating Bands of your Causal Body, your Cosmic Corona, enfold you.

Now abide in this consciousness for a short while, until you become accustomed to the higher rate of vibration, and then proceed to retrace the journey of your consciousness to the starting point of The Christ within your heart. Giving a prayer of gratitude for this Celestial Journey, quietly, unhurriedly continue your application, and then proceed to follow your daily activities.

I admonish you to do this exercise for short periods at first. Should you not be adept at this, ask one of the Cosmic Beings or Ascended Masters to give you assistance, until there is no strain felt in this change of vibratory action.

As you will realize this is given to you for a very specific purpose, to enable you to further blend the outer self with the Inner, and the more infiltration of the Inner, the more will the outer recede.

As The Christ emerges and is allowed to take control, there must be a rarefied atmosphere for Its functioning through the lower vehicles. It should have a corona of Divine Love, Peace, Purity and Beauty to permit fuller expression in the world of form, otherwise the little or human self intrudes and is in command of your being and world.

This is presented to you not as an entertaining excursion into the Higher Octaves, but to train your vehicles so they will not further

impede the Activity of The Christ within from taking control and functioning in your being and worlds, at all times!

I call the Blessings of the Supreme Source of All Life upon you in your forward progress on the Path of Spiritual Attainment.

I, Corona, from the Aura of Helios and Vesta shall be prayerfully watching the expansion of your "corona"! So Be It!

CRYSTAL, BELOVED LADY

Divine Complement of The Elohim Vista

Heretofore, not too many chelas have turned their attention to My Activity...I am not speaking of an Individualized Being, but of the Service which is mine to give. I, Crystal, welcome you into the Heart of My Being - May I come into yours?

A summation of recent instruction will show you how all Rays blend into each other. The Fourth and Fifth Rays are definitely interblended. The chelas have not begun to cognize the Power and ability of the Crystal Ray, and I shall lovingly assist you in your endeavors through the release of the crystal Light from the Temple in which I serve.

From the Pure White Light comes into being every colored Ray, according to the particular service and quality of the lifestream taking the responsibility of changing the primal substance of the Crystal Light and adding or detracting from the Beauty and Perfection of the Universe.

The Crystal Ray of electronic Light substance is the actual projection of the Universal Substance from the Godhead into an Universal Scheme of evolution. Beloved Vista, in charge of the Crystal Ray, receives that uncontaminated Beauty and then It is dispensed through the other six Elohim as the colors of the spectrum. Just as every individual lifestream receives from the "I AM" Presence, which represents the center of the Solar System to such an one, the pure Crystal Essence is distributed through the seven ganglionic centers in perfect harmony into the Seven Rays of the Solar spectrum through the bodies into the Universe.

The individual who serves on the Crystal Ray becomes a natural transmitter and transformer of the pure Light Essence into the purest and truest expressions of the Rays of the Solar Spectrum... when such an individual is highly developed and his lifestream has become purified to a certain extent. As the Crystal Prism reflects the colors of the rainbow, so such a lifestream drawing on the unformed can direct the most perfect shade, color, tone and form, and these individuals are usually of artistic temperament.

The natural color tone for the Earth is gold, and the Ray which expresses through the bloodstream and the aura of the perfected individual is the Golden Flame -- within the Golden Flame, the Garment of the Holy Christ Self, is the Heart center of Crystal Light.

The action of the Crystal Ray if studied deeply by a chela will unfold many glorious opportunities for expression -- it can clear the eyes and the brain structure -- it is a tremendous tonic for toning up the nervous system, and it

is an exquisite harmonizing Presence, for in clear crystal, no muddy thought forms can endure.

Beloved Vista has requested that I tell you that during this Class He has been engaging in an activity of the All-Seeing Eye of God. Please visualize this Third Eye upon your foreheads and feel the Essence of Crystal Light emanating there from. From the All-Seeing Eye upon His own forehead, Vista is directing that externalization upon your brows... Treasure this Gift which has resulted from His Love for you, and know that this Third Eye will remain on your brows all through your sojourn on Earth -- all that is asked of you to sustain this Gift is your daily attention to Its presence! This is a living pulsating mento of Grace! Guard It well!

DAWN, BELOVED LADY

Divine Complement of Beloved Lord Ling, the God of Happiness.

All the way up the ladder of evolution, We can see stretching above and beyond Us more developed intelligent Beings Who, in turn, look upward to those on a higher scale of evolution. The connecting link between these graduating consciousnesses is through the Intuitive Faculty of each succeeding order of Beings. You might say that the greater are the servants of the lesser.

The higher these Intelligent Beings go, the more loving and more humble They become, and the greater Their desire and capacity to draw all

beings closer to the Heart of the Father. This propensity opens their consciousness to a wider scope of knowledge and truth, and makes them both receptive and radiating channels for those still higher up on the scale, and so it goes ad infinitum - there is no Ultimate for any consciousness, even the Godhead Itself is ever-expanding. Thus the Intuitive Faculty is essential to consecutive thought and becomes the Messenger that carries the God Design to the farthest periphery of each Universe.

When an individual in the world of form desires to know God, His Plan, His Design, he opens the door of his consciousness, sets into action this Intuitive Faculty, and through this receives that portion of truth which he will welcome and receive, translate it into happiness and joy for himself, and by so doing, release it in radiation for the upliftment of the race. As the Beloved Master Jesus said - "If I am lifted up, I lift all men".

When an individual comes to a place where he is convinced that he has reached the Ultimate in knowledge and through pride or ignorance he closes the door of his intellect to the very possibility of receiving any concept of truth foreign to his preconceived opinions, he has immediately dammed up the door of his own receptivity - buried his sense of intuition and automatically cuts himself off from being a conductor of the God Design which is constantly passing outward through receptive lifestreams until it is manifest in the world of form.

We are most grateful that the chelas under Our conscious direction are quite well developed in their intuitional faculties, but one must

ever be on the alert and not accept in their feeling world those ideas which pass through their consciousness which may be so-called hidden desires of the personal self.

Alertness is the byword, - and I come to you in love, presenting the above so that you will be ever vigilant and discriminate in your intuitional reception.

DELURAY, BELOVED LADY

I am Deluray... I am a Venusian, and I am here this evening at the specific request of our Beloved Lord of the World, our gracious Gautama.

Now you may wonder, "Who is She?" I shall tell you a little bit about Myself. I am here at Shamballa to render service to expand and expand the Band of Light between our two Planets.. Venus and the Earth.

When our great Lord Sanat Kumara accepted the responsibility of being one of the sponsors of this year, I took up residence at Shamballa and shall remain here for an Indefinite length of time. Sanat Kumara, how We all love Him - every Venusian bows before His great Love and it is a very comforting thought to Us that so many people on the Earth know of His Presence in the Universe and what He has done for this Planet.

I shall not discourse with you at length because I am privileged to be one of the Hostesses

for our gracious Lord of the World and I shall soon be joining the others serving the same capacity. This evening Beloved Gautama and Sanat Kumara are giving a reception for Holy AEolus. Why are They doing this? First, the activity of the Cosmic Holy Spirit is so prominent at Shamballa and He is also being honored for this Service...and were it not for the glorious Consciousness, the Love and the foresight of this Mighty Being there would not be a Transmission Ceremony this evening. He inaugurated the transmission Ceremony, and blessed be His Holy Name, has assisted all the chelas to continue in this endeavor, and the Earth's evolutions have been blessed beyond all measure as a result. Sanat Kumara asked if He could be a part of this Ceremony paying homage to Holy AEolus, because it was Holy AEolus Who apprised you of the channeling of the Light from Venus, and of your part in this activity.

To the all-loving Cosmic Holy Spirit We bow and We shall be eternally grateful for what He has done for the Planet Earth.

DIANA, BELOVED LADY

Divine Complement of The Elohim Arcturus

Beloved Friends of Immortal Light and Life Eternal...You, who are so familiar with the Violet Fire of Freedom's Love, to you I bring the gratitude of My Heart for all you have done in the transmutation of human creation, up to and including this time!

When the emotional body was created, it was made up of electrons drawn from the emotional realm - the realm of feeling - or the realm of the Angels and Archangels. The little electrons that came and spun around the central core of the atoms of which the Builders of Form created the emotional body, were beautiful, harmonious and perfect.

The mental body of the outerself was formed out of the aerial substance; the etheric body from etheric substance and the flesh body was formed out of the elements of the Earth....I tell you this for a purpose - not to bore you with a treatise on creation.

Nothing in this world, beloved friends, is static. Science has proved that even so-called "inanimate" substance like wood or stone is in constant motion. Therefore, the physical body which seems so solid and substantial to you is composed of groups of electrons looking somewhat like the upper figure on the chart. Around those electrons the substance of the outer world impurity has been drawn, so that rather than having the rainbow colors of the chart as your aura, you have a 'clogging' of the little forcefields which has closed in the light of the electrons. What has been the result of this? As that accumulation has been magnetized into your flesh, it has 'bogged down' (let us say) the vibratory action of the atoms and they no longer vibrate in harmony with your keynote. They have lost the resiliency and buoyancy which they have when they vibrate in harmony with their natural God-state.

Some of the organs of the body which have been particularly intruded upon by the suction of

impure substance into themselves also vibrate less rapidly than others. Then you have organic disturbance, which is the result of the slowing down of the electrons spinning around their central core. In spiritual healings all that is done is that pure unadulterated light is poured into and around that organ by whichever member of the Ascended Host to Whom the call is made and, just as you would clean out a clogged pipe, so does that light loosen and transmute the human effluvia which has more or less smothered the electrons. That heavy human effluvia is is wedged in between the electrons which make up each atom, causing the atoms to spin more slowly and not in the rhythm of the keynote of your being. The Flame of Purification quickens the vibrations of the electrons and atoms, restores them to their original purity, thus allowing them to release perfect light rays.

The same thing is true of your mental body. The electrons which comprise the mental body are absorbing discordant substance constantly from the atmosphere and the same condition applies to your flesh form. Therefore, what your mind dwells upon secretly you are drawing into the forcefields of the electrons and atoms of your mental vehicle and your physical form as well, producing manifestations which may be read by the discerning.

The vibratory action of your emotional vehicle, if qualified with inharmony of any kind, will manifest as imperfection in the substance which you have drawn into the forcefields of the electrons forming the atoms which compose the emotional body. The effluvia thus drawn in slows down their vibratory action and thus you have upheavals.

Now, beloved friends, in the Name of ALL that is holy and in the Name of this human race, let us set into action (through, your calls) such a purification that the emotional bodies of all mankind might be swept free and clear of all discordantly qualified substance, leaving them open and receptive to the words and instruction of the Ascended Host of Light. Put on, beloved ones, Saint Germain's bright Robes of Freedom and by your calls and visualizations see every member of the race clothed likewise. I hold this conception for you, your planet and all that lives upon It.

DIRECTO, BELOVED MIGHTY

Director of the Builders of Form

"I AM" exactly what My Name implies, the Director of the Builders of Form and I was and am responsible for the direction of the energies which make up your emotional, mental, etheric and physical vehicles. "I AM" the Director of the builders of the temples which should be the Tabernacles of the Most High Living God but which have at present disintegrated into those forms which you see in the mirror.

I shall expect you, each and everyone, within the next ten days to utilize the God Power Which is within you, invoking the Power of Transmutation of the Ascended Master Saint Germain, and invoking the Power of the Freedom Flame, to transmute INSTANTLY those distortions emotional, mental, etheric and physical, so that there will be at least a semblance of that Divine Pattern

and Plan Which I created for your four lower vehicles.

It is not for today alone, nor tomorrow, but for always! We direct the Builders of all forms from the simple humble dwelling to the greatest palace of beauty, the mightiest pyramid, the most magnificent sphinx, the most glorious cathedral, as well as the simplest church in the wildwood. We direct UPWARD your thoughts, feelings, words and actions toward that sphere where they qualify to abide. We gather for the Silent Watcher of your particular locality those constructive thoughts, feelings, words and actions and give them to that Silent Watcher, Who in turn emphasizes them by the tremendous energies of Her Radiation and sends them onward, closer and closer to the Godhead -- "I AM". Then it is Our joy to direct back to you, through your Silent Watcher, the Blessings from Our Realm, Blessings so manifold that you know not of them. You are recipients of the most holy things from God's Kingdom.

DIVINO, BELOVED LORD

Holds the Office of The Buddha,
(Previously known as Lord Maitreya)

"I AM" COME at the response to the call of Love, for where the heart sincerely desires to know the secret of the ONE, it is My privilege to enfold the aspiring Flame in My Presence. I am ONE with the Love in every heart, and when part of My Love desires to become united again with the whole, it is for Me to seek out that

Part and welcome It again into the Universal Cosmic Breast.

It has been said that Love is the cohesive power of the Universe, or the Law of Attraction. It is the force that draws all to It and makes for unity and singleness of purpose. It is the easiest and most natural expression of Life, because only separateness makes struggle and tension. In reality, Love is but the responsive cord of one spark of Life recognizing Itself in all that is!

You might liken the Universe to a great circle filled with a single substance of Flame, and then through the Cosmic Night you might see the circle cut into many parts and through pressure in the center of those parts, fly out into space. When the pressure of disintegration is removed, there is an automatic rushing back into ONENESS and UNITY of what the world has experienced as various forms of Love. The more any one individual can become concentrated in the Power of Love, the greater is his individual part in the unifying of this particular Solar System.

The Cosmic Note of Creation has completed Its work, and removing the pressure of separateness, the Cosmic Note of the NEW DAY is returned to the Universal Presence to re-form the Great One. This Note sounds first at inner levels and is perceived by the most sensitive parts of life before It becomes the Keynote of the outer world.

In this Cosmic return, each Part will bring back a very much greater expansion of Light than It had when it was propelled into individual being, and the Cosmic Circle when completed, will be much brighter and much richer for this

experience. This is the old Indian understanding of Shiva (the Destroyer) and Brahm, (the Builder) --although the word "Destroyer" is used inadvisedly. Your creation might be likened to the outbreath of the body when all living things are breathed into space, and the inbreath of the body when all are drawn home.

It is My particular province and joy to represent the awakening of the cohesive power in the hearts of man that will draw them, without exception, back into the bosom of the Eternal. The less man struggles and the more he relaxes in the great pull of Love, the easier will be the return - FOR RETURN HE MUST - and there is not one electron in this System that will not be breathed back eventually into the Heart of God.

When you think of LORD DIVINO, think of Me as the Shepherd come to carry the sheep homeward from the world of separateness into the Harmony of the Elysian Fields. I come always when you require LOVE, and even the vocal word itself in the poorest and most shallow soul, brings a response from MY PERSONAL PRESENCE, for LOVE is MY Command, and it cannot be thought of without drawing ME in answer, and one day man shall KNOW THE REALITY OF LOVE.

DONNA GRACE, BELOVED ARCHAI

Divine Complement of Beloved Archangel Uriel

Children of the Diamond Heart, -- serving as the Voice of the Angelic Kingdom, I welcome you

into Our embrace as Co-servers on the Planet Earth. We are grateful for this Cosmic Day (The Feast of The Angels), and to each of you the Christ is Reborn.

O, My children of Light, could you feel the happiness which all of us in the Angelic Kingdom, in all graded orders feel this day, - a day for which all of the Beings in Heaven's Realms have waited so long. We know and we have the firm conviction that the chelas of THE BRIDGE TO FREEDOM are so dedicated in their service, that they will walk and talk with the Angels.

Now please disassociate your consciousness from form, and think of Us as Beings of Light. Yes, We do have finer forms, but in Our capacity as Members of the Angelic Host, Our Light must blaze so brightly at all times that most appear in what is termed vapory outlines. I tell you with all the conviction of My Being, We are Legions of Light filled with Love, with Wisdom and Power, -- and at all times Our auras carry the Radiation of Divine Love. Love Divine, Adoration to the Almighty.

You shall shortly feel, according to your individual consciousness what it means to serve Our Maker - Our Creator - the Principle of God; God, or by whatever Name you wish to associate THE ONE, - the One Supreme Source of all Life. Each man will experience the visitation of the Angels according to his development and service to Life.

I cannot, in words, tell you the gratitude within Our Hearts; the gratitude of Our Lord and King, the Ascended Master Saint Germain and the Blessed El Morya, great Presence of the Diamond

Heart, the Will of God, Their Hearts are joined today, and across the Beam of Light, Beloved El Morya and Saint Germain are thinking that the purpose for which the Beloved Goddess of the Sun, Vesta, invested the children of THE BRIDGE TO FREEDOM is showing great advancement and accomplishment. O Holy Day....Holy Day, the Day when the Angels have the privilege of speaking to man. And you may wonder why I, Donna Grace was chosen to speak to you.

Well, in My own way, according to My development of the Powers of The Almighty and the Love and Adoration of the Supreme Source, I have the privilege of serving on the Sixth Ray, and the Sixth Ray in the Christian Dispensation was under the direction of the Master Jesus, and can you not see how We are endeavoring and succeeding in drawing members of the Christian Dispensation into the fold of the Seventh Ray!

Utopia ... which was spoken of in the works of Our Beloved and Mighty Hierarch El Morya shall express. My lovely ones, the Angels are singing the most glorious Melody of the Spheres which has come to Earth since the last Golden Age, and the Golden Age, the Permanent Golden Age of Love and Light and Freedom shall express much sooner than the mankind of Earth have any idea.

May I now give you the Love of all the Beings of Light in Heaven's Realms, and the particular Love and the Blessings of all the Angelic Host, of Whom I am but one Member.

EL MORYA, BELOVED

Chohan of the First Ray, Divine Complement, Lady Miriam - Activities - Will of God - Divine Government of Earth. Creator of The Bridge to Freedom.

I represent the Will of God and My service and activity in the inner spheres is a delight indeed. Every Master, Angel, Deva and elemental in those inner spheres is in complete accord with that Will and welcomes every opportunity to learn what new design is coming forth from the Silent Watcher in the twenty-four hour period, rushing into the fulfilling and externalizing of it. In the world of form, however, I, representing the Will of God, am the least invited, there is no compromise with human conditions, there is no compromise with personality. Sometimes I wish there were, because I am only the Representative, the Messenger, and I must give that Will to all who stand innocently before Me, hopefully raising the cup of their consciousness and timidly invoking that Will, yet always holding back just a little. I can hold nothing back when I am called into action! I live but to externalize that Will and, as the water runs impersonally through the channel that is opened to it, so does My conscious Self rush to and through the lifestream that in the silence of their own chambers make the 'great surrender', a surrender of self and price and purpose and say with deep subjugation of the 'Thy Will be done'!

Beloved friends, in that hour when you invoke the Sacred Fire of God's Will and I, the Servant of that Fire, respond, I can but promise that after the surrender is accepted (which after all is merely a struggle with the outer self) you will find that the Will of God for you is

much more harmonious and comfortable than that which your fondest dreams could depict as your own human will for the very best for yourself.

ELYSIA, BELOVED

Silent Watcher of the United States of America

ESTHESIA, BELOVED LADY

High Priestess of the Order of Ceremonial and Ritual on the Planet Uranus.

I bring you Greetings from all of Us on the Planet Uranus. I present to you this spiritual bouquet of Our Love - take a flower of Light from this presentation, and walk in the Garden of My Heart.

O, you know I think upon this Planet Earth daily as you channel the Light from Our Planet into yours. It is such a privilege to help your fellow traveler on the Pathway of Light. As you help others We, in turn, help you. Love, dear ones, is Light - Light is all there is.

Now, there are some among you who have not yet read "GOD'S PLAN FOR OUR SOLAR SYSTEM", so I ask those who already know what I have to repeat to bear with Me, because we must share with others. You know on the Planet Uranus there is no disease, no discord, no inharmony, no inclement weather. All is beauty, perfection and Divine Order. We all have very great reverence for life, and Our homes and Temples are magnificent indeed.

Perhaps you know that We are Beings of tremendous stature. If you will forgive the personal reference, I am eight feet tall, but I can use My energies in a gentle or very forceful manner. Size does not count, - it is the feeling which one has within.

We must learn the great Virtue of Tolerance and not try to send forth any negative vibration when something does not appeal to you. Learn to come to Class with the feeling of The Christ. Set aside all thoughts of the outer self, the outer self should always be the vehicle through which The Christ can bless all Life.

I wish to tell you that the Angelic Host play a very important part in Our Service on Uranus, and you have been counselled and are beginning to incorporate in your feeling world, and in your Classes, - the services of the Angelic Host, the Divine Messengers of The Almighty. They are so desirous and so willing to assist you.

Should you require any assistance, individually, - please know that I, High Priestess of the Order of Ceremonial and Ritual on Our Planet, will gladly and gratefully welcome you to Our Temple to sit in conference, - where I shall be happy to give any little advice I may. Remember always to call for your protection, and ask for a Being from Our Retreat to escort you to the Temple. This is a living and willing service which They are all so ready to give.

Lovely ones, ...I bow to the Light within you which is expressing beautifully and in Divine Accord..... Lady Esthesia

FAITH, BELOVED ARCHAI

Divine Complement of Archangel Michael

It is not a matter of acquiring Faith, but it is a matter of training the evolving ego to allow the Faith of that one's being to flow ONLY into those manifestations which he or she wishes to sustain.

If man could learn the truth of Jesus' statement - "according to your faith be it unto you" he would realize what a powerful force is the quality of his faith and how the natural state of his consciousness of being determines continually the manifestation he is energizing.

The attention is a spiritual faculty which is constantly directed by the mind and is the channel through which God's energy flows. The attention carries on the beam of its own magnetic force the radiation of the sender to the object upon which the beam is played. Faith is a constant state of one's being every second of eternity.

When the evolving ego is so much impregnated with the inner conviction of consciousness that GOD IS THE ONLY POWER THAT CAN ACT, - such an one's faith is constantly energizing that God Power flowing through all appearances. The treatment is not a matter of a few days or month's concentration, but a constant outpouring of that quality of faith in which the Masters and all Perfected Beings eternally dwell.

All the Celestial Hierarchy and in fact all life (except that evolving upon the Earth plane) abides in perfect faith in GOOD. There is no 'house divided against itself' except to the

human kingdom. It is this human kingdom that has imparted fear, uncertainty and doubt to the animal and elemental kingdoms through giving faith to a power opposed to God.

The cycle has come again - when the quality of Faith will be used only to expand the radiation of the God PowerCosmic Being Faith

FELICITY, BELOVED LADY

Spirit of the Year 1968 - Serves with and under the direction of the Planetary Silent Watcher Beloved Immaculata.

FREEDOM, BELOVED GODDESS OF

Saint Germain's Freedom is here now, and forever sustained!

Beloved ones, I accept that and I want you to do the same. Ninety percent of My service in bringing complete Freedom to the planet is VISUALIZATION, that is visualizing every part of Life Holy and Free. If you will join Me in this same activity of visualizing every part of Life ablaze with the Violet Fire, then My service will be easier -- it could not be more joyous!

Knowing that there is an ANCHOR for our Beloved Saint Germain, then this alone makes Me constantly joyous and happy and allows Me to visualize the entire planet free.

I feel very honored to be the One chosen to open your classes! It is with such joy that I do this that My heart pours out to each of you in deepest love and gratitude for the service you are giving to Life each moment. The greatest service anyone may give to Life is ACCEPTANCE of the fact that It is Pure, Holy, and Free! Constant expectation of the Holiness, Purity, and Freedom will expand, expand, and expand with each pulsation.

My love enfolds you and My heart expands to join yours as one heartbeat.

FUN WEY, BELOVED

Honorable ones who have applied for 'citizenship' in the Kingdom of Heaven, I greet you with true affection.

I shall elaborate on My greeting of 'application for citizenship'. You have, by your dedication to the Light, - signified your desire to serve the Light for the benefaction of the evolutions of this Earth. You will be awarded the status of 'Citizen' when you enter into the Christ Consciousness and are able to sustain that state of being.

I come into your midst at this hour to instill your consciousness with the conviction that service in the Kingdom is a condition of Happiness. I, personally, have and still serve with the Mighty Lord Ling, God of Happiness, and can attest to the fact that Happiness pervades

one's consciousness in expanded proportion when one has definitely decided that the pathway of Light is worth all the effort he may have to make to be a true Follower of the Christ-way of Living.

My nature is that of the Oriental, and I have a great measure of Reverence for Life which is so much a part of the true Eastern consciousness. With the acceptance of the Christ dwelling within your fellow traveler, you then have reverence for that Life.

Because of My Name, many have thought of Me as having the nature of a dilettante. I should like to set the record straight. My buoyance of radiation results from the fact that the Essence of Happiness is released on My every Breath. It is My privilege to often be assigned to individuals and conditions where a pessimistic or brooding condition exists, and on the brighter side, where there are lifestreams who do embody the Virtue of Happiness who can expand that Quality and join with My lifestream in the dispensing of its buoyant Essence.

GABRIEL, BELOVED ARCHANGEL

Divine Complement - Archaii Hope

"I AM" Gabriel, He Who is called the 'Announcer' bringing tidings of great joy to all generations. These tidings come to you in the progress of this Sweet Earth as She, and all Her evolutions

move ever upward in the Holy Father's Scheme of God Creation. There are already inner Divine Causes set up, waiting to burst through the veil of maya as a manifest expression of God perfection which the Beloved Saint Germain holds for you as well as for succeeding generations.

Have you ever thought what causes motivation? The will to do, the intelligence by which It is done and the Love by which to sustain the manifestation. This was the power utilized for the progression of the Earth and the same activity of motivation can be used to accelerate the cells and atoms of your being, throwing off into the Violet Transmuting Flame, all discord, and sustaining and accelerating the power of God, alive within you, rather than allowing your physical vehicle to decline. Think on it! The motivating power in all life is of a different vibration of course.

So-called inanimate matter is impregnated with the consciousness of all who use it, but the motivating power of the cells and atoms of your dear bodies can be regulated and move more rapidly until all human creation is removed, and the Powers of your Holy Christ Flame activated and set free, to bless all life everywhere. Accelerate the vibratory action of those organs and cells which require assistance NOW!! The moment you think of Us, you are with Us and the moment We think of you We are with you. That is truly a power of rapid motivation, is it not?

That is a science. It is a science that can be used, and is used efficaciously by unascended beings as well as Those in Our Kingdom. You cannot even motivate yourself from this room into your own quarters without willing so to

do, having intelligence enough to get there and then making of your room a shrine of Light by the Love that is acting.

Practice on the power of accelerating, calling to your "I AM" Presence and Holy Christ Self to accelerate the motion of the cells and atoms that make up your physical vehicle and inner vehicles and see the manifestation that can be yours TODAY!

Beloved ones, utilize these powers. There is no sense in bringing glad tidings of great joy to this or any generation if there is not the acceptance and utilization of those powers within the lifestream to whom We give the gift of Our very Life.

Now visualize a crystal ball, oh about the size of the palm of your hand, and see it rotating upon its axis, but that axis is perfectly straight -- as the Earth soon shall be -- and it moves from left to right of course. That is a magnified cell made up of many electrons. Those are within you and when you call the POWERS OF LIGHT into that cell and it begins to rotate more rapidly, wherever the condition of distress seems to be in the mind or the body, in the soul, in the feelings, it can be removed by the Powers of Light. This is God Truth, proven by unascended beings and which can be proven by you today.

Practice on these things, yet though you walk the ways of men you shall not be like unto them; you shall be like unto the Shining Stars in Heaven, which is your Destiny and which you must one day fulfill.

Oh, there are many souls who consider that

it is impossible for them to attain to the Heights of Divinity's stature and it is the Lady Hope Herself radiating in, through and around them that gives that stature Perfection, manifesting it with the fullest power of the Sacred Fire without limit. So stand you as the Ascended Host you represent do, as the Angelic Host which We are, and allow the orbit of the electrons and cells of your vehicles to expand, expand and expand until you become God Free Beings.

GAUTAMA, BELOVED LORD

Lord of The World

Beloved ones, I am grateful indeed to have opportunity today to speak to those lifestreams on Earth who are dedicated to expanding the Light and who wish to be a living, vibrant part of the dawning Age of Freedom which is under the direction of Our Beloved Ascended Master Saint Germain. I am grateful indeed to so have the loving cooperation of your life, understanding and willingness to accept and assimilate knowledge which has been buried far too long in the Llama series of the East. It is so gratifying to Me to know that the release of My Consciousness to the people of Earth is no longer confined to the few short lines of instruction which I gave on the Day of My Illumination -- when I returned from My endeavors of seven long years, spent by Me in My sincere search of God - Truth -- the Heart of the Silence.

Through the loving direction of the blessed Pallas Athena (Goddess of Truth to this Earth)

and many Others of the Cosmic and Ascended Beings Who were assisting Me, I did so proceed up thru the Seven Spheres of perfected consciousness until the glory of the Godhead of this System of worlds, Beloved Helios (Whose Cosmic Service is Illumination) and Vesta, His Divine Complement (Who represents the Goddess of Truth to our entire System and Whose Cosmic Service is the holding of the Immaculate Concept and the releasing of God-Truth to all in our System). There I saw and knew for Myself the Eternal Truth that GOD IS GOOD; that His desire for all His creation is GOOD and the Truth as recorded in your Bibles of today -- "(Human) eye hath not seen the glories which God hath prepared for them that love Him...." I knew then that all these distressing appearances of desolation and imperfection WERE NOT GOD'S WILL -- NOR ACCORDING TO HIS DIVINE PLAN!

Now, this process by which I made these various trips was 'projected consciousness; -- the very same process which you have been taught to use today. My physical form was seated beneath a tree in the forest -- of course quite wasted because of the lack of rhythmic intake of food and drink, as well as from lack of exercise for, remember, My search for ultimate Truth lasted for seven long years and My body stayed in the forest all of that time. However, that body was sustained in part at least -- by gifts of food and drink from passing travellers who saw it seated there. When the vital energies of My body would get too low, those Divine Beings Who were assisting Me would have Me return to that body and partake of the food and drink which had been provided. Thus, I could resuscitate that body enough so that I could journey farther in projected consciousness.

Never, never, never shall I forget My feelings of joy at seeing the beauty and perfection in those Seven Spheres. To be successful in such a venture as I had undertaken, one must be altogether one pointed in consciousness, invincibly determined to accept or stop at nothing short of the attainment of one's ultimate goal -- no matter how magnificent or attractive other distractions might be to his consciousness. In this connection, let Me tell you that just being able to witness the perfection in any one of the Seven Spheres would be quite enough to divert one's attention and determination to progress further!

As I have told you, as I began My search for Truth and directed My Consciousness to the Divine Realms, first I had to pass safely thru the astral or psychic plane which surrounds the Earth, at least for some ten thousand feet around It! Then, as I began to enter the Divine Realms, I entered first the Seventh Sphere -- that presided over by the Beloved Ascended Master Saint Germain. As has been explained to you in previous issues of "The Bridge" every lifestream originally came forth from the Heart of the God-head and by self-conscious choice decided to take the journey thru those Seven Spheres of Divinity. So having passed first thru the First Sphere and on thru the Seventh, when one returns to the 'Father's House' he must, of necessity, proceed thru the Seventh Sphere first as the Spheres would be traversed in the reverse order from one's "coming out" from the God-head. Do you see?

Beloved ones, the beauty and perfection of those magnificent Violet Fire Temples, Angels and majestic Ceremonials of the SEVENTH SPHERE might easily hold the attention of the most earnest seeking soul -- more particularly so because this

is the first contact with the perfection of the Seven Divines Spheres which one contacts on such an upward journey.

Next came the glory of the SIXTH SPHERE (activities of Ministration and Peace). Here I had a great test, as My heart was that of the missionary and My desire was to minister unto the people. In this Sphere I saw the Great Angels and activities of Ministration in action, releasing the mighty Healing Rays, blessings and assistance of every description to every one on Earth who so required such help. Here, I must confess that I thought: "Yes, this is My place," Yet, within Me something kept saying: "On! On! and On! ..to the Heart of Truth"!

Then, as I entered the FIFTH SPHERE wherein abides the Flame of God-Truth, I thought: "Here is the Truth I desire and this is the Sphere in which I shall dwell! I shall learn all that is herein and take it back to men." Again something within My heart urged me on, and I entered... the FOURTH SPHERE.

In this Fourth Sphere of God-Purity, I witnessed the magnificent Cosmic Beings, Ascended Masters, Seraphim, Cherubim and Angels of Purity in action and, as such perfection was made manifest right before Me, I experienced again My personal conviction that THAT Sphere must be the Ultimate! However, I was assured from within that this was not so -- the "voice within" still urging Me on.

Then on this upward-reaching journey, as I passed into the THIRD SPHERE, I found It to be that of the most powerful Divine Love -- that Divine Love which is, of course, the true nature

of the God-head Itself, as well as of Myself and of every lifestream which God has created -- that Divine Love which all were and knew and had with the Father "before the world was"! Here I thought: "Now, truly is Divine Love the Ultimate!" But here again, something within Me said: "Press on!"

On I went into the SECOND SPHERE where the Ascended Master Teachers and educators work and here again I must confess I did pause briefly. You see, teaching long had been My profession. I visited there the Temples and listened well to the Great Ones Who were preparing instruction and various assistance for the religions accepted and served by the various peoples of Earth. I thought here: "Perhaps this is My place and I have found it at last!" However, still something within Me said: "No! still proceed!"

Then, after having passed thru the Realm of the Teachers, I finally moved on into the FIRST SPHERE -- the Sphere of Ideation where the Blue Flame and Ray of Power are created and released. Here, in the tremendous speed and power of activity which takes place constantly, as I entered into this accelerated consciousness, at first I thought I had "over-shot My mark" and felt that perhaps I should have stayed in the Third Sphere of Divine Love. In this First Sphere it was not so easy to hold My consciousness steady in this accelerated movement of energy. There the Mighty Hercules and Amazon (Elohim of the First Ray and His Divine Complement) and Others of Those Who serve on this Ray, were speeding back and forth in service so fast that it was difficult for me. Yet, the light within Me said: "If you will yet press on through this Sphere - YOU SHALL FIND TRUTH!"

So, garnering up all My spiritual strength inasmuch dignity as I could in the presence of the constantly flashing fire of Beloved Hercules, Amazon, Archangel Michael and the Mighty Morya, I went on.

