PREFACE

FOR many years we have had repeated requests for a little manual containing all the prayers given to the Universal Religious Fellowship, Inc. from time to time by the Teacher, and issued in such convenient size that it can be carried in the pocket or handbag for daily use.

Believing that it contains prayers suitable for almost all occasions and for almost every need, we take pleasure in presenting this little booklet in the confident hope that it will encourage the development of the devotional or heart-side of the student's unfoldment in consciousness and realization by making the prayers more accessible at all times.
This booklet is sent out with the blessing of the Hierarchy whence the prayers were received. And we trust that by its use the students will be able to tune in their consciousness to that great reservoir of light, life, and love, and thereby be able to respond to the downpouring return currents which such sincere aspirations invoke.

Fraternally yours,

In His Service,

F. Homer Curtiss, M.D.

“Prayer should be understood, not as a mere mechanical recitation of formulas, but as a mystical evaluation, an absorption of consciousness in the contemplation of a principle both permeating and transcending our world. It is incomprehensible to philosophers and scientists, and inaccessible to them. But the simple seem to feel God as easily as the heat of the sun or the kindness of a friend.”

*Man, the Unknown*, Carrel, 147.
INTRODUCTION

The object of all religions is worship of the Divine. And the primary object of all worship is personal contact with and realization of the Divine. But as there is a method or mechanism by which the whole manifested universe comes into physical expression, so is there a method or mechanism by which conscious contact is made between the human personality and those higher expressions of God toward which the heart aspires.

While there are many avenues by which such contact is made, ranging from contemplation, meditation, and silent aspiration to the sudden despairing cry for help and protection in times of crisis, nevertheless, the avenue most readily available to the average consciousness is prayer. This does not mean that one
must necessarily repeat certain stipulated words as set forth by another, for each heart can usually formulate its own words to express its own desires and needs. But as words both symbolize and embody definite ideas, when properly used, words can be used to produce specific effects.

The prayers contained herein are not the intellectual compositions of the Authors, but were given to them already formulated direct from the higher realms. They, therefore, constitute definite mantrams which express definite ideas and engender definite vibrations whose use is designed to tune the consciousness of the user in to the wave-length of definite states of consciousness and to certain Hierarchies of Beings in the higher worlds. Their conscious response will do all that is possible to accomplish the desired results, depending upon the degree of its reception and correlation.

As we have said elsewhere: “The repetition of such prayers is like a projectile fired through the Earth’s atmos-
Introduction

sphere, creating a passage through which the One Life must necessarily flow.” While for certain higher spiritual contacts, it is best to “enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret,” nevertheless, most of these prayers can be used at almost any time and in almost any place—while walking, riding in cars, etc.—wherever your powers of concentration are sufficient to enable you to repeat them to yourself with at least some degree of realization of their meaning, and then to meditate upon them.

Since this is but a compilation of the prayers themselves, for a full explanation the student is referred to the context from which they were taken, as indicated beneath each prayer.

Since this collection includes prayers suitable to almost every need and almost every mood, we trust that it will prove of such practical help that its treasures will be used in an ever-increasing degree until many of the prayers are memorized and so are instantly available at every time of need.
Praying that this little volume will be the means of stimulating many to make more regular use of the prayers and thus experience the manifold blessings and joys, protection and comfort of the forces they invoke, we send this booklet forth with our blessing and also that of its Source.

"Man offers himself to God. He stands before Him like the canvas before the painter or the marble before the sculptor. At the same time, he asks for His grace, exposes his needs and those of his brothers in suffering. . . . The modest, the ignorant, the poor are more capable of this, self-denial than the rich and the intellectual. When it possesses such characteristics, prayer may set in motion a strange phenomenon, the miracle."

**Potent Prayers**

**The Lord's Prayer.**

Our Father which art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done in earth, as it is
in heaven.
Give us this day our daily bread.
And forgive us our debts
As we forgive our debtors.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom, and the
power,
And the glory, forever. Amen.

**Prayer for Light.**

O Christ! Light Thou within my heart
The Flame of Divine Love and Wis-

After repeating this prayer, see with the
mind's eye the Divine Light descending upon
you like the beam of a gigantic searchlight.
Potent Prayers

That I may dwell forever in the radiance of Thy countenance
And rest in the Light of Thy smile!
pouring down from above upon your head and flooding you with its radiance.

