WORST KIND OF SCROFULA.

DEAR SIRS, - I had an abscess on my breast and scrofula of the very worst kind, the doctors said. I got so weak that I could not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for me. I asked if I might take B. B. B., and the doctor said it would do me no harm, so I began to take it, and 'efore three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find B. B. B. a grand blood purifier, and very good for children as a spring medicine.

Weak Hearts
Made Strong.

Health and Vigor Restored.

For years I have suffered from weak action of the heart, and three years ago was attacked by La Grippe, which served to intensify the trouble. As a result I was reduced to a very weak state. My nerves were treacherous, I was irritable, easily alarmed and worried, suffered a great deal from dizziness, and my blood was very thin so that I suffered greatly from the cold. My breath was quite short, and I frequently felt as if I was about to give up the ghost because I had such a queer feeling in my heart.

Since taking Milburn's Heart and Nerve Pills I am a great deal better. My nerves are stronger, my blood has become enriched and revitalized. The constant chilly feeling is gone, and my blood circulates in a healthy and vigorous manner. My heart is strong, and I am free from the distress which arose from its former weakness. I feel that I should give this information in order to benefit other sufferers from heart or nerve troubles, and I willingly do so, as I believe such complaints are very prevalent since La Grippe came to this country.

Dr. Low’s Pleasant Worm Syrup.

This agreeable, sure and harmless remedy for worms is so pleasant to the taste that a child once taking it will ask for more. It is free from Castor Oil, Calomel, or other nauseous, sickening and hurtful drugs. It is impossible for worms to remain when this syrup is given so freely as to act upon the bowels. *No other cathartic required during its use.* It destroys the worms entirely, at the same time its cathartic action drives them out of the system. A single bottle has frequently destroyed from 100 to 200 worms. Tape worms from 16 to 35 feet in length have been expelled by the use of this great Worm Medicine. Worms prevail mostly in children, but the frequent use of this Worm Syrup as a laxative has expelled large numbers of worms from older people, where the cause of ill health was not suspected.

WELL PLEASED.

DEAR SIRS,—I am pleased to add my testimony in regard to Dr. Low’s Worm Syrup. My little girls, aged 4 and 1 respectively, had been ailing for some time, and my sister and others said they believed the trouble was worms, and advised Dr. Low’s Worm Syrup. I got a bottle and am thankful to say that they were both much benefited by it. The fever and restlessness soon ceased, and they are both entirely free from their trouble. Many of our neighbors use it, and one man said it cured his little one of fits. Our storekeeper says he has a good sale for it, and can recommend it for all cases of worms.

Every tree, plant, flower and herb has its use however humble it be. Many are useful for food, many for medicine, and of these latter the Scriptures say: “The Lord hath created medicines out of the earth, he that is wise will not abhor them.” The virtues are there for the healing of the nations. To so combine, in perfect balance, the virtues of a number of roots, barks, herbs, berries, twigs and leaves, as to produce a purely vegetable blood purifier and regulator of the Stomach, Liver and Bowels, has been the aim of the proprietors of Burdock Blood Bitters. The light of science and the wisdom of experience have resulted, as they always do, in producing a medicine which cures Dyspepsia, Biliousness, Constipation, Sick Headache, Salt Rheum, Scrofula, Heartburn, Sour Stomach, Dizziness, and all Blood diseases, from a common pimple to the worst scrofulous sore. Room for one example only out of the thousands that testify.

PROVIDENCE THANKED.

It is with pleasure that I recommend B.B.B. for the cure of Indigestion and Impure Blood. I had tried many medicines but received no benefit until, I thank Providence, I was advised to use B.B.B., and it was with perfect success.

WHAT THE PEOPLE SAY.

WILL USE NO OTHER.

Mrs. Robert Manary, Courtland, Ont. I wish to say that Dr. Fowler's Extract of Wild Strawberry has been a great benefit to my family. We always use it for pain in the stomach, diarrhoea and all summer complaints. It is the best medicine we ever had and we will use no other.

GOOD FOR ALL.

Dear Sirs,—I have used Dr. Fowler's Extract of Wild Strawberry for the past four years and know it to be one of the finest remedies for all kinds of summer complaints, painful diarrhoea, etc., and I therefore recommend to all persons troubled in that way.

I have never noticed Fowler's Extract recommended for cattle, but tried it with success. I had ten head of cattle that had the scours very bad, so used about three times the quantity one would use for a person, diluting it with a little water and giving it as a drench. Three doses made a complete cure, and I would not now be without Dr. Fowler's Extract of Wild Strawberry in the house. Thinking this might be of benefit to others I write to let you know of my great success in using Fowler's Extract among my cattle.

HEART THROBBING.

IT IS CAUSED BY WRONG ACTION OF THE HEART.

IT IS CURED BY MAKING THE HEART'S ACTION RIGHT.

This is the way to regulate and strengthen the actions of the heart.

Mr. John Griffin, the well-known and popular chief clerk in the wine rooms at the St. Lawrence Hotel, Montreal, tells how he got rid of the distressing heart symptoms which bothered him for such a long time.

Said Mr. Griffin, "For some time I was greatly troubled with my heart. Its action was irregular and caused extreme nervousness. My system became run down and I suffered much from the throbbing of my heart, together with dizziness and headache. In fact, I was getting weaker and more miserable day by day, so that work became a trouble to me. As you know, my business keeps me on my feet all day, and I assure you that it was most trying to me for many a long hour. Before half the day was over I would get very nervous, and feel as though I could not keep at my post any longer.

