## DEDICATION

*The songs in this book are dedicated in Eternal Loving Gratitude to the Ascended Masters, as an opening for the Music of the Spheres from Their Octave of Life, to come into the physical use of all who want the Constructive Way of Life.*

*We trust that through these humble efforts the New Music may come through to heal the people, bring harmony, prosperity and joy to every human being on earth; and to release the Victory of the Light for the Blessing and Freedom of all.*

## FOREWORD

---

**T**HE Ascended Masters ask all under this Radiation to keep all the Music and Decrees bright and happy in a rapid tempo. Then, the energy released goes forth charged with a quality which the Ascended Ones can use, amplifying it with the intensity and power needed to produce Perfect results.

The Music and Decrees should all be sent forth through a joyous FEELING, consistent with clearness of speech, Perfect unison and good rhythm. They should be kept dignified and powerful, yet charged with an enthusiasm and Love which is the release of the Mighty Power and Victory from the Octave of Light.

The Ascended Masters have requested the students to use ONLY the songs in this book in all their activities under this Radiation, as through them a uniform activity is being brought about, to act throughout America and the world. The reason for holding to these melodies is the same as that for the Study Group Outlines, until certain work is accomplished for America's protection.

Every time one of these songs is sung by the students, a definite quantity of energy and substance rises into the atmosphere, qualified harmoniously and having definite form and color. It is taken up by the Ascended Masters, charged with Their Ascended Master Consciousness, Feeling, Qualities, Power and Light. It is then expanded, intensified, amplified and consciously directed by Them, to render some very definite Service for America and all mankind. It is many, many times used to dissolve discord, to heal, to harmo-

nize, to protect and to strengthen all constructive activities.

All original music will be brought forth by the Saint Germain Press at the earliest possible moment and notification will be given in the Voice of the "I AM."

The Ascended Masters never use any kind of slow dragging music, nor any melody which contains the feeling of sadness or suffering. Those are records of discord which the Ascended Masters cannot and will not use.

We thank all whose music or lyrics have been used in this song-book, and we enfold them in the Mightiest Blessing from the "I AM Presence" and the Ascended Masters, as well as ourselves. We call forth every good thing without limit to flood them and their worlds, until there is not room to receive the blessing poured out.

We understand that all who have contributed lyrics or music herein used have given them unconditionally, as a glad free gift of Love to the Saint Germain Press, to be used in the Service of the Light, as that is the **ONLY CONDITION** on which we ever accept anything in this Ascended Master Activity.

We wish to thank Mr. C. C. Birchard of Boston for the use of several numbers and wherever possible use his "Twice 55 New Brown Book" arrangement of melodies given, as they are in the keys most suited to large audiences.

# BELOVED MASTER, SAINT GERMAIN

(Melody: ROCK OF AGES) Key of Bb

Blessed Master, Saint Germain,  
Thou ART with us once again.  
Once again we feel Thee near,  
Thy strong Voice and clear Words hear.  
Telling us of Things to come,  
Of our work that needs be done.

Blessed Friend of ages old,  
Let us now Thyself behold.  
We are rallying at Thy Call,  
And like Thee, we pledge our all!  
In the Cause we now engage  
Ushering in the Golden Age.

Master, Teacher, Brother, Friend!  
Your Own Ray to us You send.  
Always ready at our call,  
Striving to illumine all.  
Helping us to understand,  
That our Freedom is at hand.

In the Presence we abide  
As we walk close at Thy Side.  
Thou dost always us inspire  
To blaze up the Violet Fire,  
That we purified may be,  
And ASCENDED, soon, like Thee.

# HAIL, SAINT GERMAIN

(Melody: HARK, THE HERALD ANGELS SING) Key of G

Hail to Thee, Oh Saint Germain!  
We adore Thine Own Great Name.  
Thee we love and ever bless  
In our hearts' deep gratefulness.

Master of the Seventh Ray,  
Ordered Service is Thy Way.  
To Thy Presence we do bow,  
"Mighty I AM," bless Thee now:  
To Thy Presence we do bow,  
"Mighty I AM," bless Thee now.

Saint Germain, Thou Glorious One,  
To America Thou'rt come.  
Through Thee, all men in our land,  
God's Own Light shall now expand!  
Fates of Nations Thou dost mould  
As Thy Powers do unfold.  
All mankind shall one day know  
Of the Light Thou dost bestow:  
All mankind shall one day know  
Of the Light Thou dost bestow.

Through Thy Love, Oh Saint Germain,  
Our full Freedom we attain.  
When we rise—ASCENDED! FREE!  
We shall be at ONE with THEE!  
With the Heavenly Hosts we sing  
Of the Glory Thou dost bring.  
All our hearts in joy now raise  
To exalt Thee in full praise:  
All our hearts in joy now raise  
To exalt Thee in full praise.

# BELOVED MASTER, JESUS

(Melody: OH, LITTLE TOWN OF BETHLEHEM) Key of F

Oh, Jesus, Thou Great Conqueror,  
We greet Thee, Lord of Life  
And call to all Great Hosts above  
To still all earthly strife.  
Thou art the Mighty Presence,  
The Glorious "Great I AM,"  
Thou art the Cosmic Master now,  
The conquering Pure Love Flame.