See the beam of Light surrounding you with a circle of brilliant white Light, forming the Ring-Pass-Not, within which no inharmonious or evil thing can penetrate without being consumed by that Divine Fire.

Then see it illumine your mind, expand your consciousness and deepen your understanding of life, love and law, and the experiences of your daily life.

As the Light surrounds you, see it awakening within your heart a tiny, bright Flame.

Watch this Flame spring up and grow until it illumines every fiber of your being with Divine Love and compassion. Feel the Flame send an actual glow of warmth throughout your physical body to the tips of your fingers and toes, purifying, spiritualizing and transmuting the very atoms of your flesh with its spiritual radio-activity.

Then see it ascend and blend into and make you one with the Divine Flame that is pouring down upon you from above.

Then ascend in consciousness within the column of this Divine Light to the realms of Divine Consciousness where you lose yourself in oneness with the Divine.

**Sunrise Prayer.**

As the physical Sun ascends in the East,
May we face the mystical East,
That the rays of the Spiritual Sun
May warm our hearts and illumine our minds,
And bring forth the seeds of immortal life
And their perfect expression through us. Amen.

Harriette Augusta Curtiss.

**Morning Prayer.**

I have within me the power of the Christ!
I can conquer all that comes to me today!
I am strong enough to bear every trial
And accept every joy,
And to say
Thy will be done.

*The Voice of Isis*

**Sunset Prayer.**

As the physical Sun
Disappears from our sight,
May the Spiritual Sun  
Arise in our hearts,  
Illumine our minds,  
And shed its radiant blessing  
Upon all we contact.

_Evening Prayer._

O Divine and loving Father, as we rest  
Through the darkness upon Thy breast,  
Help us to draw close to Thee in love,  
And to realize the almighty power of  
Thy Divine Son  
Filling and comforting us.  
For, as the earth and air  
Retain the magnetic and life-giving  
forces of the Sun,  
To bring forth for the new day  
As it withdraws each night,  
So may we retain in our Souls  
Through the darkness,  
The light and warmth of Thy shining,  
Knowing that as the Sun rises for the  
new day,
Potent Prayers

We, too, shall rise stronger, truer, sweeter
And more beautiful,
Because we have rested in Thy love
In abiding faith and trust.

Midnight Prayer

O Divine Mother!
I feel Thy Love enfoldling me and surging through me
As it breathes and pulsates throughout the Universe.
Let the Waters of Life cleanse and purify me.
Bring forth in me the fullness of thy Son, the Christ.
As my consciousness is released in sleep.

1 This prayer is especially to use at night when the forces of the sun have been withdrawn and the astral forces are sweeping closest and having the greatest power on earth, or whenever we are wakeful, restless and apprehensive.
Open for me the door of Divine Consciousness,
And bear me in Thine arms into the Presence of the Most High,
That the Wisdom of Life may be expounded unto me.
Beloved Mother!
I surrender to Thee my thoughts, my desires, my will,
And rest in peace upon Thy bosom.

The Divine Mother, 28.

PRAYER TO THE DIVINE INDWELLER.¹

Come, O Lord of Life and Love and Beauty!
Thou who art myself and yet art God!
And dwell in this body of flesh,
Radiating all the beauty of holiness and perfection,
That the flesh may out-picture all that Thou art within!
Even so, come, O Lord. Amen.

The Message of Aquaria, 479.

¹ For another wording see page 40.
PRAYER TO THE DIVINE MOTHER.

O Divine Mother!
Illumine me with Divine Wisdom,
Vivify me with Divine Life
And purify me with Divine Love,
That in all I think and say and do
I may be more and more Thy Child.
Amen.

The Divine Mother, 51.

FOR REALIZATION

Continually proclaim the reality of the indwelling Christ. Make a practice of listening for His voice and asking for His guidance in every problem and condition that confronts you.

Declare that this is the great work, the great privilege, the great opportunity given unto you to manifest the Christ within you and within your life.

Declare that: "I will try to do my best," knowing that nothing is ever given to God's children to do that the strength to accomplish it is not given with it.

Lesson, The Crucifixion.
Healing Prayer.