Finally, as I have told you before, I came into the Heavenly Presence of Our Father-Mother God! So brilliant was Their Light; so loving were Their hearts; so magnificent was Their Peace and, too, Their power, that I could but prostrate Myself before Them. Then in that tremendous graciousness which is Theirs, They bid Me arise and giving Me Their personal blessings as well as the blessing of Those of Their entire Sphere, They allowed Me full freedom to enjoy the wonder of perfection to be experienced there. In this heart of the God-head I enjoyed the feeling of ONENESS WITH MY CREATOR -- just as you will one day do when you have finished your course and, in the victory of your Ascension, become ONE FOREVER with your own Electronic Presence "I AM". However, in your case, you have permanently arrived at your Eternal "Home" -- "to go out no more!".....Lord Gautama

GENESIS, BELOVED

Silent Watcher of State of Pennsylvania

GENEVA, BELOVED**Spirit of the Year 1967**

"I AM" Geneva and was the Spirit for the year 1967. My specific Quality is Peace, and you will remember that Geneva, Switzerland, was selected for the convocation which resulted in the League of Nations. An idea was born in Geneva and that pulsation grew into what you call the 'United Nations'. That nomenclature is excellent, for it holds an Idea which is being nourished through the constructive thoughts of the representatives to that body, and from this Entity there shall come forth a UNITED peoples. True, many ideologies which must be blended have their idiosyncrasies, but eventually these will join one with the other into a common, or accepted Pattern, through which each Nation can set its own code for the benefaction of their locale, and naturally for the whole. This would result into various avenues of God expression, as do the Spiritual Rays, of which you are aware, each with Its presiding Director.

Some have visualized the Spirit of each Year, as a vapory or ephemeral Being. Let Me emphatically state that is not the case. I do not just enfold the Planet in My Radiation, waiting for the imprint of man's actions which Beloved Virgo and I must wear. I assure you that I do not just come to have My Garments splattered as the result of the imperfect emanations of mankind.

My Being blends with that of the Beloved Virgo, and is a Mantle about Her and I deflect and purify as much of the effluvia as permitted by Cosmic Law so that the imposed mis-creations

of man do not unduly dispoil Her Beautiful Robe. I have come wearing a Pure Crystalline Garment which shall from time to time diffuse hues of Violet and Pink. I have applied to the Cosmic Law, and have received acquiescence to be an accelerated Focus of Violet Transmuting Fire thru which to assist the Earth in every way possible. Closely within My Bosom shall I further nurture and expand the Sacred Gift of God Peace for all life upon this Planet.

When you, beloved chelas, so desire to turn your attention to Me, I shall on the return current assist you in the expansion and externalization of Peace.

In return, if I may, I ask that you assist Me thru your Calls for Purification for all life to restore the imposed Robe which the magnificent Virgo is forced to wear, in Her accepted Role as Mother Earth; I, of course, do not refer alone to the elemental substance of the Planet which you designate as earth, but for the water, air and fire element as well, each being a necessary component of the Whole.

GOD OF THE SWISS ALPS, BELOVED

Beloved ones, permit Me to introduce Myself, I am He who is known as the God of the Swiss Alps, and due to the tremendous activity which is taking place at the Temple of the Mighty Hercules, He has requested that I speak with you.

You perhaps know that I have My Focus of Light in the Southern part of Switzerland, at Monte Rosa on the Italian Border. The amphitheatre which has been builded to accomodate the seekers of Light extends from the Heart of the Retreat over Zurich and encompasses all of Switzerland. Extending from Beloved Hercules Retreat to Monte Rosa this amphitheatre looks like a Glorious Rainbow Bridge - with the Blue Light of Protection and Power blazing therefrom to the periphery of all of Switzerland.

I anticipate the happiness of becoming further acquainted with you.

GODFRE, BELOVED

Quality - Obedience to God's Will

Precious one, what a privilege it is for Me to bring you a very important Message. Why was I chosen to speak? Well, you will remember that I was known as The Father of this Country in my embodiment as George Washington. In this Bicentennial Year much is going to take place of great spiritual interest and importance, so listen carefully to what I have to say.....

Now, much has been said about the Bicentennial, and it does give Us a Tremendous opportunity, and particularly this Year (1976) as the Olympic Games are to be held in Canada, and will provide Beloved Micah, the Angel of Unity, a great opportunity to unify all the Nations which are represented. At the conclusion of the Games He will place a Torch of Light within each

contestant to take to their native Lands and they will be charged with Micah's Love of unifying all life into the Christ Way of Living.

Beloved ones, you know, too, that the Liberty Bell has come into prominence this year but.... I have something I think you will consider a glorious moment... On July 4th, in this year of Nineteen Hundred and Seventy Six, at 12 o'clock noon, Our Beloved Saint Germain and the Mighty Goddess of Freedom will Ring a Bell of Spiritual Freedom for all Life. This will take place over the Capitol in Washington, D.C. and will be truly the Announcement of Freedom for this Planet.... and where should it begin but in this beautiful Land.

When the next President of the United States takes Office, at the time of his Inauguration, Beloved El Morya will send a Ray of Light and God's Will through his body, signifying that Divine Government is being Inaugurated. I say to you precious, beloved Hearts of Light, pray for the Protection of this man - protection from outer forces, from his immediate associates, and from the yet remaining untransmuted karma in his own lifestream... but I say with all the Fire of My Being, this shall be ONE NATION UNDER GOD!

So lovely ones, I think I have given you sufficient to digest, but I do know that We can count upon Our blessed chelas to Ring the Bell of Freedom! Ring the Bell of Freedom with the joyful, harmonious Radiation of your beings, and remember that it was at the Tetons that man first came to Earth, and from the Tetons this night goes forth the statement that this Land and entire Planet, with the assistance of the chelas thru their cooperation with the Spiritual Hierarchy, will be the LAND OF THE FREE... a Planet of Freedom, under God!

HANUVAH, BELOVED

Cosmic Being from the Planet Uranus

"I AM" Hanuvah, and I come through the Magnetization of the channeling of the Light from Uranus. In the Mosaic Dispensation, I was extremely active and had much to do with Their Ceremonials. Another magnet which has drawn me to Earth is the Rosh Hashana and Yom Kippur Services, taking place in the Jewish Faith.

As you probably are aware, Hebrew Festivities embody Ceremonial, and we of Uranus are deeply indoctrinated in Ceremonial, and it is fitting that the children of Earth, now under the Dispensation of the Seventh, or Ceremonial, Ray of Our Beloved Saint Germain become more and more acquainted with this Activity.

At first, We realize that this will not always be accepted with an open heart and consciousness, but many have come from the Churches where ceremony was a part of the services, and I would advise those who have not, and in a way shut out the Ritual, to prepare well for that which shall be the 'order of the day' in the near future.

Some individuals when they have lived in a certain dwelling or vicinity for a considerable length of time, find it difficult to uproot themselves and change to another, and in like manner there is a reluctance toward accepting Ceremonial. If those of you so affected, will consider a moment that Ceremonial was at one time part of your consciousness in ages long since past, you will realize that you have but to go from one room to another in your mental vehicles and there remove a text book from the shelves of the library of your consciousness and re-acquaint yourselves

with ceremonial activity. This activity is not new to you, just set aside in this embodiment, and can be called forth again to be ready for the expanded Ceremonial Activities of the future.

Children of Earth, ponder a moment- your daily living is a ceremonial, or should be, in reverent gratitude and prayer to the Supreme Source of All Life, through Whom do all Blessings Flow. If you wish My assistance in this matter, you have but to invoke My Presence at your side.

HELIOS. BELOVED MIGHTY

God of The Sun, Divine Complement Beloved
Vesta....The Fourth Sun from the Great Central
Sun of Alpha and Omega

Beloved children of the Sun, greetings on behalf of the Light which comes to Earth through the consciousness of the peoples who are living in the Upper Chamber magnetizing them by the Power of the Light, that SACRED FIRE which is Ours to give and yours to receive, utilize and expand.

Be seated in the Light and in the sight of the Sun! Our Aura carries only blessing to all life; Our Aura carries the very gift of the Energy by which you have being, and carries within Itself every Virtue which you require as you move victoriously upon Life's way. That Aura which is the Light of the Sun is a permanent part of your aura, too, when We join together in companionship and understanding as to that which We desire to accomplish.

That which We desire to accomplish, beloved ones, is to reinstate Perfection upon this Earth. And to reinstate the Perfection of every electron and every cell and every atom of every living thing in, through and around the Earth until the Earth is again, as beloved Vesta and I first visualized It, and then projected It forth, so that the Beloved Ascended Master Saint Germain might have a most glorious Holy Star for you to enjoy and for the Spirits of the various Nature Kingdoms, the gnomes, the undines, the sylphs and the salamanders.

Will you accept, beloved ones, today the rising of the Sun as an activity of the rising of the Sun of Light within your hearts, illumining your consciousness, vibrating through every cell and atom of your beings and expanding forth until it encompasses the Planet until there is enough Light that the Karmic Board Itself shall say "This Planet now straightened on Her axis, peopled by God-free peoples, is truly a Home of the Ascended Master Saint Germain." Then when We absorb into Ourselves the Beings of Mercury and that Great and Mighty Star, the Planet Earth shall most easily move closer to Ourselves.

This is an orderly procession toward Godhood in Its Fulness!

So accept from Beloved Vesta and from Myself Our gratitude that you know something of Our World as It was in the beginning and It shall be, incorporated into the beautiful energies of your own conscious understanding again. Thus you are part of the Great Light of the World. Thus I, too, as beloved Vesta, bow before you, giving to you the Light of Understanding, the warmth of Love and the tenacity of the Sun Gods in holding concentrated to the One Purpose - Goodness,

until the Goodness is manifestly expressed for
the benefaction of all..... HELIOS

HERCULES, MIGHTY ELOHIM

Divine Complement - Holy Amazon - Activities
Strength -- Power -- Protection.

Beloved staunch Spirits of the Almighty
serving upon the Planet Earth with the one pur-
pose in mind - that of doing the Will of God and
assisting the Spiritual Hierarchy in bringing
the Permanent Golden Age to fruition as quickly
as possible, I greet you with the deep gratitude
of My Being!

The limitless field of Cosmic Service open
to any individual who has a conscious knowledge
of the use of the Sacred Fire can scarcely be
conceived by the intellect of man. Every indi-
vidual, finding himself restricted by a physical
garment, experiences the limitations which the
imposed karma through the misuse of God's Energy
has placed upon that vehicle. However, once the
consciousness is freed from the limiting concepts
of human thinking, that one may soar on the Wings
of Light into the Cosmic Consciousness and become
a conscious Dweller in the Fourth Dimensional
Plane. Such an one then has the power to "adjust"
conditions of an imperfect nature which are ex-
pressing in the world of form. A moment's reflec-
tion will show the chela that he is of the same
Mind as the Cosmic or Ascended Being, for in the
Oneness of that Consciousness, he becomes Immers-
ed in the ecstasy and beauty of Perfection and

his being pulsates with the desire to bring Perfection to all life!

At this point, I would like to impress upon your consciousness that Perfection is everywhere, and while you, in using the limited consciousness of the human self, sometimes feel that you are limited in your service, you should endeavor at all times to dismiss such an idea. When one thinks of limitation, he is thinking of the lower self - forgetting that he functions at all times from consciousness. Limitation only occurs when he chooses the human rather than the Cosmic Consciousness of Perfection.

We have recently brought to your attention the ease with which you may cross the Bridge from the human into the Realm of the Divine, and contemplation will show you the rationality of choosing the Cosmic Consciousness. When a chela functions from the Cosmic Consciousness, he has the ability to draw the Sacred Fire from the One Supreme Source of which he is an active component, and may direct the Rays of Light to 'treat' any negative manifestation through the merciful use of all the Seven Rays - should the requirement be one of Healing, Purity, Divine Love, Illumination and so on.

We have counselled you to become co-creators with the Spiritual Hierarchy, and the hour has now arrived when you should be able to function freely from the Higher Consciousness. If you would make it a practice of consciously returning to the Consciousness when, due to a momentum gained through the centuries of functioning in the lower consciousness, you slip into the groove thus created, you would find it more desirable to use the Exalted Consciousness and thus be in the world ...but not OF it!

The same Power which the Elohim wield to create a Planet or a Galaxy is WITHIN YOU and I, Hercules, have come to PROD you on as I stand by the side of Our Mighty El Morya in whose Being there is NO lethargy! He is concentrating His Mighty Powers to clear your consciousness of limitation in an endeavor to quickly bring this Planet to the Perfection which She once knew!

How much do you love the Beloved El Morya?
Now is your opportunity to PROVE that love!

Anticipating your God-Action, "I AM".....
HERCULES

HILARION, BELOVED

Chohan of The Fifth Ray - Hierarch of the Temple of Truth - Activities- Truth - Science - Healing -Exactness of the Cosmic Law - Consecrated Service to God

As one seeks Truth, he seeks the Science of Life! The Science of the Almighty is the Creation of all things... human and Divine, and the so-called inanimate, for we know by this time that every manifestation has life... and life is Love.

Speaking of the Divine Principle, we will turn first to the Field of the Medical Profession. Through that avenue it is My Privilege to serve - one of the many aspects of My Responsibility..and one of vital importance. When an individual has perfect health it does not mean specifically the physical garment, he needs a healthy consciousness to understand the Law.

We know that every electron has a tone and a pattern... and this leads Me to the practice of implanting organs from one lifestream into another. This is a DIS-SERVICE to life. Think what has to take place within the individual who receives a transplant, endeavoring to send forth the symphony of their various vehicles - I mean the emotional, mental and physical garments. It is like a musician, a composer, who has drawn forth the beauty of the Higher Realms and then -- I am going to be very frank -- some smart 'aleck' -- in the rendition thinks he can improve upon it. No sir!

When the individual has his life prolonged, it is because through the Mercy of God that the electrons within his own garment and in the Organ that has been transplanted have a certain compatability of vibration, and when they do survive for a period of time it is because of this fact!

But I say with all the POWER OF MY BEING. this is an improper procedure. Man may think he is God --- the only God is The Christ within. Think this through... I ask your prayers, your decrees, for these men of science who are led to believe they are helping mankind. I am not criticising anyone in any way .. certainly they are dedicated men and women...but this practice shall cease when they become more GOD Illumined.

One can find all the restoration powers WITHIN man and in the Nature Kingdom. We are most gratified in Heaven's Realms that people are turning to Nature -- many books have been written, and more shall come forth about the compatability of the human with the Elemental Kingdom. Consider the service of the tiny little

elemental who has been told he shall produce a certain seed, and from that seed shall come a sprout to flower, or vegetation of some kind which will be used for Healing. This science was known in early Ages and Our Beloved Mother Mary is most desirous of having the chelas become more interested in Herbs, and their use.

Now getting back to the tiny little elemental ... think of his joy when he has placed his product on the Altar of Love -- for the nourishment and sustenance of his brothers and sisters in the 'mighty' human kingdom. Blessed, Blessed Elemental!

The American Indian was well versed in this Science and tremendous healings took place from the application of herbs through nourishment or external use. This is true of other races, I am just using this as an illustration. Most of you have some idea of this but I ask you to develop a greater compatability with the Nature Kingdom. Talk to the plants .. they will respond.

HIMALAYA, BELOVED GOD

Hierarch of the Temple of Wisdom and Illumination - Manu of the Fourth Root Race - God of the Himalayan Mountains. The Masculine Spiritual Focus in conjunction with the Feminine Spiritual Focus near Lake Titicaca of the God and Goddess Meru --

Beloved dear chelas, I love you! When I make that statement you are enfolded in the Essence of the very Nature of My Being, for wherever

"I AM" Love abides. Feel a gigantic Heart of Pink Light in this room and accept its Radiation, and you will realize that the Love of My Being is in every part of that Light.

Ah Love, it is the Heart Center of all manifestation, for nothing could express in any form without its use. I have employed it in all the activities of My Retreat, that Focus which is known as the "Blue Lotus", and the Flame of Wisdom and Peace which has flowed therefrom has carried within Itself the Sacred Essence of Pure Divine Love.

You all know the statement that behind every man who gains prominence in the world of form there is the guidance of a woman, be it Mother, Wife, Daughter, Sister or Friend. That statement should be amended to -- at the side, on an equal basis, will the ladies take the place which is ordained for them. It is so ordained, because the Feminine Ray is coming into prominence. Now I do not mean to imply that one must have a feminine vehicle to do the constructive work of the New Age, for you know that both the masculine and feminine qualities are present in every lifestream.

The activity of the Feeling World is what is coming into prominence and that glorious service is supervised by the Beloved Holy AEolus and the Maha Chohan. They embody the Feminine Activity in a magnificent manner, for They dispense the God Qualities of the feeling Nature which is associated so prominently with the Aquarian Age.

It is the emotional nature of man which must be quickly purified and stabilized, otherwise

God Precipitation of the glorious Gifts of the Kingdom of Heaven are curtailed. I say to you today, with all the power and conviction of My Being -- mankind shall cease the devastating activity of emotional imbalance I counsel each of you to further purify your emotional nature so that the Spiritual Hierarchy may use your lifestreams in expanded capacity to bring in the Gifts of the Seventh Ray, in the New Age of Freedom upon this Planet.

Wise is the chela who will avail himself of this great outpouring!

Cradling you in the embrace of Pure Divine Love which flows from My Being at all times,

"I AM" your Friend of the Centuries,
God Himalaya

HOPE, BELOVED ARCHAI

Divine Complement of Archangel Gabriel

O lovely ones, let us now go into the Garden of God's Heart, from which aeons ago We lovingly permitted the Beings Who were to be the God-Parents of a System to come and select whatever flowers They decided to use in the plan of creating a planet, and in the necessary process of choosing the individual Suns Who were to bring forth the planets under Their jurisdiction, many Beings Who carried a momentum of a particular Virtue were summoned, so that the Plan could mature as They saw it God's Heart.

Of the many Virtues which are activated at this time of Hope, which it is My great privilege to embody. ^{the} The Flame of Hope is nurtured in the Heart of the Silent Watcher of the Planet, in the Heart of the Guardian of a locality, an individual lifestream, the Devas of the Nature Kingdom, and so forth.

I am here today to accelerate the Radiation of the Holy Essence of Hope held in the Heart of your own Holy Christ Self ... that Golden Man Who is increasing His sphere of influence within you daily -- through the Flame of Harmony which is being so abundantly released by the Beloved La Morae. Since every Being in Heaven's Realms embodies Harmony, you can realize to a degree how the Elder Brothers and Sisters are enthusiastically and lovingly enfolding you in Their embrace, so that this Virtue will grow within you. You, an individual flower from the Heart of God, are due to bring forth your full potential and take your ordained place in the Kingdom of Heaven...and that is possible while yet wearing a physical garment.

We continually counsel you to be the Christ in action so that no imperfection will come forth during the resurrection period! The Christ, or Golden Man is within your heart and the time when He may step forth, or take control of your vehicles, depends on the purified condition of those garments. It has been brought to your attention many times that the physical vehicle is the expression of that which is pulsating within your etheric, mental, and emotional garments - that your physical form reflects what is within the other lower garments. Remember the words of the Master Jesus when He said "Be ye perfect"!

The most important reflection with which you should be concerned is the picture which you present to life. Be not dismayed at the reflection of another individual ... you do not know what may still surface from your inner garments. Can you honestly say or feel that you are an example of The Christ to which your fellow traveler can look, and KNOW that there is a chela who is proving the Law? I do not chastise..... I am here today to assist you to accept the Flame of Hope as a tremendous factor in the transformation or transfiguration of the human into the Divine!

IMMACULATA, BELOVED

Beloved Planetary Silent Watcher - Divine Complement - The Mighty Immanuel

"I AM" the planetary Silent Watcher, sent forth from the great Cosmic Silent Watcher, carrying the design for the Earth within My living breathing Being, and the Divine Presence of every lifestream sent forth by Helios and Vesta.

I am that Being Who has held within My bosom and consciousness and very Life, the living, breathing Presence of every Guardian Spirit Who responded to the call of Helios and Vesta and chose to become part of the protection of the evolutions on this Earth. You are part of My body, part of the essence that passes through the energy of your self-conscious being, passes through the energies of My body and My life. So truly, I know you well!

When Helios and Vesta chose to apply for the opportunity of creating a universe, They expanded out from Their Being, a sphere of influence; the periphery of that sphere was the periphery of the Universe, within which the planets, the stars and all belonging to that Universe would abide.

In the fiat of "Let there be Light," They spun out of Their very selves that Universal Substance from which the Elohim created the planets, and from whence has come into being all form. As each planet of the system was designed to be breathed forth, from the heart of the Cosmic Silent Watcher, the Planetary Silent Watchers were sent forth. We, in turn, embodied just one planet, taking upon Ourselves the responsibility of holding the Immaculate Concept for that planet; the rivers, the oceans, the mountains, the vast plains, and making available to the Elohim and Builders of Form that pattern which They then wove out of the universal light-body of Helios and Vesta.

The first activity of the planetary Silent Watcher is to expand the Causal Body which becomes the cradle in which the planet will rest and the seven great spheres on the bands of color of Our Causal Body into which the Guardian Spirits, the Angels and Devas come, creating the Seven Heavenly Realms of consciousness for the evolutions that will evolve on each planet.

Out of the substance and energy of the colors of Our Causal Bodies are woven the temples, the very atmosphere of these Inner Spheres. Out of the Substance of That Body is woven the elements for your Earth! Out of the substance of the Causal Body of the Planetary Silent Watcher is woven the garments, the Seven Vehicles which every

lifestream wears. So do you see how truly ONE We are and how the energy of your inner bodies and your flesh are a part of the living essence of My very Being!

IMMANUEL, BELOVED

Divine Complement of the Planetary Silent
Watcher Immaculata ...Centripetal Force

The Goddess of Light speaks:-At the time when the planetary Silent Watcher was assigned to the Earth, Her Divine Complement offered to be the magnetizing center for all life in the Earth, on the Earth, and in its atmosphere. Thus, Immanuel focused His energies in the very center of the globe being formed, setting up the initial centripetal force required to magnetize the Spirit Sparks prepared by Helios and Vesta, who has been awaiting such magnetization in the Seven Spheres. At the moment when Immanuel and Immaculata had formed the Rod of Power - centripetal and centrifugal force - the First Root Manu with His first sub-race took embodiment in beautiful shining forms. Thus did the First Golden Age upon the Planet Earth begin.

ISIS, BELOVED

Divine Complement of Beloved Osiris - the first Sun out from the Central Sun - Alpha and Omega.

"I AM" Isis, the Sun Goddess, come into the atmosphere of Earth for one purpose, and one purpose alone -- to bring THE LIGHT OF UNDERSTANDING to the recalcitrant human race and particularly to those who purport to be their teachers. My subject refers primarily to the magnificent service of the Seraphim, Cherubim and Angelic Host, Who are the Emissaries of the Universal "I AM" Presence and Those of Us privileged to be a part of The Fire of Creation!

Chela, bend thy knee before the Seraphim, the Cherubim, the Angelic Host! Without Their kindly and voluntary assistance, you would not even have a Planetary abode, nor a Temple not fashioned with hands (physical body) wherein there blazes the Immortal Victorious Three-fold Flame of God, which again as the Resurrection Flame begins Its Ascendency, revitalized the Nature Kingdoms, the Animal Kingdom, and is by LAW, THE FIAT OF THE ASCENDED JESUS CHRIST, due to activate the God potentialities too long dormant, within you!

JESUS, BELOVED

I speak to you as Friends...very dear Friends, in your own personal experience when you have not seen a Friend, or have not been in touch with

him for a long time, great love from your heart reaches out to embrace him. Feel the Love, My dear ones, which I am sending from My Heart to yours. Feel that soft pink substance form a mantle about you...keep it close to you always. Love forms a great bond between all of us as you are striving for Unity with the Christ Consciousness.

How many times you have heard - "I AM" the Resurrection and the Life!" and I repeat "I AM" the Resurrection and the Life, of the Perfection in each of you this very hour. And since there is no favoritism in Heaven's Realms, I say "I AM" the Resurrection and the Life of all mankind.

Now you can make all the affirmations..."I believe, I believe, I believe," but until you have within every cell and atom of your beings that conviction "I BELIEVE", you are giving lip service.

Children, I am not scolding you...I am endeavoring to help you. So many have just to proceed another rung on the Ladder of Light into the Christ Consciousness, but while you yet wear a flesh garment you must ever be on your guard. And those blessed Angels of Violet Fire who are still in your auras have done much for you these past few days. When They go into the Higher Realms today, They have asked Me to tell you that if you will send a Blessing of Purification for some particular loved one -- a parent, a friend, a relative -- They will carry out that mission for you. You have made Them very comfortable these past days because of your harmonious radiation, and They are so desirous of serving with you.

We have Legions and Legions of the Ascended and Cosmic Beings and Angelic Host waiting, waiting... waiting patiently for a heart call to assist someone on this Planet. When you attain the Christ Consciousness, dear ones, you can see the physical discord but it does not register in your consciousness, and that is why I counsel you to enter into the Christ Consciousness so you can serve in expanded capacity to remove the perplexing problems which are evident upon this Earth. And if you will call for Peace and for Love for all Nations, you will soon see Peace manifest. I do not say Permanent Peace...but already you can see there is a softening in the hearts of various Rulers and Heads of Nations when viewed with the Inner Sight. Oh, that is true - sometimes they require just one more Call of say "Help them, O Father-Mother God, to bring forth the Divine Plan for their Nation."

So often have you heard the statement The Father and I are One" and when you can truly speak from the "I AM" within you, you are the Voice of The Father.

Have you not been told that everyone is a cell in the Body of the Eternal! We have repeated this over and over. Make this statement a part of your feeling worlds -- "I AM" that "I AM"! There will come a certain quality in your affirmations that will go directly to the point and render the service quickly. Remember I said "Lazarus, come forth"... and it was accomplished. I, through God's Holy Grace, knew that it was the Power of The Father within WHO did the Service. Accept into your feelings the CONVICTION of the Truth of which I speak! Be convinced....have Faith.... have Hope and Love will come to those hearts in blazing Light!

JOPHIEL, BELOVED ARCHANGEL

Activities - Illumination and Wisdom
Divine Complement Beloved Archaii Constance

My endeavor, My service to life, is in the teaching of the consciousness, enabling it to discover within itself that which is the power of light. At the beginning of individualization upon the planet Earth, the Archangels were asked to represent the Seven Rays. So, for the planet Earth, I was the first World Teacher, having been succeeded in My time by those great and mighty friends, the Beloved Gautama, Beloved Lord Divino, our Beloved Jesus and Others.

In the great Second Realm and Sphere, all the Beings representing the three evolutions are given the education required for Them to become Masters of energy and in turn capable of carrying the instruction to those who desire it and wish to evolve upon the Ladder of Evolution to its ultimate perfection.

Ideas are constantly emanating from the mind of Helios and Vesta, from the mind and heart of all Those Who dwell in the Electronic Belt around the Sun. They are the Divine desires that fill the universe. As they pass into the Second Sphere there are exquisite Devas and elementals of high development who open their consciousness to grasp those ideas, and draw them into themselves.

The idea then is designed into a workable form. It may be an idea for a planet and that is designed by some great Being into a beautiful sphere with mountains and seas and so forth. It may be an idea for a home, and that home then is designed by a Being as he himself chooses

through initiative. It may be just an idea for a musical composition and that in turn is externalized by some being.

In the Second Sphere ideas become crystallized. They take on form. Now in your own world it is much the same. You receive perhaps an abstract idea.... "I would love to take a journey" you say. Then your mind, which would represent the Second Sphere, will say "Very well we will take the abstract and fashion it. We will design a trip to Bermuda, to England, to some specific place." You might receive an idea for a new home. Then your mind would take that idea and perhaps it would say "I would like a home of eight rooms, with an acre of ground." "I would like a home of certain design." It is in the Second Sphere that the abstract impulses and ideas are crystallized into workable form.

That is Our service in the Second Realm. In this realm are accepted these exquisite ideas many of them are lowered into the Third Realm, energized by the feelings of those mighty Beings who dwell therein and then they are carried into the various channels in the lower realms which best externalize them.

Beloved ones, it is so magnificent. I work you see, so much in this Second Sphere. I see the beauty of these great Temples. Oh! that you might see the glory of the Topaz Temples of Light! Those great mighty domes are shining with the light of the Beings Who are within them, as well as the radiation of the Flame which is within the Jewels themselves! Oh! that you might see them and bring back the memory! Within them are completed compositions of such magnificence and beauty, which are given to the Venetian and which

He, in turn endeavors to give to composers on Earth, that would really transform this Star in a day!

Oh, blessed ones! There is so much at hand! Didn't your Jesus say "The Kingdom of Heaven is at hand" and it is! Open the doors of your consciousnesses, nourish those thoughts and feelings, those exquisite ideas and bring them into form, for truly, "one with God is a majority."

Jophiel

KAMAKURA, BELOVED

Hierarch of the Etheric Temple of Transmutation and God Illumination over Mt. Fujiyama, Japan

Dear blessed hearts of Light, you are to be commended for your use of the Violet Fire and the momentum which you have builded is a source of deep gratitude to the Spiritual Hierachy. As you know, Our Retreat at Fujiyama is the Principle Focus of the Violet Fire for the Earth at this crucial hour in the Earth's evolution and with Our gathered momentum of the Flame of God Illumination, the Brotherhood belonging to this specific Retreat are grateful to send the Transmuting Fire forth accompanied by the glorious Golden Flame of God Illumination.

I believe the following will be, not only gratifying to you, but illumining also - so let Us now turn Our attention to the beautiful Orb, the Moon!

I have received permission, after counseling with the Beloved Gautama and Beloved Saint Germain to give you the succeeding pertinent facts... A considerable number of years ago, Saint Germain advised the chelas to await the time when the truth about this Satellite could be released. It is now felt that the chelas have sufficiently purified themselves to receive this information in lieu of some of the activities which have taken place since the landing of man on the Moon.

In the Western part of the United States, in the State of Idaho, there is a National Monument which is called 'The Craters of the Moon' and the designation 'Moon' has attracted many tourists and scientists to this site. The early settlers decided to call this location 'The Craters of the Moon' for the reason that its terrain resembled that which they had been able to perceive through telescopic surveillance of the Moon. These individuals actually received this information by tuning into the etheric records which has been made in this location.

One has but to look upon the glorious Body of Lunara, the Spirit of the Moon, on a clear night to witness the magnificent Light which flows from Her Body! Who is responsible for this emanation of Light from an Orb which to the outer consciousness seems at present to be devoid of habitation?

Aeons ago there was a glorious civilization on the Moon, and like the inhabitants of the Earth in the early Golden Ages, some of the Priests and Priestesses felt they could use the God-Power within them for their own selfish purposes! And ... like the Earth, cataclysmic action

took place. At that time under the instruction and guidance of Beloved Alpha and Omega, God-Parents of this System, and Beloved Vesta and the Beloved Lunara, the constructive lifestreams on the Moon were transported INTO the Center of the Moon and many have embodied there again and again, and shall remain until the surface of the Moon will again become pure enough for habitation.

There is a civilization of constructive lifestreams presently dwelling within the Moon, just as there is a civilization within the center of the Earth, watched over and under the Protection of the Mighty Pelleur!

Why do I tell you this? For the reason that the Priests and Priestesses who had greedy and destructive intent within their consciousness were not allowed to go into the Light Center of the Moon, for they had been 'eyeing' the Earth with malicious intent, and through their attention - they were well developed in the activity of levitation -- they came Earthward. When they landed on the spot now designated as 'The Craters of the Moon', their nefarious activity caused volcanic action and the 'Craters' of the Moon resulted. The vehicles of these greedy ones were destroyed at that time by their viciousness, and they were among those who were in the former Compound for centuries!

Please listen carefully... In order to purify this destructive etheric record, the Mighty Lord Pelleur and those in the center of the Earth have been using the Violet Fire established therein to affect this Purification. You can conceive a little of the intensity of this action when I tell you this Transmuting Action has been taking place for aeons. The cataclysmic action

on the Moon took place after the sinking of Atlantis.

It was only about a year ago that the etheric records of 'The Craters of the Moon' were finally transmuted. At that time the Beloved Arcturus, Elohim of the Seventh Ray, released a Ray of intense Violet Fire from His Being which struck the Earth at this point and went deep within the Earth to anchor Itself within the Violet Flame in Beloved Pelleur's Focus! Does this not convey to you that the activity of rebuilding the Planet Earth is now taking place, when the Elohim of the Violet Fire, under the direction of the God-Parents of the Earth, sends a Ray of Transmutation into the center of this Planet?

In humility, I bow to the Flaming Presence of God within you, and enfold you in the Flame of Transmutation as well as of God Illumination. Your Co-server in the Light..... Kamakura

KARMIC BOARD, THE

A Council which voluntarily assumes both the responsibility and obligation of meting out the necessary lessons required by each individual who has taken embodiment upon the planet Earth.

All of mankind were originally created in the image and likeness of The Father-Mother God without taint of sin. Each one was endowed with the powers of free will in using his creative faculties to fulfill his portion of the Divine Plan,

While each individual utilized this free will to fulfill his Divine Missions, the First Golden Age flourished. There was at that time no requirement for The Karmic Board. The Second and Third Golden Ages completed their course in a like manner.

The cycle of the Fourth Age upon the planet Earth found Her voluntary Hostess to peoples from other planets who had rebelled against God's Law and were thus planetary orphans, (laggards). Then the peoples of Earth, despite the protection invoked by Lord Michael and Other Divine Beings, succumbed to the subtle sin of curiosity! Their experimentation with the misuse of free will caused what is known as 'the fall of man'. They became enamored of their use of the creative power, independent of God-direction, and that which you know as the soul was born!

Anticipating this rebellion against The Father-Mother God and the resultant discord which would ensue, three Divine Beings volunteered to assist anyone so enmeshed in this personal and mass creation of imperfect thoughts, feelings, words and actions. Thus the first Karmic Board was formed! Through successive Ages and recalcitrance upon the part of Teachers, as well as students, the number of Members of The Karmic Board has been increased to Seven, each One representing a particular God Virtue temporarily lost by man. The Divine Beings Who comprise The Karmic Board qualify for Their Office according to the requirement. Thus the Office and the Individual Beings are not always the same.

At the close of each embodiment the soul is required to appear before The Karmic Board. Here he is given opportunity to explain THE REASON for the activities in his last Earthly embodiment.