Let all of earth behold Thee,  
Thou Radiant God of Light;  
For all shall know Thy Blessed Power,  
Thy Presence and Thy Might.  
In This full Cosmic Glory,  
Reveal Thy Heights to all  
That earth may sing Thy Praises, too,  
And hear the "I AM CALL."

Let all now see Thyself, Thy Way,  
And know Thee in the Light!  
Come, walk and talk in Perfect Bliss,  
Filled with Thy Glory bright.  
Let all now see their Presence,  
The Glorious "Great I AM,"  
And ever live within Its Heart,  
The Blessed Unfed Flame.

Come to us now as once before,  
Oh, come step through the Open Door;  
Walk, talk and smile with us as of yore  
In Thy Great Love!

# GREAT DIVINE DIRECTOR

(*Melody*—Original: published by Saint Germain Press)

Great Divine Director of humanity,  
All the world shall render praises unto Thee.  
Bright Celestial Envoy sent from out the Sun,  
Thou art with the God-head, ever joined in One.

Through Thy Master Powers' Full Activity,  
Guide and guard our Nation's blessed Destiny.  
Banish from her Children, thoughts of time and space,  
Strong Walls of protection, 'round her boundaries  
place.

Great Divine Director, in this Cosmic Hour,  
Thou dost stand triumphant in Majestic Power.  
To Thy Holy Presence, Universes bow,  
Yet Thou dost enfold us in Thine Own Love now.

(Note: Repeat once the last line of each verse)

# BELOVED DIVINE DIRECTOR

(*Melody*—Original: published by Saint Germain Press)

Days are ever growing brighter,  
 Life more joy bestows.  
 Hearts are ever growing lighter  
 As our Freedom grows.  
 All the earth shall soon be rising  
 To lift high the "Light,"  
 Of the GREAT DIVINE DIRECTOR in  
 Its full Pow'r of Cosmic Might.

Oh, Thou Great Divine Director  
 Of Mighty Currents of Light!  
 Now project the force of Thy Great Rays  
 To set earth right.  
 In the Substance of the Lightning  
 That blazes forth from Thy Heart,  
 Release to all men the Great Perfection  
 Of the Light Thou art.

To Thy Presence of Bright Glory  
 Saint Germain doth bow,  
 So with our Blest Master Jesus  
 We are humble now.  
 Through Thee, They made Their Ascension  
 In the days gone by—  
 Give us now Thy blessed Light and Love  
 That we too may rise on high.

Thou art Master over Masters,  
 Thou art a Ruler of Kings

Thine own Great Transcendent Powers  
Liberation brings.  
Dissolve all human-creation  
Of those who serve their "I AM,"  
And instruct us through our Presence  
To fulfill God's Perfect Plan.

Through the action of Thy Power  
In the "Cave of Light,"  
Thou bestowed a Mighty Blessing—  
Giving Inner-sight.  
Awe-ful was Thy dazzling Splendor  
To those blessed ones,  
Our eyes too shall one day gaze on Thee  
When our True Awak'ning comes.

Oh, Thou Great Divine Director!  
Our voices pour forth to praise  
And to thank Thee for assistance,  
As our hearts we raise.  
Guard our Nation and her bound'ries  
With Steely Walls, shining bright,  
And envelop her within Thy Heart,  
Forever in Thy Light!

## GREAT VICTORY

(*Melody*—Original: published by Saint Germain Press)

Great Victory, from Thine Own Height  
 Thou did'st come forth to burst earth's night.  
 Blest Venus, Thine Own Shining Star  
 Sent Thee to earth's-plane, from afar.  
 "Master of Light"! set mankind free!  
 Help all to win their Victory!

The people dwelling on the earth  
 Must recognize Thy Service now;  
 Must render humble heart-felt thanks  
 And to Thy Greatness ever bow.  
 "Master of Light"! set mankind free!  
 Help all to win their Victory through Thee!

Before earth's history was told  
 "Lords of the Flame" did come of old.  
 Now with Thy Shining "Twelve" Thou came,  
 To help mankind its Freedom gain.

# OROMASIS

(*Melody*—Original: by Catherine Rogers) Key G  
(Published by Saint Germain Press)

Oromasis, Oromasis,  
Prince of the Fiery Elements,  
O'er all the earth release Thy Flame,  
Emblazon all in Thy Light's Name.  
Through Angels of the Violet Fire  
Release the help we do require;  
These Angels hasten at Thy Call  
To give Thy Fire of Love to all.

Oromasis, Oromasis,  
Ruling the Fiery Elements,  
We ask Thee ever to sustain  
The All-Consuming Violet Flame.  
All human strife and discords cease  
When Fiery-Sword Thou dost release.  
Oromasis, Oromasis,  
Thy Mighty Fire we ever bless.

Oromasis, Oromasis,  
We call to Thee in humbleness,  
To wield Thy Mighty Sword of Blue  
All human discord to cut through.  
Call forth Thy "LEGIONS OF THE  
LIGHT,"  
With Angels wield Thy Fiery Might.  
Oh, purify earth's atmosphere,  
Through Flames of Love, make all things  
clear.