O thou loving and helpful Master Jesus!
Thou who gavest to Thy disciples power to heal the sick!
We, recognizing Thee, and realizing Thy divine Presence with us,
Ask Thee to lay Thy hands (powers) upon us in healing Love.
Cleanse us from all OUR sins, and by the divine power of Omnipotent Life,
Drive out the atoms of inharmony and disease,
And fill our bodies full to overflowing With Life and Love and Purity.

*The Voice of Isis*, 341-5.

Say after Healing Prayer.

I am not this body.
I am a free Soul, and I will dwell with my Christ

In the eternal joy of the higher life.
How to Use the Healing Prayer.

In the practical use of this prayer, after repeating it, mention the names or initials of those whom you desire to have helped, and visualize their faces as clearly as possible. See the Divine Christ-light streaming down upon and penetrating into their whole bodies as though from a powerful searchlight from above. Or you may visualize them as stepping into the great pool of Divine Light which has resulted from your invocation, and see them submerged in and filled with it. It is important not to set up your human judgment or will as to what the result shall be. Therefore, do not demand health or any other specific result. Allow the Christ-light to take its own course and bring about the results that are best for the Soul’s unfoldment and advance. In other words, leave the result to the Christ and the Divine Law, your attitude being, “Not my will, but Thine be done.”

The Voice of Isis, 345.
PRAYER OF PROTECTION.

O Christ! Surround and fill us with the Flame of Divine Love and Wisdom, That it may purify, illumine and guide us in all things. May its Spiritual Fire form a rampart of Living Flame around us To protect us from all harm. May it radiate to every heart, consuming all evil And intensifying all good. In the name of the Living Christ! 

Amen.

The Message of Aquaria, 478.

HOW TO USE PRAYER OF PROTECTION.

In using The Protecting Invocation, the pupil must be fully aware that he is touching a tremendous dynamic force. Hence, only as we recognize that the Ring of Fire is the very heart of creative substance which can create, preserve, or destroy with equal force, is it safe to
use it. Remembering this, we must maintain the reverent attitude of mind that is willing to take the consequences, i.e., that we hold a Love so holy that it will create in us a closer, more intimate and sensitive oneness with Divine Fire; that it will preserve in us this sensitiveness and destroy or take from us all that in us may impede our growth in godliness. Therefore, we must repeat this prayer reverently, knowing that carelessness may be disastrous. Never repeat it unthinkingly or carelessly. The Message of Aquaria, 155.

PRAYER OF DEVOTION.

We, Thy chosen servants, to whom Thou hast given the great privilege of becoming co-workers with the Masters of Wisdom, ask that we may have Wisdom and Power and Courage and Humility to carry us through the work of this day.

We open our hearts that the Divine Love of the Master may fill us; that all irritation, inharmony and slothful-
ness may be transmuted into Love that shall draw us closer in unity to all our fellow workers, both seen and unseen; that we may grow absolutely one with the force of Wisdom and Compassion that is sent forth to accomplish the great work for humanity.

Give us all things necessary, that there may be no hampering conditions.

Lead us through this day, in the name of the Divine, Ever-living Christ, that the will of the Father may be done in us and through us forevermore. Amen.

**Prayer of Demonstration.**

I am a child of the Living God!
I have within me the all-creating Power of the Christ!
It radiates from me and blesses all I contact.
It is my Health, my Strength, my Courage,
My Patience, my Peace, my Poise,
My Power, my Wisdom, my Understanding,
My Joy, my Inspiration, and my Abundant Supply.
Unto this great Power I entrust all my problems,
Knowing they will be solved in Love and Justice.

(Here mention all financial and physical problems pertaining to your outer life, environment and worldly affairs with which you desire guidance and help, that they may work out in the way that shall be best for you.

Meditate a moment on each until visualized, then conclude with the words that follow.)

O Lord Christ!
I have laid upon Thy altar all my wants and desires.
I know Thy love, Thy wisdom, Thy power and Thy graciousness.
In Thee I peacefully rest, knowing that all is well.
Not my will but Thine be done. Amen.

The Message of Aquaria, 147.
Prayer for World Harmony.

Glory and honor and worship be unto Thee, O Lord Christ, Thou who art the Life and Light of all mankind!

Thou are the King of Glory to whom all the peoples of the Earth should give joyful allegiance and service.

Inspire mankind with a realization of true Brotherhood.