The Karmic Board in turn looks upon the MOTIVES behind such activities and assigns each soul to a realm whose vibratory action is akin to such an one's consciousness. Also at this time a Teacher either volunteers or is assigned to such a soul so that it will better understand the reason for its being, and upon its return to Earth in the next embodiment have opportunity to make restitution.

As a man sows, so shall he reap! Therefore all energy the soul has misqualified becomes 'evil' karma and that which he qualified in a constructive manner is good karma. It is oft times referred to as the Law of Cause and Effect.

THE PRESENT MEMBERS ARE:

GODDESS OF JUSTICE AND OPPORTUNITY - BELOVED LADY PORTIA -- Present 'Spokesman' for the Karmic Board.

GODDESS OF LOVE, BELOVED LADY NADA, also Messenger of Mighty God and Goddess Meru - at present The Chohan of the Sixth Ray.

GODDESS OF TRUTH, BELOVED LADY PALLAS ATHENA

GODDESS OF MERCY, BELOVED LADY KWAN YIN, also Hierarch of the Temple of Mercy, Peiping China.

GODDESS OF LIBERTY also the Silent Watcher of New York State.

ELOHIM VISTA, (Cyclopea) Elohim of the Fifth Ray.

LORD SAITHRTHU, Great Manu of the Seventh Root Race.

KENICH AHAN, BELOVED

Hierarch of the Temple of the Sun, near Merida, Yucatan.

Hail, thou Children of Light, I am come from the Heart of the Sun of this System, bringing you the greetings of the Beloved Helios and Vesta and the Benediction of Their Love and Light.

Oh, thou Holy Light of God infiltrate the consciousness and beings of these blessed followers on the Spiritual Path who have dedicated their lives and beings to serving the Omnipotent First Cause for the externalization of the Divine Plan on this Planet Earth.

Cosmic and important were the Plans which were under consideration by the Representatives of all the Planets under the direction of Helios and Vesta. Obedience is the first order, - and when the Cosmic Law lays a Plan before the activities which will take place when the Inbreath by Helios and Vesta absorbs the Planet Mercury into Their Hearts, then the forward progression of all the Planets in this Chain takes place.

I give you this information, not to stir up the negative quality of fear in your consciousness, - but with the knowing feeling that you are all now sufficiently 'grounded' in the Teachings of the Cosmic Law, that you will recognize the requirement for keeping the harmony of all times through the constant purification of your vehicles, in order that you will be in a state of Listening Grace, alert, ready and willing to follow any Directives which We may set before you for carrying out the Plans of the Spiritual Hierarchy.

This preparation is not the matter of a moment, it has been taking place for many years, particularly this year when the Cosmic Law set into motion the intensified activity of Purification.

You are Our Representatives .. the Light Bearers for this Planet who must be in readiness when the Cosmic Move takes place, the hour you know not. Like the Generals in the Forces protecting the various constructive Governments who have their legions well trained for the resultant activity of Victory, so are We responsible to the Spiritual Law for the training, the preparation, the ultimate fulfillment of this Cosmic Edict.

We require humble, dedicated harmonious lifestreams who are willing to serve as One, knowing that in that ONENESS is the PRESENCE OF GOD, "I AM", Which is the Directing Intelligence in all their actions.

You have been apprised by Beloved Maha Chohan that Micah, the Angel of Unity, is the Being ensouling the Bridge Activity. Do you not see the importance of His voluntary Service. Send your love and gratitude to Him daily, for tremendous is the Mission of this Beloved One.

The time is rapidly approaching when all activities of a Spiritual Nature will be more firmly aligned to this Heart Center. They are in a minor way so connected at present, but due to certain obstruction in the consciousness of their Leaders only a limited flow of energy can take place. I in no way infer that they do not serve as individual entities, but to receive of the full benefit of the Light and Energy which

should flow from the Heart Center of the Spiritual Hierarchy into their specific service, they should recognize in their hearts what Shamballa means.

As a simile the individual States in these United States have their own local government, but all are subject to the Central Government of your Nation in Washington, D.C., or the subject of a Reigning King or Queen, or other Persons in Central Authority, in any Country. You have been told on many occasions, that the heart of the Planet is these United States, and the Heart Center of the Spiritual Hierarchy was necessarily moved to this location.

It is only in separateness that the consciousness does not accept this fact, for those who are coming closer to the full acceptance that GOD IS ALL, GOD IS EVERYWHERE, there is developing within their feelings, that true belief that the Universe IS the Body of the Cosmic "I AM" Presence, or by whatever Name they so designate the Omnipotent, Omnipresent, Omniscient First Cause, the Divine Principle of Life, everywhere.

You will remember Beloved Saithrhu referred to the Presence of God within as your individualized Great Divine Director. Remember that always. Give obeisance and obedience to the God Intelligence at all times, fully convinced that you are walking the Path of Righteousness, releasing the Perfection which will be manifest in its fulness in the Golden Age coming to fruition for this Planet. Kenich Ahan

KRISHNA, BELOVED (The Christus)

"I AM" LORD KRISHNA whose service to this planetary scheme is to initiate, sustain, prepare and direct every Divine Being who has evolved to the point where He or She may become, in the world of form, a Living Expression of Deity. When it is ordained by Cosmic Law that the Word be made flesh, it is My particular Joy to unfold the Christ-man coming to give the vitality required to resuscitate a recalcitrant mankind at particular moments of Cosmic crises. Thus it was my great honor, privilege, responsibility, and obligation to prepare the Ascended Master Jesus, the Christ. The people of Earth in this present hour are looking again for a "second coming" which is imminent, and I have already prepared the new Christus who but awaits the propitious moment for His advent.

KRISHNA, BELOVED SUN GOD

Divine Complement - Beloved Sophia

Hail Children of Earth, - I, Krishna, bring you greetings from the Beloved Sophia and All in Our Galaxy, which is immediately above yours in the Universe!

As the currents of Light have been flowing to your Planet these several years; as a result of your calls to the Planet Venus, you have been tuning in by Radiation to Our Sun, - and your vehicles have been accelerated to accept the vibratory action which is Ours.

When one places his attention upon some condition, place or thing, he immediately ties in to that upon which his mind has been directed. While you have not specifically turned your attention to Our Sun, you have become acquainted with Us through the Radiation of the Planet Venus, which you know came forth from the Hearts of Mighty Sophia and My self.

Long before the Channelling of the Light Activity from the three Planets - Venus, Uranus and Mars, you were being prepared aeons ago for a compatability with Our Galaxy, through the dedication of the patient and loving Sanat Kumara. Great Beings through the ages have seen the blueprint of the future, and knowing that the Earth would one day move into the orbit and Radiation of Venus, We began preparing you for that move, after you enter Uranus Whose vibratory action is akin to Venus. Venus will be the second transition in the great Plan of Creation. Perhaps this will give you an idea of the far reaching activities of the Illuminati that dwell in Heaven's Realms!

I have a part, as you can well realize, in the Inbreath which the Suns will take, which will draw the Planet closer to Our Hearts, and this action will transpire in the not too distant future, so I shall undertake to further familiarize your consciousness with the vibratory action of Our Sun. Tremendous are the Plans in the Design held in the Heart of the Beloved Immaculata, the glorious Silent Watcher for this System.

Every Planet is being attuned for the time when the Cosmic Edict goes forth - that all the

Suns shall take the great Inbreath which is ordained by Cosmic Law! Now, please do not speculate, - do not calculate when this will occur. The Plans of the Almighty are too complex for the consciousness which the chelas have reached thus far - albeit the expansion has been commendable, but the important Edict of the hour is for the chelas and mankind THAT MAINTAINING HARMONY IS OF PRIME IMPORTANCE TO RESTORE YOUR EARTH TO THE VIBRATORY ACTION WHICH IS NECESSARY TO BRING ABOUT THIS MOVE WITH THE GREATEST FACILITY.

The releasing of the Essence of Harmony is required of every man, and the more Harmony which flows through his being, the greater the expression of the Christ Self. Always remember that as the Golden Man expands His Light, that human self decreases, and this takes place as you recognize and give power to the Supreme Source from which all light does flow into all of Our hearts.

KUTHUMI, BELOVED

World Teacher - Special Activity - Children and Youth

The Ray of Wisdom, of which I am but one facet, is little interested in the world of man. It does not deal with knowledge, which is an accretion of intellectual facts, nor mental genius. True Wisdom comes from facing the Sun within, and drawing forth the conscious realization that all reality, Truth, Beauty and Understanding may be found within the Flame of one's own heart! By listening to the Voice of the Silence in humble

and silent reverence without mental concepts or emotional restraints, one becomes imbued with Wisdom. The wiser one becomes, the more silent is his tongue; the more peaceful his emotional world; and less thinking he does with the brain.

This is the Second Person of the Trinity referred to as the 'Son', although this is often taken as a parental-child relationship. Its inner significance is S-U-N and when you really know that the only reality is this SUN, the world of maya can no longer touch you. This is the Path of Wisdom - the period of listening and waiting that signifies the cross-legged Buddha resting from the arduous climb on the Ray of Strength and Purity.

Outwardly it will be a period which, in comparison to your struggle, will seem peaceful, quiet and serene, for you are not tested in strength now but in patience inwardly. However, let Me warn you that it is one of the most difficult steps on the Path, for until you can hear the Voice of the Silence, you are running on the periphery of Life, shouting with the multitude the hollow hosannas that resound nowhere but in your own ears.

You will find Me, perhaps, a gentle and lenient Master because the Way of the Silence cannot be forced, but let not My gentleness deceive you, for beneath it is the 'rod of iron'. The Blessing of Lord Divino ...rest upon you and I shall endeavor to visit you often this year.....

Kuthumi

KWAN YIN, BELOVED

Goddess of Mercy, Member of the Karmic Board
Hierarch of the Etheric Temple of Mercy,
over Peiping, China.

Friends of My Heart, as you know, I have the signal honor of being a Member of the Karmic Board. I pray that when you appear before the Goddess of Opportunity, Beloved Lady Portia, and My humble Self that you will not feel like running away if you have not heeded Our counsel and passed up the opportunities which We are now presenting to you. There will be no censure on Our parts, but all debts must be paid, and if a balance has to be made, you will have to serve in the Temples set up for this purpose, thus delaying your expanded service in the Kingdom of Heaven.

"I AM" particularly interested in the women of the race, in the restoration of the dignity which they should manifest. I do not have to call your attention to the shameful condition in which many find themselves today, in particular the adolescent young women. Oh so much reverts to the lack of true family life.

When the knowledge that God is our All, the Animating Principle behind all Life, was the way of life and the home was builded around that fact, the parents lovingly setting an example for their children, there was far less restless yearning for the 'pleasures' outside the home or in community activities.

Yes, karma does have an influence on the young, but it is the formative constructive holding of the way of life by the parents who volunteered to accept these lifestreams as their

charges which plays a most important part.

We do not overlook, or include, those homes where there is a realization of the responsibility which lies with the parents -- there are many such on this Earth, but I speak of the overwhelming number of the youth of today who know not what to do with the Life Force which is flowing through them, and in uncertainty and confusion seek to experiment with the ways presented to them in the outer world.

Beloved ones, this is a very delicate subject upon which to address you, but you are mature enough in consciousness to go into action with the purification which is required.

It has been said that a child knows from the moment of birth whether it can 'get its own way.' Training should begin immediately. You have noted in your magazines and newspapers the very early age at which the dedicated Teachers of the very young are finding what seems an unusual response and constructive development from so-called pre-school children. This awakening is very gratifying especially to Beloved Mother Mary and Myself, Who have prepared these lifestreams in the Sacred Heart Temple. In the last decade you will remember many, many illumined lifestreams have taken embodiment. They will be the Teachers in this, the New Age, and will take the place of many who have remained on Earth well past the time when they could have gone Home.

It is for the protection of these advanced lifestreams, that they will not be impregnated with the contamination which is so rampant among the young today, that We make Our plea, Oh these beautiful Spirits, pray daily for their protection from the infiltration of the chaotic evil

accepted by so many as the way of life today.

Draw the Light Rays of Purification and focus Them through all homes, schools and meeting places of the young. Set up an invisible focus of the Violet Fire of Mercy and Compassion so when imperfection seeks to intrude, it will be immediately transmuted by the Sacred Fire. Ask the Ascended Legions of Lord Michael to guard every home, and protect them and all therein by their Cosmic Action of the Blue Flame.

The Love of Beloved Mother Mary, Beloved Lady Portia and Myself enfolds you. Will you be Ourselves in the world of form? A call to us will find immediate response, and We are willing always through Our builded momentum, to amplify the Activity of the Sacred Fire in which you choose to engage, for the enrichment of yourselves and all mankind. Can We depend on you?

"When 'I AM' lifted up, I shall draw all Men to me."

Kwan Yin

LA MORAE, BELOVED

Hierarch of The Temple of Harmony, (also known as God Harmony)

When man can realize that the conditions of an imperfect nature that he sees rampant on the Earth are the result of what he has done with his energy through the ages, that the emotional outbursts disturb not only him but those around him, he comes to a realization that all the water

element, the emotional sea of energy, is affected everywhere. As you are listening to My advice I humbly counsel you not to let this be a transitory feeling within you, it is time all learned the Lesson that every action -- thought, word or deed affects all life.

If man could realize what he tunes into every time he has an emotional outburst, an imperfect or negative thought, he is delaying the activity of redemption which must take place before the element is returned to its original intent..... Sometimes when that energy returns to the sender it is like an avalanche, - IF it has not been transmuted before it joins its kind. One must be alert at all times to prevent himself from tying into discord within himself or another. Use, use the Flames of Purification and Transmutation so that the energy which is not qualified with Perfection becomes immediately captive in the Flame of Redemption ... then the Sacred Fire can do Its perfect work without reaction to the one who is redeeming his energy.

Let the tides of energy which flow through your being ever be qualified with the Flame of Harmony then the riptides still pulsating in and around the Earth will not affect the service which you came to Earth to render. Think often of the words in the Song "River of My Life, dear, flow on, gently flow....Flow on, carrying only His Cargo". What a magnificent expression which should become a part of your daily living.

.....LA MORAE

LANTO, BELOVED LORD

World Teacher - Patriarch of the Rocky Mountain
Retreat - Activities - Illumination, Reverence
for God's Life.

One of the gifts that comes with Illumination is the use of the inner sight. When you are privileged to see the Chalice of the Heart within which burns the Fire of Immortality (the spiritual garment of each individualization) then you, too, will love and reverence life no matter in what form you may meet it. In response to love, that life will rush forth expanding and expanding its sphere of influence until every vibratory action, which is the cause of shadows existing within it, is transmuted.

Looking upon the light within your hearts, I am eternally grateful for the privilege and honor of offering My humble service to you that you, in turn, may achieve the fulness of mastery over your own energies which flow to you so freely from the source which gave you being.

The East has much to offer the Occidental mind and the West has much to offer the Oriental consciousness. One of the Gifts which is Ours to offer is a natural reverence for life. We are hoping through this instruction that you will achieve a far greater depth of perception of the magnificent gifts that the Self-conscious Ascended Master Intelligence and Beings represent in Themselves.

In China and other parts of the Orient, even the most humble have a natural devotion to Life

and Its Source. The people there would not even pick a flower severing the blossom from its stem. Individually, beloved ones, you have cut yourselves off (to a great degree) from self-conscious communion with the Source. You have done this through centuries of experimentation with the use of life and the pressing of that quiescent, primal substance into the forms of of your ungoverned thoughts and feelings.

Those of Us Who are the servants of Life and are now dispensers of instruction, are dedicated to the task of bringing you back to a conscious connection with your own Divinity. This We do by opening the channels through which the direction, the gifts, the powers and the mastery which are God-intended may be released into your use. These gifts are given not only because it is the desire and will of the Universal First Cause, but because it is essential, if mankind are to be helped, that some among them become again the Masters of energy and vibration. They must become the master-control of primal energy, which should never leap forward uncontrolled. It should pass in dignity into the thought, the feeling, the action or the word that blesses and enriches life.....

Lord Lanto

LEMUEL, BELOVED LORD

Hierarch of the Focus of Devic Strenth and Balance....Member of the Angelic Kingdom and first came to Earth with Lord Michael.

LETO, BELOVED LADY

Friends of Light serving yet in bodies of flesh upon the Planet Earth, I greet you in great happiness today, ingratitude for the privilege of having the opportunity of speaking to you.

The hour has approached in Earth's evolution where We of the Spiritual Hierarchy are required to give you in plain and simple terms the way and means by which you may attain the Perfection necessary for you to act as Our True Representatives...you, in whom We have invested so much of God's Energy through the years.

Some of you may not be familiar with My Name or Radiation, so let Me assure you that We are well acquainted at Inner Levels and many of you serve with Me while you are in your etheric garments at night, unencumbered by the density of the physical garment!

I come specifically at this time because many of the chelas are thinking "if only I could remember what takes place at night while I am sleeping!" I shall be delighted to assist you to bring back the memory of some of your activities. Upon retiring, if you will first call to your own "I AM" presence and then direct your attention to Me and ask that you will retain the memory of your activities while you are out of the body at night, I shall give you every assistance permitted by Cosmic Law to make this possible! I do not indicate that this will take place immediately upon invocation, but remember the adage "if at first you don't succeed, try, try again". You must build a momentum and I

assure you that I shall give you expanded assistance to enable you to remember in your waking consciousness some of that which has taken place!

We believe that some of you will eagerly grasp this opportunity. You see We have to proceed gently and ease you into this activity, for while you are wearing a physical garment one must watch for the worm of spiritual pride which can enter and delay the progress of the most sincere chela. So be happy for the opportunity which is being presented to you and know that I shall protect you as you BELIEVE the Truth of the service which I am privileged to render your lifestreams.

Many of you know that it is My expanded Service to train chelas to leave the body at will, while in the waking state, but at the moment it is God's Will that I assist you in the manner which I have presented to you today.

You have all reached the point on the Spiritual Path where you can have freedom from discord IMMEDIATELY! Yes, RIGHT NOW! As you invoke the glorious Purity of the Fourth Ray and invoke all the Beings serving on that Ray, as well as the activities of the other Rays of Transmutation, those Beings and Their Activities so invoked MUST RESPOND!It is Cosmic Law!

Call to any of Us to whom you have specific affinity and after invoking your own God Presence, ask Us to blaze the Flame of Harmony through your four lower vehicles. You must desire something or it will not manifest, for the feeling world fills the moulds which you present to it.

Raise the cup of your consciousness On High and let the pure Essence of Spirit flow to and

through you at all times.

In the pure Love of God's Heart which is the
Harmony of My True Being, "I AM" your Sister in
the Light!Leto

LIBERTY, GODDESS OF

Member of the Karmic Board, Silent Watcher for
New York State....has a Focus thru Statue in
the Harbor of New York City ... Virtue - Liberty

Children walking the way of Earth, "I AM"
Liberty, Liberty of thought, of feeling, of word
and of action; Liberty to be the fulness of your
God-self embodied; Liberty to release through
that God-self anything and everything that will
be a benediction to you and to your fellowmen.
"I AM" not bound by flesh; Cosmic Spheres are My
activity of service. Yet to anyone who desires
Liberty, there "I AM". "I AM" that Flame within
your hearts, liberating those powers that have
lain dormant until expanding through you they
can and will do the same so-called miracles per-
formed by Beloved Jesus in His day. Liberty,
beloved ones, is a most glorious gift; Liberty
when used wisely allows the soul purified to be-
come humble and the Spirit to expand to greatness
until all are Free.

I place in your hands, My gift of Liberty,
as I took the hand of your Beloved Saint Germain
when he passed through the change called death
into the Ascension and I offered Him all the
strength of My lifestream to help to bring first
political Liberty and then Spiritual Liberty to

the peoples of Earth. So I give My hand to you now, even though you are not ready for that change, walking with your hand in Mine to bring Liberty in this generation; Liberty to all that are bound. Thank God - that you do not see all that are in bondage but yet in your calls impersonally for all life, make it for the Liberty and Freedom not only of elementals and human beings and imprisoned Angels but Liberty and Freedom from all the structure of this Earth. This Earth was so beautiful ages ago and that Liberty of the essence and substance that has been misqualified by human creation can come about at your call.

You can liberate from within a glass all of the substance that has been charged into it by everyone who has drunk from it. Then you can fill the glass with ordinary water and CHARGE IT with whatever quality and power that is required, whether it be faith, illumination or love or truth or consecration or peace or the power of the SACRED FIRE of the VIOLET RAY. USE THAT NOW -- for thousands of years the orthodox churches have used the communion, and they have accepted in their feelings that peace after they have taken that communion. Now, no need for a mediator between you and your God; where there is a requirement for health, there is always handy the primal substance of water; charge it with the quality required and give it to the individual, remembering not to tell them what you have done and the service can be rendered and you can render it for yourself.....It takes you very little time to charge the seven activities of the Rays into a glass of water and you have a Rainbow 'Parfait'. It can be done - it has been done by others.

LIGHT, GODDESS OF

"I AM" the Guardian, Protector, and Radiating Center of Light for this Planet Earth and Her attendant evolutions. I made My Eternal Vow to Helios and Vesta to sustain the Light for the Planet Earth and Her evolutions. Wherever the darkness is greatest, there "I AM" waiting the call of the children of Earth to assist them in dissipating all shadows of human appearance.

LING, BELOVED LORD

-----God of Happiness

Greetings dear chelas, I bring you the feeling of the Cosmic Flame of Happiness in abundant measure. That glorious activity IS within your being..... You do experience it spasmodically, but it is My heartfelt desire that Its Essence will flow from you at all times.

True Happiness, relatively speaking, is not too often experienced by the average individual, and yet it is within his reach at all times. The reason is that man looks to externals for this state of being, - when all he has to do is withdraw his consciousness from the outer and enter the Christ Consciousness wherein dwells the Gift of Happiness.

Consider a happy child running with a pet at his side, -- or flying a kite with the soft breeze caressing him and tousling his hair, and you witness an expression of Happiness..

To experience Happiness does not mean that one has to be in an apparent state of elation, but it is the calm feeling of the essence of Love Divine which flows through one who is anchored within The Christ as he goes about his daily activities. It is truly a magnificent blessing.

One does not have to think of Happiness at all times, but to have the radiation which results from being in a state of grace flowing through him, knowing that God is motivating his every thought, word and deed, -- and once that true feeling of being the Christ in Action is experienced, he will know the meaning of Happiness.

Happiness is a state of well-being, and in a more expanded and elated sense it is termed 'Bliss'. We know that the Supreme Source, the Father-Mother God, created this Universe to bring forth the gifts and blessings held within the Cosmic Consciousness. As the fruits of Heaven are manifold and flow along many avenues of Light or Rays, - Happiness is experienced in diverse forms. It may be clothed in the loving, dynamic essence of the First Ray, and as the expression manifests, - the Godhead expands the feeling of Happiness everywhere. You could travel along all the Rays and witness the Flame of Happiness flowing through those on the Earthplane, -- for Happiness is an all-encompassing Virtue which is the result of following the Will of God to all its manifold facets.

The Cosmic Reservoir of all Life holds within Its Matrix all the Happiness that could ever be required to bring a state of bliss to all Life....Utopia upon the Planet.

Mark well My words, dear children, Happiness is a necessary feeling akin to and part of Divine Love, and its Holy Elixir may be increased through constructive action at all times.

I would like to draw your attention to a very important activity which should be a part of your daily living. Do you, beloved ones, awaken each day with a feeling of gratitude that you are being given another opportunity to fulfill some portion of the Divine Plan? And, at the close of day do you send forth a reverent humble prayer that you have had this privilege?

Yes, there are many days that you do follow this pattern, but if you would make this a daily ritual, you would find the accelerated vibratory action of your being was well worth the few moments required to turn your attention to, and enter into your True Being.

Come Thou NOW, O Mighty Legions of Happiness and immerse Thy Beings in the great Reservoir of Happiness provided by the Spiritual Hierarchy, and go forth and saturate the Earth and Her evolutions with this Holy Elixir. As each droplet of water adds to the emotional element of the Universe, so shall the Essence of true Happiness expand that feeling to all life.

Think, My dear ones, reverently of the Mighty Gautama, for He truly is the Jewel in the Heart of the Lotus, the perfume of His Radiation is infiltrating the Earth at all times to restore Her to the Divine Purpose which is ordained for Her, - and the manifest Permanent Golden Age is a proven fact.....

Lord Ling

LLOYD, BELOVED DAVID

God of Gratitude, Sacred Temple of Gratitude at
Kosciusko, Australia - Serves on the Third Ray.

Beloved Friends on Earth, dwelling for the most part in the Sanctuary of God's Heart, Persevere - Perservere - in your Service to the Light! I make that statement with all the conviction of My Being for I know the vicissitudes and the disappointments one encounters as he travels along the Path toward his True Home in the Sacred Chamber of God's Heart!

When one speaks or thinks of God's Heart, the first thought that should come is one of Pure Divine Love, and since I have the privilege of serving on the Third Ray, I trust that you will feel the outpouring of that glorious Virtue as I hold you, each dear one, in the Radiation of My Being.

To attain the Victory of the Ascension it is requisite that one be constant in his service to the Light until he is victorious over everything human. Every time that he uses the transmuting and purifying activity of the Sacred Fire, he comes closer to the Heart of God, whether the specific service is used for himself individually or for any part of life. Always remember the Law of the Circle, for all energy released returns to the sender! This is one of the reasons why the Spiritual Hierarchy are continually counseling the chelas to be in a State of Grace, of Harmony at all times.....

You may wonder about My connection with the Sacred Temple of Gratitude at Mount Kosciusko and the Devarajahs. Well, you see I had the privilege of gaining a momentum of the Flame of

Gratitude, not only in My final embodiment on Earth, but through the centuries, I was assigned, by reason of that momentum, to this focus in order that I might hold the Flame of Gratitude for the mankind of the Earth to the Forces of the Elements for Their Service in the evolution of all life. While one considers the Elements he should not only think of the activity of Nature outside himself, he should always realize that the Elements are the components of his vehicles through which he must function.

Oh how the blessed Elementals which comprise the Elements have been mistreated through the centuries. Ponder then why the Elementals must be loved back into their true form and released from wearing the impure garments of man's iniquities! Surely you can understand the rampages of destructive activities in which the Elements take part, which manifest as storms and other disturbances, are the result of man's imposition! Realize, children of the Light, it is not the Elements themselves which cause the chaotic condition BUT man's mis-qualification of God's Energy with which he burdens these beings.

One hears much today about the pollution of the Elements - which man has caused, and he hears of the various programs which are planned to keep him from literally smothering himself and other Kingdoms abiding on the Earth. This is causing considerable concern to your various officials at all levels of Government and to the populace itself and rightly so!!!

Everyone walking upon the surface of the Earth is in some manner responsible for the misuse of the Elements. This applies to all who have used the Earth as a Schoolroom. It is up

to you, the chelas, to use the Sacred Fire for the purification of the Elements -- to restore them to their pristine Beauty and Purity - the Perfection which they once expressed - and permit them to again function as the Creator of Us all so designed. Calls would not be amiss for the God Illumination of those dedicated life-streams who are endeavoring to find ways and means of remedying the outer distressing conditions, particularly in the large Urban Centers. However, as you know, there is no separation in life and while expressing in an alarming manner in the metropolitan centers, that impure radiation flows to all sections of this Planet. It is your personal responsibility by reason of your privileged association with the Spiritual Hierarchy to go into action in this Service.

May I suggest that you invoke the assistance of the Beloved Paul, the Maha Chohan, who also serves with the Elemental Kingdom in magnificent capacity. I know that this glorious Being, Who is such a magnificent expression of Beauty in His Service to life would appreciate the added energy of your Calls at this particular time in the Earth's evolution! Show Him that you love Him and the Holy Essence of the Breath which He releases to you.

Should you care to turn your attention to My humble Self, please know that I shall eagerly await the release of your energy as you qualify it with Loving Gratitude and I shall take that harmonious energy and place it in the Flame of Gratitude at the Holy Mountain of Kosciusko. We must love the Elements free from the IMPOSED impure substance which they are wearing - all of which is the result of man's disobedience to the

Law of Love - that Love which is a constant Radiation from the Heart of God!

Enfolding you in the Loving Gratitude of My Being - "I AM" David Lloyd-- The God of Gratitude

LOVELEE, BELOVED CHERUBIM

Beloved El Morya speaks:

It takes great Cherubim or Seraphim to guard and guide and protect the instruction as given, because so much of it, although it has been written and spoken, is not fully anchored yet either in your feelings or in your mind, or use.

Beloved Cherubim Lovelee has rendered and is rendering that service for Us. She keeps within the storehouse of Her Own great Body every bit of truth that We have presented in public addresses as well as private. Those are carefully stored in the folds of Her garments of akasha and can and will be released again and again through the Holy Christ Self of any individual who will bring that remembrance forth. Some of you have had very wonderful success with that particular application of asking your Holy Christ Self to retain for you the truth that you hear in these very short dissertations, and to recall to you that portion of the truth whenever you should require it. In that way you have a storehouse upon which you may draw without limit, for in the past eight year period alone, We have covered every facet of expression that you require to gain your own individual Ascension.

LUNARA, BELOVED LADY

Divine Complement of Beloved Neptune and Director of the civilization within the Moon's Center -- Mighty Director of the Water's Tides.

My Beloved Neptune and gentle assembly, many have been affrighted of the Spirit of the Moon. I wish to put you at peace in the realization that the activity I represent with the Beloved Neptune is an activity of stimulating the latent virtues within your Holy Christ Self and accelerating the latent virtues within your own Causal Bodies that they may expand through purified emotional, mental, etheric and physical vehicles.

The difficulty has been until this day that the stimulation of those energies in your Great Causal Bodies, in your Holy Christ Selves have stimulated and accelerated untransmuted causes and cores of distress in the emotional, mental, etheric and physical vehicles as well.....Now!! These are to be removed and you can feel My Love flow to you as I endeavor to, and shall, stimulate the goodness already planted in your life-streams, earned through aeons of living and living as pulsating bands of Light in your Causal Bodies, living within the virtues within your hearts, living within the Seven-fold Flame upon your forehead and those constructive momentums of the four lower vehicles which you have builded through countless aeons of time, not only upon this Earth, beloved ones, but upon other Planets of this System as well.

If the farmer does not choose to place his seed into the sweet earth and expose it to the radiation of Beloved Helios and Vesta's Light of the Sun, he shall not have the shoot, the

foliage, the flower. If the conscious chela does not desire within himself to first weed out his garden through the call to the Great Astrea of all emotional, mental, etheric and physical fear and its attendant tentacles, then lovingly and in full illumined Faith place those vehicles before My Presence, I cannot, because of your free will, externalize through you as fully as I would otherwise the virtues which you have desired to manifest and which you have felt limited in manifesting unto this day!

We give love. Every Director of the Elements gives only love else We would not have served so long. We give love to mankind, imprisoned Angels and to every living thing; to the blessed undines who have served so long and We have given love to everything which has been placed within the Water Element since the great continent of Mu and of Atlantis down to every individual who has passed from the Earth at sea, and that love has purified that essence. When Atlantis again arises, as My Beloved has said, shining and bright will be the radiance, the crystalline substance of the hermetically sealed Temples and you and I shall be grateful We have served together for this day!

To the Spirit and the soul and the heart of each of you, I give the blessings of the Water Element, blessings from Beloved Neptune and Myself. May you live in the realization of Our Friendship and Our abiding Love!!

Lunara

LUZAR, BELOVED

One of the guardians of the Flame under the direction of Beloved Kenich Ahan.

"I AM" Luzar, come from the Heart of the Mountains, near Meridan in Yucatan, the Temple of Uxmal, wherein is focused the most intense radiation of God Helios and His Lady Vesta, on this Earth Planet!

I am one of the Guardians of the Flame under the direction of Our Hierarch, revered be His Name, Kenich Ahan! He, the mighty One, has bid Me come and welcome you to Our Retreat.

It is you, conscious anchorages of the Light on this Plane with whom We wish, and must become in rapport quickly. You, of course, are Children of Light, and do have an affinity with the Brotherhood of Uxmal, for are you not Light Bearers from the Heart of Light Eternal, come to this Earth to expand that Light, and in so doing - raise the vibratory action of this Orb! To have a part in consciously forwarding the evolution of a Planet and Its people is a tremendous privilege -- few realize how great.

It is Our desire that through your conscious cooperation with the directives and radiation which will flow forth to you from Our Focus, you will without further delay, become cognizant of what serving the Light really means!! Affirm over and over until you experience the FEELING of the statement "I AM" LIGHT, "I AM" LIGHT, "I AM" LIGHT -- ALL LIGHT "I AM"!!

Although conditions at times outwardly cloud the radiance of the Sun, behind that creation is BLAZING LIGHT. This simile is given you regarding your own personal lifestreams. Think it thru.

When you come to Us at the Temple of the Sun, your Sponsor will escort you to the entrance of the Inner Chambers of the Temple, and according to the Light which you are able to expand in the outer corridor will you be assigned to specific locations in the inner Chambers. Those of you whose Light meets the requirement for 'safe' convoy into the Greater Light, will be presented with a Cape of Golden Light Substance, which will protect and assist you to expand that which you have consciously drawn forth in Service to the Supreme Source of Us all, the Mighty "I AM"!

It is up to you, each one who passes this test to decide from the directives of your own God Self why We should give this Mantle to you. You have all reached the point in your evolution where you should be able to discern the reason for certain action of the Spiritual Brotherhood. Ponder this in meditation and act accordingly. We shall be watching, and waiting -- ready and willing - and required by Cosmic Law to assist you.

Friendship With The Gods

MAHA CHOHAN, BELOVED

Paul, The Venetian, -- Counselor to the Seven Chohans -- ACTIVITIES - Love and Adoration to God - Comfort and Peace... Lord of the Nature Kingdom.

Beloved Children:

The Office of the Holy Spirit in relation to the individual man... The personality, the body and the soul form the waking Consciousness of the average man today. In few, are the marks of "The Presence of the Spirit" discernible, physically, emotionally or mentally.