America thou art,

## THE SILENT SENTINEL

(A tribute of Love to the Washington Monument,  
at Washington, D. C.)

(Melody—Original: published by Saint Germain Press)

Oh, Mighty Silent Sentinel! to Him our country loves!  
We gaze in rapture on thy height, as all around thee moves;  
Enfolding thee in pink and white, the cherry blossoms blow,  
Reflecting thee like beauteous gem, abides the pool below.

Oh, Mighty Silent Sentinel! e'er guarding our bright shores  
And watching o'er our Blessed Land above its open doors,  
Thy glory and thine own great height forevermore doth tell  
The purpose of America—Light's Cup and Freedom's Bell.

Oh, Mighty Silent Sentinel! brought forth by Thee—"I AM,"  
A focus of Light's own Great Pow'r—the Precious Unfed  
Flame!

Blaze Thou Thy Love, Thy Splendor bright! let all Thy  
Peace hold sway.

Till Vict'ry true and Flame of blue reveal Thy Great Light Ray!

Oh, Mighty Silent Sentinel! of strength and courage rare,  
Remind us often of Life's Gifts and God's own Loving Care,  
The Mighty Source of Light—"I AM"! from whence we all  
have come

And Him whose Love hath set us free—our own George  
Washington.

 From the Majesty of Its Presence,

 As the Light sent us onward to serve;  
 And we carry Its Freedom forever  
 To release the Great Truth men deserve.  
 As we stand in Its Rays of Glory  
 All protecting with Its Mantle bright,  
 We free all men from their discord  
 Come! Glory and Victory of Light!

When at last all our service is over,  
 And the Vict'ry of Light holds Its Reign,  
 We ascend into Light's Mighty Presence  
 As we sing our Eternal Refrain.  
 Our release to Thy Heights triumphant  
 Brings an Ecstasy so sublime,  
 As we enter the "I AM Presence,"

# WITH LOVE AND ADORATION

(Melody: STAND UP FOR JESUS) Key of Bb

With Love and Adoration  
To all the Hosts on High,  
Great Being Cyclopea,  
Of God's All-Seeing-Eye:  
To Saint Germain and Jesus,  
The Silent Watcher, too;  
And Great Divine Director,  
We send our Love to You!

We thank Thee for the Message  
Brought forth by Saint Germain,  
To teach the "I AM" Students,  
To use the Violet Flame!  
The Flame that purifies us  
Of everything unreal  
And all the limitations,  
That humans ever feel.

The Wall of Light-protection  
Surrounding every one,  
The "I AM Presence" strengthens  
Till all our work is done.  
Great Central Sun now flooding  
Our world with Love Divine,  
The Love Flame keep expanding,  
Till all hearts blend with Thine.

# SALUTE THE ROYAL TETON

(Melody: GO FORWARD CHRISTIAN SOLDIER)

Episcopal Hymnal—Key of E<sup>b</sup>

Salute the Royal Teton,  
Ye Children of the Light!  
Where great Ascended Masters  
Wield forth Their Power and Might.  
'Tis there that Cyclopea  
Through God's All-Seeing-Eye,  
Pours out His Rays of Light and Love  
To bless and purify.

We greet the Master Lanto  
Who regally presides  
O'er all the Royal Conclaves  
With Great Ones at His Side.  
Most reverently we'll enter  
Within Thy sacred walls,  
Garbed in our Seamless Robes of White  
Whene'er the Master calls.

'Tis now with great rejoicing  
That we may soon behold,  
The Treasures thou hast guarded  
Within thy heart of gold.  
Thy silence long unbroken  
Shall end its mystic spell  
And to the Children of the Light  
Thy wondrous story tell.

## THOU UNFED FLAME

*(Melody—Original: published by Saint Germain Press)*

Oh UNFED FLAME! of Life the Heart  
 Quivering, coursing through every part,  
 Flow on, expand, blaze from the Sun,  
 Thou Pure, All-radiant Shining One,  
 Thy Victory of Love's Great Day,  
 Illumine earth! show men Thy Way!

Oh Unfed Flame! Oh Source of all,  
 Great God Supreme to Whom we call,  
 In chariots of Thy Living Fire  
 Thy Legions come, man to inspire.  
 Take up our call, like clarion bell,  
 Thy Truth to every ear now tell.

Oh Unfed Flame! Whose Altar bright  
 Burns with Thy Pure Quenchless Light,  
 Pour forth to earth Thy Great Love-Ray  
 And in Thy Mercy, let It stay  
 To bless each one—man, earth and sea  
 Clothed with Thyself—at last all free.

Oh Unfed Flame! Life's Temple true,  
 We draw our every breath from You,  
 And so do Suns and Stars in space  
 All gaze on Thee now, face to face.  
 So too do we by Thy Great Might  
 Call forth Thy Flame, reach Thy Great Height.

Oh Unfed Flame! to Thee all yield  
And Thy Great Quenchless Light doth shield  
Thy children all, who journey far,  
For dwell Thou dost in every star.  
Thy Light in all is Love's own Grace  
And Love can enter every place.