Teach us the wisdom of peace, harmony and co-operation.

Breathe into our hearts the understanding that only as we see ourselves as parts of the one body of humanity, can peace, harmony, success and plenty descend upon us.

Help us to conquer all manifestations of inharmony and evil in ourselves and in the world.

May all persons and classes and nations cease their conflicts, and unselfishly strive for peace and good-will, that the days of tribulation shall be shortened.
Bless us all with the Radiance of Thy Divine Love and Wisdom that we may ever worship Thee in the beauty of holiness.

In the name of the Living Christ we ask it. Amen.
PRAYER FOR THE CHRIST POWER.

O Lord Christ!
Thou who hast planted within me
The Immortal Power of spiritual Love
and Force,
Help me so to correlate
With Thy divine, overshadowing Pres-
ence,
That all hampering conditions
Shall be swallowed up in the Light
Of the Living Christ Power. Amen.

Lesson, Realms of Eternal Life.

PRAYER FOR CHRIST'S COMING.

O Christ, the earth trembles at Thy
approach!
The water and the air and the Heav-
enly Lights
Bow down before Thee.
The earth, Thy footstool, on which
Thou treadest,
Gives back its worshipful chant as
Thou comest.
O Lord Christ!
Open our hearts that we may recog-
nize Thee.
Open our minds that we may know Thee.
Open our lives that we may follow in Thy footsteps.
We fear nothing that can come to this earth, Thy footstool,
For we are Thy children, born of Thy love,
Fed on Thy blessings, adoring Thy Son.
Amen.

Let all who are striving to make a living sanctuary of their hearts say this prayer daily:

Prayer—My Christ Is Here.

My Christ is here, a living force in my life.
He is here in my heart now.
He walks with me through the darkest night.
He pours out His boundless love
That I may drink of the living waters,
Until my heart and life become a sanctuary
Wherein He can manifest;
Until my family, my group, my town, My country and the world, Shall be a vortex of Divine Love In which He can descend to earth to comfort and inspire all mankind.

PRAYER OF THE THREE DOORS.

O Lord Christ, Open the door of my body to perfect health. O Lord Christ, Open the door of my mind to perfect understanding. O Lord Christ, Open the door of my heart to perfect spiritual realization.

Then say to yourself very positively: This prayer is answered. I am getting better. I cannot expect it instantly, But as the doors of my body, of my mind And of my heart are opened, All three of them are co-operating to let in
The vital life-giving Christ-force
Which shall make me well.

*Letters from the Teacher, Vol. II, 7-8.*

**Grace before Meals.**

I am a creator.
By the power of my spiritualized Will,
I consciously gather all the forces from
this food,
And use them to create health, strength
and harmony
In all my bodies (physical, astral and
mental).

**To Conquer Fear.**

I am fearless because my Real Self
is divine
And there is nothing for It to fear.
Divine Love is the law of my being
And I can trust in this Great Law
To conquer all conditions.
With it, I am strong, powerful, force-
ful.
Manifesting this love, I cannot be dis-
couraged,

Or in the name of the Living Christ,  
begone!

Prayer for Coming Conditions.

O Christ!  
May the coming conditions  
Awaken in the hearts of humanity  
A realization of their touch with the  
Divine,  
And an understanding  
Of their dependence upon God.  
So that the re-adjustments of physical conditions

Which are now due, may come as cleansing blessings
And not as hopeless disasters.

O Christ!
May those who are ready for realization be enlightened;
May those who are needed to help during the coming conditions,
Be placed in circumstances where they can help most effectively;
And may those who need to learn their necessary lessons
In the higher realms,
Those who are a drag upon civilization,
Or who retard the reign of peace and brotherhood,
Pass on with as little suffering as possible,
And be prepared to return as helpers instead of retarders of the public good.
In the name of the Living Christ we ask it. Amen.
PRAYER TO THE SOURCE.

O Lord Christ!
Thou art the source of my life,
My light, my wisdom and my joy.
Thou are the power which shall unfold
My consciousness to realize Thy presence;
Which shall unfold all my centers,
That they may become avenues through which
I can manifest Thy glory to the world.
Unto Thee I dedicate my atoms,
My service, my life, forevermore.