Today I say to you that My chela is no longer the average man. He has stepped from the masses and signified a heart-desire to entertain The "I AM" Presence of God. The Presence of God is instantly discernible to the alert consciousness, whether It rises from within the fount of his own prayer, or shines through the face and purpose of another. He who is seeking The Presence of God finds It often in the song of the bird, the color of the flower, the sweet fragrance of the new grass in Springtime, the beauty of the Autumn foliage, and in his own inner tranquility.

The quest becomes a joy, and the very seeking a Cosmic Service, because the Law of Magnetic attraction draws God's Presence into the vessels and manifestations which surround the seeker.. It

is as though you stood on a balcony overlooking the blue waters of the Mediterranean, surrounded by the hills of Southern Greece, as many of you and I have done so often in the long past, and called to the Cherubim to come in countless numbers. Then we returned to the pillared halls, and every place we looked, behind every pillar, smiled the faces of the Cherubim Forms that had been invoked.

So you, My children, can call The Presence of God into your day, your associates, your problems and your experiences, and see that "I AM" Presence obedient, smiling through at you all day. It is an activity of transmutation and the manifestation of the Truth that what a man seeks he truly finds.

Prepare your Way before you tread it, by peopling it with God's Presence. May you be blessed upon your Pathway.

MAGNUS, BELOVED MIGHTY

Cosmic Being, Divine Complement of Beloved
Mighty Polaris, South Pole of Earth's Axis.

I wish you to pay strict attention to what I have to say -- listen carefully for My words are well chosen.

As you know, last evening all attending this Conference and all the chelas of The Bridge to Freedom appeared before the Karmic Board, in a Special Session here at Shamballa. You, each one, walked up the aisle alone into the Presence of Beloved Serapis Bey of Luxor and Beloved Micah, Angel of Unity.

As the Mighty Serapis blazed His Light upon your lifestreams all within which is hidden in the secret places (at least you think they are secret) was externalized..... Viewing your garments the Karmic Board decided the Service you could give as you continue on your Pathway of Life.

Now please do not think I am personalizing in making the following statement --- for there are many avenues of service, but to serve in THE BRIDGE TO FREEDOM, you cannot mix vibrations! This is a special concentrated vibration which flows through The Bridge to Freedom and if you wish to serve under that Radiation you must be one-pointed in your Service. You must pledge your energies and enter into, with full heart, the feeling of carrying out the Directives which We give. Mind you, I say there are many, many constructive activities that are engaged in serving the Light at this time and We send Our Radiation through them, but the chelas under the Legions of God's Will must decide today what they will do in the future.

If you do not care for a rigorous discipline, go your chosen way, receive the Blessing of the Spiritual Hierarchy....all dedicated lifestreams, all orthodox religions and esoteric activities are under the Guidance of the Spiritual Hierarchy and great will be their reward.....but..in The Bridge to Freedom, from this day forward, the chela to receive and earn that name "chela" must follow one Path - and that is the vibration which flows through The Bridge to Freedom. There is a specific service to be given the Planet and Her evolutions through this Avenue.

THE CHOICE IS YOURS!!

MAITREYA, BELOVED LORD

(See Beloved Lord Divino)

MAJESTI, BELOVED

Silent Watcher of England

MANUEL, BELOVED

Formerly Director of The Bridge to Freedom
Sanctuary in Havana, Cuba.....

If you will forgive the personal reference, I am Manuel, formerly Director of The Bridge to Freedom Sanctuary in Havana, Cuba, and because of world events I have been given the privilege of speaking to you this evening.

I feel it is a great privilege to do this because I served through the years on the landed surface whereon was the Temple of Transmutation in all its beauty, and I feel with your assistance that I can draw the Violet Fire right into the substance of that land at this present time. I ask you dear chelas to ask for Light Eternal - God Illumination - for the situation in Angola. We must have Peace, and when these various activities that are not of the Light come forth, we should serve hand in hand... so we ask you to make Calls for Peace. Cuba is involved in the conflagration in Angola, and if you will - I feel sure you will - give your energies for God Illumination and Transmutation of all the hatred and

greed in the hearts of these Leaders, I believe that before the month is over we shall have a settlement of the warring conditions in Angola.

Ordinarily we would not ask for a specific activity of the Violet Fire during this cycle, however you know that the Violet Fire is very active during this year, and we feel we have chelas of sufficient illumination to use both activities, for when we transmute the imperfection, Light is present.

O Light Eternal, dear chelas, take a word from a man who so recently trod this Earth. Many times I have visited this blessed Long Island, and there are still a few chelas who will remember Me, and I anticipate that we can accomplish much this month.

Speaking of Light Eternal --- dear ones do not think of your dense garments ---- either yours or those of your fellow traveler --- think of the blazing Light of God that is anchored within the heart of each one. Light is all there is - all else is maya --- just the externalization of the thoughts and feelings of man --- Light is in everything, so-called inanimate and animate, no matter what clothing it wears..... Light, glorious Light is all there is!

Lovely ones, I do so appreciate the courtesy of your attention and at any time, if you might need the assistance of a teacher, particularly those of you who are Directors and Leaders, call to Me, for I had a beautiful experience in Havana of teaching and seeing the lifestreams blossom, as the Light expanded through them. Teaching is a very subtle art, but the most important thing to remember is that it isn't the little

self who teaches, it is the "I AM" within. If you feel that at any time I could assist you, all you need to do is call to Manuel, and it shall be My privilege to serve your Light! Thank you.

MARY, BELOVED MOTHER

Mother of Beloved Jesus - Divine Complement Arch-angel Raphael - Serves in the Sacred Heart Temple.

Hail Children of Light, I, Mary, come to you to express My feeling of Mother Love for each and everyone of you and all your brothers and sisters upon this Planet Earth.

When I say "all your brothers and sisters", I, of course, mean all life in every Kingdom, for the closer you come to the Heart of God the more will you realize the importance of blessing all life. Know you the beautiful elements imprisoned within your garments are the brothers and sisters of all the elements in every manifest and unmanifest form.

You are beginning to acquaint yourselves with the glorious Angel of Restoration...that is good. In order that He may render the great service to the evolutions of this Planet for which He has volunteered, it is necessary for the chelas to engage in the purification of the elements in the Kingdom of Earth, Air, Water and Fire. You are aware that this purification is essential, but I am merely setting these facts before you to impress upon your consciousness the necessity of lending your energy in this progress of Restoration, for which this Mighty Angel has volunteered.

You also are aware that before an individual takes embodiment he is given the 'blueprint' of what is to be accomplished during that particular span, - his lifestream having been carefully reviewed by the Karmic Council to see the amount of karma he is to transmute. In the freedom of the Inner Realms where he is not encumbered by the pressure of the fleshly garment, with high hopes and enthusiasm he anxiously awaits the opportunity of doing the Will of God through transmuting the karma which he has accumulated through the centuries.

Blessed, beautiful individualizations of the Father-Mother God may the veil which you must wear about your eyes be quickly removed as you journey forth on your given purpose. My Heart Prayer is that you will proceed through life in humility and grace.

I deem it a glorious privilege to serve in the Sacred Heart Temple, to lend the assistance of My Lifestream. No man could envision what is required in the preparation of the lifestreams selected for embodiment during a given year. The most perfect elements which bear the Pattern identifying each lifestream are chosen so that the physical garment will be as harmonious and symmetrical as possible, for it is but the reflection of the inner bodies.

Yes, you have thought upon and turned your attention to the Activities of the Sacred Heart Temple and many have read what transpires therein. It is not just the selection of the purest elements, but the specific training which is given for each and every lifestream who is to take embodiment.

Witness how all in this System are collaborating in raising the vibratory action of this Planet. There are Seven Volunteers coming from Uranus, one for each of the Rays. They are Beings Who have served in the Temple Worship under the direction of the beautiful Lady Esthesia and Beloved Hanuvah.

One has but to be in the presence of a young child these days to be aware of the maturity of the little babes who have recently come to Earth. This should prove to the illumined that the physical garment but encases highly developed life-streams who have been trained at Inner Levels to assist the Earth to achieve the goal of Perfection which is ordained for Her.

You have been aware through the years that Ceremonial Worship is part of the Service of the Seventh Ray. The time has arrived when Ceremonial Worship is coming to the fore and you will soon see this manifest. This is requisite that you may be ready to present this magnificent phase of service in order that Beloved Saint Germain's Seventh Ray shall manifest in all its exquisite beauty and the resultant expansion of consciousness.

Ritual in the Christian Dispensation was part of the Sixth Ray under the direction of the Master Jesus. With the Golden Age now dawning, Ritual is to be the predominant service of the Seventh Ray, and will include portions of various Rituals through the spectrum of the other six Rays. This will be brought forth for your edification and illumination at a specific time, according to a glorious Design held in the Heart of the Mighty Silent Watcher Immaculata. Our Lord and King Saint Germain will be the Guiding Presence of these magnificent ceremonies.

The pristine beauty of this Earth MUST manifest - and QUICKLY - and this will be accomplished through purification of all kingdoms. Then Light Eternal shall manifest in, on and around the Earth as She takes Her place in the Cosmic Plan of The Almighty.

Beloved of My Being, accept My kindly counsel, as I enfold you in My 'perpetual' embrace.

MERCEDES, BELOVED LADY

Sister of Kwan Yin, Her service is in the Violet Fire Temple over New Zealand.

Good evening, Ladies and Gentlemen...I am Mercedes...and I am very happy to be in your midst this evening.

I salute the Golden Man within you, seated this evening on a beautiful Lotus throne. You will find that I speak very deliberately, very slowly, for it is My desire to impress upon your consciousness - into your feeling worlds - every word which I am privileged to utter. You see, beloved ones, every breath, every word, which passes your lips is a living being, and may these little beings always be clothed in a garment of Light, carrying the message which your Holy Christ Self wishes to give to mankind... a blessing to your brothers and sisters.

I seldom talk to the children of Earth. It is only recently, say in the last ten years or so that I have again been serving on the Planet Earth, for I was in the Great Silence for Thousands of years. Because of the requirement for

added assistance for this Planet, all I had to do was look into the aura of My Beloved Sister, the beautiful Kwan Yin, and I knew that I must come and add My energies to the cause of restoring the Earth to Her Perfection.

I am not serving at Peking at the present time.... The majority of My service is from the Violet Fire Temple over New Zealandthat is all that I can say about myself this evening, for that is not the purpose of this talk. However, I wished you to know of the Love in My Heart for the children of Earth and of My privilege of serving with My dear Sister.

Since I know the children of Earth like little details, I shall tell you that Kwan Yin is garbed in a beautiful gown of deep violet silk. In Her hair which was piled high upon Her head, She wore two Jewels, which She loves very dearly --- two diamond butterflies. Her only other adornment were magnificent amethyst rings upon her fingers.

I thank you for your kindness in listening to My Narration and I bless you with My Love of the Light which flows so freely through me from the Heart of the Father-Mother God, to you and all life.

MERCURY, BELOVED

It has been said repeatedly that man is a precipitated Light Ray. The student who chooses to contemplate this as an actual fact rather than a fantasy will come into a great illumination

as to his Being, and as to the Power to which he is indebted for all so-called initiative and self-conscious action.

The axis of the body is a blazing pillar of Light, sheathed in the spinal cord and carried by the nervous system through the various members of the organism. Light is Life in motion, there is no activity that takes place in this system of worlds, or any other, except through the motivating power of Light. Light is the conductor which carries the energy wave, whether it is to raise a book or raise a continent. If the student would contemplate the fact that his capacity to even move a muscle is dependent upon the motivating power of Light, he would come to an understanding that his individual evolution cannot be separated from the Presence of Light, because there would be no motion, no intelligence, no sense activity, no being, except for the Presence of Light, which is the Life by which these experiences are vitalized and enjoyed.

Man's presence in the Universe is possible only because the Presence of Light has offered freely to animate and sustain the so-called free-will activities of the personal self. Man could not utter a prayer, nor commit a sin, without the Presence of Light, which is the Energizing Power of his being. Once man can recognize that his being exists only while LIGHT IS, he will become aware of the Silent Presence, and acknowledging that Presence as alive within him, he will open the door of his consciousness so that that Light which has served him without recognition for the most part can show him its powers when consciously coupled with his will.

Let us take a practical example... a man determines in his feeling to raise his hand and

throw a stone. He draws on the Light, which is the Life in the arm and proceeds to the culmination of his act, thoroughly unaware that his arm, without the light current, would be as inanimate as a withered branch disconnected from a tree, lying upon the ground. He is an unconscious conductor of Light, living by the Grace of Light, moving through the Universe due to the Presence of Light, but unaware of his dependence on Light for every breath. Then we will take the Master Jesus determining to raise His Hand so that the current of the Almighty Father might flow through that hand in healing. The Master fully aware that the Light forms the wire or conductor, is a conscious Co-worker with the Light, which immediately tunes into the Healing Flame, or whatever masterful activity in which He is engaged, and the benediction falls upon the grateful receiver.

The student who would remind himself constantly that every activity is dependent upon the Presence of Light would see how no one, no matter how imperfect the manifestation, lives in darkness, and that when he is convinced that it is the Light Presence flowing through that performs every action, the individual truly rests in the Light's arms, and where Light has served him unconsciously, Light, when recognized, loved and acknowledged, will burst into Its Full Glory and consciously coursing through his vehicles, rush to fulfill his command.

Light is the Universal Messenger - whereby thought is translated into action. The Light Rays projected by the Ascended Master into the consciousness of the student is but an expanded activity of the direction of the Light through the body in the ordinary course of the human

events, and rise to a peak of mastery and efficiency when the individual precedes all action by acknowledging Light as the only Power and then visualizing the Light carrying the thought into form.

Remember, your presence in the Universe is a positive affirmation that a light Ray has been anchored upon the surface of the Globe where your physical vehicle abides, and that there could be no body, no form, no activity were the Light withdrawn. So you are constantly in the Presence of Light, and the more you accept it, the more will the Light do for you fulfilling your destiny.

MERCURY

MERU, MIGHTY GOD

Manu of the Sixth Root Race, Divine Complement the Beloved Goddess Meru -- Hierarchs of the Retreat near Lake Titicaca, South America and the guardians of the Flame of Illumination.

Blessed and beloved children of Life, seeking the way of Truth, welcoming the Flame of Illumination into your outer consciousness in order that you might enrich not only your own soul growth, but that of all whom you contact -- to you I come -- bringing all of the blessings from Our Holy Mountain, all of the blessings of the Brotherhood of Illumination and all of the individual blessings of My Lifestream!

For many, many ages now have we guarded that Focus of the Illumination Flame which We honor. Some few of the more advanced among the race

have found their way into the heart of the Mountain wherein that Flame abides. In the future when the spiritual pioneers have opened the emotional, mental and etheric pathways toward Our Mystic Retreat, more and more of mankind will become physically aware of the spiritual radiation which is held within the great Andes Mountains and you will see that those who have clung for many ages to the desire to enter into the great Himalayan Range will begin to turn their spiritual pilgrimages to the West.

We are in the process of preparation for such changes; for several years there have been transported from the great Retreat of My Brother Himalaya priceless scrolls and scripts which have been prepared by the Sages throughout many ages and which have been preserved unto this present day, and which will, when mankind is raised above the consciousness of greed and Selfishness and the capacity of self-destruction, be released for the use of the masses; self-evident proof of the Truths as presented by the many Avatars, and Masters of Light and Wisdom under which the members of the race who will then be living on this Earth, have sat before. They can place their hands upon the parchments, they can place their fingers into the grooves made in the stones; they can feel the very substance of energy of their own Master of Light, Who ages before, made these written records and that contact with the physical substance of Earth, which has been so carefully preserved by the great Himalaya and His Brotherhood, and which now We have taken upon Us the responsibility and obligation here in the Andes. Such connections with the Ascended Masters substance and the physical substance of the world will revivify the etheric memories of the Truths which that Master or Avatar taught, and those individuals who are

coming into embodiment will enjoy the great Civilization being born in South America, will have the joy of these magnificent treasures of every kind and every description.

Many of you are those privileged to be in embodiment during this time of change because of the strength of your light, because of past associations with various Ones of Us, because of your capacity to understand the intricacies of the Spiritual Law and to cognize the requirements of the hour, utilizing the energies of your own individual and collective worlds to expand God's Kingdom here on Earth.

MERU, MIGHTY GODDESS

Divine Complement of Beloved God Meru - Guardians of The Illumination Flame in the Andes Mountains near Lake Titicaca.

Dear chelas of Light...You may wonder why I chose to speak this evening.... for the simple reason to impress upon your consciousness that the Feminine Ray is anchored at Our Retreat, down in the substance of the Earth to its Heart Center, where It is met by the Masculine Ray from Beloved Himalaya's Retreat.

The feeling nature of the Feminine Ray is so much required at this hour because the Ideas which are coming from the Mind of God on the Masculine Ray must be nurtured in the matrix of the Feminine Heart --- there to be nourished, like the child in the womb of its Mother, to come forth at the specific time when Cosmic Law

permits and where there has been sufficient co-operation by the peoples of this Earth for these magnificent activities to take place. The Feminine Ray is one of POWER, My lovely ones, and it is an activity of the Holy Spirit. You all know how gentle the Cosmic Holy Spirit can be, but He is also a Being of great Power ... Power used in a Godly Manner ... and that is what all must learn! The Feminine Ray is within the Heart of all Life whether man, woman or child, but the Masculine Ray has been prominent through the centuries and now the gentle, yet powerful, side of God shall bring into manifestation the Permanent Golden Age... not long hence.

META, BELOVED LADY

Daughter of Sanat Kumara and Lady Venus --
Activity - Healing at Beloved Hilarion's Retreat

I am Meta, Daughter of Sanat Kumara, come into the atmosphere of Earth in response to the heart call from the souls of men for Healing!

I have chosen to serve on the Fifth Ray directing the Brothers and Sisters in Our specific Focus at the temple of Crete. One may ask "Why the Fifth Ray? Why did I personally choose to add My momentum of Light to this Ray?" All of the Rays are Healing Rays - their Cosmic Activity changes any imperfection into Perfection, and in so doing healing, or amending, imperfection.

Through the Christian Dispensation, to which Beloved Mother Mary is so prominently identified,

She anchored specific and powerful currents into the octave of Earth, through Her Being and through the physical Foci which She personally established in Her name, a momentum which is too great for your present consciousness to comprehend, are permanently active on this Earth. No matter to what Ray you have connected this Glorious Being, Holy Mother Mary, it is the Fifth Ray to which She and Her Divine Complement, Archangel Raphael, belong. She does send Healing currents along any Ray, through anyone who prays or calls to Her for assistance. We are not limited to one Ray, any more than you have to go to just one store to receive a certain commodity which you may desire or require.

My being wells with joy and gratitude as I think of the great numbers of Foci on the Earth through which We may direct Our currents of Healing, and embodied chelas to assist in the dispensing thereof on the physical plane.

The mighty Ascended Master Hilarion renders a stupendous service on the Fifth Ray, of which He is the Director (or Chohan). Into the receptive consciousness of men and women who have dedicated their lives to the Medical Profession, He blazes the Divine Ideas which proceed through His Being to alleviate the dis-eases to which men are heir, through their mis-creations of the past. As the majority of you are aware, the color green is coming into prominence in hospitals and in the attire of those who serve therein.

Oh, yes, I know many of you will say "why does this Being speak of the Medical Profession and their service, when we are told the Light through the Activity of Purity and Transmutation removes the causes and cores of imperfection which have been set up?"

Bless your hearts, children of The Father, the number of lifestreams who are cognizant of the Spiritual Law is minute in comparison to those who are aware of the Gifts of God which but await their acceptance to be of benefaction to themselves or others. The gratitude of the Hierarchy for the steadily increasing number of people who are searching for and recognizing that there is something more than coming to the Earth for the "pursuit of happiness" and after a certain span of years, leaving this octave. Many years back, the beloved Ascended Master Saint Germain brought to the attention of the students that it was wiser to employ the co-called "outer agents" to temporarily alleviate dis-ease and discomfort until they had builded a momentum, and accepted in their feelings, the true activity of Healing through the Spiritual Law. When the physical body is not rebelling through the action of imperfection, the lifestream can turn its attention more one-pointedly toward the Spiritual Law. You have often heard someone who is experiencing distress in their body say "I just can't call and get the desired results for myself, although I can for others." The reason for this is elementary. The distress which is manifesting in the stumbling-block and gets in the way of undivided attention upon the "I AM" Presence and the particular Being to Whom they would ask for assistance.

More and more individuals in the Medical Profession are realizing, within themselves, that there is something more to curing or assisting their patients with the agents which are at their disposal. The reason for this is that the receptive Doctors and Scientists are being taken while their bodies sleep into the Temple of Truth and given the Spiritual Law. They cannot be "subjected" to God's way of Healing unless some

of it "rubs off on them" to use the common vernacular.

We would so much appreciate your Calls for these dedicated and receptive men and women to awaken to God's Healing and to let go of the Intellectual accretion of their profession. You all have read of certain substances which are sure to cure a condition, only to hear at a later date that it was being disregarded. It all comes to the fact that through public acceptance and opinion the individuals who took the recommended substance put their faith in it, when actually the Healing could have taken place through putting that FAITH in God, the "I AM" Presence!

Tremendous progress can be made in Spiritual Healing through the conscious cooperation of the chelas who are privileged to know of the Service which is but awaiting to be lowered into this Earthplane, through your calls for Purification and Truth! Accept the Healing which is Ours to give and yours to accept -- for yourselves and for all mankind.

With the Blessing of My Holy Father, Sanat Kumara, Mother Mary, Hilarion and the Brothers and Sisters who serve specifically on the Fifth Ray, and My humble Self, "I AM" -- Your Sister in the Light.....Meta.

MICAH, BELOVED ANGEL OF UNITY

Son of Beloved Archangel Michael...embodied as Beloved Master Jesus:- Activity -Flame of Unity and Guardian Presence of The Bridge to Freedom.

Children of the Light, as you have turned your attention toward My Presence, your upreaching consciousness had formed a mighty Triangle and through My attention in your direction has formed a descending triangle. As the two have merged, a glorious Star of Pure White Light has externalized over this Meeting Place, and it is from this Star that I speak to you.

As the Star of Bethlehem was the beckoning Light which drew the Wise Men and Shepherds alike, this Star in which I stand shall from this day forward be a permanent Beacon to magnetize all the lifestreams upon this Earth to the one Supreme Source of all Life, the Focus of which is in every beating heart. Wherever I move in My Cosmic Service to the evolutions of this Planet, this Star will be a pulsating magnet to draw all life into Union with the Divine.

A Star has been used as a symbol of attainment through the ages, and as the Guardian Presence of The Bridge to Freedom, I have chosen this Symbol to signify the Goal of Victory in the Light for the Earth's evolution. You know that a Star denotes excellence and I believe it to be a most fitting talisman for the Angel of Unity.

"I AM" this day energizing the Flame of Unity in the consciousness of the Spiritual Leaders of all Faiths, to assist them in resolving the religious and moral upheavals presenting themselves on the screen of life. This can be accomplished on the common ground of Spiritual

Unity, permitting the Holy Spirit of each life-stream to enter into and become a part of the one Cosmic Consciousness. The Cosmic Note of Unity has sounded and the Chord of Oneness for all life is permeating the consciousness of all upon this Planet - for the day has passed when any one denomination can stand alone, feeling it is sufficient unto itself!

As in the case of the Seventh Ray Dispensation, the Father-Mother God send forth Their Blessings to all life and there will be diverse ways of Spiritual Expression throughout the Planet, but no one denomination can issue the fiat that it is through that avenue alone that you may see God, for all shall become pure in spirit, and in that Purity is the Holy Spirit of The Almighty!

MICHAEL, BELOVED ARCHANGEL

Divine Complement is Lady Faith; - Prince of the Archangels - Activities - Faith in God - Defender of the Spiritual Light within the hearts of all mankind - Hierarch of the Retreat at Banff.

I am Michael - Divine Protector and Defender of the Spiritual Light within the hearts of mankind. By the graciousness of the Sun of this System, I have been given opportunity to serve as the Prince of the Angelic Hosts and, in regard to the Archangels and the Angelic Host Who serve with Them, this is exactly the same office as that held by the Lord Maha Chohan with regard to the Chohans of the Rays.

Now, as the Protector and Defender of the Faith of man in God and the sustaining of that very spirit of Faith within the Immortal Three-fold Flame within the heart of every human being, I have gained a reputation for being a rather fierce and warrior-like Angel! I would like to repeat some of My words of a short time ago when I said: "My service is to restore to Heaven every lifestream who, through self-conscious use of God's pure energy, has removed himself from a state of divine harmony and grace." Some of the Legends which have sprung up through the centuries about My service to life have basis in Truth.

I repeat: I am the Divine Protector of the Faith in God of the people of Earth and it is at least part of My task to prepare for entrance to those Realms where only harmony and peace abide, the consciousnesses who, of their own free-will, have not chosen to generate and sustain the harmony which allows them entrance into the Divine Realms. Do you see? Together with other Members of the Angelic Kingdom and Ascended Host, it is My endeavor to train lifestreams who have lost conscious control of their thought and feeling centers, to a point where they are again in God-control of those centers. It is also the activity of the Protecting and Defending Angels to keep within the compass of Earth's atmosphere and radiation that which is not qualified with the Divine Love and Peace which fills interstellar space.

Now, this "Ring-Pass-Not" of Blue Flame which you have been told has been established in the atmosphere of Earth at a certain distance out from the Planet Itself is a real and living thing! It is composed of the living, breathing bodies of the Legions of Blue Flame -- tier upon tier --

from the other Systems, as the way and means by which the ten billion souls using the Earth as a schoolroom might be kept from polluting interstellar space with their chaos and discord. These Angels of Blue Flame are of course Those Who belong to the First Ray and They are great Beings, wielding tremendous power of light. Since there is no discordant vibrations in the entire Universe except those generated by Earth's evolutions, these Angels need not protect the Earth against such intrusion of discord from interstellar space as there is none there!

However, the discordant human creations around individuals, the mass destructive thought and feeling forms which abide in the atmosphere of Earth and the effluvia which flows forth constantly from them, form the mass tides of destructively qualified energy which sweep constantly back and forth through Earth's atmosphere ---- these are all imprisoned (as it were) within these "Ring-Pass-Not" of Blue Flame.

Now, it is the joyous service of the Angels of this "Ring-Pass-Not" to welcome and admit through this Ring into Earth's atmosphere and into the various foci (Retreats) of Ascended Master radiation in the Earth, on Its surface and in Its atmosphere (especially to the Half Yearly Conclaves at the Royal Teton) Solar Lord, Cosmic Emissaries and Interplanetary Travellers Who may be passing in the vicinity of Earth Who are so joyously willing to expand Their Own Light by giving such service wherever it is required. By the constructive use of your energies in visualizations, decrees and songs, you have made possible (especially recently), the drawing to Earth of Sun Gods and Goddesses from other Systems Who have answered your calls and have graced Us with Their Presence at the Teton.

You will see then, that the "Ring-Pass-Not" is not just a static band of Light but is actually made up of living intelligences Divinely alert and on guard every moment of every twenty-four hour period. Therefore, there is no space-ship, "flying saucer" nor occupant thereof that could possibly enter into the atmosphere of Earth with either destructive motive or intent for even without this "Ring" there is no life in any of this Universe that could possibly desire to do so.

So--this activity of the "Ring-Pass-Not" of Blue Flame is one which is very close to My Heart. It shall remain in the service which it has been giving to the Earth for such a long, long time, until the masses of mankind are taught to use their own life always and only constructively and causes and cores of those habits which form the seven mortal sins (and their many ramifications) have been removed forever. Then the discordant effects which have emanated from those causes and cores and which formed the veil of maya in the first place, will be no more. Quite naturally, since there is no barrier to Divine Love anywhere in the Universe, when you have group activities and you join together in visualizing, decreeing or singing to any Celestial and Divine Beings, these Angels of the "Ring-Pass-Not" allow those harmoniously qualified energies to arise and pass out of Earth's atmosphere to become a benediction to all the Planets of the System and then upward and onto the Solar Lords and Beings in Superior Systems.

In other words, this protective "Ring" is elastic and intelligent. It is not like a brick wall or wire fence -- it is made up of Intelligences Who have been trained in Their service for ages and when individual lifestreams gain the victory of the Ascension, they pass quite

easily through the "Ring" into the Ascended Masters' Realms of Light where They then dwell.

As you can see, My service is dual in aspect --- shepherding Earth's lifestreams "Home and protecting the harmony of the rest of this Universe from the intrusion of discordant effluvia of Earth -- which radiation is sometimes very subtle -- not too apparent in its very beginning -- just as it was when the "laggards" first came to use the Earth as their schoolroom.

You have been told that it was I Who brought the "Holy Innocents" to the Earth in the very beginning of Their habitation here. Ascended Masters and Angels daily walked and talked with the mankind of Earth in those early ages and then there was no veil of maya -- no discordant human creation of any kind between Ourselves, the mankind of Earth and the Elemental Kingdom -- (the Sylphs of the Air; the Undines of the Water; the Gnomes of the Earth and the Salamanders of the Fire). You have been told, too, that in the beginning, Our planet Earth was just as pure, beautiful and perfect as the Seven Mighty Elohim of Divinity could create It and as the Directors of the Forces of the Elements and Elemental Kingdom could prepare It for habitation. In that day, We had the Trinity of activity -- association of the Angels, Earth's people, and the Elementals -- all lovingly cooperating in daily and establishment of this Divine Pattern here again. It is the re-instating of the perfect balance of the Holy Trinity in action -- the Divine Realms, the human and Elemental Realms -- the governing of all of which will come under the direction of your Beloved Ascended Master Saint Germain as He occupies the Office of the Lord of the Seventh Ray --- reigning here for the next two

thousand years. This "Golden Age" which is now being ushered in by the advent of the Seventh Ray's dominion here shall be permanently sustained and expanded forever.

You can readily see that just so long as there exist feelings of antagonism between the Elemental and the human Kingdoms (builted through centuries of ingratitude on the part of mankind for the selfless and constant services of Nature); while there is a rebellion within the feelings of the members of the Nature Kingdom against mankind's needless and wanton destruction of good and various gifts of Nature (to which that Nature Kingdom has given so much of their very life and energy to produce), the Elemental Kingdom and mankind cannot be joyously and fully united in cooperative service. It is only the power of Divine Love from Beloved Neptune and Virgo, Aries and Oromasis (and particularly in their use of the Fire element which has transmuted as much of the human effluvia as the Cosmic Law would allow from time to time), which has kept the Nature Kingdom from rebelling violently and casting back upon the human race in the form of tornadoes, floods and various cataclysmic activities, some of the destructive effluvia of man's own discordant creations.

During these changing times when the Earth and all Her evolutions are being purified and freed from much which really never should have been, the Angels of Protection and Faith in God are required to serve even more actively here than ever before. Our glorious Regent - Sanat Kumara and Our lovely Gautama - Lord of the World have recently asked Me if We would allow the Retreat at Banff to remain open for at least seven succeeding months, in order that We might magnetize and radiate forth more of that protecting

power through conscious chelas here, through the Nature Kingdom and through the emotional, mental, etheric and physical vehicles of all mankind embodied here. Of course, We acquiesced to this request.

Beloved ones, you are now a part of a great Cosmic "change" which is little known and less understood by the minds of the billions of people who belong to the evolutions of this Planet. Perhaps it is well that, for the most part, the outer minds of the people are not cognizant of such a 'change' because of the tremendous fear which practically dominates many lifestreams. I am eternally grateful as well and I do ask that you continue and increase those calls until each of you become an absolutely FEARLESS ONE! Then you will stand in your own place wheresoever your own God of Light desires you to be, with the Blue Ray of Faith in the supremacy of Almighty God and His power over all -- this Ray directed through your own spinal column, animating your aura and flashing forth into the atmosphere around you as a power of positive energy which can raise into confidence and faith that quality of fear for an entire city, a nation or the Planet Itself.

Dear ones, when I see you so sincerely and earnestly making your call to Light -- and without adequate protection of the Light, I always immediately call in limitless Legions of Angels around you to give Their Christ protection to you. You have no concept of the amount of Cosmic Christ protection which has been necessary to be invoked by Myself to enable you to receive from "On High" through the psychic plane into the lower atmosphere of Earth, the radiation and spoken word of the Archangels. Up until now, most of this protection has been given from Our side

--but it would be so wonderful if each of you... individually and collectively...were to call My Protective Armor of Light into action before you call forth and direct the mighty Flames and light Rays into the rip-tides in the atmosphere of Earth of hate, uncontrolled sex, crime and viciousness of every kind. Unless you had been given this protection by Me and Our Legions in the past you would not even be here today; nor could there have been anything of a permanent nature anchored into your outer consciousness from the Great ones to Whom you have called; nor could there have been the tremendous purification which has taken place here.

Now it is not that We are not either able or willing to sustain this protection FOR YOU, but it is a matter of Divine Economy. You see, you are all at a point of consciousness now where you are able to hold this protection for yourselves and when you do reach such a consciousness, the Great Law requires that you use it! There is a great conservation of energy in the Heavenly Realms as you have been told. For every project We undertake, We are allotted a certain amount of energy to accomplish that task and, if We are obliged to use that energy to protect you, there is less for Us to use in other ways ---- either to expand your own personal light or Our Activity. Do you see? So -- it will be of tremendous assistance to Us, to Our Activity and to yourselves if, from now on, you will call forth more constant and complete protection as you proceed in the Light. Will you try?

Thank you so much for letting Me into your worlds today, by your attention upon Me and My words of love to you! Lord Michael

MINERVA, BELOVED LADY

Divine Complement of The Elohim Cassiopeia

MIRIAM, BELOVED LADY

Divine Complement of Beloved El Morya, Chohan of the First Ray - Original contact for the Bridge to Freedom.

"My dear Heart Friends, I am Miriam and I am grateful for the privilege of speaking with you this evening from the Focus of Our Beloved Maha Chohan at Ceylon.

You perhaps know that Beloved Holy AEolus was My Guru, and many times through the years I came to this Holy Focus in My etheric consciousness and it became a familiar place to Me, almost a second home. I journeyed here to be bathed in Its gentle Love - that feeling Quality of the Holy Spirit which did so assist Me. And this afternoon, Our present Maha Chohan, the Beloved Paul, came to me and said "Miriam Our revered Holy AEolus will shortly be here, and I invite you to come to His Study where We shall have a heart to heart talk.

