LONDON, W.C.

Royal 8vo. 2 Vols. Cloth, pp. 1,700. Price £2 2s.

# The Secret Doctrine

By H. P. BLAVATSKY,

AUTHOR OF "ISIS UNVEILED."

"'The Secret Doctrine' is the most complete and interesting exposition of Occultism and Esoteric Philosophy ever published."

Volume I. contains a general outline of the Esoteric Doctrine in its relation to the formation of the Solar System, preceded by a statement of the fundamental philosophic conceptions which underlie the entire system.

The mysteries of Religious and Occult Symbology are treated at considerable length in a part of the work devoted to that subject; and the bearing of Modern Science upon the "Secret Doctrine" is discussed with considerable care.

Volume II. contains an account of the various origins of Man. It gives the outline of his evolutionary history down to the close of the race immediately preceding our own; the history terminating with the archaic version of the events which are related in the Bible account of the Exodus of the Israelites.

"At once remarkable and interesting—remarkable for its wide range of curious and ancient lore, interesting for the light it throws on the religions of the world."—*Pall Mall Gazette*.

---

2 Vols. Royal 8vo, about pp. 1,500. Price £2. 2s.

## Isis Unveiled;

A MASTER KEY TO THE MYSTERIES OF ANCIENT AND MODERN SCIENCE AND THEOLOGY. BY H. P. BLAVATSKY.

"This monumental work . . . about everything relating to magic, mystery, witchcraft, religion, spiritualism."—*North American Review*.

"To a large class of readers, this remarkable work will prove of absorbing interest. . . . Demands the earnest attention of thinkers, and merits an analytic reading."—*Boston Evening Transcript*.

"A marvellous book both in matter and manner of treatment. Some idea may be formed of the rarity and extent of its contents when the index alone comprises fifty pages, and we venture nothing in saying that such an index of subjects was never before compiled by any human being."—*Daily Graphic*.

"The present work is the fruit of her remarkable course of education, and amply confirms her claims to the character of an adept in secret science, and even to the rank of a hierophant in the exposition of its mystic lore."—*N. Y. Tribune*.

"One who reads this book carefully through ought to know everything of the marvellous and mystical, except, perhaps, the passwords. 'Isis' will supplement the Anacalypsis. Whoever loves to read Godfrey Higgins will be delighted with Mme. Blavatsky. It is easy to forecast the reception of this book. With its striking peculiarities, its versatility, and the prodigious variety of subjects which it notices and handles, it is one of the remarkable productions of the century."—*N. Y. Herald*.

# LUCIFER

A THEOSOPHICAL MONTHLY,  
FOUNDED BY H. P. BLAVATSKY.

This Magazine is devoted to inquiry into Religion, Metaphysics, Philosophy, Psychology, and the Occult Sciences. Its standpoint is purely unsectarian, and its columns are open to free discussion of these subjects.

*Annual Subscription, 17s. 6d. Single Copies, 1s. 6d.*

---

## THE PATH.

A Magazine devoted to the Brotherhood of Humanity, Theosophy in America, and the study of Occult Science, Philosophy, and Aryan Literature.

EDITED BY WILLIAM Q. JUDGE.

GEN. SEC. AMERICAN SECTION T.S.

A special feature of "The Path" consists in Articles giving the experiences of students on Occultism.

*Subscription, 8s. per Annum. Single Copies, 1s. each.*

---

## The Theosophist.

A Monthly Magazine of Oriental Philosophy, Art, Literature, and Occultism. Conducted (pro tem.) by H. S. OLCOTT, President, Founder of the Theosophical Society. It contains, each month, at least 64 pages of reading matter. It is offered as a vehicle for the dissemination of facts and opinions connected with the Asiatic religions, philosophies, and sciences, and numbers among its contributors learned Brahmin pandits, Mohammedan, Sufis, and Buddhist native scholars, as well as those who are pursuing special studies, both practically and theoretically, in Occultism.

It is the organ of the Theosophical Society, and is published in India, at Adyar, Madras.

Subscription 20s. per annum. Single copies 2s. each.

of Theosophy and Occultism. Every one should possess a copy."

*Thick 8vo. pp. 318. Price 7s. 6d.*

## FROM THE CAVES AND JUNGLES OF HINDUSTAN.

BY

H. P. BLAVATSKY.

---

"It is not necessary to be a Theosophist to admire Madame Blavatsky's letters from India. While they are evidence of very considerable literary power on the part of the writer, they reveal a mind already biassed strongly towards Oriental mysticism, and intensely susceptible to the weirder aspects of Hindu life. Her power of penetrating into the sympathies and secrets of the natives might be imitated in moderation by Anglo-Indians with advantage."—*Times*.

"The most romantic book of travels we have ever read. Full of mystery and magnificence. No work of fiction, no book of imaginative literature, no story of travel that will issue from the press this winter, can surpass the volume before us in entrancing interest."—*Methodist Times*.

"The most sceptical would not dare to question her skill. A delightful and fascinating book. Madame Blavatsky saw many things that would have escaped the notice of an ordinary observer, and the reader is alternately startled by the deep knowledge she proves herself to possess of the almost unknown religions of India, and moved to admiration at the perfect knowledge of the world."—*East London Advertiser*.

"A really valuable sketch of the manners and customs of Hindostan."—*Colonies and India*.

"The fund of genial humour, the absence of affectation, together with the slight strain of wistfulness which tinged her powerful mind, all tend to create a very favourable impression of the woman against whom so much has been written, and about whom so little is generally known."—*Vanity Fair*.

# NIGHTMARE TALES.

By H. P. BLAVATSKY.

*Illustrated by R. MACHELL.*

*Price One Shilling.*

---

FIVE WEIRD STORIES, ORIGINAL IN THEIR IDEAS AND BRILLIANT  
IN THEIR TELLING.

---

## OPINIONS OF THE PRESS.

"This is a shilling shocker, and no mistake, but one far superior to those which usually come under that title. Whatever Madame Blavatsky may or not have been, there is no doubt that she was a wonderful writer. Although some of these stories are too horrible for anything, they all bear the distinctive mark of their author's genius. Nothing that Edgar Allan Poe ever wrote can excel the horror of the story of clairvoyance, with its awful illustration of the torture of eternity. It is impossible to read it without a shudder, for through it we get a glimpse of a region in which it is possible to conceive of hell."—*Review of Reviews*.

"A delightful book, entitled *Nightmare Tales*, by the well-known Madame Blavatsky, is just published in small book form, . . . Replete with weird horrors, mingled with pathetic touches, which will place their writer high amongst the tellers of tales."—*Magazine Journal*.

"A more gruesome story than 'A Bewitched Life' it would be difficult to find; Mr. Edgar Poe might, indeed, have written it, but not without the aid of a collaborator from Hanwell. . . . It will not please Madame Blavatsky to see her book at the head of our shilling shockers, but that is the position it will occupy for some time to come. *Nightmare Tales* is the very name for it."—*Illustrated London News*.

"They are weird and fanciful stories, chiefly based on the Theosophic idea that the soul can separate itself from the body even during life. . . . The stories are of a sensational character, and will be so far welcome to the general reader. Those who have a philosophic leaning to the study of spiritualistic or psychic phenomena will find in the stories food for reflection."—*Northampton Mercury*.