Recognizing the oneness of Thine All-pervading Force,
We give back to Thee, for Thy use, all that we possess,
And by the power of the Living Christ
Demand that all obstacles be removed,
And Thy work be speedily established in perfect justice.

_The Voice of Isis, 408._

**To Be Efficient.**

To be efficient in life's day at school, a philosophy should be sought which is so all-inclusive that it explains:
 Where we came from,
 Why we are here,
 What the destiny is to which we are expected to reach,
 What our individual place is in the whole mighty scheme of the universe,
 And how we are to attain it.

_The Message of Aquaria, 185._
Tests of Teachings.

How do the teachings manifest in the lives of their followers?

What is their effect on the moral and social structure of mankind?

What amount of evil, selfishness, sin, sorrow, suffering and inefficiency have they eradicated from their students and from the community?

These are the tests now to be applied.

The Message of Aquaria, 250.

Gratitude.

Always express a prayer of gratitude for all blessings and everything received; for in occult studies a lack of gratitude for each step along the Path is one of the greatest hindrances the student can develop.

The Masters teach that every help along the journey, every word spoken or law interpreted for the advancing Soul, is like a jewel of great price.

Hence, to accept it and refuse gratitude of love in return creates a Karma for the unfolding Soul similar to that created
by undeveloped persons through robbery. The Masters have also conquered the desire for personal recognition, admiration or even gratitude.

PRAYER TO THE FORTH-COMING.

Come forth, O Lord of Life and Love and Beauty! Thou who art myself and yet art God! And manifest through this body of mine, That it may outpicture Thy radiant perfection, All that Thou art within. Even so manifest through me, O Lord. Amen.

ADDITION TO GRACE AT MEALS, or after any gift.

We thank Thee our Father for this manifestation of Thy bounteous supply. May we use it to Thy glory in Thy service. Amen.
Thanksgiving

The giving of thanks is a natural response of the heart in a spontaneous recognition of benefits received from life and Nature and their Giver. It is an instinctive expression of gratitude toward the person or source whence the benefits came. It is a natural trait of the Soul, hence should never be neglected or omitted, but should be cultivated by all. For sincere thanks giving opens the heart, the mind and the life generally to the inflow of God's blessings.

Prayers of Thanksgiving.

We thank Thee, our heavenly Father, for our life which comes from Thee. May it ever remind us of our dependence upon Thee as its source. May we ever make the highest and most constructive use of it, that we may do all things under Thy guidance and to Thy glory, and to the blessing of our fellow men. Amen.

We thank Thee, O Father, for the manifestation of Thy love and beauty which we see revealed in Nature all
about us; in the sunshine and the rain; in the flowers and the trees; in the birds and the bees. We thank Thee for the love of the dear ones of our family and relatives, and our close friends. May we all be blessed with a greater realization of Thy love for us all, and may we radiate it to all we contact. Amen.

We thank Thee for the miracle of rest and recuperation; for Thy protection during sleep; for food and clothing and shelter and for all supply, knowing that all are loaned us by Thee for our correct use. Amen.

We thank Thee for the experiences of life, even for those that test our faith and try our Souls, that we may learn the lessons and gain the unfoldment we came to earth to attain. We thank Thee even for the little annoyances, that we may learn patience and poise; for the opportunities to overcome temptations so that we may prove our sincerity and honesty; for the deep joy of triumph over sin. Amen.

We thank Thee for free-will that we
may choose our path in life; that we may choose to follow Thy guidance and live Thy way unselfishly and with harmony, tolerance and love toward all. Amen.

We thank Thee for the opportunity to serve both Thee and our fellow men through unselfish service and through kindness in thought, word and deed. We thank Thee most of all for the privilege of contacting Thee and for Thy answering guidance through the Still Small Voice. Amen.

A PRAYER FOR WORLD PEACE

O Thou glorious Source of all life, light and love, our Lord God almighty! from whose heart the Ray of Spirit in each mortal is sprung! let the realization of our oneness in Thee descend upon our hearts as heavenly dew, refreshing our souls!

May the love of God and the fellowship of all mankind—without regard to race, creed or condition—so fill our hearts and minds that each will gladly unite his forces for the attainment of peace,
fellowship and co-operation among men.

May all persons and classes and nations cease their conflicts, and unselfishly strive for peace and good-will, that world peace may speedily be attained.

