DEDICATION

This booklet is lovingly dedicated to the Beloved Ascended Master Saint Germain, who, as the Lord of Freedom to this Earth, is endeavoring to interest unascended mankind to help Him bring True Freedom now to all Life here.

It is our most sincere decree and prayer that, quickly now, the more astute amongst mankind can and will seize this opportunity and, through regular, daily use make it a practiced fact in their lives and to all Life.

The following loving adoration to This Beloved Ascended Master - - given silently or audibly will always bring His Loving Response. This is His Promise.

Thomas Printz
Editor

I Love You, Saint Germain
I Love Your Violet Flame
I Love Your Sacred Name
Beloved Saint Germain.

PREFACE

In order to intelligently cooperate with any plan, Divine or human, it is necessary for the individual to understand something of the nature of that plan.

The Incoming Golden Age of Divine Brotherhood, combining the energies of the Angelic, human and elemental Kingdoms, is pre-ordained as the Natural Expression of Unity, Harmony and Loving cooperation among all evolutions 'accepting the hospitality of the Earth.

In Adoration to the Beloved Presence of God "I AM" in each blessed one, the following words of Devotion and Love will help each to accept the truth that "I AM" Present - here, within you now. " " I AM" with you always."

Thou Holy Christ Flame
Within My Heart,
Help Me to Manifest
All Thou Art!

THE LAW OF FORGIVENESS

The use of the Violet Fire dissolves and transmutes imperfect energy. When it is accompanied with the actual feeling of Forgiveness for your own mistakes and those of others, it works like magic! When you call on the Law of Forgiveness for all the mistakes you have ever made, and THOSE OF ALL MANKIND, it gives tremendous assistance not only to mankind but to yourself.

The "I AM" Presence of every individual, even the most depraved, desires perfection for that individual and when you call to the "I AM" Presence of all mankind and ask the Violet Fire to blaze through them and FORGIVE their mistakes, it enables that "I AM" Presence to go into action when perhaps it has been many centuries since It has been called upon and thus given permission to assist that lifestream.

When the Ascended Masters look at us, They do not see us as we see each other; They see what we have been feeling by the colors around us, and what we have been thinking by the forms around us; They see either Light or

shadow, and are not concerned whether the shadows come from what we might consider a greater mistake than our own; and yet our criticisms, resentments, depressions, irritations may be worse than what is around many of our fellowmen. The shadows need to be changed into Light, and the dull colors into the brilliant colors of perfection. Say many times a day:

**"I AM" THE LAW OF FORGIVENESS
AND TRANSMUTING FLAME OF EVERY
MISTAKE I HAVE EVER MADE:**

**"I AM" THE LAW OF FORGIVENESS
AND TRANSMUTING FLAME OF THE
MISTAKES OF ALL MANKIND.**

Beloved Presence of God "I AM" in me, in all mankind
and Beloved Ascended Master Saint Germain - I Love You!

I Consciously call on The Law of Forgiveness for my own
and all mankind's conscious or unconscious trans-
gressions of The Law of Love. Restore us, Oh Heavenly
Father, to a state of Righteousness in the use of Your
Life and remove the cause, effect, record and memory of
all such errors of the Past, Present or Future!

So Be It! Beloved "I AM"!

Remember, you may have harmed not only people in the past, but also birds, animals and other forms of LIFE, and also mis-used the Beings of the elements of Earth, Water, Air and Fire - all of which have intelligence and are endeavoring to evolve into even greater perfection even as you and I.

The Era of Freedom is at hand! Seize opportunity while you may! Make an earnest effort to undo all the mistakes you have ever made in thought, feeling, word and deed against every part of life, so that at times of crises you may have protection in your world. Do your best from now on to set up only those causes which bring Perfection as their effect. Every bit of Life ever entrusted to you (which is tons of energy) must some time be purified and harmonized and returned to God qualified with Perfection, as it was when it first came to you.

Strange things are taking place all over the Earth and it is these imperfect, discordant and vicious mis-creations, created by MAN and NOT BY GOD, that are acting and trying to act everywhere. The use of the Violet Fire

of Freedom's Love and calling on the Law of Forgiveness are the most efficacious ways of preventing them acting in your world. When enough of mankind make use of these activities, they can prevent distressing things happening all over the Earth.

Forgive me, Oh my "Presence",
Forgive me, I do pray,
Forgive all my transgressions
Against Love's sweet way.
Oh, help me love enough
To wipe out all mistakes of mine
I love You! I love You!
Oh, help me be Divine!

Forgive them, Oh Great "Presence",
Forgive mankind I pray;
Forgive all their transgressions
Against Love's sweet way.
Oh, help them love enough
To wipe out all that ne'er should be
Oh love them! Oh love them!
Until they're one with Thee!

THE VIOLET FIRE

The Violet Fire is a current of energy which has been qualified to seize imperfect energy and dissolve it so it may be charged with perfection once again. It is an activity of Love, Mercy and Compassion which can dissolve the causes set up by mankind whose effects would be most distressing. Unless mankind can come into this understanding and consciously USE this Violet Fire, they will have to meet up with the previous causes that bring such suffering into the world. That is what is happening all over the world today.

Until a short time ago the knowledge of this Sacred Fire was known and taught only in the Retreats of the Ascended Masters throughout the world, but because of the shortness of time in which certain things must be accomplished, it has been brought into the outer world where ANYONE can know of it, use it and experience the Freedom which It brings.