Oh Unfed Flame! God of the sky!  
Thou Quenchless Light, All-seeing-eye,  
All-pulsing Life, Great Cosmic Fire,  
Circling raising ever higher:  
Into Thy Heart at will, we come,  
God's Own Eternal Temple-Home!

Oh Unfed Flame! all Source of Love  
Through Angel Host around, above:  
Drench earth with Thy Pure Quenchless Light,  
Raise all upon Their Pinions bright,  
Thou Great eternal Unfed Flame—  
At last! Thy Holy Self, "I AM."

## BLEST UNFED FLAME

*(Melody: SANTA LUCIA) Key of C*

Oh, Precious Unfed Flame, this very hour,  
 Descend to earth again, In Thy Full Power.  
 Seal us within the Plumes of Thy enfolding Light  
 Hold mankind safe within these Flames so bright.

With a Great Clarion Call!  
 Release Thy Light to all.  
 Oh Unfed Flame, Divine;  
 Blest Unfed Flame!  
 Hold us within Thy Blaze,  
 Ever with Thee to raise.  
 Oh, Unfed Flame Divine;  
 Blest Unfed Flame.

Oh, Mighty Unfed Flame, o'er all Thou rulest now,  
 To Thine enfolding Light, mankind must bow.  
 Thy Flames of Pink and Blue and purest Golden hue,  
 Flood forth to bless all men with Lite anew.

With a Great Clarion Call!  
 Release Thy Light to all.  
 Oh, Unfed Flame Divine;  
 Blest Unfed Flame.  
 Seal us within Thy Heart,  
 Ever of Thee a part.  
 Oh Unfed Flame Divine;  
 "I AM" Thy Flame.

(Melody: Music by Virginia LaFerrera) Key of B $\flat$

(Music published by Saint Germain Press)

Oh, world! awake! Behold on high  
A Cross of Blue! flames in the sky!  
A Silent Sentinal It stands,  
To flash again Life's Great Commands;  
To search the world with Rays of Love  
And draw all unto Light above:  
To Cosmic Spheres all free from strife,  
Our Source, "I AM,"—The Lord of Life!

The Cross of Flame, as once before,  
Reveals to earth the Open Door!  
It shines across the starry space  
And all will see It face to face;  
A Guard It stands! ablaze, all bright!  
A Messenger of Cosmic Might;  
The One within this Cross of Flame  
Comes forth from out the "Great I AM."

His Glory too, in Words of Light,  
Reveals on earth His own Great Height:  
His Cross of Blue now leads the way  
And ushers in the Cosmic Day!  
The "Great I AM"—the Central Sun,  
Has sent to us this Flaming One  
Whose Power and Strength will never cease  
To bring the earth ETERNAL PEACE!

# THY VIOLET FLAME

(Melody: ADESTE FIDELES) Key of A

Oh "Mighty I AM," in Thy own Sacred Name,  
 Blaze up, through, and 'round me Thy Pure Violet Flame  
 Cause me to feel Thy Loving Fire pour through me,  
 "I AM" Thy full Perfection!  
 "I AM" Thy full Perfection!  
 "I AM" Thy full Perfection!  
 Released from Thee!

Each thought of Thee now doth fan the Love-Flame  
 brighter,  
 Within Thine own Sacred-furnace I abide.  
 By Thy dynamic, powerful Activity,  
 All purified "I AM"!  
 All purified "I AM"!  
 All purified "I AM"!  
 Because of Thee!

All traits and desires less than Thy Perfection,  
 Thou now dost replace with Thine own Purity.  
 I feel Thy Cleansing-Fire with Love pour through me,  
 Thy Violet Flame "I AM"!  
 Thy Violet Flame "I AM"!  
 Thy Violet Flame "I AM"!  
 All Pure and Free!

Violet Flame, we call to Thee,  
Ever blaze forth and set us free;

## ALL-CONSUMING VIOLET FLAME

(*Melody*—Original: published by Saint Germain Press  
and THE PALMS by Faure') B<sup>b</sup>

Within the Violet Flame of Love we find  
That which will give release to all mankind.  
There is a means provided that can be  
Used by all men who wish to be set free.  
'Round us the Presence will maintain  
A Blazing Pillar of Its All-consuming Violet  
Flame.

Rejoice now! All men can be,  
Cleansed and released into their Final Victory.

Presence Divine, around us now we see,  
Pure Violet Flame that is released from Thee.  
Ever we ask that through us you sustain  
This Purifying Mighty Violet Flame.  
Almighty Fire of Love Supreme,  
All things impure within us, Thy Great Power  
will redeem

Blaze through us, that we may be  
Ascended into our Presence, Eternally.

—Catherine Rogers

(*Melody*—Original: published by Saint Germain Press)

I pledge the Unfed Flame a vow,  
Its Glory all-commanding now,  
I face my Source above and see  
My Presence smiling down at me.

I feel Its Great Enfolding Love  
Pouring o'er me from above,  
I gaze into Its Glorious Eyes,  
I hear It say: "Arise! Arise"!