When I arrived at the appointed time and bowed to His glorious Presence, My Father (in my final embodiment) also was there. He was known to many of the chelas as "Papa". He was accompanied by His Divine Complement, the Beloved Amaryllis. So you see, My friends, He is the Cosmic Son of Holy AEolus.... Oh, We had a beautiful afternoon, in great friendliness! You might think that would have been a time when We were thinking of the great activity of the evening ...Ah, My lovely ones, comradeship of the Spirit

is so beautiful and by Our gentle and loving conversation, We blended as One in the Great all-encompassing Spirit of Light. I do hope I can convey to you, through My feelings, what a tremendous privilege was Mine, and may that Love and Comfort of the Holy Spirit enfold you in Its Holy Essence.

This evening Beloved Paul is going to Host a reception to all the great Beings Who are here ---some from other stars --- and this reception will include a Musicale, for We know that Divine Harmony does so much for the Earth and Her evolution. We expect to hear the glorious tones from the magnificent voice of Harmony, Our Beloved LaMorae, and many of the other Beings Who have such great musical talent ..to mention a few, Beloved Saint Germain, Kuthumi, Serapis and so on.

It is about time for Me to leave and join the Others so I will just say that Our Blessed Morya is in such a mellow mood this evening, I would not be suprised if His selection on the piano will be "Believe Me If all Those Endearing Young Charms"...and if there is an encore, I am sure He will play "The Last Rose of Summer", which He does so beautifully.

So now My Dear Friends, you may not think that this talk has been along Cosmic Lines - but remember that as I said earlier, in comraderie of Spirit there is Unity! And blessing you all with Unity of your lower selves with The Christ, feel My Love enfold you, each lovely one.

MUSIC, BELOVED GODDESS OF

I want you to visualize a cascading sea of sound like a prismatic crystal waterfall, descending thousands of feet through the mountain. This exquisite cascading river of Pure Electronic Force pours a melody through the Seven Octaves of Expression in its descent from the Heart of God into the world of physical appearance and represents the constant flow of the harmony of each lifestream from the Solar God to man.

Each plane through which this exquisite sound of life tone passes is enriched by this Glorious Melody and the sub-plane below repeats that melody in an octave that can be enjoyed by those dwelling within the vibratory action of that particular octave, where, again, it is lowered and transposed to enrich the lower octave in its descent Earthward. Thus, you can picture the constant melody of your own individualization, because the lifestream is a constant repetition and is replenished anew constantly by the limitless Source of the Fountain of Life Eternal which with unerring accuracy sustains the Note and expands the Melody of all created beings according to their original composition. Thus, in the World of Cosmic Creation, Color and Music represent the manifestations of Divine Thought and Feeling.

When the Glorious Melody flows forth from the Holy Christ Self for Its four-fold expression through the lower vehicles, the resultant melody and color depends on the harmony within each of these vehicles. The Natural fore-ordained melody does not find expression until all vehicles are in perfect alignment.

Here we come to an understanding of your

Oneness with that exquisite prismatic cascading sea of sound and color, and if you will open yourself to this outpouring you will experience great Peace of Mind and Heart and Great Balance as well as a much fuller realization of the ecstasy of just being.

To witness an expression of Cyclopea's Life Essence is to be privileged to see one of the most beautiful manifestations of creation as that Great Being's Life River flows from the the Source of Creation, bathing cosmic space in literally oceans of melody, color and harmony -- this, mind you, in His passive or restful state which is the natural order of His just being, but when the Mighty Elohim chooses to animate this natural harmony by the Power of the Flame of His Heart, this tremendous ocean of prismatic sound and color is directed consciously in millions of individualized streams from His Heart which widen like fans as they pass from His Body, each carrying, mind you, the Key-note and Fundamental Principle of His own Spiritual Emanation, into which are woven so many original exquisite interpretations of the ONE SONG that the whole universe seems ALIVE with the ecstasy of that music, which passes alike through the bodies of the Solar Gods, the Angels, the Devas and the consciousness and inner bodies of men.

In interstellar space, whatever any Individualized Being is doing, He is always conscious of that rush of exquisite energy passing through Him when Cyclopea (Mighty Vista) is in Cosmic Action, and Their Beauty, Ecstasy and Perfection are intensified by His Outpouring.

When you realize that Cyclopea is but ONE (although the Major One) of countless legions of Perfected Beings, Solar Gods, Devas, Angels,

Cherubim and Seraphim Who represent the Musical Outpouring of Divinity and that ALL are more or less constantly engaged in creative activity, you can, in a measure, grasp the exquisite perfection of the Inner Spheres and how the Glory of All Life is being increased instantly by the expression of each one's Heart in service.

Although Cyclopea and the Mighty Legions belonging to the Music Ray are more concentrated expressions of the Music of the Spheres, yet through every Perfected Lifestream flows exquisite music, beautiful color, tone and fragrance of the natural Outpouring of God's Grace and the Realm referred to as The Ascended Masters' Octave is a realm of Music, Perfume, Beauty, Peace and Perfection that the word "perfection" but poorly describes.

Contemplating the above, which is but a mere sketch of the Realm to which you aspire, you can see how you may call forth and have directed through your own life-thread oceans of harmonious energy, for the Universe is literally saturated with it and then your life-thread, locked within this Protecting Essence, you will come to that state of Peace where you will consciously enter into this inner sphere and experience and know the realm of Harmony and Happiness for yourself.

NADA, BELOVED LADY

Member of the Karmic Board -Messenger of God and Goddess Meru ...Chohan of the Sixth Ray....Virtue -- Pure Divine Love.

The tremendous struggle which is paramount

in the life of the individual who aspires to Godliness prompts My presence here with you this morning.

The mass of mankind have accepted themselves as the personality which they wear in the embodiment they are experiencing and for them the weaknesses and habits of the personality are as much a part of the natural course of their life experience as the petals are of the rose. When a lifestream is awakening to the consciousness that he or she must lay aside the qualities that are offensive to life and that such an one must consciously become a harmonious expression of God's energy, there immediately ensues a sense of battle and struggle, self-abnegation and self-discipline that goes on through numerous embodiments and which expresses as the penances and self-inflicted punishments that have been practiced in the churches and by the people of the East in the torture of their bodies and the denials of the flesh.

Having assumed the name of "NADA" and having passed the way of Earth. I would like to express to you the Truth, which will enable the discerning individual to express his inherent Godliness in the natural manner which life intends.

Every personality on the face of this globe is a blot against the Sun. Separateness is not eternal and it is not Truth. The aspirant must not dignify nor recognize the personal self as an adversary to be overcome because in so doing he gives wrong recognition to a power which uses this shadow-self, and which then, by the very life of the aspirant released through this power, lives to torture him.

There is no unascended being who is not thoroughly convinced of his identity as an ego apart from the fullness of God, whose right and whose attributes must be affirmed and protected by self-conscious effort. The constant struggle to maintain a separate identity rather than allowing the little self to flow gently into the one universal whole is unnatural and is the cause of all stress, nervous tension and emotional distress and unrest. It is the same as if one wave of the sea refused to merge and become part of the tide. The uneven and unnatural struggle would soon exhaust the energy of the erring wave which would be drawn by the power of the great ocean back into its natural one-ness with the sea.

The student body is looking at God as a Being apart from itself, toward which it must attain by a constant battle with this separate entity created by its own belief. The Ascended Host of Light have become a part of the Universal Whole and from the Bosom of the Father pour Their Light to all the rest of the expressions of Themselves.

The honest individual will realize by a little introspection that his entire life is devoted to the maintenance of this separate ego. Let any man be touched upon the 'primal rights' of this separate ego and he or she, like a wild beast would rush to its defense.

The Master Jesus gave an example of the nothingness of the outer man when He was distinctly unconcerned with the efforts of the people to destroy the dignity and the Godliness of the form He inhabited. He, knowing that all life was one, realized that they but poured out their life's blood and crucified by their own acts the atoms of their own bodies.

When you once conceive of the oneness of life and when your consciousness is impregnated with the realization of that oneness, you will let go of the consciousness that there is any separation between you and the beggar on the street or the Ascended Host of Heaven. The one life singing through all must be treated with the same unfailing courtesy and kindness. When Saint Francis gave his cloak to the unclothed and His food to the hungry His disciples rebuked Him, for they had learned to love Francis and not Life, but Francis, in His great illumination knew that He but fed and clothed Himself.

This feeling of oneness brings a humility and peace indescribable for only a consciousness of separateness brings anger, selfishness or judgment. Dissociate your thinking and feeling processes from any ideation that the life within your body is a separate and distinct entity from the whole and let that life flow ceaselessly forth from you in a radiation of Good, while you dwell in the bosom of the One God and do not, even for an instant, allow any part of your consciousness -- by word, thought or feeling -- show preference to the life flowing through your vessel over that of any other.

NADA means NOTHING. This is not a negative, lethargic or passive state, but it is the same consciousness which Jesus used when He said - "I, of my own self, can do nothing, etc." It is rather a most powerfully positive and concentrated consciousness of the ONE-NESS of the eternal Life of the Universe, and he who attains that consciousness has become one with the Ascended Consciousness even while he yet appears in the Third Dimensional Garments of flesh.

NADJA, BELOVED LADY

An individualization of the Feminine Aspect of Divinity --- a Member of the Court of Beloved Gautama, Lord of the World.

Good evening, beloved ones, I am Nadja and I would like to bring to you this evening an example of the great Love of our Blessed GautamaThe other day I had the privilege of talking with Him, and during that time as He turned His attention to the Planet Earth and looked at various lifestreams who were engaged in spiritual endeavor, He said to Me "look at that one..... look at that one, look at the other one...they have all crossed a particular hurdle.....blessed be the strength of their Light." He repeated this many times, showing the progress of the chela who had true dedication to the Light.

And then He said to Me "do you remember when you followed Me in India while I was seeking enlightenment?" O, how well, I remember the glorious example He set for us....raising, raising and raising His Consciousness until His radiation was an aura that encompassed all His followers... reaching, ever upward, higher and higher into the very Heart of Infinity, and without saying we could tell from His feeling world what He had to overcome.....and so it is with all life. Know always that you have an understanding, a very understanding Friend in Heaven's Realms...Our Lord Gautama. Blessed be His Holy Service to Life and Light!

Love melts away all that is less than Perfection! Enter the Flaming Presence of God within your hearts and feel the pulsation of Love, Wisdom and Power in Perfect Balance..... with the Christ within, and through that Love you can join with Us in any activity which takes

place in Heaven's Realms. You will enter the Cosmic Christ Consciousness! I plead with you, My dear ones, to enter the Estate. I, Myself, am one of the lower rungs of the Ladder of Heaven, but I say to you, melt away all thoughts that are less than Christ Perfection and come and dwell with Us in the Kingdom of Heaven, while yet walking the Earth.

Be a Light Bearer and know that everywhere you walk, as you pass by your fellowman, he may be heavily burdened, and through your Presence you can lighten his burden.... and he need not know from whence that gentleness of Love came. Walk this Earth as Messengers of Love Divine and prepare all men to receive the Blessing and Benediction of our Lord of the World and all the glorious Beings assembled at Shamballa. This can become a natural radiation from you, and it shall become a sustaining, an enduring pressure of the Cohesive Power of the Universe, for the benefaction and raising of all mankind.

And remember, you have the beautiful Angels from Venus who have come to bring the Power of Divine Love to this Earth, to expand its radiation. They are performing a tremendous service to all the evolutions. This evening the ethers are filled with the most glorious music that you could wish to hear.... some of the melodies are those that are sung by the Angelic Host on Venus.

Ask when you retire this evening to tune in to this exquisite Harmony of the Spheres and see those beautiful sparkling particles of Light upon which these harmonies flow forming a great crescendo, filling the Earth with their essence... you can, you know. All that is required is a humble heart filled with Love Divine.

NEPTUNE, BELOVED LORD

Co-creator and governor of the Water Element with His Divine Complement, Beloved Lady Lunara -Director of the Civilization within Moon's Center

Beloved Friends, your attention upon the Element under My God Control has drawn Me into your midst. "I AM" Neptune, often referred to as "The Father of the Waters."

Looking upon this section of the vast body of water known as the Atlantic Ocean (Montauk Point, at the Eastern Tip of Long Island), you see a small segment of the activities of the undines, who, in obedience, respond to Their Directors in the pulsating rhythm of the tides, whose magnetic pull breathes in and out in regulated pattern.

Sometimes one views the magnificent floor of the Ocean in what could be described as a tranquil state, for most assuredly there can be tranquility in power and might. One must not confuse tranquility with inertia, however. In the case of the activities of a body of water of the magnitude of an Ocean, tremendous factors must be considered to realize some of the scope of its service.

On the floor of the Ocean grow many flora which have wonderful health-giving properties, one of which is known as kelp. We recognize its iodine content for treatment of certain deficiencies in the normal functioning of the bodies of man and so-called beast.

The salt content in the Waters of the Ocean contributes to its buoyancy and sustains some of the life which exists in the kingdom abiding in the mighty waters.

Man could not exist without water, for that

element is necessary for the sustenance of his life, internally and externally. You are also cognizant of the fact that the emotional vehicle which comprises eighty percent of the lower garments is made up of the water element.

In recent years there has been much discussion and great effort expended in the process of desalination of the water of the Ocean so that it would be fit for human consumption, and the resultant fresh water would not interfere with the chemical action of the body. True, the vehicles of mankind cannot take an excessive saline content, but it is necessary to sustain the life within the glorious bosom of the Oceans. You have a wonderful example of the buoyancy of salt water and the remedial qualities as it invigorates the physical body of those who swim or bathe in its exhilarating powers.

When you reach that stage in your evolution where you know the oneness of consciousness, of all life, everywhere, you will further realize that all those who serve with Me have to constantly engage in the activity of stabilization. And when the waters making up the seas roar in a mighty tempest, unless you have purified your emotional vehicle of all the generating centers which have caused disturbance, known or unknown, for which you are responsible you are a contributing factor to the turbulence MANIFESTING!

Remember, everytime you have stirred another's emotions, you are responsible for the uncontrolled energy which is set up in that one's world, and as surely as the tides flow in rhythmic manner, will every part of the discord which is of your own making - which you generated to him - return to you for transmutation. And when this occurs, if you are not harmonious and in

God Control of your energy, and alert and able to transmute the inharmonious energy through the Sacred Fire, the imperfection which you sent forth, and all the momentum which it has gathered in its travels will present itself at your doorstep, for you who have the conscious knowledge of how to use the Divine Alchemy of Purification have the responsibility of freeing imprisoned life from encasement in discord.

You can see how an unkind word or deed can become a very serious offense against the Spiritual Law. Far, far greater is the offense of malicious thoughts which an individual entertains against another part of life, and woe to the man or woman who engages in this practice, for the returning energy will reap a bitter crop which must be transmuted by the sender.

Another factor when thinking of the water element --- you know that individuals react to climatic conditions; how some are depressed on rainy days or complain about the rise and fall of the temperature. If the individual had God Control of the emotional vehicle, he then would happily realize that Nature through the Elemental Kingdom was providing the body of Virgo with the substance required at a specific time for the enrichment and sustenance of the evolutions of this Earth.

When there are excesses expressing in the outpicturing weather, do you not realize that you and the rest of mankind are again responsible in part for the reaction of the gnomes, undines, sylphs or salamanders. Man has imposed the discordant radiation upon them and they are reacting accordingly. Had the originator of this mischief transmuted it, or any individual

along the 'receiving line' done so, this discordant energy could have been changed through the Divine Alchemy of the Sacred Fire into an harmonious vibration.

If you wish to mentally have a brief view of what is taking place in your emotional vehicle, think of the pictures you have seen of deep-sea activities with all the glorious flora and fauna, and when a creature abiding therein is expressing a destructive nature, you have a parallel of the activities taking place in your emotional world. When it is harmonious, it is a joy to behold and adds to the radiation of beauty of the Universe, but when the pulsating causes and cores of discord are allowed to dwell in a chela's world, it is a grievance of great magnitude.

My beloved Divine Complement, the beautiful Lady Lunara, the Spirit abiding within the Moon, holds the Water Element within Our Balancing Power of cohesion and expansion, and it is Our great and responsible desire to assist you as well as all the evolutions on this Planet as you journey Homeward!

OLIVENYA, BELOVED LADY

Divine Complement of the Mighty Ethos from the true Planet Mars.....

I would like to introduce Myself, I am Olivenya, Divine Complement of the Mighty Ethos from the Planet Mars.

You have been calling for the Light to be released from Our Planet into the Cable which

has been established in conformance with the movement of the Planets in this System.

We are a Planet of Peace, of Devotional Worship, as opposed to fanaticism and martial tendencies. We are moving forward ... and it is well that you acquire the so required Quality of Peace..... We are sending you Angels of Peace who will traverse the Earth with the Angels of Divine Love from Venus.

We know that individuals on Earth think of the Planet Mars as the representation of warlike qualities. Please bear in mind that the Cosmic Holy Spirit AEolus apprised you many years ago that the men of Science have incorrectly given that designation of the Planet in horizontal succession to the Earth. Also it has been called the "Red Planet" by Scientists, while we of the true Mars, in the vertical position directly below the Earth, have a Ruby and Gold Radiation of Peace. Our Planet came forth from the Sun of Mighty Hercules and Amazon.

Our principal Temple of Peace is semi-circular in design and upon entering one sees a massive wall behind the area where Ceremonials take place. It is through this walled enclosure that the priest and priestesses enter for the celebration of the specified service of the hour.

We have given assistance to the Planet Earth on previous occasions.. for instance your early Roman Emperor Augustus brought Peace to the Roman World torn by strife through Our ministration of the Quality of Peace. I cite this illustration so that you can more easily accept the release of that Virtue as Our Angels wend their way around the Earth in their service of blanketing the Planet with this Radiation.

The color of Yellow as you are aware, is an alternate Radiation of the Sixth Ray of Peace. This is understandable when one realizes that to have Peace one must have God Illumination. In this year when the Flame of God Illumination is emphasized it is fitting that we bring your attention to Our so powerful Feeling of Peace.

The Governments of the Earth are being particularly blessed at this time, for when the outer Heads of the Planet Earth are brought into alignment through Peace, that glorious radiation will set a pattern for Its Peoples...it is also essential that Peace reign within the hearts of all men.

I have come particularly for I represent the Feminine Aspect of Divinity and that radiation is being released and is to come forth in greater intensity as we move forward in the Light according to Cosmic Law. The magnificent Feminine Aspect of the Great Central Sun, Beloved Omega, is directing the accelerated radiation to the Planet Earth.

Blessing you with the Holy Light from the Heart of the Eternal Mother, I AM Olivenya

OMEGA, BELOVED MIGHTY

Goddess of the Great Central Sun - Divine Complement of Beloved Mighty Alpha....

When We came to Earth on this Cosmic Mission, the Planet was surrounded with a tremendous volume of iniquity and I am very happy to tell you that because of your calls, your harmony, your

happiness, the pressure of your Light combined with Ours, that fifty percent of that effluvia has been removed!

Last Sunday, when Beloved Alpha stood on this platform, through His body, a Ray was anchored into the substance of this Earth -- this was a preparatory move -- for early this morning before any of the chelas came to this Sanctuary -- from the Temple of Peace around Our Sun, the Ray of Permanent Peace was anchored right into the substance of this Earth, AT THIS POINT.

My God, My All, how grateful We are that the chelas cooperated with Us!

Do you not think that We are all extremely happy to be Guests here at Shamballa? We love you; We love your dedication to Service, and I could not take the so-called element of time to tell you the names of the various members of the Hierarchy here present and Who are so grateful that you have progressed thus far,..... Deep gratitude flows to the Flaming Presence within your hearts! You are now the Golden Man...the Christ going forth in the Legions of Our Beloved Lord and King, the Ascended Master Saint Germain.

Now I have something else that I think will bring tremendous ecstasy to your beings ...when We came to Shamballa there was much consideration as to how the Earth would be moved into the orbit of Uranus without too much devastation.

Beloved Alpha and I, All-in-All, One-in-One, the Father-Mother God for this System, have promised Beloved Helios and Vesta, the God Parents of this Earth -- We have promised Them that should Light be lacking at the time of this move, that we would release to Them sufficient Light

to guarantee safe convoy of the Earth!

Across the Earth in Flaming Letters of Golden Light, this day is written....ASCENSION IN THE LIGHT ASSURED!

So you see, My children, this is the greatest Moment since that last Golden Age! I entreat you, I admonish you, I use every word that would appeal to you - I counsel you, I beg of you to HOLD THE HARMONY - HOLD THE HARMONY - Call to that Mighty Being Harmony - call to Him and ask Him to assist you, because until that transition into the orbit of Uranus is accomplished the sinister force is still active, is still cunning, and while We do not wish to recognize things of this sort, the sinister force is below the Realms of Light and We must be ever vigilant and upon you We depend and We know that the Golden Edict of Victory would not be in the atmosphere of Earth if Victory was not assured!

ORION, MIGHTY ELOHIM

Divine Complement of Beloved Angelica -Activities
Divine Love; Cohesion, Adoration and Gratitude
to Life.

I am Orion, Elohim of LOVE -- that Divine Love which has caused to come into being every every Planet; every form - from the Great Solar Galaxy to the tiniest Elemental and atom belonging to this planet.

Divine LOVE is a positive and not a negative quality. I come into the atmosphere of

Earth this morning on the wings of Divine Love; bringing with Me the concentrated Flame of that Love. This Flame has been the magnetic cohesive power which drew into being the Earth upon which your feet stand, the very physical bodies in which you presently function and every other manifestation which appears here. Every form which you enjoy is a part of My Being, held together by the Flame of My Love; for, if Divine Love (which is cohesion) were to cease to be, all in the Universe would return to the unformed and become again a part of primal life.

This morning, I bring into the atmosphere of Earth the fullness of that Pink Flame and Ray, individually for you! I bring It as a melting, dissolving spiritual alchemy to remove these resentments and pressures of energy within your feeling worlds, deeply imbedded within your memories. These pressures are caused by the records of many unhappy experiences of the past which have formed wounds and scars within your etheric (memory) bodies. These wounds and scars burst open upon the slightest provocation, spewing forth again the poison of past enmities, past feuds and past misunderstanding.

Man knows not what he carries around with him, buried deeply within that Realm which Science calls the "subconscious" mind; that Realm in which there are atrophied the memories of every experience in every embodiment from the first day the lifestream "fell from Grace" up to the present moment. Sometimes, Those from the God-free Realms Who guard and govern the destinies of World Movements almost shudder when They look upon the ever-weakening scar tissue which the glorious Builders of Form seek to weave over those hurts and distresses in the etheric body. However, in order to fulfill Itself, the Divine

Plan brings together again and again certain lifestreams, each one of whom carries the memories of past enmities between them; the Divine Plan presenting over and over again new opportunities to "make things right". Sometimes the very proximity of these individuals to each other (even in Divine Service) will cause provocations to arise which are similar to those which made the original wounds. Then these wounds are likely to burst open once more, tearing asunder the etheric body. This releases again into action those feelings of rebellion and buried hates from the past which originally destroyed the comradeship affinity of these lifestreams for each other and weakens those ties which should "bind their hearts in wondrous LOVE".

Beloved ones, will you now consciously give Me your attention, please? If you know of any lifestream with whom, in this Earth life, you are not in complete accord, consciously draw the image of that person before your mind's eye now and let Me give you the pressure of My feeling of unconditional loving forgiveness toward that one. If you will accept this, it will cut you free from the recoil of the energies of those past mistakes which made the enmity in the beginning. Experiences of physical embodiment, good or bad, weave ties that, if they are not worked out here on Earth, will have to be balanced in another Realm through your inner vehicles (etheric, mental, emotional)

This hour, I blaze and blaze and blaze into, through and around you the most concentrated action of pure, Divine LOVE, increasing Its intensity and pressure until it will be impossible for you to even retain the memory of injustice or to allow again the stirring of so-called "righteous indignation". Accept this now and be free! this is the gift of LOVE which I bring

into the heart and world of each one of you who will accept it.

OROMASIS, BELOVED

A great Being of the Fiery Element

I am Oromasis, a Prince of the Fiery Element, and I speak to you this evening because I so deeply and gratefully Love the Ascended Master Saint Germain.....

Most of you know that I was a tiny elemental and through proximity to Our Lord and King I was given self-conscious Intelligence. I hope that I can convey to you what it means to serve the great Gift of the Violet Fire which He brought to the Planet Earth. Until you are ascended and Free you will never realize the strength and the tenacity of His Love of the Violet Fire.

Now think of an open fireplace and see a small tongue of Flame - the fiery element - a little elemental....I was such an one! I say this to you because you, too, love Saint Germain and if you follow His edicts, His loving counsel, you will go to great heights this year.

Many of you have witnessed what some call a calamity or extremity of the action of the Elements....but always good can come forth! In this instance many people were allowed to go about their duties but most had to remain in their homes and while they were in their immediate orbits, We could do much for them. And every time when one said "Oh God when is this going to end - why did this happen?" The very mention

of God brought a vibration of The Eternal into their being.

You noticed, too, some of you, the great feeling of oneness - how people talked to you who never spoke before. See --- We can bring lifestreams together, and one day in the not too distant future through your use of the Violet Fire, you will be able to assist in tremendous capacity, the peoples in your immediate environment...they will feel the radiation flowing all over this Island and they will come closer, closer, to their own God Self.

And it was not just here on the Island but in many places throughout these United States where there were extremes of weather. And I tell you that it was very fortunate that you has these Great Devas of the Four Elements here, because to outer appearances things could have been much worse.

Now We know that the Violet Transmuting Flame is real, and I believe that you do. I want you to visualize It daily - Feel yourself with that glorious Mantle of Violet Fire about you at all times and We expect to render your lifestream tremendous service during this month.

Well I guess I have spoken at length but I just had to tell you how the Violet Fire loves to serve you and how We love Our Beloved Saint Germain.....

OSIRIS, BELOVED MIGHTY

God of the First Sun from the Great Central Sun
Divine complement of Beloved Isis

OTSUMA, BELOVED

Member of the Brotherhood at KAMAKURA'S RETREAT
at Fujiyama

Honorable Friends, salutations! ... "I AM"
Otsuma, Member of the Brotherhood at Fujiyama -
Who has been serving in the Amphitheatre of the
Violet Fire over Long Island.

"I AM" gratified to have the honor of telling
you that this Focus will be maintained and sus-
tained for as long a period as is necessary. The
chelas on this Island are visiting it nightly
at regular intervals and many have asked to be-
come active participants in the Transmutation
process from this Focus. Most important, hun-
reds of sensitive lifestreams are coming regularly
to this Focus and learning, in their finer bodies,
of the Transmuting Process of the Violet Fire,
and although they do not yet bring back the con-
scious memory, a purifying activity is definitely
taking place in their own worlds and will shortly
become evident to them in their great desire to
know the Truth of Life and the way and means of
changing their mode of living, as well as that
of others with whom they come in contact; na-
turally not by inflicting their ideas upon them,
but by the example they will show in their daily
lives, which will magnetize others into their
auras.

Long Island is well on the way to becoming

the Sacred Isle as destined, regardless of now existing manifestation of imperfection.

It truly would make your hearts sing could you hear what many wonderful Spiritually inclined individuals are saying about the Violet Fire Focus when they visit It at night. We regularly hear statements to the effect, "oh, now I know why we moved to Long Island," and "how grateful I am to have the privilege of being so blessed by God as to have been brought to this location." And, as they are further impressed through repeated visits to the Focus of Transmutation, they will be cognizant in their outer consciousness that something of a Spiritual Nature is taking place in their worlds. You have been told that in ages past the atmosphere of this Island was tremendously charged. The day is approaching when the Beauty of this Island will again express the dignity and perfection of life in a truly God-planned existence.

Now, the great Lord Gautama, Whose residence is in the Etheric Shamballa over the designated section of this Island, when He is not otherwise engaged in consultation with the Members of the Spiritual Hierarchy and expanding the Light to keep this Earth in Her orbit, is constantly lending His glorious Energies to impregnating the consciousness of the chelas of Long Island and all residing thereon with the Flame of God Illumination and Balance. He well knows the requirement for Balance in these days when one's equilibrium can be truly askew, particularly through the emotional impasses which come your way, consciously directed or otherwise. This refers to all chelas who are serving the Light at this crucial time. Naturally the advance chela does not dwell on those jarring

vibrations but immediately remembers that there is a Focus of Violet Fire in his heart; in the center of the Earth in Beloved Pelleur's Kingdom and now, through God's Grace, in the Etheric Realm over Long Island. You are, of course, cognizant of the many Foci of the Violet Fire all over the Planet, importantly the Focus at Fujiyama, Japan, from whence the concentrated activity of this Divine Alchemy is directed from Beloved Saint Germain's Being and from Beloved Kamakura and all Our Brotherhood.

Honored chelas, for indeed that designation describes you, for who has a greater privilege than you who are serving under the direct guidance of the Spiritual Hierarchy, especially Beloved Holy AEolus, the Beloved Lord of the World Gautama, Blessed Sanat Kumara and Our Beloved King, the Ascended Master Saint Germain.

Think of the happiness in the Heart of the Beloved Saint Germain when He views with great Joy another Focus of the Violet Fire for this Earth. We Who serve with the Beloved Kamakura at the Retreat at Fujiyama, now Saint Germain's principal Focus of the Violet Fire for this Earth, have come more frequently into a closer proximity to His Glorious Consciousness, and His desire becomes a privileged command in our Beings, to fulfill even a contemplated benefaction for the evolutions of this Earth. I, personally, am now returning to be at Fujiyama for the next several months, giving freedom to another of Our Members to come to assist in holding the magnetization of the Violet Fire over Long Island, so that It can remain and be sustained at this location. We are all most mindful of the magnificent results thus far as an effect of this Focus. However, may I remind you that the energies of all the chelas throughout the Earth serving

through the avenue of THE BRIDGE TO FREEDOM have a responsibility to assist in the purification process here established.

It has been a very illumining experience for Me, for I have had the privilege of joining My Consciousness with Glorious Beings from other Planets Who come to this Focus to energize It by Their Presence, and then return to Their Stars to report to Their Superiors as to what is taking place. As you surely realize, the progress of the Earth is of vital importance to the other Planets in this System for the forward push is definitely in progress and the Earth and Her evolutions must be ready to take their place in the orderly progression which is close at hand.

Contemplate this in your hearts and then examine your consciousness -- your actions and reactions, and surely as illumined chelas, you will realize that nothing, absolutely nothing, is of greater importance than serving with the Spiritual Hierarchy to fulfill the Divine Edict for the Cosmos.

In the days of Lemuria and Atlantis warning after warning went forth telling the citizens of impending events, and you are aware of what happened to many in those dark hours. Wise is he who sets the personal desires aside and listens to the Voice of the Presence within, Whose Voice is saying always "come into My Heart, blend your energies with Mine, and know the fulfillment of God's Purpose." That you shall quickly experience the ecstasy of living and serving "At One with God", the Creator of All Life, is the sincere Heart Prayer of all of Us Who serve from the Realms of Perfection.

Thank you for allowing Me to come into your

Presence and should you feel that I can assist you in your endeavors, you have but to call to Me, Otsuma, and I shall, in reverence for the Life which beats your hearts, joyously come to help you.

PACIFICA, BELOVED ---- Divine Complement of the Elohim of Peace - Beloved Tranquility - Activity Eternal Invincible Peace and Ministration

I come to you today to enfold you in My momentum of Peace. "Peaceful Palace on the Hill - Peaceful Silence oh how still" is right within. And so, dear ones, in your Peaceful Palace dwells true Peace. The Door is wide open and your glorious Christ Presence awaits without-stretched arms....saying "Abide in Me". As you have stepped over that threshold so many times during these Classes, I do humbly pray that this will become your permanent abode. That is possible you know...but remember that every manifestation must be enfolded in the Flame of Peace to make it a sustained Gift of God.

Every time that word is spoken, whether it be from the heart of someone alone crying for Peace...when you utter the word 'Peace' all the momentum of Heaven is ready to flow back to you, according to the intensity of your feelings.

I feel so privileged, so truly humble, to stand on this platform following the Great Beings Who have come to assist you. When I was summoned to appear, I was very, very thankful, for not many people upon this Earth know of My existence. Many are acquainted with My Beloved Tranquility,

and He requested that I remind you that Peace is not a passive quality - Peace is Power - Peace is Love - Peace is everywhere present, awaiting you and all mankind to dip into the Cosmic Reservoir.

As one sits beside a tranquil lake and sees the gentle waters rippling in the breeze, he feels the radiation of Peace. Know that if you choose you may sail your barque of Light on Tranquil waters to the other shore, as you discard the physical garment at the conclusion of your Earth experience. Just know that Peace abides.

I offer you My momentum of Peace! Will you invite Me into your Palace on the Hill?

The Angels of Peace are surrounding this Holy Property and at the conclusion of My words, They will encircle the Globe, carrying that so required Essence, and I further wish to tell you that the Mighty Lord Michael has said that He will clear your pathway - Home - and that does not just mean your specific destination - but to your permanent HOME in the Inner Realms - when the time comes for you to discard your Earthly garment.

Accept the blessings, My lovely ones, of Our Beloved Lord of the World Gautama, all the members of the Spiritual Hierarchy and from all of the Glorious Suns, and know always that I am your Humble Servant of Peace.

PALLAS ATHENA, BELOVED

-Goddess of Truth -the
Divine Complement of Beloved Holy AEolus - Member
of the Karmic Board -Activity:-Spirit of Truth.

Awaken, O children of Earth, hear My Call as
it goes directly to your hearts..... accept the
Spirit of Truth which "I AM" and be thou free!

Too long have the chelas under Our guidance
been tarrying in the lower consciousness so I
have come to loosen the shackles which bind you
...IF you will graciously permit Me! Beloved
Hilarion and our Legions of Truth have accom-
panied Me and They are in the atmosphere over
this Sacred Focus. I wish you now to feel,
deeply, the words which you have often affirmed
"Truth is so precious to me." This very hour you
have opportunity to prove through your feeling
world that which you have mentally accepted.
Man through the ages has been searching for
Truth....You stand this moment in the presence
of Truth! Will you accept the Gift which I
bring?