The year 1954 was the beginning of the ERA OF FREEDOM for the Earth! It is a special time in the history of the planet when Freedom

is to take its eternal dominion here. That means the energy enfolding mankind and in the atmosphere, which has been charged with impurity, discord and viciousness, will be TRANSMUTED by this VIOLET FIRE and when that is done, man will be FREE to again receive directions from his God Presence and the Ascended Host of Light and thus every part of life will have its Freedom; not only man, but the Elemental Kingdom, the four-footed creatures and all that lives will once again live as God intended in the beginning, in Love, Peace, Harmony and Freedom.

The Great Ascended Master Saint Germain is the Great Being in charge of the coming 2000 years and this ERA OF FREEDOM. His gigantic mission is to SET FREE every part of life and the very earth itself, and this will be accomplished by the use of this Violet Fire by individuals and groups, who desire to dissolve the human creation which is trying to smother the Light in so many of mankind.

When you call to your God Presence "IAM" and to the Ascended Master Saint Germain to blaze this Violet Fire through you, it will begin the removal of the mis-creations in

your emotional, mental, etheric and physical bodies, and you will experience a lightness and buoyancy in your feelings, a clearness in your mind and a change in your physical body. Some students see this Violet Fire as they call it into action in their worlds, others feel it, but whether you do or not, It is doing its perfect work. It may seem to be invisible, yet you do not see any of the important things of life. You do not 'actually see your life, electricity, love, hate, war, peace and yet they are very real and you certainly can see their effects. Its daily dynamic use can prevent many things happening in your world, and perhaps it should be pointed out that if you do use this Violet Fire earnestly and then some little thing does happen, it does not mean the Violet Fire is not doing Its perfect work, it means YOUR HUMAN CREATION is coming forth faster than you have been dissolving it!

There is never a mix-up in the return of anyone's energy;
each returning wave knows unerringly its own generator -
The Cosmic Law is exact.

Knowledge becomes Power through Use!

Use this knowledge of The Sacred Fire. -

The Violet Fire of Freedom's Love and be Free!

So Be It!

DECREES

BELOVED PRESENCE OF GOD "I AM" IN ME and Beloved Ascended Master Saint Germain, I love You! Come forth with Your Angels of the Violet Fire of Freedom, Transmutation, Mercy and Love and help Me;

BLAZE Your Violet Fire through my feelings! Take out all feelings of doubt, fear, jealousy, lack and limitation, impurity, inharmony, dislike and hatred of every kind - their cause and core - and REPLACE them by Your feeling of Divine Love, Purity, Harmony, Freedom and Perfection;

BLAZE Your Violet Fire through my brain and mental world! Dissolve and transmute all pictures of imperfection of every kind there, their cause and core, into thoughts and pictures of beauty and perfection;

BLAZE Your Violet Fire through my Etheric Body and take out the remembrance of every hurt, and all imperfect, discordant and vicious experiences I have ever had, their cause and core, and REPLACE them with the remembrance of good, peace, happiness and perfection;

BLAZE Your Violet Fire through every organ, cell, function and part of my physical body and hold it there until all appearances of age, distress and imperfections of every kind are dissolved and transmuted into my eternal youth and beauty, perfect health, limitless strength and energy, and the Victory of my Divine Plan fulfilled. I thank You!

This loving Adoration to the Violet Fire of Freedom's Love is also a decree and call for the Purifying and Transmuting Power of The Sacred Fire to come into action and manifest Perfection.

Blest Violet Fire of Freedom's Love,
Oh Blaze! And Blaze! And Blaze!
Blest Sacred Fire from God above,
All Raise! All Raise! All Raise!

Descend! Defend! Transmute and Dissolve!
Now Free the Earth by Fiery Love!
Blest Violet Fire! In Freedom's Ways,
Oh Blaze! And Blaze! And Blaze!

VISUALIZATIONS

Daily go where you can be alone and get very still. Then turn your attention to the "I AM" within you! Pour your love and adoration to It and silently call to It to EXPAND Its Light and Love and fill your body, mind, feelings and world with Its Perfection. Let your love and feeling of goodwill go forth to all the life in your locality.

Then send your love to the Ascended Master Saint Germain and feel Him stand in back of you enfolding you in a pillar of Violet Fire. See this as the clearest and most beautiful shade of Violet, and feel it blaze up through your physical body, taking away any physical distress; see It expand and fill the room, your city and locality.

Be conscious of this blessed Violet Fire surging through your etheric body, your mental world, your feelings, melting away all 'hard' feelings, tensions, and lack of ease. Feel them all replaced by the Goodness and Mercy of God into Love, Kindness, Mercy, Peace.

This Violet Fire is REAL and It does bring results when earnestly and faithfully used each day, especially when used rhythmically three times each day. Accept this Violet Fire dear ones, use It and be FREE !

GRATITUDE

The pouring forth of Gratitude is a glorious, uplifting and expanding expression of Life. If man were grateful for the service of the elements in his body, there could be no illness of body. Every breath that issues from the body of man should contain within it some conscious expression of gratitude for Life. Thus would be kept open the channels for all good to flow back. Thus speaks ONE Divine Teacher of men. Gratitude to and for God's Presence everywhere! His Life in all.

Gratitude ! Gratitude ! Gratitude to "Thee" !
Grateful to, Grateful for Life Eternally !

Happy now ! Busy now ! Serving now Life free !
Grateful to ! Grateful for opportunity !

Gratitude ! Gratitude ! Gratitude to "Thee" !
Willing to "Thy" will do through Eternity.

So Be It !