I see Its Blazing Heart of Light  
Its Beauteous Garments dazzling bright,  
I ask Its Help and do implore,  
I hear It say: "Adore! Adore"!

I watch Its Light become a Sun  
Whose Rays pour out to everyone;  
I now behold These seem to blend,  
I hear It say: "Ascend! Ascend"!

I must obey Its Mighty Call  
Surrendering now myself—my all,  
I do attain my Victory,  
I hear It say: "All free! All free"!

Its Arms reach out and raise me high,  
Its Light illumines all the sky,  
I hear It say: "My Self now BE!  
For 'I AM' thee and Thou are ME"!

## THE ASCENSION

(Melody: ALOHA OE) Key of A

I feel my God Flame touch my brow,  
 The Breath of Love—eternal now,  
 I raise my eyes and Lo! I see,  
 My own Great God Self over me.  
 A Dazzling Cloud envelops all,  
 I hear my Real God Presence call!  
 I feel a surge of Love's Great Might,  
 I enter deep Its Breath—Its Light.

I see within this Pulsing Flame,  
 I listen and hear my Secret Name!  
 I feel the Glow—the Great Flame Breath,  
 "I AM" the Victor over death!  
 I stand forth free—ASCENDED NOW!  
 To my Heart's Light all things do bow:  
 "I AM" a Being of Cause alone,  
 And that Cause Love—the Sacred Tone!

I pour out Life—I lift, I raise,  
 My Heart o'erflows and sings Its praise;  
 My Power strengthens and inspires,  
 My Great Light Rays are God's Own Fires.  
 "I AM" a Sun! My Love Its Light!  
 All else grows dim—earth lost to sight:  
 I know that "I AM" GOD—the ONE!  
 The Source! the Great, Great Central Sun!

# THE STAR-SPANGLED BANNER

Key of B<sup>b</sup>

Oh say! can you see, by the dawn's early Light,  
What so proudly we hail'd at the twilight's last gleaming?  
Whose broad stripes and bright stars, through the  
    perilous fight,  
O'er the ramparts we watch'd, were so gallantly  
    streaming!

And the rocket's white glare, the bombs bursting in air,  
Gave proof through the night that Our Flag was still there.  
Oh! say, does that Star-spangled Banner yet wave  
O'er the Land of the Free and the home of the brave?

On that shore dimly seen through the mists of the deep,  
Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected now shines on the stream;  
'Tis the Star-spangled Banner; Oh, Long may it wave  
O'er the Land of the Free and the home of the brave!

Oh, thus be it ever, when freemen shall stand  
Between their loved homes and the war's desolation!  
Blest with Victory and Peace, may the heaven-rescued land  
Praise the Power that hath made and preserved us a nation!  
Then conquer we must! for our cause it is just,  
And this is our motto—"In God we do trust":  
And the Star-spangled Banner in triumph does wave  
O'er the Land of the Free and the home of the brave!

My country, 'tis of thee,  
Sweet land of Liberty,  
Of thee I sing;  
Land where my fathers died,  
Land of the Pilgrim's pride;  
From every mountain side,  
Let freedom ring.

My native country, thee—  
Land of the noble free—  
Thy name I love;  
I love thy rocks and rills,  
Thy woods and templed hills;  
My heart with rapture thrills,  
Like that above.

Let music swell the breeze,  
And ring from all the trees  
Sweet freedom's song;  
Let mortal tongues awake,  
Let all that breathe partake,  
Let rocks their silence break—  
The sound prolong.

Our fathers' God to Thee,  
Author of Liberty,  
To Thee we sing:  
Long may our land be bright  
With freedom's holy light:  
Protect us by Thy might,  
Great God, our King.

## AMERICA! THE BEAUTIFUL

Oh beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain.  
America! America!  
God shed His Grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

Oh beautiful for pilgrim feet  
Whose stern impassioned stress,  
A thoroughfare for freedom beat  
Across the wilderness.  
America! America!  
God mend thine every flaw,  
Confirm thy soul in Self-control,  
Thy Liberty in law.

Oh beautiful for heroes proved  
In liberating strife,  
Who more than self their country loved,  
And mercy more than Life.  
America! America!  
May God thy gold refine  
Till all success be nobleness,  
And every gain divine.

Oh beautiful for patriot dream,  
That sees beyond the years—  
Thine alabaster cities gleam

For the earth and its children are Free!

## ADORATION

(Melody: BRAHMS LULLABY) Key of E♭

Blessed One Thou art near,  
And I feel Thy Presence.  
Hold me close in Thine arms,  
Free me from all earth's harms.  
I shall rest so secure  
In Thy Love so pure.  
Keep me safe in the Light,  
Raise me to Thy Great Height.

Precious One, I look up  
And behold Thy Glory;  
Fragrance deep'ning into rose,  
As Thy Light within me glows.  
Presence mine, now I see  
Thy Light flowing to me.  
Adored One, soon I'll be,  
Forever with Thee.

"I AM" One with Thyself,  
In full Glory revealed.  
From my heart blazes forth  
Thy Great Light now unsealed.  
Now "I AM" the One  
From the Great Central Sun.  
Keep me safe in That Light  
Raise Me to Thy Great Height.