Let us engage in a visualization which I
trust will assist you... See the Mighty Hilarion
standing directly over this Sanctuary, sur-
rounded by countless Angels of the Fifth Ray.
They are all attired in white garments which
have the insignia of Our Retreat -- the Lamp
of Truth emblazoned in green directly over Their
Hearts. See that glorious Exponent of Truth,
Beloved Hilarion, holding a replica of the Lamp
of Truth in which blazes the Essence of the Vir-
tue! Hold that picture for a moment please....
and feel the Light of Truth from that Lamp
coming into this Sanctuary and entering your
hearts. Its color is a strong clear shade of

green....then feel this Essence course through every cell and atom of your beings as It travels along the arteries and veins ...(just as the physical substance of blood is pumped by your hearts through your physical vehicles). However, this Sacred Essence will expand its Light through all of your lower garments.

As you accept this purifying process, you can surrender to the Christ Self and know that your True Being holds the Lamp of Truth at all times. As I use the metaphor of the Lamp of Truth, I do so because this Symbol has been accepted through the ages of denoting Truth of Spiritual Expression. According to the development of a man's consciousness, does he learn that Truth is God, for as he understands that Virtue he realizes that Truth symbolizes The Absolute.

You have been in a training period for years, and it is time that you stood in the presence of Truth. I am here, right in this Sanctuary... how many can face the Truth which I am privileged to represent? This can be done by the lifestream who has faced himself and accepted the fact that the lower consciousness is a misconception, a fallacy, spawned out of the human.

I assure you, dear earnest chelas, My Aura is of sufficient size to take you all into My embrace and to give you the feeling that you have found the Truth for which you have long awaited. Then will you be able to say with real conviction....."Truth is so precious to me"!

PAUL THE VENETIAN, BELOVED

(see The Maha Chohan)

PARSES, BELOVED LADY

Activity - Analysis of abstruse terminology

As My Name denotes, My activity is directly concerned with the analysis of abstruse terminology. It is My privilege to translate into simple form some of the Truths which have been distorted by man's concept.

The purpose of man's journey upon the Planet Earth is to bring into physical manifestation his portion of the Divine Blueprint given to him by the Father.

Every Divine Being is basically masculine and feminine in nature - having the power of both fecundation and nourishment. This power is also latent in everyone not yet ascended. The mass of mankind cognize only one facet of this expression and an understanding of this principle would avoid much unnecessary degradation. Man, during his many embodiments upon the Earth, is required to express either aspect; but before his Ascension both aspects must be equally developed. He can then magnetize, nourish and sustain his Divine Blueprint. The Christian (Sixth) Dispensation, under the direction of Beloved Jesus, emphasized the Fatherhood of God. The Seventh Dispensation, in which you are living, will inculcate the Feminine Aspect of Deity (the Father-Mother God).

Man is required to embody more than once upon this Earth for the reason mentioned in the above

(paragraph two); and also the over-all picture, or Divine Blueprint of the Godhead, is of such tremendous scope that the individualized lifestream requires rest between the various phases of his development, and while sojourning in the inner realms, he is shown what he should have accomplished in the time allotted to him in that particular span on Earth. There are Divine Teachers in these inner realms who voluntarily assume the responsibility of training each individual in order that in a succeeding embodiment he will progress after looking impersonally upon both his successes and failures. These Divine Teachers are assigned to each individual by the Great Karmic Board.

PELLEUR, BELOVED GOD --Guardian of the Three-fold Flame in the Center of the Earth and Its Civilization...Divine Complement is Beloved Virgo - "Mother Earth"

Beloved Virgo, beloved ladies and gentlemen here assembled. "I AM" Pelleur, the actual POWER which holds the Earth in Her place in the Solar System! COME NOW from lethargy into Light and understand that the very Earth Herself even as Her axis is bended, would not remain nor would the souls belonging to this Planet remain on this small globe if it were not the cohesive power of My Love which science chooses to call 'the gravity pull' of the Earth!

Think on it! When you place your feet one before the other on an appointed task, human or Divine, if there was no cohesive power which is the power of Love Divine beneath your feet you

would sail into outer space. Even in the process of walking you can be grateful for that cohesive power which we maintain in the very center of the Earth, where the Masculine and the Feminine Rays of Beloved Himalaya and Beloved Meru join and where the great Spirit of Cosmic Christ Peace serves with Me constantly holding the substance of the Earth and radiating from Its center to Its periphery the Love and the Light of Our Beings. That Love is the actual substance on which you stand. It is the substance which makes up your chairs upon which you are seated. It is that Love which holds all Beings Who belong to this evolution and have been accepted by this evolution in the orbit of the Earth. It is that Love which has accepted again, again and again the excrement of human life and through kindness transmuted it into purity and perfection.

Beloved Virgo speaks of the mischievous nature of the gnomes, which I can confirm, but where else is his joy, living as he does for the most part under the surface of the Earth and performing those tasks of preparation for every season of the year to bring the Harvest; performing those tasks of transmutation! Think on it! Their service is not one of complete and absolute joy but it shall so become. They have Causal Bodies too - miniature ones - every gnome, sylph, undine and salamander has a little band of Light which is its own record for the good which it has done through out the centuries of being. That record will, as in the case of humankind, be read when greater positions of trust and authority in the Elemental Kingdom are open, there will be those always who are ready to fill them.

Thus We represent, as do all Those Who have preceded Us the Power of contraction and expansion. The Earth breathes you know and through

Its many pores comes the Pink Light from Its center. When the Earth does not breathe, you witnesses a certain portion, if not in person at least in picturization where great destruction was done, the Earth for the time did not breathe there...what have you.....Desert sands upon which nothing can grow or barren swamps. All that is in the process of redemption.

Now take your own bodies....would you care to have ten billion people utilize your own physical body as they desire for twenty-four hours? I think not? Then think how We, the Directors of the Elements, together with Our great Kingdoms feel when We have given Our very Body's Life, in patience, to have Them so imperfectly used. It is not the part of kindness nor of wisdom. "I AM" strong in My endeavor to convey to you THE POWER which lies within cooperation with the Directors of the Elements NOW, and then should there arise an occasion where individuals or any living thing required assistance, your being Our God-friends could give and will give that calming balance, peace and understanding even though you may not have to speak a word.

It is in the NOW, TODAY, that We ask that that Peace be created between you and the beings of nature.

PERUSIA, SILENT WATCHER

Silent Watcher of the Blue Ridge Mountains

POLARIS, BELOVED COSMIC LORD

Divine complement of Beloved Mighty Magnus.....
North Pole of Earth's Axis.

Hail, thou children of the Light, I, Polaris, Who bear the name of the North Star, have come into your midst today with a very important message. I ask you to listen attentively to what I have to say!

As you perhaps know, Beloved Magnus, My Divine Complement, and I form the axis for this Planet Earth. While I have the Northernly position in this Rod of Power, Beloved Magnus has the Southernly position. Corona Borealis, or Northern Crown, is directly associated with My service to life and Corona Australia is aligned with Beloved Magnus.

At this cosmic moment in the Earth's evolution, every electron in the universe must fulfill the Cosmic Fiat that Perfection as outlined in the Divine Plan and held within the Heart of every Silent Watcher! Therefore, you will recognize how important it is that you give recognition to the Silent Watchers and draw Their great Love and Power into the Earth and Her substance.

Your Holy Christ Self, or individual Silent Watcher, is patiently waiting to release the Perfection through you which is your God Identity and it is for this reason that We are continually counselling you to put your house in order -- meaning, of course, the purification of your four lower vehicles, through the Divine Alchemy of the Sacred Fire.

Since I have the great privilege of being a Messenger from the Central Sun Magnet, it is My responsibility, in conjunction with the Service

of Beloved Magnus, to bring about the perfect alignment of the Earth as We straighten Her Axis. I have come at the behest of Beloved and Mighty Alpha and Omega. Through the activity of the All-Seeing Eye of God, it is a simple matter for Us to see what is taking place in the consciousness and vehicles of any part of life, and since some of the chelas are still entertaining the negative vibration which is engendered by the very destructive activity of fear, I have come.

In Our service of straightening the axis in which We have been engaged for many a year, We have firmly but gently been releasing as much Cosmic Power as the bodies of the peoples of this Earth can stand at any given time, and when We see any negative reaction in the lifestreams of those abiding hereon, We are required to ease up in this action, so to speak!

The Cosmic Law is embodied Mercy but when an Edict which was issued a long time ago has not been fulfilled, it is the responsibility of those engaged in some specific service to present ways and means by which more co-operation may be given by the lifestreams abiding on this Earth.

Beams of intelligent energy can be drawn forth from the Star Polaris and My humble Self and these cables of force can be anchored into the vehicles of those chelas, and other unascended beings who are willing to unremittingly hold true to this service and form part of that Cosmic Cable, and through the beam of your attention you can tremendously assist Us to gently draw the Earth back into Its perfect orbit!

I, Polaris, shall tie My energy into all the lifestreams of this Earth and with a similar

service being rendered by Beloved Magnus, the re-adjustment or alignment of the axis can be one of scientific Perfection and the knowledgeable chelas will be the recipients of unheard of Blessings for their participation in this marvelous service. Naturally all lifestreams will be benefitted by this activity but the chelas' record on the Book of Life for this co-operation will be in letters of Blazing Light.

(Decree No. 3 in the Bridge to Freedom Decree Book can be used in conjunction with above noted service with Beloved Polaris and Magnus.....)

PORTIA, BELOVED LADY.---- Goddess of Opportunity and Justice....Member of the Karmic Board....Divine Complement of the Beloved Saint Germain, Chohan of the Seventh Ray.

Greetings, Ladies and Gentlemen, who have had the singular privilege of being graced by the presence of the Members of the Karmic Board all during this week. As Spokesman for that Council, I come to you bringing some very pertinent facts for your God-action thereon!

Do you realize that instead of casting off your physical garment at the change called death and coming before the Karmic Board for appraisal or the viewing of your record of the use of God's Energy in this embodiment, you have been and are in the Halls of Judgment, so to speak, all this week? You know that it is the usual procedure after appearance before the Karmic Board that you receive an assignment to help you balance any shortage of constructive use of God's Energy

so that you will not have to re-embody upon the Earth again unless, of course, you make application so to do, and the Board, feeling that you have the capacity to render exceptional service to the Earth, grants your petition.

Now remember that this has been Judgment Week for you RIGHT HERE ON EARTH, and at the conclusion of this Assembly, We shall confer with the Beloved Gautama, Lord of the World, to decide upon those whom We feel can be entrusted with expanded God Powers in a scope to which your consciousness has not yet aspired or been capable of recognizing.

Please relax now as I have something of very great importance to tell you! The love of the Spiritual Hierarchy for Our Lord and King, the Ascended Master Saint Germain, is of such magnitude that your consciousness, in its present development, could not envision, and it is that Love which has brought the Karmic Board to this Conference.

You do not need Me to tell you of the state in which this Planet finds Herself at the present time; of all the chaotic conditions which are expressing and the shroud which is endeavoring to engulf Her. And I say, in the Name and by the Power of the Father-Mother God, We have confidence in the chelas upon this Earth to assiduously decree and expand their Light and prove to all the Sons and Daughters of Heaven that this Planet shall be saved from the destructive forces which have been gathering a momentum. I use the past tense, 'have been', for from this day forward, I, Portia, Spokesman for this Karmic Board, and in the Authority vested in Me, say: "The Children of Heaven on Earth are marching forward in the Light and shall hold aloft the Banner of My Beloved Saint Germain!

Not long ago, I returned from a Cosmic meeting to the private and holy orbit that My Beloved and I occupy when We confer with one another on Cosmic matters. I saw My Beloved in a kneeling position, with a Globe representative of the Earth cradled to His Bosom. He was blazing and blazing and blazing the Violet Transmuting Flame into that Globe and His own Being was barely discernable as the Light flowing from His Being enfolded the Earth in His Loving Heart... He was entreating the Supreme Source of All Life to save this Planet, and saying with such deep Love: "I believe in My chelas on Earth. I know that they will not fail Me in this Hour!"

With a rush of Love that coursed through My Being, I knelt beside Him and promised the Supreme Source that We, the Karmic Board, would come and speak directly to the chelas of The Bridge to Freedom and re-kindle their enthusiasm to further assist Our Lord and King.....

Expecting and anticipating your immediate response and cooperation, no further words are necessary!

PRINCIPA, BELOVED - God of Divine Order

Good evening, I am Principa, God of Divine Order and I am very grateful for the opportunity of speaking with you.

Divine Order is the Law of Heaven! The Universe is precision and in Divine Order, the Sun, the Moon, the tides, the Seasons, all perform in rhythm - Divine Order!

At the Temple of Truth Divine order is expressed at all times, as it is in all of Heaven's Realms. You were counselled not too long ago to bring your worlds into Divine Order, so that all your vehicles would be in alignment for the Christ to express through you at all times. That is the Divine Order for each lifestream upon this Planet!

What would happen in the Spring if all the elementals were rebellious and decided to take a 'vacation' of three more months! Oh no..... these elementals to the best of their ability follow the Pattern given to them and each year they become more adept at the expressing of the flower, the tree or the shrub which was the Divine Order for them.

Listen, My lovely ones, bring Divine Order into your beings. I know you well, but not many call to me! I would like to come and visit with you often - all you have to do is turn your attention to Me and you will find a Ray from My Heart assisting you to bring Divine Order into your worlds. I may sound strict but discipline is necessary and I might add, like all Discipinarians, I am a being of great Love and I hope you feel this moment the Love with which I am enfolding you, each one.

Now We know that not too many people like to face the Truth, but during this particular period each lifestream upon this Planet will face that Magnificent One, the Goddess of Truth, and you can imagine how grateful and how happy the Mighty Hilarion is that the Patroness of this Retreat, Pallas Athena, is one of the Sponsors of the Year (1975) And He asked Me to convey this message to you...He asked that you cooperate with Him in every way you can so that He can show

that Great Being of Light, the Goddess of Truth, that you are in earnest and are grateful for the opportunity to be Expressions of Truth wherever you are.

O, My lovely ones, the Temple of Truth is magnificent...it gives one such a wonderful feeling because you know whatever section of the Temple you are in, you feel that Pure Essence of Truth...with no dilution of any kind - Truth as God intended for all life!

My children, once you really bring your worlds into Divine Order you will know that I speak the Truth. Obedience to the Law is what is required by everyone on this Planet and while some seem to be struggling so with the human, once they can let go and say "My God, take over" that Happiness which each will experience will be beyond worded description!

Now I wish you all to be happy - happiness is necessary - no service to the Almighty should be a drudge! So be in a happy frame of mind, knowing that everything in God's Kingdom is being done for you - presented to you for your acceptance.

We speak always of Harmony and Precision, but My good friends, We are in a time of Cosmic Change and We plead with you... all of Us in Heaven's Realms...to maintain Harmony get your worlds in Divine Order, so that the next Inbreath of the Mighty Helios and Vesta will take place with out interference of any kind...IN DIVINE ORDER!

PURITY, BELOVED GODDESS OF

Also known as Beloved Astrea (see Pg. 12 of Part One) Divine Complement of the Mighty Elohim Claire.

Hail, thou children of the Omnipotent First cause, abiding upon this Planet with the definite purpose of assisting the Beloved Ascended Master Saint Germain bring in the Permanent Golden Age in all Its exquisite Beauty and Perfection.

Purity is My reason for coming into your midst today. Oh there were many, many Beings Who applied to Beloved Gautama for the privilege of addressing the chelas at this class. My application was immediately accepted for indeed the Flame of Purity must precede many other God Gifts, before they can find fertile ground for their flowering.

Every electron of My Being is pulsating with all the momentum of Purity which it has been My privilege to accumulate through the ages, and "I AM" accompanied in this outpouring of the Cosmic Flame of Purity to ALL the Beings Who are presently serving on the Fourth Ray, including The Archangelic, Seraphic, Cherubic and Angelic Host.

Now We all know that Purity has been shied away from by the masses through the centuries, you at one time or another having belonged to that group, and the reason for this reluctance of acceptance of the Virtue is obvious. But, you blessed chelas, thanks be to the Almighty, thru your Vow at Inner Levels and your conscious desire to serve with Us in the manifestation of the Golden Age on this Sweet Planet, are daily becoming purer channels for the inflow of the currents and the Flames which are requisite for

this outpicturing.

Many chelas think of the Goddess of Purity and Astrea as two Beings. "I AM" Astrea, also known as The Goddess of Purity. Perhaps this fact will bring a greater compatability between some of the chelas and My self. And will also serve to identify Me with the Cosmic Circle and Sword of Blue Flame which I wield at every opportunity for the purification of this Earth and Her evolutions, Yes, "I AM" GRATEFUL I have made My Identity known to you, for the stirring of recognition is intense as I gaze upon your auras.

You will remember that I have offered to remove the cause and core of all known and unknown impurities in the lifestreams belonging to this Earth, and those who have voluntarily come here, back unto the beginning of time! Demand the fulfillment of that Vow from Me! You are sufficiently acquainted with the Spiritual Law to know that We are only permitted by that Law to render a certain amount of Service of Our Own volition, and that the balance must come from demands made upon the Law for assistance. I stand ready always to use the Circle and Sword of Blue Flame to cut away the imperfection upon this Planet! And, the Legions of Purity at the command of the Beings on the Fourth Ray are limitless and can go into action on the instant BUT the demand for this Service must be made from unascended mankind.

Without Purity, true Peace cannot manifest. If there is a commodity in the store which you require and you have the wherewithal for its purchase, certainly you would be most foolish to walk by and ignore that which is necessary. We of the Cosmic and Ascended Host hold within Our Beings all the Purity which is required for the Purification of this Planet. We are enabled to

draw from the Cosmic Storehouse all, and more than is required, and stand ready and waiting to affect the Purification of the Planet..... waiting for what? Calls, clothed in true conviction of the efficacy of the Spiritual Law, and from whom? The chelas who are aware of Our Presence in the Universe and the activities which We have volunteered to perform!

Let Me forcibly remind you that you are responsible to the Cosmic Law for the use of your God-given Energy, and when We present an existing condition to you which must be remedied thru the use of the Sacred Fire, in the Name of ALL that is GOOD and HOLY go into action and make your demand on Us for the release of the Purifying Fires which can, on the instant, remove the the causes and cores of imperfection. Again I say, you are accountable to the Cosmic Law for your participation, or otherwise, in the activities which We set before you.

Oh the waste of time and energy in the discussion of what certain Heads of State should do, or how this or that Nation should be handling the affairs of government and Its people! Useless thought and prattle when it comes to illumined chelas who know about the activities of the Sacred Fire! I would not say that "I AM" impatient to go into further action in the cause of World Peace, that is not part of My Being, but oh how can I tell you with sufficient emphasis which you will truly recognize and accept that "I AM" so very eager, so desirous, of accomplishing thru the unerring application of the Spiritual Law the Service of removing the causes and cores of fear, hatred, greed and the multitudinous vices which hinder the accomplishment of World Peace. I appeal to you for further assistance! Will you help Us?

RAPHAEL, BELOVED ARCHANGEL

Angel of Consecration and dedication, Fifth Ray
- Divine Complement, - Mother Mary

Hail! Spirits of Fire, you have consecrated your energies to the expansion of the Light of this Planet, I greet you this Holy Day.

I invite you to consciously join your attention and energies with My momentum of Consecration... and reverently thank the Supreme Source for the Gift of Life....O Father-Mother God we kneel in our hearts in adoration as we renew our vows of dedication to Thy Holy Cause of Freedom for this Earth!.....

How deeply have you considered the Vow of consecration which you took many years ago..... when you put your feet upon the Path toward spiritual fulfillment? Yes, you have done exceedingly well, but it is My desire, yes, My responsibility, this day to further impress upon your consciousness that your every act, word, or deed should be one of Consecration.

Beloved ones, Consecration is the releasing of positively qualified energy in an harmonious manner, with the conscious knowledge that it is one's responsibility to expand the borders of the Father's Kingdom. As an individual is planting seeds in a garden, he is consecrating his energies to a purpose - that of bringing forth Beauty and he uses the Flame of Expectancy, of Faith, that the seeds will mature into that Perfection. The ultimate outcome of the Deva in charge. The same is true of a lifestream, the Father-Mother God has planted the Seed within him according to the cooperation of the individual will it mature and our picture the Perfection ordained for him. The little elemental has to

try again and again until he brings forth the design given to him.... and the same applies to the individual who is required to take embodiment upon embodiment until the glorious Christ Self may step forth and express through him at all times.

May I suggest that upon arising before starting your daily activities, that you turn your attention to Me and ask that I re-consecrate your energies to the expansion of the Light of this Planet. Use any statement that issues from your heart --- it will take but a moment -- and you will be amazed how your feeling of Joy in Service will increase ... until it has reached such a momentum that you and I will be consciously serving as one, at all times. In doing so, you will be drawn closer into the service of the establishing of the Brotherhood of Angels and men upon the Earth! A moment's reflection will show you how all avenues of service blend into ONE.....

In consecrating your energy in this manner, the seven fold Flames playing upon the Planet would be accelerated for while you are serving on one or more Rays, another lifestream would be serving on another. All the Rays would be amplified through the dedication of the chelas to the activity of Consecration and the Earth's Aura would be a magnificent expression of the Seven Rays.

RESTORATION, BELOVED ANGEL OF

"I AM" the Angel of Restoration come from Celestial Heights to assist in the restoration of this dear Planet Earth! Please consider Me your Friend and Co-server in the Light!

Beloved ones, - as I looked upon the Divine Blueprint for this Earth, it seems that an almost overwhelming service must be accomplished but I know with the dedicated chelas this service will be performed in the not too distant future. Think of the privilege, My lovely ones, of service in this tremendous manner, - especially in True Love and deep Humility, as do I.

The process of restoration must first take place on this Island. You were told years ago about the purification and perfection of this Holy Isle, - and that nobody could put a foot upon it unless they had reached a certain vibratory action, lest their vehicles could not have stood the pressure. Does this not signify to you, each one, that you are going forward in the Light, and as has been so oft repeated, -- "keep on, keeping on" -- in your service.

You know that the Spiritual Hierarchy governs the entire Planet from the Etheric Shamballa over this Island, and in order to send the Radiation to all the Earth, to every nook and cranny, harmonious radiation and the feeling of Divine Love must be the order of the day. IT SHALL BE THE ORDER OF THE DAY! And upon whom do we rely, on you and you and you, and every chela who has the privilege of joining their energies in the activities of THE BRIDGE TO FREEDOM.

This is the Heart Center of Spirituality for this planet and for everybody - every Doctrine

on this Earth receives the Essence from this Holy Focus, and each Leader is responsible to the Almighty for the manner in which he places that Truth before others.

You have been told that New York City, the Sanctuary there, is the Hand of the Holy Spirit and Washington, D.C. is the Seat of Outer Government for the Planet.

We are so very pleased with the Calls for the Leaders of these United States and of all Nations on the Earth, because the Ascended Masters require lifestreams in Washington serving this Country who will do so for the Love of God, restoring the Principles upon which this Government of Freedom was established. And so it shall be!

Think often of the Mighty Silent Watcher of this Planet Earth, Immaculata, and all the Silent Watchers of the various locations. Aurora in New York City, Columbia in Washington, and particularly that magnificent Being Clove, the Silent Watcher of Long Island, and of the tenacity of Spirit as She holds within Her Heart the Divine Plan for this Island.

The Beings from all over the Universe Who are at Shamballa today are releasing an expanded Power of Light to every one on this Earth, for They know that the process of Restoration must take place, and quickly, so that the Earth may safely move into the Orbit that will be vacated by Uranus.

Beloved AEolus - is putting all the pressure of the Love of The Father-Mother God into the Restoration of this Holy Island - for you know that the Cosmic Temple of this Holy Spirit will manifest RIGHT ON THIS PROPERTY, and those who

are pure in Spirit may come into the Presence of the Maha Chohan for instruction, and at certain times into the August Presence - of The Cosmic Holy Spirit for Blessing and Benediction.

THE RESTORATION OF THE EARTH HAS BEGUN
I have spoken, and SO IT SHALL BE.

RESURRECTION, COSMIC SPIRIT OF

"I AM" the Cosmic Spirit of Resurrection come into the atmosphere of Earth today, summoning the dormant life upon this Planet to AWAKE!

In the Name and through the Power of the Resurrection Flame, I say AWAKE! Come you out of the lethargy of the ages while there is yet time. Awake and accept the resuscitation of that recalcitrant part of you which has had to remain inert through the free will activity of life.

I speak not only to the lifestreams who are inhabiting this Earth but to the elemental part of life which through the 'rest' period in the Eastern Hemisphere is not yet manifesting in full glory.

Surely there are none among you who require proof that there is a Resurrection Flame.....do you not witness the Glory of Nature every Spring under the direction of the Beloved Maha Chohan, the Beloved Goddess of Spring - Amaryllis, and Others. What a joy it is to see the leaf, the bud emerge from the encased shell of dormancy. Do you know what it is that causes a buoyant feeling in your being as you see the first crocus?

It is the respondent activity of the Resurrection Flame in your own being. Oh how that Resuscitating Power longs to burst the bonds of your encasement and express Its Full Glory!

Permit Me to turn your attention to that presently accepted Exemplar of the Power of the Resurrection Flame - Our Beloved Ascended Master Jesus. Ah, now is the season of the Year when the Hallelujahs should go forth in gratitude for the accomplishment He attained during the time of His Ministry, while the Sixth Ray was active upon this Earth!

Hear ye, those of you particularly who have experienced a reluctance in your feelings when it was ordained by Cosmic Law that you transfer the greater part of your feeling of gratitude, love and honor from the Celebration of the Birth of Jesus to the time of His Accomplishment..... the magnificence, the holiness and true beauty of the Easter Season and that specific day set aside to honor His Resurrection, Easter Morn!

Children, I invoke you to take full privileged advantage of the Resuscitating Power which is embodied in the Resurrection Flame, that Vibrant Energy which We dispense in expanded and accelerated volume during the Easter Season, celebrated in no matter what part of this Globe, be it the Season which through the Nature Activity is called Spring.

Know you that the Well-Spring of Resuscitation is entombed in your beauty - yes, imprisoned until you will accept that the Christ within is the Real you - the Anchorage of the "I AM" within the Immortal Flame in your heart. Why long for a Fountain of Youth so that you may better

serve the Spiritual Hierarchy and BE a true Expression of the Activity of the Law. That yearning is an activity which can be fulfilled. Whenever you so choose -- when you are willing to put aside your previous concepts and ACCEPT in full Faith the Resuscitation Process of Life! BE the Christ in action while yet wearing a physical garment! Truly will you then be the Teachers of the New Age of Spiritual Freedom -- the now Active Era of the Seventh Ray!

AWAKE NOW and accept the God Power within you, which can do all perfect things for you. You do not have to wait for next year, next month, next week --- accept your Divinity NOW! All that is required is your Faith in that GOD Power, which is the Real You! Let not the harboring of the feelings of the little self delude you into putting off the day - for the time is - --NOW!

Bowing before the Supreme Source of All, the Fountainhead of Divinity, and Blessing the Life within you, in, through and around the Earth, and everywhere, I say -- Come, welcome into the Garden of the Gods, where all 'flowering' is something of magnificent Beauty.

ROWENA, BELOVED LADY

Chohan of The Third Ray - Divine Complement of Beloved Mighty Victory - Activities - Liberation - Brotherly Love and Perfect Divine Love

I am indeed a very thankful Member of God's Holy Family for the privilege which is Mine in being the Director of the Third Ray from the Focus of Liberty in France, and to have the honor

of serving with that Magnificent Lady of Heaven, the Goddess of Liberty.

When one consciously tunes into the vibration of the Liberty Flame, he can feel Its vigorous radiation flowing through his being -- and an individual in the world of form should realize that Its mighty action can liberate him from all that is less than Christ Perfection.

I would suggest that you employ the Flame of Liberty daily and invoke this Mighty Goddess to liberate you from all that is of the human. It is well for the chelas to remember that there are glorious Beings in Heaven's Realm Who can only release the Gifts of the Father-Mother God in accordance with the demand from the children of Earth for these Blessings. O, become more conscious of the gracious Goddess of Liberty and invite Her to visit you in the Secret Place of the Most High within your being.

When I contemplate the momentum of Brotherhood and Love which has been builded at this Retreat by My predecessor Paul, the Maha Chohan I am deeply impressed by the sanctity of that Beloved Being.

He prepared for the Sacred Office which He now holds through the constant and conscious use of the Holy Breath of the Spirit of the Eternal. As I am speaking with you I suggest that you breathe slowly and deeply and feel the Breath flow through you in a rhythmic manner...We will pause for just a moment to more fully realize that the Breath comes from that all-encompassing Reservoir of the Spirit of the Universe and that it is channeled to the Earth by Holy AEolus and received by the Maha Chohan to be released to the evolutions of this Planet.

Remember always to send your love and gratitude to the Cosmic Holy Spirit and to the Maha Chohan for animating your beings with this Elixir of Life - you came into embodiment on the Holy Breath and It is withdrawn from your physical garment as you leave the field of experimentation, hopefully having made great progress toward the Goal for which you were given embodiment.

There is one Breath which flows to all of Us and on that Inbreath are the Virtues of the Supreme Souce and what one release to his fellow-men is an indication of the consciounes which he has attained. When one reached the Consciousness of The Christ within, he experiences the ecstasy of the Spirit of Brotherhood and truly knows himself to be a Cell in the Body of the Supreme Source.

All life in the Universe is governed by rhythm - by the Inbreath and Outbreath. Witness the tides of the mighty oceans for a simple example; the rhythm which expressed in the periods of day and night; the rhythm of the Seasons and so on....all according to the Will of God. O, dear ones, feel the Heartbeat of the Mighty Virgo and know that you are a contributing factor to that pulsation. Cradle the Earth within our being by letting go of all the limitations of the human and merge with and feel yourself become ONE with the pulsation of Perfection. Humbly I bow to the Supreme Source for being a part of the glorious sustaining Breath of the Universe.

Our Father-Mother God, through Whose Love and Grace I am a part of Thy Being, feel the ecstasy and gratitude which is within My Heart for the privilege of carrying out some part of the Universal Plan of Creation. While I am just

one Thread in this magnificent Tapestry, as I weave that Light according to Thy Plan, I do so in obeisance to Thy transcendent Direction!

My lovely Brothers and Sisters travelling the Earth enter deeply into the heart of your beings, and then humbly kneeling to The Christ, be that Golden Man ... and in that Consciousness travel to celestial Heights to join in that Symphony of Creation, whose Keynote is LOVE DIVINE! Waste not your energy in delving into your fellow travelers affairs he is responsible to The Almighty for his release of Light -- but peacefully be about The Father's Business, and that is to see and be Perfection at all times. Thus you do not tie into negative conditions which may be expressing in another, but anoint that one as you salute The Christ within his being.

Think of your life experience in this one embodiment; as you paint your beautiful picture on the Canvas of Creation, I implore you do not delay its completion through withholding that Beauty that is yours to dispense by daubing it with a vibration, or coloration, which is not contributing to the Perfection of the Pattern assigned you and to you alone.

With the all-enfolding Love of My Being, I counsel you to "make way for the Lord in Whose embrace I dwell". Enter the Secret Place of the Most High, the Garden of your heart -- remove from your consciousness all that is human and surrender completely to The Christ within -- and as you do so, know that all Perfection dwells in this Sphere. From this moment forward, walk with the assurance that all that is less than Christ Perfection is but an illusion, and resolve to function as The Christ Identity through all your days.

SAINT GERMAIN, BELOVED

Chohan of the Seventh Ray and Violet Fire; Lord of Freedom for the Planet Earth ... Divine Complement is Beloved Lady Portia, Goddess of Justice and Opportunity.

Dear Friends of the Ages, precious Grails through which the "I AM" Presence has Gifts of such Beauty to release, I come at this time of intensified cleansing of the lower vehicles of the chelas, and all mankind, to urge you not to pass up the opportunity which is yours.

On the subject of Gifts, have you recently thought of the 'treasures laid up in Heaven'? The Blessings which you have accumulated during your various sojourns on this Sweet Earth are pulsating with great intensity in that great storehouse, your magnificent Causal Body. Certainly those Qualities or Virtues are not there just to make a halo for your glorious Individualized "I AM" Presence!

To emulate God is to be munificent, and the Virtues and Blessings which you have in your Causal Body are to be used for the benefaction of all life.

Time and again We have reiterated that when the chela can accept in his feelings that there is no separation in the Universe, except that entertained in the outer consciousness, there is no reason to be bound by limitation of Good of any kind.

I appeal to you to permit the Gifts of your Causal Body to express through you to bring forth the externalization of the Golden Age of Freedom now! This is possible of accomplishment through your wholehearted cooperation, and the acceptance

of the Violet Fire of Transmutation as the Agent which can sweep all the debris from your life-stream on a moment's notice.

Hidden some where in your being is the reluctance to accept the fact that the Violet Fire IS a Divine Activity of Transmutation, that changes imperfection into Perfection. Those unwilling feelings must let go before you can put into practice the Divine Alchemy of Transmutation and witness the IMMEDIATE activity of purification. This can, and shall be done by those blessed chelas who have sufficient Faith in My Words, and realize that I would not appeal to them to exercise the Power of God which is always at hand and can accomplish so-called miracles in the wave of a hand.

An important point which the chela should always bear in mind is that after he has used and used and used the Violet Transmuting Flame and does not have the ever-recurring impacts of the free will mis-use of God's Sacred Energy, he permits himself to become lackadaisical..It is at such times as he thinks, 'well I am rid of that', some perhaps infinitesimal pulsation of the former impurity has not been removed in the purging activity, and up it crops for purification. This is the time when the alert chela does not hesitate for a fraction of a second but should with the tenacity of one clinging to a life-raft in a raging sea, know that Faith in the buoying activity will result in his salvation. One never knows the amount of accumulation of imperfection, and should not for an instant let up on the application.

While an individual wears a flesh garment alertness is of prime importance, and the use of the Sacred Fire of Transmutation should be

engaged in daily.

I admonish you always to remember the old adage - 'like attracts like', for where Harmony abides, naught of a destructive quality can enter.

The purer the Chalice of your consciousness, the more freely can the Gifts of your Causal Body flow for the enrichment of your world, as well as for all mankind.