Let the calm of Thy eternal peace, which passeth all intellectual understanding, envelop us with its divine serenity. May it quiet the turmoil of our minds, and the conflict of our desires, dissolve our fears, and reveal to us the essential brotherhood of all mankind.

Thus shall the power of Thy loving Spirit bring victory over all opposition to the establishment of Thy peace on earth, and good-will among mankind Amen.

Pause after each sentence and meditate upon it. Visualize its radiance going out to envelop all mankind. See the radiance which this Prayer invokes dispelling the dark clouds of inharmony and war as the Sun dispells fog, and stimulating the growth of the good in each heart as the Sun stimulates the growth of the sprout when the fog has been dispelled and the Sun can perform its constructive work.

"THE CURTISS BOOKS"

These books present the philosophy of Christian Psychology and Mysticism in plain, comprehensible terms and applied to the daily life. Not mere theory and metaphysical speculation, but a definite and comprehensible philosophy of life and Soul-growth, tested through years of experience, which includes a rational explanation of all forms of mysticism and Biblical Occultism, as well as the vital and complex problems of modern life and all after-death conditions.

There are perhaps no books on the market to-day which so fulfill the needs of the awakened Soul who is seeking to know and understand how to apply the universal laws of the spiritual life under present and coming world conditions. While philosophical and comprehensive in their scope, they also answer the heart-cry for love, light and life.

Just the books to place in the hands of a friend who is outgrowing former limitations of thought and old conceptions. Christian in their ethics, yet non-sectarian cosmic and universal.

THE CURTISS PHILOSOPHIC BOOK CO.
TEXT-BOOKS OF THE U. R. F.

BY DR. AND MRS. F. HOMER CURTISS

THE VOICE OF ISIS

A Text-book of The Order of Christian Mystics. A veritable compendium of spiritual philosophy, occultism and esoteric biblical interpretation. Not mere theory and metaphysical speculation, but a definite philosophy of life and Soul-growth tested through more than twenty-five years of practical application.

"Not only has the book very favorably impressed me through its common-sense way of treating subjects (sex, psychism, etc.) on which occultists sometimes go wild, but I have most invariably heard the same expression of opinion from others who have read it."—Editor, O. E. Library Critic.

"Reveals with wonderful simplicity, directness and convincing force, Christianity as perceived by the light of the Secret Wisdom. . . . Invaluable both as Teacher and Guide to the Sacred Way of Truth and Illumination.—Azoth Magazine.

Sixteenth Edition—433 pages. Index. Price, $4.00

THE MESSAGE OF AQUARIA

Answers the heart-cry of many in all lands for a reasonable and scientific explanation of how and when and to whom the Son of Man shall appear in this Aquarian Age, as already outlined in The Voice of Isis, and how all advanced students may join together in a non-sectarian Super-Brotherhood of Free Spirits to prepare for and recognize Him when He comes.

Reveals more details of this great mystery than can be found in any other work, all corroborated by "The Secret Doctrine" of H. P. B.

Not a sequel to The Voice of Isis, but rather a
response to the urgent call for further and more advanced instruction concerning the great unrest in world conditions, and an exposition of the significance of the new Aquarian or Woman's Age and its mission to distracted and war-weary humanity.

"Dr. and Mrs. Curtiss are noted internationally for the profound scholarship with which they have studied the problems of ancient and modern mysticism. . . . Through all runs the steady note of honest counsel, of deep convictions."—National Pictorial Monthly.

Fifth Edition. Price, $4.00

REALMS OF THE LIVING DEAD

Explains all problems and answers all questions as to existence after so-called death. Gives all methods of communication. Clearest and most authoritative. Constructive, helpful, comforting, with diagrams of the invisible worlds and their various realms.

"It is particularly desirable that in these times of death and sorrow people should be familiar with conditions of life on the other side of the veil. In the chapter on The Awakening there is much that will be of value and interest to soldiers and their friends."—Toronto Sunday World.
Sixth Edition. Four extra chapters. Index. Price, $3.00

THE KEY TO THE UNIVERSE AND KEY OF DESTINY

"The most comprehensive and authoritative books on the significance and spiritual interpretation of numbers and symbols. Not a dry mathematical treatise nor mere speculative theories. Illustrations and confirmations from nature at every turn.