—Ruby Curtis

(Melody—Original: by Virginia LaFerrera)

Angel Star of Love Divine,  
May our voices blend with Thine;  
In glad praise, this blessed eve,  
For the Light, we all receive.

Oh, Thou Precious "I AM" Star,  
In our hearts, shine from afar;  
Flooding us with Pure Christ Love,  
Lift our eyes to Thee, above.

Heav'nly Music fills the night,  
Charging us with Golden Light!  
All of earth takes up the Song,  
Blending with the Shining Throng.

Elohim, we chant, with Love,  
Cosmic Music from above,  
Answers with Its Song Sublime,  
Sets aside all space and time.

Blessed Star, with Thy Love's Pow'r  
Hold us in Thy Light this hour;  
Wings of Song speed us to Thee,  
Sealed, at last, in Victory.

—Virginia LaFerrera

## IN THE FRAGRANCE OF THE LILIES

(Melody—Original: by Catherine Rogers) Key of F

(Published by Saint Germain Press)

In the fragrance of the Lily, come I now,  
 In the fragrance of the Lily, all things bow.  
 Come I now in Thy great Love, come I now to Thee above,  
 With the wealth of Thy great Love illumined now!

In the fragrance of the Lily, "I AM" Thine,  
 In the fragrance of the Lily, Thou art mine.  
 Come I now in Splendor too, come I now in Vict'ry true,  
 Let the Fulness of Thy Presence through me shine!

In the fragrance of the Lily, clothed with Light,  
 In the fragrance of the Lily and Thy Might,  
 Come I now to set all Free! come I now Envoy from Thee!  
 Raising all unto Thy Great Ascended Height—  
 Raised to Thine own Great Height, "I AM"!

## ENJOYMENT

(Original Words and Music published by Saint Germain Press)

I dwell in the Heart of My Presence,  
I breathe in Its Breath of Light;  
I hold Its Blest Hand in mine always,  
I live alone in Its Height.

So Radiant, so Real and Resplendent,  
In Glory all dazzling bright;  
"I AM" clothed in Its own Pure Substance,  
Its clear blazing Ess'nce of Light.

I call to the hearts of earth's children,  
I sing with the Voice of Peace;  
I give ALL the Love of my Being,  
That discord ever may cease.

So come and abide with me always,  
And visit these Temples bright;  
They are HOME, blessed ones so precious,  
Your Home and my Home of LIGHT!

—Chanera

## DOMINION

(Melody—Original: published by Saint Germain Press)

Tonight, I wear my Robe of Light,  
My Crown of Love and Sunshine hair;  
I wield my Scepter of God's Might  
And all obeys me everywhere.

I wear God's Jewel, His Di'mond Heart  
And through It pours Love's own Bright Ray;  
I lift my wings unfurled to heav'n  
And human clouds are cleared away.

I live within my Realm of Light  
Its Citadel is Love's Great Tower;  
I know all things and bless all things  
The "I AM" is my Mighty Power.

—Chanera

By Thyself above!  
Guard us, guard us, guard us  
Through Lightning of Thy Love!  
Guard us, guard us, guard us,  
Secret Heart of Light!  
Guard us, Oh guard us,  
By Thy Glorious Might!

Charge us, charge us, charge us  
With Thy Strength and Pow'r!

## MY VICTORY

*(Melody: OLD REFRAIN) by Kreisler Key of F*

The Presence of our own "Mighty I AM"  
 Sheds forth Its Light and Joy to every man!  
 It holds the Universe in Fond Embrace,  
 The World revolves within Its Loving Grace.  
 This Wondrous Presence heals all human ills,  
 With Perfect Substance every heart It fills;  
 Its Dazzling Radiance comes forth to bless  
 All those who turn to It in Consciousness.  
 Oh, Mighty Presence of the "Great I AM"  
 Unfold unto mankind Thine Own God-plan!  
 Inspire us all to listen to Thy Voice;  
 Thy Answering Call will now my heart rejoice!

I hear my Presence calling unto me!  
 It calls to tell me of my Victory;  
 My Victory of full release to come,  
 When all achievement over earth is won.  
 Ah, those are happy words, one joyous thought;  
 Visions of loveliness I long have sought.  
 Sweet are the paths that lead me on my way,  
 Happy each moment hastening that day.  
 For when my Vict'ry comes, I then shall be  
 Ascended into Perfect Mastery!  
 On Wings of Light, I then at last shall soar  
 To dwell in Perfect Bliss for evermore!

## CONTEMPLATION

(Melody: THE CHURCH'S ONE FOUNDATION) Episcopal Hymnal  
Key of E<sup>b</sup>

My "Mighty I AM Presence" all blazing up above,  
Forevermore enfolds me in Its Transcendent Love:  
Its Arms reach out and hold me within Its Heart so bright,  
"I AM" Its Own Great Power! "I AM" Its Blessed Light!

"I AM" Its Great Perfection now pouring out to all!  
"I AM" Its Mighty Glory now answering every call!  
Within Itself so dazzling, forever I abide,  
Again with earth's blest children, I walk now side by side.

