

The Science of Character Healing

By Walter DeVoe

(Issued Quarterly)

Daily Studies for a Period of Three Months

Whither shall I go from Thy Spirit? Or whither shall I flee from Thy Presence?

If I ascend up into heaven, Thou art there: If I make my bed in Sheol, behold, Thou art there.

If I take the wings of the morning and dwell in the uttermost parts of the sea;

Even there shall Thy hand lead me, and Thy right hand shall hold me.

Psalms 139:7-10

RESPONSIVE READING

To prepare and harmonize minds in family groups or in student groups it is well to have all members read positive statements of truth audibly. When the leader reads a sentence and the members of the group read the next sentence and so on alternately it is called Responsive Reading.

Bible selections for responsive readings:

Proverbs 4:1-13. Psalms 84:1-7, 9-12.

John 14:1-11. Matt. 5:1-12

Follow the reading of one of the above selections by united audible reading of one of the prayers in

Healing Currents, pages 218, 219, 223, 224

STUDY! THINK! PROGRESS!

It is one thing to read of and accept spiritual principles and contend for them mentally, and it is quite another thing to spend a half hour or an hour in the morning and in the evening studying a book of principles; audibly or silently generating positive thought--and feeling--forces which will tune up the whole spiritual nature and develop that quality of Divine dominion which belongs to us inherently, and which slumbers in us, waiting to be called forth by the Words of Life.

There is but one rock on which to build, and that is the inner "I AM" which becomes the center of your affirmative faith; and from that consciousness of "I AM"ness affirmed and asserted, and identified with the most spiritual and harmonious thoughts, there comes a consciousness of unity with the inner Divinity which is sublime and ecstatic.

Sacrifice a little time in the morning to read and affirm spiritual thoughts, so as to get your whole nature positively attuned to the finer vibrations of the Eternal Mind; and you will carry with you, all through your busy day, a consciousness of peace and serenity which will help mightily to conquer physical disturbances and make you master over the confusing mentality of commercial or social life. Then, daily, your soul will be gaining a stronger power; and before many months you will realize great growth in poise and efficiency.

We ask students to send us a list of Beliefs that bind human minds. Write down in a few words beliefs that bind, and follow with the opposite thought--the truths that free. Example:

Belief that binds: Divine Love condemns and punishes.

Truth that frees: Perfect Love forgives and blesses.

Review your theological beliefs and the creed you were taught and see if the thoughts are depressing or uplifting, building or freeing in tendency.