We await the hour in great anticipation when the Essence of Divinity, Pure and Sacred, flows through you carrying the Gifts of Healing, Illumination, Peace, Beauty and the manifold Virtues of the Godhead for the Blessing of all Life, everywhere.....Your Friend and Counselor..

SAINT GERMAIN

SAINT JOHN, THE BELOVED (or John, The Beloved)
Hierarch of the Etheric Cities of St. John over the Arizona Desert...activities Healing through music and herbs.

The Maha Chohan:

In the Cities of Saint John in the Western part of the United States, there is a great Brotherhood wholly dedicated to the bringing of natural healing measures through music, through herbs, manipulation and adjustment, and who are eager and desirous of introducing this through mankind's servants now active in this line.

John, The Beloved:

Let us turn our attention to the Musical Activity which you so kindly participated in on

Holy Thursday. This is a Cosmic Project in which I am particularly interested. In Our Etheric Cities of Light over the Arizona Desert, We employ the harmonious tones of musical expression in Our Healing Service. Several of Our Friends from THE BRIDGE TO FREEDOM Activity who have made the transition are now serving with Me in the Temples of Music at this Focus. Yesterday the Angels of Music in the North American Continent brought this Energy to Us to be further amplified. All Who dwell in the Realms of Light realize the importance and the efficacy of beautiful music in the process of stabilizing the Planet and Her evolutions.

We anticipate great accomplishment from this activity and We are grateful to have the chelas participate, for music is an important means through which they may harmonize their own beings, and as this Essence emanated from you all life is enriched thereby.

SAITHRHU, BELOVED LORD

Manu of the Seventh Root Race

Beloved people of Earth, I greet you on behalf of My Root Race and Its Sub-races. Little you know of Me or My Service or of My People. Therefore, I invite you into My Presence this morning.

A Manu is a Being Who primarily has taken the great opportunity of moulding a great number of Spirit Sparks into a specific God Design, to render a tremendous service when the time is

required upon the Planet, where the Manu is to either embody or to send forth His Emissaries.

I represent Their God-Father, you might say. In My case, I shall not embody because the Earth, through the assistance of the children of the Ascended Master Saint Germain and the tremendous calls for the Violet Flame, is being purified enough, particularly of the disembodied entities and the removal at the close of the Earth span of souls who would otherwise have to re-embody, and by the removal of the etheric records in the living and the so-called dead.

When it is of the hour of accomplishment, when the Gates of Heaven do open, there shall come forth the First Sub-race representing the Activity of the Violet Ray of Ceremonial, all equipped with magnificent voices, all able to both precipitate and levitate at the time of birth, with the knowledge of Their Heavenly Realm, with no veil between.

This great Race is due to come forth for the most part in the South American Continent, although We have experimented, and successfully, with the inculcation of several members of the First Sub-race belonging to My Dominion in the North American Continent. We have chosen South America because across Brazil and all through that country which is now jungle, the Earth has had some time to rest. Ask for, the Ascended Master Saint Germain to purify that stretch across the Equator and give to Us a beautiful verdant Earth which Lady Amaryllis Herself will adorn with beauty and clear up the human effluvia.

Within the very Earth Itself, down to about fifteen feet below Its surface, all through and across from Peru to where the Amazon flows out to Rio de Janerio, is an activity of the Violet

Fire established. This results (and you will see it in your papers) in a great number of poisonous reptiles and various effluvia being spewed forth in the Amazon and then out to the Ocean; and the Amazon will no longer be a flood of mud-tide but the beautiful sapphire blue which is the color of the waters of Our Kingdom.

As Manu, there is one Root.... and that has seven branches. It is like one tree with seven great branches; only they do not all flower at once. They flower, each one, starting from the left on to the right until the seven Sub-races have found expression and completion. Then the Manu and all the Sub-races join together and Ascend, even as They have descended before. This may clarify for you something which perhaps was confusing within the mind consciousness.

As for Myself, I shall materialize at the proper time. I shall not take an infant form but I shall materialize when the Beloved Ascended Master Saint Germain's Kingdom is established on the Earth fully, when mankind, elementals and Angels are all joined together in harmony. Then I can bring in the great numbers of those mighty Beings Whom I Fathered and Whom I love and They, in turn will enhance the perfection of that Golden Age.

SANAT KUMARA, BELOVED ... Lord of the Planet Venus, Divine complement - Beloved Lady Venus.. Beloved Sanat Kumara is The Mighty Being mentioned in the Bible as "Ancient of Days" Savior of the Planet Earth....

How I love you, each dear one... I have followed your progress on the Path for centuries and My Being is filled with gratitude that you are now on the higher rungs of the Ladder of Light, entering the Christ Consciousness.

Lovely ones, you commented on the beauty of the heavens and the brightness of the Stars as you came to Class, now try to envision what the Etheric Shamballa is like this evening..... just glorious. The Cosmic Highways are open and many Beings from other Stars are here to be present at the Thanksgiving Class and to discuss with the Beloved Lord of the World, Our Holy Gautama, Plans to be set into motion when We go to the Royal Teton next month.

Oh, I invoke you, dear ones, turn your attention often to the Etheric Shamballa for it is so beautiful... exquisite Expressions of God are walking thru the various rooms, and the corridors are filled with the Angelic Host escorting these Beings to different places in the Temple. Of course They are familiar with these rooms but it is courtesy of the Lord of the World to provide and escort .. the Angels from His Legions are happy to do this. Oh, beautiful, beautiful Shamballa!

I know dear ones that you will be very interested in the amphitheatre this month..... It is a replica of Long Island in a more purified form, and completely surrounded by the glorious Violet Fire... and the Angels of the Violet Fire

will be in attendance to escort all Who gravitate to this amphitheatre to purify them before they set foot upon the actual surface. This amphitheatre is very interesting... many of you have learned of the Focus of Holy Mother Mary on the Eastern part of Long Island - Our Lady of the Island - truly magnificent - and pilgrims in the future will go there, and are even now doing so, for the Blessing which they receive from even coming into the aura of this Focus.

It is, as you know, the Gift of the Orthodox Religion, and We are very grateful... We use every constructive activity to further the Service of the Brotherhood. I sent several chelas to that Focus to place their hands upon the stone which the Representation of Beloved Mary and the Child Jesus stand, and when they did so, a current of Light from Shamballa was anchored into that Focus... and the Beings of the Elements have constructed a duplicate of the Statue in the amphitheatre. Still further, from that physical Focus there is now a direct Ray of Light to The Christ of the Andes, and you all know how magnificent that Focus is. This is very important for South America is being purified and We shall appreciate your calls for the Incoming of Lord Saithrhu's Seventh Root Race Children. so you see all the pieces fit into the Great Plan!

Oh dear ones, consider the gratitude in My Being when you think of the centuries that I cradled this Earth to My Bosom..... She is My second Home, and to see the manifestation of the Divine Plan, particularly for this Holy Island, ready to come forth in all Its Glory fills My Being... I bow in humble gratitude to every person upon this Planet who has put their feet on the Pathway of Light, and to the chelas in particular.

Lovely ones, think now of the glorious Three-fold Flame blazing at Shamballa and know that It also blazes in the substance of the Earth at the Focus of Lord Gautama in the Garden. Realize that the one in the Garden is not just a small Flame - It expands to cover this entire property to bring all into perfect balance.

I bless you, I Thank you, I love you, and I bow to your Light!

SERAPIS BEY, BELOVED - Hierarch of the Ascension Flame Temple - Chohan of the Fourth Ray

Beloved Friends, seeking the way toward eternal freedom, it is My privilege and My honor to bring to you some of the buoyancy of that Ascension Flame, that Flame which is constantly rising from the Earth as a ladder of Light and Energy, upon which, when any man, woman or child is treading he or she may ascend into perfection, the Realm of Divinity from whence they came.

Of what is this Ascension Flame composed? It is composed of the magnetic powers that were drawn by Beings Who volunteered when the Earth first came into being, to stay upon the Earth and to magnetize that Light as a ladder in the atmosphere upon which those Who were ready might ascend. It is composed then of the powers of invocation and magnetization by many priesthoods in every Golden Age that has been. That Ascension Flame is composed also of the ascending energies of all the prayers and decrees and fiats, all the invocations and aspirations of every

lifestream upon this planet Earth. It is gathered up by the Brothers and Sisters of the Ascension Temple and by the Silent Watchers of all the various nations upon this planet -- that energy is gathered up and becomes part of the Ascension Flame.

The Ascension Flame is therefore, like all the Flames and Rays, dual in activity. It is the descending, conscious stream of energy from the Godhead which is drawn and sustained upon the surface of this Earth through the self-conscious cooperation of the Brothers of the Ascension Temple; and it is also ascending energy of the mankind of Earth, the Angelic Host imprisoned here, and all of Life that is aspiring upwards.

Within this Ascension Flame is the record of every Ascension that has taken place upon this Planet Earth. That is why it is such a happy Flame. Every Ascension, the first and second root races and all their sub-races went Home, you see, on that Flame. Then the lower activity came in with the laggards from the other systems, but yet from time to time individuals did persevere in the purification of their vehicles and utilized this Ascension Flame; and the gratitude of the lifestream when it is caught up into the Infinite "I AM" PRESENCE knows eternal freedom from bondage, from limitation, from fear and distress of every kind, can hardly be described to the outer mind. That is the imprint in the Ascension Flame. Everyone who has become God-Free, who has utilized that -- many of your loved ones who have passed through the change and have ascended -- have utilized that and their energy is within it. This buoyant Flame is not to be treated with a consciousness of fear and a consciousness of a negative feeling.

The Fourth Ray, like the First Ray, is a very positive Ray and it is liable at times to affect people adversely, shall We say, and because Our disciplines at Our Retreat seem so severe, and because all recorded history seems to have shown up the weaknesses of unascended individuals. Unfortunately, there has not been recorded the Joy of those who have utilized that Ascension Flame.

Now when any lifestream is ready for the Ascension, he is either summoned to the Ascension Temple in his inner body while his physical body sleeps, or a Sponsor, one of the Ascended Ones goes to that one, enfolding that lifestream in a river of the Ascension Flame.

That Ascension Flame is Intelligent, beloved ones, and I have loved it long and loved it well. It can ascend any condition in which you find yourself. It can ascend that condition from limitation into harmony, from distress into peace, from poverty into opulence, from discord into perfection. It is one of the activities of Divine Alchemy which the student body for the most part, have not thought about using.

Now, accept this Ascension Flame in God's Most Holy Name. Perhaps it will help you to remember Me happily. Morya and I stand alone in the severe discipline. Some times We are very lonely but We can be very sweet and I know that the Ascension Flame can do much for you. God knows that I want you ascended more than you do yourselves, for you don't know how important it is and you don't know the glory. But no matter how much I want you ascended, I want Saint Germain's Kingdom established on Earth more. Therefore you see how the Brotherhood works. It is My Service to

Life to ascend mankind. The Cosmic Law has decreed that the Golden Age shall be established on the Earth.

SERCULATA, BELOVED MIGHTY

Silent Watcher for The Galaxy.....Cosmic Mother of all Silent Watchers..... (some times spelled Circulata

SONATA, BELOVED LADY Cosmic Quality - Harmony; serves with Beloved Serapis Bey and Beloved LaMorae ...from the Music Temple around the Sun of the System above the Earth in the Aura of Beloved Kirshna and Sophia.

I come to you this evening bringing My Momentum of Cosmic Harmony, that expression which you have all begun to create in your own worlds.

You know that I serve with the Mighty Serapis and the Beloved LaMorae, and while all the Beings in Heaven's Realms release a harmonious radiation at all times, -- these two Beings are fervently dedicated to the release of music in the world of form.

You have experienced many days without the Light of the Sun shining through the clouds, and when you again see the Sunlight breaking through the clouds, what a glorious picture it presents. How it lifts the spirits of one and all, I give this to you as a simple illustration of what is taking place in the worlds of the chelas.

Not so long ago there were intermittent periods when the Light could be seen emanating from your beings, but now it is the Light of the Sun of your beings which is the rule, - rather than the exception.

Be encouraged, lovely ones, you are bringing greater happiness to Our Hearts as we notice the earnest endeavors which you are making to be The Christ in Action. I might liken Our feelings to that of a Conductor of an orchestra who has diligently, and patiently, trained its members, - and finally they are ready to present a perfect rendition of the Themes presented to them.

The chelas do this spasmodically. However, We find that We must repeat and repeat and coach you in the lessons of Harmony, and anticipate the day when your every action, word and deed will release the Christ Plan which is your reason for being. As We have told you previously, do not try to emulate your fellow traveller, his Christ Self has the Divine Blueprint which he is to express in the Cosmic Scheme of Creation. Remember always that it takes the many to compose the Whole.

Let us picturize the basic notes of the scale. When the tones of your being are in perfect harmony, they can be likened to the seven bodies in perfect alignment, -- the Christ in action in the world of form.

Can you envision what a tremendous assistance would be given if We had chelas who could unreservedly blend their energies in perfect Harmony with Us. Greater would be your service to the Earth and Her evolutions, - thus more quickly would the Permanent Golden Age come into expression.

SOPHIA, BELOVED - Quality - Wisdom; Goddess of the Third Sun from Alpha and Omega Divine Complement - Beloved Krishna (God of the Sun)

Good Morning, Children of Light serving on the Earth to restore Her to Her Divine Perfection, thereby allowing the Glorious Virgo to wear Her Garment of exquisite Beauty which She once knew.

Just consider My Presence as a Sister-Being who has attained a higher state of evolution than you presently enjoy.....and I believe that will result in a greater compatibility. You know that the finite mind often removes Us from true Friendship and Compatibility, for the human looks upon Us in awe. Love and respect is Our due, but separateness does not belong in the consciousness of co-servers in the Light.

You have read and have heard on your television sets...Many comments which have been made about the BERMUDA TRIANGLE, and about what happens to the conveyances and the individuals who suddenly disappear from the Earth scene. Ah yes, they disappear from human sight.

What then? In many instances (notice I do not say all) - these departures are carefully planned by the Spiritual Hierarchy. Many of the individuals involved in these "disappearances" are lifestreams who have been trained at Inner Levels for extraordinary service to this Planet by reason of momentums in their Causal Bodies. These individuals have been taken to a specific Retreat within the Earth's surface. Naturally We shall not make an announcement as to the location of this Retreat for, as you say, "news travels fast", and there would be much speculation and exploration by the scientifically minded as well as the curious.

I specifically add, - NO ONE not engaged in this tremendous Project could reach these Foci without assistance from certain Beings, for they are carefully guarded and protected.

The selected lifestreams, above mentioned, are in a sonambulistic state when they reach their destination. They are taken to a place of rest to acquaint their inner vehicles to the Radiation, and during this period they shed their physical garments, and when they awaken, so to speak, they are in 'bodies quite different from those worn on Earth, in order for their survival in this rarified atmosphere.

Prior to the point of awareness, they are taken by their Teacher into a Chamber where they cast off their physical garments, then advancing to another Light Chamber are clothed in vehicles compatible to the Radiation of the Focus, which will enable them to survive, as aforesaid.

Many well known individuals, -- and others who did not reach public prominence, have departed the Earth plane in this manner. Your beloved Aviatrix Amelia Earhart entered this Kingdom through a channel in the Fiji Islands, and she will give magnificent service to the evolutions of this Earth at the appropriate hour.

One individual, - in embodiment, - has been taken to the fringe of the Eastern Focus, - in the etheric garment, without knowing of course where it is located, and has peered through the mist and seen some of the inhabitants, and upon awakening in the physical garment was aware of this Project.

Why is this taking place? At the time when

the Earth changes take place, there will be openings in the surface of the Earth through which these lifestreams can surface, - wearing their physical garments which are now being carefully preserved. This Art is not new, but one of the carefully guarded secrets of the Illuminati, to be released with other Truths at the time indicated by the Cosmic Law. All this may sound incredible to you - like science fiction. Nevertheless --- the passage of so-called time will prove the Truth of which I speak.

I do not, in any manner, - wish to have you stretch your imagination by delving into detailed exploration, for your energy is required at this important hour to bring about the purification of the Earth and Her evolutions. I repeat the word 'imagination', for the human is prone to explore and conjure up all manner of situations. When Truth is to be given, We shall lovingly present it to you, but this subject is a delicate one, - and the Foci are so located and guarded that without the assistance of a member of the Spiritual Hierarchy there is no means by which you could approach this or any other of its nature.

Take what has been released into the sanctity of your hearts, and there, in prayer, send gratitude to those lifestreams who are preparing to render amplified service to those who will be in embodiment at the time ordained by Cosmic Law.

SURYA, BELOVED LORD

Hierarch of the Retreat at Suva.....Quality -
Peace and Financial Supply.

Friends of Heaven, each a microcosm in the boundless Sea of Infinity, I call your attention this morning to the emotional activity of life!

I have a special reason for referring to the Water Element - for from Our Retreat at Suva through the centuries We have learned to protect this Focus from the capricious and sometimes raging storms of the Water Element!

At this time in the Earth's evolution it is essential that the chelas learn to control their own emotional vehicles. I do most sincerely commend you for your accomplishment thus far! However, the chelas are in the minority when We consider the vast numbers of the peoples of this Earth, who at the present time have no concept of the power for Good which results from emotional control.

As the Oceans and Seas cover the greater portion of this Planet, I appeal to you today on behalf of the masses. Currently through the service which is being rendered this year by the Spiritual Hierarchy and the chelas serving with Us, it is as though the Hand of God has stilled the roaring waves... the waves of the emotional vehicles. Seeing as We do the still un-controlled emotions of the many which could be stirred into destructive action by any so-called catastrophe that might take place...I repeat, might take place, it is expedient that We render greater assistance - and your continued cooperation is of vital importance.

As you know, I had the honor of serving as the Enfolding Spirit last Year, and it was not only

My privilege, but My bounden responsibility, to quell the emotional activity of all life.

The calming Flame of Peace, through the Three-fold Activity of Life, is flowing to all at this specific time when the Radiation of Our Retreat is accelerated...and you are presented an opportunity to render tremendous assistance to the masses!

Referring further to Our Focus, you know that We use the Magnificent activity of the Water Element within the very confines of the physical Focus, to not only inspire all who come here, but as an unguent to the emotional garments by registering Its Beauty and Peace in the etheric consciousness.

In a smaller measure you know what it means to gaze upon the still waters of a lake and as the placid picture presents itself to your emotional worlds, how you are blessed through the benediction of the peaceful radiation.

When you realize your emotional vehicle is composed of countless Undines, consider their gratitude as you sustain Peace in your feeling worlds. I counsel you most sincerely to remember this fact. When any part of life has an emotional outburst... all life is affected thereby.

Think, too, when the Undines of great and imposing stature go on a rampage..... when the tremendous Sylphs of the Air are disturbed as the result of etheric activities of an uncontrolled nature. It is parallel to the same components in your own garments.... how they react when irritated.

Perhaps you are aware of all this, but it is expedient that I refresh your memory.... for

buried within the etheric vehicles of mankind en masse are many causes and cores of imperfection which could be set into action through emotional irritation.

We are depending upon you to further purify the emotional activity of all life.... you have the "tools" to accomplish this.... through the transmuting power of the Violet Fire and other sacred Agents of Purification. We anticipate your continues Service!

TABOR, BELOVED GOD GOD.....God of the Rocky Mountains - Focus is in the Teton Range.

I would like to tell you something of My Focus here in the Tetons. It is a glorious Crystal Palace and the surrounding Gardens are filled with scintillating flowers which are of a crystallized substance, and as any specific activity of the Light is required, the color of that Ray blazes up from the roots of the plants and scrubbery, as it were, and shining through the crystalline substance it is directed into the outer world by the Beings in charge of this activity.

Every day of this week, We are playing the color of the day through these Gardens and the chelas will be the recipients of the Gifts and Qualities of the specific Ray. While there is a most powerful activity, it is one of a soothing nature and this unction will assist you in raising the vibratory action of your vehicles. I sincerely trust that you will accept Our humble Gift to your lifestreams, and all that you

need to do for this Blessing is to daily give recognition that this service is taking place all through this week. I believe you will find this to be a most pleasurable and beneficial experience for each of you.

I now have the privilege of telling you that the Beloved Elohim Vista and His Glorious Complement Crystal, in consultation with the Beloved Gautama, Lord of the World, have decided to use this Focus, and invoking Their assistance you will find that your Powers of Concentration will be greatly accelerated! As I am informing you of this activity, these magnificent Beings of Light are blazing the activity of the All-Seeing Eye of God through each of you! Humbly We bow to Their Light and Love!

THEOPHRASTUS, BELOVED LORD

Activities - Understanding and Application of Spiritual Law.

"I AM" He who followed Plato and Aristotle in the Peripatetic School. I shall impart to you in simple terms answers which are imperative to the understanding and application of the Spiritual Law.

The Karmic Board is a Council which voluntarily assumed both the responsibility and obligation of meting out the necessary lessons required by each individual who has taken embodiment upon the planet Earth. All of mankind were originally created in the image and likeness of the Father-Mother God without taint of sin. Each one was endowed with the power of free will in using his

creative faculties to fulfill his portion of the DIVINE PLAN. While each individual utilized this free will to fulfill his Divine Missions, the First Golden Age flourished. At that time there was no requirement for the Karmic Board. The Second and Third Golden Ages completed their course in a like manner.

The cycle of the Fourth Age upon the Planet Earth found Her a voluntary hostess to a peoples from other planets who had rebelled against God's Law and were thus planetary orphans (laggards). Then the peoples of Earth, despite the protection invoked from Lord Michael and other Divine Beings, succumbed to the subtle sin of curiosity. Their experimentation with the misuse of free will caused what is known as the "fall of man". They became enamored of their use of the creative powers, independent of God-direction, and that which you know as the soul was born. Anticipating this rebellion against the Father-Mother God and the resultant discord which would ensue, three Divine Beings volunteered to assist anyone so enmeshed in this personal and mass creation of imperfect thoughts, feelings, words and actions. Thus the first Karmic Board was formed. Through successive ages, due to recalcitrance upon the part of Teachers as well as students, the number of Members of the Karmic Board has been increased to seven - each one representing a particular God Virtue temporarily lost by man. The Divine Beings who comprise the Karmic Board qualify for Their Office according to the requirement. Thus the Office and the individual Being are not always the same.

At the close of each embodiment, the soul is required to appear before the Karmic Board.

Here he is given opportunity to explain THE REASON for the activities in his last Earthly embodiment. The Karmic Board in turn looks upon the MOTIVES behind such activities and assigns each soul to a realm whose vibratory action is akin to such an one's consciousness. Also at this time a Teacher either volunteers or is assigned to such a soul so that it will better understand the reason for its being, and upon its return to Earth in the next embodiment have opportunity to make restitution.

As a man sows, so shall he reap. Therefore all energy the soul has misqualified becomes "evil" karma; and that which he qualified in a constructive manner is good karma. It is oft-times referred to as the Law of Cause and Effect. Purgatory is not a place, but it is an activity of purging the soul. Man is not required to carry his imperfect karma with him until he leaves his flesh body. The act of purgation SHOULD TAKE PLACE as soon as he is privileged to know of the Sacred Fire of Transmutation and by co-operation with the Karmic Board and the Divine Beings who are waiting to assist him when so invoked. Those who refuse to accept this Truth while in embodiment will, of necessity, be assigned by the Karmic Board to the exercise of purgation after so-called death.

Hell is the state of consciousness - an uncomfortable one - in which man reaps the results of his misdeeds. When he learns the use of the Sacred Fire of Transmutation, he can remove the resultant effects of his misdeeds. It is entirely man's self-chosen estate through the mis-use of free will. He can remain in the consciousness with its attendant suffering or extricate himself by the act of purgation. As we have previously told you, each individual has lived for ages of

time. Therefore the extent of each soul's personal hell and period of purgation is determined by his use of life through those ages. His redemption will likewise require a balance of constructive endeavor. There is no permanence to hell or suffering of any kind when the individual ACCEPTS THE LAW OF THE CIRCLE, takes full responsibility for the conditions in which he presently abides, and makes humble application for assistance in his redemption.

THOR, BELOVED MIGHTY

Director of the Energies of Air Currents - Divine Complement of the Beloved Lady Aires..Activities - Air and Air Currents - Directors of the Sylphs.

I speak in the Name and by the Powers of the energies of the Air Currents which I, Thor, send North and East, South and West carrying moisture, carrying warmth and all the activities of a constructive nature through the Sylphs of the Air. I, Thor, am never still. Those beings, the mighty Sylphs who work with beloved Aires and Myself have some of them grown to gigantic proportions.

Beloved ones, if I should release the Sylphs of the air, who throughout the ages have absorbed the human creations of the peoples of this Earth, until you had developed an affinity with them, think you the condition of the Air Element as those Sylphs uncontrolled by Myself and Lady Aires should they vent their wrath on all who have antagonized them through the ages! Therefore, We are obeying the Divine Edict of holding in check each member of the director of the kingdom of the beings who serve under Us until the various

little ones, and big ones too, who represent the Elemental Kingdom can find real love and affinity for mankind.

Although in picturization mankind have distorted the expression of Myself, it is true that "I AM" the Pressure which moves the very atmosphere, created by beloved Aries and in the moving of that atmosphere, keeping it circling round and round this planet Earth there is opportunity without limit for the alert chela to understand and cooperate with Me and beloved Aries and the sylphs, in doing what? In seeing that where there are mass pressures of humanly created substance, that the power of Aries and Thor are yours to invoke and to move those pressures out perhaps into the sea, where they can be transmuted and then carried by Helios and Vesta into the Sun for repolarization and no harm can be done to the peoples of Earth and those who are on its continental surface.

I have never been the cause of a cyclone or a tornado, which should be self-evident to the thinking mind, but the Sylphs of the Air like human beings and imprisoned Angels have free will to a certain extent. They gather, just as disgruntled human beings do, in certain vortices where they build up through unpleasant feelings and thoughts and conversations, which is evident to Me though perhaps not to you, a vortex which becomes 'the "eye" of a hurricane, a cyclone, a tornado. Then that energy following a track causes destruction. You all know one of those mighty vortices is in the Caribbean and there I have established a Luminous Presence of the Elohim of Peace to arrest as much as possible of the turbulence of the Air Element.

Air can be your servant. It was the servant

of the peoples of old. Air filled the sails of the early boats which came to your great country. Air is the life which you breathe in, by which you live. Or the activity of the Air Element uncontrolled can be your master, for without air your physical vehicles would perish, but it is the allowing of the inhalation and the exhalation of air which is purified within every twenty-four hours by special Beings belongs to Our Divine Court that you have the use of the power of drawing the breath, holding it, expanding it and blessing it as you send it forth to some other part of life.

Now many peoples, much of life draw that energy in from the air currents, utilize it to sustain themselves on the surface of the Earth but they release only that which is pollution into the atmosphere, instead of a BLESSING to life. There again you have the activity of the perfect and rhythmic breath drawing in of Our Gift of Air, absorbing it within you, letting it expand through you, filling and vitalizing your vehicles with its essence and then as it passes from your bodies blessing it and sending it forth with a God Gift and Benediction to some other part of life.

TRANQUILITY, BELOVED

Elohim of Peace and the Sixth Ray, Divine Complement of Beloved Pacifica - Activities: Sustained Peace and Ministration.

I come into Earth's Atmosphere today through your magnetic "forcefield", the center of which

is above your Sanctuary; the energies of which "forcefield" have been drawn here from the heart of Creation in answer to the calls of your precious hearts all through the years. On the energies of your own life I shall write the words which complete the pattern of conscious precipitation, by which We created the Universe under the direction of Helios and Vesta. A part of this creative Scheme which We brought forth into manifestation at that time was your own sweet Earth, which is now the platform beneath your feet and has provided for you and your fellowman a "schoolroom" to which you voluntarily chose to come to learn the conscious control and mastery of energy.

What We have done on a Universal scale by the use of these seven progressive "steps" on consciousness, each and every one of you can and one day must -- use to draw forth direct from the Universal those gifts of Light's perfection which are the Will of God for you to enjoy and be able to give to your fellowman. This is because the ability to precipitate is a natural attribute and power of your own "I AM" Presence -- your Father-Mother God --- the source of your being and the creative heart-center of your present consciousness.

Your "I AM" Presence first became conscious of Itself as a living, breathing Being when It was first directed out of the Universal First Cause. When that Presence found Itself to be an individualization of God-consciousness, It then chose to draw to Itself the substance of primal light (life) and qualified it with the God-ideas of Its own personal consciousness. This qualified light was then sent forth by It to create and expand the beauty, glory and ecstasy of creation.

Since the very nature of God -- light -- is to expand perfection, that "I AM" consciousness then determined within Itself to leave for a time the heart-center of the atmosphere of Its Creator and explore the Seven Spheres of Consciousness which surround Its God-head -- the Sun from whence It came. It remained for as long as It chose in each Sphere, to learn to use the specific powers of creation in each of these Realms. In this way the "I AM" Presence drew into Its Own Causal Body the Seven different momentums of qualified energy which appear as the seven colors around the Upper Figure on your Chart (Holy Trinity Picture). As the "I AM" consciousness gradually proceeded from Sphere to Sphere, It finally chose the activities of one of those Spheres which most appealed to Its liking and It there decided to develop some specific expression of God-power along one of the Seven Rays which would be Its gift to the Universe.

After this individualization of your own lifestream had passed through all of the Seven Spheres of creative consciousness (the Causal Body of the God-head) those who decided to try embodiment upon the planet Earth then applied for such permission to the Manu of the First Root Race (the Cosmic Being Who was in charge of the evolutions here at that time). Thus, in the denser substance of the Earth-plane, that Presence learned to wield the powers of thought, feeling, spoken word and action and consciously create as the Father does. "Hitherto hath the Father worked; now, the Father and I work"! Now comes the time when each individualized God-flame of His Consciousness must work cooperatively with the Father to expand the borders of His Kingdom. The above statement of Jesus has been spoken by Us to the chelas this year perhaps more than any other and everyman has interpreted it according

to his own understanding. Some feel that it means but greater radiation of sustained harmony; others feel that it means the spreading of the Light and Truth by contacting more of mankind, acquainting them with the Laws of Life....helping to bring them to a realization of the power and powers of creation which are within them. Still others feel that it is learning the ways and means of actually engaging the energies of the inner and physical bodies in creating as the Seven Mighty Elohim create -- in a conscious, ordered, scientific precision, by the use of thought, feeling, spoken word and action -- thus producing instantaneous precipitation direct from the Universal.

TUTHAM BEY, BELOVED

May I introduce Myself - I am Tutham Bey, Brother of the Illustrious Serapis! I have come heralding His Presence.

I would like to take this opportunity to remind you of the High Office which My Beloved Brother holds in the Spiritual Hierarchy and what His Service means to the Planet Earth and to you, each dear one, and to all life..... Serapis, High Priest of the Ascension Flame, who through His dedicated Love has nourished and sustained that merciful and loving Flame through the centuries... a self-chosen, voluntary exile from the Planet Venus.

I just wish to remind you how much all Life really owes to this Great Master of Love. He did not know, of course, that I was going to speak in this manner. He thought I was just

paving the way for His entrance into this Sanctuary ..but I think I have chosen a few words which will remind you of the debt all life owes to My Beloved Brother - the Master Serapis!

URIEL, BELOVED ARCHANGEL

Angel of Ministration - Divine Complement - Donna Grace - the Angels of Ministration are the Messengers of the Most High.

I am Uriel -- Archangel of Ministration --- and I have come to you today in response to the heart-calls of certain lifestreams in embodiment here who are so sincerely interested in bringing about the eternal freedom of the Planet upon which they presently abide!

It is Our reason for being and service to life to minister unto any part of creation which requires assistance -- especially now in the re-establishing of the natural harmony and higher vibratory action of the Earth Itself, as well as of the vehicles of expression used by Earth's evolutions at this time. This will culminate in the fulfilling of the Divine Plan of perfection eventually manifesting through individual lifestreams, Elemental life evolving here and through the Inner Spheres of the very Planet Itself.

Beloved ones, I might say that the activity of Ministration to which We so lovingly dedicate Our lives, represents a great deal more than the average individual thinks when they either refer to or contemplate upon a Ministering Angel.

In the first place, within the Ministering Angel there is the will to serve until the entire world of the lifestream to which that Angel has dedicated Himself, is in complete harmony. Now, there are those Ministering Angels Who deal with just one lifestream at a time and even that is quite an expenditure of time and energy ---quite enough when one considers that the lifestream needing such assistance has builded the causes of his distress (the transmuting of which now needs the Angel's help) for millions of years in the pursuit of what he calls "happiness"!

You see, to be allowed to render this service, the Ministering Angel must personally desire to so do. That Angel is a Being of free-will and so must offer to serve. Every individual present here today and every member of the human race still unascended (this of course, including every 'laggard' who came here from other systems and every Guardian Spirit who came to give the Earth assistance) has such a particular Ministering Angel who has volunteered to serve him from the beginning of his evolution here, staying with him until his journey is complete. Before Helios and Vesta, a long time ago, that Ministering Angel took a vow to serve a particular lifestream until it has achieved its Ascension --restored to its Divine Perfection at the close of all earthly embodiments.

These Ministering Angels are natural conductors of both PEACE and HEALING but it is sometimes difficult to get mankind quiet enough in their thoughts and feelings to receive these gifts. Even when the phsyical body sleeps at night, the aura about it is still swinging around; the soul is darting here and there in various directions, always in search of some sort of happiness. It is part of the service of this

Ministering Angel of the Sixth Ray to quiet the feelings, mind, memory and flesh body and bring them PEACE.

Finally, the Ministering Angels are very powerfully developed ALONG the Ray of INVOCATION. Of course, They have constant access to all the Virtues of the Godhead and, because They have the God-gift of inner sight, They know just what is required by the lifestream whom They have offered to serve. Therefore, from time to time, as the Cosmic Law permits (according to the Karmic obligations of the soul concerned) these Angels do invoke the help of the Ascended Beings and powers of Light to draw the particular assistance which the lifestream requires at the moment.

Beloved ones, there are many blessings available to mankind which they could have and enjoy if they only knew of and would call for them; as well as Ascended Master and Angelic friends Who could release those blessings into man's experience. I know, because in the activities of Ministration, We work with the Silent Watchers over every City, State and Nation, as well as with the Silent Watcher of the Planet Itself.