I come in all Love's Power to set Light's Children free!  
I come at last commissioned—"I AM" Envoy from Thee!  
In Vic-tor-y and Triumph, I wield my Scepter bright,

Key of G

Come, Thou Almighty King!  
Help us Thy Name to sing,  
Help us to praise!  
Thy Self all glorious,

Thy Sacred Witness bear,  
In this glad hour!  
Thou, Who Almighty art,  
Now rule in every heart,  
And ne'er from us depart,  
Almighty Power!

Our highest praises be,  
Hence evermore;  
Thy Sovereign Majesty,

# PRESENCE OF BEAUTY

(Melody—Original: by Virginia LaFerrera) Key of C  
(Published by Saint Germain Press)

Out of the Heart of the Silence,  
Out of the depths of the night,

Comes the Beauty, all that is Perfect in form—  
Comes the fulfillment of all that is lovely,  
Presence of Beauty, reborn!

To enfold ev'ry heart that will raise  
Itself unto Thee!

Out of the mists of the morning,

# VISUALIZE—JUST VISUALIZE

*Melody:* IT CAME UPON THE MIDNIGHT CLEAR) Key of B♭

When shadows fade into the Light  
At dawn of each new day;  
"Be still" and with the Inner-sight  
Sweet scenes of Love portray;  
Hold fast this Vision bright and fair  
Of "Peace on earth" again,  
Come now! arise at last all free  
And sing Oh! "Great I AM."

So visualize "The Golden Age,"  
Eternally to stay,  
That Saint Germain is bringing-in,  
Lord of the Seventh Ray.  
His Ray of Light will lead us on  
To Everlasting Peace,  
We know His Love and Watchfulness  
To men will never cease.

Clothe all the "Children of the Light"  
And those outside the fold,  
In Robes that gleam with Jewels bright  
And spun from purest Gold.  
Kissed with a mist of petal pink  
That deepens into rose,  
Then raise them to their own "I AM,"  
To dwell in sweet repose.

—Christine Grainger

*(Melody—Original: published by Saint Germain Press)*

There is a Great God Presence,  
 That dwells within each man;  
 The Light of That Great Presence  
 Is his "Mighty I AM."  
 That Presence is his Glory, his  
 Victory and Power!  
 It is the Great Almighty One  
 That guides him every hour!  
 It is the Great Almighty One  
 That guides him every hour!

## CHORUS

Rejoice, in our song of praise!  
 To Thee, All-perfect One!  
 The Presence of the Almighty,  
 The Great, Great Central Sun.

From out the Deep Still Silence,  
 The Boundless Flame was sent,  
 To manifest Perfection  
 In God's Own Firmament.  
 "I AM" That Undivided One  
 Of which all Life is part!  
 "I AM" That Flame of Love Divine,  
 Sent out from God's Own Heart!  
 "I AM" That Flame of Love Divine,  
 Sent out from God's own Heart!

## AIRPLANE REVERIES

(Melody—Original: published by Saint Germain Press)

Up in the clouds with Thee—"I AM"!  
Winging our way o'er the earth,  
Pouring our Love and Joy to all,  
Singing with heavenly mirth:  
God of the sky! God of the sea!  
And God of the Great Great Blue!  
Come we now in Light's Great Power  
Joy and Peace we bring to you.

Up in the sky, we float along,  
Drinking Thy Beauty so fair,  
Absorbed are we, our hearts with Thee,  
As we sail the crystal air.  
Wondrous in Love and Light from Thee  
Flow 'round us Thine own bright Rays,  
Blessing our ship and its precious load,  
Illumined by Thee always.

# THERE'S MUSIC IN THE AIR

*(Melody: THERE'S MUSIC IN THE AIR) Key of A<sup>b</sup>*  
(Golden Book of Favorite Songs)

There's Music in the air,  
Winging our Decrees on high,  
We speed them with a fanfare,  
Swiftly out across the sky;  
Organ tones, ecstatic sound,  
Bring a thrill of joy profound;  
As we sing, we fling out there,  
Joyful Music in the air.

There's Music in the air,  
Energizing our Commands,  
Perfection, we declare,  
Bringing Light to all our lands;  
Happy voices blend, this hour,  
And the organ swells the Power;  
Amplifies, and speeds them there,  
Oh, there's Music in the air.

There's Music in the air,  
Clothed with Light of Gold and Blue  
Transforming mankind, everywhere,  
Making all forever new;  
Cosmic Breath, we now release,  
Great Love-Flames bring instant Peace!  
"I AM" here, and "I AM" there,  
In the Music, in the air.

There's Music in the air  
Embracing all Eternity,  
Celestial Voices share,  
In our joyous melody;  
Loving channels, we become,  
For the Work that must be done,  
By the Masters, everywhere,  
Through the Music in the air.

There's Music in the air,  
Blazing Light and Love to all,  
We're here to do and dare,  
Rallying to the sacred call;  
We release our own heart's Love,  
Rays from our "I AM," above,  
Dazzling Light floods down from there,  
Through the Music in the Air.