But now all this is changed. Milburn's Heart and Nerve Pills have been a great boon to me. I did not have much faith in medicine, as I had taken so much without effect, but Milburn's Heart and Nerve Pills have completely restored me to health. My system is toned up, my nerves as steady as when I was a youngster, and my heart beats as regularly as a clock. I took nothing else but Milburn's Heart and Nerve Pills, and to them is due the credit of the cure made in my case. I am all O.K. now, never get nervous, and feel thankful that these pills were brought to my notice."

You

THINK SO,

BUT YOU'RE WRONG

It's theory and condition. A bad back, you know what that is—one that's lame, weak or aching—that's the condition. You suffer from it often. The cause bothers you. You can't be certain, but you have a theory. Perhaps you think it's overwork. You take something for the tired feeling, something advertised as "good for everything." There's where you're wrong. The theory is wrong. The result is wrong. That bad back don't mean bad blood. Don't mean a lazy liver. Don't mean rheumatism. It means tired kidneys. You want a kidney medicine, for kidneys only. That's Doan's Kidney Pills. The kidneys call for them.

Weak kidneys gain daily strength with Doan's Kidney Pills. Lame kidneys are lame no more with Doan's Kidney Pills. Sick kidneys know not sickness when they know Doan's Kidney Pills, and Doan's Kidney Pills know nothing but kidney disorders, because they're made for kidneys only. Plenty of Canadian proof that this is so.

SUMMER COMPLAINT

ITS CAUSE AND CURE.

READ THIS ADVICE!

Many dangerous and distressing diseases prevail in summer and fall. Complaints such as Cholera Morbus, Cholera infantum, Diarrhoea, Dysentery, Colic and Bilious Attacks are nearly always due to an unhealthy condition of the bile and blood, the attack being excited by indiscretions in diet, bad air and water, colds, unripe fruit, fermenting food or anything which causes an excess of bile. Cholera Morbus and Canadian Cholera are modified forms of Asiatic Cholera, with many symptoms in common, such as purging, cramps and collapse. Never neglect a simple diarrhoea, but avoid opiates and powerful astringents, which sometimes produce inflammation through too suddenly checking the discharge. The symptoms in these complaints vary greatly; sometimes there is great pain, nausea and vomiting, in other cases painless diarrhoea exists, but in all cases the sovereign remedy is Dr. Fowler's Extract of Wild Strawberry, which promptly arrests the diarrhoea, soothes the pain and corrects the unhealthy biliary symptoms.

MILBURN'S HEART AND NERVE PILLS.

They have cured many Woodstock people, and there is Woodstock evidence to certify to the fact. Here is some of it:

Read what D. Eadon Martin, the well-known and popular agent of the Temperance and General Insurance Co., Woodstock, has to say. Says Mr. Martin, "Last June I met your representative, and in talking to him, I had been suffering from nervousness and debility for over twelve months. On his suggestion I tried Milburn's Heart and Nerve Pills, as he said, 'They are almost certain to do you good, and they cannot hurt you in any way, because I have been told this by hundreds of people in the principal cities and towns in Canada.' His advice was good, as I have since found out. The pills have cured me of the nervousness which had so seriously affected me; and, in addition to that, they toned up my entire system.

"I am pleased to make this acknowledgment of the fact in my own case, and trust that others who have suffered as I did will give Milburn's Heart and Nerve Pills a trial."

BACKACHE.

MESSRS. T. MILBURN & CO.,
TORONTO.

Gentlemen,—

Having been a sufferer for many years with backache and headache, and being unable to obtain permanent relief, I was persuaded, after reading several of the conclusive testimonials from prominent people, published by your firm, to try Doan's Kidney Pills. What lead me to this was the fact that I was personally acquainted with some of the people who recommended them. I therefore went to a drug store and procured the pills.

After taking them according to directions for a short time, I experienced prompt and satisfactory relief. I have had no headache since, and may say that Doan's Pills not only relieved me of headache, but greatly improved my general health. I cannot speak too highly of the medicine, or recommend it too strongly to any person troubled with pain in the back, backache, headache, or any other symptom of kidney trouble.

I remain, respectfully yours,

Inspector, Signed, GEO. B. WOOD.

Mr. Thos. Bennett, for over twenty-two years in business as a wholesale and retail butcher, writes as follows:

GENTLEMEN,—I have for a long time been afflicted with extreme nervousness. Frequently I had sharp pains under my heart. At times my memory was clouded, causing me to forget orders which were given to me. Very often there was a sort of mist came before my eyes, and I was extremely dizzy. Small business matters assumed exaggerated forms, and I brooded over them. At night I would often wake up with a start and it would be a long time before I could again compose myself to sleep. So unstrung were my nerves that I had fits of trembling occasionally, and cold sensations would run down my limbs. The least excitement or noise startled me and set my heart fluttering. I have taken a box of Milburn's Heart and Nerve Pills, they restored my nerves to their normal condition, and toned up my system to such an extent that all the distressing ailments I have mentioned have completely disappeared. I say it without any qualification whatever that they are a splendid medicine for heart trouble, shattered nerves and their attending evils.