As you can easily see, the Ministering Angels are always endeavoring to draw your consciousness to something which is constructive and hold it there. That is part of Their power of Concentration, as well as Their desire to bring you peace. This ministration is Our great joy to give to the Earth.

Now, as we previously said -- these Angels of which We have spoken have offered to serve just one lifestream. In My capacity as Archangel of Ministration -- I have offered to serve the entire Planet Earth and all the lifestreams who

would ever take embodiment upon Her -- all Elemental life and every living thing; until the substance of Earth Itself and the Forces of Nature should be restored to Divine Harmony and Eternal Perfection. So --- what I have said about individual Ministering Angels you can multiply by ten billion and then know something of the service to this Planet and Her evolutions which has been offered and given by Beloved Donna Grace and Myself.

VAIVASVATA, BELOVED LORD

Manu of the Fifth Root Race; Activity- Responsibility for the evolution and restoration of the Fifth Root Race and all of the Sub-races

VENUS, BELOVED LADY

Divine Complement of Beloved Sanat Kumara - Hierarch of The Planet Venus;- Activity - Crystal Ray of Beauty; Goddess of Beauty.

All so-called "matter in the physical appearance world is simply energy and has intelligence within it! The substance which composes the actual physical chairs, tables, etc., which you use has intelligent life (light) within it -- the "electron" in every atom of which it is made. This intelligent light within will respond to the direction given it by the consciousness of the lifestream which has within its beating heart a focus of the Creative Three-fold Flame. Therefore, to draw about you greater beauty and perfection which you desire and which is not now

manifest, is simply a matter of your speaking directly to the "Light Center" in every cell and atom of the substance around you -- always, however, speaking in the Name and Authority of the Creative Lord "I AM". Before so doing, however, still the outer self for just a moment or two and, realizing your ONENESS with that Creative Word and power of manifestation -- "I AM" (which is God's Own Name --Exodus 3:14 --and your own life!) command the substance of this physical world to yield to you the beauty which expresses the Divine Plan. The desire for beauty is really innate within ALL life, for it is one of the greatest qualities of the Godhead and therefore man's natural estate, since all life is one -- no matter when or how it is expressing.

So, when there is a craving within you to draw forth more beauty into this physical appearance world, just realize that this is really in accord with your Divine Plan of Life (your reason for being) and you are -- RIGHT THEN -- "in tune with the Infinite". You see, your very desire for beauty is a propelling power which moves you forward to victorious and NATURAL accomplishment -- not one which is in opposition to God's Will for all. In other words, you are "Swimming" WITH the tide, taking advantage of Life's natural forward-moving current; not, in your frail bark (outer limited consciousness), getting into currents of energy which are not in accord with the Divine Plan and so attempt to hold back the glories of the Golden Age which has now dawned.

The Ray of Beauty is the Crystal Ray -- the highest rate of vibratory action expressed in each of the Seven Rays. It is the centralized core of each Ray -- the color of that Ray enfolding the Crystal Ray which is Its Heart Center.

Beauty and Love are the very essence of Divine Perfection and the more beauty which is expressed by one (in person and surroundings), the higher the vibratory action of his world.

The mental and feelings worlds of an individual are creative centers and are constantly receiving a flow of Life (energy -- light substance) from that lifestream's God-self --- the "I AM" Presence. When this stream of life is allowed to flow into and out through the four lower bodies uninterfered with by human discordant thoughts, feelings, spoken words and deeds, the rate of vibration expressed by that lifestream will manifest only perfection in, thru and around that person. Then that which is drawn about the individual would produce God-beauty because it would correspond in substance to that perfect vibration of the "I AM" Presence and the musical "keynote" which also naturally belongs to every lifestream. The Presence of any Perfected Being always brings an exquisite fragrance, color and musical tone.

However, through the destructive use of their own God-gift of free-will and having forgotten their Divine Source, mankind have used their creative, centers of thought, feeling, spoken word and action in such a manner as to create shadows, rather than expanding light. In this way they have lowered their natural vibrations to a point where sustained harmony in the feelings is not held and those vibrations are then slowed down to the place where dis-ease and other distressing limitations manifest. Life is perpetual motion and if one will not allow the God-self to manifest Its Plan of Perfection, then the outer self is likely to manifest that which is just opposite to that Plan.

Therefore, to have more beauty expressing in, through and about one, the lifestream so desirous of that quality must quicken the rate of vibratory action of his four lower bodies (physical, etheric, mental and emotional). This is done by the daily, rhythmic use of the Violet Transmuting Flame which purifies the substance that has been qualified with discord and raises its vibrations into light -- the natural rate of his own keynote. Thus the consistent use of the Violet Fire removes the causes and cores of human distresses and the distressing effects simply disappear since their source is gone. Then, as light takes the place of the shadows, the rate of vibratory action is raised and, as this continues to increase, the exquisite beauty of the higher vibrations will be drawn about the individual -- since "like attracts like" -- both above and below!

The Law of Magnetic Attraction is little understood by the students. Those who desire to bring forth beautiful Temples to the Sacred Fire and the exquisite decorations and furnishings which will adorn them....those individuals who desire to make themselves a focus of the bringing forth of such physical beauty in this physical appearance world must remember that, unless the vibratory action of their own lifestreams (the high vibrations of their own natural "keynote" of perfection) is the drawing and sustaining power of their creations, the beauty they draw ... even though it may appear by sheer effort of will cannot and will not be sustained..

Thus there must be a constant vigilance on the part of those who desire to attend the Flames in the Temples, to keep their worlds in such a high state of consciousness constantly that they will vibrate at a rapid enough rate to sustain

the gifts which the Gods will give into their keeping at their call. In other words, the living, breathing lifestreams of those who so wish to dedicate themselves will be the living Divine magnet to draw and hold the glories of perfection here on Earth which will compel mankind at large to stand and gaze in wonder and in admiration. Then, through the natural craving in their hearts for beauty, this perfection will impel mankind to seek the instruction and understanding of the Divine Law by which they, too, may be able to surround themselves and their loved ones with the choice gifts which it is the Divine Will of the Father for them to have and which His Messengers (among Whom are the Ascended Masters and Angelic Host), can and do bestow upon those who qualify as Guardians of such Gifts.

VESTA, BELOVED MIGHTY

Goddess of the Sun, Divine Complement of Helios - (God of the Sun of the System to which The planet Earth belongs) Activity: Light and Truth

"I AM" Vesta, Goddess of the Sun, come again to give to you, My children, an investment of MY LIGHT; an investment of the Presence of Myself in the consciousness of your emotional, mental, etheric and physical worlds and the investment is truly a power wherein and whereby you become in yourselves an activity of the expansion of the Light of this particular Globe on which you presently abide.

Many aeons ago, beloved Helios, My Divine Complement, and I qualified to become the Sun God and Sun Goddess for this System. As you

know, We designed with great harmony and in great joy the Planets of this System including this Earth which was a small Planet in Our Divine Design, to be occupied by about three and a half billion peoples and then before the Manus had prepared the individuals to come into being, We had the assistance of the Great and Mighty Elohim Who of Themselves came with the Mighty Immaculata and drawing of primal Life Essence created that little Globe on which you now abide.

She was shining then with all the beauty and love which Helios and I and these Great Builders of Form and the other Beings Who offered to assist Us could manifest. On this shining Orb came forth the first Manu of the Root Race and His sub-races. They found this Plant Earth truly like unto the orbit of Our Sun.

Ages have passed and temporarily the Earth has been clothed round by imperfection, not only from Her Own peoples but those from other Stars and it is My privilege and My joy to give gratitude to each and every one who is in earnest in redeeming the Earth and purifying those elements by the conscious use of the Sacred Fire, and blessing each and every one; blessing Immaculata Who stands above the planet Earth, holding constantly to the Divine Plan for this planet, just as It was projected forth from Helios and Myself. Those Mighty Elohim Who continue to render Their service in holding a balance and All the Beings of the Fire Element Who have been misused through aeons of time so that they may find relief and release and rise into their proper estate, even as the Flame in your hearts rises in love and gratitude when We join one another in communion and God Service.

I ask you, beloved, who use this Earth, even

if you have come from other Stars even for a time, to remember Beloved Pelleur and Beloved Virgo are the Host and Hostess upon it and have given you habitation and all the Elemental Kingdom and their Mighty Directors Who have enabled you to have many joyous experiences on this sweet Earth.

Now We are called upon by Cosmic Law to make this Earth shining again, brilliant and beautiful as It was in the beginning to straighten Her axis quietly and to accelerate the vibratory action of the electrons which make up the atoms and cells of every human being and all life in, through and about it.

VICTORY, BELOVED

Hierarch of The Temple of Victorious Accomplishment: Activity- Victory - Divine Complement Beloved Lady Rowena, Chohan of the Third Ray.

"I AM" your Victorious Accomplishment to the Light, "I AM" the Victorious Accomplishment of the Will of God for this Planet Earth and all Her evolutions.

Children of the Supreme Source, I am come today to give you the feeling which is within the fore-going statementlet that Mighty Essence flow into your emotional world, and accept It as a part of your beings - from this moment forward.

The Chelas of THE BRIDGE TO FREEDOM have cooperated with the directives of the Spiritual Hierarchy in a most commendable manner this year,

and it is to fire you with the enthusiasm which I know, and enjoy, --that I have been given the privilege of coming into your midst this day. What a glorious feeling it is to come to Shamballa and to be able to look upon this dear Planet and see more Light emanating therefrom, and forming a corona about it, and to realize that the peoples who have consciously cooperated to bring a feeling of Unity to this Earth are expanding their own Light in this glorious restorative process.

Some years ago I stated that Victory in the Light requires eternal vigilance ... but this cannot be accomplished through effort of human will. It is important that you remember that when you become grateful enough for life as it flows through your vehicles, you render service to life, and as it animates the beauty of all of your garments, one becomes respectful of that Gift, - the Holy Essence of Divinity - your life.

As you give full authority to your own Holy Christ Self to control that energy and relax the outer self in the Arms of the Almighty, you will find that what you have previously been trying to accomplish by human will..... will manifest through Divine Love.

Now let us turn our attention to one of the Commandments. "LOVE THY NEIGHBOR AS THYSELF". Analyze that statement, think it over carefully - and be AT ONE with all life. If you can accept that TRUTH, you will feel an affinity with all life.

Because of your years of spiritual training, you should now realize that there is no separation in life, all life is God, and the way you qualify the energy which so graciously and so

generously flows through you, shows your advancement in the Light, and your gratitude to and respect for the Supreme Source.

Lovely ones, I humbly counsel you to "love Thy Neighbor as Thyself", - then you will find the heavenly riches, the treasures of the Universe, making a Path to the door of your hearts, and there, seated upon the Throne of your being, THE GOLDEN MAN....the Holy Christ Self the True Son of God.

I repeat: - "I AM" the Victorious Accomplishment of the Will of God for the Planet Earth and Her Evolutions.

VIRGO, BELOVED LADY

"Mother Earth"-Divine complement of Lord Pelleur.

Blessed and beloved, you who are My guests upon this Earth, I thank you for assisting in the purification of this Planet.

Now aeons have passed since first you came to Me from distant Stars and enjoyed the pleasure of this Sweet Earth, every electron of which is made up of My Own Electronic Body; every electron which has been temporarily despoiled shall be returned in this Era and Age to the glory of the Ascended Master Saint Germain and you serving upon this Earth to that purity and perfection and protection again.

It has been My joy to be the nourishment through the energies of my Being of every harvest you have known. It has been My joy to be the

platform upon which your blessed feet have stood, as well as that of the glorious Ascended Master Jesus and Beloved Buddha's feet (now the Lord of the World) Whose imprints yet remain upon the breast of the substance of this Earth.

We, too, have been patient, I think you will agree, with not only those who have loved Us and who have enjoyed serving with Us but also with those who have taken Our Life and used it to their own personal advantage, not blessing any part of life with their gifts. The vibratory action of Our patience is stepped down into Our Element just as you channel from your Causal Bodies the gifts and powers into your Holy Christ Flame, do We channel into the gnomes and all those in Our Element that patience which sustains their service and to bless forever the opportunity given even by a recalcitrant mankind to serve them, for they grow thereby.

I think of all the smaller beings. The most mischievous are the gnomes - the gnomes that are not on the ascendancy but who are engaged in mirroring some of the distortions seen around them and some little ones on occasion have to be called before Us to be reprimanded.. It would be wise indeed if you in any case regarding the salamanders, the sylphs, the gnomes or the undines would ask Us to help you to bless them and to hold them in their perfect place as co-workers with you, for this is Our Reason for Being.

You do not always know how much elemental life might be playing 'games' with you so to speak. Therefore causing you unnecessary discomfort, but you can make the call to Us and We in turn will see that those elementals of the most constructive type and nature are the servants of your life-streams. We will remove and place

in schools for re-education those who have gotten out of line. We do that anyway but with your conscious understanding of it and calls to Us and the Directors of these beings We can give you assistance.

There is in you a lot of the Earth; of the Earth -- earthy is an expression; well! That means there is in you a great deal of Myself and as We accelerate the vibratory action of the entire Planet, that substance of earth which is within you is good. It will accelerate with Me and become part of the Light of the World.

Therefore I ask you to bless the landed surface of the Earth and the gnomes who are within It and be so grateful indeed for all beings who for the most part unseen serve not only around you but make up the very structure of your physical vehicles. Time after time after time as you take embodiment, those little beings at the close of this embodiment through the Power of Transmutation, through the gift of the Beloved Serapis Bey and the Brotherhood at Luxor and the great Ascended Master Saint Germain and the Mighty Violet Flame shall be purified and returned to the Sun and form then a part of the glory of your Causal Body as you work as God-free Beings, never again hampered by human creation.

VISTA, BELOVED ELOHIM of the Fifth Ray
--also known as Cyclopea;-- Divine Complement-
Beloved Crystal, - Activities - Concentration
and Consecration.

"I AM" Vista, representing the All-seeing Eye of God, often called Cyclopea and referred to in Greek mythology as Cyclops, the one-eyed Giant. There is a mighty Truth contained in the expression of the One Eye, for in that understanding is the Vision of the Almighty which is one-pointed - that of Perfection alone.

I come to you, beloved chelas, to not only reiterate that Truth, but to tell you that it is of the utmost importance that you each now use the activity of the All-seeing Eye of God which has been presented to you in the various terms - one of which is the Immaculate Concept!

"I AM" here to make the urgent plea on behalf of the Cosmic Law that you set aside, once and for all time, the imperfection which you have been entertaining and nourishing in your consciousness - the imperfection which is expressing in your own worlds and in that of others, STOP THIS NONSENSE - in the Name of God Almighty! As Our Beloved Kwan Yin so kindly and lovingly told you, JUDGMENT DAY IS AT HAND!

I have another matter which I wish to bring to your attention, and that is the designation which has been used in regard to the Spiritual Hierarchy, and that is the GREAT WHITE BROTHERHOOD.

We have previously explained that 'white' does not refer to the color of the pigment of anyone's skin, but means the highest state of Purity dwelling within the Consciousness of the

Father-Mother God. The Heart Center of every ray in the spectrum is WHITE - all colors emanate from the pure white heart center and are qualified at a given time for a specific purpose.

Please understand, once and for all, that the race into which any lifestream has incarnated in no way affects the purity of his or her being. It is the Divine Presence, the Christ, dwelling within which Those of Us Who have risen above the human consciousness recognizes as Real, and not the outer manifestation of a physical race characteristic.

Kindly pay strict attention to what I have to say, for this does not give you leeway to take liberties insofar as intermarriage the white and colored race is concerned. We counsel the chelas not to do this for the reason that it is not the marital union of two individuals which if of prime importance, but the lifestreams which are brought forth as the result of this Union. "I AM" referring to the interblending of any race with another changes the strain of each. There are reasons why some skins are white, some black, and others brown - some racial, and some climatic. These are all THE SPIRITUAL FACTS which you need to know at this time.

If each and every race would consider themselves on the very same level - not one above the other in the slightest sense, then would mankind begin to recognize that it is not the color, but the Flaming Presence of Divinity which is the only REAL and IMPORTANT consideration in their forward progress into Perfection. Do you not see why We continually stress the importance of holding the Immaculate Concept for all life?

Our Beloved El Morya stated some time ago

that the intermingling of races was not in accordance with the Divine Plan, and that Truth holds true today just as it did then. When the offsprings of such marriages come into being, there is not a pure strain of either race, and the parents have DILUTED, so to speak the purity of the strain of the child. Each race should clearly understand that it is the Perfection which is their birthright which should be considered, and should educate their consciousness to their own Race Heritage and not strive to emulate the so-called standards set up for any other race - of any color!

Understand, once and for all time, that the Father Mother God never shows favoritism of any kind, and that each pulsating Flame of Divinity is as dear and as loved as the other -- regardless of the outer manifestation of any person of any race.

VULCAN, BELOVED LORD Activity:-
Ascended Master Consciousness.

A primary factor in the study of the evolutions of man and the mastery to be attained by each lifestream lies in a clear presentation of the center or focal point of the individual consciousness.

The human consciousness, you have been told is a conglomerate mass of thoughts and feelings and represents in essence a great cloud held together by a magnetic force within the center represents the intelligent thinking and feeling point of consciousness and the area from the

center to the circumference is the aura of radiation of the heart center of the individual's outer personality.

In studying the four lower bodies as the contributing factors to the consciousness and as the "qualities" of tons of God Energy, we see that the central point of consciousness is in constant motion, functioning in one or more of the four lower bodies and is like a basket ball tossed by the players in the course of the game. The individual thus functions from the heart of the emotional body, or the mental, or the etheric, or the physical, moving like the pendulum of a clock from one to the other, according to the particular experience and pressure and the will of the body which tries to secure for the moment the prize.

The body which secures the center of consciousness is highly energized during the time when that focus is within it, and, therefore, the lower bodies seek and fight with each other to secure the center of the individual consciousness through fair means or foul. This is a completely fatal condition for the progress of the lifestream, because an individual whose central balance is constantly shifted to the authority of his lower bodies is a prey to his emotional outbreaks, his etheric memories, etc....

The Grail provided for the focus of each lifestream's consciousness is within the heart and when the individual attains mastery he holds his consciousness within the Three-fold Flame in his heart where perfect balance rules all his outer activities and where the Light Ray from his presence forms a direct line of communication, inspiration and direction, which is much more easily received from the Secret Place of the

Most High. If, however, any set of circumstances can throw the consciousness to the mercy of the emotional, mental, etheric or physical bodies, the direct communication between the soul and the Spirit is broken.

You have read, perhaps, and seen in pictures how a boat in distress will be circled either by a plane or a rescuing vessel, but the turbulent sea between would not allow the life line or the connecting link to unite the two. It is in the same manner that the Higher Self, during the times of emergency, has to throw his line of force into the battling sea of the lower bodies, hoping to catch the consciousness in its rapid progress from one to the other.

Most people are completely at the mercy of the lower bodies and find themselves functioning in an emotional frenzy or a mental battle, completely unaware that they have slipped from their moorings.

Senile people and ageing lifestreams often slip into the etheric body and their consciousness remains there until their passing and thus they enjoy re-living the scenes of yesterday.

Your four lower bodies are like four rooms through which your consciousness reaches into the physical appearance world for certain defined effects:

- a) through the emotional body it should absorb the qualities and feelings of the Presence and radiate them;
- b) thus through the mental body the consciousness absorbs knowledge, receives instruction from the Presence, gives it forth;

- c) the etheric body should be a storehouse of all the Divine Memories of the past and should be used as a library;
- d) and the physical body should be a vessel through which contact could be made with the Third Dimensional Plane.

All these bodies however, should be Open Doors through which the consciousness works, maintaining its anchorage always within the constantly flowing stream of energy in the heart.

You will find upon contemplation and observing yourselves how illusive is the center of consciousness and how quickly it slips from one to the other of your bodies before you are even conscious of it. The purpose of stilling one's self is manifold, but one particular activity is to draw the consciousness back into the Secret Chamber of the heart and then to function from within the Light Ray at all times. Even the mental contemplation of this gives you a feeling of poise, mastery and detachment. You will always have a direct line of communication from Headquarters and you will not release energy unkindly because from the Fountain of the Secret Water of Life within your heart there can go no unkind emanation.

It is only when the heart center of consciousness energizes one or more of the lower bodies that they seize upon the Creation Principle and dishonor God's Name by sending it forth imperfectly. If these lower bodies cannot get the heart center of your consciousness they have no independent authority and they know this. Here you have one of the most powerful ways to mastery if you contemplate it.

All the accumulation in your four lower bodies could not act and could be purified and consumed without struggle, IF the center of the intelligent consciousness of the outer self could be hidden in the heart of the Presence and not allowed to be coaxed forth by any external tying it to the caprices of any one of the four lower bodies.

Being directly concerned with drawing the Consciousness into the Three-fold Flame in your heart, you will find your bodies straight, your sense of struggle greatly diminished and you will have an alert, calm poise that should amaze you in your forward progress.

I thank you for this opportunity to make your acquaintance and visit with you and I offer you, on the ever-expanding altar of your endeavors to become the Ascended Master Consciousness, MY particular service...yours for the asking.

ZADKIEL, BELOVED ARCHANGEL Angel of
 Invocation: - Activity - Seventh Ray; Divine
 Complement - Beloved Holy Amethyst.

"I AM" the Priest versed in the Law of drawing forth the Powers of Good. When Our Temple was manifested on Atlantis We taught unascended lifestreams how to magnetize the Powers of God through the magnificent focus of God-good within each beating heart. Now again comes the Day when such magnetization is not only possible but IMPERATIVE for the expansion of the Light of the World to any and all who choose to listen to and

apply Our instruction.

Let Us first remember that within your heart there is a Focus of Divinity; that Focus of which Mother Mary speaks so beautifully and of which you refer to as the Immortal Three-fold Flame of God. That is the Magnetizing Power which all of the White Priesthood on Atlantis used to magnetize and draw into the atmosphere of the Earth those currents of energy which stabilized Her and held the Atlantean Era during Its prime in a state of harmony and peace. That same Immortal Three-fold Flame within your hearts now is likewise a magnetizing Power not only of the good of your own "I AM" Presence and that of your own Causal Body but of the good, the full gathered momentum, of any Divine Being or Member of the Spiritual Hierarchy whom you call upon and Who welcomes the opportunity to channel that good through you, through your Holy Christ Self Flame as It expands until It fills not only your personal world, aura and spirit with influence but as It fills the world of the entire Planet Earth upon which you presently abide.

Now the magnetization of the powers of Good is as mechanical as the magnetization of a piece of steel by a proper agent. When the Holy Christ Flame, which is Immortal and alive within you, is given freedom through you, by your outer self and the self-conscious renunciation of your own human free will and all destructive desires, known and unknown, and you allow that Holy Christ Flame full power, It begins to magnetize through your blessed lifestreams the fullness of your Divine Pattern and Plan and begins to magnetize also the gifts and Powers of the other Beings that dwell in Divinity's Realm and they flow forth also to make of the atmosphere of Earth a magnificent multi-colored positive radiation in which shadows cannot exist.

Beloved ones, this power to magnetize through the Sacred Fire the Gifts and Powers of the God-head must be utilized and become practical through actual works. It is Our desire, deep and sincere, to have you begin to experiment with the use of the Power of the Sacred Fire that is within your hearts to so magnetize not only Our Presence but Our Radiation, Gifts and Virtues. You can do this and every loving and willing chela, wherever he or she stands on the face of the Earth, can do this and they will not only be the recipients of the gifts themselves but they will be Ourselves, Sons and Daughters of Freedom, walking about the planet Earth and the hems of their Spiritual Garments will be filled with the Virtues magnetized and consciously drawn forth.

Because the Violet Fire for the most part, is not seen by the physical sight of mankind, very few cognize and feel Its essence and reality. Those of you who are kind enough to give special recognition to that Violet Fire have felt the changing of the vibratory action of your own bodies; have felt the dissolution of shadows by the power of light, have felt the removal of chaotic conditions in yourselves and others through Its use and some of you with the inner sight and hearing, have even seen that Violet Fire and heard the song of the Angels of the Violet Fire as They move along their appointed pathway.

It is the efficacy in the use of the Violet Fire NOW when the Earth requires It most, to change all shadows and all discords into LIGHT, LIGHT, LIGHTthat can be seen oh, not just a thousand miles..... from Our Temple in Cuba, but that It may be seen throughout the entire Planetary System, and all those other Planets of Our System KNOW that the Earth gives forth

Her Light, and the Music of the Spheres again, from the planet Earth, rises in harmony, in balance and in love to all that lives....breathes and has being, above or below.

ZARATHUSTRA, BELOVED

Spirit of the Fire Elemental; Activity: Enthusiasm which propels thought into manifestation; High Priest of the Order of Zarathustra - Service on all Rays.

In obeisance to the Edict of the Creator of all Life, - I, Zarathustra, come into the atmosphere of Earth at this important hour in the Earth's evolution.

Speaking directly to you as an individual, you know that you have eight 'Bodies' - that eight stages of Consciousness are present. The four lower vehicles are composed of Light, otherwise they would cease to be. The picture which one holds in his consciousness results in the appearance or condition of the physical garment. In your Heart Center dwells the Immortal Victorious Three-fold Flame. The unawakened or Unfed Flame is the state of consciousness in the Hearts of the majority of mankind, and it is the responsibility of the chela to stir the hearts of his fellow travelers so that they will become conscious of the Indwelling Christ within that Immortal Flame.

You who have given attention to the Focus of Divinity which animates the lower garments

realize that it is Immortal. Through your attention, thought and feeling worlds -- you have ignited and expanded that Flame into greater service.

You have now come to the point in your own evolution where you can consciously be Divinity in Action - a Fire Being - the Christ in Action. When that state of being is accomplished, the four lower vehicles are in perfect alignment, and by that I mean they function as ONE in a harmonious manner. The Powers and Ideas of the "I AM" Presence have a direct line to the Golden Man, the Christ within, - and the Divine Ideas flow into the world of form without human interference or qualification.

The White Fire Being is the Highest Aspect of Divinity - the Heart Center of all Life contains the crystalline substance of the Supreme Source, and it is the direction of the Individualized "I AM" Presence that qualifies the Fire into the Quality desired or required.

The Seven Rays with which you are familiar are those required in the evolution of the Earth. I do not wish you to speculate, - but there are more Rays than the Seven in the Universe. However, the Seven which play upon the Earth are those with which you are concerned.

I, Zarathustra, am the Spirit of Enthusiasm. There is nothing of an insipid nature in My Being. I am a White Fire Being from the Heart of God. Some have chosen to associate Me specifically with the Seventh Ray. I am part of not only the Seventh, -- but of all Rays. Where there is Fire....I AM....and I repeat, -- Fire is everywhere present.

Certainly I am animated by the Seventh Ray Dispensation under the direction of our Lord and King for this Era, - the Beloved Saint Germain, and I am here on the day dedicated to the Seventh Ray to FIRE you into ACTION, to assist in the transmutation of imperfection on and in this Planet. When you realize the intensity of Saint Germain's Love for this dear Earth, and His great responsibility as Chohan of the Seventh Ray, your enthusiastic cooperation is imperative, so I am hereto fill your beings, your consciousness with the enthusiasm required to quickly bring in the Permanent Golden Age. Enthusiasm is a Quality which propels thought into manifestation.

IN THE NAME OF THE ALMIGHTY do not be fanatic and believe that the service which you may be rendering, or rather that your Christ Self is giving, through you on a specific Ray makes you one whit more important than your fellow traveler's service... all is a part of the Entirety. The Love of God is ever-present and is the Cohesive Power of the Universe, and is essential for Wisdom, Purity, Truth and so on to express.

I counsel you with all the Love of My Being to have RESPECT and COURTESY for your fellow-traveler, for within his breast burns the Fire of creation.....and there I abide.

Before concluding, I humbly request you to enter deeply into the Fire Element within your beings. Elevate your consciousness to the "I AM" Presence. Blend your consciousness, each one, and enter deeply into the Fire Element and KNOW that the White Fire Being, the Chrystalline Substance of the Fire Element is the Supreme Source of all Life.

ZEUS, BELOVED GOD

One of the Sun Gods - - Activity: Spiritual Illumination

"I AM" Zeus, one of the Sun Gods who came to this Earth and was privileged to raise Greece to the height of her perfection centuries before the Beloved Jesus brought His Light to the world.

Spiritual Illumination is released to the chela according to his capacity to understand and apply greater knowledge for the benefaction of the planet Earth and Her evolutions.

In most instances, the chelas has been told about the seven bodies. However, under the direction of the God and Goddess Meru, I have volunteered to explain simply the eight-fold Nature of man as God created him.

The entire eight vehicles are necessary -- four in the Higher Spheres and four in the lower, in order to be a perfect conductor of one Aspect of Deity.

THE WHITE FIRE BEING, made in the image and likeness of God is moulded out of pure Electronic Light Substance and is ever active as a radiating center in the Cosmic Realms, an infinitesimal part of Itself being the energizing power of the other bodies. As the planets revolve around their individual Suns, so do the White Fire Bodies of all mankind actively participate in the joy of Cosmic Creation.

DIVINE COMPLEMENTS: The first decision made in the Heart of the White Fire Being is whether to function only in the Cosmos or voluntarily project the Dual Aspect of Its Divine Nature into the Ascended Master Realms to give more concentrated assistance to a particular evolution.

These Divine Complements are known to some students as the individualized "I AM" Presence.

CAUSAL BODY: This is the accumulated good of the lifestream which is created by the interest and activity of each such an one. It forms the aureola of the "I AM" Presence. The nature and service which each "I AM" Presence is to perform was determined before individualization took place. Seen with the inner sight, all the colors of the Spectrum are a component part of the Causal Body. The Virtue or Quality to which the individual has an affinity will form the largest reservoir of energy - the color dependent upon the Quality. Wise is the student who cognizes the truth that the Causal Body has an infinite supply which can be drawn forth for his benefaction and that of all mankind. By its very name it is a body of CAUSE; and the EFFECT is destined to manifest wheresoever the astute student calls it forth.

HOLY CHRIST SELF: Jesus referred to this Spark of Divinity within man as --'the father within'. When the "I AM" Presence volunteers to take embodiment upon the Earth plane, it projects a tiny replica of itself into the mother's womb at the time of conception. It is the cohesive power around which the Builders of Form create the lower bodies. As the Feminine Ray increases in intensity upon the Earth, the mothers of the race will become more cognizant of the sacred privilege of assisting the Builders of Form in nourishing the Holy Christ Self. She, in truth, is a chalice for the incoming Spirit. The obligation and responsibility of parents to the spirits of the unborn can either hinder or delay the spiritual development of these children.

THE FOUR LOWER BODIES: The emotional, mental, etheric and physical.

THE EMOTIONAL BODY is the feeling world. It is the largest of the four bodies, and is composed primarily of the water element. The emotional body was designed by the Builders of Form to act as a cradle in which the other lower bodies would be enfolded; even as the landed surface of the Earth is cradled by the seas. Its correct service is to nourish Divine Ideas with the positive feeling of accomplishment. Thoughts, words, and actions have little efficacy until the buoyancy and enthusiasm of the feelings projects and sustains them in whatever sphere the individual's consciousness desires them to act.

The feeling consciousness must be purified by calling to the Beloved Ascended Master Saint Germain and the Violet Transmuting Flame because through aeons of time the individual has been subject to various situations where in disappointments, disillusionments, and rebellions have created rebellious feelings - "Troubled Waters." When so purified, the feelings will always determine the activities of the outer self subconscious or conscious.

THE MENTAL BODY should be the chalice for the receptivity of the Divine Ideas. It has the power within itself to mould these Divine Ideas into practical workable form. The same purifying process as given for the emotional body applies to all four lower bodies.

THE ETHERIC BODY, sometimes called the "soul", records all the experiences of the lifestream since individualization took place. It receives from the mental body those ideas which have been energized by the feeling world. Before thoughts

and feelings can be manifest in the physical appearance world, they must be sieved through the etheric body. As the etheric body holds all the records, both good and evil, within itself, it is of prime importance that the misdeeds of the lifestream recorded therein be transmuted. These records form the essence of the Personality and stamp all the activities of the individual with its specific nature.

THE PHYSICAL BODY is the anchorage upon the Earth plane through which should be channelled a portion of the activities of the other seven bodies. When they are in perfect attunement with the White Fire Being, they are a Master Presence here on Earth. Conversely, the imperfections of the physical body are the result of the impact of the emotional, mental, and etheric natures not only of itself, but of other lifestreams. Present and past environment and associations are primal factors in the constitution of these bodies.

ZOROASTER, BELOVED

Service - The importance of Rhythmic Breathing

"I AM" Zoroaster, one of the Divine Beings who has offered the God and Goddess Meru My particular services in bringing the remembrance to the earnest chelas of the importance of Rhythmic Breathing.

Rhythmic Breathing clarifies the four lower bodies of the noxious substance which has been accumulated and lodged in the cells and atoms which make up these vehicles. The more the individual does the Rhythmic Breath, the more

efficacious is the action of any spiritual exercise.

The average individual has forgotten the proper use of the Rhythmic Breath which he once knew in the earlier ages. In the Invocation of the Divine Beings who direct the Flames of Transmutation, They send the Sacred Fire through the four lower bodies in a rhythmic manner, thus setting up an action of rhythm in these bodies. When the chela learns, and applies, the Law of the Rhythmic Breath, the transmutation of imperfection will take place in an almost instantaneous manner - the chela then being able to consciously cooperate with the Divine Being or Beings so invoked.

Invoke the remembrance of the correct use of the Rhythmic Breath (which is pulsating in the Causal Body of each chela) which he or she used in previous Golden Ages. In these eras, such an one was a self-luminous being whose locomotion was one of Natural grace and beauty - expressing the Divine Attributes as the Father-Mother God intended. From the tiny blade of grass to the most perfected Being on Earth, the rhythm of the Cosmos was channeled without interference for there was no discord of any kind. In these cycles the Cosmic Tone of the planet Earth played its perfect part in the over-all Symphony of this Solar System. The Manu of each cycle strikes the keynote for that entire two-thousand year period, and all the life belonging to His Root Race and sub-races is supposed to contribute to the Symphony which He directs. The Seven Manus designed Their keynotes to blend one with the other so that the final crescendo for the planet Earth would resound in Victory when Lord Saithrhu and His Children inhabited the Earth.