## JOY SONG

(Melody: JINGLE BELLS) Key of G

(This song is to be used only in groups where all are acquainted)

Enfolded in the Light, we praises sing today.  
We pour our Love and Joy, to all who come our way.  
We've found the Golden Key, that opens every door,  
Our happiness is now complete, as ne'er it was before.

Happiness, Happiness, Happiness is ours,  
Down to us the Presence sends clouds of Golden Showers.  
Filled with Joy, filled with Bliss, as we go along,  
Life for us has now become a NEVER-ENDING SONG!

The Light of God "I AM"! the "Light That Never Fails"!  
"I AM" within the Light, that nothing now assails.  
All free at last "I AM," a shining Sun of Light!  
I pour my Radiance o'er the Earth, I blaze forth God's own  
    Might.

God's own Light, God's own Light, God's own Light  
    "I AM"!  
Ever shall I now fulfill God's own Perfect Plan.  
Pouring forth, pouring forth, all my Radiance bright,  
Covering all the WHOLE WIDE WORLD, with God's own  
    Dazzling Light!

We call a blessing now, on everyone we know,  
We ask the Presence's Love, to all good things bestow.  
We send forth thoughts of Joy, we speak forth kind words too,  
We're filled with feelings of God's Love in everything we do.

# I COME ON THE WINGS OF LIGHT

Dedicated to Mrs. Nada Rayborn

(Melody: Original music by Catherine Rogers)

(Published by Saint Germain Press)

I come on the Wings of Light, dear hearts,  
On the wings of a radiant morn.  
The Love of my Being floods forth in full joy  
Like the glorious burst of the dawn.  
All glorious and blazing, all dazzling and clear,  
All radiant resplendent and bright,  
The Love of my Great Cosmic Presence goes forth  
To enfold all the earth in Its Light.

I come on the Wings of Light, dear ones,  
On Light that has substance and form.  
On Pinions that blaze as a rainbow bright  
My Love to the whole earth is borne.  
On song I come winging, in melody singing,  
In harmonies lovely and rare,  
I come as a Force, from the Infinite Source,  
On Wings I speed on through the air.

I come on the Wings of Light, Oh earth!  
On the "Light of the World" I ride.  
On my outspread Pinions of God's own Light  
"I AM" and do abide. "I AM" and do abide.  
All Light Am I!

Glistening Rose of Light!  
 Blazing forth so bright,

 Filling all space, blessing all mankind.  
 Our Heart's pure Love  
 Our Presence above  
 Happy, Perfect Light of God are we.

Behold! the Power of Light!  
 Thy enfolding Love, all-caressing now!  
 In Thy Heart "I AM."

Rose of Light whose heart is purest gold,  
 Rarest perfume is your healing gift.

 All men's consciousness you lift.

Wondrous in your velvet beauty fair  
 As you pour your blessing everywhere  
 Miracles of Joy you clothe in Crystal White

## DRIPPING SUNSHINE

(Melody—Original: Published by Saint Germain Press)

With Dripping Sunshine, Golden Dew,  
I bathe the Earth with Peace anew;  
I fill your world with Dazzling Light  
And lift mankind to Love's Great Height.

In Pow'r Supreme and Vict'ry True,  
I blaze My Great Light Rays clear through;  
To pierce the clouds of human might—  
I raise My Scepter of Great Might!

From My Own Self, the Unfed Flame,  
All worlds in space, all mankind come!  
My Own Blest Word—the "Great Command"  
Called through the ethers—Love! "I AM"!

My Heart of Gold, then burst in Me  
And Out poured Light—eternally!  
My Golden Essence—Pure and True  
Released o'er earth and drenched it through.

So now My Life streams into all,  
To carry forth My every Call;  
And Who—pray tell d'you think "I AM"?  
The Word that all must use—My Name!

I come in joy, Oh, let me through  
Your human world and let me do  
All things your heart can ever know;  
And stay with you where'er you go!

Pray, Who am I—this Mighty One—  
Who is the Light within your Sun?  
"I AM" the Dripping Sunshine too—  
You do know Me! for "I AM" you!

# THE COSMIC HOUR

(Melody—Original: Music by Virginia LaFerrera)

(Published by Saint Germain Press)

Lo! the "Cosmic Hour" draweth near,  
It is the hour of Sacred Birth.  
The Christ-child long has slept  
Within the heart of men on earth;  
But now, He rises to proclaim,  
Proclaim His Sacred "I AM" Name.

Angelic Hosts with glory round,  
In Legions come, earth to surround,  
Surround with beauties rare  
Bringing gladness to the night  
Radiant Beings of dazzling Light,  
Singing joyous melodies  
Carolling Their ecstasies  
Angelic Hosts with Glory round  
In Legions come, earth to surround,  
Surround with beauties rare.

"Peace, Peace on Earth," the Angels sing  
"Good Will to men," to us doth ring  
All of that which was of earth  
Rises now in Life's new birth.  
Rises now, rises now in Life's new birth.  
Our own Presence leads the way  
Showing us a brighter day.  
Born now are we this Holy Night  
Filled with Its Radiance—the "I AM" Light.

 The Law Supreme of Life—  
 The Fiat of the "Great I AM"  
 Comes forth in Cosmic Might!

 Thy Shield My Great Light-Wall!
